A nice shower visited Eldorado Sunday night but most of the rain fell North and West of town, i was a fine thing for the parts it visited. It did not reach South any farther than the Isaacs ranch about two miles.

Some of the Sunday school children accompanied by Mrs. J. B. Christian and Miss Lettie Hill boarded a wagon Saturday morning with lots of things good to eat and left for the Vermont pasture to spend the day picnicing, the youngsters were full of happiness as well as their Chaperones and all report having a pleasant outing, they spent the day near the old ranch house and when the time came to go home, not one of them was ready but all sighed for a longer day, but night was drawing on and they mounted for home arriving just before night after spending a most delightful day.
