Eagles End Season With Win

by Ed Wandling

The Eldorado Eagles completed a winning season by shutting out McCamey 32 - 0 last Friday night.

The Eagles' first score came on a 28 yard Touchdown strike from Dakan to Nix. Sanchez added the extra point to make the score 7-0 with 7:19 left in the first quarter. On McCamey's next series, when forced to punt after 3 first downs they fumbled the snap. The Eagles took possession and Bownds scored on the very first play of the series making the score 13-0 before the first quarter ended.

Early in the second quarter McCamey was driving toward their end zone but was stopped by a Whitten interception. The resulting Eagle series ended with another Eagle TD as Dakan scored from one yard out on a keeper. The half ended with Bownds recovering a fumble and the score being 19-0.

The second half began with McCamey taking possession of the ball. On their second play of the half they

fumbled and McGinnes recovered on the McCamey 8 yard line. Dakan scored on another keeper. The PAT failed and the score with 11:34 remaining in the half was 25-0. The Eagles would score one more time on a Triplet run of 15 yards. The PAT was good making the score 32-0.

Schleicher County 4-H Food Show Held

by Nancy Lester

Fifty-seven 4-H members participated in the Schleicher County 4-H Food Show on Sunday, October 31st in the Memorial Building. A Halloween theme provided an opportunity for these 4-H members to demonstrate the skills that they learned in 4-H Foods Projects.

Twenty leaders met with 10 groups of 4-H members to teach skills in basic nutrition, food preparation and food safety.

Food show winners who will advance to the District Food Show on November 20th are:

Junior Division

Main Dish - Kayla McCravery; Breads & Cereal - Lindsay Beach; Fruits & Vegetables - Courtney Sauer; Snacks &

Desserts - Nicole Althaus

Intermediate Division

Main Dish - Lindsey Griffin; Breads & Cereals - Renee Edmiston; Fruits & Vegetables - Kimberly Beach; Snacks & Desserts - Haley Edmiston

Senior Division

Main Dish - Amanda Manning; Breads & Cereal - Lindsay Johnson; Fruits & Vegetables - Makenzie McCravery; Snacks & Desserts - Trent Manning

Trent Manning, State 4-H Council member, presided over the Awards Program. Kimberly Beach and Renee Edmiston led the motto and pledge. Lindsay Griffin recognized 4-H leaders. Lindsay Johnson and Makenzie McCravery handed out awards.

A tasting party for friends and family members was held following the food show.

Community-Wide Thanksgiving Service Set

submitted by Hawley Wolfe

Thanksgiving is a time to gather together in gratitude for what we have and for what we are. The annual Ministerial Alliance community-wide Thanksgiving service is coming up soon, on Sunday, November 21st, at 7:00 p.m. in the Memorial Building. Everyone is invited to come and enjoy the special music and decorations and spiritual reflections of this festive occasion.

The canned goods shower will benefit the needy right here in our own county: everyone is encouraged to bring two or more cans for the service. Many

churches and individuals will be participating.

Handbell rehearsal will be at 5:45 p.m. on the day of the service, in the Memorial Building, and the joint voice-choir run-through will be at 6:20 p.m. over in the Presbyterian sanctuary - the choir is open to all.

The traditional "Litany of Thanksgiving" will be offered, featuring symbols of service by many different civic groups in the community.

We of the Ministerial Alliance feel that God has been very good to all of us: this is the least we can do for him.

Schleicher County Awards Banquet

by Nancy Lester

The annual 4-H Awards Dinner was held on Monday, November 8th in the Memorial building.

The highlight of the program was the presentation of the 4-H Gold Star Awards. Gold Star recipients for 1993 were: Travis Whitten, son of Mr. and Mrs. Ross Whitten; Carmen Joy, daughter of Mr. and Mrs. Kerry Joy; and Eric McGinnes, son of Mr. and Mrs. Wayne McGinnes. The Gold Star Award is the highest award a 4-H member can receive on the County level. Gold Star Awards were presented by Mrs. Becky Sterling, 4-H leader.

Trent Manning, State 4-H Council Member, served as

Master of Ceremonies. Other 4-H members who served on the program were: Lindsey Griffin, Lindsay Johnson, Andi Sterling, Madolyn Joy, Kimberly Beach, Whitney McGinnes, Toni Whitten, Makenzie McCravery, Eric McGinnes, Travis Whitten, Will Edmiston, and Carmen Joy.

Special leaders who were recognized were: Kerry Joy, Damien Beach, Steve Snelson, Becky Sterling and Darlene Edmiston.

4-H Gold Star winners will be honored at the District 4-H Banquet in Abilene on Tuesday, November 16th. This event is sponsored by West Texas Utilities.

Christmas & More

Eldorado's annual Christmas and More sale will be held this Saturday, November 13th from 9:00 a.m. to 7:00 p.m. at the Memorial Building. More than 20 booths have signed up to participate, ranging from all kinds of crafts to baked goods.

Door prizes will be awarded and refreshments will be served.

Please plan to attend and support our local crafters in this annual event.

The 2nd, 3rd and 4th Grade classes of Eldorado Elementary wish to invite all veterans of Schleicher County to be honored guests at the Veteran's Day Program.

"COMING TO AMERICA" will be presented on Thursday evening, Nov. 11, 1993, at 7:00 p.m. in the E.H.S. Auditorium.

RC&D Questionnaire

The RC&D Board has mailed out a Questionnaire to the citizens of Eldorado. It is very important that these be filled out and returned to one of the drop boxes located at: The First National Bank, City Hall, WTU, Eagle Dairy Mart, Shot's or Star Stop.

If you did not receive a questionnaire, please call the Soil Conservation Service.

Thank you for your support, RC&D Board

TOP OF THE DIVIDE

by Thomas Giovannitti

Today is Veteran's Day. I suppose to non-veterans it may appear that we have more than enough days to honor those of us who have served in the armed forces of this Nation. It is my understanding that this holiday was created especially to honor those veterans who returned from the many wars and other armed conflicts that the United States has found itself engaged. It is to my fellow veterans, and most especially my fellow Vietnam veterans, that I want to speak.

Some how the media, movies, TV, and books, may have given others the idea that all Vietnam vets are the same. We know that is not true. Many of us came home, have taken positions in our work, in our government, or in the social activities of our communities and have let the war only take up a marginal part of our lives. Others of us who came home, for whatever our personal reasons, have not integrated ourselves into our community.

Now, not every person who serves in armed conflict is destined to be a leader when he or she returns home, but I think we are all responsible for the life of OUR COMMUNITY. It rings false if we ask for recognition for our service to these communities and then will

not enter into the life of the town through civic, social, religious, academic or business organizations that were formed to continue and enhance the very form of association for which we all fought.

We did not pick the place or the time, or even the public policy upon which the leaders of this Nation felt we should fight in Vietnam. Many of us were drafted, or with the draft right behind, us we enlisted. Very few of us volunteered to go "in country," but we went when we were sent. Some of us saw considerable death and destruction that appeared even then to have little effect on the resolution of that conflict. Some of us never fired a shot or lost a close friend, but all of us thought that responding to the call of our country was what we were supposed to do. We were right. But service to country does not end with military service, it only begins. It is our time to step forward and begin to carry the burden of active citizenship that our fathers, the WWII veterans have carried for so long.

If you are a Vietnam veteran and you have up to now avoided involvement in the life of the community, maybe now is the time to come forward. Join a club, run for office, help

the organizations who already trying to make Eldorado a better place. The community has made amends, has told us we are welcome, now we owe them something... our time, our talent, and our spirit of duty to this way of life we thought we once defended.

Beta Sigma Phi Update

submitted by Dorothy Dacy
 Kappa Delta and Xi Xi Chi met on Monday, October 25th with 11 members present.
 The Fall Festival held on Saturday, October 23rd was a big success. Congratulations to all the winners of the door prizes and our silent auction. We want to acknowledge all of the businesses, both locally and out of town who contributed to our festival.
 Flora Hubble presented an informative program on "Retiring in Style." Charlotte Crain won the Sunshine Gift. We then enjoyed our Halloween Social together. We dined on Pizza and soft drinks and enjoyed the costumes of those who chose to dress up. Hostesses for the meeting were Mary Leigh and Wendi Dunagan.
 Kappa Delta and Xi Xi Chi met again on Monday, November 8th in the Club room with 9 members repeating our opening ritual.
 The winner of the deer rifle was Tom Anderson of

Ozona. The drawing took place at half-time during Friday nights game at Eagle Stadium. A great big thanks to Michael Hill for drawing our winner.
 Due to everyone's generosity, we were able to make a donation of \$631.00 to the Emergency Medical Service. Again, thank you for your support!
 Members will be selling Turkey Raffle Tickets from now until Thanksgiving for five chances to win a holiday turkey. The drawing for the 5 turkeys will be held on Monday, November 22nd at our Annual family Thanksgiving Supper. Proceeds from this raffle will go toward our Christmas Charity and Nursing Home Projects.
 Dorothy Dacy presented a program on "Drama - Theatre: Television, Stage and Theatre for fun." The Sunshine Gift was won by Peggy Stine, and refreshments of Vegetables and Dip and Strawberry Pound Cake were served by Sheila Prater and Peggy Stine.

J.V. Ends Season With 5-4 Record

by Ed Wandling

The Junior Varsity lost to McCamey 6-12 but finished the season with a winning record. The Eagles got off to a slow start as McCamey scored the first 12 points in the first quarter.

Eldorado responded in the second quarter with an eight-yard TD pass for Zane Bruce to Brian Jones to make the score 6-12. (The PAT failed.) The Eagles managed to prevent McCamey from scoring in the second half, but were unable to

score themselves.

In reflecting on the season, Coach Michalewicz said, "Overall we had a good season. We ended up with a winning record, and the guys showed improvement all year. The experience they got will be essential to their efforts to contribute next year. Some of these J.V. kids will be needed on varsity next year. I enjoyed working with this group a great deal. They did everything that was asked of them and they worked hard."

Letter To The Editor

Dear Editor,
 The Goldman Sachs one World order speculator George Soros by The International Monetary Fund shock therapy are the mafia thugs that will promote shock therapy free trade NAFTA to put U.S.A., Canada and Mexico into an inflation spiral that will melt down real wages just enough to destroy our three countries the sam way that Russia and Bosnia are being destroyed in the editorial U.S. News World Report October 25, 1993. The inflation rate was running at 30 to 50 percenta month. No country is a suitable patient for shock therapy. It lacks fiscal and monetary discipline, and it has no entrepreneurial and managerial class to run a privatized economy. The only people who have profited from shock therapy are criminals and the old comrad networks of bureaucrats.
 Are you just going to stand around and twiddlel your thumbs and do nothing? Treasonable jerk Congressman and Senators have only listen to Multinational Oligarch bribes. You must get on the phone and tell them to vote no to North American Free Trade.

Tourism? In Eldorado?

by Hawley Wolfe

I hope you are filling out the questionnaire that just came in the mail -- the one about future economic projects for our community. We all know that the Wool Act is being phased out and that oil and gas revenues are tapering off. What are we going to do? The questionnaire is meant to help us all to begin to figure out an answer to that question. The boxes are waiting for your input!

You'll notice that 4 of the options relate to what goes under the banner of "rural tourism," an important fast-growing industry nationwide. You might say to yourself, "Rural tourism in Eldorado? Who would want to come here?" But of course many already do come. Hunters come. People come from out of town to rodeos, Mias Amigas, Schleicher County Days, Old Main street Days, Community Theatre productions. Many more would like to come. I sat down in the Cow Town Cafe the other day talking to Mary Chipley of Austin, who comes out with other state workers to oversee our Resource Center

pilot project. She said, "Eldorado is a great town: I like it here. But you don't hear much about it in Austin. I've drawn a line on a map, a radius of four-hours drive out of Austin. That's where my family goes on getaway weekend trips, to see something different and get out of the crowds. You're within my radius. But what is there to do here? Do you have any camping? Horseback rides? What?"

The idea of rural tourism is the back of four projects on the questionnaire: the Game Management or Game Harvesting Center (a clearinghouse for hunting leases), the Woolen Mill-Main Street Project, the Covered Arena for year-round rodeos and community events, and the Eldorado Working Ranch (giving folks a chance to watch sheep-shearing, go on horseback rides, and watch stock-work). Other projects on the questionnaire focus on the attraction of other new businesses and industries to Eldorado. I am in favor of attracting other new businesses and industries. I am also in

favor of supporting oil and agriculture, which have been good friends to our community and will continue to be important for many years to come. But I confess that I am most excited of all about rural tourism. Here are some of the reasons:

* Rural tourism builds on what's already here rather than changing the community by bringing in totally new industries. We are a rural ranching-farming area and rural tourism therefore builds on what we already are.

* Tourists have a minimal impact on the community because they go home again after their visit. They don't move in permanently, creating urban problems like crime and traffic (hopefully, all they leave behind is their "now outside dollars").

* Tourism is a "clean" industry, having few environmental problems (maybe some litter -- oh, well).

* Tourism is a very recession-resistant industry, the studies show: people still have a need to "get away" even when times are hard (maybe even

more so).

* Tourism encourages people to have a clean, attractive community, and to preserve historic structures (after all, their business and livelihood depend on it!).

* Tourism helps a community attract and retain professionals, who appreciate the historical interest and well-kept appearance of tourist communities.

* Rural tourism has good long-term prospects because the national population is aging (and senior citizens have the time to tour), and the national population is also increasingly urban (wanting to "escape" to the country). We may also be poised to have heavier tourist traffic going to and from Mexico (if the proposed interstate is built).

* Tourism is already thoroughly established in Texas. We are on the major sun-belt route between Florida and California, and on the north-south routes between Mexico and the Midwest. Texas is the 3rd most popular destination in the U.S. among American

tourists. (Can you believe it? I was stunned!) Travelers spend over \$17 billion a year in Texas, generating over \$1.03 billion in local and state taxes and creating over 311,000 jobs.

* Tourism is already a major force in the area, with the San Angelo Convention Bureau aggressively looking for "side-trips" in the area for visitors. We have Ft. McKavett, Sonora Caverns, Llano River State Park in Junction, the Spanish Presidio in Menard, Ft. Concho, the Concho river-walk, and the lakes around Angelo. Why not the Eldorado Woolen Mill? Why not working ranches and rodeo events here in Schleicher County?

* Tourism gives the greatest number of people a chance to have a direct financial benefit from the new industry. Tourists stay in motels, eat meals, and buy gas, but best of

all, they shop. Almost any hand craft, antique, clothing, jewelry, or regional food item can find a market for the souvenir-hungry "urban refugee." If an attractive craft-market (or emporium or mini-mall) were included in our community plan, many of our talented local folk could open a stall and sell their items on consignment while they keep their other full-time or part-time jobs.

* Tourism is fun -- it gives us an excuse to celebrate our Wild West heritage to the hilt!

Rural tourism is not a quick and easy solution to all the economic and social challenges for our community, but it is working very well indeed in many communities around us. After seeing all the benefits, I feel that this is an area we should pursue, don't you?

Engagement Announcement

Lynn Marie Beechie and Jon Hart Bumguardner

Lynn Marie Beechie of Seguin and Jon Hart Bumguardner of Eldorado are planning a November wedding at Saints Peter and Paul Catholic Church in New Braunfels.

Lynn is the daughter of Jeannette Hoffmann Beechie of Seguin and the late Arthur Barry Beechie. Jon is the son of J.C. Bumguardner of Eldorado and the late Ester Bumguardner.

Lynn graduated from Navarro High School in 1989. She received her bachelor of science degree in geography with a specialization in environmental geography in May of 1993 from Texas A&M University in College Station. She is a member of Gamma Theta Upsilon International Geography Honor Society and former vice-president of the Texas A&M University Geographic Society.

She is employed with the City of Laredo's Department of Engineering, Environmental Engineering Division, as Director of Data and Mapping Coordination.

Jon graduated from Eldorado High School in 1989. He will be receiving his bachelor of science degree in geography in December 1993. He is a member of the Texas A&M Geographical Society and the former president of WSAC, the Texas A&M Amateur Radio Club.

Jon is employed with the Texas A&M University Department of Geographic's Gulf of Mexico Structural Stratigraphic Synthesis Project.

Schleicher County E.M.S. Update

by David Templeton

The Schleicher County Emergency Medical Service met Monday evening, November 1st, at the Fire Hall for its regular monthly business meeting. The main item on the agenda was the election of officers for the coming year. After discussing several items of business the election of officers took place.

Those members elected to take on the responsibilities of the various offices in the organization are as follows: David Doran, president; Pam Daniels, vice president; Debbie Griffin, secretary; Ken Thomas, treasurer; Susie Richters and Kim Thackerson will share duties as communications and training officers; Lynette Doran will do billing for the service; and David Templeton will be reporter and chaplain.

The Emergency Medical Service exists to provide the county with quality ambulance service. All of the members are volunteers who are not paid for the time spent training and carrying out this responsibility. The president has the responsibility of making sure the service runs according to state standards and also conducts all the meetings. The vice president assists the president and also is responsible for making sure the vehicles pass state inspections as emergency ambulances. The supply officer must make sure each vehicle carries the needed supplies and orders them as needed. The maintenance officer is responsible for the upkeep of the vehicles so that they stay in constant service. The communications and training officers keep all members of the service

informed about the ongoing work of the service, schedule training sessions (every member is required to have continuing training hours to stay certified by the state) and keep records of the number of hours each member has for continuing education. The treasurer keeps financial records and pays all of the bills, the billing officer collects fees from the patients who were served, the reporter is responsible for keeping the community informed about the work of the E.M.S., and the Chaplain serves the spiritual needs of the members and patients when this is requested. This short description is given to show that these volunteers put in many hours of service to the community and the county.

Schleicher County E.M.S. is in need of more personnel. If you have ever been interested in doing emergency medical service work we are interested in talking to you. Our membership includes people trained at two levels. Emergency Care attendants are those who have taken the State of Texas entry level course for working on an ambulance service. This course includes about ninety hours of classroom and skills training, and the

passing of a state skills and written test. Every person who does E.M.S. work in Texas must be at least an E.C.A. The second level is called Emergency Medical Technician. This course involves about one hundred fifty hours of training, including classroom time, skills practise, observing in a hospital emergency room or operating room, and making five emergency ambulance runs as an observer.

If enough interest is

shown the E.M.S. will have an E.C.A. course in the near future. Keep watching the paper for information about that course. Any member will be glad to talk to you about emergency medical service volunteer work in our community.

The E.M.S. would like to thank all of the individuals and organizations of Schleicher County who support us financially with fund raisers and donations.

RC&D Questionnaire Mailed

submitted by Hawley Wolfe

You should have gotten a questionnaire in the mail this week. Please take a little time, fill it out, and return it to one of the boxes around town.

The Schleicher RC&D (Resource Conservation and Development) Board, together with the First National Bank and the ASU Small Business Development Center, have put together a survey form to find out what you think about job creation and economic development in Schleicher County. The form asks you to rate, on a simple scale, how you feel about several projects, such as attracting light industry, a

Woolen-Mill Main Street tourism project, detention center, covered rodeo arena, etc. Your input is needed!

Place the completed form in a box in: The First National Bank, City Hall, WTU, Eagle Dairy Mart, Shot's or Star Stop. We will pick up the boxes exactly one week after the questionnaire comes out in the mail, so please do it right away!

If you did not get a questionnaire, please call or drop by the Soil Conservation Service and get one.

Public Notice

CALL FOR APPLICATIONS FOR THE SECTION 16 GRANT PROGRAM ELDERLY AND/OR DISABLED GRANTS TO ASSIST WITH PUBLIC TRANSPORTATION

Pursuant to Title 49, United States Code, Section 1616 of the Federal Transit Act, the Texas Department of Transportation (TxDOT) issues this notice for solicitation of proposals and/or applications from private and public nonprofit organizations serving elderly and/or disabled persons to utilize funds available under the Section 16 grant program, administered by TxDOT.
Notice of Invitation: The Texas Department of Transportation (TxDOT) is issuing this request for applications for the Section 16 grant program. The Section 16 grant program provides capital assistance to nonprofit organizations which provide transportation services to elderly and/or disabled persons in Texas.

Funding for the Section 16 grant program is appropriated by the Federal government under the Federal Transit Act as described in FTA Circular 9070.1C, December 23, 1992. Fiscal Year 1994 appropriations for Section 16 grant program are expected to be announced in October.

Eligible capital expenses under the Section 16 grant program include: (1) the replacement of vehicles such as buses, vans, trolleys, etc., currently used to transport elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; (2) the purchase of vehicles for services expansions and new services to elderly and/or disabled persons; and such auxiliary equipment as is normally acquired with vehicles of this type; and (3) the purchase of radio equipment only, i.e. equipment that is not part of a vehicle allowed categories 1 and 2 of this paragraph. Section 16 funds must be used for transportation projects serving elderly and/or disabled persons.

Each project will be evaluated in the appropriate category in accordance with the stated selection criteria. However, TxDOT reserves the right to establish minimum required scores.

Projects must meet Federal funding criteria included in Circular 9070.1C and must also comply with property management

standards set out in Title 43, Chapter 31.57 of the Texas Administrative Code, relative to the replacement of vehicles. To be eligible for consideration, each 16 proposal must include the following documents and information:

- (1) Successful completion of the pre-application interview and on-site visit with the District public transportation coordinator.
- (2) A complete Section 16 grant application, copies of which are available at TxDOT District offices. Applicants requesting funds for multiple projects should group them within the application by funding category (replacement vehicles, expansion vehicles, new starts, and radios). The narrative should demonstrate the need for the equipment, the capability to maintain and operate the equipment, and the involvement of the applicant and the community in requesting funding for the equipment.
- (3) A budget for each category of equipment which shows the unit cost of each item and total equipment costs. The federal dollars and local match dollars provided by the applicant should be noted.
- (4) Compliance with the Americans with Disabilities Act to provide transportation services that are accessible to disabled persons.
- (5) Provide proof of demonstrated coordination efforts with other transit systems within the applicant's immediate service area in the application.
- (6) Proof of local match ability to pay a minimum of 20 percent of funding for said equipment. No federal dollars may be used as local match unless authorized by the federal agency that awards those monies.
- (7) The latest annual one-way passenger trip figures for the applicant agency, with the source of the information shown (such as TxDOT reports, etc.).
- (8) The latest annual administrative/operating budget for the applicant's authorized service area and agency clientele served, with source of the information shown.
- (9) The latest population estimates for the applicant's authorized service area and

agency clientele service, with source of the information shown.

Agencies requesting Section 16 funds for the purchase of vehicles (replacement or expansion) must also submit the following information:

- (a) A complete inventory of the current vehicle fleet, with the following information provided for each vehicle:
 - * type (bus, van, etc.)
 - * license or serial number
 - * size (length)
 - * passenger capacity
 - * special equipment on board (radio, lift, ramps, etc.)
 - * model year
 - * odometer reading, date of odometer reading, and whether vehicle is a spare or is used regularly to provide service.

Agency contact: Questions concerning the request for proposals should be referred to the Public Transportation Coordinator with the local TxDOT District Office.

Response date: Written proposals must be received by the Public Transportation Coordinator, Mr. Tommy Robinson, Texas Department of Transportation, at 4502 Knickerbocker Road in San Angelo, on or before January 18, 1994.

Selection criteria: TxDOT will select projects for Section 16 funding on quantitative measures such as demonstrated coordination efforts, ability to operate present equipment on an annual basis where applicable, local match ability, ability to meet service needs of elderly and/or disabled persons based on passenger trips per vehicle per month in urban or rural areas, hours for service, ability to maintain equipment, average fleet mileage where applicable, and average fleet age where applicable. Only those measures appropriate to a specific funding category will be used in evaluating projects within that category.
