

THE ELDORADO SUCCESS

OF AND FOR EL DORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL XXIX

El Dorado, Schleicher County, Texas, Friday February, 1, 1929

No. 5.

PAYTON—DeLONG

Last Friday evening Mr. H. L. Payton of San Antonio, Texas and Miss Vina Bell DeLong, motored to the home of Mr. and Mrs. Lark McClary and tried to put one by their friends and relatives in a matrimonial way, but in trying to secure the services of Rev. L. D. Hardt some of the friends and relatives heard of the approaching event and made it convenient to witness the tying of the nuptial knot.

The bride is well known in Eldorado. She is the daughter of Mr. and Mrs. Geo. DeLong of Mertzton and has a host of friends in our city. She is a graduate of the Mertzton High School and also a graduate from the Lampasses Business College.

Mr. Payton is a stranger here but is a graduate from San Antonio Military College and connected with the Sun Oil Company, which is doing considerable drilling in the Hertzton country.

[The Success joins in extending congratulations.

CARD OF THANKS

Our heartfelt gratitude goes out to our many friends for their acts of kindness, their expressions of sympathy and the beautiful floral offerings during our recent bereavement when our loved one passed on to her reward. In such a time of sorrow the kindly sympathy of friends helped us to bear our sorrow.

S. E. Etheridge and Children

NOTICE TO LION MEMBERS

The Lions Club of Menard are to have a Group meeting of the 15th District of Texas Lions on February 8th, at 3:00 P. M. and followed by a Banquet at the Bevens Hotel at 8:00 P. M. As there is no other meeting of the Eldorado Lions I will take this means of notifying the members and all those wishing to attend please give me your name between now and Monday night as the Menard Club wants to know the number. Some of the club should attend this meeting.

L. T. Barber.

ELDORADO DEFEATS SONORA

The Eldorado Eagles defeated the Sonora Bronchos in a game of basketball on the local court last Saturday by the score of 28 to 11. The game started off as a slow game, either side not showing much pep in their play. But as they warmed up it developed into a real fast and interesting one. Eldorado took the lead in the first of the game and were never in danger of defeat afterwards.

The Eagles are a fighting five but should show a little livelier spirit on the offensive.

Ratliff was the high scorer with Graves a close second.

B. B. Brittain was in Eldorado Thursday morning. Bunch says that in his truck with a curtain or two missing that it was just a little bit breezy.

HAROLD McKEE KILLED

WHEN CARS TURNS OVER

Wednesday afternoon Harold McKee left the house in a car to run a dog away from Mr. S. L. Stanford's sheep. Carrying his gun in one hand and steering the car with the other, the steering wheel locked, turning the car over on its side. He was partly thrown from it but his head was caught under the body. Mrs. Virgil Copple was returning home from Eldorado and saw the wreck and on investigating found the boy pinned under the car and dead. She was unable to lift the car and had to go to the McDonald store to get help.

He was 14 years of age and the son of Mr. and Mrs. R. D. McKee of the Bailey Ranch community.

ELDORADO TO HAVE TOURIST CAMP

A tourist camp is being constructed by C. C. West, owner of the Rock Filling Station. It is being built beside this station. It will be 60 x 80 with eight rooms 10 x 12 and a solid concrete floor. [This improvement is a great help for Eldorado and people should appreciate the work of Mr. West in this improvement.

The warm weather the people of Schleicher County have been enjoying came suddenly to an end Thursday morning. A cold norther hit and before ten o'clock the thermometer was registering below freezing.

THE STATE OF TEXAS

To the Sheriff or any Constable of Schleicher County, Greeting:

S. L. Stanford, guardian of the Estate of W. E. Parks, a person of unsound mind having filed in our County Court his Final Account of the condition of the Estate of said W. E. Parks numbered 87 on the Probate Docket of Schleicher County, together with an application to be discharged from said guardianship. You Are Hereby Commanded, That by publication of this writ for twenty days being once a week for three successive weeks in a Newspaper in the County of Schleicher you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper so to do, on or before the February Term, 1929, of said County Court, commencing and to be holden at the Court House of said County, in the city of Eldorado on the 4th day in February, A. D. 1929, when said Account and Application will be acted upon by said Court.

Given Under my Hand and seal of said Court, at my office in the city of Eldorado this 17th day of January A. D. 1929.

John F. Isaacs
Clerk, County Court, Schleicher County.

I Hereby Certify that the above and foregoing is a true and correct copy of the original writ now in my hands.

A. F. Lueddecke
Sheriff Schleicher County

ATTENTION! SCOUTS!

Friday night will be monthly inspection of uniforms, equipment, etc. Be present in uniform and prepared for examination as to neatness, etc.

J. A. Whitten,
Examiner.

BOY SCOUT BUDGET FOR 1929—\$870.00

Some of the committee will call on you soon and will give you the information you desire concerning the manner of financing the work of the Boy Scouts of Eldorado.

Seven men, whose names appear below, comprise the Executive Committee and are giving their names as well as their money to this work.

When this list is presented to you please give what you can to help us in carrying on this important work.

J. A. Whitten
A. T. Wright
B. E. Moore
F. M. Bradley
E. W. Brooks
J. N. Davis
Fred O. Green.

Committee.

GIN NOTICE

The next ginning day at the Eldorado gin will be Wednesday, February 6th. Don't forget the date.

Eldorado Gin. (pF1)

The U. S. Bureau of Mines is constructing the "coldest spot in the world" eight miles west of Amarillo, Texas, to supply the navy's giant dirigibles of the future with helium. The new government plant will recover helium from natural gas of the Amarillo field by cooling it to a temperature of 300 degrees below zero. At this temperature, all the constituents of the natural gas except the helium, are liquefied, permitting it to be drawn off as gas and leaving the residue as liquid.

One of the major projects of the Rock Springs vocational agriculture class is the construction of kid shelter boxes for ranchmen. This is done with no expense to the ranchmen provided the supply the desired amount of material.

A. J. Atkins left Wednesday morning for Paint Rock where his mother died. She was 77 years of age and had been sick with the flu for several days.

The warm weather the first part of the week caused some of the nible wielders to catch the fever and get out and try their luck at the goofy game of golf. Major Sammons was practicing up and says that he hopes that Admiral Brittain will come in some nice warm day and that he will give the Admiral a few pointers on the game.

TO RENDER PROGRAM

J. T. Houston and his String Quartette of San Angelo, will render a short Musical Program at the First Baptist church Sunday evening just before the preaching service. He contemplates on instructing a class here and would appreciate your presence Sunday night. (Adv)

CELEBRATES BIRTHDAY TOGETHER

Bob Murchison of Ozona was here this week visiting his mother and celebrated his 32nd anniversary with his brother Herman. [The two brothers have a birthday together, January 29 but Bob is 4 years the older. This is their first celebration together since before the war.

ELDORADO IN 1906

This column will carry the happenings of Eldorado and articles published in The Success from July 6th, 1906.

Tuesday July 3rd, band practice was held at the Court House. After the practice the young people danced until 1 o'clock.

Wednesday night a Grand Ball was given at the Court House. The strains of Home Sweet Home being played at 3:30 in the morning.

A picnic was given on the 4th of July.

The picnic crowd was entertained by the Eldorado Band. Afterwards a ball game between the boys and married men—the boys winning easily. The fat man's race, Dan Murrah, Pomp Watson and Elwood entering. Pomp Watson won first and Elwood Tisdale second. Dan Murrah was left at the poles. The Cigar race was won by John McCartney, and Mason won second. The main events of the picnic were postponed until July 10, on account of rain.

On June 16th a special election was held, voting on special bonds for a \$4000.00 school house. The election carried 31 to 10 in favor of the bonds.

[The candidates who entered the Democratic Primary in 1906 were: W. B. Silliman, Representative for the 102 District. Dan Murrah for Sheriff and Tax Collector of Schleicher County. Brice Dabney for Sheriff and Tax Collector of Schleicher County. D. B. Mills for Tax Assessor of Schleicher County. C. C. Davis for re-election to Tax Assessor for Schleicher County. P. H. McCormick for re-election for County Treasurer. E. R. Silliman for County Treasurer of Schleicher County. M. B. McKnight for County Judge for Schleicher County. J. A. Whitten for re-election to County Judge for Schleicher County. F. C. Bates, Jr. for re-election for County and District Clerk for Schleicher County.

July 2, 1906, Mrs. Martha L. Hutchins died in the home of Mrs. N. M. Matthews.

Bob Lowe operated a daily hack from San Angelo to Sonora.

LOST—on Eldorado and San Angelo road—Ladies pocket book. Has hair pins, Cameo Ring and \$10. bill. Finder please notify Mrs. W. T. Conner, Eldorado, Texas.

CHARGES FILED AGAINST HIGHWAY DEPARTMENT

The House of Representatives has filed charges against the State Highway Department and has asked for a rigid investigation of their acts. In disposing of the State Highway funds, practically every kind of a charge has been filed against both departments. Graft of every description is among the charges.

FOR SALE—A few Jersey Milk Cows. All fresh. Phone or see Chas. Mund. (pF1)

POSTED

My pastures are posted according to law. No hunting, leaving gates open or otherwise trespassing allowed.

Bert Page.

FOR SALE: I have a good upright Piano in your vicinity, rather than go to the trouble and expense of shipping or hauling back, will sell at a great reduction. If interested address Mr. Jackson, San Angelo, Texas. Box 487. (cF8).

E. W. Brooks

Big Stock Disposal And Consolidation Sale

By Consolidating the Rankin Store owned by E. W. Brooks, we have brought together two big, new, crisp stocks of Merchandise and more Merchandise coming, thus creating a store where your every need may be supplied. Now with this consolidation comes the greatest stock disposal sale in the history of El Dorado and territory. [The expense of consolidating must be met. We must have room for our spring Merchandise. The Chapman Sales System has been instructed to ignore prices, sacrifice Stock, overlook nothing to make this the greatest selling and value giving event in the history of this big friendly store. Read our big circular carefully, then be here every day.

KITCHEN SHOWER AT BAPTIST CHURCH

On Monday night, February 11th there will be a Kitchen shower at the First Baptist church. Everyone has a special invitation to attend this shower.

BEN HEXT SELLS STOCK AND LEASES RANCH

Ben Hext who has been ranching on the Stewardson ranch has sold his stock and leased the ranch to Crosby and Meador of Eldorado. They will have the land until the first of August, the time for Mr. Hext's lease was to expire.

He sold to them 175 yearling ewes at \$15 per head. 600 three and four year old ewes, 200 nanny goats at \$8.50 per head. They have already received the stock.

SPEAKING TO BE HELD AT COURTHOUSE

On Saturday, February 9th a speaking will be held at the Courthouse. An ex-service soldier will do the speaking and it will be of interest to all citizens of Eldorado and Schleicher County. Don't fail to be there.

The boy Scouts of America celebrates its nineteenth birthday on February 8. The week of February 8 through 14 will be observed as Boy Scout Anniversary week. Year by year Scouting has progressed until the Movement now has more than six hundred thousand boys and more than two hundred thousand men enrolled. The organization seeks to build character in the boys and to train them for the duties of citizenship. Nearly four million American boys have been Scouts since 1910.

Friday Feb. 1, 1929

Demote control: Representative government.

They call a wad of money a roll because it gathers no moss.

The unexpected not only always happens but usually costs more.

A gasoline tax kills nothing except a surplus service station or two.

Add Dureant's \$25,000 to the growing cost of Prohibition enforcement.

Mars has been outlawed but he hasn't been captured and put in jail.

Congress has tried about every means of farm relief except praying for rain.

When you begin to notice falling hair you're very far away from falling heir to a lustrous crown.

The talkies are worth while even for the added satisfaction of hearing the custard pie squish as they hit the face.

We're supposed to have equality under law in this country but the farmers have been given the preference in promises.

When you don't hear anything about one of our great men for quite a long time you know he's been elected Vice-President.

Maybe they haven't found out what static is, but from a Chicago station the other night it sounded much like pineapple exploding.

A Sing Sing convict was made to swallow a camera, presumably for scientific purposes in the treatment of cancer, but suspicion leads us to believe this is a plan of the Prohibition enforcement department to get more inside dope.

A lot of boys school trousers at Wright's Cash Store.

ESTABLISHING POLICIES

Only principles live. It is the principle involved in any transactions that governs its necessity or measures its results. Had this government not been founded upon principles it could not have survived the test of time nor withstood the struggle for recognition.

Consider the great and fundamental questions of civil liberty, such as the rights of free speech and a free press, the rights of peaceable assembly and petition and to be confronted by one's accusers; the right of the people to be secure in their persons, houses, papers and effects, against unreasonable searches and seizures. Whence came these? They did not spring from sudden whim, nor from transient passion, except, indeed, from the passion for justice. They developed as civilization progressed and the institution of liberty under law became the guiding and of national unity.

Rights spring from principles and principles result in policies. We could not say that perfection always has been attained from the establishment of policies based upon principles. But they have been goals to strive for. In government, ethics, commercial relations, international negotiations, or in social and racial contacts there have been gross inadequacies apparent and many inequalities made manifest. However, these, have not been the result of the principles involved, but have been the failure of the enforcement of the established policies.—Pickerill Service.

In unity there is strength enough to turn the wheel of fortune for everybody. Everyone in every town should pull together.

Patronage consists of two things: the trade in dollars and cents and the good will created by friendly relations.

If you have a good idea for community advancement don't let your light shine under a bushel. Let all of us in on it. Some have the ideas; others the willingness to put them into effect.

Several of our business houses got busy last week and for some reason cleaned up and made things around the place a little more tidy. One of our State Health Inspectors visited this section of Texas and made several suggestions which met with the approval of the business houses and the changes were forth coming at once.

Boys Shirts and Trousers at Wright's Cash Store.

IN THIS MECHANICAL AGE

Out of over 200 students in a western high school, only 59 passed an examination of problems in seventh and eighth grade arithmetic. Only 2 out of the 59 received a perfect score. Carelessness was the cause of the failures, according to those in charge.

We are willing to let it go at carelessness. Perhaps it is partly due to the increasingly mechanical methods of the age. Knowing that when they get out into the business world they can push a lever and get a sum in addition, subtraction or whatever else, they formed a conclusion they would seldom need to think for themselves.

February 2nd is Ground Hog Day, February 12th is Lincoln's birthday, February 13 is Ash Wednesday, February 14 is St. Valentine's Day, February 22 is Washington's birthday and February 6th and 20th is the luncheon day for the Eldorado Lions Club.

The Shell Pipe Line that has been at the Geo. Dickens ranch has moved to the Sam E. Jones ranch this week. This is the welding camp. They are welding the pipe on top of the ground and will probably be laid in the ground some time in March.

5 per cent

FARM AND RANCH LOANS

A dollar saved is a dollar earned.
 \$3,000 at 7 per cent interest is \$210.
 \$3,000 at 5 per cent interest is \$150.
 Save the difference \$ 60

DUNLOP'S SURETY BOND

versus
Mileage Guarantees

USUALLY the poorer the tire, the longer the mileage guarantee. What you really want is a certainty that your tires will keep rolling. That is what you get with this new Surety Bond. It's backed both by Dunlop AND the American Surety Company.

It is as clear as crystal. In effect it says that for the first 12 months we will take all responsibility for your Dunlops giving perfect service. It doesn't matter whether a tire fails through accident, or collision, or blow-out, or misalignment, or stone-bruise, or road-cuts, or rim-smash, or side-wall injuries, or tube-pinching, or valve-tearing, or faulty toe-in, or under-inflation. We repair it free, OR you get a new tire at a reduced price, depending on the time you have run it.

You just know the Surety Bond will be fulfilled. You just know that Dunlop Tires must be finer and stronger and better... otherwise how could they be backed by a Surety Bond like this.

Come in and read a copy. You will find it refreshing in its directness and its liberality.

Dunlop's new Winterized Tire now in stock... This does away with Chains

We have discovered that we are not the only people that look suspicious. Last week some of our farmer friends were traveling east of here and had a blow-out after night and tried to buy a new casing with their check. But the night was dark and the station man could not get a good look at our farmer friends and he would not take their check. They had to rim it into San Angelo and wait until daylight so their honest expression could be seen and look like honest people with money in the bank.

Henry Mund, stockman and farmer from Bailey Ranch was in the city Saturday and while here advanced his subscription to The Success for another year.

The State Legislature is trying to pass many laws. Among them is one to allow only one filling station to every 1500 people. If this law is passed, why not just have one store to the same amount of people? We might get by without groceries but we must have gas and when we do want it we want it right now.

The Shipp Filling Station has been completed and is now occupied and it makes one more place to purchase gas and go fast.

Some people claim that the country is going to the Devil. We claim that it went there when Eve ate the apple and the struggle has been going on ever since to get out.

If you want to get a taste of Heaven before you die just move to Schleicher where everything is lovely the year 'round.

Bring Happiness and Comfort to Dependent Texas Families

Value of Life Insurance

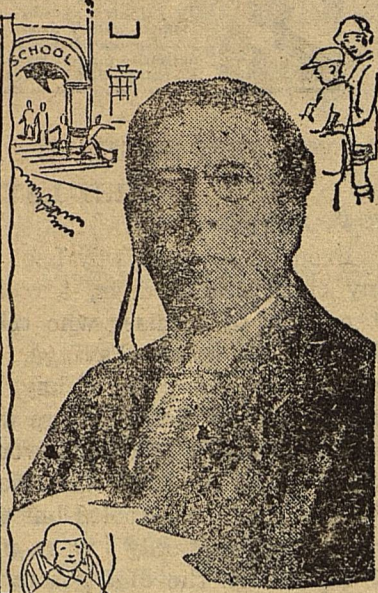

By W. A. Fraser

Life insurance has saved many families from going to the poorhouse.

Life insurance has made it possible for children to continue with their education.

Life insurance has eliminated misery; has kept the wolf from the door of widows and orphans; has brought comfort in old age.

It is a dawn of hope that will reveal itself when days of sorrow have come.

W. A. Fraser

A MARVELOUS story of the misery that has been eliminated and the happiness and comfort that has been brought to thousands of Texas families whose providers were members of the Woodmen of the World is strongly emphasized by figures compiled by W. A. Fraser, sovereign commander of the Woodmen of the World.

Sovereign Commander Fraser's figures showed that the Woodmen of the World life insurance association has paid \$44,215,539 in death claims to families of this state since the Woodmen of the World started to do business here in 1891.

"Just think what these millions of dollars paid in insurance benefits have meant to these families whose providers were snatched away from them and their regular incomes stopped," said Sovereign Commander Fraser. "One does not have to stretch his imagination to realize what this money has done for the widows and the orphans of the families of this state. If these bread-winners had not been insured, think of the great misery which would have come into the lives of the wives and children through no fault of their own. Just a little thoughtfulness on the part of these fathers and husbands of these families brought untold happiness, gave the children a chance for an education, kept many families out of orphan asylums and poorhouses and in this way saved the taxpayers of the state thousands of dollars. The Woodmen of the World has been glad to pay these claims and

bring this happiness to these many thousands of families of this state.

"The marvelous record of the Woodmen of the World can be traced greatly to the loyalty and enthusiastic support given us by the people of this state. We enjoy doing business here and we hope we will always be able to play an important part in bringing happiness and future security to the families of this state who suffer the loss of their bread winners."

"The maintenance of the War Memorial hospital at San Antonio, Texas is one of the great services performed by the Woodmen of the World. Patients are cared for free of charge in an institution that contains every possible means of renewing the health of our members. Of the 3,000 patients that have been cared for a majority have been returned to their homes cured and in a position to become useful citizens of the nationwide communities in which they live."

Mr. Fraser announced that the Woodmen of the World is 100% solvent and now has \$89,000,000 in municipal bond holdings in its reserve. A large portion of these bonds have been invested in this state, thus aiding in the building of the state's roads, schools, and various public improvements.

"The Woodmen of the World is now the richest fraternal life insurance association in the world," said Mr. Fraser.

HOOVER'S DRUG STORE

The Question Mark made its landing at Bolding Field all O. K. and Capt. Eaker received the congratulations due him as well as a loving reception from his wife who was there to meet him. Mrs. Eaker is the one that named the Question Mark.

With new homes springing up all over Eldorado it looks like the 1929 boom has already begun.

Senator Tom Love is right for once. His proposal to bar bootleggers from holding office was turned down by the Texas Senate. The natural inference is that a majority of the Senators either want to violate the law themselves or are in sympathy with the lawless element in the state. That may be putting it pretty strong, but a law-maker ought to be a law observer and a law defender. Men who swear to uphold the constitution and defend the laws of the state ought to be honest.—San Saba News.

Why not elect Tom Love Governor, he is the most deserving man in Texas for the position.

J. H. Rodgers attended the opening of the San Angelo Airport for awhile last Friday. He said he saw plenty of planes and a large crowd attended the opening.

We have heard no complaints of the nice reduction in the Electric rate given by the West Texas Utilities last month. The Eldorado Success appreciates the reduction and feels like complimenting this Corporation. Most people say that corporations have no soul or conscience but this great institution must be fair or we think so at least. As far as we know, they were not even asked to make any reduction. So let's praise them when they deserve it and then when we have cause to complain maybe we can get a hearing.

Don't worry about high prices any longer. Come and buy where cash gets it cheap. Wright's Cash Store.

GOLDEN NOTES

Editor-in-chief Prince Murphy Assistant editor—Vera Wade Assistant editor—Glenn Ratliff Reporters: J. C. Bullion, Lola Davis, J. C. Kinchen, Louise Williams, Albert McGinty, Linna Parker and Fannie Hardt.

These news notes are prepared by the students of the Eldorado High School and submitted to The Success for publication.

"YE OLDE FRIENDS."

Mrs. Sam Fitzhugh, formerly Alpha Streighler of the Spanish department of '26-'27, is teaching a little school all by herself near Menard. In a recent letter she states that Interscholastic League work is going along enthusiastically.

Miss Cymbertine Neil, who taught in the intermediate grades last year, is teaching in the Valley near Mercedes.

Glenn Ricks, the principal of the school in 1926-'27, is attending a Medical school in New Orleans.

Miss Bernice Jones, Senior of '27, is attending Texas Technological College in Lubbock.

Alvin Lueddecke and Taylor Wright, Seniors of '28 are attending A. & M. at College Station.

Next week we shall tell of other graduates and teachers. In the meantime we should be glad for any one of these "old timers" to write to the school publication.

The method some pupils think a teacher uses in grading:

1. Arranges papers alphabetic ally.
2. Divides into three equal groups.
3. Give one group A's and B's
4. Puts another group on deadline with C's.

Others think they use this method:

1. Gives all blondes a pass.
2. Flunks all brunettes.
3. Gives all those "C" who are not decided blondes or brunettes (That's because they haven't decided).

Some of us have begun to wonder when Norville Maddox is going to start studying.

JOKES

Vince to Mr. Whitten: "Why are you thrashing Morris?" Mr. Whitten: "He will get his school report tomorrow and I must go away tonight."

Harold Isaacs says, "It ain't no disgrace to fall, but to lay there and grunt is."

Elizabeth: "At least once in my life I was glad to be down and out."

Victoria: "When was that?" Elizabeth: "After my first airplane ride."

Freshman: "Say, is that saying 'Ignorance is bliss' true?" Soph: "Well, you seem happy enough."

During the History lesson Miss Tyson asked the question "What do you know about Margaret of Anjou?"

Jim: "She was very fat." This was new to Miss Tyson, so she asked for Jim's authority. Jim: "It's in the book; 'among Henry's stoutest supporters was Margaret of Anjou!'"

Miss Flanagan: "Do you know that Eli spells ridiculously." Mrs. McAngus: "Well I am glad that he does. I didn't think that he could spell anything."

SEEN ON THE SCHOOL GROUND

Mr. Holt bouncing a basket ball. Miss Tyson driving a group of girls out of the hall. Dalha Rae and Loyce boxing.

INCUBATOR CHICKENS

I am starting two incubators up Monday February 4th and will have baby chicks for sale at \$18.00 per hundred from then till May the 1st. The hens in this pen are of the famous Hoffman strain and were blood tested for Bacillary White Diarrhea. Also will have setting eggs for \$2.00 a setting. All of the cocks are registered and are rim banded. Any orders for chicks or eggs will be appreciated and will be given my personal attention.

Girls Defeat Sonora 8 to 1.

Saturday afternoon the Eldorado Girls basket ball team defeated the Sonora team by a score of 8 to 1 on the local court. The game was an exceptionally hard fought game as each team

tried hard to gain a good margin on their opponents. The Eldorado guards showed excellent coaching, allowing the Sonora forwards only four tosses at the Sonora goal.

THE STATE OF TEXAS

To The Sheriff Or Any Constable
Of Schleicher County, Greetings:

You are hereby commanded, to cause to be published, once a week for ten days, exclusive of the first day of publication, before the return day thereof, in some newspaper of general circulation published in said county, which has been continuously and regularly published in said county for a period of not less than one year; the following notice:

THE STATE OF TEXAS

To all persons interested in the welfare of N. C. Freeman, a minor, and of Ernest B. Freeman a minor;

You are hereby notified that Annie L. Freeman has filed in the County Court of Schleicher County, Texas, an application for

letters of guardianship for the person and estate of said minor, N. C. Freeman, and for the person and estate of said minor, Ernest B. Freeman; which will be heard at the next regular term of said Court, commencing on the first Monday in February, A. D. 1929, same being the 4th day of February, A. D. 1929, at the Courthouse thereof, in Eldorado, Texas, at which time all persons interested in the welfare of said minors may appear and contest said application, if they see proper to do so.

HEREIN FAIL NOT, but have you before said Court on the first day of next term thereof this writ, with your return thereon, showing how you have executed same.

Given under my hand and seal of said Court, at my office in Eldorado, Texas, this the 18th day of January, A. D. 1929.

John F. Isaacs, Clerk, County Court, Schleicher County, Texas.

KNOW TEXAS

In 1774 Texas had a population of only 1,500, centered largely about San Antonio. In 1806 the population was estimated at 7,000. In 1831 it was about 20,000, increasing to about 50,000 in 1836 when Texas voted for the first president of their Republic. The greatest percentage of growth was between 1870 and 1880 when the population increased 94.5 per cent.

The largest percentage of foreign white population in Texas is Mexican. Next come the Germans.

The first German colony was founded at the present site of Industry, Austin, County. 1842.

The city of New Braunfels was established by German colonists in 1845.

SCHOOL NOTES

dio program over K-G-K-L at San Angelo. The program started at 12:30. [The following requests and selections were sung.

1. "The Battle Hymn of the Republic," by Glee Club Girls.
2. "Sunshine of Your Smile," by Mildred Smith.
3. Down the Trail to Home Sweet Home," by Nina and Mildred Smith, featured as twins.
4. "The Gypsy Love Song," by Mary DeLong.
5. "Dreaming of My Old Home Sweet Home," by Nina and Mildred Smith.
6. "Sympathy," by Victoria Jones.
7. "Just a Cottage Small," Margaret Tisdale.
8. "Ireland Must be Heaven, For My Mother Came from There," by Mabel McClatchey.
9. "In the Time of Roses," by Mrs. E. W. Brooks.
10. "Voices of the Woods," by the Glee Club Girls.

They received number of calls which they appreciated very much. The program closed at 1:00 o'clock.

Eldorado Loses to Mertzon

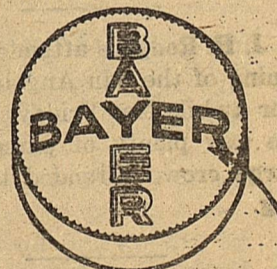

Last Friday the Eagles met the Mertzon basketball team on the local court. Early in the first quarter the Eagles started scoring but were unable to keep the opponents from scoring. During the first half the score was very close and as the whistle blew the visitors were leading by 9 to 8. In the third quarter the Mertzon team took a six point lead but the Eagles came back in the last quarter and tied them up. At the end of the last quarter the score was 13 to 16. A three minute additional time was played with no field goals being made. Just before the whistle one of the Eldorado players was fouled. Mertzon made the point after the game was over giving them the victory.

Have G. D. Hines write your deeds and draw your contracts. He will get them right. Ad.

Bayer Aspirin

Proved Safe

Take without Fear as Told
in "Bayer" Package

Does not affect
the Heart

Unless you see the "Bayer Cross" on package or on tablets you are not getting the genuine Bayer Aspirin proved safe by millions and prescribed by physicians over twenty-five years for

Cold, Headache, Neuritis, Toothache, Neuralgia, Lamboago, Rheumatism, Pain, Pain

Each unbroken "Bayer" package contains proven directions. Handy boxes of twelve tablets cost few cents. Drugs also sell bottles of 24 and 100.

E. W. Brooks, one of Eldorado's leading merchants is putting on a special sale this week, beginning Friday, for the purpose of reducing his large stock of goods that came about by the consolidation of his store at Rankin and the store in Eldorado. His sale is being managed by the Chapman Sales Co., of Dallas.

We have a nice assortment of St. Valentines. Call and select yours before they have been picked over. Wright's Cash Store.

How to Raise Poultry

By Dr. L. D. LeGear, V. S., St. Louis, Mo.

Dr. LeGear is a graduate of the Ontario Veterinary College, 1892. Thirty-six years of veterinary practice on diseases of live stock and poultry. Eminent authority on poultry and stock raising. Nationally known poultry breeder. Noted author and lecturer.

AS YOU FEER SO SHALL

THEY LAY

From somewhere way back in my third reader days, I recall the story of a miser who tried to feed his horse shavings. It would save the price of hay, he reasoned, and if the change was made gradually the beast would never know the difference. Maybe the horse was fooled but nature most certainly was not. Long before the diet got to be all shavings the poor old horse gave up the ghost.

As I observe the way a great many people feed chickens, I am often reminded of that story. I don't mean they are stingy, but their lack of knowledge about feeding is just as great. They are expecting the impossible and wonder greatly why they are so consistantly disappointed.

The first thing that must be thoroughly understood is that from the hen's point of view egg laying is a secondary matter. She eats first of all to build up and maintain her own body. If, after enough has been eaten for that purpose, she can be persuaded to eat still more of the right kind of food correctly proportioned, she will lay eggs. That's all there is to the theory of scientific poultry feeding.

The next essential fact to be mastered is that different kinds of feeds produce widely different results. Grains furnish, for the most part, substances called carbohydrates which are transformed into fat for the fowl's body and albumen o regg whites. Other substances, known as proteins build up the muscles of the bird and furnish yolks for eggs. Proteins are usually fed in the form of meat scraps, milk, or tankage. There are some proteins in grain but not enough for the hen's body and eggs too.

For the egg shells and bones of the fowl minerals are required calcium carbonate being the principal one. For that purpose crushed oyster shell or limestone is kept before the fowls at all times.

A certain amount of green food is also required. It helps prevent digestive disorders and contains the two valuable vitamins, A and D, so essential to the proper assimilation of other food. Without vitamin D, for example, the minerals in the

feed cannot be made over into bone and egg shell.

Once it is clearly understood that each different kind of feed has its own individual job to do, the very term "balanced ration," ceases to sound quit so much like a foreign language. It becomes plain that the ration must consist of just so much material containing carbohydrates and a proportionate amount containing proteins.

An example of what I consider a well balanced ration is the one given below, which I have used successfully for a number of years. For the sake of those not familiar with this method of feeding, I shall explain that mashers are customarily put in hoppers and kept constantly before the hens at all times. The grains are preferably fed by hand with the feedings far enough apart so the hens will eat plenty of mash in between times. The grains are called scratch feeds, by the way, because they are usually buried in deep litter. That makes the hens have to scratch it out, thus getting much needed exercise.

A Balanced Poultry Ration

Scratch Feed

100 lbs. yellow corn.
100 lbs. wheat or heavy oats.

Mash Feed.

100 lbs. wheat bran.
100 lbs. middlings.
100 lbs. yellow corn meal.
50 lbs. ground oats.
100 lbs. meat scraps.
5 lbs. common salt.

Plenty of seasonal green stuff should accompany this ration. Grit, charcoal and oyster shell should be kept before the hens at all times. And water! Yes, of course. Eggs are 65 per cent water and a plentiful supply of fesh, clean water should always be on hand to supply that requirement. It is also essential for the health of the flock.

The feeding of a balanced ration will work wonders. There are plenty of examples of flocks that were fed all grain rations with only fair results, but which doubled or even trebled their output as soon as a good mash with the necessary protein element was added. It is a 50-50 mash and scratch feed ration all the time. The successful poultry man will study his flock. He will know whether they are being forced and producing beyond their normal capacity, or whether they are getting too fat and lazy so they are not laying as much as they should. If the former, he will cut down on the mash and feed more grain. If the latter, he will cut down on the grain and increase the mash to mawe birds consume more protein.

One of the nicest assortments of Valentines ever shown in Eldorado at Wright's Cash Store.

J. W. Lawhon was in Eldorado Wednesday.

A new lot of Men's overalls, both blue and striped. Just arrived at Wright's Cash Store.

John I. King was up from his ranch in Sutton, trying his luck on the local golf course, Wednesday.

W. C. Cloud was over from Junction this week visiting his family.

A new shipment of Mother Goose Coveralls for children just in at Wright's Cash Store.

An Oklahoma Mother Says:

"BLACK-DRAUGHT is a fine medicine to give to children. I use it for mine whenever I need to give them a laxative. They don't mind taking it when I make it into a tea, and it quickly relieves constipation and the bad symptoms which come from it. I can recommend it to other mothers, for I have found it useful in my home.

"When I was a child my mother gave it to me whenever I complained of not feeling well. I have always taken it for upset stomach and constipation. It is about the only medicine I have to take. A few doses of Black-Draught, now and then, keep my system in order. My husband takes it, too. I hardly see how I could keep house without Black-Draught. It has become a standby with us, in keeping the children and ourselves well."—Mrs. Luther Brassfield, Claremore, Okla.
