Wright's Cash Store.

H. M. Freund and wife enjoyed a visit from two of Mr. Freund's brothers and family from Austin this week, they were in El Dorado Saturday shaking hands and buying supplies.

OZONA DEFEATS ELDORADO IN FRIDAY'S GAME.

The El Dorado base ball team went to Ozona Friday where they met defeat at the hands of the Ozona team by a score of two to three. Ohie B. Page seems to be the only one that made an error during the game and thus caused the defeat says Joe Firley.

Joe Jackson and wife were in from the ranch Saturday visiting, while here Joe had us send The Success to Mr. and Mrs. W. H. Dameron, at Powell, Wyoming, we trust that it will be greatly appreciated by them. Mrs. Dameron was formerly Miss Ruby Jones, and Mr. Dameron is an old Schleicher county boy. Mr. and Mrs. Jackson have recently returned from an overland visit to see them.

J. L. NUTT BUYS OLIVER RANCH.

E. P. Sweatt reports the sale of the Arthur Oliver ranch consisting of 3100 acres of land to J. L. Nutt, this land is situated about 20 miles west of El Dorado in Schleicher county and is a fine body of land. Mr. Nutt will probably re-sell this ranch in smaller bodies during this year says Mr. Sweatt.

STOCK DEALS.

The purchase of between 7,000 and 8,000 mixed lambs by Hollis Nutt of Mertzton, at \$6 per head and the buying by Linthicum Bros. of San Angelo of 600 steers, three to five, at \$55, have been among late livestock transactions in this section.

—San Angelo Standard.

Good cedar posts at reasonable prices at the Cash Service Station, see them. Adv.

E. A. Penn and Earnest Thornton and families are enjoying a fishing trip this week, out in some shady nook away from the busy daily routine of life is quite refreshing in the good old summer time.

Fred Bruton was trading in the city Saturday afternoon.

DOCTORS LAMBS FOR WORMS, MEDICINE KILLES LAMBS.

W. R. Nicks reports that he had some ewes with stomach worms so he thought he would doctor all his sheep, but it proved fatal to some 50 or 60 lambs, for he lost about 60 head in two or three days after medicine was administered. The lambs had not been suffering and showed no signs of stomach worms, but began dying as soon as doctored, the medicine was one prepared in San Angelo and must have been too strong. Mr. Nicks has about 40 others that are sick but he thought while in town Monday that he might save them. This was quite a loss and was probably a larger toll than the stomach worms would have gathered if the lambs were let alone.

BIRTHDAY ENTERTAINMENT

Robert and Roberta Williams, twins of Mr. and Mrs. Geo. Williams, entertained at their home Monday afternoon, inviting quite a few guests and serving refreshments. They were celebrating their fourth birthday.

Mr. and Mrs. O. K. Hines and children of Kerrville and Nathan Orenshaw also of Kerrville, were guests of Mr. and Mrs. Felix Susen on the ranch last week. Mrs. Hines and Susen are sisters and Nathan is a nephew to them. They liked Schleicher county but wanted to know where our lumber was, they used to the hill country.

W. C. Mund who has been visiting Texas for the past several weeks returned Monday, he is putting it out a little at a time, and his friends believe he will tell it all before the week end, he seems to have fared better at Fredericksburg than anywhere else.

I want the party who borrowed my 410 shot gun, also the man who borrowed my crowbar, to please return them at once as I need them. A. J. Roach

Bron, Friday August 18, to Mr. and Mrs. C. B. Regan, a daughter, mother and daughter both doing nicely, and daddy putting on a little more hustle.

STAR

Running-in-oil

You will find in the new running-in-oil STAR, the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitmans bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know what a really fine windmill we have in this new Star.

Lesson for August 22

THE TEN COMMANDMENTS—DUTIES TO GOD

LESSON TEXT—Exodus 20:1-11.
 GOLDEN TEXT—Thou shalt love the Lord thy God with all thine heart, with all thy soul and with all thy strength.

PRIMARY TOPIC—The Commandments About God.

JUNIOR TOPIC—How to Serve God.

INTERMEDIATE AND SENIOR TOPIC—Loving and Honoring God.

YOUNG PEOPLE AND ADULT TOPIC—God's Claims to Loving Service.

The Ten Commandments furnish us with the greatest moral code that the world has ever seen.

I. The Preface to the Decalogue (vv. 1, 2).

The Ten Commandments are based upon the truth set forth in the preface. Two great thoughts underlie this. What the Lord is and what He did. What He is is embodied in the name Jehovah-Elohim. The name Jehovah sets forth three great truths, viz.:

1. His all-sufficiency. All that He is and does centers in Himself.

2. His sovereignty. There is no being equal to Him, nor above Him. He is outside of and above every being in the universe. He is immanent and transcendent.

3. His unchangeableness. The "I am that I am" (Ex. 3:14) may be expanded into "I am what I was," "I will be what I am." "Jesus Christ is the same yesterday, today and forever" (Heb. 13:8). The name Elohim signifies the strong and mighty one. What He did is asserted to be their deliverance from Egyptian bondage.

II. The First Commandment (v. 3). "Thou shalt have no other gods before Me" means literally, "Thou shalt have no other gods before My face." This commandment requires single-hearted worship and service. Every man has his god. It is either the true God or a false god. Life itself with all its activity is worship. The center around which our activities revolve is our God. This commandment may be broken:

1. By living for one's self. If one's activities gather around himself he worships himself and is therefore an idolater.

2. By making pleasure the goal of our lives and spending our time and money for sensual enjoyment.

3. By being covetous (Col. 3:5). Every man who is greedy for gold breaks this commandment.

III. The Second Commandment (vv. 4-6).

The first commandment is directed against false gods. The second is directed against the worship of the true God with false forms. This commandment may be broken:

1. By resorting to the use of crosses and images in our worship.

2. By putting into the place of Christ the pope and following after priestcraft. It should be observed that his commandment is accompanied with a warning and a promise. The warning is that iniquity will be visited upon the children even to the third and fourth generation. The promise is that He will show mercy to thousands. This means that the workings of the same divine law will pass on God's mercy to thousands of generations.

IV. The Third Commandment (v. 7). The Hebrew word translated "vain" in this prohibition against taking the name of God in vain means lying, deceptive, unreal. Therefore, to take the name of God in vain means to use it in a lying, deceptive and unreal way. The word "guiltless" is from a Hebrew word, the root-meaning of which is to be clean, to go unpunished. The meaning, therefore, is that God will not hold such a man to be clean and will not allow him to go unpunished who takes the divine name in a lying and hypocritical way.

The third commandment may be broken:

1. By profanity.

2. By perjury.

3. By levity and frivolity.

4. By hypocrisy, which is professing to live for God when living for self.

V. The Fourth Commandment (vv. 8-11).

The essential principle embodied in this commandment is work and rest. It enjoins work on six days and forbids work on the seventh. The command to work six days is just as binding as the rest on the seventh. Only those who have worked can really rest. This commandment may be broken:

1. By living in idleness.

2. By working on the day set apart for the worship of God.

3. By making it a day of feasting.

4. By devoting it to pleasure and games.

Trusting in God

An individual heart, which worships God alone, and trusts Him as it should, is raised above all anxiety for earthly wants.—Geltke.

A couple of Darkies drove into El Dorado Monday afternoon honking their horns just like they were celebrating June 19th but it wasn't long before Sheriff Luedecke picked them up and let them blow their whistles in the county's boarding house.

Frank H. Ford, son of W. F. Ford of our city, is here this week guest of his father who has been confined to his room on account of illness.

Headache
 dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it. My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.
