

THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXII

Eldorado, Schleicher County, Texas. Friday, January 8, 1932.

No. 2

San Angelo National Bank Re-opens Monday

The San Angelo National Bank, which closed its doors on October 3, 1931, has re-opened for business. The doors swung open January 4, 1932 and a large crowd attended the re-opening. This bank was one of West Texas strongest financial institutions and all West Texas will be helped by its re-opening for business. When any banking institution has to close, the community in which it operates is hurt as well as the bank officials and in most instances the people are to blame for its closing.

Teachers Meeting

The school teachers of Schleicher county will hold their second meeting at the Eldorado High School Auditorium on Friday night January 22. A committee was appointed for the arrangement of these meetings during the teachers institute in August, but so far only one has been held. Several speakers will be on the program with talks of educational value to the patrons of schools in Schleicher county. And the public is cordially invited to attend this meeting as it is the motive of these meetings and programs to secure cooperation in promoting education throughout the county.

Two Barber Shops Makes One

R. M. Murray and H. T. Finley have consolidated their barber shops this week. Monday Mr. Murray began moving his shop into the building with H. T. Finley, the Palace Barber shop. This still leaves three barber shops, 10 chairs in our city.

BETTER TIMES COMING

Be an optimist. Big improvements are on future programs. But you can't be optimistic if you have misty optics. So see Baker and see better, and at one third less cost.

DR. FRED R. BAKER
St. Angeles Hotel Bldg.
Opp Baker-Hemphill

BANK GETS CALL FOR DECEMBER 31

The First National Bank has a splendid showing at the close of the year 1931, as shown by the call statement published elsewhere in this issue.

Adding machine paper, sales pads and typewriter ribbon and paper napkins can be found at
THE SUCCESS OFFICE

Pat Martin was in from the ranch at Rudd Monday looking after business.

Schleicher County Again Gets Rain

Sunday night early the clouds hung heavy over Eldorado and Schleicher county. Rain began to fall and by Monday night something like an inch and a quarter had fallen, being very beneficial to small grain crops and the range.

Lions Club Holds Regular Luncheon

Wednesday the Lions Club held their regular luncheon at the Presbyterian Church. At the meeting the Lions decided to offer a prize for the one making the best citizen for the county during the next 12 months. Just what this will include has not as yet been worked out by the Lions, but other civic clubs and organizations will be asked to co-operate and assist in the judging. Another resolution for essay writing by high school pupils was adopted and will be found elsewhere in this issue. J. H. Jarvis and R. D. Holt were to introduce it in the High School. One of the interesting features of the program was a solo by Joe Williams and Don McCormick. J. D. Wesner was present as a visitor. He is drilling the W. R. Nicks well, and reports that the well was down to 5,400 feet in sand that looked very favorable, but he thought that it would take 300 feet more before production was reached. It might blow in any old time.

Patrons of the local Post Office who are taking the San Angelo Standard Times on Sunday are asked to call at the Royster-Whitten Drug Store each Sunday morning for their paper beginning Jan. 10, 1932. Papers not taken from the Drug Store on Sunday will be put up Monday Morning. This is practiced by all Postmasters through out the surroundings towns of West Texas enabling them to attend Sunday Morning Services at 10:00 A. M.

A. J. ATKINS, p. m.

J. T. Belcher Buys Boot Shop

J. T. Belcher has bought the Boot Shop from Mr. Chesney and has moved it to the office formerly occupied by J. A. Whitten, in the Hotel.

Mr. Chesney will remain with Mr. Belcher for the present. Mr. Belcher's son, Howard will work in the shop.

Hop Cheatham and wife visited in Coleman county during the holidays. Hop had to go home to get his feet under his Pa's table once more. He reports the grain in that county fine.

Brice Dabney Succumbs To Lingering Illness

Brice Dabney, prominent ranchman of this county for the past 32 years, died at a San Angelo clinic January 2, 1932. He has been suffering for the past several months and has spent quite a lot of time in the hospital at Temple and San Angelo.

Mr. Dabney was born December 4, 1876, the son of Mr. and Mrs. C. I. Dabney, who survive him and live in our city. Mr. Dabney came to Schleicher county before it was organized and has been ranching in this county for the past 32 years.

He was married to Miss May Wyatt November 4, 1908 at Sonora, Texas and to this union was born one daughter, Miss Cleone, who with her mother survive.

Mr. Dabney was a man who made many friends and no enemies and at one time was appointed Sheriff of this county, when Henry Mills resigned. He has devoted his ranching to raising Mules for a long time, and in later years has given his attention to fine registered cattle.

Beside his wife and daughter he is survived by his parents, Mr. and Mrs. C. I. Dabney, of our city, a brother Robert Dabney, of Tulsa, Oklahoma; two sisters, Mrs. M. A. Habernacher of Sabinal, Texas and Mrs. L. C. Tomlinson of Ballinger, Texas. The brother and Mrs. Habernacher arriving after the funeral.

The funeral service were conducted from the home of his parents in our city, The Rev. J. D. McWhorter, pastor of the Methodist Church, conducting the service, assisted by the Rev. W. B. Gray, pastor of the Presbyterian church.

The following friends acting as pall bearers: W. A. Davis, V. G. Tisdale, D. E. DeLong, Bert Page, C. C. West, Seth Ramsey, Doc. Kerr, Sam. Oglesby, and C. M. McWhorter.

MR. AND MRS. T. K. JONES ENTERTAIN

On January 1st, Mr. and Mrs. T. K. Jones opened their beautiful country home to a number of their friends to come together and enjoy the New Year eve with them playing forty-two.

The interior decorations kept with us the memories of the Christmas spirit. Holly weaths and Christmas bells were hung about the room and a native Christmas tree was decorated as only our hostess can decorate expressing joy and gladness to all who looked upon it. The score cards reminded us that a New Year had dawned.

The score was not added but the writer thinks that from "Luck" Mr. Cobb perhaps made the highest score, however, Mr. Kerr and Mrs. Bradley remained at the head table most of the evening. The highest single score was perhaps made when Mr. Jones and Mr. Conner bid so high and lost so heavily to their opponents, making them a score of 644.

Victoria Jones and Elizabeth Bradley assisted in serving an attractive salad course to the following: Mr. and Mrs. Doc Kerr, Mr. and Mrs. Tom Wilton, Mr. and Mrs. O. Conner, Mr. Sam Oglesby, Mr. and Mrs. W. B. Cobb, Mr. and Mrs. George Williams and Mr. and Mrs. Frank Bradley.

—A Guest.

LECTURES ON REVELATION CHANGED TO WED. NIGHT

The weekly lectures on the Book of Revelations by the Rev. F. G. Clark, will be on Wednesday night of each week beginning at 8:00 o'clock, beginning Wednesday night, January 13. This change was made, because it will follow the regular Wednesday night song service which meets at 7:00 o'clock. Those who want to attend the lectures and cannot get to the song service can come by 8:00 o'clock for the lecture. The Revelation lesson will last about one hour.

Two West Texas Pioneers Passes Away

Two of West Texas Pioneers, of many years, died this week, one in San Angelo and one in Dallas.

It was the privilege of this writer to have known both of these men from our early childhood, especially Mr. Sam Pollock. We first made his acquaintance in Ben Ficklin when he ran a store. Whenever we could mooch a nickel, we would find our way to the candy store. Mr. Pollock was truly a good man and lived to bless his fellow being. He has been a benefactor in the developing of San Angelo and West Texas.

Mr. Gerome Shields, another Pioneer, who was found dead in his bed Sunday morning was another of the early Pioneers of West Texas, who are like the long horn cattle, are passing from view. It was our privilege to have known him since he first came to San Angelo, and we found him to be a typical western big hearted soul. Back in the 90's while he was Sheriff, a rumor spread through the west that a raid from Mexico threatened. Mr. Shield organized a home guard and 16 young men from the South Concho including this scribe, joined the home guard and pledged to keep a gun and plenty of ammunition and to be ready at his command. The home guard was never used. May these departed souls find peace with God.

PARENT TEACHERS ASSOCIATION MEETS

The Eldorado Parent Teacher Association met Tuesday, Dec. 29 in the High School Auditorium. The Association voted to buy forty dollars worth of playground equipment for the High School and Grammar grades. The organization also decided to have two pictures of George Washington framed for the Mexican school and to buy some balls and bats for the Mexican children.

Mr. R. D. Holt gave a very interesting talk on "The High School Curriculum." Mr. Smith gave an interesting talk in "The Honor System and Student Government." Music was furnished by the Rythm Band and the Girls' Choral Club.

The next meeting of the Parent Teachers Association will be Jan. The subject will be "Citizenship."

Impeachment of Mellon Sought By Patman

Congressman Patman of Texas, has filed charges in the U. S. Congress against Andrew Mellon, secretary of the treasury, asking that Mellon be removed from office.

A SANE CHRISTMAS

Christmas passed in Marble Falls in a quiet and sane way. Everybody seemed to enjoy the holidays to the utmost and no disturbance of any nature arose to mar the pleasure of the occasion. Many came to town and the merchants all report a splendid business. Ideal weather prevailed throughout Christmas.—Marble Falls Messenger.

We wonder if the above report was similar to one 25 years before.

In this editors early life it took liquor and egg-nogs to make a real Christmas. What a change. We too witnessed no drunks this Christmas. We do not say there were none, but we did not see them and in our early life we saw them without hunting for them.

O. F. Priest was in Eldorado Monday from Sonora meeting friends. He was on his way to San Angelo to attend district court.

Mrs. L. C. Mays, of Coleman Texas, is visiting Mrs. Ruth Boyer this week.

Lions Club Votes To Offer Prize To Eldorado's Best Citizen In 1932

At the last regular luncheon of the Lions Club, held at the Presbyterian Church last Wednesday, it was voted to offer a prize to the citizen of Eldorado who does the most for his community during the year 1932. Dr. W. B. Gray, chairman of the major activities committee of the Lions Club, proposed the plan and it was heartily agreed to by the members. The text of the resolution adopted follows:

"Resolved: that in order to encourage the highest type of citizenship in our community, the Lions Club of Eldorado offer a prize to the "Best Citizen" for the year 1932.

The winner of this prize is to be elected by committees of the Self Culture Club, the Womens' Club, the Parent Teachers Association and Lions Club of Eldorado.

The reward shall be made to the person who, in the judgment of the committees, renders during the year the greatest substantial, martial service; adding most to the happiness, health, comfort, education, welfare or material prosperity of the whole country.

This award is to be made at the end of the year."

Boots & Shoes Made

The Boot and Shoe Shop has been moved to the Hotel. Look us up at our new location for any repair work. Mr. Chesney will remain with the shop for some time.

Work Guaranteed
J. T. BELCHER, Owner

W. M. Davis Moves Barber Shop

W. M. Davis has moved his barber shop from the F. R. Keele building to the Joe Williams building this week and is ready to serve his trade at his new place of business.

New President For Wool Growers Storage Company

Ira G. Yates was elected president of the Wool Growers Central Storage Company, Tuesday at San Angelo. He succeeds J. A. Whitten, who was elected to that position last year upon the death of Robert Massie.

Judge Whitten resigned in favor of Mr. Yates and presented his name in nomination for the office.

The condition of his health and his desire to be able to attend to other business was the factor in causing his resignation. Continuing, Judge Whitten said: "The two other directors chosen, P. L. Childress and Joe Montague, are well known and good men and capable business men and will add further stability to the board of directors."

NOTICE

I wish to thank my many customers and friends for their patronage during the year of 1931. I have recently moved my shop to the Joe Williams Building. I will appreciate a continuation of your patronage and will strive to give you the best of work and courteous treatment.

W. M. (Bill) Davis,
Standard Barber Shop

MEXICAN PARENT TEACHERS ASSOCIATION

The Eldorado Mexican Parent Teachers Association met Wednesday January 6. Twenty-four members were present. With the help of Miss Meyer and her Spanish III class, a very interesting program was given. A patriotic program will be given at the next meeting of this Association, February 3.

Local School To Celebrate George Washington Bicentennial

All over the United States and in many other parts of the world the Two Hundredth Anniversary of the birth of George Washington will be celebrated during more than nine months in 1932. The pupils of the Eldorado Public School will honor the memory of our first president by a series of programs during the week beginning February 22nd when a program will be given every day during the week as well as at other times during the year. An effort is being made to interest every pupil in the school in the celebration so that every one of the four hundred pupils will have some part in showing gratitude to the man who won our independence and founded our nation.

The programs will trace the life of our first president from early youth on to old age and will teach the present day citizens of his courage and strength of character; his achievements as a surveyor, engineer, soldier, farmer, business man, writer, patriot, commander in chief, statesman and First President of these United States. The customs, characteristics and costumes of the colonial days will be shown in the programs by music, one act plays, pageants, and speeches.

The Bicentennial celebration of the birth anniversary of George Washington is planned as the greatest event of its kind ever held in the nation. It is not centered in the national capitol but is to be carried on in every town and every community all over the country and the plans for the programs call for the cooperation of all organizations in the community to take a part in the community celebrations. The motive expressed by congress for the celebration is, "that future generations of American Citizens may live according to the example and precepts of his exalted life and character and thus perpetuate the American Republic."

The George Washington Bicentennial Commission was created by a joint resolution of the Congress of the United States in December of 1924 to recommend a proper celebration of the birth anniversary of our great national hero. This commission has worked out extensive plans to enlist the help of the citizens of the nations. The reason why the citizens of the nation need to review and study the life of this great man in the light of present-day citizenship may be expressed in the words of Ex-president Calvin Coolidge as follows:

"We all share in the benefits which accrued from the independence he won and the free Republic he did so much to establish. We need a diligent comprehension and understanding of the great principles of government which he wrought out, but we shall also secure a wide practical advantage if we go beyond this record, already so eloquently expounded, and consider him also a man of affairs. It was in this field that he developed that executive ability which he later displayed in the camp and in the council chamber.

"It ought always to be an inspiration to the young people of the country to know that from earliest youth Washington showed a disposition to make the most of his opportunities. He was diligently industrious, a most admirable and desirable, if seemingly uninteresting, trait. . . ."

The plans for the school programs for the week, February 22 to 26, will soon be completed and announced to the general public. The entire community is invited to attend these programs some in the mornings at the regular assembly time (8:45) and some at night.

JANUARY, 8, 1932

Well, the new year is starting off nicely, with the nice warm weather and plenty of rain the Grand Old Schleicher County should march forward into prosperity.

Another reason some of us did not do so well in 1931, is we purchased one of Ford's units of travel, instead of walking.

It is almost a necessity for business people to get on cash basis. Too much loose or slack credit business has made it so. Some people are deserving credit, but the most of us, are not.

Mahatma Grandi, big man of India, has been arrested and jailed again, he world has recently heard lots of Grandi, seeking freedom for India from Great Britain, but he has again been put in prison for agitating a boycott of Government goods.

Over at San Angelo, eight people entered the political arena last week against one in Schleicher County. Quite a few more are desirous of getting in the race here and a big field of runners is predicted.

An automobile with four urchins left Eldorado last week for Ft. Worth and other points, but financial matters together with hungry stomachs brought the car home.

This week sees the Japs in Chinchow, the Chinese on the run to get behind the Great Wall with the Japs still in pursuit, with the assertion that they expect to subdue the Chinese bandits (which is all China) or chase them to London and Paris.

Many notes and valuable papers are worth less than their

face value, but a smile is often worth more than its face value.

Your subscription bill may be small, but if 200 were paid in January our tax money could be raised and have some to pay friends we owe. Why not pay this small account and greatly assist us in helping us to pay ours.

An American flag and coast of arms together with an American consul, were trampled on and beaten up, by three Japanese soldiers in Mukden, Sunday

If Williams Jenning Bryan could see the world now, he could almost see his free silver platform in use every where.

If Europe can't pay in gold let's take their silver. It has always been useful with this scribe. It will buy as much in Eldorado as the gold nugget does.

A study of the book of Revelation each Thursday night, at the Methodist Church, will be held by the Rev. F. G. Clark, every one is invited to attend and take part.

And now comes the Japanese government and says the reason those Jap soldiers, three in number, beat up that United States Consul, Chamberlain, was, it insulted them to be spoken to in Chinese. Well, that's some apology.

The Rev. Bob Schuler, of Los Angeles, California, has announced for the United States Senate and will have his name printed on three tickets, Independent, Republican and Democrat, which is permissible under the California laws. Bob Schuler is well known in Texas and a fine stump speaker.

T. K. Jones reports that Mrs. Ed Kerr holds the record of this county for a turkey hunter. One morning last week Mrs. Kerr shot and killed two gobblers from her back gallery, in one shot. Mrs. Kerr lives on the King ranch in Middle Valley. As far as the editor knows, this is the best record for the hunting season in this county.

G. C. Crosby visited in Villa Acuna last week, and while there picked up a stump which he brought home for a souvenir. It developed after he reached home, the blame thing had a bottle in it, said Gratton.

W. C. Parks was in from the ranch Monday looking after business and meeting friends.

F. B. Gunn of Ardmore Oklahoma, was a business visitor in Eldorado last week end.

Garden Of Experience

F. G. Clark

A NEW YEAR MESSAGE

As we begin the new year, it will be profitable for us to meditate upon the source of our chief blessings—whence they come? We must answer, if we are truthful, that they are the fruit of the teachings of Jesus of Nazareth. Let us enumerate some of them.

1st. He has filled our mouths with real music. The heathen world knows no melody. With screeches, yells and discordant jangles they insult the air. Their attempts at harmony are almost as far from real music as is modern jazz. Where His message has penetrated, the inner life is attuned to the celestial and man answers back in psalms and hymns and spiritual songs, making melody in his heart to the Lord.

2nd. He has filled our eyes with beauty. There is no art worthy the name in the heathen world. We have but to look at the repulsive images of the heathen's gods, to be convinced that his soul, of which the eye is the chief organ, is filled with horrors. Our divinities are clothed in beauty, and all nature reflects the glory of that Heavenly Father's love which Christ revealed to us.

3rd. He filled our minds with truth. The writer has just finished a review of the philosophies of all ages, and has come from the task with a mind whirling dizzily in a tempest of contradictory and conflicting panaceas, concocted and guaranteed to cure all the ailments of mankind.

Jesus speaks the one clear word when He declares sin to be the under lying cause of all our ills. Get the human factor right and all else will come right. He laid down this rule: "Seek ye first the Kingdom of God and His righteousness, and all these things will be added unto you."

4th. He filled our hearts with love. Before He came, the strong used their strength to prey upon the weak, and human slavery, both white and black, was common to all the nations of the earth. He taught us to love God with all our hearts and our neighbors as ourselves, and as a result, slavery has vanished from the earth.

5th. He wakes the spirit to consciousness. The great world of natural men, are alone concerned about what is considered success in the temporal life. But Jesus awakened the spirit and by it's power, man pierced the veil that hides eternity from mortal eyes. When this higher world was made real to man through his awakened spirit, he began to lay up treasures in heaven and to furnish a home there.

As an outgrowth of these gifts, we have the home and the exaltation of womanhood. The free public school, the hospital

and democratic government. An ever enlarging control of the forces of nature hinted at by the miracles of Christ.

Let us sum up in a personal way: What has He done for me? He has put music in my mouth, beauty in my soul, truth in my brain, love in my heart and con-

sciousness in my spirit. All He asks of me in return is my devotion, and the least I can do is to yield to the last full measure.

West Texans, FORWARD!

It has been the history of West Texas that after every national depression, this "Land of Opportunity" returns to normal—and marches ahead to greater prosperity—more rapidly than any other section of the country.

Recognizing this, can you doubt the brilliant future ahead of West Texas? Can you remain depressed when you're living in this land of vast and valuable resources? Can you allow a temporary period of adjustment to blind you to the immense possibilities just around the corner?

Of course you can't—neither can other thousands of loyal and enthusiastic West Texans! That's why the rapid development of our land has astounded the world—we have a boundless, and justified, faith in West Texas!

This Company, rendering dependable and efficient electric service to 125 prosperous cities and towns, has displayed its confidence in this territory's future by the investment of approximately fifty millions of dollars and the creation of an annual payroll that has averaged over \$2,000,000.00 for the past three years. Our firm faith further is exemplified by the reduction of electric rates for service to the home to the low average of only 6.3 cents per kilowatt-hour . . . by the construction of three major generating stations, nineteen auxiliary plants, and more than 2,500 miles of transmission lines . . . through the building of fifty-five local office buildings and warehouses, and the erection of the many additional permanent facilities necessary so that West Texas can offer to industries and home-makers that dependable and inexpensive power supply available only from a widespread transmission line electric system.

The future of West Texas is assured! Present fundamental conditions are sound, and West Texas' wealth of natural resources—unsurpassed by any other section of the country—give every indication of progress that will dwarf in magnitude that sensational development which a few short years ago riveted on us the attention of the entire nation! Let us take advantage of this encouraging situation—and march through to a greater prosperity than ever before! Let us assume our rightful eminence in the great Southwest!

WEST TEXANS—FORWARD!

PARENT TEACHERS MEET

Anna Ruth Spurgers
The Parent Teachers met last Tuesday, December 29 in the High School Auditorium. They were entertained by the third and fourth grades, which played two selections with their instruments. The choral club sang "Barcarolle."

Mr. Holt and Mr. Smith both gave talks on "Character Training." There were not so many parents present this last time as there have been before. The next meeting will be held at the Auditorium, January 8, and all parents and teachers are invited.

HERE COMES THE CIRCUS!

Lola Davis
The Dramatic Club was not only astonished but frightened when they heard a very loud and unusual noise in one of the cloak rooms just as they were beginning their meeting Tuesday afternoon. Everyone informed us that we were to be entertained by the second grade folks. We were asked to criticize them but everyone became so interested he forgot to take notes.

These little folks gave a musical play, "The Circus Parade." Most of us were really surprised to see just what these children

can do. This was their first time on the stage and with ten years of practice we feel sure they will be real actors. We all know this sort of work, like any other, must be begun early if we wish to accomplish very much.

After the program the club discussed the letter which we sent to the Dramatic Club of the San Angelo High School. We intend to correspond with this club and exchange ideas with them all during the year. Our next meeting will be devoted primarily to our play.

—E.—H.—S.—
NOT SO BAD

Gusta V. Graves
There seems to have been quite a lot of complaint around in the area of the school building during the past week because we were having to go to school while our neighbors Sonora, Mertzon etc were out having a grand vacation. It's just this way—if we had had two weeks we would have forgotten what we learned before the holidays. As it stood we had just enough holidays to tease us. Now which is the worse?

But I got off my subject. I started out to tell you we had a holiday last Friday, January 1 to make up for our having to go to school while our neighbors tormented us by coming up to our town and laughing because we had to go to school. But the laugh will be on them when May drags along and we are out on our summer vacation.

There I got off my subject again. Well any way we had a wonderful time January the first, Thursday night I think nearly every one went to the "mid-night" pre-view "at ten-thirty". At twelve o'clock I think all the little boys in town were trying to see who could ring the cow bell the loudest. At any rate, there was no sleeping for a while here because of the

school bell, cow bells, tin cans, gun shots and other such musical pieces.

—E.—H.—S.—
HEAVEN

Thelma Taylor
Hassell: A school where they don't give D's and there is no red ink.
Pauline K.: A country where the rain doesn't wash off the paint and powder.
Raymond: A school where you don't have to fill out contracts.
Auta Mae: Where there is no constitution to study.
Lucile: Where there's no outlines.
Pokey: Where there's no cigarette tax.
Jim: Where you get two week holidays for Xmas.
Albert: Where there is no fine on overdue books.
Marshall: Where you don't have to go to school.
Hollis A.: Where you can chew gum in comfort at school.

—E.—H.—S.—

Francis Mills is back at school.
Hassell's growing love for English.
We have a new pupil. (John

Edwin Rodgers.)
Grace and Pauline talking.
Plane Geometry getting easier.
Minnie and Aris Carr together.
A. J. has left us for Abilene.
Vance and Lawrence Morgan look like twins.
When Texas was annexed to the U. S. (1845)
We had a party at Kerr's Saturday night.
Miss Allen making out exam questions.
We like to study when we've nothing else to do. (Pity but what we never had anything else to bother us!)

—E.—H.—S.—
WHERE TO?

Gusta V. Graves
Well, I suppose all of us had a good time New Year's enjoying our holiday whether we went anywhere or not.
Mr. Smith and Mr. Williamson stayed in Eldorado and had a good time "enjoying the tranquility" of our little town. Tranquil is no name. I should say "lifeless" at times. Mr. Williamson and Mr. Smith said they had no desire to leave, so they stayed because they wanted too.
Now I am afraid such was not the case with Miss Allen. When I asked her what she did New Year's she put on a long face and said she had to stay in Eldorado.
Miss Turney went to Ozona and spent the week-end. She came back ready for work Monday and nothing can speak better of a holiday than to be able to enjoy it while it lasts and then get to work again.
Miss Meyer spent the holiday and the week-end in San Angelo. She said she had a good time but I could not coax her to tell me what she did.
Miss Bradshaw spent the week-end in San Angelo, too. She said she had a wonderful

(Continued on last page)

ATHLETICS

EAGLES TO PLAY SHERWOOD FRIDAY

Jack Ratliff
The Eldorado Hi School Eagles, both boys and girls, will play Sherwood on the home court, Friday. The girls have not practiced much lately but they will be in top shape. The boys will be in good shape for the test. The probable lineup for the girls is; Pauline Rape and Cleone Morgan, forwards; Lucile Oglesby and Margarete Bradley (captain), centers; Francis Ballew and Evelyn Anderson, guards. The probable lineup for the boys is; Lefty Smith (captain) and Jack Kerr, forwards; Albert McGinty, center; Hollis McCormick and Junior Isaacs, guards. Come out to the basketball court and see both of your teams play. Sherwood has a good team, but the Eagles are not so bad.

—E.—H.—S.—
RAYMOND SMITH ELECTED TRACK CAPTAIN

Jack Ratliff
Monday Coach Williamson called all of the athletes for a meeting. The Coach made a short speech on eligibilities and mid-term exams. Raymond Smith was elected captain of the 1932 track team. Some of the boys will start track soon with Raymond in charge. There are about fifteen that are coming out for track. The lettermen from last year are Raymond Smith, Aubrey Smith, Hollis McCormick, J. R. Conner and Jack Ratliff.

—E.—H.—S.—
STANDING OF INTER-CLASS BASKETBALL

Seniors	Won	Lost	Pct.
	2	0	1.000

Juniors	1	1	.500
Sophs	1	1	.500
Fish	0	2	.000

Results up to date
Wednesday, Dec. 30, Seniors 5—Juniors 0.

Thursday, Dec. 31.—Juniors 6, Fish 1.

Friday, Jan. 1. Holiday, postponed.

Monday, Jan. 4, Rain, postponed.

Tuesday, Jan. 5, Rain postponed.

—E.—H.—S.—
SPORT SLANTS

Jack Ratliff
Eagles vs. Sherwood
Neither team knows anything about the other. The Eagles do not know what they are stepping in. Of course, we expect them to put up a good fight even if they get beat.

The girls are all small but they showed several teams how to play basketball last year. They only lost one player last year. Margaret McGinty finished. Cleone Morgan is to fill her place. The other five have played together for three years.

According to dope, the seniors will win the interclass basketball contest. Every team has been beat by the seniors or by a team that the seniors have beat. The fish seem to be out of the race. The sophs and juniors are going to give the seniors a race for their money in the next games.

Raymond Smith, track captain. Raymond will start track soon. He will have several out that are not trying for basketball. Raymond will be the Asst. Coach in track, because the Coach is busy in basketball. Raymond is a sprinter. He will make a very good track captain and intends to help win the cup from Sonora.

—E.—H.—S.—
ON TEXAS FARMS

By W. H. Darrow,
Extension Service Editor

The old story of how terracing improves yields is found again in the experience of Roy Easley of Bremond, Robertson county, who gathered 1-2 bales of cotton this fall from three worn-out acres terraced two years ago.

Ed Richter, Nueces county 4-H club boy has crashed the feed market by selling 20-cent corn to 14 hogs for \$1.18 per bushel, and 50-cent a hundred maize for \$1 per hundred.

Undismayed by low egg prices two Howard county poultry demonstrators have carved out profits of \$2.28 per hen (above feed cost for the year ending October 31st. They did it by cutting production costs 40 per cent and increasing production 12 per cent through close culling, and feeding home-mixed mash and skim milk. It cost them \$103 to feed a pullet a year and 7 cents per dozen for the feed to produce one dozen eggs.

Sending a boy to college on egg money is the accomplishment of Mrs. J. W. Johnson, poultry flock demonstrator in the Live Oak Home Demonstration Club in Coleman county.

A saving of \$52 on clothing last year due to making her own garments by the help of a foundation pattern and dress form is reported by Mrs. O. C. Humphries, Nueces county home demonstration club member.

Jack and Morris Whitten, who have been at home spending the holidays, returned to their school at Edinburg, last Saturday. They drove through in the car accompanied by their parents, Mr. and Mrs. W. T. Whitten; their aunt, Mrs. W. L. McWhorter, who visited a few days with their mother, Mrs. J. S. Pelt, of Edinburg.

W. E. Bruton was in the city Monday from the farm.

LOOKING FORWARD

Nineteen-thirty-two may be a crucial year in the history of the United States.

For more than two years we have endured one of the most severe and prolonged general depressions of all time—in company with the other great nations of the world. There is no magic remedy for curing economic ills—how soon our problems will be solved, largely, is up to us, as individuals, and as members of a complicated society.

Nineteen-thirty-two is a "Presidential year". Ordinarily, such an election and the political questions it raises, would loom large on the horizon. But this is not an ordinary period, and local issues—so far as they affect themselves to men and parties—have become, in the public mind, a very small thing when contracted with economic and social issues. People who are wondering how to find jobs, are not interested in partisan platforms nor in political bickerings.

The greatest danger of a depression is that we may lose our heads—that a sort of mob hysteria may take the place of reason. We may try to overcome economic law with panaceas. Already many such efforts are being proposed—the new Congress before it has completed its session, will be swamped with suggestions for relieving the unemployed with gigantic bond issues; for helping the farmer with governmental subsidies and attempts at price-fixation; for helping the small business at the expense of the large one; for helping the poor and those of moderate means by overtaking the wealthy.

While such proposals may be made in good faith, most of them are based on misconceptions.

Prosperity will return as the result of stimulated employment stimulated buying, stimulated trade, commerce and building. We cannot product that by frigid-

liting the capital we need. We cannot do it through governmental meddling, which in evitably forces retrenchment and inaction on the businesses it touches—and, by example, on the entire business structure. The potential destructive forces of politics cannot be measured.

To repeat, 1932 will be an outstanding year in our history. It will be a year of great problems. All of our national character, aggressiveness and initiative will be needed to solve them. Courage and faith must displace gloom and fear if the mists of 1930 and 1931 are to rise in 1932

Tobacco has been successfully grown at Sweetwater this year.

Three all-weather runways are under construction at the Abilene Airport.

A gigantic feeding plant for livestock is under construction at Lubbock, to be finally completed in 1933, to cost \$100,000.00 and accomodating sixty thousand head.

Ten carloads of mohair were shipped from Junction to Kimble County recently.

Llano, Texas, is shipping the largest pecan crop in years. Three buyers have shipped a quarter million pounds.

Harris Rounds of Christoval was in the city Friday meeting his many friends.

Mr. and Mrs. Clyde Windrow of Brady, attended the funeral of Brice Dabney here Sunday.

Bailey Ranch

School News

Jack Meador—Editor

ASSISTANT EDITOR RESIGN

Jack Meador
One of the saddest occurrences in the history of Bailey Ranch School News took place Monday, January 4 at eleven o'clock. Our assistant editor J. T. Kerr put in his resignation. We are sincerely sorry that J. T. resigned, because he has been an outstanding newspaper man. J. T. says the reason for his resignation is because of the lack of work in the said office.

J. T. devoted the largest part of his time to the writing of amazing articles of science and invention. Two of his most noted articles were "A Modern Dam" and "The Largest Belt In The World."

J. T. tells us that he will work for us as a reporter. We are very glad to get to have the chance of getting so valuable a news man as he is and we will gladly take him.

Perhaps it is much the better for J. T. to resign because the work was very tiresome and was telling on him very much.

We hope that J. T.'s health will improve since he put off this irksome job. He is in a very run down condition now but is expected to recover soon.

W. C. Parks has been appointed assistant in J. T.'s place. W. C. is a very industrious young man and we hope he will like his work as it is a very hard matter to secure anyone for the place, being the work is so hard and tiresome.

And as I bring to a close my story of J. T.'s resignation, I want to sincerely thank him for his fine work in the past, and I am most sure the reporters want to thank him as much.
—B.—R.—S.—N.—

CHRISTMAS VACATIONS

By Carl A. Stevens
School opened January 4, 1932. Everyone was smiling and glad to get back to school. Every one seemed to have had a good time during the vacation. All of the teachers visited their homes and report a fine time.
—B.—R.—S.—N.—

BAILEY RANCH SCHOOL ADVANCES

By Luther Parker
The Bailey Ranch School is rapidly advancing in size. Monday January 4 six new pupils entered. The school now has forty-eight pupils and is the largest country school in the county. We are very proud of our school and hope it continues advancing.
