District Library Conference April 19

A District Library Conference under the auspices of the Texas State Library will be held in San Angelo, April 19, in the District Court room at 9:00 a. m. A program has been arranged for the day or until 2:30 p. m. Those interested in library work should attend this meeting.

NOTICE!

It will be necessary for persons registered with the National Reemployment Office to renew their applications at least once each month.

Persons who have been placed through this office, but are at present out of work should re-register immediately if they are desirous of finding employment.

This office is having quite a few calls for men and it is imperative that you re-register or renew your applications before the same can be considered.

Annicie Putman, Manager.

HIGH SCHOOLS INVITED TO ENTER CONTEST

San Angelo, April 7 — An invitation to each of the two hundred and fifty high schools in West Texas to enter a participant in My Home Town Speaking Contest at the Sixteenth Annual Convention of the West Texas Chamber of Commerce, San Angelo, May 14, 15, and 16 has been extended by C. M. Caldwell, Abilene, Chairman of the Contest Committee.

This contest is open to bona fide high school students of West Texas, one from each town. Each contestant is required to prepare an original speech about his home town not more than five minutes long. Three preliminary contests will be conducted at San Angelo, and the two best speakers selected at each, the six to enter the finals before the closing session of the convention to compete for the Thos. Etheridge loving cup, cash awards, and a choice of scholarships in a number of institutions of higher learning in Texas.

Already Amarilli and Burkburnett have advised conventions headquarters here that they will have contestants.

TRUSTEE ELECTION POLLS 93 VOTES

At Saturday's Trustee election only 93 votes were polled, there not being much interest taken. The results being as follows:

Lions Hold Regular Luncheon

The Eldorado Lions Club held regular luncheon Wednesday, with Misses Victoria Jones and Elmore Andrews and Maxine Wilton rendering a program.

There was a good attendance at the luncheon and a good number signed up to attend the group meeting at Ozona Thursday.

Lion Holt reported on the new School building project and it looks very favorable without increasing the District valuation or tax. The new building is needed.

Lion C. E. Knight was presented with a Master Key Plaque from the Lions National Headquarters for his good work in the club. The plaque was presented by Judge J. A. Whitten.

J. B. Sammons was in from the ranch Friday and reports good rains.

Mr. Sammons says the Government is wanting a bunch of new recruits for the El Paso Army Post, and if anyone here is wanting to enlist in the service he would put them in touch with the proper parties if they would get in touch with him.

Mrs. Roy Howland, of Odessa, was visiting in Eldorado Wednesday.

Highway Workman Clubbed to Death

Last Friday morning while stationed at Barnett Crossing helping travelers to get across Brady Creek near Melvin, Bill Johnson was clubbed to death by C. M. (Whip) Jones and Lawrence Deuran, of San Angelo. After the men were arrested they said they knew they had had some trouble but did not know who with and how the trouble ended. They had both been serving a penitentiary sentence and had been granted conditional pardons from the penitentiary. Whiskey was found in the trunk car when arrested the officers stated.

Mrs. S. W. Holland reports that Dr. Davis of Daniel Baker College and former pastor of the Presbyterian Church here, was operated on about ten days ago for appendicitis, and had been very ill, but was improving all the time now. Dr. Davis has many warm friends here.

Report Of Cotton Contracts For 1934, Called For By District Review Board

County Agent C. S. Finley and B. E. Moore carried the summary report of 1934 cotton contracts to Abilene, Texas, Monday April 9 and presented it to the District Review Board.

The average number of bales from 1928 to 1932, the government allowed was 4,542, and the number of bales the contractors signed up for was 4,207. These figures show the cotton producers of this county have lined up with government plans for reducing the cotton acreage and no radical changes will be made in our contracts, although there will likely be a few minor changes made in some of the contracts.

The total number of cultivated acres in the county are 23,967. The contract signers rented to the government 4,960 acres, 153 cotton farms, and 130 signed

Federal Farm Mortgage Bonds Selling Above Par

April 5, 1934. — W. F. Meador, Secretary-Treasurer of the Eldorado national farm loan association of Eldorado, Texas, recently received word from the Government of the Farm Credit Administration, Wm. I. Myers, telling him of the ready reception which farmers and their creditors are giving to the bonds of the Federal Farm Mortgage Corporation which are now being tendered by the Federal Land Bank of Houston in place of cash in settlement of farmers' debts. "These bonds have been selling in the large markets at a little above par, indicating a ready market for them. Just a week after the banks began using bonds instead of cash, the first bonds to be sold on the New York market were purchased at 100-3/4. We anticipated these bonds which bear 3 1/4 percent interest per annum would sell at par or above at the time we set the interest rate, for Government bonds maturing in 1941, bearing the same rate were selling above par."

Mr. Myers pointed out that these bonds were not only exempt from local, State and Federal taxation with the exception of surtaxes, inheritance and gift taxes, but that they are as ready salable as Government securities. He said they are being quoted in the metropolitan papers but if such quotations are not available readily to farmers that they will be given the quotations if they will write to the Federal land bank of their district.

SCHLEICHER COUNTY RELIEVED OF INDEBTEDNES

Reports from the Board of County and District Road indebtedness of Texas show that the state has relieved the various counties of obligations for interest and sinking fund payments of an amount of over \$7,000,000,000 annually. Or this amount the counties of the 25th Senatorial District were relieved of payments during 1933 of \$188,569.10. Of this sum Schleicher County received \$4,877.50. This fund comes from the state gasoline tax instead of a tax upon the property owners. One of those responsible for the assumption of this indebtedness, and relieving the property owners of the burden of this obligation is Representative Penrose B. Metcalfe of San Angelo who is now a candidate for the State Senate from this District.

W. T. C. C. TO MEET IN SAN ANGELO MAY 16

San Angelo, April 7 — Every city and town in the far-flung territory of the West Texas Chamber of Commerce is being asked to nominate from one to three directors each to serve on the official board of the regional chamber subject to elections at the forthcoming Sixteenth Annual Convention in San Angelo, May 14, 15 and 16.

The men nominated for directors will be presented by the committee for election at the opening session of the convention, and if and when elected will serve for a period of one year following the San Angelo convention, meeting for the first time on the last day of the convention for the election of a president, two vice-presidents, treasurer and manager.

The District Review Board accepted the committee's report and said the contracts were drawn properly and the report will be sent to A & M College for final correction within the next few days.

Up to date there is no change in the use of the rental lands to the government, the farmer can plant it in anything that he can use himself.

Warehouses Sell Clippings

Around 225,000 pounds of clippings, said to include practically all the accumulations of the States were sold at sealed bid sales held in San Angelo Thursday. Reports from the sales indicate a price range from 15 3/4 cents to 16 3/4 cents per pound, and since clippings ordinarily sell at one-third the value of wool, these sales add promise to the outlook for wool prices during the coming season.

Ten warehouses of this territory were represented in the offering, with approximate tonnage as follows: Mertzton Warehouse 17,000 pounds; Wool Growers Central Storage Co., 40,000 pounds; Eldorado Wool Co., 40,000 pounds; San Angelo Wool Co., 15,000 pounds; Joe B. Blackney Warehouse, 40,000 pounds; Sonora Wool & Mohair Company, 20,000 pounds; Texas Stockmans Supply Co., 15,000 pounds; Lyndon F. Webb, 20,000 pounds; Eden Warehouse 15,000 pounds; Texas Wool & Mohair Co., 30,000 pounds.

FAMOUS STRONG MAN IS COMING HERE SATURDAY

Will Pull A Five-Ton Truck with Rope Around Neck.

A number of business and professional men of Eldorado will present Jack Kern, known the world over as the "IRON MAN," in a free show for the people of this vicinity Saturday afternoon, March 31, at 2 o'clock. Kern, who weighs only 160 pounds, is reputed to be the strongest little man in the country and at this time will perform feats requiring almost unbelievable skill and strength. He has accepted a challenge to pull a five ton loaded gasoline truck upgrade on our streets. A rope will be looped around his neck and fastened to this truck, and he will pull the weight by this means. He will pull the truck up main street. He also plans to pull the same load with an inner tube over his stomach. These almost impossible feats are to be accounted for by his perfectly trained muscles.

Kern has been a holder of world's record for moving weights with the human body for many years and recently in St. Louis defeated a professional strong man from Germany in a pulling contest, moving four tons more weight than the giant who weighed 242 pounds.

Last week this strong man was in Winters where 3,500 people watched his exhibition. He has also been delivering health talks over the radio in San Angelo, and in connection with his performance here will give a short health talk.

The attraction is free, and every one is invited to come and especially to bring the children to see this interesting performance.

BRITIAN—PAGE

R. J. Page, son of Mr. and Mrs. Bert Page, moved to San Angelo Sunday and was quickly married to Miss Lillian Britian, at the home of her niece Mrs. Day, with whom she had been visiting for the past several months.

The bride's home being at St. Augustine, Texas, where her father resides. Mr. Page is one of Eldorado's popular young men and holds a position with the West Texas Lumber Co., of our city. He has been reared in our city and has a host of friends.

The wedding was intended for a secret but was later announced.

The Rev. Wood, Presbyterian minister of San Angelo pronounced the solemn words that united the happy young couple. They left Tuesday for Houston and St. Augustine to visit the bride's father and other relatives and will be at home here after this week.

Heath Enters District Race

For Prosecutor
Three Contenders Now Out For Prosecutor of 51st Court

While several county offices lack candidates out in the open in a big political year that of first district attorney now has its third contender with announcement of Milton Heath, San Angelo attorney. He will go before the Democratic primaries in the counties of Tom Green, Sterling, Coke, Schleicher and Irion. This is the third such office to develop a trio of contenders in each, there being three out for county treasurer and as many for county commissioner number 2.

Heath is present chairman of the Tom Green County Red Cross chapter and is president of Community Service. He formerly was commander of the American Legion post here. He comes before the voters with the announcement, "I believe that I am well qualified to serve you as your district attorney, and that you can safely entrust to me the protection and security of your families and property, within the jurisdiction of the office. My pledge is that if elected I shall enforce all laws in the way you as citizens and electors have a right to expect your district attorney to enforce the law."

Heath was born in Georgia and reared in Texas. He is 42 years old, married and has four children. He came here with his family in 1922, "because we liked the place and we stay because we haven't changed our minds."

school work. He attended the universities of Oklahoma and Michigan, studied law at Harvard and the University of Texas. In six out of seven years he gained honor roll standing, winning membership in honorary scholastic fraternities of the Beta Kappa and Phi Delta Phi, arts and law.

Between periods of attending school, he taught for six years, serving as superintendent of a rural consolidated school as a principal of a small-town high school and as a teacher in Oak Cliff High School of Dallas and the University of Oklahoma. He enlisted in the army in April of 1917, took infantry training at the first officers' training school and was commissioned a lieutenant August 15, 1917. He was assigned to duty with the military intelligence branch, War College division of the general staff corps. He was discharged December 24, 1918.

Heath has been practicing law five years. In 1927-28 he was associated with the then district attorney of the 51st district, and assisted in the preparation and trial of a number of major felony cases, including the Floyd Newton Burns murder case.

PRESUMED?

Dewitt Holland brought to the Observer Office Wednesday the beard or whiskers of a turkey gobbler that measured 10 inches long, that he secured from an old wild gobbler found dead near the home of his brother, Robert Holland, Tuesday. It is presumed that the old gobbler was killed by Roberts' young gobblers.

He was of the Wild Bronze Stock and is believed he was at least 7 years old. —Christoval Observer.

It is no trouble at all for a young gobbler to over power an old one, and we presume the presumption from the presumer is correct. But the country in which this old Tom rambled is well protected from his depredation.

Believe it or not, a good citizen following the duties of making his family a living working on the highway in Good Old West Texas was felled upon by two drunken men who were roaming around on a conditional pardon from the Governor of Texas, and clubbed to death. Yet some of our folks try to make us believe that repealing the prohibition laws will lessen the use of intoxicating drinks. We thank God we had no part in repealing the 18th Amendment, and other prohibition laws, making the use of alcoholic drinks easy to transport, and easy to obtain. Mrs. Johnson and children are left alone on account of strong drinks, regardless of what the law may now do to those who are charged with the crime. Johnson is no more, dead because

two drunks came along his way, where he was stationed to help the public. Others on the scene were abused and even shot at.

When will Texas and America rise up and put down such crime. God hasten the day that lives such as Johnson may not be lost in vain. May Texas awaken to her duties to curb such crime.

We note from the Mertzson Star last week, that W. J. McGee who at one time ranched in the east side of this county, died at Hamden, Texas and was buried in the Mertzson Cemetery Monday, April, 2. He was 70 years old.

Bad Taste in Mouth, Sour Stomach

For quick relief from constipation troubles, such as are mentioned below, get a 25-cent package of Theford's BLACK-DRAUGHT and begin taking it today.

"I have suffered a great deal from biliousness and constipation," writes Mrs. D. C. Jones, of Waterloo, Ala. "When I get bilious I have a bad taste in my mouth, have sour stomach, my color is bad, and I get dizzy and feel awfully bad. I have headache constantly. When I take Black-Draught it relieves me and I feel like a new person. I don't think there is a better medicine than Black-Draught."

You can get Black-Draught in the form of a SYRUP, for children.

ALEXANDER NEWS

W. E. Baker had lots of fun in reading over the names of friends and counting dimes on his sixty-fifth birthday. Mrs. W. J. Steward planned this surprise for him and saw as many of his friends as she had time to before Tuesday morning April 3.

Rain, rain more rain but we are all enjoying even the mud. Sheepmen have lost quite a few lambs and old ewes. Pastures are getting green as a wheat field.

M. H. Casey braved the mud on Saturday morning and went to town in his wagon.

A. N. Shipp and A. H. Belk were business visitors in Eldorado Monday.

The McAngus children missed school part of last week. Too much mud!

Festus Parson and Lawrence Casey visited Newt Chambers Sunday.

Mrs. Thomas Baker was shopping and visiting in Eldorado the first of the week.

Judge Whitten passed through Alexander last week with a bunch of cattle he was taking to grass at Bud Ellis' place. Amigo.

IN APPRECIATION

To our dear friends our heartfelt thanks to you all for your sympathy, and flowers at this time the loss of our beloved wife, daughter, mother and sister Mrs. Mamie King.

Culberson Deal candidate for Congress was out from San Angelo Tuesday meeting old friends and making new ones, and looking after his interests in the coming campaign.

MRS. MAMIE KING BURIED HERE FRIDAY

Mrs. Mamie King, 36 years of age and wife of R. A. King of San Angelo, died last Thursday in a San Angelo Hospital of pneumonia and was buried in the Eldorado Cemetery Friday afternoon. Services were held at the Presbyterian Church and conducted by Rev. J. L. Bryant, pastor of the Trinity Methodist Church of San Angelo, and the Rev. B. B. Hestir, Presbyterian Missionary.

Mrs. King moved to Schleicher county when a small child with her parents Mr. and Mrs. John T. Jones and settled in the Middle Valley section, or Mayer, where she was wed to R. A. King and latter moved to San Angelo where she lived until death took her home. Mr. King is a son of R. A. King, ranchman of this county and has many friends in our midst.

She is survived by her husband and three sons, two brothers C. Y. Jones of San Angelo and John H. Jones of Robert Lee, three sisters, Mrs. Sam Bates and Mrs. Harold Brown, of San Angelo, and Mrs. J. A. Schindler of Jonesboro, Ark.

Miss Ethel Taylor of San Angelo was a guest of Mr. and Mrs. H. D. Irby last week.

DISTRICT MEET APRIL 13-14
By Alton Page

The track meet in San Angelo 13 and 14 of April will be very

interesting to the towns in this district. The towns who will probably meet there are: Ballinger, Eldorado, Winters, Miles, Mertzon, Barnhart, Eden, Paint Rock, Menard, and Sonora.

Eldorado's rivals in the track events will probably be San Angelo, Miles, and Ballinger.

The boys who will enter the track events are:

Bill Smith, 100, 220, and 440 yd. runs; Harold Susen, 880 yd. run, and High Jump; Paul Davis, high hurdles, high and broad jump; John E. Rodgers, Shot put, Discus; Jack Shugart, mile run; Cecil Moore mile run.

We think these boys will do better this year and they will have plenty of competition with Ballinger, Miles and San Angelo. The debating team this year consists of four seniors. The boys team are, James Page and W. B. Gibson and the girls team are Aurora Willis and Mary Lee Davis.

The subject for debate is Resolved, "That the United States should adopt the essential features of the British system of Radio control and operation." The biggest rivals will be Ballinger and San Angelo.

The typing team will probably be Johnnie Fern Isaacs, Maxine Wilton, and Helen Stanford. Mr. Smith sent six names in but has not yet picked the team.

The tennis team is Joe Turner and Jack Hext in doubles and Jack in singles.

Celeste Tisdale represents essay writing from Eldorado, and Mr. Holt has charge of Essay writing at the meet.

The high school declaimers are R. L. Sample, and Ollie Ruth Newlin. The grammar school team are John McWhorter and Imogene Evans.

We hope our boys and girls can go to the regional meet at Abilene then to the State meet at Austin. There will be plenty of competition for them this year.

CWA BOOKKEEPER TALKS TO HIGH SCHOOL CLASSES

Melba Jones, CWA bookkeeper for Schriber County, talked to the high school bookkeeping class Monday morning. During the course of her talk, Melba, who was a senior during the 1931-32 school year, explained how she kept her set of books and showed samples of the different forms she has to make out.

The members of this year's bookkeeping class thoroughly enjoyed the interesting and informational talk. They found that they were doing much the same work in a practice set they have been keeping for the past two weeks. Melba explained some forms, however, which were different from any the class had ever seen. Such things as the proper connection of orders, whether or not a link could be used, and different types of trial balances were discussed by the class during the demonstration. It was noted and acknowledged that the principles of keeping the CWA set and the practice set now being kept by the high school class were the same, although some of the forms differed in some respects.

In the different relief set-up, Melba says that she will keep a slightly different set of books, dispensing with the usual form of the ledger. It is hoped that Melba can visit us again and show us the new set of books.

WORK ON SENIOR PLAY BEGUN

By John I. Jones

The work on the Senior Play started in earnest Monday evening April 4th. The entire cast has not been selected yet, because the play is rather long and Miss Zimmerman is only working on the first and second acts at the present.

The ones in the play report for practice every afternoon at 4:00 o'clock later on there will be practice each night in order to make the play a success.

The name of the play is "The Family Upstairs", published by the Raymond Youaman's Publishing Co., Kansas City. This is a very high class play and is rather long. The play will probably be given on April 27.

JUNIOR CLASS ORDERS RINGS FOR SENIOR YEAR
By Zona Clare Koy

The Junior class met last Thursday March 29, 1934. Our president, Jack Rape put a vote to the class about ordering the Senior class Rings. The Juniors were all in favor of ordering the rings now, and by ordering the rings early we will receive them September 1, 1934. This is the first time that the Seniors have ordered them so early, but by ordering now, we will have them to wear at the beginning of our Senior year. The Juniors also selected a wristlet, locket, pendant, football or basketball. We had our choice of those, and they are to match our rings. The Juniors who ordered rings were: Jess Ella Johnson, Margaret Hill, Joe Turner Hext, Mary Lee Davis, Edward Butler, Thomas Richard Jones, W. C. Parks, Zona Clare Koy, Minnie Logan, Mozelle Luedcke, Zella Mercer, Billie Kerr, Jack Rape, Lois Whitley, Celeste Tisdale, W. C. Spurgers, Rosa Sauer, John Edwin Rodgers, Bill Smith, Samuel Smith, R. J. Alexander, and Clemens Sauer.

"I WENT 51% FURTHER ON GULF-LUBE"

Says Mrs. Lee Ketner, Winston-Salem, N. C., Who Made The "Two Trip" Test

"I DROVE FROM WINSTON-SALEM TO WASHINGTON USING MY REGULAR 25c MOTOR OIL—AND HAD TO ADD A QUART AT RICHMOND."

"TWO WEEKS LATER I REPEATED THE TRIP AGAIN. THIS TIME I USED GULF-LUBE—AND DIDN'T NEED A QUART UNTIL I GOT TO WASHINGTON."

Drive a Chrysler? Read Mrs. Ketner's story...

"I made your 'two-trip' test," says Mrs. Lee Ketner, 705 Meirose St., Winston-Salem, N. C., "and to say I was surprised would be putting it mildly."

"Gulf-lube outlasted my regular 25c motor oil by 115 miles—it went 51% further before a quart was consumed!"

Thanks, Mrs. Ketner. You're one of thousands of motorists who have cut their oil costs with Gulf-lube—the oil that was tested by the American Automobile Association in 6 average cars—and outlasted every oil in every car!

Start saving! Switch to Gulf-lube now. You'll buy less oil between fillings. You'll get better, smoother lubrication. At 25c a

quart Gulf-lube is America's biggest motor oil value. At all Gulf stations.

NEW OIL TEST detects motor dirt. Ask about it at any Gulf station.

KEEP 'EM GROWING

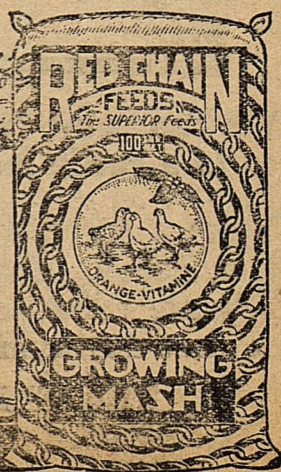

Chicks are an expense—until they are grown. How fast they grow—and the profit they pay you after they reach maturity—depend upon how well you feed them during the growing period.

RED CHAIN Feeds are SUPERIOR

RED CHAIN GROWING MASH is growth insurance, for the present—and profit insurance, for the future. No other feed develops young chicks so surely into such husky, sturdy pullets and cockerels.

Of course it costs a few pennies more than makeshift home mixtures and cheap commercial feeds; but SUPERIOR results will convince you that it pays to keep 'em growing—with RED CHAIN.

THIRD ANNUAL ARKANSAWERS' REUNION DATE SET FOR MAY 27

Date for the third annual Arkansawers' Reunion, which is held at Oak Creek in Rummels county, has been definitely set. The date is the 4th Sunday in May, which is May 27.

Dr. J. D. Sandefar, Abilene, president of Simmons University, is president, and Rev. D. M. West, Bronte, editor of The Bronte Enterprise, is secretary of the organization of Arkansawers that promotes the Arkansawers' reunion.

Two very successful reunions of the Arkansawers have been held. The attendance last year, was 5,000 people. Native born Arkansawers, those who once resided in Arkansas, whether or not they were born there, and those who are descendants of either of the above are eligible to membership. Then, "Everybody who is friendly to the 'Arkansawers'" is included. Hence it is one of the most unique gatherings ever assembled.

The Arkansawers Reunion is the outcome of a conversation between young Arkansawers gathered at the funeral of "Uncle Mac" Hannon, at Bronte, who formerly, many years ago, resided in Arkansas. D. M. West made the principal address at the funeral, as one who had known deceased from the babyhood of Rev. West. In his re- the descendants of deceased and the descendants present of others who had died in this part of Texas whom Rev. West knew in his earlier life, owed it to their ancestry to 'carry on' in a noble way. Out of the remark following the funeral, a group of the descendants of Arkansawers got together, and in conversation, it was suggested that a reunion of Arkansawers and their descendants be held. It was agreed and Oak Creek school house community, a beautiful and favorable spot on Oak Creek about midway between Bronte and Winters was chosen as the meeting place. The first reunion was a signal success everywhere and led to permanent organization and agreement to hold the reunion each recurring springtime, long as there remains a sufficient number of posterity to maintain the organization and to hold the reunion.

Stephenville, Texas, April 9—Fathers and mothers of John Tarleton College students will be honor guests on the Campus on Sunday and Monday, April 29 and 30, according to announcement from the office of Dean J. Thomas Davis.

The Rev. M. H. Moore of Ft. Worth, who was for many years superintendent of the Ft. Worth public schools, will preach the special sermon on Sunday morning. Senator Joe Moore of Greenville will give the address at Monday morning's program.

A tea honoring visiting parents will be given in the home economics department on Sunday afternoon; the Band will give a concert Sunday afternoon; the Cadet Corps will present a formal retreat ceremony Monday; and the girls' physical

education department will give the annual May Fete as the final entertainment.

The two-day program includes for Sunday; devotional services at 11 a. m., band concert at 2:30 p. m., formal guard mount at 4:30 p. m., and church attendance at 8 p. m., for Monday;

WARSHIPS SAIL FOR CARIBBEAN SEA MANEUVERS

U. S. Fleet, 100 Strong, Preceded by Navy Airplane Squadrons

San Pedro, Cal., April 9—The bulk of the United States naval power, 100 fighting ships carrying some 35,000 men, Monday headed for the Atlantic Coast to carry out extended maneuvers. Far in the van of this armada three squadrons of the navy's largest patrol planes also began winging their way South. These squadrons, comprising fifteen planes, were hopping from San Diego to the Canal Zone.

The warships moved out of the San Pedro and San Diego naval bases simultaneously. There were nine dreadnaughts, nine heavy cruisers, one cruiser tender and eight train force ships that steamed out of San Pedro.

From San Diego departed eight light cruisers, three aircraft carriers, one mobile target ship, fifty destroyers, of which twenty-eight are assigned to the battle force and twenty-two to the scouting force; two destroyer tenders, four submarines, a submarine tender, a submarine rescue ship and an aircraft base ship.

These ninety-eight ships were preceded by four others two of which joined the armada Monday. The other two are based at Acapulco and Corinto as tenders for the air patrol squadrons flying South.

Maneuvers will continue daily until the warships reach the Bay of Panama, entrance to the canal, April 21. Grand maneuvers will be held in the Caribbean May 5 to 12, and the combined fleet will reach New York May 31 for a review by the President. —Dallas News.

PAGE OIL WELL TO RESUME DRILLING

Jimmy Lowe who is to help drill the Page Oil Well reports that the new equipment being installed to replace those destroyed by fire was about complete and that actual drilling would probably start again the first of next week.

Henry Mills, first sheriff of this county, passed through Eldorado, Thursday on the Bus on his way to San Angelo. After meeting his old friend H. W. Finley, he called on The Success Office. Mr. Mills is now Commissioner of Crockett County and making the race again, unopposed so far.

The Progressive Farmer carried a long item in regard to this immediate section of Texas last week, giving an account of the goat industry of this section of Texas.

The Progressive Farmer has a large circulation and West Texas will receive much publicity through that issue of the Progressive Farmer. The Goat industry 'Like Andy' has been down in the dumps for several years but it is seeming better days and a more promising future. Thanks to the Progressive Farmer for its publicity.

Willie Isaacs was in from the ranch Monday and while here received a telegram from R. K. Finlay at Lyford, Texas, asking him to come at once, he needed him in shipping out his produce. Mr. Finlay has been in the Valley about 9 years handling fruits and vegetables and Mr. Isaacs worked for him last season. He left Monday afternoon for Lyford.

The first terraces built in Cochran county were put up late in January with the help of the county agent. Terraces will furnish a certain amount of drought insurance there, he says.

Helping two neighbors make 107 beds for early plants is the way Hazel McVay, a Wharton county 4-H club girl is making home demonstration work mean more to her community.

Thirty thousand poison baits have been put out for coyotes in Midland county in an eradication campaign with the county agent and U. S. Bureau of Biological Survey. Preliminary reports indicate a large kill.

In Delta county 260 home demonstration club women are making a study of clothing and are keeping clothing accounts in order to dress well this year on small sums.

Cooperative hog and cattle selling in Goliad county branched out to include turkeys last fall. Ordinarily a low market for turkeys, Goliad became one of the best markets in South Texas last fall.

The pit or trench silos that he county agent has introduced into Upshur county would pay its entire salary for many years according to Luis F. Boyle, supervising principal of Kelsey-Ench High School.

Records on 28 baby beeves on feed by 4-H club boys in Menard county show average daily gains of 2.4 pounds in 213 days — the best record in three years of feeding, the county agent says.

Mr. Milton Heath of San Angelo, candidate for District Attorney, was in Eldorado Monday meeting the people and soliciting their support in his behalf, while here made the Success office a visit and left an article for the paper. You will probably see more of Mr. Heath as time goes on he expects to visit this county several times in making the race.

Mr. Van McCormick, Mrs. L. Ballew and Mrs. J. W. Hoover were business visitors in San Angelo Tuesday.
