

THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXIII

Eldorado, Schleicher County, Texas. Friday March 24, 1933.

No. 12

Prohibition Organization Set Up

The citizens met at the Baptist Church Monday night and heard the report on the nominating committee a week before, and elected J. L. Ratliff as County Chairman and W. O. Alexander as Secretary and Treasurer of the organization.

The Chairman will at a later date appoint some other committees to do some work, in forming a strong organization to see that this County and Texas remains in the dry columns when the state election comes off in 1934, or when it does come off. Most of the present work of the organization will be on the educational line and in touch with the state organization, getting in preparation for the state wide campaign next year.

BOY SCOUT JAMBOREE

The Spring Jamboree of the Concho Valley Council Boy Scouts will be held the afternoon of April 21st and Saturday, April 22nd.

The Jamboree will be held again this year in the Log Cabin Village at San Angelo, and all of the Troops of the Council will set up model Troop camps, do their own cooking, and camp out for the two days. On Saturday, contests will be held in signaling, First Aid, knot tying, fire building, cooking, and ten other subjects of Scoutcraft. Awards will be given to the winning Troop in each event, and the grand award will be given to the Troop scoring the most points for the two days.

Troop 20 of Junction won the grand honors at the 1932 Jamboree. The competition is expected to be very keen this year because several Troops have been training all year for the 1933 Jamboree.

The Executive Board of the Council at its March meeting created two types of Council memberships for Troops, and only Troops who are on the Active List will be eligible to compete in the Jamboree.

We want at once 23 boys to complete our troops. Thirty two boys make a full troop and at our first meeting two weeks ago we had six boys, all of whom registered. At our next meeting, a week later, we had three recruits—making nine in all at present.

We hope at our next meeting, which is Thursday night to have eighteen members, and would be glad to have more.

Through the kindness of the Methodist people we are meeting at the Methodist church and

Giuseppe Zangara Electrocutted

Giuseppe Zangara, who wounded Mayor Cermak, from which he died, was electrocuted Monday in Florida for the crime. Cermak lost his life when Zangara tried to assassinate President Roosevelt.

Zangara was an Italian by birth but a citizen of the United States by adoption.

METHODIST CHURCH SERVICES SUNDAY

Every one is cordially invited to attend the services at the Methodist Church Sunday.

Sunday School at 9:45 A. M. Morning worship at 11 A. M. Subject: "How Much Do We Want?"

Evening service at 7:45. Subject: "The Story of the Young Man Who Swapped His Chance in Life for a Bowl of Beans."

A welcome awaits you.

Rev. W. H. Marshall.

will continue our meeting there until our recruiting is over. Then we will move to the Fair Grounds, where we will have very lovely quarters.

We are anxious to complete our first troop of boys at once in order that all may work together completing their examinations; in order to be ready to receive their badges at a public meeting which we are preparing for this special purpose.

We are so sure that Scouting will be helpful to our boys that we are giving all of our time that is possible to assist in not only their organization but the carrying on of the work of the Boy Scouts in Eldorado, and we ask that the boys call on especially myself and our Brother Marshall at any time we can be of assistance in any way to them.

We earnestly request the hearty cooperation of the parents as well as the boys in making this work what it should be in our community.

We had at one time a splendid troop in Eldorado and we see no reason why we should not have another equally as good.

The names of the boys now enrolled are as follows: Jim Edgar Sample, R. L. Sample, Tommy Wiggins, Chas. Ratliff, Glenn Parker, Jack Rape, John Thomas Ballew, Pancho Bradley and A. J. Friess.

We are meeting at eight P. M. and spend one hour so be present on time otherwise you might miss a lot of fun, as well as instructions.

J. A. Whitten, Member Committee.

E. O. Oglesby Reports Wool Selling At 15c

E. O. Oglesby was in Eldorado Wednesday and reported that about 100,000 pounds of wool had been contracted at Menard at 15c per pound before it was sheared. Mr. Oglesby represents the Co-ops and is one of the best posted wool men in the state and his statements were well received in this County. He urges the sheepmen not to sell too hastily.

TRUSTEE ELECTION

There will be an election Saturday April 1st, to elect two trustees, to take the place of W. R. Nicks and W. J. Luedcke, who's time will expire. It is always customary to give an officer a second term so names will appear on the ticket, but if you so desire you can vote otherwise.

CONE JOHNSON PASSES THIS LIFE

Cone Johnson one of Texas' greatest figures has passed to the world beyond. Mr. Johnson has probably done as much for Texas as any other living man. His stand for moral rights were always strong and because he lived that clean life he incurred a following against him from the lawless liquor followers, that never gave up the fight. Mr. Johnson served his state well and with honor.

A. T. WRIGHT JR. ENDS COLLEGE BOXING

A. Taylor Wright, Jr. of Eldorado, has finished his College Boxing in the Naval Academy, last Saturday night week at Syracuse. He has been captain of the team this year. He has just lost one fight in his three years varsity boxing. A. T. Jr. graduates in June.

He graduated from the Eldorado school at 16 years of age, spent one year at the A. & M. College of Texas, and is finishing his fourth year at the Academy. If he isn't retained by the Government he will be given a degree in June.

Lions Club Elect Officers

The Eldorado Lions at their regular Wednesday Luncheon elected the following officers for the ensuing year. R. D. Holt, President; W. H. Jarvis, Vice-President; W. N. Ramsay, Secretary-Treasurer; W. T. Whitten, Trustee; J. C. Carr, Lion Tamer; J. Campbell, E. C. Hill and Don McCormick Directors.

Alton Page from the Eldorado High School was present on the entertainment committee and sang three songs for the club.

PARENT - TEACHER NOTES

The Parent - Teacher Association met Tuesday afternoon at the school auditorium with Mrs. R. D. Holt, President presiding. The attendance contest was won by Grade 3a, which also won in the February contest. The program consisted of a piano duet by Mrs. Reagan and Maxine Wilton, a talk entitled "The Child's Right to Success at School" by Mr. J. Carleton Smith, and a piano solo by Miss Grace Karr.

The business meeting followed this interesting and delightful program. Officers elected for next year were as follows:

President, Mrs. C. E. Poer; 1st Vice-president, Mrs. R. D. Holt; 2nd Vice-president, Mrs. J. L. Neill; 3rd Vice-president, Mrs. T. K. Jones; Secretary, Miss Ruth Howell; Treasurer, Miss Chris Enoch; Publicity, Miss Willie Allen; Parliamentarian, Mrs. H. W. Wiedenmann.

Delegates from the local association will attend the Parent Teacher meeting at Ozona next week. Mrs. Joab Campbell and Mrs. C. H. Taylor were elected as delegates.

Mrs. Head of Ozona, President of Sixth District, has been invited to attend either the April or May meeting, and the Association is looking forward to her visit as a source of help and inspiration.

The next meeting will be held Tuesday, April 18, and patrons and friends of the school are cordially invited to attend.

OIL NEWS

The W. R. Nicks well is having trouble this week from caving. They are trying to straighten out the hole after pulling pipe down to a lost bailer, but the hole is caving and they are having trouble in making any progress. The reaming began at 4,137 feet. They have lowered 6 5/8-inch casing to 4,225 near where the bailer was lost in a cave and will attempt to get the bailer out.

Joe Tisdale No. 1 eight miles northeast of Eldorado are drilling below 5,485 feet Thursday in hard grey sandy lime. This well is making a new hole for the first time in over a year. It has been reamanced, rerigged and will probably make progress rapidly from now on.

W. M. S. HAS SOCIAL MEETING

The Womans Missionary Society of the Methodist Church had a social meeting on Wednesday, March 22 at three o'clock at the home of Mrs. A. T. Wright, assistance hostesses being Mrs. Ben L. Isaacs and Mrs. A. L. Jones.

An interesting program was rendered, the subject being, "The Deaconess."

After the program a delicious salad course was served to a number of twenty one and all enjoyed the social hour.

H. M. Freund was in from the ranch Wednesday trading.

Schleicher County Ranchmen Buys Good Bulls

L. E. Ratliff who went to the Fat Stock Show last week bought a fine eight months old bull, S. Prince Domino for \$240.00. This bull was raised by J. P. Osborne, of Miama, Texas, one of Texas' largest breeders. Mr. Ratliff is as proud of this bull as we were our first red top boots.

Don McCormick bought for Bert Page a good bull for \$170. and two lot Sam Jones at \$120. and \$150. The Success is glad to see these new blooded animals coming into Schleicher County, which adds to the value of the cattle industry here.

CITY TO HOLD ELECTION

On Tuesday April 4th, the city of Eldorado will elect two Aldermen to serve for a term of two years. We should not overlook the fact that there is only a few of us and that we all should show our appreciation and go to the polls and vote.

Your present officers are J. N. Davis, P. M. Bradley, Joe Williams, Leslie Baker and Sam Loyd. Mr. Baker and Mr. Loyd hold over, others to be elected and one to be elected to take the place of H. Grady Parker, deceased. This election is very important in the life of our little city and should not be taken too lightly.

WOOL CLIPPINGS MOVE

The Eldorado Wool Co. completed shipment early this week of the season's accumulation of clippings which were sold late in February to Draper & Co. One car of 25,000 pounds was shipped the first week in March, and the final shipment of some 10,000 pounds of clippings and several lots of early shorn lamb wool went out this week.

The wool house has received up to date approximately a car of mohair, and the next week will probably complete receipt of the spring clip from local goat men which ordinarily amounts to 30,000 pounds to 40,000 pounds.

Wool from fat lambs being shipped to market is being scored and the warehouse has sold several lots this week.

NOTICE TO PUBLIC

The City of Eldorado has passed an Ordinance prohibiting chickens, turkeys and other fowls from running loose on the streets and allies, and in other people's yards. And those allowing same to run loose is subject to a fine and will be prosecuted upon complaint.

J. N. DAVIS, Mayor.

SERVICES AT PRESBYTERIAN CHURCH

Rev. Johnson, of Austin, will preach Sunday morning at the Presbyterian church. Every one cordially invited to come.

Mrs. G. B. Shoemaker returned the first of this week from Wichita Falls where she was called to the bedside of her daughter, Vera, who was ill with pneumonia. She reports them better.

Mrs. Frank Webb was in from the Willoughby ranch, Tuesday shopping, and reports that Frank is doing nicely, and dreaming of better days and pleased with the showing that the Schleicher County lambs Armadilla will get fat.

Celebrates 82nd Birthday With Dinner

Mrs. H. N. Garrett celebrated her 82nd birthday Sunday with her children and grandchildren present, and came as a surprise to her, bringing their eats and gathering at the aged mother's home Sunday.

Mrs. Garrett, formerly Mrs. Jim Tisdale, has resided in Schleicher County on the line of Menard county for many years and in years past made girths out of goat hair for the cowboys in this section of Texas. She and her children lived in around Eldorado ever since the town sprang into existence. She has many friends among the old timers of this section. Her home was always open to the wayfarer and has sheltered many a young man seeking a life in the west.

Dinner was served to the following: Mr. and Mrs. Joe Tisdale and son, Albert, of Eldorado, and daughter, Mrs. Clifford Jones and Mr. Jones of San Angelo; Mrs. Lottie Bolt of Junction and her three children, Mr. and Mrs. Joe Maddux and son, Horace Bolt, of Junction, and Mr. and Mrs. Tom Owens and daughters, Marguerite and Lottie Jo, of Rankin; Mr. and Mrs. V. G. Tisdale of Eldorado; Mrs. Vester Hughes and children, Elizabeth and Vester, Jr., of Mertzon; Mrs. May Tisdale and children, Celeste and Jim of Eldorado; Mr. and Mrs. R. A. Tisdale and son, R. B. of Menard; Mrs. Monroe Kirkland of Sonora; Mrs. Harrison Kirkland of Sonora; John and Don McCormick and Lois Whitley of Eldorado; Mrs. E. R. Bosell of Paint Rock; W. W. Boswell and children, Billie Boy and Scott, of Paint Rock; Audrey Yardley of Eden; and Mrs. Cora Miller, of Eldorado.

All the children were present with the exception of L. L. Tisdale of Fort McKavett, a son.

STOCK SALES REPORTED

The Green and Sproul Commission Co., report the following sales for this week. Sold for Ben Mittle of Sonora, 600 head of mixed lambs to Marion Wade of Eldorado and Mr. Berry of Knickerbocker, at private terms.

They sold for H. W. Finley a car load of lambs to Neal of Indiana at \$4.20 per hundred.

They sold for Marion Wade to Neal of Indiana a car of lambs at \$4.00.

They sold for W. F. Faught his residence in South Eldorado to W. E. Eaton at private terms.

MEETING

Rev. Frazier of Fort Stockton will begin a few days meeting at the Baptist Church next Monday night March the 27th.

Everybody is cordially invited to come and hear him.

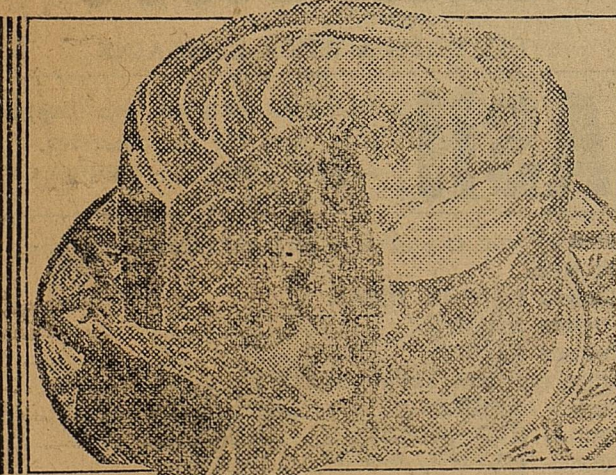

BUYS FINE STALION

Otis Buie has purchased a fine three year old Percheron Stalion to use on his farm and ranch. It looks as if the horse business might come bark and this horse will add lots to our community stock.

Mr. and Mrs. R. P. Hinyard were out from San Angelo Tuesday visiting and looking after business. Mr. Hinyard being one of the bank directors.

Don McCormick, who attended the Fat Stock Show, was well pleased with the showing that the Schleicher County lambs made.

And if Beer comes, can booze be far behind?—Dallas News.
 If Beer is not booze, what in the hell is it?

The Texas Legislature is rather senseable in their fixing a time for the people to vote on the booze question, by setting the time for the general election in 1934. We have lots of time to wrangle over the benefits to be derived by its return, and the hell it will raise when it is returned. We have never been accused of being a fence rider on any public question and we think this will pass by without any accusations.

Some people want a portion of the State Colleges junked, in fact some people do not know just what they do want.

A big cry from those drawing a pay roll from the government will probably ascend into the sky. They will not quit the job though, for there is some other fellow just as well qualified wanting it at the smaller salary.

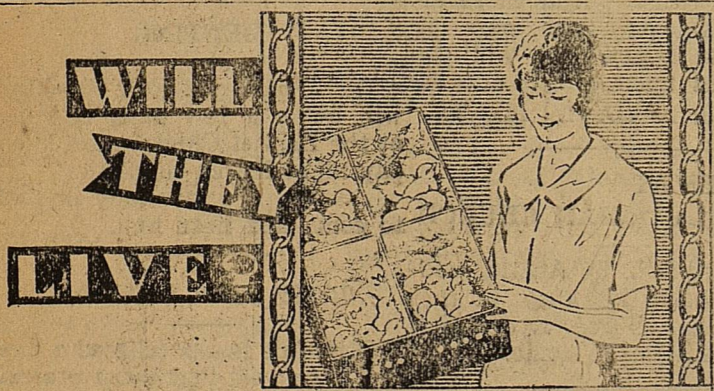

District Court meets next week. There will probably be some court this time, two murder cases is scheduled to come up.

There is always a time for sober thinking. We all want less taxes, but none of us want the schools of the country discontinued for the saving of a few dollars, nor do we want some of the Colleges junked because some fellow is over zealous for the reduction of taxes.

The District Court at Austin gave a decision that Mr. Denison was not Chairman of the State Highway Commission, or even a member of same. Well there is some higher courts yet to act. What we do not understand is, is this man Denison the only Good Friday that Ma has to offer for that post. We believe there is others that could fill the place, and probably could be found in the Fergusons ranks. We presume that Jim wants him on the record he has made on Highway work, and it seems that the legislature has rejected him on the Highway records he has made.

If you have an old hen that you can't catch and that your neighbors can't catch, call up the City Marshall, Roy Andrews. It is his job to catch all such chickens and pen them up.

After all when we get our chickens all pened up so they won't bother our neighbors, we will have better neighbors, won't that be fine.

GARDEN OF EXPERIENCE
 By F. G. Clark

Technocracy is not a remedy for the evils in the existing scheme of government, but an entirely new scheme. It proposes to do away with our government as at present constituted, and substitute in its place, a government founded on the products of labor.

All state and national lines are to be obliterated, at least as far as America is concerned. The population is to be divided into ninety departments of labor crafts. The principle upon which the division is made, being the person's skill, in that particular craft. All carpenters are placed in that particular class, and so on thru the whole list of ninety crafts.

The president, congress and the supreme court are to be done away with and a council of ninety is to be substituted. Each craft isto elect one member, and this council is to have full authority to govern the continent.

Money, as we understand it, is to be done away with and energy scrip is to be substituted for it. All debts are to be wiped out, and it will be impossible to contract others. Energy scrip represents so much labor performed, resulting in the production of some useful product. This piece of scrip is good to exchange for the products of any other department, and when so exchanged, it loses its value that is, it cannot be used again since its value has been exhausted.

Technocracy, in its economy, has no place for religion, art, literature or any of the higher things of life. It is purely a bread and butter scheme of life. It is designed to enable you to eat and drink and be merry while you live this physical life, for tomorrow you die, and that is the end of you. You are of no more value than the machine which you manipulate. When, like the machine, you are worn out, you are cast aside, and another takes your place.

It is a phase of socialism, and like all such schemes, fails to consider the chief factor that enters into its composition. This factor is man himself. Socialism is a beautiful theory, and would work beautifully, if it had angels to work it. But unfortunately it must depend upon imperfect men to work it, and of course he proceeds to make a mess of it. And the finer the scheme the worse the mess.

We are children in school, and it is folly to try to promote us faster than our previous learning will warrant. Socialism is a way of life far beyond the intellectual and moral comprehension of the masses of the people of this generation, even in this enlightened country. We may hope to be ready for promotion to that high grade some day, but for the present, it would be like jumping a third grade pupil to the geometry class. The higher the class, the

With more than half a million pounds of cured meat and lard in Cottle county smoke-houses before the end of the hog butchering season, all records for home pork curing were broken this year, says the county agent.

Milk production from 8 cows doubled in 10 days after they were turned onto new pasture an hour in the morning and an hour in the afternoon. It is the herd of J. W. Webster, a dairy demonstrator in Jackson county. The oats were sown broadcast on a listed field, a method which has kept the soil from packing badly during the wet weather.

Killing, dressing, grading and packing on the farm his 98 turkeys raised in a 4-H club demonstration, J. L. Irish, Lubbock county boy, shipped his birds to Chicago where he received 16 cents per pound for them. Shipping cost \$64.30. He made \$128 net profit for his year's work.

Forty six rose gardens were recently set out by home demonstration club women in Victoria county for a total cost of \$13 for 435 roses obtained in a pooled order. Cutting beds have been started by 131 women with 12,991 cuttings donated by town people and court house authorities. It is all a part of a county-wide farmstead beautification program.

A county beautification association has been organized by home demonstration club women in Van Zandt county to promote the beautification of home yards. screen unsightly places, improve the appearance of highways, and preserve natural beauty spots throughout the county.

more inevitable his failure. In the meantime, let us study to master our present scheme of government, so that we can do our part toward remedying its defects, and when we have brought it to its highest possible perfection, we will be ready for promotion to the mastery of a higher scheme. In the meantime, let us look to the school for intellectual development, and to the church for moral correction, and the day of promotion will surely come.

TEXAS INDUSTRIAL ACTIVITIES

Lubbock reports the largest number of cattle and sheep on feed there in its history with 10,400 cattle and 15,000 sheep.

The cheese plant at Abernathy has added equipment that increased its daily capacity to 20,000 pounds of milk. The cheese factory that is a part of the plant set a new high mark recently when in one day it produced 1,700 pounds of cheese.

Commercial utilization of brines found in oil wells in the manufacture of iodine is a new industrial possibility in the Texas oil fields. Heretofore the important drug has been supplied largely from the nitrate deposits of Chili with some of it coming from seaweeds. Development of a satisfactory process for making it from oil well brine has taken the monopoly formerly held by Chili and has brought the price down from \$4 to \$3 a pound.

The Texaco Can Co., Port Arthur, a subsidiary of the Texas Co., is manufacturing a full line of tin cans. Progressive Texans, Inc., is advised by H. H. Haines, manager of the Port Arthur Chamber of Commerce. The Thompson Can Co., Dallas, and Southwestern Can Co., Houston, are other manufacturers of different kinds of cans.

Western Overall Co., El Paso, is a new manufacturing incorporation in Texas with \$20,000 capital.

Jim Wagner, of Water Valley, was in Eldorado last week looking for a place to buy or rent. Jim has sold out over there and wants to move back to God's country. Jim's father was one among the first to begin to till the soil in this county and he probably has a fond recollection of those early days.

Some Christoval snake hunters went snake hunting last Sunday week and killed 30 rattlesnakes, which was a good deed on a good day, yet some people think it is wrong to hunt on Sunday.

DEPRESSION YEAR THE BEST HEALTH YEAR

AUSTIN, Texas, March, 20.—The worst year of the depression has been the best health year, according to Dr. John W. Brown, State Health Officer, in commenting on the low death rate during the past year. Of great importance was the almost entire freedom from epidemics, until the influenza epidemic in December. Weather conditions throughout the year were good. The depression, undoubtedly, has curbed over-eating and over drinking. Then too, there have been fewer deaths charged to motor traffic, because there has been less such traffic. Accidents in industry have been fewer as the outcome of curtailment of employees and hours of work. The people, although against their will, had more leisure and more out-door life. All of these factors have evidently more than counter-balanced the ill effects of worry incidental to unemployment and difficult circumstances.

But perhaps more than any single factor, the protection given by the effective functioning of the health departments, by the generous treatment from physicians, and by splendidly organized relief work has operated to conserve life and health. Whatever economies must be effected in view of economic conditions, there must be no further radical curtailment of the support required to permit adequate functioning of health departments. The unfavorable aspects of the 1932 health record are increases in the number of

"HUMOGRAPHY"
 By Thomas E. Pickerill

Just heard of the Oklahoma husband who wrote a birthday card to his wife thanking her for life, liberty and the pursuit of happiness.

The next time we want to draw all of our money out of the bank we're going to wait until the Governor and the legislators go off on a fishing trip or something.

An optimist is a fellow who still believes we will have beer by Christmas, but he doesn't say what Christmas.

QUICKER, BETTER RELIEF from use of Black-Draught

The "old deal" might have been better if somebody hadn't put his foot on the rung of our chair.

And then there's the Ohio girl who thought a bank holiday was when the bankers went on a picnic.

Hop Ashmore was in from the Spencer farm Tuesday trading.

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. "I take it for constipation and when I have that dull, tired feeling, I take it for colds and other complaints where a good laxative is needed, and I believe it gives me quicker and better relief than any other medicine I know. It certainly has been a help to me."

P. S.—If you have CHILDREN, give them the new, pleasant-tasting SYRUP of Theford's Black-Draught.

BARNHART MEET

Gordon Williamson
The boys that went to Barnhart Saturday were as follows: The Seniors were: W. B. Gibson, Aubrey Smith, W. C. Spurgers, and Junior Isaacs. The Juniors were: Milton Spurgers, Paul Davis, Gaylon Casey, Sam Cloud and Gordon Williamson.

The Senior boys got the edge on the points with 7 for the Seniors and 5 1-2 for the Juniors. Aubrey Smith got fourth in the 880 yd. run. Junior Isaacs got third in the discuss and fourth in the 440. Aubrey Smith also got third in the shot put. W. B. Gibson got fourth in the mile run. W. C. Spurgers was the only one that didn't place in the Senior boys.

The Juniors did pretty well, but could have done better. Gaylon Casey got third in the broad jump and fourth in the 100 yd. dash. Sam Cloud got third in the 50 yd. dash. The relay team which was composed of Sam Cloud, Milton Spurgers, Paul Davis, Gaylon Casey, got third. These are not very good points for the Junior or Seniors but we are going to try to do better in the Ozona meet.

REPORT ON THE PUPILS WHO WENT TO THE FAT STOCK SHOW

Cecil Moore
During the San Angelo Fat Stock Show nearly all 4-H club boys and girls attended the show. We had a very good time there, and also got our part of the prizes. There were many that went to San Angelo that did not go to Ft. Worth. Those that went to Ft. Worth were Dee DeLong, Gene Koy, R. J. Alexander, Jim Tom Roach and Cecil Moore. R. J. Alexander went on a truck that carried his lambs. Gene Koy and Dee DeLong went on the train with the show stock and Cecil Moore and Jim Tom Roach went in a car.

By Friday we were all together washing calves, feeding lambs and cleaning stalls, for we were going to give "Ole Cow Town" a real show.

Saturday morning found all the boys up early grooming their Club Calves. Every boy there felt a real thrill when he led his calf into the show. With the exception of Mason County, Schleicher did as well as anyone for no county placed over one calf in the show of fifteen places.

Monday was another day for thrills, for the sheep judging was held that day. Schleicher has a reputation to hold up. Everyone was holding their breath waiting for Schleicher to win not caring what lambs won. We won more than our share, as usual, and it was a great show.

PREPARATION AND ENTRIES IN THE COUNTY MEET

Louise Boyer
There have been preparations made for the county meet which is to be held Saturday, March 25. The events which are to be held are: Senior Boys and Girls Declamation, Junior Boys and Girls Declamation, Boys and Girls Extemporaneous Speaking, Boys and Girls Debate, Essay Writing, Spelling and Track. The public is invited to attend.

SCHLEICHER 4-H ENTRIES WINNERS AT FORT WORTH

Edward Cox
The 4-H Club boys and girls of this county again won many prizes at the Fort Worth Fat Stock Show last week. Although dropping the champion lamb they won the larger end of the prize money. In the individual classes: Francis Clark 3, Wilburn Clark 4 and 5, Mary Jess Koy 7, Helen Stanford 8, 13, and 15, Zona Clare Koy, 9, R. J. Alexander 10 and 14, and Katherine Moore 11 and 12. This includes both open and club classes. Schleicher County 4-H Club lambs won 1 in the pen of 15 and 1 and champion club cowlts. In the open classes B. E. Moore won 1, Jack Clark 2, and T. H. Alexander 4. The Moore lambs were later grand champion carlot of the show. In the calf club division Cecil Moore won 6 place on his calf, and Orlan Harris won 7 place on his Angus calf in the Angus open class division.

In the auction sale on Thursday 9, the prices paid for stock of this type did not reach the expected limit. The Moore grand champion carlot of lambs sold to Armour and Co. at \$6.25 per hundred. The club carlot went to Armour also at \$5.75 per hundred. The entire showing of calves sold at an estimated average of about \$8.75 per hundred.

Any person who likes good cattle and sheep should encourage the 4-H club boys and girls so as to make them better suited for this type of work in later life.

THE JUNIOR - SENIOR BANQUET PLANS

Junior Isaacs
The Juniors have planned to give the Seniors a banquet April 7th but the president of the Junior Class and one or two Seniors are going to Colorado, Texas to a typing contest so the banquet is to be postponed to a later date. The exact date for this banquet is not known because there are so many things happening in the next few weeks.

The different committees of the Junior Class have met and have already decided on the program and different things connected with the banquet.

All the necessary things for the banquet have been bought or they have been ordered. The Junior Class advise the Senior Class not to eat too much because the Junior Class are going to fill them to the brim and show them a grand time.

TYPING TEAM GOES TO SONORA FOR 3RD CONTEST

Frances Mills
The first year typing team went to Sonora Thursday afternoon, March 16. The team was composed of Jack Ratliff, W. B. Gibson, Lillie Belle Kent, Loleete Andrews, Donnell Jones and Frances Mills. Roberta Milligan and Hollys Alexander went along to keep the team from becoming discouraged.

The four having the highest score were as follows: Pauline Tunney 128.4; Alice Sawyer 128.1; Jack Ratliff 123.1; Loleete Andrews 120.0.

The three having the highest per cent of accuracy were as follows: Loleete Andrews 91.4; Alice Sawyer 90.7; W. B. Gibson 89.4.

The three having the least number of errors were as follows: Loleete Andrews 4; W. B. Gibson 6; Billie Penick 5.

The team average of the six Eldorado writers was 111, and the average of the five Sonora contestants was 90.

Had the contest been counted according to Inter-Scholastic League rules, that is, each team being composed of two writers, Sonora would have won this contest. The Eldorado typists are going to do some hard work between now and March 31, the date of the next contest with Sonora, in order to prevent them from winning the first and second individual places.

FOOTBALL SCHEDULE ARRANGED FOR NEXT FALL

At a recent meeting of the coaches of District No. 12 football games were arranged for most of the schools of the district. Contracts have been signed for the Eldorado High School to play the following games: Oct. 14 at Sonora (Confer-

ence).
Oct. 21—Ozona at Eldorado (Conference).

Oct. 28—Rocksprings at Eldorado (Conference).

Nov. 11—at Junction (Conference).

Nov. 18—Menard at Eldorado (Conference).

Nov. 30—Sonora at Eldorado (Thanksgiving).

Games will perhaps be arranged for the open dates with the San Angelo Kittens and other teams. Every game, except the Thanksgiving game with Sonora at Eldorado, will be played on Saturday. Of the five league games required of the schools in the western half of district 12, three of the games will be played at home.

BILLIE E. BAUGH ENJOYS SCHOOL NEWSPAPER

According to a letter received by Mr. Smith from Billie E. Baugh of Ft. McKavett, he appreciates the school newspaper very much. He writes: "I have been wanting to write you so I could tell you and your newspaper club how much I enjoy reading 'The Tattler' I think it has better and more interesting reading material than 'Hi-Life' had, the paper published when I was a member of the club."

Billie further states that he is attending school at Meyer No. 2, and is the only pupil in high school. He says he is making good grades and was exempt in all his midterms. He is keeping in practice on his typewriting and is doing all his notebook work in History and Spanish in typewritten form.

We are very glad to receive these favorable comments from our ex-students and former members of the newspaper club.

SENIORS LOSE ONE OF THEIR MEMBERS

Thelma Taylor
The Seniors lost one of their members last Thursday evening when Miss Mary Dell Williams became Mrs. Walter King. Mary Dell was one of those dignified persons that the Freshmen try to mimic at every opportunity. Let's hope that none of the Freshmen will try getting married just because one of the Seniors did. We were all sorry to lose Mary Dell for we loved her lots.

The newly married couple will live on the King ranch some miles from Sterling. Here's hoping them every happiness in the world.

It looks like all of the Seniors are getting the marriage craze because when Lillie Bell Kent heard the news, she put on a sad

face and said "Why couldn't that have been me?" When Pat wants to get married then I am sure all of the rest of us will have to follow suit.

EXCLAMATIONS TO BE HEARD IN THE HOME ECONOMICS CLASS

Thelma Taylor
Where's my scissors?
Jetty Grace, did you get my thread?
Has anybody got a needle?
I had a thimble yesterday but I can't find it today.
That's not my machine, Minnie used it last.
Did you see the collar to my dress?

I lost a piece of my pattern. Did any of you see it?
I just know someone has borrowed all of my small needles. I left my key on top of this locker and it's gone... This sure is a funny looking thing.

I'm afraid that I haven't cut this right.
Girls, don't be so careless and do a little more work.

THOSE DIGNIFIED SENIORS

Thelma Taylor
Why are the Seniors called dignified? You have often asked yourself this question and no doubt said that there are many Seniors that are absolutely the opposite of dignified. Here is the reason that they have to resume the pose of being dignified. The teachers impose so much work upon these poor creatures that if they relax one moment they will have to work for the next ten days to make up for that one moment. If you don't think the Seniors are overworked then please make it a point to become acquainted with one of these personages and see just how much leisure they get. In one day last week one senior had to give a book report in English, read a plate in Shorthand, Debate in Public Speaking and take a test in Economics. Outside of these few and sundry duties she had to prepare some ten or twelve speeches for extemporaneous speaking.

JOKES

By J. R. Conner
"What are you doing with an apple on the end of your fishing line?"
"Fishing."
"Yes, but what is the apple for?"
"Bait."
"Bait? You should have a worm."
"Well, there's a worm in the apple."

The Man of a Test

"It is all very well to be pleasant when your automobile is in trim. But the man worth while is the one who smiles when he has to go home on the rim."
A teacher had been instructing the children to say "double" whenever two of the same letter appeared in a word. One day the class came to this sentence in their reader,
"Up, up and see the sun rise."
Little Johnny read: "Double up, and see the sun rise!"

Jack Kerr: Will your people be surprised when you graduate Home Alexander? No, they have been expecting it for several years.

Mrs. You think more of that dog than you do me.

Mr. Why shouldn't I be growls less than you do.

Hazel: Can you tell me the difference between a storage battery and a Scotchman?

Bill: No, what is the difference Hazel: Well, you can overcharge a battery.

COUNTRY WOMENS CLUB

The ladies met with Mrs. F. B. Gunn last Wednesday March 15th. The following members were present: Mesdames Marion Wade, Marvin Logan, Maddox, L. Kent, McSwaine, Gunn. Two visitors were present Mrs. DeLong and Elaine Maddox. Elnora joined our list as a new member.

Miss Howell gave a demonstration of a cutting bed and each of the members brought cuttings which were placed in it. Only about one fourth of the bed was filled but the members will continue to fill it later.

After the meeting refreshments of cake and coffee were served and everyone reported a nice time.

The next regular meeting will be on Wednesday March 29 with Mrs. Maddox.

CROSSING CRASH NEAR CHRISTOVALE

Mrs. Louis Jones of Christoval sustained a broken right arm, gashes about the head, and slight internal injuries when a car in which she was riding alone was hit by a train at a private crossing two and a half miles north of Christoval early Wednesday afternoon. Mrs. Jones was resting fairly well at the Rush-Schulkey-Wall Clinic here last night. Injuries were not considered critical.

Mrs. Jones was rushed to San Angelo in an ambulance. She had turned off the highway and down a lane leading to the home of her parents, Mr. and Mrs. Walter Warnock, when the collision occurred.

Mr. Warnock, who heard the crash, hurried to the crossing from the house. J. B. Harbin, conductor of the mixed train coming back from Sonora, and others offered their aid. Mrs. T. P. Montgomery was here with Mrs. Jones last night.—San Angelo Morning-Times.
