

# THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXIV

Eldorado, Schleicher County, Texas, Friday April 27, 1934.

No. 17

## School Bond Election Ordered May 19th.

PAGE—BRITTON

Mr. R. J. Page of Eldorado, Texas, and Miss Lillian Belle Britton, formerly of this place but had been visiting her niece, Mrs. Homer Day, of San Angelo, since November, were happily married Sunday, April 8th, at the Presbyterian Manse in San Angelo, Rev. Dr. B. W. Wood spoke the fateful words which united these two splendid young people, "death do thee part."

The groom is the son of Mr. and Mrs. Bert Page of Eldorado and is a splendid young man of sterling worth and integrity, and holds a position as bookkeeper for the West Texas Lumber Co.

The bride is well known here; born and reared here, and a member of one of our best families, the youngest daughter of Mr. T. B. Britton of this place. The groom is a lucky man to have won so great a prize, and home he has made for her.

Mr. and Mrs. Page spent a day or two here the guests of her father, Mr. T. B. Britton, and her sister, Mrs. H. J. Wilkerson, while on their honeymoon, and also visited relatives in Houston, Dallas, and San Antonio.

After April 20th they will be at home in Eldorado, Texas, where he has a position as bookkeeper.

The Tribune wishes bon voyage to this happy young couple for a long life of wedded bliss. —St. Augustine Tribune.

### YES — YOU'LL PAY

In a recent editorial on excessive taxation the Philadelphia Dispatch said: "If the rich are made to pay, the rich will find a way to pass the burden on down the line, so that in the end every penny of these burdensome taxes will be paid by the average man. He may not realize that he is paying it, because it won't reach him in the form of a direct tax. But he will pay it just the same, just as he has always paid it, and always will. He'll pay it in increased rent, in a surcharge on everything he eats or drinks or wears or uses. He'll pay it in reduced wages — He'll feel it for many a decade to come."

That old fallacy of taxing the rich to help the poor was never more dangerous to the public welfare than it is now. We as a people, have watched cities and states and the federal government appropriate and spend billions — and we've sat by and said nothing, thinking that none of it would come out of our pockets and that some of it might go in. We've been conscious of waste, of extravagance, of graft, of duplication of effort. We have thought that wealthy individuals or great corporations were paying the necessary taxes.

Unfortunately, there aren't enough wealthy individuals or big corporations to pay the cost of government. They can't meet even a small percentage of it. Over-taxing individual wealth simply drives it into tax-free bonds and takes it out of productive enterprise where it would provide jobs, payrolls, purchasing power. And when we over-tax business, we simply increase the cost of everything we use. Business has no magic means of creating money. Everything that adds to the cost of a commodity or a service, including taxes, must be passed on to the customer purchasing it.

Yes, the average man pays the bulk of the cost of all units of government. He bears the burden of waste and inefficiency. And he is the one who by united action, can cure an intolerable condition that menaces recovery.

Mesdames D. E. DeLong, A. J. Roach and W. R. Nicks visited in San Angelo Thursday afternoon.

The Eldorado School Board ordered a bond election at their meeting Monday night, in the amount of \$75,000.00, of which \$29,000.00 will be used to pay off all the old bonds and the remainder will be used to erect a new building. We understand that there will be no extra tax voted to retire these bonds, the district has already voted a dollar tax and it will not be necessary to go over that to meet the tax on the new bond issue. Anyone who is in touch with the school knows the need of the extra room and when the school board can get it with no additional tax then why not vote the bonds and give them the right to erect the building and we believe the people will vote the bonds. The election is called for May 19th.

**OUR PRICES**  
Cars Washed ..... 75c  
Cars Greased ..... 75c  
Flats fixed ..... 25c and up.  
Complete Battery Service.  
Humble Gas & Oils

**WEST TEXAS SERVICE STATION**

**MAYOR DAVIS REMAINS IN SERIOUS CONDITION**

Mayor Davis of our city who has been in the Shannon Hospital for the past ten days is reported to be in a serious condition yet. He was thought to be improving the first of the week but much time will be required to regain his strength and improvement will be slow.

**RAYMOND HAMILTON CAPTURED**

Raymond Hamilton, escaped convict and bank robber, was captured Wednesday after he had robbed the bank at Lewisville, Texas, his capture was near Sherman about two hours after he had robbed the bank. He offered no resistance, another boy was taken with him. Hamilton said he got the boy off a train, the young man said it was his first time to be arrested.

Mrs. Josephine Sheffield of Bangs is now assistant post master in the local post office, coming over last week.

LOST on the streets of Eldorado a Gold Locket with chain, finder please notify Isabelle McCutcheon.

Mr. Will Smith of Abilene, was here Thursday visiting his cousin Mrs. D. E. DeLong.

## Ozona Retrieved Victory From Station A.

Ozona defeated Station A Humble Oilers Sunday 3 to 1 to even the count with the Oilers. Ozona scored in the second when Wade doubled followed by a single by Montgomery. They scored again in the eighth on a bad throw to second by Paul McLeod and a fluke hit to right field by Weaver. Station A lone marker came in the 9th when Motley reached first on an error by F. Russell, stole second, and scored on Paul McLeod's hit.

Ed Ratliff held the Giants to 3 hits while the Oilers garnered 7 off the deliveries of Weickline and White. The Ozona club obtained these pitchers from San Antonio of the Texas League. The tie will be played off at Ozona next Sunday.

**R H E**  
Station A 000 000 001 1 7 3  
Ozona 010 000 020 3 3 4  
Batteries for Station A Oilers: Ratliff and McLeod; For Ozona: Giant, Weickline and White, Andrews.  
Umpires Cox and Pittman.

## NEW GAMBLING HIGH

State Takes \$87,493 Off Arlington Bets  
Austin, April 24. — Horse race wagering in Texas touched a new high during the Arlington Downs spring meet which ended Saturday, figures announced today by the Texas racing commission showed.

The state received \$87,493 in taxes from \$3,499,712 wagered in 21 days of racing. The track take was \$349,971. Bets on races Saturday, the closing day, yielded the state \$10,921 in taxes, a record for one day's wagering.

State taxes on wagers placed during a 21-day spring meet at Epsom Downs at Houston totaled \$66,186. The fall meet at Arlington Downs yielded the state \$22,368 but an increased tax became effective last January. — San Angelo Morning Times.

## SAN ANGELO STANDARD PUBLISHING 50th ANNIVERSARY EDITION

The San Angelo Standard Times is publishing its 50th anniversary edition of 50 or 60 pages on May 3rd, and it will carry much history of this section of Texas. Anyone here that would like extra copies of this edition should place their orders in advance. The Success will place your order for you.

## U. S. NAVY MOVES THROUGH PANAMA

The 111 big vessels of the United States Navy, passing through the Panama Canal Wednesday, or rather completed the passing. The fleet was 36 hours passing through. The fleet will proceed to New York where they will be reviewed by President Roosevelt.

Heavy guards of soldiers patrolled the locks during the transit, and a small force will remain there.

Believed to be the largest and heaviest 4-H club litter of pigs ever exhibited in Texas, Anna Lee Poe of Oldham county raised and showed 13 Duroc Jerseys at Amarillo this spring. The litter weighed 3020 pounds at exactly six months of age.

What a small bit of rented cotton land can do toward living at home was illustrated last season by Mrs. J. H. Hitchcock, Laneview, Ellis county. From 25 cents' worth of pinto beans 9 bushels were gathered and 118 quarts of snap beans canned.

W. J. Caley, Brooks county dairyman, is in favor of the proposed dairy reduction program of the AAA but his cows have different notions. In two weeks in March they dropped Sheffer calves.

## Fifth Monday Missionary Program.

The following Fifth Monday Missionary program will be rendered by the Baptist Missionary Society at the Methodist Church Monday April, 30 at 3 o'clock p. m.  
Song — Blessed Be the Tie that Binds.  
Prayer — Mrs. A. E. Kent.  
Song — Standing in the Need of Prayer.  
Playlet — "Poor Fabian's" by Baptist Missionary Ladies.  
Closing Prayer — Mrs. J. A. Whitten.

## ALEXANDER NEWS

M. H. Casey and family went to the bedside of his son Buddy at Valley Springs Saturday. Buddy was injured when a horse fell with him and his condition is critical.

Mary Cloud visited Christalla McAngus Friday night and Saturday.

Joe and Festus Parson and Newt Chambers were seeing the sights in Eldorado Saturday.

Mr. and Mrs. W. F. Edmiston were visiting with Mr. and Mrs. Will McAngus Sunday.

Roy Andrews and Clyde Galbreath were in Alexander Saturday.

We had another nice shower last week, some hail with it, but no great damage done.

Mr. and Mrs. J. B. Christian, Mr. and Mrs. Ed Davis and daughters were visiting W. E. Baker Sunday afternoon.

Sam Roberts returned Tuesday from Arlington Downs where he witnessed some of the races. He reports a large crowd at the show and says he knows they were there for the stepped on his toes.

Dr. L. J. Moore made a business trip to Dallas last week.

W. J. Burnos was trading and visiting in the city Saturday.

## Woman's Federated Clubs Sponsoring Picture Show

Today is Woman's Day Benefit Movies over the state for Federated Clubs. 25 per cent of Thursday and Friday Nights proceeds at the Lone Star Theater will be given these clubs of Eldorado.

The picture for tonight is "The 9th Guest." The Ladies of these clubs will appreciate your patronage.

The Clubs sponsoring these pictures are the Woman's Club and the Self-Culture Club of our city.

## ALEXANDER HOME DEMONSTRATION CLUB

Use a mild soap or soap flakes to wash your hides" said Miss Howell to Alexander club members at Mrs. W. E. Baker's Friday April 20.

A snesp hide was used in the demonstration it was washed in four suds and rinsed. The dye had been dissolved in hot water and the hide was next put in this tub of dye which was warm and the hide was squeezed and worked very much as you would a woolen garment in washing. After it had taken up a sufficient amount of dye it was ready to be put in the first part of the tanning solution for six hours and then it was to be put in the second part for seventy two hours.

Five regular members were present. Mrs. Will McAngus was a new member and Mrs. Mae Wall of San Angelo was a visitor.

Agnes Wright daughter of the Success Editor and wife underwent a major operation at the Rush-Schulkey-Wall and Windham Clinic at San Angelo, Monday morning. She was reported doing well as we go to press.

**Salesman Wanted:**  
Man wanted for Rawleigh routes of 800 families. Write immediately. Rawleigh Co., Dept. Tx-188-SA Memphis, Tenn.

## Eldorado Citizens Sight U. S. Macon Saturday

The giant U. S. Macon, the Navy's dirigible was sighted by most all Eldorado Saturday, as the large Airship was speeding to Florida from its base on the West Coast in California. The large ship carried about 100 men and was following the Old Spanish Trail through West Texas. The ship could be seen plainly although it was at nearest point to our city about 22 miles. It was reported to be making about 80 miles per hour and it could be seen in the air from our city some 30 or 40 minutes, it finally faded from view in the east getting to Austin about 8:00 o'clock. It was reported to be flying about 3000 feet high in perfect condition.

Here to fore the passing of the large Army Dirigibles have been farther to the north of us, except one time the large Akron during a storm passed over Eldorado at night going West to California.

## LIONS LUNCHEON

The Lions Club met in regular luncheon Wednesday with about ten of the Grammer grade children rendering the program, which was enjoyed by all present.

Miss Annice Putman was a visitor in interest of the new Garden Project that the Government is trying to put over. She was soliciting the aid of the Lions Club in trying to secure water for the project. The government furnishes about \$100. for seed and some labor, part of the labor will be taken in vegetables. Several plots of ground have been offered. She also reported that she thought the club might have assistance on the Air port project and the committee are to make necessary application for the aid and secure a lease on the ground to be used for the field.

Lion L. M. Hoover who was elected president of the club at last meeting resigned and the committee will nominate another at next Wednesday Luncheon.

Mrs. F. B. Gunn came before the meeting announcing the Woman's Federated Club Program at the Lone Star Theater Thursday and Friday nights explaining the purpose of the ladies sponsoring the show.

Mr. and Mrs. Van McCormick and son, Mr. and Mrs. Lewis Ballew and daughter, Mr. and Mrs. Lyonelle Ballew and Mr. and Mrs. G. L. Ballew and family attended a birthday dinner and reunion for Mr. J. T. Ballew Sr. of San Angelo, Sunday.  
Mr. Ballew celebrated his 66 birthday.

See Deacon Dobbs, in person of Glenn Ratliff, on May 9th, given in the interest of the Boys Band at Lone Star Theater. (adv)

Miss Elnora Andrews, playing Phillipin o Popover, in the play May 9th, at Lone Star Theater, will bring smiles and laughter along with Deacon Dobbs. (adv)

In Jones county the Expansion Committee of the county home demonstration council reports having helped 53 families can beets last winter, and having helped 11 families in making their clothing.

## Senior Play MAY 5TH

The Senior class will present its annual Senior Play "The Family Upstairs" by Wolf, published by French and Company, on Saturday night, May 5 at eight o'clock sharp, in the High School Auditorium.

The cast has been definitely chosen for some time. Due to a shortage in girls in the Senior Class it was necessary to substitute two Junior girls and one Freshman girl.  
The cast is as follows:

Mr. Heller	W. B. Gibson
Mrs. Heller	Anna Ruth Spurgers
Annabelle Heller	Johannie Fern Isaac
Louise Heller	Aurora Willis
William Heller	James Page
Charles Grant	Arnold Farrington
Mrs. Grant	Celeste Tisdale
Herbert Grant	Glenn Green
Miss Callahan	Mary Lee Davis

"The Family Upstairs" is a comedy which involves about an ordinary tenement family. The mother, Mrs. Heller, is over-anxious to marry off Louise, her oldest daughter. Complications arise when Mrs. Heller puts on airs and exaggerates to attract Charles Grant, the suitor for Louise. In the same fact, the true marriage affair is shut out and the true family is at out.

Through the ingenious methods of Mr. Heller, Louise's father a reconciliation is brought about and of course Louise Heller gets her man.

You will certainly enjoy this comedy of domestic complications because of its stark reality, its true portrayal of character, and its intriguing plot.

The admission will be 10 cents for children and 25 cents for Adults.

The Senior Class invites you to a rollicking comedy and will appreciate your patronage.

Mr. and Mrs. V. G. Tisdale spent Wednesday and Thursday visiting Mr. and Mrs. Louis Tisdale.

Haywood Joiner of McDade, Texas, was visiting his brother at Station A the first of the week also visited his cousin Mrs. Ed Ratliff of Eldorado.

Marion McDonald was in from the ranch Saturday meeting friends and trading.

Mrs. W. R. Nicks, Mrs. O. E. Conner and Mrs. Ed Ratliff visited in San Angelo the first of the week.

April 27, 1934

With warm weather that is now prevailing, the farmers of Schleicher County are now planting their feeds and cotton.

When we came to Schleicher County many years ago, we had no idea that a Navy Ship would ever sail over our way, but we have lived to witness two large ones in this vicinity, however they were in the air, but what difference does it make if they are sailing whether in the air or on water.

Now we have compulsory cotton control made a law, but to our judgement it is not Democratic, but it has almost come to a time when we do not understand democracy, may those young democrats can clear the way.

Our Eldorado debaters who went to Abilene Saturday, did not win first place there but tied with Santa Anna for second place. W. B. Gibson and James Page were our representatives, and made good ones.

Saturday was San Jacinto Day and it should be Texas largest Holiday, but for some means we have never in this section of the State learned to celebrate. 98 years have passed since the little band of Texans defeated Santa Anna known as "Napoleon of the West." His surrender to Sam Houston gave Texas her independence from Mexico. Texas has lived under several flags and is more than one-twelfth the United States, it has a gross area of 265,895 square miles; it is 760 miles from north to south and 740 miles from east to west at its longest points, yet it looks like we are not large enough to hold our Centennial Celebrations in 1936. We have more wool, cotton, sheep, cattle, mohair and more governors than any state in the union, yet we let our anniversary pass silently by and threaten to pass up our 100 anniversary just assent.

Righteousness and patriotism seems to be waning in our beloved Texas and Nation, lets get back to where our word is our bond.

The Garden of Eden the most

beautiful spot on earth was where Adam committed his sin. But it can now be said of Winters in Runnels County, it is the Garden of Eden of Runnels, it voted overwhelmingly to remain dry in last Saturday's election. Winters is a prosperous little city where good crops always abound and where the people do not believe in selling the souls of the people for a few dimes in taxes on beer. They do not believe that beer will assist the people in a lively hood and will not raise the moral standards of their people by permitting its sale for a small tax. We trust the serpent will never beguile those good people and that they will always be the Garden of Eden that will meet the approval of God when he walks among them in the evening time and they will not have to hide their face from his presence.

C. O. Bruton, cotton grower and cotton buyer was a business visitor in the city Saturday.

W. T. Whitten was in from the ranch Tuesday and reports that some kind friend came along by his ranch and borrowed a part of his harness without mentioning it to him. We guess Clyde Barrow did it.

## TEXAS INDUSTRIAL ACTIVITIES

Among the unusual industrial plants of Texas is one that extracts sulphur from natural gas, another that using the same raw material manufactures fertilizer; a third slaughters decrepit horses and turns their meat into chicken-feed; a fourth manufactures charcoal sticks for artists (the only other similar plant known is in Paris, France).

The mineral water crystal business is relatively new in Texas, but is annually producing a couple of million dollars worth of merchandise.

In no known deposit of polyhalite in West Texas is a staggering value in commercial potash with development a matter of only of time. That development will add millions of dollars to the wealth of Texas from its mineral resources.

The manufacture of starch from sweet potato culls by a process recently evolved by Department of Agriculture scientists offers possibilities in a state like Texas which produces millions of bushels of that crop annually.

American Lubricator Co., Dallas; Fried Novelty Co., Houston; Jolly Box and Crate Co., Pharr, are new manufacturing corporations recently chartered.

The Abilene Chamber of Commerce staged a very effective trade festival March 15-17 with a highly creditable exhibit of manufactured products an interesting part of the show, participated in by manufacturers from Abilene and other cities. Twenty-five booths with attractive displays of Texas-made goods made up that section of

## RECKLESS WALKERS

Are you a safe walker? If you can't make an honest answer in the affirmative your life and health is literally in peril.

Last year automobile-pedestrian collisions accounted for 37 per cent of the 756,000 accidents which occurred on the streets and highways of this country. Deaths resulting from such accidents comprised 45 per cent of the total of 29,500 fatalities. In other words, pedestrians were involved in more than a third of all traffic misadventures — and the chance of fatality was greater than in other types of accidents.

Pedestrians crossing in the middle of the block proved the most hazardous — that caused 31 per cent of the fatalities. Careless walking on highways was responsible for 17 per cent. Children playing in the street came to 13 per cent. Walking out from behind parked cars into traffic accounted for 11 per cent, with the balance of 28 per cent laid to miscellaneous causes.

The careless pedestrian is a menace just as is the careless driver — but he receives less attention. Crossing against signals — playing hide-and-seek with parked cars — walking along rural roads with back to oncoming traffic — these are some of the surest means of courting death. Think over your walking habits and correct them.

## Texas Lady Tells How Black-Draught Laxative Helps All Her Family

Here's how Black-Draught fills the needs of a family laxative in the home of Mrs. J. S. Stoker, Fort Worth, Texas: "The grown-ups in my family," she writes, "have always taken powdered Theodor's Black-Draught for biliousness, headaches and other ailments (due to constipation) and found it a reliable remedy. I was very pleased when I saw Syrup of Black-Draught advertised. I bought it and gave it to my little daughters, ages 6 and 4. They needed something to cleanse their systems and Syrup of Black-Draught acted well. . . . Your druggist sells this reliable laxative in both forms. "Children like the Syrup."

## ANNOUNCEMENTS

We are authorized to announce the following persons for office subject to the action of the Democratic Primary July 31st, 1934.

ELDORADO, TEXAS.

Miss Fannie Hardt from Paint Rock is visiting friends in Eldorado this week. Miss Hardt is the daughter of Rev. and Mrs. J. D. Hardt former pastor of the Methodist church here. She has spent three years in Southern Western University at Georgetown.

## EDITORIAL

### Public Officials' Indifference.

It would seem natural that no group of Texans would be more concerned with industrial development of Texas than the public officials and, generally speaking, they are. But every now and then there occur instances in which public officials show either indifference or downright antagonism to Texas products.

At Dallas recently the City administration placed an order with an envelope manufacturer of Virginia because it gave a 3 per cent discount instead of the 2 per cent offered by at least one Dallas concern, which claimed that under the maximum discount allowable.

Two Dallas envelope factories support probably 100 Dallas families, pay several hundred dollars city taxes annually, and contribute to the industrial and economic upbuilding of their home city and of Texas.

At Lubbock more recently, over the strenuous opposition of a minority headed by John W. Carpenter, president of Progressive Texans, Inc., the board of regents of Texas Tech awarded the brick contract for a new building to an Arkansas brick plant over the competition of several Texas brick concerns. The minority was able at least to defer action on the purchase of furniture, which they contended, price and quality being equal, should be given to Texas furniture makers.

This short-sighted private citizen may contend that he has the right to buy where he pleases.

## Draughon's Business College

SAN ANTONIO, TEXAS

More than forty years of Honest Business Dealings has won Draughon's Business College in San Antonio unquestioned supremacy in Business Education. The proof of their popularity is in their steady increase in enrollment, and the exceptionally high standard of students found in the class rooms. Draughon's Business Administration and Secretarial courses have won the consideration of every thinking student.

Draughon's have a plan whereby worthy boys and girls from out of town may earn room and board while attending school.

Call or write Draughon's Business College in San Antonio. It's spelled D - R - A - U - G - H - O - N - S. If interested, return today.

### WHERE ARE YOU GOING TO SCHOOL

(From Boys' Life.)  
A question which will frequently be asked of seniors who are soon completing their high school work will be, "Where are you going to school next year?" Not all of the senior class will attend college next year but all will go to some school, either college or else the great school of life or experience. There are two things which you should have received while still in high school.

1. Ability to carry your studies without too much difficulty, and get good marks.
  2. Ability to get along, in a creditable manner, on your own.
- High school conditions in many ways duplicate conditions found in college and in life later on. The individual cannot receive too much help but must depend largely upon themselves. The larger universities have shut down more and more upon applicants who did not graduate in the upper half, or even quarter of their high school senior class. Those who merely get by in high school will likely be unable to pass in college, it has been found.

The business of getting by means more than merely passing in your studies. It means that you must be able to save your money, use your time in the proper manner, go to bed on time and get up promptly and that you do your work on time without someone making you do so. You must be able to resist the temptation of having a good time at the expense of neglecting your work. The pupils who have made good in high school have a good chance of making good in college and in life.

E.—H.—S.  
"The value of an education increases every year. Young people who compete with others of their own generation must travel a rough road indeed if their training (planned education) has not been taken seriously."

### TENNIS MEET HELD

BY E. H. S.  
Charles Ratliff

A tennis meet will be held here Saturday 28, starting at 9:00 A. M. at the high school tennis courts. The schools that will probably be present are: Ozona, Barnhart, Mertzion, Menard, Junction, Rock Springs and that will be given. A cup for the winner of the singles and one for the winners of the doubles. Joe Hext will play the single matches and Jack Hext with him in the doubles.

### ONE MONTH MORE IN HIGH SCHOOL

By Dee DeLong

The question for debate now between the members of the Senior class who are not to be exempt, is resolved that we will pass final exams. Much material is being gathered so as to prepare our debates which will

be presented in three weeks. Most all of the Seniors who are having to take exams are reviewing for them now. (I expect from the recitations, they will need all the information they can cram in.)

All of the Seniors look forward to the vacation which we will receive in this coming month. Although the vacation will be short for those who go to summer school, it will be enjoyed by all of the Seniors.

### BOYS' DEBATING TEAM

By Gene Koy

The Boy's debating team this year are W. B. Gibson and James Page. The team have debated 14 times this season. The teams they have debated against are:

Town Team, won first; Lost second; Ballinger, lost; San Angelo, unjudged; Santa Anna, won; Abilene, lost; Christoval, 2 unjudged; San Antonio, 2 unjudged; Ballinger, won; Iraan, lost; San Angelo, won; Eden, Total, won 5 debates and lost 4 and 5 unjudged.

### SENIOR PLAY MAY 5th.

E.—H.—S.

The Senior Play has been postponed to May 5th. Interference of Interscholastic League work has prevented the cast from working. The title is "The Family Upstairs" which is a comedy with some romance. It is expected to be an excellent production and well worth your money so come along and bring the family and help the talented senior make this play a great success.

### ASSEMBLY FOR LAST WEDNESDAY

E.—H.—S.

The assembly program was put on by the students of the sixth grade and consisted of two patriotic plays of early Texas History with the audience singing "The Eyes of Texas" and "Texas Our Texas". This was something new in programs and was enjoyed immensely.

### JOKES

E.—H.—S.

Clemens Sauer was going on an excursion to New York. He asked the agent for a round trip ticket and handed him a ten dollar bill.

"Change at San Angelo," said the agent.

"No jokes, now," retorted Clemens, "I want my change now."

Pancho: "Oh, heck! I left my watch upstairs."  
John: "Never mind, it'll run down."

Pancho: "No, it won't there is a winding staircase."

Judge: Occupation?  
Mr. Cooper: I was a diamond cutter, your honor.

Judge: A diamond cutter.  
Mr. Cooper: Yes sir, I did cut the grass on the baseball diamond.

In the future when a fly walks over Mr. Holt's bald head with her daughter, she will probably say:

"How things change, my dear, when I was your age this was only a footpath."

Bill: "What's this, bought a saxophone?"

Richard: "No, just borrowed it from John I."

Bill: "What for, You can't play it."

Richard: "Neither can he while I've got it."

Jack Shugart: "I've changed my mind."

Coach: "Fine. I hope this one works."

E.—H.—S.

### SPRING FOOTBALL PRACTICE

By Milton Spurgers

Last Monday, April 16, spring football started. There were about twenty-six starters out. Five of them from grammar school that have never come out before and six from high school that have not come out before, making a total of eleven new men. The team as a whole so far is expected to be better than last year's team. It does not weigh too much more but has more substitutes to pick from.

The practice has so far been about right. No one seems to be over-worked. Those that did not come out during track season seem to get out of wind pretty easy, but they will get out of that.

We hope that next fall the team is still as big as it is now and that it will prosper as it has been the last year.

E.—H.—S.

### HOW E. H. S. STUDENTS CAME OUT AT THE REGIONAL MEET

Eldorado High School was represented at the Regional Meet at Abilene last Saturday by a debating team, a typing team and one athlete. The debating team composed of W. B. Gibson and James Page tied for second. The typing team composed of Helen Stanford, Maxine Wilton and Johnnie Fern Isaacs won second as a team and Helen won fifth individual honor. They were beaten by Abilene team which is the strongest in the State. Abilene won the National Contest last year.

Bill Smith, the athlete, placed fifth in the 440 yard dash. He had some very stiff competition but he expects to let somebody else see the race next year.

**DRINK WATER WITH MEALS GOOD FOR STOMACH**  
Water with meals helps stomach juices, aids digestion. If bloated with gas add a spoonful of Alerika. One dose cleans out poisons and washes BOTH upper and lower bowels. L. M. Hoover, Druggist.

Mrs. B. F. Jones was in the city Saturday from the ranch she was accompanied by her daughter Mrs. W. A. Schueller and Mr. Schueller.

Warren Marshall principle of the Reynolds School was in the city Saturday trading and shaking hands with friends.

**Kept Taking Cardui Until She Got Rid of the Severe Pains**  
When Mrs. Ida Hege, of Edinburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much pain. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains."... Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

# GULF WINS MORE "HILL TESTS" THAN 32 GASOLINES COMBINED

Will your car have more power on any one gasoline? HERE'S YOUR ANSWER...  
Gulf tested a total of 33 gasolines on famous American hills—12 hills in localities from Massachusetts to Georgia—and here is what they found...  
The power of different gasolines varies widely! And of all 33 gasolines, Gulf is uniformly best. 7 out of 12 times, it propelled a car and load up mountain grades farther than any other gasoline tested!  
It won more hill tests than 32 other gasolines combined! Prove it! Drive into a Gulf station, fill up, and test the power of That Good Gulf for yourself!

**HOW 33 GASOLINES RANKED (IN ALL TESTS TO DATE)**

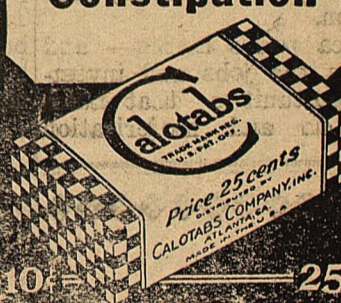

All gasolines tested, except a few "third grade" brands, sold for approximately the same price as That Good Gulf. Each brand is denoted by a letter.

## RED CHAIN Egg Mash

A fair feeding test of RED CHAIN is the best way to clear up conflicting claims about egg mashes...Talk is cheap--and anyone can find nice words in the dictionary. On paper most feeds claim "more eggs at less cost"--but RED CHAIN actually does what others claim to do! Don't buy your egg mash for what it does on paper--buy it for what it puts in the egg basket...Feed RED CHAIN to your own hens and see the difference between claims and results. It is the unequalled quality of RED CHAIN Egg Mash that makes it the cheapest egg producer--regardless of price.

**DON'T SCUTTLE THE PAST.**

Perhaps the greatest danger we face in building for the future is that we may forget the traditions and heritages of the past.

Under the stress of enthusiasm for a new idea, a plan, a cause, it is easy to throw overboard. Because we feel strongly concerning abuses and inadequacies that have appeared in the existing system, we are likely to correct them in a manner that will not only do away with what is bad, but with what is good as well.

This is especially applicable to this country at this time. Great changes are underway. The intentions of those who are behind them are undoubtedly of the best. It is the desire to safeguard against the potential depressions of the future — as well as to bring recovery now. We are seeking a permanent, balanced social and economic order that will provide greater opportunities for the masses of the people.

The danger lies in the possibility that in seeking this, the American tradition of individualism and freedom will be destroyed. Signs of the growth of fascism and socialism in America are increasing. Responsible observers believe the menace of dictatorship cannot be exaggerated. Simple democracy, which gave businesses and individuals the full chance to work out their destinies, is languishing.

There can be great progress within the fabric of the American best witness to that. Change that forgets or ignores that tradition could easily do grave harm to the common welfare. — Industrial News Review.

**A NEED — AN OPPORTUNITY**

The greatest potential business development in this country today is that of building, equipping and furnishing better homes according to the American Builder.

Recent official surveys show that millions of Americans live in homes without plumbing of any kind — without kitchen sinks, running water, indoor toilets or bathtubs. Rural homes are particularly bad in this respect — lack of modern conveniences and comforts is the rule in many sections, rather than the exception. And more than half of the entire population of the nation lives in houses that do not meet the accepted requirements for a decent level of living.

Here is a great need and a great opportunity. It's not only an opportunity for raising the standards of housing, but for providing jobs and payrolls, for stimulating a thousand industries for putting money into circulation.

America needs homes — and she needs the jobs and investment opportunities that home construction and modernization

**A MINUS AND B PLUS**

An article in Public Service Magazine points out what is happening to two classes of our citizens under present governmental policies.

Citizen A has saved some money. He decides to invest it in sound, conservative business enterprise, and finally selects securities of several representative utilities. He believes in the future of the power industry, knowing how vital an influence it exerts on American life. His investment brings him a reasonable return — and as he reaches middle age he depends more and more upon it to maintain his standard of living.

Citizen B has also saved some money. He was originally a farm boy, who migrated to the city. He feels the yearnings for the soil again, — and returns to the old farm where he puts his money in various improvements and additions.

What is happening now to those citizens — both of whom are honest, industrious and foresighted, and both of whom put their money in genuinely productive enterprises of different types? The answer presents a strange picture.

Citizen A is literally faced with the loss of his savings. The federal government is building tax-free, subsidized competing electric plants. States are ordering utility rate reductions, when prices of all kinds are rising. All forms of government are levying heavier taxes — and in the case of the federal three per cent gross earnings tax, the company (A and fellow citizens who securities with him) is not allowed to include it in the bills sent to customers.

As for citizen B, the government is paying him to kill hogs plow under cotton and wheat. To do that it is collecting a processing tax from A and other taxpayers. It is forcing up the price of the things B sells and A, with his depleted income, must buy.

Think that comparison over. It requires no comment. And it reveals a situation that is directly opposed to investment, employment — and recovery. — Industrial News Record.

Cash payment in the form of Government checks totalling \$30,230 will come to 144 Ochiltree county farmers this year who signed corn-hog reduction contracts, the county agent estimates. They are taking 2015 hogs off the market.

will provide.

When the boom starts, costs are going to rise and rise fast. Supplies and materials and skilled labor will, as compared with present levels, be at a premium. The wise property owner, by building and repairing now, can spur recovery and, at the same time obtain a genuine bargain for himself.

**MR. T. B. BRITAIN DEAD**

Mr. Tom Britain suddenly slipped away from the walks of men Saturday morning at 6:15 o'clock, at the home of his daughter, Mrs. H. J. Wilkerson, with whom he had made his home for the past five years. He was born May 30th, 1863 in Shelby County. In 1886 he was happily married to Elizabeth Cash of Patton, and to this union ten children were born, two dying while in their youth, and one in 1918 of flu-pneumonia.

About seven years ago Mr. Britain had a stroke of paralysis and another a few months later, and since that time he has been in failing health, and yet when the end came it was a shock. Mr. Britain was not a member of any church but always supported and believed in the Baptist doctrine. His good wife preceded his death some 17 years ago, and he was both father and mother to the children as he never married again, and spent his life in unselfish effort for the children and their good, and to them he leaves a rich heritage if they will follow his teachings. And when the Great Day comes, they will arise, and figuratively speaking, to receive his eternal reward.

We have heard so many speak of the real hospitality in his home of earlier days when travelers would receive lodging free of charge in the home of this splendid character. While his health permitted he took an active part in the affairs of men and stood four square for what was right, his health failed and was in the evening of life, he would listen to all the programs over the radio. Many times he said "I'm ready to answer the roll call."

The funeral services were held Sunday afternoon at 3 o'clock in the Baptist Church, Rev. Russell Smith, a Baptist Minister of the city, and Rev. Ball, Pastor of the Methodist Church, conducting the funeral services. Bro. Bass, the Baptist Pastor was out of town.

He leaves seven children, two grandchildren and three great grandchildren to mourn his untimely demise. They are as follows: Mrs. H. J. Wilkerson and Bernard of this city; Laurie of Center; Frank, of San Antonio; Elzie, they do not know of his whereabouts at present; Mrs. Homer Melton, Houston; and Mrs. R. J. Page, Eldorado. Grandchildren: Mrs. Homer Day San Angelo; and Mr. William Creech, of this place. Great grand children: Homer, Jr., and James Walton Day; and Miss Dolores Creech.

Peace to the ashes of his noble spirit and the profoundest ones in this their dark hour of sorrow. His remains were interred in the City cemetery by the side of his faithful companion who had waited his coming 17 years. — St. Augustine Tribune.

**THE COUNTRY WOMAN'S CLUB**

"Hides that are to be tanned should be thoroughly washed in at least three suds of warm water using a very mild soap" said Miss Howell, Schleicher county Home Demonstration agent to the country Woman's club at the home of Mrs. B. E. Moore, Wednesday April 18.

Miss Howell gave a demonstration on tanning and dyeing hides. A young goat hide being used. Young hides are the best Miss Howell said and Diamond dye should be used because it is a wool dye.

Members present were Mesdames Truett Stanford, Wanda Parks, Gordie Alexander, Paul Nixon, Bill McSwain, Ovid Wade, Hugh McAngus, Claude Alexander, L. Kent, Marion Wade, T. H. Alexander, Miss Emma Nixon and one new member Mrs. Myrtle Winters.

Guests were Mesdames C. C. West, J. H. Booth, Hensel Mathews, Will Leudecke and Misses Margaret Williams and Opal Leudecke.

Refreshments of doughnuts and punch was served. The next meeting will be with Mrs. Paul Nixon, yard demonstrator.

Reporter.
