THE P. T. A. CALLS FOR NEW MEMBERS

We wish to take this opportunity to solicit new members for our Parent Teachers Association. We have enrolled eight members since our last meeting; but we still need more.

We are having excellent success with all our financial problems. The mothers all respond when we call for pies, cakes and salads and the fathers when we call for donations all have given freely and have done so willingly, for this we are indeed grateful. But we need more than things to eat and money. We need your presence at our P. T. A. meetings, which is a branch of an organization with over a million members.

The aim and purpose of the P. T. A. is

1st. To measure the efficiency of schools and to extend their service into the life of the community"

2nd. To arouse men and women to a sense of their responsibility for conditions which affect childhood

3rd To enlist sympathy and enduring help for the blamelessly dependent and neglected children.

We are not only builders of human lives but we are, in truth; town city and state builders, while the commercial bodies are promoting business interests for the purpose of increasing our populations, we are providing conditions which will attract and hold a desirable citizenship.

Good homes, good schools and a wholesome community life are the objects of our concentrated efforts, these are the influences that guide parents in the selection of new homes."

If you are not already doing all that you can along this line with some other organization, we shall be glad to have you come in and work with us. There are many good organizations but none that touch the home and the school in just the connecting way that our P. T. A. does.

We are greatly interested in character education and this education must be founded in the home, for if left to the school it is delayed six years too long. Lets get the home and school in closer relation, come out and be with us; pay your dues if you care to, if not come any way. If you can't come send your dues. In other words we can use either you or your dues, but better still both you and your dues.

We meet on the second Friday in each month at the school building at three twenty. We wish to call the roll at our next meeting. May we have your name there?

The high school will render our program. We also hope to have with us our sixth district president, all of our teachers and many patrons. We hope to have our county officers. They should come out and see their successors, (high school students) see how they manage their program. We are sure that our school will give us an enjoyable hour.

Mrs. Robert Milligan,
President of P. T. A.

Sam Roberts and wife were over from Ozona Friday night attending the dance given at the Palace Theater building.

New lot of children and Men's unionalls, just arrived at Wright's Cash Store.

GIRLS BASKET BALL GAME

The Eldorado Girls Basketball Team played the Big Lake girls basketball team Feb 11, 1928, at Big Lake. The game was a very interesting one. The teams were well matched but it looked for a while as if Eldorado was going to be defeated. To our great pleasure the game ended with a score of 29 to 30 in Eldorado's favor. The Big Lake girls had one advantage of the Eldorado girls. The court of Big Lake is an indoor one with hardwood floor and the Eldorado team was not used to that kind of a court. Not-with-standing the handicap, our girls won.

BIG LAKE GAME BOYS

Owls 25, Eagles 11.
The Eldorado High School lost a fast game of basket ball to the Big Lake Owls Saturday, 25 to 11. The Eagles having never played on an indoor court were baffled by the fast foot work of the Owls. In the third quarter, the Eagles started a scoring spell and had almost overtaken the Owls' score but the Owls came back in the fourth quarter and played their best ball. The Eagles will invade San Angelo Feb. 17, 18, in quest of the district title.

SENIOR WHERE-ABOUTS

The Seniors had a class meeting last Tuesday, Feb. 7, to decide what their motto, colors, and flower would be. They decided upon grey and pink for their colors and pink carnation for their flower. Committees were appointed for the selection of a motto, and speakers for graduation. The business affairs were carried out nicely except

Dr. Fred R. Baker blazed the trail for the opticians of West Texas over 20 years ago. In fact, when we gave San Angelo a lens grinding plant and expert optical service in 1907 we gave this section the first place of this kind west of Fort Worth.

The No. 110 is time-tried and field-proved. It plants cotton on beds, in level land or in deep water furrows.

The John Deere Saw-Tooth Steel Ficker Wheel picks out even the lintiest seeds and drops them one at a time, or more, if desired—handles wet cotton seed accurately.

The new-type adjustable press wheel can be used as an open or solid wheel—automatic, nonclogging scraper keeps wheel clean.

The No. 110 plants corn just as effectively as cotton when equipped with John Deere Natural-Drop Seed Plate, which also handles many kinds of seed besides corn. It's the corn drop famous for its accuracy in the corn belt.

TWO MIRACLES OF POWER

LESSON TEXT—Mark 4:35-5:20.
GOLDEN TEXT—What manner of man is this that even the wind and the sea obey him?

PRIMARY TOPIC—Jesus Stills the Storm.
JUNIOR TOPIC—Jesus Rules the Storm.

INTERMEDIATE AND SENIOR TOPIC—The Universal Power of Jesus.
YOUNG PEOPLE AND ADULT TOPIC—Jesus' Power over Nature and Human Life.

1. Jesus Calms the Sea (vv. 35-41).
1. Crossing the sea (vv. 35, 36).
Wearied by teaching the multitudes, He proposed that they take ship at evening time to the other side of the sea, doubtless to escape from the throngs of people.
2. Overtaken by a storm (v. 37).
Even though Jesus was in the boat with the disciples they were overtaken by a storm. It is not God's will that we should escape the storms, but those who have Christ on their boat are safe because that boat cannot go down.

3. Jesus asleep in the storm-tossed boat (v. 38).
In the midst of the turbulent elements He was resting in sleep. The day had been a very strenuous one and He was weary. He who made the sea could well lie down and sleep, though the storm violently raged.

4. The terrified disciples (v. 38).
In their minds nothing but disaster and death awaited them. They were not only terrified, but they chided Jesus for sleeping while they were in such great danger.

5. Christ's rebuke (vv. 39, 40).
(1) The wind (v. 39).
This showed the Lord's mighty power to control the forces of nature.
(2) The disciples (v. 40).
He rebuked them for their lack of faith. He showed that they were looking upon their circumstances instead of upon their Lord.

6. The effect upon the disciples (v. 41).
They were filled with great fear. A little while ago they were afraid in the face of the storm; now they are afraid in the presence of the Lord.

II. Jesus Heals the Gadarene Demoniac (5:1-20).
After the stilling of the tempest, Jesus crossed to the other side of the sea into heathen territory.

1. Met by a demon possessed man (vv. 1-6).
This man was in a desperate condition. He was so fierce that no one could safely pass that way. He wore no clothes (Luke 8:27). No chains were strong enough to hold him and no one was able to tame him. In the night time his hideous cries could be heard while he vented his rage by cutting himself with stones. Many today are demon possessed. Much of the insanity of the age is traceable to this cause. As the coming of the Lord draweth nigh these things will increase (1 Tim. 4:1).

2. What the demons knew about Christ (vv. 7-9).
They knew that He was the Son of God and that He had come to destroy the devil and his works. Among the demons there is no doubt as to the deity of Christ and the judgment to come, though we have many theologians and preachers who say they do not believe it. The devil blinds their eyes so they cannot understand (II Cor. 4:4).

3. Christ's power to deliver from the devil (vv. 10-13).
He cast out the demons from the man (v. 8). The demons quail before Christ, not daring to dispute His power, so they begged to be permitted to enter the swine. As soon as the Lord issued the permit, they hastened away to hurl the swine to destruction.

4. The effect upon the people of the city (vv. 14-17).
The keepers of the swine fled to the city and made report of what had occurred. This miracle brought the people out, but when they realized the loss of their hogs they besought Him to leave their coasts. They cared more for their hogs than for Christ and the cure of this man. These Gadarenes have many successors today.

The man who was healed sent home to testify (vv. 18-20).
No doubt it would have been safe and pleasant to abide with Jesus. But his friends needed his testimony. The best witness for Christ is one who has been saved by Him. The best place to begin that testimony is at home where one is known best.

Nurse Advises
WEAK, RUN-DOWN
WOMEN
To Take Cardui

"I have known of Cardui for nearly twenty-five years," says Mrs. Selma Meissner, 1072 Harrison Ave., Beaumont, Texas. "During that time, I have taken it several times and have frequently recommended it to others, for it is a splendid medicine and I am glad to give people the benefit of my experience."
"I have been a nurse for several years and have often come in contact with patients who were run-down and weak. Often I have told sufferers of Cardui, and the way I myself had been helped after taking it, and advised them to give it a trial. Many of them have since thanked me for what I told them, so I am willing that other women should know about it, too."
"I first took Cardui because I was awfully run-down. I had no appetite, and was weak and listless. It was hard to keep going under such conditions, and I looked for something which would help me."
"I had read of Cardui and decided to try it. After taking it, I improved so much that I have taken it since whenever I needed a tonic."
