Box Supper Nets Reynolds School \$20.00

The Editor and wife accompanied by Judge Bradley and wife, attended a box supper at the Reynolds School Saturday night, in which, the community there is trying to raise money to buy equipment for the playgrounds, and the net proceeds ran something over \$20.00. The boxes sold all the way from 40c to \$1.50. The neighborhood responded to the call in goodly number, and listened to talks from Judge Bradley and Superintendent Marshall, on co-operation in communities of this kind and from what the Editor could hear and find out the community is in a unit for a school of the best. There are 23 pupils enrolled and two teachers, have a nice teacherage for the teachers to live in and the school is starting off nicely. The community has a promising future and is located in a belt of heavy black farming land, very productive and drought resisting. Some of the largest farms in the county are going in around the Reynolds School and among its patrons.

The evening was an enjoyable one in meeting the friends of that community. We did miss our old friend Perry Johnson. He must not have been hungry, anyway the supper was a success and the school will get started on buying some kind of playground equipment.

SERVICES AT METHODIST CHURCH SUNDAY

Sunday School at the regular hour.

This will be promotion day for the school and every one is urged to be present, so they can get promotion certificates for the new classes the first Sunday in October.

Preaching at the morning hours and at night. The pastor being here for both services.

Mrs. Willie Ruth Johnson left last week end for Austin where she will enter the State University for the fall term of school.

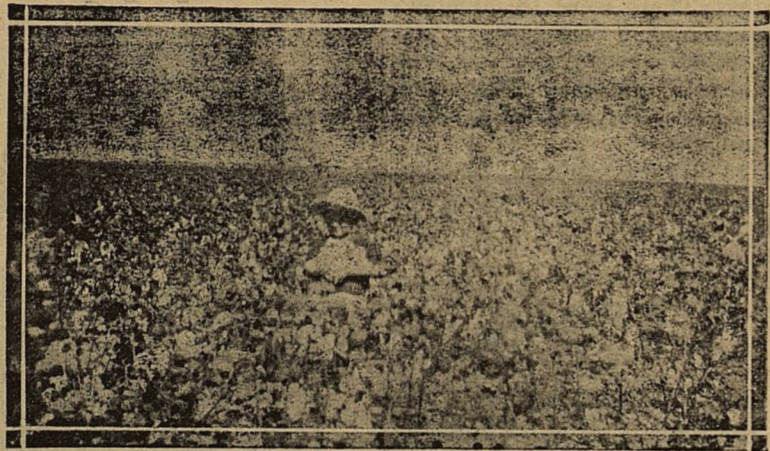

Red Top Cafe Enjoys Good Opening

Leslie Galbreath reports that the Red Top had a good opening on Friday and Saturday of last week for the initial opening of their new Beer Stand. They served free Barbecue the two days and many friends visited the place and partook of the new deal. Red Top is five miles north of Eldorado in Precinct Four, which has never had a local option election and when the state voted for beer back August 26th, it put it back in Precinct Four.

Those who attended the opening report that everything was very quiet and a fine time was had quaffing the new beverage.

MRS. WARD BROOKS DIES IN SAN ANGELO

Mrs. Ward Brooks, known in our city as Miss Bertha Williams, died in San Angelo Saturday and was buried Sunday. Mrs. Brooks has been in bad health for several months suffering from cancer. She was a daughter of Mr. and Mrs. Tom Williams formerly of our city and was about 42 years of age. She leaves a husband and two sons.

Schleicher County can boast of her cotton growing as well as its Sheep Industry, while the sheep industry has been better developed, it will have a hard time convincing people that it is a better money crop for

Parent - Teachers Association Meets

The Parent - Teacher Association met Tuesday afternoon in the School Auditorium with Mrs. R. D. Holt, First Vice-president, as presiding officer in the absence of Mrs. C. L. Poer, President. The resignation of Mrs. Poer was accepted with regret, and her successor will be elected at the next meeting.

The entertaining and instructive program consisted of group singing led by Miss Esther Zimmerman, a reading from Mark Twain's "Innocents Abroad," by Miss Zimmerman, and a discussion of the consumer's part in the NRA by Mrs. E. C. Hill.

Judging from the number present and the interest manifested, it would seem that the Parent - Teachers Association is beginning a successful year. The next meeting will be on October 19 at 7:30 P. M. The purpose is to have the fathers present at this meeting. The topic will be "School Costs," a subject of vital interest to everyone. Come and take part in this work.

Truett Stanford was in from the ranch Monday looking after business and meeting friends.

Sherwood Pioneer Dies

Mrs. S. L. Wright received a message Wednesday morning that her father, N. Branch, at Sherwood had fallen dead at the Court House where he had gone for the days work.

Nicholas Branch was born June 24th, 1857, at Leander, Texas, and was 76 years, two months and 25 days old at the time of his death, which occurred September 20, 1933, at Sherwood, Texas.

His first marriage was to Miss Lizzie Perkins at Georgetown, November 8th, 1882, to this union was born a daughter, now Mrs. S. L. Wright. His first wife died February, 17 1885. He was next married to Miss Annie Murphy, of Sherwood, Texas. She and three other children survive him. Mr. Branch came to Sherwood in the 80's and has made his home in that community for over 55 years, where he has made a host of friends. He has been in ill health for several months but has managed to keep up his work at the courthouse in Sherwood and Tuesday morning he went into the courthouse for duty he fell on his face and died immediately from apoplexy.

Mr. Branch was a member of the Methodist church for many years and lived a devoted christian life in his community. It was the writers pleasure to have known him for many years and like many of our other West Texas Pioneers he had the old time hospitality that is fading away with the coming of time.

His remains were laid to rest in the Sherwood Cemetery, Thursday, September 21st, with Robert Massie officiating and the Rev. Moreland of Mertzon, conducting the services.

Mr. Branch is survived by his wife, a daughter, Mrs. Louise Wright of Eldorado; a daughter Mrs. S. F. Ollis of Sherwood; two sons, A. J. Branch of Fort Worth, and J. W. Branch of Crain, Texas and three grandchildren.

PRESBYTERIAN CHURCH NEWS

Since the meetings are over for the summer months, we plan to have our regular services as usual.

Sunday morning the sermon subject is "The Supremacy of God's Wisdom," Romans 11: 33-36. In the evening, "Under the Palm Tree," is the subject around which the sermon will be centered. This is taken from the book of Judges.

Sunday School at 10:00 o'clock with the men's class in the manse.

Junior League meets with Mrs. H. W. Wiedenmann at 7:15 Sunday evening in the church.

The Wednesday evening Bible Study will be continued meeting at 8:15 o'clock.

Rev. A. Holley.

GRAND JURY ADJOURNED MONDAY

The grand jury which was empaneled Monday adjourned Monday evening without finding any bills, which shows that our county has been law abiding citizens for the past six months. There was very little work to start with and nothing developed for them to do.

Mr. and Mrs. Lester Henderson were in from Bailey Ranch Monday visiting and looking after business.

BIG BANQUET

The Crusaders are putting on a Big Dad and Son banquet at the Methodist Church the fifth Friday night of this month. Every crusader is to bring his Dad with him and one other man.

The boys will serve a big chicken dinner and will put on a program that you will enjoy.

Rev. Marshall will deliver an address on this subject: "The Boy and His Dad."

The Crusaders are counting on their dad and friends to be present for this great CHICKEN DINNER and the night of fine fellowship.

Scout Hall To Be Dedicated Soon

At the Lions meeting Wednesday there was a visitor, Mr. Draper, of San Angelo, who was here in the interest of the Boy Scouts and helping to plan a day for the dedication of the new Boy Scout Hut that has recently been completed under the direction of the Lions Club.

Lion Hof, President of the club, made a short talk on the Governor and District Governor of this District as this was a week set apart for this work and information. Arthur I. Beard of San Antonio is the District Governor and Lion Stokes of Sonora is Deputy District Governor.

J. H. Jarvis reported his twelfth member at this meeting and he is now a Master Key member and a program will be held next month in each club for such members during the week of October 22nd.

The Lions are entertaining Thursday evening at the She's Pipe Line Station with a chevon Barbecue, having their families, and have invited the School teachers of the county and families also, which will include about 100 people in all and a good program has been arranged for the evening which is under the Chairmanship of Lion J. H. Jarvis.

MOHAIR SALES

Reports current Thursday indicate that sales of mohair by individuals and warehouses over Southwest Texas this week runs into several million pounds and it is estimated by dealers and warehouse men that very little mohair remains unsold in Texas.

The week opened with mohair bringing from 37 to 40 cents for old hair and 45 to 47 cents for kid, and at this writing, it is reported that several million pounds were sold late yesterday at from 40c to 40 3/4c for old hair and 55c for kid.

The Eldorado Wool Company is reported to have sold its accumulation at between 40c and 41c for grown hair and 55c for kid hair. The name of the purchasing firm was not learned.

WEST - WRIGHT

T. Palmer West and Miss Blanch D. Wright of Sutton County, secured a marriage license Wednesday and left for San Angelo Thursday morning where they were married Thursday afternoon.

The bride has made her home on the S. E. McKnight ranch for several years and is well acquainted, both here and Sonora. She is a charming young woman with many friends.

Mr. West is a son of Mrs. C. C. West and has made his home among as all his life. He is ranching and farming on his mother's place near town and is held in the highest esteem by every one. He has a host of friends throughout this section who join The Success in extending congratulations and best wishes.

Roy Davidson was here Monday from the ranch west of Eldorado on the O'Nine ranch.

Deputy Sheriff Alfred Klearner of Fredericksburg and Henry Ellebracht were in Eldorado Thursday as witnesses in the Tipton case.

Schleicher's First Cotton Checks Arrived Tuesday

B. E. Moore was wearing a big smile Tuesday over the arrival of his Cotton check for the cotton he plowed up. Mr. Moore reports that 71 checks arrived on Tuesday's mail, amounting to \$23,258.00 for the Schleicher County farmers. This is about half of the checks and less than half of the money. Not only will the cotton farmer wear a smile but the bankers, merchants and all will have some interest in the arrival of the checks. These checks should be called for at once as they are supposed to be returned to Washington within fifteen days if not called for.

PAINT ROCK MAN WEDS ELDORADO GIRL

Mr. W. T. Mills, of Paint Rock, and Miss Irene Parker, of Eldorado were united in marriage at the First Baptist Church of Eldorado Wednesday morning at eight o'clock. The church was beautifully decorated with ferns and rosebuds.

After the song, "I Love You Truly," sung by Miss Estelle Johnson accompanied at the piano by Miss Beatrice Wilbanks of Paint Rock, Miss Parker attended by her cousin, Miss Lina Parker, and Mr. Mill, who was attended by his brother, Mr. J. C. Mill Jr., marched to the altar to the strains of Lohengrin's Wedding March, played by Miss Wilbanks, where they were met by the Rev. J. L. Raff, who performed the rite ceremony.

The bride was beautifully dressed in navy blue faille with accessories to match. Her attendant wore a green swagger suit with black accessories.

Immediately after the wedding Mr. and Mrs. Mills left for Alpine, Carlsbad and other points west. They will be at home six miles east of Paint Rock after Sept. 25th.

Those who attended the wedding were Mr. and Mrs. E. C. Parker, parents of the bride; Mr. Luther Parker, Thorpe and Glen Parker; Mr. and Mrs. W. H. Parker; Mr. and Mrs. W. M. Davis; Mr. and Mrs. Charlie Mund; Mrs. Mabel Parker; Mrs. J. L. Tibbs; Master Howard Parker; Misses Marie Stanford and Jo Stephenson; and Mr. Wilson Parks, all of Eldorado. The out of town guests were: Mr. and Mrs. J. C. Mills, of Paint Rock; Mr. and Mrs. W. A. Stroman and Mr. and Mrs. C. J. Stroman of San Angelo.

Miss Parker is the charming daughter of Mr. and Mrs. E. C. Parker of our city, prominent stockfarmers of this county and has been reared in our midst. After graduating from our school she attended Sul Ross and graduated from there with honors, and since then has been teaching school near Paint Rock where she met her companion, Mr. Mills. Miss Irene, as she has been known, is loved and honored by many friends who wish her well in the future days.

Mr. Mills is the son of Mr. and Mrs. J. C. Mills of Paint Rock and is well known in Paint Rock, Ballinger and San Angelo.

The Success together with the many friends extends best wishes for their future happiness.

SEPTEMBER 22, 1933.

Saturday looked like one of the old time days in Eldorado in the fall of the year when cotton picking just began and our business houses were crowded with customers. We trust that we will have several weeks of this much needed business.

A two weeks revival at the Baptist Church closed Sunday night. We trust it has left a stronger conviction for us to do right and just as little harm as possible. Rev. Frazier did his part in trying to convince us of our wrong doings and has worked hard for the upbuilding of his church and its people, which was greatly helped by the two weeks services.

And now since the Dog Tax has become a law in Eldorado, the Jones' has begun to wonder what will become of their dogs.

Do you think that yelping pup is worth that tax? If not, send him to the country where he can do his part.

The mohair growers are getting a nice price for their hair if all the reports are true, and the business is about to come back strong as a billy goat.

Schleicher County is situated in one of the best sections of Texas for diversification in crop growing and stock raising. Something all the year round to bring in a little money, can be grown in this county, and just a little money is all we are entitled to, in fact a little is all most of us can stand. When we get too prosperous we drift into idleness and pleasure seeking people, forgetting God and a few cents and begin to live for self alone. Then disaster comes and we return for a season for the better things. But Grand Old Schleicher has about the best ideal climate in Texas as well as soil for a people to be happy and prosperous.

Miss Mozelle Turney who has been visiting Mrs. Polk Oliver and Mrs. Otis Buie and other friends here for the past several days returned to her home in Robert Lee Sunday.

Mr. and Mrs. J. W. Lawhorn Jr. returned from San Angelo last week end bringing their little daughter, Worth, who has been ill and in the San Angelo Hospital for several days, but who is slowly improving.

W. E. Baker, who has been to Temple for an operation, returned Monday for further treatment by X-ray. He thought he would be gone about five or six days.

ON TEXAS FARMS

By W. H. Darrow
 Extension Service Editor

What to do with retired cotton acres has not stumped Texas farmers. From every part of Texas reports from county agents come pouring into Extension Service headquarters describing good uses to which extra acres have been put or are about to be put. Not all of them deal with actual retired cotton acres but are ideas that may be practiced on ex-cotton acres.

There is Garrett Moulton in Franklin county who planted corn in the cotton middles before plowing up the contracted crop. With the help of a few showers he has the prospect of a better corn crop than on his regular corn land.

In Tyler county 90 per cent of the farmers have planted fall gardens and half of them are sowing oats, rye, grass and hairy vetch for winter grazing and later plowing under the enrich the soil.

A permanent use for old cotton acres may be the growing of sorghum for syrup. In Bastrop county syrup mills have increased four-fold in three years as a result of demonstrations in growing better sorghum cane. In the sandy land parts of the county the growing of 1-2 acres to 11-2 acres of good syrup cane is a part of the regular farm program.

Foard county ought to have a good supply of alfalfa hay in the years to come for many farmers are preparing to put idle cotton acres into this crop this fall. Some plan to follow the Spur Experiment Sub-Station method of terracing and corrugating alfalfa land to hold runoff water from adjacent fields.

Gonzales county farmers are said to be looking forward to the new cotton contracts with the idea of grooming the retired land up a few years by terracing and planting soil building legumes. In the recent campaign committeemen reported from 50 to 75 pounds more seed cotton per acre on terraced land than on un-terraced in every part of the county.

Thousands of Women Have Taken Cardui on Their Mothers' Advice

It is an impressive fact that many women have said they learned of the value of Cardui from their mothers. What stronger evidence of her confidence in a medicine could a mother have than that she advises her daughter to take it? Cardui is given the credit for relieving so many cases of womanly suffering that it is widely and favorably known. Drug stores, everywhere, sell it. If you are weak, run-down, suffering monthly, take Cardui. Take it for a reasonable length of time and try it thoroughly. As your health improves, you will share the enthusiasm of thousands of women who have written to say: "Cardui helped me."

THE ARROWS OF TAXATION

A cartoon in the Detroit News shows a figure representing the American taxpayer, completely surrounded by arrows shot in his direction, each labeled "tax." Some of the arrows have penetrated his clothes, his lunch basket, and his body, and he is obviously in imminent danger of a complete demise.

That is a very apt illustration of the plight of the individual at present. The arrows of taxation have never flown so swiftly or so thickly. They come from every point of the compass and they come in bunches. Their number is constantly gaining. Their points become ever sharper.

It would be interesting to make a list of all the taxes Americans living in one place or another are required to pay. It would take up a lot of paper. The old, tested taxes, such as those on property, have been overshadowed by a multitude of new and experimental taxes. We pay them upon income, upon the gasoline or electricity we use, upon the securities we own, upon the hat we buy or the beer we drink, upon the movie shows we go to and the clubs we join. Special tax after special tax is suggested and passed—and every article or service upon which it is inflicted is already paying other taxes either directly or indirectly.

Cities, counties, states and the Federal Government have been engaged in a spending spree ever since war-time. They have grown upon it. In their eyes luxuries become necessities and economy and efficiency are forgotten terms. They want more public money—and when the source from one supply runs low, they simply tap a new one. And the arrows of taxation are shooting holes in pants and pocketbooks.

HOME DEMONSTRATION NOTES

Miss Sallie F. Hill, district home demonstration agent was a recent visitor in Eldorado. She was here in conference with Miss Howell, at which time plans for the coming year were discussed.

The Use Of The Three Types Of Tin Cans

In order to clarify the uses of the three types of cans—plain, enamel and standard enamel, the following rules are given. Plain cans: Can meats, apples, apricots, peaches and pears. C-enamel: Foods containing sulphur such as corn, onions, cauliflower, cabbage, turnip greens and sweet potatoes should be canned in C-enamel cans. Standard enamel: Foods containing color that you wish to retain such as beets, rhubarb, berries, tomatoes, pumpkin should be canned in enamel cans.

Mrs. A. P. Bailey, who has been in Temple the past several weeks with her son, Payne, who received a broken leg during the Eldorado Rodeo, on July 27, and who is in the hospital at Temple, came home last Thursday afternoon late. She reports that Payne's leg is doing much better and that he will be there several weeks yet.

"COUNTRY WOMANS CLUB"

"Nice ripe tomatoes, sweet peppers, and spices, were used in a tomato catsup demonstration" given by Miss Howell, County Home Demonstration Agent, Wednesday Sept. 13. After the business hour the 15 members and 8 visitors took great pleasure in presenting a friendship quilt to each of the following: Miss Howell, President Mrs. Marion Wade and Vice-president Mrs. Bill McSwaine.

Nice refreshments of cake, sandwiches and punch were served by the hostess. Meeting adjourned to meet with Mrs. Truett Stanford, Wednesday Sept. 27th.

THE FRUITS OF COOPERATION

A short time ago Secretary of Agriculture Wallace said that the present cotton plan—which is reducing acreage, improving the market and stimulating prices—was principally the work of farm organizations, and not the Department of Agriculture.

Those who should know believe that the plan means millions of additional dollars in the pockets of cotton producers. If that is true, it is a signal victory for the forces of cooperation.

As a matter of fact, wise farmers and observers have known for a long time that their greatest hope for recovery lay in the success of the cooperatives. Individual farmers are powerless in the face of adverse forces. Government relief plans, valuable as they often are, are designed to bridge times of emergency, and lay little stress on the long view. The co-ops are working to create a sound and permanently prosperous agricultural structure—only they have the weapons that are needed if success is to be achieved.

During three years of bleak depression the co-ops held thousands of farmers together, and kept them laboring in a common cause. In that time they unquestionably did much to prevent a complete agricultural collapse. Low as prices were, they would have been lower yet had the co-ops not existed.

VERMONT HOME CLUB

The Vermont Home Demonstration Club met at Mrs. Doc Kerr's Home Thursday with Mrs. Ed. Bradshaw as hostess. There were 18 members present and 5 visitors.

A round table discussion was given on "Tomatoes" as a food. Tomato recipes were exchanged by members. Miss Howell gave a demonstration on table manners. Refreshments were served by the hostess.

The next meeting will be with Mrs. Ed Finnigan, Sept. 28.

SCHOOL ENROLLMENT LARGE THIS YEAR

A total of 370 pupils have been enrolled in the local school to date. This is the largest enrollment we have ever had in the school. The enrollment now is about 30 larger than at the same time last year. Fifteen teachers are employed in the Eldorado school.

The number enrolled in each class follows:

First Grade, 34; Second Grade, 29; Third Grade, 37; Fourth, Section A, 32; Fourth Section B, 25; Fifth Grade, 43; Sixth Grade, 38; Seventh Grade, 32; Total 270.

High School, 104, which makes a grand total of 374.

The other four schools in the Eldorado district have five teachers and have enrolled about 55 pupils to date.

NEW TEACHERS IN ELDORADO HIGH SCHOOL

By Alicia Burk

There are several new teachers in the Eldorado High School this year, and we are sure you would like to know something about each one of them.

Mr. Cooper, the mathematics teacher, has his home in Temple, Texas. He graduated from Temple High School and attended both Mercer and Simmons University. This is Mr. Cooper's second year in teaching.

Miss Norwood is the new Spanish teacher. Her home is in Marlin, Texas. She also graduated from Marlin High School. She has been teaching Spanish five years and is now working on her M. A. in Madrid, Spain.

Miss Knight, the librarian, and also teacher in grammar school has been teaching three years. Her home is in Sterling City, Texas. She graduated from Sterling High School and C. I. A. College. She also attended O. U. last summer.

Miss Zimmerman's home is in

Marlin, Texas. She graduated from Marlin High School, attended C. I. A., and has taught two years. She has taught public music, English and different subjects in grade work. She is now teaching departmental work in the fifth, sixth and seventh grades and also public speaking in high school.

Miss Ford's home is in Eldorado. She graduated from this high school and attended C. I. A. This is her first year of teaching. She teaches spelling in 2 sections of the fourth grade and reading and history in the fifth grade. She also keeps three study hall's in the high school and one in the sixth grade.

We welcome the new teachers to Eldorado and hope they will like both our school and town.

FOOTBALL PROSPECTS FOR 1933

By Sam Cloud

This year's team will have only seven letter men but with the fighting spirit and sportsmanship always shown by the Eagles they should bring back the spoils of victory. Coach Williamson has produced surprising results out of the material in his four years of coaching here and there is no reason that this year's team should not do as well as the others.

The letter men are: Junior Isaacs, Captain and full-back; Joe Hext, quarterback; R. J. Alexander, half-back; Billy Kerr and Aris Carr, ends; John I. Jones, guard; and W. B. Gibson, center.

The following men have had some experience. Milton Spurgers, Alton Page, Ray Reynolds, Dee DeLong, Edward Butler, Richard Jones and Jack Shugart.

In the new men there are some good prospects. Some of these are fast and some are large while the rest are smart but stubborn. They are: Felix Susan, Harold Susan, Jack Meador, W. C. Parks, Gaylon Casey, Paul Davis, Sam Cloud,

Cecil Moore, Jack Hext, L. E. Frazier, Hollis Nut and Glenn Parker.

The majority of the games to be played this year are to be played here and Eldorado should be well represented at each game. This team of 150 pounds average is going to do their best to win so do your part and encourage them every chance you get.

SENIORS OF '32-'33

By Jess Ella Johnson

I suppose we are all interested in knowing what the seniors of '32-'33 are doing now. Several are going off to college. These going to college are as follows: Faye Keeney, Baylor University at Waco; Jack Kerr, Daniel Baker at Brownwood; Pat Ken. Draughn's Business College at San Antonio; Bell Sample, Roberta Milligan, and Willie Ruth Johnson are attending the University of Texas at Austin.

Some of the students must really like Eldorado High School as there are five of last year's seniors attending school here again this year. They are—Alicia Burk, Dannel Jones, Margaret Sheen, Nell Campbell, and John Alexander. Jim West's Filling Stations will keep him occupied here in Eldorado. The rest of the Seniors will also remain at home.

EAGLES VS. TOWN TEAM

By W. B. Gibson

The High School football team took on their first bit of competition for this year last Friday. The Eagles won the game by a narrow margin of 6 to 0. The team did fairly well on defense, but much improvement is needed on the offense before the Eagles can expect to do anything in Conference games. Billie Kerr caught a blocked pass and made the only touchdown of the game. The team as a whole should profit from this game and practice more for the game with Ballinger this week end.

The starting lineup was: Hi-School Position Town
Billie Kerr End G. Barnes

A. Carr End H. Graves
A. Page Tackle E. Sharp
D. DeLong Tackle B. Smith
J. I. Jones Guard W. Spurgers
R. Reynolds Guard W. Davis
W. Gibson Center E. McAngus
M. Spurgers Half-back
Mr. Cooper
R. J. Alexander Half back
A. Smith
J. Hext Quarterback C. Isaacs
J. Isaacs Full back C. McClatchey

ELDORADO HIGH SCHOOL LIBRARY

By Minnie Logan

Miss Knight has charge of the high school library. Her assistants for the first semester are: Margaret Hill, Zona Clare Koy, Lois Whitley, Wenona Enochs, and Minnie Logan. These girls have been helping in rearranging and repairing the books.

Twenty-eight books on the approved list have been added to the library this year. Practically all the library books are classified according to the Dewey decimal plan of classification. A library course consisting of twelve lessons will be given by the librarians in order to fulfill all the requirements of the Southern Association of Classified High Schools.

THE PEP SQUAD OF 1933-34

By Louise Boyer

The Eldorado pep squad of 1933-34 is sponsored by Miss Norwood and Miss Knight. The leaders have been elected.

They are: Anna Ruth Spurgers, Captain; Loleete Andrews and Fae Belle Enochs, assistants. All of these have good voices to sing and yell.

The members of the pep squad decided that their uniforms would be black trimmed with gold. There has been no other plans discussed in our meetings.

There are about thirty-five members of the pep squad. The Fish that came in take the place of the seniors. Probably they will make yell leaders.

A TONIC Laxative

CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms. When excessive accumulated waste matter disturbs and strains the muscles of the large intestines, rendering them temporarily unable to perform their wave-like evacuating movements, Theford's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Theford's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation.

BRIDE-ELECT HONORED WITH SHOWER

Miss Irene Parker, bride-elect of Mr. W. T. Mills of Paint Rock, was honored with a kitchen shower at the home of Mr. and Mrs. W. M. Davis, Saturday Sept. 16th, Mrs. Davis and Misses Linna and Lelia Parker acting as joint hostesses.

The house was attractively decorated with rosebuds and Zinnias. When the guests arrived they were given lovely bell-shaped booklets announcing the wedding. The programs consisted of a musical reading, "It Takes a Heap of Living to Make a Home," by Grace Ratliff accompanied on the violin by Oma Ford; the song "Always" by Mrs. W. N. Ramsay; and prophetic sketches of the bride-elect ten years from now, after which a little farmerette and a farmer entered the room pulling a small wagon filled with many useful gifts.

The farmerette, Rosylia Sweatt was appropriately dressed in a checked apron and the farmer, Howard Parker wore overalls. After several loads of gifts were unloaded delicious punch was served to the following guests: Mesdames W. N. Ramsay, May Tisdale, Frank Bradley, Will McAngus, O. E. Conner, W. H. Parker, J. L. Tubbs, Charlie Mund, Bill Sweatt, E. C. Parker, Allie Sweatt, and Bernice Currie, and the Misses Estelle Johnson, Marie Stanford, Oma Ford, Una Ford, Vera Wade, Blanch Newlin, Grace Ratliff, Charlene Mund and Francis Mund.

REV. MCWHORTER SENDS THANKS TO FRIENDS HERE

Rev. W. H. Marshall received a letter from Rev. J. D. McWhorter and wife Saturday, who wanted him to publically thank the many friends here for the donation sent him last week after the storm. Rev. McWhorter writes that the large mesquite tree that stood in front of the parsonage, which was about 13 inches in diameter, was blown down. The roof was blown off the building, the garage was blown away but did not damage the car, left it setting on the floor. He says his people are busy trying to make a come back in a financial way but everyone received personal property damage and the struggle will be hard.

Mr. J. C. Carr and Rev. W. H. Marshall left Monday morning early for Los Fresnos, where the storm destroyed so much property a short time back, and where Rev. Marshall was pastor for several years.

Perry Johnson and wife were in the city Saturday looking after business matters and visiting friends.

Mr. and Mrs. Lawrence Steen were in from the ranch Saturday visiting friends and trading.

John Rae was among the ranchmen that transacted business in the city Saturday from the ranch west of Eldorado.

Hugh Richardson was in from the ranch Saturday looking after business and meeting friends.

S. D. Harper, wife and two children were in from the ranch Saturday mingling with friends and trading.

Ford Oglesby was in from the ranch Saturday looking after business.

Willie Isaacs was in from the ranch in the Rudd neighborhood, Monday meeting friends.

NEW GROCERY FOR ELDORADO

Mrs. G. B. Shoemaker will open up a new grocery store in connection with her feed store and will open for business by the last of next week. The work is being done on the building this week. She will have a free delivery from seven a. m. until 11 a. m. each day.

MATTHEWS - SPURGERS

Mr. Fred Matthews and Miss Ruby Spurgers were united in marriage in San Angelo the early part of last week and went on to Lampasas to visit friends and relatives.

Mr. Matthews is one of our best young men and has ranched with his brother, Hensel Matthews, for several years south of town, and has worked on several other ranches here.

The bride is a daughter of Mr. and Mrs. Grover Spurgers of our city and has been reared in this community. The happy young people returned this week and will make their home here at the present. The Success joins the many friends in wishing them many happy and prosperous years.

ELDORADO HOME CLUB MEETS

The Eldorado Home Demonstration Club met with Mrs. L. T. Wilson with an all day quilting Friday Sept. 15th. Each member carried a covered dish. A good number of members and visitors were there and all reported a very enjoyable day. The next meeting will be with Mrs. Taylor on Sept. 29th, to make catsup.

Modern Electric Cookery "Seals-In" Vital Health Elements of Foods

In contrast to old-fashioned methods of cookery, the modern Electric Range makes it possible to serve meals of surpassing healthfulness . . . as well as incomparable flavor.

. . . And the reason is simple. With electricity foods are cooked in a minimum amount of water, or entirely in their own juices. The heat is concentrated directly on the bottom of the utensil . . . so the steam rises, condenses on the cool lid, and drops back into the vessel . . . to be used over and over. Thus, all vital food values remain "sealed-in"!

Don't Pour Food-Values Down the Sink!

If you're using an old-fashioned method of cookery, the most valuable elements of your foods are going into the sink . . . with the water you pour off vegetables and meats!

For Health, for Convenience, and for Economy you should cook the modern electrical way. Prices and terms . . . right now . . . allow your purchase to fit into the family budget with ease. Ask for a demonstration of modern Electric Cookery today!

Call us for an individual investigation of your use of electric service to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.
