West Texas Utilities Have Force Here

The West Texas Utilities have a force here trying to eliminate radio interference by their power plant. If they are successful, they will have the thanks of many Eldorado Radio listeners. In some portions of town radio reception is almost impossible.

CARD OF THANKS

We wish to thank everyone for the loving words of sympathy and help that was given us during the illness and death of our loved one. Mr. and Mrs. Jess L. Thompson and children.

Senior Play Friday Night

The Senior play "Here Comes the Poor Nut" will be given at the high school auditorium Friday night, tonight, April 30. Let's give the class a good support and full house on this event of this life's history.

Additional rain fell Tuesday night and Wednesday morning, just west of town on the Pfluger farm, a half inch or more of rain fell, the rainfall is scattered.

All Prices contained in Red & White Store Ads are effective in our store. See San Angelo Standard.

SHAFER'S FOOD MARKET

Weeks Total Rain About Three Inches

Wednesday night and Thursday morning, the windows of heaven were opened and the rain descended upon the earth and the herds and vegetation were watered bountifully. Broad smiles and cheerful words were seen and heard from every corner. If the depression is not broken, it is washed away in Grand Old Schleicher. These million dollar rains you have read about, has been witnessed by the citizens of Schleicher County. The rain covered the entire county.

Christian Pastor To Move To Valentine

Thomas Gathright returned Monday from Valentine, where he accepted the pastorate of the First Christian Church. He will be here next Sunday with his local church, but will move next week to Valentine. The Success regrets to see them move away but wishes them well in their new home.

Juanita Lee Thompson

Juanita Lee Thompson, daughter of Mr. and Mrs. Jess L. Thompson, was born May 11, 1922, and died April 22, 1932, being 10 years, 11 months and 22 days of age.

She died from an appendicitis operation performed at the Shannon Hospital in San Angelo, Tuesday, April 12.

Juanita spent her entire life in Schleicher County, and at the age of 10 years, or last September, she united with the First Baptist Church here, and the Christian spirit she has shown the church and her family and friends, was told by her pastor, the Rev. J. L. Ratliff, as he tried to speak consoling words to her loved ones. She was faithful to Sunday School and rarely ever missed.

But for some unknown reason to man, God saw fit to remove this sweet little character to that home above prepared for those that believe in God and doeth his will. She will be missed by her loved ones from the family circle.

The Eldorado Funeral Service had charge of the service, which was conducted from the First Baptist Church at 4 o'clock Saturday afternoon.

The following were active pall bearers: W. N. Ramsay, J. H. Luedecke, Clyde Galbreath, Bob Whitley, Henry Willis, and H. D. Bacon.

Entertainment was in the Eldorado Cemetery.

Bones, Pans, And Buckets Dug From Earth

While opening a new pit on the Mertzon road near the W. T. Whitten ranch last week, for roadbuilding, the workers were led to a mound by Mr. Whitten, who showed them an old marked stone, telling them that when they got to the pot of gold it would be his. Mr. Whitten and the men took up the stone that had been there for years, but had never been examined and on the old stone was the following:

M. C.
23
July
1710
JAME
1114

Mr. Whitten thinks that the word Jame should have another letter that has been obliterated and the name should be James.

After taking up the stone which is about 4 feet long, the road hands plowed up the knoll on which the stone was mostly buried only about a foot above the ground and upon reaching a depth of about 4 feet some bones were found, and old time baking pan, and under these were two tin buckets or what remained of two tin buckets. They were side by side.

Just what the mysterious marked stone represents is not known, but further investigation will be made. Mr. Whitten has had the land some 20 years and has known all the time the stone was there but thinking it was just a land mark. But the discovery of the ancient utensils and bones will cause further excavation and an effort to find out what the marks mean.

GOV. STERLING APPOINTS CHAS. N. SHAVER STATE SUPERINTENDENT

Gov. Ross S. Sterling has appointed Charles N. Shaver, of Huntsville, to succeed Marrs as State Superintendent of Public Instruction. He has taken the oath of office.

Otto Williams was in the city Saturday transacting business.

We Want To Handle Your Wool And Mohair

The Sonora Wool & Mohair Company solicits the Wool and Mohair business of Schleicher County.

We keep in touch with the market at all times and closely connected with all Eastern buyers.

Wool and Mohair shipped to Sonora has the same rate to Boston as from San Angelo.

We will sell directly or will place with Co-ops, as producer wishes.

We handle Wool Bags, Fleece Twine, Sewing Twine, Marking Liquids and Fly Repellent.

Officers are Ed C. Mayfield, President. W. A. Miers, 1st Vice-president. J. N. Ross, 2nd Vice-pres. R. A. Halbert, 3rd Vice-pres. A. C. Elliott, Sec't and Treas. J. H. Evans, Manager.

Lewis Whitten Accidentally Shoots Himself

While looking at a small pistol in the Crain Motor Co. place of business Friday Morning, Lewis Whitten accidentally discharged the gun, which struck him in the right hand, between thumb and forefinger, and going up to the wrist lodging between the two bones in his arm.

He was carried to San Angelo where the bullet was removed and he will probably suffer no bad effect.

Lewis is the third son of Mr. and Mrs. J. A. Whitten, which has suffered accidental gun shots, and Willie, the oldest one lay in a stupor two weeks one time from being struck on the head while playing baseball by a batted ball.

See The "Poor Nut" Friday Night

You might see Morris Bricker a gruff old gentleman kick Albert McGinty a delicate bookstore clerk. Margie Blake, nee Gusta V. Graves is taking a course which requires some work as a librarian. She meets John Miller or the Poor Nut and finds he is fascinating. Julia Winters played by Grace Ratliff is over from Wisconsin to see a great track meet between Wisconsin and Ohio. She discovers John Miller, a blind correspondent, to be a poor nut.

A great track meet occurs and the poor nut runs against "Spike" Hoyt (Carl Kerr) fiance of Julia Winters. He spikes Hoyt and thus wins the relay race for which he has been responsible. There is a real pep team and plenty of excitement throughout the play. Julia promises to marry John when he wins as she and "Spike" have declared it "all-off." However she takes a sudden notion to accept Spike's apology and John takes a sudden liking to Margie and decides he wants to be inferior, a complex Julia has been trying to overcome for him. Come and find out how this ends!

His "libido" is turned outward! If you don't know what that is, see the "Poor Nut" Friday night ! ! ! !

The caste, made up of real talent, promises you some real entertainment. Eldorado folks, come to the E. H. S. auditorium to get the treat of your life ! ! ! Friday, April 29, 8:00 P. M. Admission 15c and 25c.

H. W. McClatchey was in from the ranch Saturday reporting a light rain out his way.

Stokes Williams was in from his ranch 16 miles northwest of Eldorado Wednesday, and reports some rain last week, but the winds have blown it all away.

Mr. Williams reports that the Stanolind Oil Well W. H. Williams No. 1 on their ranch, thinks they will be able to begin drilling about the 15 of May. This test was closed after the first of the year on account of the equipment being damaged by fire and some of it had to be shipped back to the factory for rebuilding and new parts.

Harold Isaacs was here for the week end from Schreiner, visiting his parents.

PRESBYTERIAN CHURCH SERVICE

Rev. Dr. Guy Davis will fill the pulpit at the Presbyterian Church next Sunday morning and evening. The pastor, Dr. W. B. Gray, is absent from the city conducting a meeting for Dr. Davis at Comanche. He expects to return home early next week.

At the special election held Saturday to decide a tie vote that occurred between J. H. Luedecke and Doc Kerr at the regular election, April 2, there were 128 voted, Luedecke receiving 84 and Kerr 43.

WOMANS MISSIONARY SOCIETY MEETS

Wednesday afternoon, April 27, the Womens Missionary Society of the Methodist church met for a devotional and social hour at the home of Mrs. Reuben Dickens, with Mrs. G. A. Neill, Mrs. A. J. Atkins and Mrs. Haywood Bird joint hostesses. After a very enjoyable and impressive program, Miss Tom Pearl Smith made an interesting report on her trip to Gonzales, where she went as delegate to the State Convention of the Womens Missionary Society. During the social hour delicious refreshments were served to a number of fourteen members.

A Necessity Not A Luxury

The minimum amount of life insurance a man should own is a necessity and not a luxury.

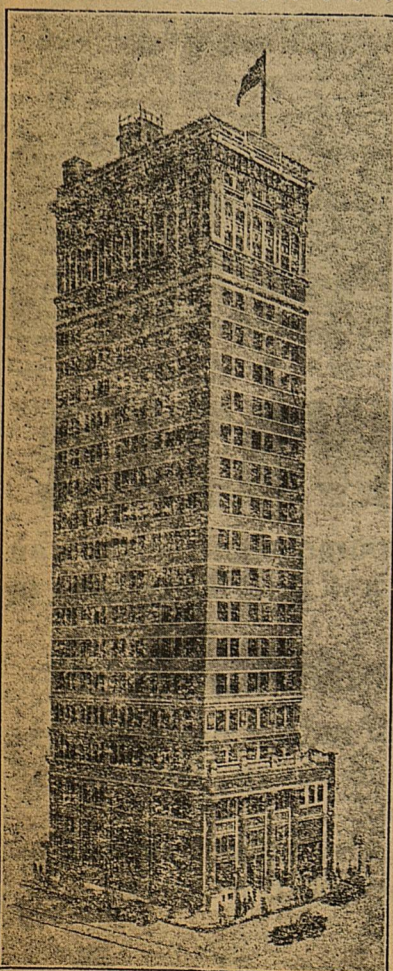

Even though it is 1932, we are not dropping the necessities; those things which we must have we keep buying, hard times and good times alike.

Waiting until good times comes will not give a man a better rate. Will not make him a better risk. Will not give him a better policy in a better company. Will not give him a single advantage in buying life insurance.

Hard times in which to live are harder times in which to die.

Eldorado is getting up a town baseball nine and expect in a few weeks to give some good interesting games with our neighbors. Baseball has always been our favorite sport, and if each town will play home men and not try to hire outside help the sport will be much cleaner and more entertaining. And the gate receipts will keep up the local expense. We had rather play a good close losing game with home men playing than to play a winning game with outside hired help. If any one draws pay let it be the home men.

We note from the Menard Messenger that Wm. J. Nougess has announced for Sheriff and Tax-collector of Menard county. Mr. Nougess is well known throughout West Texas and resided in Eldorado a number of years. He is not an old man, but an old timer, comes from noble ancestry, filled with the characteristics of West Texans.

A shrewd politician is a man who can guess his crowd.

A new married man came down town the other day, looking rather down cast, when a friend approached and asked him what was on his mind. "A piece of my wife's" replied the groom.

THIS AND THAT

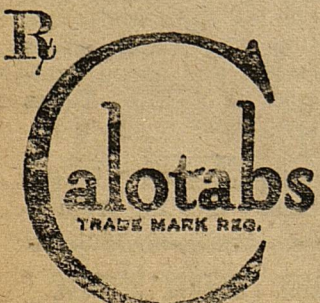

By Jimmy

The Tyler Courier-Times is the first Texas paper to come out openly against John Garner nomination as the Democratic presidential candidate. Roosevelt is the man the Tyler paper will champion. "You don't send dead men into battle," says this East Texas paper, "and there is no use sending a man into the primaries who has been fatally shot but hasn't yet fallen over."

That statement will be disappointing to many who have labored under the impression that "Cactus Jack" was very much alive and awake. But listen: "John Garner is as politically dead as any Herring... Franklin D. Roosevelt is the only real hope that the Democratic Party has had since 1916 and The Courier-Times-Telegraph is glad to champion his cause right now and from now on."

In that event, there is nothing to do but go ahead—nothing can be done about it. But Tyler might be looking for a postoffice some day don't forget that.

While all these presidential and prohibition polls are being taken, and while the fever is still in the air, it's a wonder some enterprising newspaper hasn't taken a poll on a minimum wage law for Texas. The question is "ripe." It is understood a minimum wage law measure will be presented to the next legislature. The subject is timely now, and highly

Garden Of Experience

F. G. CLARK.

For many years I have been astonished at the subservency of the democratic party to the dictates of the northeastern states led by Tamany Hall, the stronghold of the democratic party is in the south and the South should name the candidate and dictate the policy of the party. "How can two walk together, save they are agreed?" And there is very little agreement between southern democracy and Tamany Hall. We of south should name the candidate and then see how loyal north eastern democracy will be to our leadership. The trouble has been that they, the northeasterners have counted on the prejudice of the south. This has been their attitude: We don't have to please the solid south with either our candidate or our policy. Just name any one we please, and brand it democracy and the south will vote the ticket. They will never

controversial. When so many of our people are looking for work it is apparent that many advantages have been taken by unscrupulous employers who exploit the defenseless workers.

Women workers in department stores and factories in Texas are working for little or nothing, because employers refuse to pay a sustaining wage. Contractors have forced laborers to work 10 hours a day for 10 cents an hour in some cases. Many abuses have been committed in the name of "Depression" Texas needs a law to guard its citizens against the iniquities of labor exploiters.

Washington correspondents give the bonus bill a 50-50 chance to go through. They point out that the House and Senate will probably pass the measure, but express doubt as to whether it will pass the Senate over President Hoover's veto. Strong opposition has suddenly developed to block passage of the bill, and a bitter battle is in prospect before final disposition of the matter. Anti-bonus forces from the Wall Street financial caverns have descended on Washington to spread their propaganda. Texas, thought to be solid behind the bonus bill a few weeks ago, has developed some opposition. The Dallas News, Amarillo News, Scripps-Howard papers in Texas and a few others have declared against payment.

Those opposed to the bonus say the government is already one billion dollars annually for veterans' relief and further "raids" on the treasury will wreck the government's credit.

But the government belongs to the people. The fight is going to be hard. If you are interested one way or the other, now is the time to tell your representatives in Congress.

"I have used Black-Draught... and have not found anything that could take its place. I take Black-Draught for biliousness. When I get bilious, I have a nervous headache and a nervous, trembling feeling that unfits me for my work. After I take a few doses of Black-Draught, I get all right. When I begin to get bilious, I feel tired and run-down, and then the headache and trembling. But Black-Draught relieves all this."—H. O. Hendrix, Homerville, Ga.

HOLLIS ALEXANDER WINS "MY HOME TOWN" CONTEST

Artie M. Wood
 The Lions Club of Eldorado offered a gold medal to the one who gave the best speech on "My Home Town." There were nine students who entered this contest, each of whom prepared his own speech.

Those who entered the contest were Hollis Alexander, Grace Ratliff, W. B. Gibson, John Edwin Rodgers, Pauline Rape, Cleone Morgan, Lawrence Morgan, Jack Ratliff, and Mary Dell Williams.

The places were as follows: Hollis Alexander, first, Grace Ratliff, second and W. B. Gibson, third.

Hollis, who received first place, gets a free trip to the Sweetwater Chamber of Commerce meeting to represent Eldorado High School. We wish Hollis success on his trip.

look behind the label to discover the kind of mess we have concocted for them. We have a pure food law that makes it a punishable offense to mislead the buyer by a false label. The law has made it safe for the purchaser to trust the label on the package. But in politics, it is not so. The leaders can safely paste a "pure politics" label on any kind of a rotten mess and get away with it, without fear of punishment. At least it has been so in the past. The only chance to administer punishment is by the rebellion of the voter. In the coming campaign, democrats of the south, let us look behind the brand and examine the contents or better still let us furnish the contents ourselves, and then we will be sure it is good.

In the present campaign, the south has a golden opportunity to assert itself. We know what we want in the shape of a governmental policy and we have an outstanding man in honesty, brains and experience in congressman Garner. With the solid south behind him, he can be nominated and will stand a good chance of election. But, if we are defeated we shall have the satisfaction of feeling that we

have fought in a good cause. If we allow Tamany Hall to name the candidate and succeed in electing him, we would miss our real object as far as though a republican had gotten the place. It is better to be defeated fighting for what we want than to participate in a disappointing triumph. Hurrah for Garner!

RED CHAIN Egg Mash

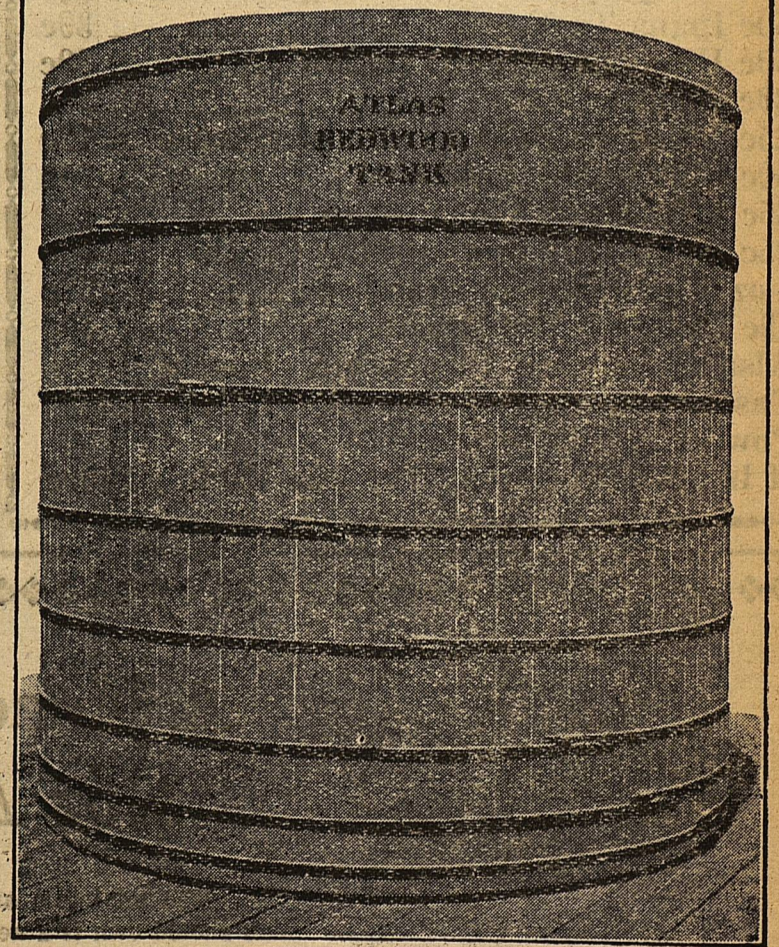

PUTS IN THE EGG BASKET

WHAT OTHERS PUT ON PAPER

A fair feeding test of RED CHAIN is the best way to clear up conflicting claims about egg mash...Talk is cheap—and anyone can find nice words in the dictionary. On paper most feeds claim "more eggs at less cost"—but RED CHAIN actually does what others claim to do! Don't buy your egg mash for what it does on paper—buy it for what it puts in the egg basket...Feed RED CHAIN to your own hens and see the difference between claims and results. It is the unequalled quality of RED CHAIN Egg Mash that makes it the cheapest egg producer—regardless of price.

HOLLIS ALEXANDER WINS SECOND IN EXTEMPORANEOUS SPEAKING

The principal honors in the literary field at the District Meet at San Angelo last week were brought home by none other than Hollis Alexander. Hollis won first place in the senior boy's declamation try-outs here, but abandoned that field for extemporaneous speaking. He was defeated for first place by the San Angelo speaker, but Hollis says he is going to beat him next year. He was awarded a silver medal for second place.

The boys and girls debate teams were eliminated in the first round. The boys drew Eden and the girls debated against Ozona. The declamation entries R. L. Samples and Oveda Faught, were defeated, but according to those present, gave excellent speeches.

Much good was obtained in training for these contests. The purpose of the interscholastic league work is not the winning of the contests, but the training which pupils who enter receive.

Dresses! All kinds of dresses. Pink, yellow, white and green. All kinds of girls, too. Red headed, black headed, yellow headed and brown headed. Not only girls but boys and teachers galore. But to get down to real business we had a galloping good time.

The decorations were pink and silver. There were balloons floating around on the ceiling and flowers all around the room. A large sign silver letters and pink background told the Senators they were welcome. The menu consisted of chicken, dressing, mashed potatoes, peas, hot rolls, strawberries, and pie with whipped cream.

An interesting program was rendered and toasts given. The presidents of the two classes were Jim West, Junior and Gusta V. Graves, Senior.

ELDORADO JUNIORS EEK OUT VICTORY OVER MERTZON

The Eldorado Eaglets, Ozona and Mertzton staged a triangular meet at the high school track last Saturday. The meet was a story affair with the Eaglets getting 28 points to Mertzton's 27. Ozona came third with 19 points. Mertzton went into the relay with a four point lead, but the Eaglets captured a first and Ozona second to win the meet. If Mertzton had placed first or second they would have won the meet. Teague of Mertzton was high point man with 18 points. He took third in the fifty and hundred yard dash, second in the pull up, fourth in the baseball throw and first in the broad jump and high jump.

Friend of Ozona carried off 143-4 points. Gafford of Eldorado copped 103-4.

A trophy was awarded to Eldorado but they must win it three years in succession to keep it. Several records will stand for a long time.

The fifty in 5.6 and the century in 10.8 should stand for a few years. Ribbons will be sent for the four places. Eldorado took 17, Mertzton 13, and Ozona 10. This is the third cup that the Eaglets have won and they may win more. Here's luck

SPORT SLANTS

Coach **Williamson** has wonderful prospects out for spring football this year. Only three positions will have to be filled. There are no guards back this year. **John I. Jones** and **Hollis Alexander** will probably fill the posts. The backfield position left vacant by "Bull" McGinty will probably be filled by **Joe Turner Hxtx**. The last year lineup that will be back **Jim West**, end; **Raymond Smith**, tackle; **Jack Ratliff**, center; **J. R. Conner**, tackle; **Billie Kerr**, end; **Jack Kerr**, fullback; **Lefty Smith**, halfback; **Junior Isaacs**, half back.

The promising beginners are **R. J. Alexander**, **Samuel Smith**, **Jack Shugart**, **W. C. Spurgers**, **Milton Spurgers**, **John E. Rodgers**, **Bill Smith**, **Dee DeLong**, **Donnell Jones**, **Gerald Gafford**, "Hoot" **Gibson**, and **Richard Jones**.

Jack Shugart and **Samuel Smith** are making an excellent showing. The boys get a good laugh when they tackle each other. **Sam** makes a bad face face and **Jack** runs from him.

The juniors may go to Mertzton on an invitation meet, Saturday, April 30. We are expecting them to cop another cup.

Perry Johnson was in the city Tuesday from his poultry farm trading eggs for groceries. Mr. Johnson says his eggs are his medium of exchange, that he doesn't need that Wall street coin.

Mrs. H. O'Harrow was in the city Saturday for the funeral of **Juanita Thompson**.

Mr. and Mrs. E. C. Parker returned Monday from San Antonio and Marble Falls, where they went to put Luther, their son, in **Draughn's Business College**, at San Antonio.

Tom R. Henderson called and renewed his subscription Saturday while in the city from his ranch.

A BUSINESS PRINCIPLE . . .

IT IS an accepted business principle that lowered prices increase sales volume. Following this truism of business practice, public service companies have made, and are making, every effort to stimulate increased use of service and thus reduce utility rates. These two facts go hand in hand . . . when use increases, rates decline.

And under the modern rate structure of the West Texas Utilities Company, your individual average rate per kilowatt-hour declines as more kilowatt-hours are used. In fact, analyses have shown that the average customer, using fifty kilowatt-hours per month, can increase his use of service to THREE TIMES that amount for only 10 cents a day additional cost on his electric service bill—or for the cost of only one medium-priced cigar a day! The same principle produces similar results when applied to West Texas as a whole: as more service is used by all customers, the standard rate steps are reduced.

Electric utilities have made an enviable record during the past two decades. Commodity prices have fluctuated widely, and even yet have not reached the level of 1913 prices. On the other hand, the unit cost of electric service has declined steadily! A comparison between commodity and electric service costs shows that while the 1913 commodity dollar now buys less than a dollar's worth of merchandise, the same dollar, in this West Texas territory, buys over twice the amount of electric service it did in 1913!

Rate reductions have been made many times since the West Texas Utilities Company first entered West Texas. During the past ten years, the unit cost of your electric service has been LOWERED 60 PER CENT, with residential service alone showing a REDUCTION OF 54 PER CENT!

TEXAS DAY WITH THE WOMAN'S CLUB

Mdse. C. M. McWhorter and E. C. Hill were joint hostesses at a lovely luncheon Tuesday April 26 at the McWhorter home, the occasion being a Woman's Club Texas Day Program.

The magic touch of spring-time pervaded the interior of this lovely home, decked in lovely geraniums and ferns, with field flowers of bluebonnets, Texas' chosen flower, lending their beauty and fragrance forming an ideal setting for the happy occasion that was reminiscent of other gracious hospitalities dispensed there, memories of which linger in the hearts of every club member. A huge flag of our country near the fire place and also smaller Texas flags on mantle, curtains and buffet added the patriotic note that later made the program on Texas all the more interesting.

The dining table lovely in its decoration of flags and bluebonnets held plates for 17. The center piece being a Texas star formed of bluebonnets. The place cards were small silk hand made Texas flags, the favors were sprays of bluebonnets.

A real Texas turkey dinner with all the "fixins" was served in courses, with ice cream and angel food cake for the desert.

Between courses Mrs. D. C. Hill read Bruce Barton's "Tribute to Texas," and Mrs. Alexander gave a poem entitled "Blue Bonnet" which added much to the occasion.

After the luncheon a business session was called and program roll call was answered with quotations from Texas poets. The Flag Salute led by Mrs. E. C. Hill. Mrs. D. C. Hill gave a very interesting talk on High-lights in Texas History. Miss Tom Smith, Industrial Texas, and Mrs. V. G. Tisdale told of the Natural Beauty Spots of Texas and everyone wanted to go fishing immediately. Reading by Mrs. Jarvis, and Mrs. Edens paper on Texas Birds and Flowers was both interesting and instructive. The program was very fine, and so well rendered am sure each one felt proud to be a Texan.

After the program the charming hostesses served ice cream and angel food cake. A rising vote of thanks was tendered them for the very pleasant afternoon.
