ELDORADO LOSES TO SONORA 13 TO 0.

The El Dorado Football team went to Sonora Friday afternoon where they lost their first game for this year the score being 13 to 0, the local team two weeks previous heled the Sonora boys to a non score game while the locals made 25, so this game leaves Sonora 12 points behind in the two games. The local team are confident that the third game will be their's, of course if there should be no other game, El Dorado will be a head on the playing. Our boys are somewhat disgrined over their defeat Friday but have promised that they wouldn't let this happen any more.

STAR

Running-in-oil

You will find in the new running-in-oil STAR the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitman bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know what a really fine windmill we have in this new Star.

BAILEY NEWS.

The Association was well attended Tuesday, Auxiliary day, was greatly enjoyed by our resident ladies. Wednesday was the best represented of the three days. There was an abundance of delicious food through the three days. Bailey Ranch Church feels greatly edified by having these fine Christian men and women in their midst and is looking forward to having the pleasure of entertaining them again.

Bailey Ranch Consolidated school will have their annual box supper Friday night, Oct. 29. The Senior Pupils will entertain those present by putting on a short play entitled, "The Haunted Gate".

The B. R. Club of High School girls determine to visit the site of a tragedy to disprove the story of ghosts. The young ladies are chaperoned by two of their teachers. A brother of one of the young ladies hear, them talking, and resolves to convince a very sceptical and self-sufficient teacher; that there are really ghosts.

Every one is very cordially invited to come and bring boxes. The boxes will be priced very low; so that no young person need in the least, feel embarrassed. So, come one, come all, and in a small way help us equip the school Basket Ball Court. Messers L. A. Crooks and Wayland Musgrove are in Bertram on business.

Suffered weak, nervous

"I WAS in a very weakened, run-down condition, surely in need of a tonic and builder," says Mrs. J. R. Wrenn, of Anna, Texas. "I was so weak I had to go to bed, and kept getting weaker."

"I suffered with my back so much. I was very nervous, couldn't rest, good at night. I couldn't eat anything—I just wasn't hungry."

"I had read so much of Cardui, I thought best to use it. I took seven or eight bottles, and by the time I had taken them I was stronger than I had been in several years. I can highly recommend Cardui."

Thousands of other women have found that the tonic effects of the purely vegetable ingredients of Cardui were just what they needed to help restore their appetites, to help bring them easily and naturally back to normal health and strength. Its action has been found to be of great benefit in many common female ailments.
