## On The DIVIDE

Dave Cunningham is delivering feed from Schleicher county to his ranch west of the Pacos.

The Eldorado Hardware Company recently sold a feed grinder to Otto Sauer, also a tractor and equipment to Mark Holland.

J. L. Ratliff of "Ratliff Dry Goods Store" of this city was a San Antonio visitor Monday. Mr. Ratliff was engaged in buying for his Eldorado store.

Judge Wilson of San Antonio was a business visitor in Eldorado Wednesday.

Jimmie West, well known business man of this city, has installed a "Rancho Gas" appliance display in the building of the West Texas Feed Company.

Fire destroyed 65,000 bundles of feed at Perry Johnson's last Thursday night. The "stacks" were partially covered by insurance and was valued at \$2,000.

Rev. A. J. Quinn and family left yesterday for Hamilton county, where Rev. Quinn will teach a B.T.S. training school.

## History's Boss!

Herbert Gambrell, history professor at Southern Methodist University, noted author and authority on Texas history, is in charge of the historical exhibits at the Texas Centennial Exposition which opens in Dallas, June 6.

## MRS. M. L. HUMPHREY BURIED AT ROCHELLE

Mrs. Martha Humphrey, 87, formerly of Schleicher County and a resident in McCulloch 20 years, died Tuesday at the home of a son, W. E. Humphrey, at Rochelle. Burial was Wednesday at Shady Grove Cemetery in Burnet County.

She is survived by four sons, W. E. Humphrey, Rochelle; S. A. Humphrey, Portland, Ore.; Leo Humphrey, Shambough, Ia., and V. H. Humphrey, Eldorado. Also surviving are 12 grandchildren and five great-grandchildren.

## W. F. BRALEY DIED AT MENARD LAST MONDAY

Mr. W. F. Braley, brother to Mrs. Tom Wilton of this city, died at Menard last Monday. He had resided at Menard for 20 years and is survived by nine children, five boys and four girls his wife, two sisters and three brothers.

Those from Eldorado attending the funeral were; Ed Finnagan, Mrs. Bob King, Mr. and Mrs. Doc Kerr, and Mr. and Mrs. T. K. Jones.

## Eldorado Fire Department Needed

Much has been said in the past about fire protection for Eldorado. Many plans have been mentioned periodically with nothing definite being accomplished. So, the need is even greater today for fire fighting equipment than ever before in Eldorado.

The writer along with other members of the Lions Club were appointed as a committee to try and get something done about this all-important question. The committeemen have been planning and scheming for the past week. First we figured on buying the necessary parts and assembling a truck at home equipped with pumper, tank and the necessary hose and other apparatus. Finding that this would cost more money than could be raised, we made a trip to San Angelo and a demonstration was given us of the booster tank fire truck, of Chief Parker fame. Before we arrived at the San Angelo Fire Station I think every member of the committee had, decided in his own mind, that this type truck would not fill the bill. However, after looking the outfit over and being given an opportunity to try it out and operate the nozzle at the end of a long hose we decided that the most economical thing for Eldorado to do would be to buy it.

Admitting that new equipment would be much more desirable, and more efficient, the small investment required for the used truck will, in our opinion, be the best buy for Eldorado.

After a plan was presented to the County Commissioners at their regular meeting Monday of this week, they heartily agreed with us and authorized \$200.00 toward the purchase of this equipment.

At a meeting of the City Dads Tuesday night they failed to take definite action. While one or two members of the commission were in favor of meeting the county's appropriation, others were decidedly against buying second-hand equipment.

Now that's fine if they can buy a nice big new fire truck. There's nothing we would enjoy more than a ride up and down the streets of Eldorado in a red fire wagon with a big siren wide open—just a practice spin.

We haven't quit yet, and if we can't get an up-to-date new and costly equipment, let's do the next best thing and get the second-hand truck and get it as cheaply as possible.

## County Council Meet Saturday February 8

At a meeting of the county council Saturday, February 8th, plans were made to help sponsor the Boys' 4-H Club show that is to be held on February 22nd.

The following committees were selected to work with the boys in order that the show may be a success.

Barbecue Committee: J. B. Sammons.

Publicity Committee: J. E. Spencer, J. F. Oglesby, E. Otto Williams, W. H. O'Harrow, L. L. Tisdale, E. F. Ramsel and Perry Johnson.

Premium Committee: J. F. Oglesby, J. C. Smith, J. E. Hill.

Gates Committee: T. D. Riddle, Arthur J. Mund, Hugh McCaugus and Marvin McDonald.

Committee to help serve the Barbecue: J. E. Spencer, E. F. Ramsel, B. E. Moore, J. B. Sammons.

Special Committee: Mrs. T. K. Jones, Mrs. B. E. Moore, Miss

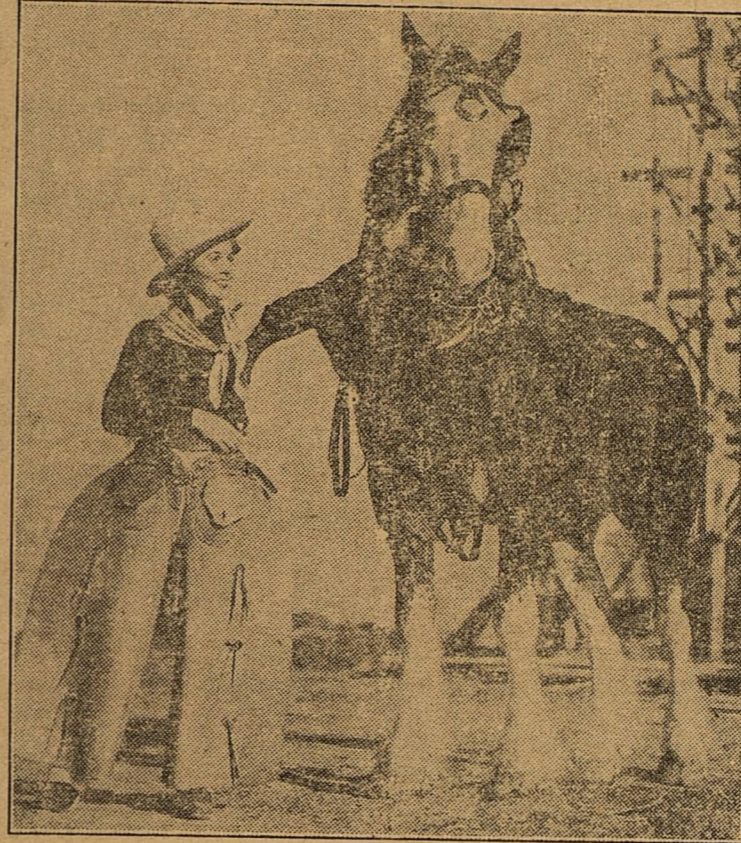

## Royal Arch Chapter Give Supper Tuesday

Members of the Royal Arch Chapter Masons had another one of their periodical oyster suppers, Tuesday evening, which was served at the Royster Coffee Shop. Members present were: Mr. and Mrs. A. K. Bailey, Mr. and Mrs. B. J. Montgomery, Mr. and Mrs. W. F. Meador and son, Mr. and Mrs. W. T. Whitten, Mr. and Mrs. John F. Isaacs, Mr. and Mrs. E. C. Hill, T. P. Robinson, Mr. and Mrs. W. L. Isaacs, Mr. and Mrs. B. E. Moore and daughter, Mr. and Mrs. Claude Meador, Mr. and Mrs. M. Hoover and Mary, Mr. and Mrs. J. A. Whitten, Mr. and Mrs. Rex McCormick, Mr. and Mrs. Ben Hext, and O. E. Conner.

Mrs. Ira McDonald and Mrs. Almon Honhend and two children visited Mr. and Mrs. Frank Webb last Friday.

Lora Farnsworth, Mrs. Jeff Enoch, Mrs. George Williams, and Mrs. C. Snell.

## One Ton of Prize Horseflesh

The first exhibit to reach the Texas Centennial Exposition lot at Dallas were the six international champion Clydesdale draft horses of Thomas E. Wilson, Chicago packer. Above, Ran-

gerette Frances Nalle is shown with King, largest of the six, weighing more than 2,400 pounds. The horses now are on a 10,000 mile tour of the Southwest.

## LIONS CLUB TAKES ON NEW LIFE AGAIN

A pep talk by J. A. Whitten, newly elected president of the Eldorado Lions Club, at the weekly luncheon Wednesday seemed to inject new life into members and a determination to do more for Eldorado, Schleicher County and Texas.

Among other things Whitten proposed to make a drive for more cooperation and more members. "Some of our best men are on the outside", Whitten said. "We need them, and we must have them if this organization is to do that which it should do to make Eldorado a better place to live," he said. "We have the best county in West Texas and it is up to us to develop it and see that this county is better by having had the Eldorado Lions Club."

The program will be short and snappy on luncheon days. Only one hour will be taken up each Wednesday for luncheon and the business session.

## More Than Fifty Scouts And Visitors Present At Meeting

(By Hugh Craig)  
Monday night, February 10, was parent night for the local Boy Scouts. About thirty visitors were present. Twenty-two scouts and three committeemen were also present. The meeting was held at the court house.

The meeting was called together by Jim Tom Roach, blowing taps. It opened with everyone singing the first stanza of "America". The Rev. A. J. Quinn led with a prayer.

Scouts fell in line and repeated the scout oath and the twelve scout laws, led by Scoutmaster, Don McCormick.

The Rev. N. P. Wilkinson gave an excellent talk on the benefits of scouting. Rev. Quinn followed with a good talk on cooperation carried on in scouting. Judge J. A. Whitten told how scouting was started in America.

Joe Hearne Moore, one of Eldorado's best former scouts, told how scouting has helped him.

The meeting closed with the boys giving the pledge of allegiance to the flag.

## PLOWING UNDER

\* When a party paid its \*

\* debt-ridden farm with another mortgage. \*  
\* It may be a silly form of \*  
\* boondoggling to put meters \*  
\* on cows, plow under cotton \*

\* Irish potatoes, but in one \*  
\* way or another Congress \*  
\* will have to subsidize the \*

\* As long as soil is basic \*

## County Council Was Organized Saturday

On Saturday, January 25th, a group of Farmers and Ranchmen met with Mr. R. H. Bush of the Extension Service of A. & M. for the purpose of organizing a County Council. The purpose of the Council being to help the County Agent promote Extension work in this County. It is believed more work can be accomplished and more people can be reached by having such a council in the county.

The following men were present at this meeting: E. F. Ramsel, L. L. Tisdale, Hugh McCaugus, Arthur J. Mund, Perry Johnson, J. B. Sammons, Marvin McDonald, T. C. Meador, J. E. Spencer, W. H. O'Harrow, E. Otto Williams, B. E. Moore, and J. F. Oglesby.

The following officers were

## BOYS' FOUR-H CLUB WORK STARTED 1929

Boys' 4-H club work was started in 1929 under the leadership of L. E. Summer who was county agent at that time and has continued ever since. During the past 7 years the boys have fed out more than 750 lambs and 50 calves. These lambs and calves have been shown in the county, San Angelo and Fort Worth and won many prizes and ribbons.

In 1929 when the work was started there were 12 club members that fed out 80 lambs and 6 calves. The outstanding winning made the first year was first prize car load of fat lambs at Fort Worth.

The second year these 12 club members fed out 100 lambs which were shown in the County and Fort Worth. These club members were successful in their showing again. They had the Champion carload lot of Fat lambs at Fort Worth. Cecil Moore had the First Prize lamb in the single class of the club show.

Calves were included in the feeding program during the year 1931. A car load of calves were fed this year and won 4th place at Fort Worth. Also about 100 lambs were fed and again the boys had the champion load of lambs at the Fat Stock Show.

By 1932 more interest had developed in club work and 14 club members fed out 125 lambs and seven calves. In addition Cecil Moore fed out a car load of lambs. Cecil had the first prize car load of lambs in the open class and the Schleicher county boys had the first car load of lambs in the club show. Gene Koy had the first prize lamb at the show.

Fourteen club members fed out 125 lambs in 1933 and 8 calves. Again they had the first prize car load of lambs.

In 1934 10 club members fed out 100 lambs and one calf. They had the 2nd prize carload lot of lambs both in San Angelo and Fort Worth. In addition, T. H. Alexander and Son fed out one car load of lambs and Truett C. Stanford fed out a carload. T. H. Alexander and Son had the first prize car load at Fort Worth in the open class and Truett C. Stanford had the 2nd prize.

There were only 8 club members in 1935 but they fed out 125 lambs. No calves were fed. Edgar Sauer fed out a car load of lambs. The boys won the following prizes at San Angelo:

First in singles, first in groups of 5 lambs, first in groups of 15 lambs, first in car load lot.

Cecil Moore had the first prize lamb in San Angelo which sold for \$350.00.

At Fort Worth the boys had the first prize car load lot and first prize single lamb. Edgar Sauer owned this lamb and he sold his lamb for \$100.00.

There have been other prizes won and other boys than those mentioned have won splendid prizes but the records are not available.

Twenty-one boys now have on feed over 250 lambs that they are planning to show this Spring.

selected: J. F. Oglesby, Chairman; B. E. Moore, Vice-Chairman; and J. E. Spencer Sec. Treasury.

**FREE ADVERTISING**

Perhaps editors of county newspapers will appreciate the following advice to promoters of various schemes to secure free advertising.

If you are promoting a hospital for crippled jackrabbits, an association for de-stinking polecats, a home for orphan tomcats, a society for the prevention of cruelty to de-tailed dogs, a school for training boys to sit on a cactus without howling, an institute in which to reform gum chewing girls, a city of refuge for drunks and dope fiends, or a league to train people in the best methods of getting a drink of booze, or any other organization or scheme, plan or proposition, don't forget that you never get anywhere without advertising, and plenty of it.

The first thing to do is get a good supply of fancy stationary printed. Then install a battery of typewriters and hire a squad of typists. These will cost you money but they will come cheap when you think of the acres of free printing that you will get.

After you get all set, employ some student of journalism with a lot of imagination to get out your copy for the typist to pound on, require him to use four words where one would tell the tale, one comma every four words and a period at the end of his long

windy. The longer the article, the better.

Then in an unsealed letter with your name printed in the corner and a one and one-half cent stamp on it, send your copy to all the country editors together with a personal letter entreating, requesting, commanding, directing and demanding that they print it not later than the next issue. Remind those editors that it is for the good of the cause that the request is made. Tell them that Mrs. Naggie Sobgusher is a member of your league and that she will think ill of them if they failed to print your article. Also tell them to please send nine marked copies carrying the article to our headquarters office at 204, Mudtrudle Street, Shamtown.

This will get the job done, providing a part of these editors are suckers and afraid of the wrath of Mrs. Sobgusher. There being not more than two columns about the beauty morality, desirability and pious motives of the thing, a surprising large number will swallow it, hook, line and sinker, and you get the job done FREE!

Then when you get your scheme to going in full blast, don't forget to pay your typists, your amateur journal student, your mail messenger the postmaster, the stationer, in fact all who helped you, except the country editor. Don't offer to pay him anything lest he die of sudden and unexpected shock. Remember the country editors are free jackasses on which many institutions ride on the journey to the palace of wealth and then they are hitched on the outside—Uncle Bill—Sterling City News Record.

That bunch of 1500 representing Texas farmers who gathered at Waco last week were in decided contrast with the views of Al Smith and his Liberty League as to the administration of President Roosevelt. When the question of how they liked our Presi-

dent Roosevelt, 1500 hats were flung at the ceiling as they shouted, "Bully". These farmers may not know as much about New York as Al, but they know a friend when they meet him. They haven't forgotten the raw deal they got under Hoover.

\* \* \* \* \*

Whether reading, 'rith-

teacher knows that a child  
learns only as it gives at-  
tention.  
Attention leads to con-  
centration, and through  
concentration men and  
women, as well as children,  
improve themselves and  
achieve their purpose.  
And as little as we may  
think, attention is the secret  
of successful advertising.  
The ABC's of marketing  
products is to so advertise  
it that it commands and  
keeps the attention of the  
buying public.  
Many business men have  
never even gotten as far as  
the first primer in selling  
merchandise.

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

### Program Planning To Be Continued

College Station, Feb. 14.—The state-wide launching of the Agricultural Program Planning Project which was discontinued following the Supreme Court decision will be continued and is expected to be under way in Texas by February 17, according to George F. Adams, Assistant State Agent of the Extensions Service.

"This work, which is being directed by Extension district agents, both men and women, should be finished by April 1," Adams said.

Adams, who has charge of this agriculture planning activity, will select a number of counties in each Extension district where the Extension district agents will meet with the county Extension agents and the county farm and home demonstration councils and set the wheels in motion.

"A continuous flow of economic information to and from the farm is very much needed; this program planning is designed to implement that and to bring the farmer into the planning end of the agricultural work," Adams gives as the reason for going ahead with activity now.

"Mutual understanding of problems is needed to have democratic planning. This program is calculated to get such an understanding between the agencies in authority administering government agricultural programs and farmers engaged in carrying these programs into effect on their farms," Adams said.

The first step in the program planning project is in effect a survey which will be conducted in the 200 counties by farm and home demonstration council members who will undertake to reach an actual five per cent of the rural population and secure replies to these questions:

The first question to consider, "Probable production of the various farm products in 1936, assuming normal weather conditions and prospective prices, but without either production or marketing control, and if farm practices had been adjusted to maintain soil fertility and to control erosion."

"The schedule forms answering these questions will also have added another schedule number seven, which asks these questions in relation to gardens and home processed commodities for home consumption," Adams said.

### PRACTICAL COOKING

Recently we spoke of dried fruits as a good midwinter food item. That discussion in turn brings to mind the use of dried legumes, for they too are an economical source of food elements.

Many pantries contain a nice variety of home-dried peas and beans, or they are available at a low price in all groceries.

Legumes are generally suggested for use as meat substitute because of their high protein content. True, they do not contain all the proteins needed by the body, but when used alternately with meat and together with milk they are quite valuable. Nor must we overlook the fact that they are a very good source of calcium, phosphorous, and iron, three of the most important minerals used in the body.

Breakfast: Stewed apricots, soft boiled eggs, whole wheat toast, coffee, milk.

Luncheon: Baked lima beans, Harvard beets, turnip greens, celery hearts, corn muffins, cocoa.

Dinner: Planked hamburger with mashed potatoes, sliced carrots, fried onion rings, jellied vegetable salad, hot rolls, cottage pudding.

Breakfast: Prune juice, waffles, bacon, coffee, milk.

Luncheon: Peanut loaf, baked sweet potatoes, broiled tomatoes, raw carrot strips, stewed apples.

Dinner: Roast spareribs, gravy, browned potatoes, string bean salad, hot biscuit, tapicoa, coffee.

#### Recipes

Baked Lima Beans: 1-2 pound dried lima beans, 1-2 (no. 2) can tomatoes, 1-2 teaspoon sugar 1-4 teaspoon salt, 1 small onion, minced, 2 slices bacon (chopped), 2 hard-boiled eggs, (chopped), pepper. Soak beans overnight. Boil until tender. Combine tomatoes, sugar, salt pepper, and onion and arrange in alternate layers with the beans in an oiled baking dish. Sprinkle the top with the bacon and eggs; cover; bake in a slow oven (325 F.) two hours. Uncover during the last half hour.

Peanut Loaf: 1-4 cups ground peanuts, 1-2 cup peanut butter, 1-2 cups ground dry bread crumbs, 1-2 boiled brown rice, 1-2 cups ground raw carrots, 1-2 cups drained canned tomatoes, 2 teaspoon salt, 1 teaspoon celery salt, 1-3 teaspoon pepper. Combine all ingredients, pack into an oiled bread pan, and bake forty minutes in a moderate oven (375 F.). Serve with tomatoes sauce.

Lima bean soufflé: 2 cups dried lima beans, 4 tablespoons melted bacon fat, 3 eggs whites, stiffly beaten, salt and pepper, 1 tablespoon onion juice, 1 cup brown stock, 1-4 teaspoon baking powder, 4 tablespoons flour. Wash lima beans and cover with cold water. Soak over night and cook until tender. Drain. Rub through a sieve. There should be one cup pulp. Combine bacon fat and flour. Add stock, bean pulp and onion juice. Season to taste. Mix thoroughly. Add baking powder. Fold in egg whites. Pour in oiled baking dist. Set in pan of water and bake in moderate oven (375 F.) until an inserted knife comes out clean. Serves 6.

Baking Beans With Ham: 2 pounds ham (cut 1 inch thick), 1-2 cup brown sugar, salt and pepper, 2 cups navy beans. Cover the ham with cold water. Cover. Simmer 30 minutes. Cook beans, which have been soaked overnight, in the ham broth 30 minutes. Cut ham in pieces suitable for serving. Place in baking dish. Cover with a layer of beans. Repeat until all the ingredients have been used. Have the last layer of ham. Bake in a slow oven (325 F.) 3 hours. (serves 8).

# Disqualifications Under Old-Age Assistance Law

Austin, Feb. 14.—Because \$7,500 worth of property for a married and \$5,000 for a single person are listed as legal disqualifications under the old-age assistance law, applicants necessarily should be able to give adequate description of all real property owned, as well as personal property if the latter is valued at \$1,000 or more, Orville S. Carpenter, who will be Executive Director of the Old-Age Assistance Commission, said today concerning the new law.

"Each applicant should be able to describe all personal property, including jewelry, furniture, automobiles, and live stock, in addition to his or her real property," Mr. Carpenter explained.

All applicants should have the following information available:

- (1) Original purchase price and date of purchase of all property.
- (2) Description of property from the county tax assessor telling block number, etc.
- (3) Amount property rendered for on tax rolls.
- (4) Name of lien holder and amount still due on mortgage, as well as total equity in property. Also date and amount of lien.
- (5) Description of all property disposed of during the last

two years, person sold to, and purchase price obtained from such sale. Also date of transfer.

Applicants will be able to get blanks in their own locality Feb. 14. These forms may be filed as soon as filled out by applicants.

## YEAR-TO-YEAR COMPARISON LIVE STOCK SHIPMENTS

Austin, Feb. 14.—For the first time in many months the year-to-year comparison of Texas live stock shipments to Fort Worth stockyards and interstate points is favorable, according to the University of Texas Bureau of Business Research. From July, 1935, throughout the remainder of the year each of the monthly shipments were far below those of corresponding month of 1934. This situation was the result of the Government's huge cattle purchasing program during the summer and fall of 1934 in the drought stricken areas and also the shipment of unusually large numbers of animals through regular commercial channels because of the shortage of and high price of feed in comparison with the price of live stock, it was pointed out.

Shipments of all classes of live stock during December totaled 4,765 cars, an increase of 7 per cent over the 4,450 cars during the like month in 1934.

Interstate plus Fort Worth car shipments of the various classes of livestock during December, 1935, and 1934, respectively were: Cattle, 3,200 against 3,199 cars; calves, 943 against 776 cars; hogs, 374 against 254 cars; and sheep, 248 against 221 cars.

"Practically the entire increase in shipments went to the Fort Worth market," the Bureau's report said. "Receipts in this market by truck showed a phenomenal increase over the year before in line with the trend of receipts by truck to this market, established several years ago. Receipts by rail decreased except in the case of sheep. Substantial increase occurred in cattle and calf shipments to feeding areas, notably to Illinois, Missouri, Kansas, Iowa, and Colorado; and to the grazing areas of Arizona and New Mexico.

"Sharp decreases in the net rail shipments of cattle and calves occurred in the districts of West

and Northwest Texas in contrast with substantial increases from East and South Texas."

## BIG WESTERN STARS MASSED IN ONE FILM

Hollywood's greatest roundup of cowboy stars brings Harry Carey, Hoot Gibson, Guinn "Big Boy" Williams, Bob Steele, Tom Tyler and other hard riding, straight shooting western heroes to the screen in "Powdersmoke Range," RKO Radio action drama of the early cattle country. Supporting roles are played by Wally Wales, Art Mix, Frank Rice, Buzz Barton, William Farnum, Bill Desmond, Buffalo Bill, Jr., and Franklyn Farnum.

Boots Ballory, blonde beauty who started her acting career as a New York show girl to later become one of the screen's most

popular featured players, carries the feminine lead and shares romantic interest with Steele. Sam Hardy, is a menace role, Ray Mayer, Adrian Morris and Eddie Dunn are other members of the cast directed by Wallace Fox. The picture, based on William Colt MacDonald's novel, tells a red blooded story of romance and war on the open range of the early sixties. Cliff Reid supervised.

Guinn, "Big Boy" Williams is a San Angelo boy and is well known in West Texas. Moving picture show fans will appreciate the opportunity of seeing a home boy in action.

## NICE DONATION MADE TO LIBRARY

The Eldorado Music Club has contributed the sum of \$19.00 to the Library Committee, for the purchase of new books, which will be made soon. If there are other clubs or individuals who want to give at this time it will be greatly appreciated.

The gift from the Music Club is indeed a commendable act and much appreciated by the Library Committee.

## OFFICERS NAMED BY STUDY CLUB

Officers were elected when Mrs. C. C. McLaughlin was hostess to the Alpha Delta Club the last of the week.

The following were elected: Mrs. Aubrey Baugh, president; Mrs. H. W. Wiedenmann, first vice-president; Mrs. D. C. Royster, second vice-president; Mrs. J. N. Davis, corresponding secretary; Mrs. George R. Long, treasurer; Mrs. J. L. Raliff, historian; Mrs. J. C. Crosby, reporter; and Mrs. W. O. Alexander, parliamentarian.

Those present were Mrs. Alexander, Mrs. Baugh, Mrs. Crosby, Mrs. Davis, Mrs. D. E. DeLong, Mrs. Royster, Mrs. Wiedenmann, Mrs. Brice Dabney, Mrs. Seth Ramsey, and Mrs. E. M. Reynolds.

## MRS. R. C. EDMISTON HOSTESS TO H. D. CLUB

"A good fitting slip adds much to one's comfort as well as appearance," said Miss Lora Farnsworth, County Home Demonstration Agent, to the members of the Mayer Home Demonstration Club, Thursday afternoon at a no hostess meeting at the home of Mrs. R. C. Edmiston.

Different types of slips were cut and fitted by the foundation patterns, six gored slips being preferred by most of the members.

Refreshments of sandwiches and cookies were served to Mesdames R. A. King, Erwin Willman, Houston Thigpen, E. E. Menges, R. C. Edmiston and Miss Lora Farnsworth.

## COUNTRY WOMAN'S H. D. CLUB

"It's quite handy to have the beans already cooked, and we are enjoying them so much this cold weather," said Mrs. Gordie Alexander, cooperator in the Country Woman's Home Demonstration Club.

Mrs. Alexander cooked and canned a gallon of dried pinto beans using the following procedure:

Pick and wash beans carefully; soak over night. Cook in pressure cooker for 1 hour at 15 lbs., pressure with just enough water to cover the beans.

Add any desired ingredients such as tomato sauce, molasses, onions, chili. Reheat and fill No. 2 cans as hot as possible, add small piece of salt pork to each can. Fill cans to within one-fourth inch of the top; seal and process immediately for 1 1/2 hours at 15 lbs. pressure.

The 18 No. 2 cans which Mrs. Alexander canned from the gallon of dried beans were seasoned in different ways.

## CLIFF H. D. CLUB MEETS

Miss Farnsworth, Home Demonstration Agent, demonstrated the making of a mattress at the home of Mrs. Will O'Harrow Tuesday February 11th when the Cliff Home Demonstration Club met for their regular meeting.

Mrs. S. D. Harper, president, appointed a committee of three, Mrs. Forest Runge, Mrs. Elvin Bawcon and Mrs. Will O'Harrow for the purpose of raising funds for the council and recreational activities.

The next meeting of the club will be held at the home of Mrs. W. H. McClatchey, February 25.

## MAYER HOME DEMONSTRATION CLUB

"You'd be surprised at the difference it makes in the bed to have all of the protectors for the bedding," said Mrs. R. A. King, bedroom demonstrator for the Mayer Home Demonstration Club.

For her bedroom in which she is carrying out the demonstration, Mrs. King has made a spring cover from ticking which came off a renovated mattress. She had put new feather ticking on the pillows and made pillow protectors from sugar sacks. She has had the mattress renovated and has made a mattress cover for it.

In addition to the improvements for the bed in her room, she has covered another pair of springs from used ticking, and has made covers for two other mattresses, and has had one other mattress renovated. Mrs. King has also made a wool-quilt for her bed, using a cheese cloth covering for the wool batt.

Other improvements which Mrs. King plans, include the making and finishing of a reading table; making a bedspread; upholstering a chair. She is carrying out a color scheme of green and ivory.

## MRS. C. M. McWHORTER HOSTESS TO WOMAN'S CLUB

Mrs. F. B. Gunn was program leader in a study of Texas Literature from 1890-1929. Members answered the roll call with a quotation from a Texas poet. Mrs. A. A. Millar discussed some famous prose writers who have written about Texas. Mrs. H. D. Irby gave some Texas scenes as pictured in "The Golden Cocoon." Poems of several modern Texas poets were read by Mrs. N. P. Wilkinson. Mrs. J. B. Edens gave a review of "The Wind".

Mrs. F. B. Gunn, as chairman of the Department of Fine Arts, gave her report.

Members present other than the hostess were: Mrs. D. E. DeLong, Mrs. W. E. Eaton, Mrs. J.

## For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lufe, Ark., writes: "My husband and I both take Theford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

## FOR THE VOTERS' CONSIDERATION AND THOUGHT

Conscious of the fact that no man should be advanced to any position whose responsibilities he is not fully prepared to shoulder, I have tried to prepare myself for the place of district judge before asking for it.

As yet, I have not had the actual experience of being district judge. Manifestly, that cannot be expected of me until the opportunity is presented. It is submitted, however, that I have had in ample measure the next thing to it. That can perhaps best be shown by comparison—for instance with Hon. John F. Sutton, as he was when he first ran for and was elected to his position in the year 1924. At that time—

Judge Sutton was the same age that I am now.

He had been practicing law for EIGHT years.

I have been practicing for ELEVEN years.

He had been serving as COUNTY ATTORNEY for two years.

And, I have been serving as DISTRICT ATTORNEY for SIX years.

Respectfully submitted,  
GLENN R. LEWIS.

**San Angelo's Fat Stock Show Near**

San Angelo, Feb. 14.—San Angelo's Fat Stock Show, the fifth version of which will be produced at the Fairgrounds here March 7-11, has built up the most extensive fat lamb division in Texas. This year's performance is expected to exceed all records, including its own, of exhibition of fat lambs since this stock division has been added to the registered Hereford cattle and beef calf departments.

Anticipating growth in the fat lamb display, the Board of City Development, sponsors of the show, has constructed a new sheep barn for the 1936 exposition. The new structure is 56 feet by 210 feet and will accommodate pens for 1,500 animals.

Show officials are extremely pleased with entries to last night. Carload groups have already been entered from Mertzon, Bronte, Rocksprings, Sterling city, Menard, San Angelo and Tom Green county, Garden City Eola in Concho county, and Ballinger and Winters in Runnels county.

The above entries represent the "cream of the crop" in a dozen counties. Others are expected. Besides the carload lots there will also be single and smaller groups from these counties in addition to Reagan and Uvalde and several other counties.

Cash awards in this division total \$383.

There has also been more interest shown in the boys' breeding sheep and goat show division, of which E. E. Young, vocational agricultural instructor in San Angelo High School, is the supt.

Winners in the goat division will be given \$56 and in the breeding sheep section \$140.

The judge for the lamb show will be A. K. Mackey of Texas A.&M. College, College Station. Mr. Mackey is considered one of the best judges in the Southwest and his opinion of animals is held in high regard by breeders and buyers.

The majority of the fat lambs will be offered in the fat stock auction on Tuesday, March 10. Col. Earl Gartin, Greensburg, Ind., will be the auctioneer.

**POULTRY AND EGGS BELOW 1934 SHIPPING**

Austin, Texas, Feb. 14.—Shipments of poultry and eggs from Texas to interstate points in December were sharply below those of the corresponding month of 1934, the University of Texas Bureau of Business Research reported. Aggregate shipments of 437 cars were 19 per cent below the 539 cars in December of the preceding year.

There were 395 cars of turkeys against 475 in December, 1934, a decline of 17 per cent; chickens, 15 cars against 52 cars, a drop of 70 per cent; and eggs, 27 cars against 12 cars, an increase of 125 per cent.

Turkeys were shipped to 22 different states and the District of Columbia. It was noted in the November analysis of turkey shipments that a sharp decline occurred in forwardings to eastern markets. The same situation prevailed again in the December shipments. On the other hand, there was a slight increase in shipments of turkeys to Chicago.

Receipts of 22 cars of eggs in Texas from other states were less than half the 51 cars received during December, 1934.

**WEDNESDAY AND THURSDAY BRIDGE CLUB MEET**

The Wednesday and Thursday Bridge Club met Thursday at Royster's Coffee Shop for lunch. The following menu was served to the members: chicken a la king, fresh string beans, creamed carrots, potatoes in the jacket, and for dessert, apple pie a la mode. The following members were present: Mrs. V. G. Tisdale, Mrs. Billie Cooper, Mrs. H. D. Irby, Mrs. Clarence Knight, Mrs. Leslie Baker, Mrs. Cora Millar, Mrs. H. E. Yynn, Mrs. G. C. McLaughlin, Mrs. Seth Ramsey, Mrs. D. C. Royster, Misses Dabney and Ellington, Mrs. Edwin DeLong, Mrs. Ollie Alexander, Mrs. C. M. McWhorter, Mrs. A. D. Richey, and Mrs. Ford Oglesby.

Mrs. J. Carlton Smith and little brother Joe, went to Brownwood, to attend their sister's wedding, and while there took flu and couldn't return until Wednesday.

Mr. and Mrs. Kenneth Cheek and little son Billie were visitors at the home of Mr. and Mrs. Frank Webb Monday.
