Albert P. Bailey Announcer For Com- missioner, Precinct 1

We are authorized to announce Albert P. Bailey for the office of Commissioner of Precinct One, subject to the action of the Democratic primary in July.

Mr. Bailey needs no introduction to the voters of this precinct, as he has been in our midst for about 35 years. He knows the needs of the people, of the county and city, and is well qualified for the office should he be elected. And it is at the solicitations of friends that he makes the race.

SANITARIUM NOTES

The following persons were treated this week at the local sanitarium:

Clarence Ramly Jr., who received a bad cut on the knee Sunday evening from glass, required several stitches to sew the wound together.

A small son of R. I. Glenn stuck a splinter in the back of his hand Tuesday evening and he was carried to the local sanitarium where it was removed through the palm.

Horace Wood was a patient at the sanitarium, Wednesday, with a bruised foot.

DISTINGUISHED LAYMAN AT PRESBYTERIAN CHURCH

In the absence of the pastor next Sunday morning at the Presbyterian Church, Mr. Alexander H. Morgan, of San Angelo will speak on "Light in Darkest Africa." The lecture will deal with conditions which the early Scottish Pioneer Missionaries found in Nigeria, Africa, Universal slavery, the Poison Ordeal Sacrifice of Twin Children, etc.

The lecturer has been the guest of the famous Scottish Missionary, Mary Slesser, the one-time Dundee mill-girl who rose to be known throughout all Africa as the "White Queen of Calabar." Mr. Morgan was sent out to Africa by the Scottish Church to design and erect the hospital now dedicated to the memory of this great missionary.

This lecture will be given at the Presbyterian Church Sunday morning at the 11 o'clock hour of service. Large and enthusiastic audiences have greeted Mr. Morgan in many churches to hear his experiences in the Dark Continent. The local church and the town generally is fortunate to have Mr. Morgan give this address here.

E. M. Acker, of Denton, manufacturer of the famous Acker's Black Medicine, an ideal laxative, sold by all druggists, was shaking hands with his friends in Eldorado Monday.

Mr. Acker says that he has had a 25 percent increase, the first three months of this year over last, which is self evidence that his famous medicine is taking with the public and that the depression has not affected the selling much. Farther proof that it must be worth the price, and gives actual results.

Mr. Acker formerly lived here and has a host of friends in our city.

Jack Drumman, cattleman, of Oklahoma, was here Tuesday looking after business.

W. M. Holland was out from San Angelo Tuesday meeting friends.

Lowe - Johnson

Last Friday morning, or just after midnight, Thursday, Mr. Jimmie Lowe and Miss Dahlia Fae Johnson motored to the home of Judge Frank Bradley, and in the presence of the family, were united in the Holy Bonds of wedlock, by Judge Bradley.

Mr. Lowe has been here about fifteen months and works on oil wells, and has made a number of friends in our midst.

The bride is the oldest daughter of Mr. and Mrs. J. C. Johnson, who live three miles south of town, was a student of the Eldorado High School and in the Senior Class. Has been reared in our midst and has a host of friends among our young people.

For the present they will make Eldorado their home.

The Success wishes them many pleasant years of happy married life.

PRESBYTERIAN CHURCH SERVICES

Mr. Alexander H. Morgan will deliver an address at the 11 o'clock hour. "Light in Darkest Africa."

The Young Peoples Endeavor will meet at 7 P. M. This meeting will be in the nature of an Echo meeting of the Christoval Conference of Young People of the Presbyterian League which is being held there Friday evening and Saturday.

There will be no preaching service at this church Sunday night.

Bill Douglas, who wrestled in San Angelo Monday night won over his opponent, according to reports received in Eldorado Tuesday morning.

Will Drake and Alton Neal of San Angelo were in Eldorado Tuesday.

The Religious Drama Sunday Night Well Received

The Religious Drama given Sunday night at the School Auditorium by the First Presbyterian Church of San Angelo, was well given and made a splendid impression upon the crowd.

YOUNG PEOPLES PRESBYTERIAN LEAGUE

The Young People of Brownwood Presbytery will meet at Christoval for a week-end conference beginning Friday afternoon at 4 o'clock and continuing through Saturday afternoon.

Some well known speakers and leaders will be on the program. Rev. Matthew Lynn, of Coleman, Rev. Dr. E. O. Wood, of San Angelo and others.

The Young People of the local Presbyterian Church under the leadership of Miss Dena Meyer, and Mrs. Sam Loyd are expecting to attend. The beautiful conference grounds of the Baptists with buildings and equipment have been graciously loaned to the Young People of Brownwood Presbytery for this conference.

Our friend Sam Oglesby is very optimistic. He even had a good word for the county Saturday afternoon. But yet the economical situation has also found him. He will have about two cars of wool to get from his ranch to San Angelo and he is looking for reduced transportation for it. He says he has taken so many reductions on his lambs and wool that he thinks he is entitled to have some on the hauling, in fact he has it offered.

Amos and Andy haven't the only reducing business in the country. Everyone is reducing.

"Little" Ed DeLong Succumbs to Diphtheria

Edwin DeLong Jr., son of Mr. and Mrs. W. E. DeLong, and who would have been 9 years old June 9, died Friday morning at a San Angelo Hospital, of diphtheria, after an illness of about 10 days.

He was taken ill with a slight fever and sore throat about 10 days prior to his death and Dr. Wiedenmann was summoned, and treated him until Wednesday when he advised them to take the child to San Angelo. He was immediately carried to San Angelo Hospital where an operation was performed and a tube placed in his windpipe, but in spite of medical skill and the brave and strenuous fight of Little Ed himself, the grim disease had its way, and over came all obstacles and took the little fellow away.

The funeral service was conducted from the home of his grandparents, Mr. and Mrs. D. E. DeLong, Saturday afternoon, the Rev. J. D. McWhorter, assisted by Rev. F. G. Clark, pastor of the Methodist church, conducting the service with Robert Massie of San Angelo, directing. On account of the high west wind the service at the grave side was omitted and was held at the Methodist Church Sunday morning.

Many friends and relatives of the parents and grandparents same from a distance to attend the funeral of this sweet little character, that God has seen fit to remove from this world, and transplant in that world of Glory. The parents and grandparents have the deep sympathy of the entire community in their bereavement. His classmates, or about ten boys of his age, were flower bearers at the home and graveside. The floral offering was most beautiful and bespeaks of the many warm friends of the family.

May God be his mercy guide the loved ones until the time for a reunion with "Little" Ed, in that Heavenly mansion prepared for those who love God.

DORCUS CLUB MET

The Dorcus Study Club met at the home of Mrs. Geo. Williams the first Wednesday in April at 2:30 P. M. The subject was "Loyalty." An interesting talk was given on Loyalty by Mrs. Joab Campbell. Thirty bible questions taken from the four gospels were asked by Mrs. R. A. Evans, answered and discussed by those present. The meeting was a profitable one for those who attended. Refreshments were served during the social hour to twenty-three.

The next meeting will be at the home of Mrs. D. C. Royster, the third Wednesday, April 21, 1932.

Mrs. Marion Wade and Mrs. Gafford assisting as hostesses. The subject will be "Prayer". Mrs. Royster will act as devotional leader and Mrs. Johnson will ask the questions.

Everyone is invited to come.

Mr. and Mrs. E. W. Brooks are in Christoval this week where Mrs. Brooks is taking treatment at the Christoval Sanitarium.

Mr. and Mrs. H. Leaman are in Temple where Mrs. Leaman has gone for treatment.

Mrs. J. L. Murray of Christoval was among the Christoval friends that attended the DeLong funeral here Saturday.

Highway Worker Is Blinded By Dynamite Blast

Little Hope Is Held For Recovery Of John Minica

John Minica, 36, both eyes lost in a dynamite cap explosion near Christoval yesterday morning, was given little chance for recovery at the Shannon Memorial Hospital here early this morning.

Ninety-seven of the highly explosive caps were said to have gone off as Mr. Minica, an employee of the state highway department, maintenance division, here for several years, prepared to set them down near a hole prepared with dynamite.

His right hand, part of his right foot, a slash of his right thigh, and parts of his body were torn away by the blast.

Not losing consciousness until after being brought to the hospital, he coolly instructed fellow workers at the caliche pit three-quarters of a mile north of Christoval on Highway 30 to take him to the hospital and "get it over with as soon as possible."

He told his wife, who with three children, comprise his home on Second Street, that he did not know how it happened.

Minica could not be seen by his co-workers for a moment following the terrific blast. He later was discerned, his feet in the air, 10 feet away from where he had been standing. And where he was thought to have set the bor of caps down a hole several feet deep had been torn from the caliche.

Stewart Hawkins, Lee Gotcher, Clyde Barron and L. M. Morgan accompanied Minica to San Angelo in a Johnson's ambulance. Roy McClure, maintenance foreman, was in charge of putting caliche on the fills of culverts which now have supplanted dips in the highway between San Angelo and Christoval.—San Angelo Morning Times.

The slot machine craze seems to be over. Mayor Davis has taken them up and have sent them away. Some six or seven machines had been put in, but they have been removed.

Thirty-five persons have announced for Congressman-at-large, three women and thirty-two men. Just how a man can make an intelligent selection is not known. Of course every voter knows J. H. (Cyclone) Davis, one of the 35. He is well known throughout Texas, as a stump speaker.

Senator Sheppard reminds the U. S. Senate that the Same Literary Digest wet poll two years ago showed to be overwhelmingly wet, but the votes at the general election was overwhelmingly dry.

Yet the Senate wants to waste time and money to place the poll of the Digest in the Congressional Record.

Senator Sheppard has introduced a bill to make the purchaser of liquor guilty of the offense the same as the seller, and places the punishment at not less than 5 years in prison or a fine of \$10,000.00.

Col. Lindbergh has paid a ransom of \$50,000.00 yet he did not receive his son. We have no criticism for Col. Lindbergh, his desire was to regain his son. Any criticism that may be offered in the case must be placed at the feet of its citizenship. We sit by from day to day and let violators of the law go unpunished, and the small crimes we allow to pass, through sympathy for loved ones and friends and pity for the one charged, allows the fate of crime to creep upon our civilization and make criminals, such as the Lindbergh incident. After such an act is committed we get desperate and find the job hard to solve, the criminals have the advantage. Why not suppress crime in its infancy, instead of shielding and nourishing it into the hideous thing of life, with a wall of defense for their protection built around them before their deed has been committed. Let us wake up as citizens of this country and protect our homes, our property and even our lives, against those who want to tramp law and order under foot. The fate of the Lindbergh might easily be mine or yours. Your loved ones, your property are endangered by those who care not for violating the laws of the country.

Leslie Jones who ranches in the east end of our county on the old Col. Black ranch was here Monday visiting his mother, Mrs. Camilla B. Raggio, of our city. The Black ranch constitutes the beginning of Schleicher County's civilization or the developing of virgin territory. It is one of the first ranches in the county.

Mr. and Mrs. L. T. Wilson were in the city Tuesday.

While coming into town from the north, Tuesday afternoon, Mr. C. L. Meador was struck by Judge Cornell's car, coming from the north also. Mr. Meador was thrown into a truck and his car was damaged considerable, but he was not injured. Just what caused the accident could not be learned. The cars were both traveling at a slow rate of speed and both going the same way.

"Uncle Dink" says he is thankful that it was no worse.

Mrs. J. W. Lawhon, accompanied by Mrs. R. T. Crain, were San Angelo visitors Tuesday.

MONEY

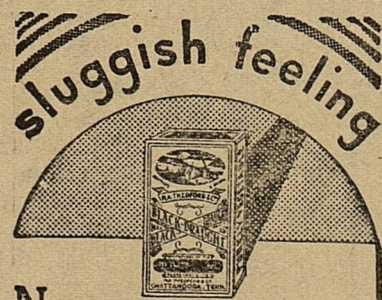

The financial and political world has recently been stalled by the introduction, in the United States Senate, of a bill, which if it should become a law, would revolutionize our existing financial system. The bill was introduced by Elmer Thomas, Oklahoma Senator, and is said to be sponsored by William Murray, aspirant for the Democratic Presidential nomination. The bill proposes to pay the soldier's compensation in full. The scheme is for the government to issue bonds to the amount of two billion, five hundred million dollars, and these bonds are to be turned over to the head of the veteran bureau and he, in turn, is to present them to the Federal Reserve Bank. In exchange for these bonds, the Federal Reserve Bank is to issue notes for the amount of the bonds. The result is expected to cheapen money.

So called financial experts claim it will cause our nation to abandon the gold standard and they seem to think this will bring about financial disaster. They claim that there is not enough gold to insure the payment of these notes.

Even so, is gold the only asset available to meet governmental obligations. How about every foot of land, every sheep and goat and cow; every particle of corn, cotton, etc. These are the real resources of the nation as they take their place in active life, and not dead gold, hidden in a vault.

I am not sure that the scheme embodied in Senator Thomas' bill, is the best one that could be devised to cheapen money and relieve our financial distress, but one thing is certain, cheaper money is the crying need of the hour and Senator Thomas should be honored for having the courage to put forward the only scheme, looking to this end. Why don't those who are decrying him propose something better? Why should we feel so alarmed about departing from the gold standard? England, one of the soundest financial nations in the world, took this step on September 1, of last year and her economic condition has been improving ever since.

The big money men tell us that it will cause hoarding up gold. The answer is: It has had the opposite effect in England. The people brought in gold ornaments that had been hidden for years and presented them to the mint to help replenish the nation's supply. Gold is hoarded now because of its unique value. It is the idle aristocrat among the nation's commodities. It is too proud to work, just lies idle in the vaults and enjoys its unearned increment. Take away its unique artificial value, strip it of its special privileges and it will be forced out of its aristocratic idleness and go to work for its living like the rest of the nation's commodities. We Americans believe in

THE FRIENDS OF DEPRESSION

Idle dollars are the best friends of depression. They do no one good. Stuck away in strong boxes—or socks!—they are entirely worthless. They are unable to do their bit in carrying on the financial work of the world. They are a sign of fear, of a hysterical kind of conservatism that mistakes hoarding for thrift.

True thrift is a fine thing. It is the source of the money that builds plants, and buys and operates machinery, employs men, keeps the wheels of industry going.

An advertisement of the Northern States Power Company recently said: "The opportunity to earn a return on investment is better today than for years. Banks pay interest on deposits regularly. Sound securities earn, and pay, a regular, safe income."

The hoarder is cheating himself—of greater importance, he is cheating us all. He is prolonging unemployment, profitless prices, the accumulation of goods for which there is no market because people have no money to buy. He is, in the full sense of the word, anti-social. This is worth remembering: Idle dollars are the best friends of depression.

ENTHUSIASM

If you can't get enthusiastic about your own work, it's time to get alarmed. Something is wrong.

Compete with yourself; set your teeth and dive into the job of breaking your own record.

No man keeps up enthusiasm automatically.

Enthusiasm must be nourished with new actions, new aspirations, new efforts, new vision.

It is a man's own fault if his enthusiasm is gone; he has failed to feed it.

And right here is the big reason why thousands of men hit highwater marks at thirty five and then recede.

They can "do their work with their eyes shut," and that is the way they do it.

They have lost the driving power of enthusiasm.

They sleep at the switch. All they see in life is the face of the time-clock. All they hear is the quitting whistle.

If you want to turn hours into minutes, renew your enthusiasm

VOLLEY BALL

CAPTAIN ELECTED

Thelma Taylor was elected Volley Ball Captain for this season. This is another bit of work for someone to have to do and it fell her lot to do it. There is to be a banquet on May Day at which toasts are to be given on such things a volley ball and so forth. The volley ball girls have not practiced very much this year but it is said that Practice Makes Perfect so we ought to be perfect by next year.

ALUMNI AND SOCIETY

Thelma Taylor
Misses Margaret Bradley,
Lucile Oglesby, **Fae Keeney**,

Loleete Andrews, **Pauline Rape**, **Pauline Kent**, attended a stunner party given by **Grace Ratliff**.

Miss Sammie Luedecke and **Mr. William McAngus** attended the dance at Christoval Saturday night and stayed at home Sunday. Such were the actions of these two as far as I can find out.

Nell Campbell and **Lillie Bell Kent** went to two shows in one evening while they were in San Angelo last week-end. Now, wasn't that extravagant? It appears that **Nell** thinks so or the effects are just showing one because her hair has turned curly.

Misses Happy Andrews, **Pauline Rape**, **Margaret Bradley**, **Elizabeth Bradley** and **Anna Pearl Finley** were in the audience last Sunday night at the Pageant.

The old high school auditorium saw a full audience on Sunday night and all who attended the play were greatly pleased.

The teachers who went to the Meet at San Angelo are just brim full of new ideas for the pupils to try out but they don't sound so good to us.

Melba Jones, one of the typists who went to Colorado, seemed to get a kick out of the fact that the tire would blow out every hundred yards or so on the way back from the contest.

Edward Ratliff, ex-student and captain of the Eldorado Hi School, is in Kerrville trying to get on with a baseball team there.

WHAT THE STUDENT OWES THE TAX-PAYER

Students have their obligations, and one of them is to take full advantage of the steadily improving educational facilities which the community provides free of charge for every boy and girl. Some one—if not your father, then some other boy's father—is paying taxes or tuition for your education. The best way, practically the only way by which you can show your appreciation, is to make good in the fundamental business of going to school, which is to temper and sharpen the fine tool of your mind and your whole personality. A school may be many things, but it is nothing if it be not one above all others—a stadium for intellectual exercise. No one has yet invented a way to eradicate from education the necessity for hard individual work, and no one ever will. It may be, it ought to be, happy,

interesting, stimulating, creative work. But only you, the student, can make it worth the wealth and the effort that go into it. In this year of economy, swear a vow that, whatever else happens, you will learn the joy of stretching every one of your mental muscles.

A PLAY ON SPELLING

Whenever she looks down the aisle
She gives me a beautiful smile
And of all her beaux
I am certain she sheaux
She likes me the best of the paisle.

When the English tongue we speak
Why is "break" not rhymed with "freak"?

Will you tell why it's true
We say "sew" but likewise "new"?

"Bears" no means rhymes with "heard,"
"Cord" is not at all like "word"
"Cow" is "cow" but "low" is "low",
"Shoe" is never rhymed with "foe"

And since "pay" goes well with "say"
Why not "paid" with "said" I pray?

Said the horse as he neighed a loud neigh
To the hound as he beighed a loud beigh
"I don't like my oats,
No one likes your high noats,
So why shouldn't we both go aweigh?"

A gallant young man of Duquesne
Went home with a girl in the ruesne,
She said with a sigh,
"I wonder when Igh
Shall see such a ruesne-beau aguesne?"

JUNIORS WIN CUP

AT OZONA

The juniors added another cup to the trophy case when they took the cup at Ozona, Saturday. The juniors placed first, third, and fourth in the fifty; first, third, and fourth in the hundred; first and third in the high jump; second in the broad jump; first and third in the baseball throw; first in the relay for a total of 37 points. **Gerald Gafford** and **Vernie Logan** led the attack. **Billie Kerr** and **Joe Turner Hext** also took several places.

The seniors fared very well but they were not strong enough in the field events to take the cup. They won most of the running events. They made a total of 40 points to Ozona's 58. **Barnhart** and **Sherwood** were represented but the meet was between the Eagles and the Ozona Lions from the beginning. The Eagles took second, third and fourth in the century; third in the .20; first and third in the 440; first and second in the 880; second and third in the mile; first in the relay, fourth in the high hurdles; second in the low hurdles; second in the shot. The seniors in the meet were **Raymond Smith**, **Hollis McCormick**, **Bill Smith**, **Junior Isaacs**, **Jack Shugart**, **Donnel Jones**, and **Jack Ratliff**.

GIRLS TENNIS SQUAD TO ATTEND DISTRICT MEET

Lucile Oglesby

For the first time in several years Eldorado is to be represented in San Angelo at the district meet with a girl's tennis team. This is due largely to the new course in physical education that was added. **Miss Parker** has selected the following teams:

Margaret Bradley and **Elnora Andrews** in doubles; substitutes **Jess Ella Johnson**; **Lucile Oglesby** in singles, substitute, **Inez Cobb**.

The girls have not had very much practice but they are showing improvement and expect to improve more.

If the team does not win this year, watch out for next year!

Electric Refrigeration Gives Assurance of Food Safety

TO BE SAFE, foods must be kept constantly below the danger line of fifty degrees. Varying temperatures, rising above the fifty degree mark, expose foods to bacterial action and make them a definite menace to health. For this reason, modern and progressive home-managers have adopted modern refrigeration as a vital and necessary health safeguard.

Electric Refrigeration is automatic, always dependable, always accurate and always safe. . . . And the modern Electric Refrigerator will last a lifetime: tender silent, efficient, inexpensive service year after year, and give you countless additional advantages and conveniences that will prove invaluable.

Gain assurance of food-safety—install one of the modern Electric Refrigerators today! You'll find Electric Refrigeration a wise economy—and you'll appreciate the new sense of security that comes with the ownership of this distinctive Electrical Servant. Call in at our Merchandise Showroom, or visit your nearest Electrical Dealer.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

ALL-WEST TEXAS FEEDERS' DAY Spur Experiment Station April 22

The Spur Experiment Station for the past fifteen years, has been active in improving the feed crops of West Texas and in determining the feeding value of grains when fed to cattle and sheep. It has been determined through a long series of experiments that the sorghum grains have approximately the feeding value of shelled corn.

Last October 100 yearling steers were divided into ten equal lots to study:

1. Comparison of chopped and unchopped milo, kafir, and feterita bundles.
2. Comparison of chopped milo, kafir, feterita, hegarl, and red top bundles.
3. Comparison of cotton seed and cottonseed meal as a protein supplement for fattening steers.
4. Comparison of wheat hay with the sorghums as roughage for fattening steers.

This test will close on April 22 at which time a General West Texas Feeders' Meeting will be held at the Spur Station. Cattle feeders, county agents, and newspaper men throughout West Texas have already expressed their intention of being present. There will be also a number of representatives from the A. and M. College, the U. S. Department of Agriculture, agricultural agents

of railroads, vocational agriculture teachers, and bankers present.

A very short speaking program will be held, and most of the time will be given to viewing the feeding and other experiments being conducted at the station and a general swapping of experiences by those present.

These experiments and the field day are for the benefit of those interested in farm feeding of West Texas feed crops. A day spent at the Spur Station should be both interesting and profitable. Every farmer in West Texas is invited to be present.

ON TEXAS FARMS

By W. H. Darrow,
Extension Service Editor

Ten garden demonstrators in Potter county have planned 300 square feet of vegetables for each member of their families.

Farmers in Jasper county have established a farm seed exchange whereby farm produced seeds may be freely exchanged without cash transactions.

In Lubbock county, hogs on self-feeders in demonstrations with the assistant county agent made gains for 2.9 cents per pound compared to 5 cents where they were "hand fed."

Planting only 10 acres to permanent pastures two years
