

# THE ELDORADO SUCCESS

OF AND FOR ELDORADO AND SCHLEICHER COUNTY, ALL THE TIME

VOL. XXXIII

Eldorado, Schleicher County, Texas, Friday, October 6, 1933.

No. 39

## Eldorado Water Test Free Of Germs

Four tests were sent to Austin last week to the Department of Health from the Eldorado Water supply and all of them were pronounced "A One" or free from any contamination. Every once-in-a-while some one becomes frightened and thinks that our water system or supply is bad, but it is always found to be free from contamination. We have the purest water in America. It comes from 300 feet under the top of the earth and that through solid rock. The only thing the Company has to do is to keep it pure in the tank and mains and our friend, W. E. Eaton, knows how to perform in that line. The law requires him to keep it tested and pure and he will do the job.

## CHAPTER AND COUNCIL MEETS TUESDAY NIGHT

The Chapter and Council for Eldorado will meet next Tuesday night October 10th, at the Masonic Hall for special work. All members are urged to be present.

## LIONS MEETING

The Eldorado Lions met Wednesday with four guests, Rev. Forrester, Carr, and Misses Andrews and McClatchey. They first met at the Scout Hall for a picture but the photographer was not present and the picture was postponed until next Wednesday.

The president announced that next Tuesday at Sonora at 7:00 o'clock the District meeting would be held. Quite a number promised that they would attend. Lion E. C. Hill is District President now and W. N. Ramsay is Secretary.

Misses Andrews and McClatchey were on the entertainment program for the Luncheon and their entertainment was appreciated by all present.

## WILL STEWARD LOSES HOME

The home of Will Steward burned to the ground in a few minutes Wednesday at noon. Mrs. Steward was cooking the noonday meal, and stepped out to the neighbors just across the alley and when she looked back the home was on fire. She supposed the oil stove exploded.

The Steward home was among the oldest land marks in our city, being built when the town was first started. We understand they had no insurance.

W. R. Nicks dropped in our office and renewed the subscription of his father and his own. Wednesday, S. I. Nicks is among our oldest readers and also among the oldest settlers of the county.

## Lions To Sonora Tuesday Night, Oct. 10th

The Sonora Lions Club will entertain the District meeting next Tuesday night at Sonora Methodist Church. The District is composed of four or five counties. The District Governor will be there to address the meeting as well as other entertainment.

The Eldorado Club is expecting to go down strong. Remember the date, Tuesday night, October 10th, at 7:00 P. M.

## STATE FAIR READY TO OPEN SATURDAY

Dallas, Texas, Oct. 4th.—With the greatest agriculture, livestock and poultry shows on record entered and now being arranged; with more than 250 major manufacturing plants of the state with their exhibits in place, and with one of the best amusement programs in history of the organization all set, the 47th annual State Fair of Texas will open its gates on next Saturday, October 7th, 1933.

## SCOUT HALL TO BE DEDICATED

As we go to press Thursday afternoon, preparations are being made to dedicate the Scout Hall Thursday night. The new hall has just recently been completed and its dedication was planned. Houston Hart of San Angelo is scheduled to address the scouts and visitors at the dedication. The Scout Hut has been built by the help of the Lions Club and by using some of the R. F. C. funds received this spring and last winter. It is a nice building and will be useful many years for scouting.

## FIRST METHODIST CHURCH

Sunday School 10 a. m.  
Morning Worship 11 a. m.  
We will worship with the Christian people Sunday evening. Let every member be present for both services Sunday.

The Fourth Quarterly Conference meets the 20th of this month. At this time we will be so glad to have all the membership present. Our people are in a fine spirit and working together; we can bring the year to a successful close and the pastor will be able to go to the Conference with a good report from the Eldorado Methodist Church. Let every one do his or her best. Working together we do the impossible.

W. H. Marshall.

WANTED: Plain sewing. Satisfaction guaranteed. Prices reasonable.

Mrs. John Rodgers

Mrs. Joe Tisdale is in Temple this week where she was operated on Monday. Her many friends anxiously await word from her bedside.

Pete Owens was in the city Wednesday and dropped some more beans in The Success bean bag for which he has our thanks.

The Legislature voted \$1,500.00 for Refrigeration in the Governors Mansion, now Jim can cook better while his wife serves as Governor of the Greatest State in the Union.

## Crusaders Banquet A Success

Rev. W. H. Marshall and his Crusaders gave a chicken banquet last Friday night at the Methodist Church and gave a program in connection with it. About 75 people were fed to the satisfaction of all. After the feed they were entertained by the Crusaders and others.

Rev. Forrester was present and made a very impressive talk to the Crusaders especially. A free will offering of \$14.00 was made to the boys by those present.

## PRESIDENT ADDRESSES AMERICAN LEGIONS

President Roosevelt addressed the American Legion in convention at Chicago and told them just where he stood on the bonus question and the pension question. He said that a Service man who was not injured in battle or service was under the same consideration that the American citizen was.

You may not agree with the President but you must admire his courage and honesty in trying to put the Government back in the Foundation on which it was founded.

## MRS. W. T. GREEN OPERATED ON SUNDAY

Mrs. W. T. Green was carried to San Angelo Saturday and was operated on Sunday for an old female trouble, also had her appendix removed. Word from her bedside reports her recovering nicely.

## OVER 800 DIE FROM DIPHTHERIA IN 1932

AUSTIN, Texas, Sept. 25.—Texas lost over eight hundred of its children last year from one preventable cause. The disease responsible was diphtheria. Dr. H. N. Barnett, Director, Bureau Child Hygiene, in commenting on this loss, said, "Diphtheria could be practically eliminated if parents would take their children to their family physician and have them immunized as soon after they reach six months of age as possible. Parents would not allow their children to walk in front of a moving car, so why will they allow them to run the danger of contracting diphtheria. This immunization should be done as soon as possible as the winter months are the ones in which the most deaths occur and it takes some time for immunity to occur."

Mr. and Mrs. J. H. Jarvis were in the city Wednesday shopping and visiting and attending club work.

Word was received from Bracketville this week that Sam Washington, colored, who was taken to Bracketville for treatment, had died and was buried there. Sam Washington was a Spanish-American war veteran and was with Teddy Roosevelt when he captured Cuba. Sam told us that he was Roosevelt's private horseman. He drew a pension for his service.

Miss Estelle Johnson left Thursday for Wichita Falls where she will attend a business College. She will stay with her sister, Mrs. O. R. Burden.

## San Angelo Girl Wins Bible Contest Here

Miss Margaret Withers of San Angelo was declared the winner of the sword drill held here Sunday at the Baptist church, at the monthly meeting of Baptist Church Training Service. The meeting was held Sunday afternoon in our city. Miss Withers will represent the Concho Valley Association at the District contest at Brownwood November 3rd.

## THE ELDORADO HOME GROCERY STORE

Peace and Good Will to every body. There was a good many people come in to see the Old Folks Saturday and traded liberal enough. So come again and bring some one with you.

Mrs. G. B. Shoemaker, Prop. Old Man Shoemaker 0 0.

## TEXAS WOOL 63,314,000 POUNDS

Texas wool production for 1933 is estimated by the U. S. Department of Agriculture at 63,314,000 pounds, a new high record and 6,209,000 pounds or 11 per cent above the 1932 crop. Texas accounted for better than 18 per cent of the total United States production of 348,194,000 pounds.

## STEADY RECOVERY SHOWN IN TEXAS CHEESE INDUSTRY

The cheese industry is making one of the steadiest recoveries of any industry, according to A. J. Riddle, division manager for the Kraft-Phenix Cheese Co., Denison, in announcing a milk price of 28c a pound.

## NEW RULES FOR INTER-SCHOLASTIC LEAGUE

AUSTIN, Texas, Sept. 25.—This year will see the inauguration of the new 8-semester rule of the Interscholastic League, adopted a year ago last spring but effective September 1933. This rule is based on attendance in school rather than on participation in League activities, according to Roy B. Henderson of the University of Texas League Bureau, and makes ineligible any participant in any League event, either literary or athletic, after he or she has been in attendance in high school eight semesters.

This rule is predicted on the belief that the Interscholastic League is designed for the average high school boy or girl, and that such a student would be handicapped in competing with older, more experienced boys or girls.

The first application of this rule will be with the opening of League football this month.

## Connally And Thomason To Speak At San Angelo

A letter from J. C. Deal of San Angelo, announces that Senator Tom Connally and Congressman R. Ewin Thomason will be in San Angelo next Monday night to address a meeting in the City Auditorium on the N. R. A., in which all West Texas is interested. They extend an invitation to all of the Schleicher County Citizens to come hear these men and help put the N. R. A. over in West Texas.

## REYNOLDS SCHOOL HAS BARBECUE AND ICE CREAM SUPPER

The Reynolds School had an ice cream and barbecue supper last Saturday night and the entire neighborhood gathered together for the occasion and spent a social evening together filled with the spirit of community building. Although that community was in the dry belt this summer the citizens out there have determined to live for the future and make their community one of the best yet. The Reynolds School is surrounded by many acres of the best land in Texas and is destined to become a community center of importance in the next few years.

## W. M. S. OF BAPTIST CHURCH MEETS

The W. M. S. of the First Baptist Church held its monthly business and Missionary meeting at the church Monday with an all day meeting. The hour 11:00 to 12:00 was given over to business, then from 12:00 to 1:00 dinner was served to the women and their husbands. From 1:00 to 2:00 the West circle gave a Missionary playlet. The women decided to get Bro. Frazier to teach a Bible class every third Monday of the month. The circles will meet separately at the church next Monday.

## THE ANNUAL SLAUGHTER

The Lind, Washington, Leader defines: "Americanism: Doing the daily dozen for health and trying to pass another car on a blind curve an hour later."

That is something more than a witticism. The recklessness of driving in this country amounts to a national tragedy. It is a constant menace to the lives of us all. It touches every pocketbook in a dozen different ways. And, in spite of aggressive and well-directed efforts to lessen highway accidents, the toll grows.

Passing on curves is one phase. So is disregarding signal lights and warning signs. So is driving at high speeds where conditions call for caution. So

## 4-H Club Boys Organizing

C. Snell, County Agent, reports that the Eldorado 4-H Club for boys are organizing and putting calves and lambs on feed for exhibition again at the Fort Worth Fat Stock Show and the San Angelo Fat Stock Show.

Among those already feeding are Cecil Moore, 13 lambs and one black Angus calf; Edgar Sauer at Reynolds School 15 lambs now on feed; Odell Green of Bailey Ranch, 15 lambs on feed; Robert L. Nolen, not in 4-H Club, is feeding 27 lambs for open class; Thomas Richard Jones has a Hereford Calf now on feed. There are about 20 boys signed up for the Club so far and others are coming in next week.

Schleicher County has made good or excellent showing in the past years and should do so again, although we have been in a bad drouth all the year which gives the stock a handicap to start with, and feed crops are sorry also, but with the good stock raised on our ranches Schleicher County 4-H Club should and will make a creditable showing at home and also at the Fat Stock Shows of this State.

The public should get in behind the 4-H Club and see that they get in for the biggest show we have ever had.

## PARKER - BENTON

Mr. and Mrs. E. C. Parker returned from Alpine Monday where they had been to attend the wedding of their son, Roscoe Parker, who has been attending Sul Ross College for four years.

Roscoe was married Sunday morning at the Baptist Church in Alpine to Miss Irene Benton, who has just received her B. A. degree this summer from Sul Ross. Roscoe will get his degree after the first of the year. He is a fine young man and seems as if he is only a schol boy but is 22 years of age, has many friends in our city and was an excellent student in our High School.

The bride is not known here very well although she visited here this summer. She is a niece of Grandpa Benton and came from East Texas to Sul Ross for her education. It was here that the young people spent four years in College together, Roscoe working his way thru for the past two years.

The Success joins the many friends here in wishing them a long and happy married life.

is one of the most fundamental and deep-rooted of driving impulses—discourtesy.

Some time ago an insurance magazine carried a vivid editorial concerning a "Roman holiday" that was to take place. Thirty thousand people, of all ages and classes, were to be gathered in a field. Motor vehicles—private cars and trucks and taxis and buses—would drive in and roar about the field until all its occupants had been killed. The public would look on disinterestedly.

The only difference between that horrid event and the annual automobile accident toll is that we kill the thirty thousand people during 365 days instead of one, and in ten thousand different places instead of the single field. The result is identically the same. And it is going to occur this year and the next and every year after that until the average motorist awakens to his responsibility.

Remember that "Roman holiday." It will be worth thinking about next time you contemplate passing on a curve, or doing any of the scores of things that may lead to death, injury and destruction.

Mr. V. M. Bowen, of San Angelo, Texas and Mr. J. H. F. Smith of Mereta, Texas were guest of Mr. and Mrs. D. E. DeLong this week.

### The Eldorado Success

A. T. Wright Editor  
 Agnes Wright, Associate Editor  
 Subscription per year \$1.50  
 We appreciate any item of news you might know. Call 77 and we will do the broadcasting.

OCTOBER 8, 1933.

We want our Ferguson friends who insist on coming in and asking us what we think of the way the Legislature is handling Jim, not to get mad if we tell them, "We told you so." We expected nothing else and would not be surprised if the Governor was impeached. Jim was impeached and he should have been, and even Jim's friends know that the present Governor is incompetent. A good lady, a good mother, but not a Governor, and why argue the case.

The price of Wool and Mohair advancing should bring our ranchmen back into prosperity by the coming spring.

Several months ago one could buy a goat and make the price himself, but today the goat is coming back to be recognized as commercial property again.

The Success has sent out all subscription accounts to date and would appreciate a remittance as soon as possible. These accounts are all small but when they are all paid they will be of much assistance to us. For the past few years we have cut one third off the subscription price. Everything is advancing but we will for the present remain at the old price of \$1.00 for all papers mailed in the County. Those leaving the county will be \$1.50.

People were refreshed Sunday afternoon when a rain amounting to a quarter of an inch fell in Eldorado. North of Eldorado a heavier fall was received. We understand there were some children in Schleicher County who had never seen a rain.

Our old friend, J. P. Rodgers dropped into our sanctum sanctorum Monday and reported that he was almost 81 years old. He said that most of his boyhood friends had already crossed into the Promised Land, and that he too must soon go, but was ready to meet the day. Mr. Rodgers came to Texas in 1854 and has made his home in this county for several years. How sweet and pleasant must be the sunset of life when a man has always lived to bless mankind and comes to the end of the way in sweet fellowship with God and man.

"Uncle" Cicero Enochs who has lived at the Eldorado Cemetery was found sick one day last week and brought into town to his daughter's Mrs. Craig. "Uncle" Cicero, as he is called, is badly crippled and has been staying at the Cemetery in a small house owned by the Cemetery Association for the past few years.

We have talked to him many times and he always says, "I am just waiting for the call." He has lived in our midst some 30 years.

Patronize our advertisers and tell them you saw it in The Success.

### CLIFF HOME DEMONSTRATION CLUB

The Cliff Home Demonstration Club met at the Cliff school house Friday Sept. 29th. We had supper of fried chicken, weinnes, salads, ice tea, cake and steaming hot coffee. There were 41 of us present. —Reporter.

### THE COUNTRY WOMAN'S CLUB

The Country Woman's Home Demonstration Club met Wednesday Sept. 27 at the home of Mrs. Truett Stanford.

The Club is going to give a Halloween Party which will include the members and their husbands. The place for the party was not fully decided.

Twelve different members were appointed by Miss Howe, to work up exhibits for achievement day, which will be Nov. 1st. The exhibit will be placed in a show window in town. So every one may see what the club has accomplished during this year's work.

There were thirteen members present and two visitors. Refreshments of delicious Ice Cream and cake were served.

The next meeting will be with Mrs. Bill McSwain, Oct. 11.

### PETER W. SEWELL 1862 - 1933

Many of our citizens of Schleicher County, Texas will be deeply sorrowful of the receipt this week of news of the death of one of our oldest and most esteemed citizens of Eldorado, Mr. Peter Whittenburg Sewell.

Mr. Sewell died September 3, at the residence of his daughter Mrs. Charles B. Lowe, in Los Angeles, California. Peter Sewell was born in Springfield, Mo., in 1862, and came to Texas in 1879, settling in Coleman County where he lived 24 years, near Coleman City. Mr. Sewell there married Madeline Jameson and it was in Coleman County where most of their six children were born.

In 1902 Mr. Sewell came to Schleicher County and took up four sections near Eldorado, where he and the family have lived ever since.

Mr. Sewell suffered an infection in the left leg about two years ago and had the leg amputated at that time. The infection, however, had already transferred its poisonous effects to the right leg and it was in the endeavor to get above this trouble that surgeons amputated the right leg about a month ago. The loss of blood, however, and the spread of the noxious poison had made inroads upon Mr. Sewell's constitution which could not be counteracted and successfully overcome by the noted physicians, who were in instant attendance upon him, and he passed away early the morn of September 3rd.

Mr. Sewell was respected and loved by all who knew him closely in this section and word received from Los Angeles indicates his having made a host of friends during his brief residence there. He was buried in Inglewood Cemetery, one of the most beautiful on the coast.

Mr. Sewell is survived by his wife, Mrs. Peter Sewell; his daughters Lillie, Mrs. H. V. Carr; Virgie, Mrs. C. B. Lowe; Oglia, Mrs. Jack Conley and Madeline Sewell and his two sons, Ruff and Roland Sewell, both of Sonora, Texas. The sympathy of the entire community is extended most profoundly to the relatives of this most highly esteemed and deeply lamented neighbor.

Mrs. Albert Curry of Ozona was here Tuesday visiting Mr. and Mrs. A. P. Currie. She will be known here as Miss Ola Gore. Mrs. Curry reports that her brother, Wayne, who at one time was "The Devil" in The Success office was now working in a bank at Corpus Christi.

### ELDORADO SANITARIUM

One Block west of Baptist Church Phone 175

Prepared to take O. B. cases. Trained nurse in charge.

DR. H. Z. PENNINGTON

### LYNCH DAVIDSON SAYS PEOPLE VOTED \$20,000,000 BOND ISSUE ON MISREPRESENTATIONS AND LEGISLATURE SHOULD GIVE RELIEF BY APPROPRIATION INSTEAD OF BOND ISSUE

Prior to its being voted upon 1 vigorously opposed the \$20,000,000.00 Bond Issue Amendment to the Constitution of Texas, and charged that it was being promoted and advocated by propagandist, consisting mostly of professional politicians, office holders, welfare workers and job seekers, aided more or less by the same crowd that tried to load this State down with a \$250,000,000.00 Road Bond Issue.

The ink was hardly dry on the ballots before there appeared in the Press of the State full proof of my charge by the testimony of Mr. Westbrook before the State Senate Investigating Committee, an excerpt from which is here quoted:

"Westbrook admitted that he regarded relief work up to now as being inefficiently handled, confessed to thousands not entitled to it, admitted poll tax payments out of relief funds, admitted the use of Political Influence in relief work, acknowledged some cases of fraud and forgery, cited that some storekeepers on local committees had settled private accounts out of relief grants, and finally admitted that the commission with his support had made itself a huge propaganda agency for passing the Bond Issue Amendment which he hoped to administer."

With its paid employees in every community in the State the Relief Association administered by Mr. Westbrook, with the assistance of office holders and politicians, organized themselves into a Huge Propaganda Agency for passing the Bond Issue Amendment, which they hoped to administer. That is the substance and effect of Mr. Westbrook's testimony.

Had these facts been generally known prior to election day, the Bond Issue Amendment would never have carried, and they could easily have been ascertained by anyone or any newspaper willing to search below the surface. The News papers of Texas who advocated this \$20,000,000.00 Bond Issue did the people a poor service when the functions warranting superficial survey of the situation and printed the resultant facts as later developed by the Westbrook testimony.

The \$20,000,000.00 Bond Issue was voted by the people or Texas upon misrepresentation. Neither in law or morals should they be bound, and the only remedy lies in the hands of the Legislature. It should refuse to issue or make saleable these bonds by legislative enactment, knowing full well that the people would never have voted them had they been truthfully informed.

Article 3, Section 51 of the Constitution, gives the Legislature sufficient power to grant necessary relief and it can be done, without issuance of Bonds, under controlled distribution, and without paid and costly welfare workers.

Mr. E. M. Roberts was in from the stockfarm Tuesday and made The Success office an appreciated visit. Mr. Roberts raised two bales of cotton this year off of about eight acres of land, and the cotton did not have any rain on it after it came up. Mr. Roberts ranches about 15 miles north-east of Eldorado.

### How Black-Draught Holds its Popularity

A LAXATIVE made from highly approved, medicinal plants—yet about the least expensive laxative you can find: Theodor's Black-Draught.

There's no expensive container for you to buy when you ask your dealer for Black-Draught. And its light weight has saved freight bills in your favor. Black-Draught is right with you in economy. It brings prompt, refreshing relief to sufferers from constipation troubles.

Don't put up with sick headache, sluggishness, gas, dizziness, bad taste in the mouth, biliousness, coated tongue, bad breath, distress after meals, when due to constipation, but take Theodor's Black-Draught.

### DIPPY VERSE LANDS HIM GOOD JOB

W. S. C. Grad Spurs Two Offer

When formal letters of application failed to get him a job, he resorted to poetry—

Now John Pemberton, journalism graduate of 1933 and former day editor of the Evergreen, is working for the Grays Harbor Daily Washingtonian. The poem that brought him three offers of work follows:

#### OUR NEW DEAL

Palouse, Wash.

Mr. City Editor.

Dear Sir:

The Blue Eagle's now our national bird,

And laying jobs for eggs, I've heard;

And you Press guys have bet your shirt

On how many men you'll put to work—

Dozens, and hundreds—I've heard you say—

Will hoist your payroll any day;

The country's 'round that blasted corner

That broke us all, and any mourner

Is as out of date as King Tut's hat.

We're headed up, and that is that.

O. K., you chaps, you've made your brag—

You've got prosperity in the bag

Your halter's on the Eagle's neck,

And me?—I want a job, by heck

I'll write your heads or sweep your floors,

Read proof, or clean your cuspidors;

Collect your ads, and make 'em pay,

Bounce agents that pester night and day.

I'm a bear at writing murder stuff

And patrol a mean-eyed beat for guff

On anything that's fit for print,

And can write it up, quick as a wink.

My leads make headline readers start,

And read on through to the thirty mark;

I'll even help review your books,

And tell you how the stage stuff looks—

I'll trade you my college diploma free

For some job with a weekly fee.

A newspaper man must have a job;

If he hasn't, he can't eat worth a hob,

And if it's references you beg

I can send you good ones by the keg.

So, let's get behind the Eagle Blue—

Your paper, and I, with a job from you.

How about it, huh?

Sincerely yours,  
 John Pemberton.

#### LISTEN PEOPLE

By Louis Kerr, Bailey Ranch

Slander it, make remarks,

A lose it if you may,

But Bailey Ranch will do its part,

In everything and way.

Maybe we are hard headed and dumb,

Impudent and don't want to learn,

But he who sows sympathy,

Reaps kindness in return.

So we sympathize with the woman,

Whose slanderous talk has come to me

And we hope that she learns better

In the days that are to be.

The grades we make are fair,

Although they are not the best,

And we most certainly do try people

I speak for myself and all the rest.

Do not talk of one to his back

For the truth is always leaking out

And folks should not be talking

When they don't know what they're talking about.

So we feel sorry for the woman

Who cannot hold her tongue

Who thinks that we are hard-headed

Both impudent and dumb.

Mrs. R. D. Holt made The Success office an appreciated visit Tuesday renewing their subscription to The Success.

# The Hi-School Tattler

September 29, 1933

## TARDINESS IN OUR SCHOOL

Jack Rape  
Are there too many tardies in our school? Yes. We are striving to dismiss tardies from our school entirely. We can do without them better than we can with them.

Students are tardy because of incidents that occur before school time, but some students merely have a habit of being tardy at least three times a week. Those students are mostly those who live in town close to the school. The boys and girls who live in the country are usually prompt and up with their classes. On muddy days there are a number of tardies that cannot be helped, and are excused, but several are tardy that are not excused.

Tardiness is a great hinder to the school work. It does not only hold the classes back, but it holds the tardy persons back also. They miss the class that is going on when they happen to arrive, and then they have to catch up again. There is a rule in our high school that when a person is tardy, he has to have an excuse slip, made out by Mr. Smith, before he can enter his next class. This rule is favorable because it reduces the disturbance that would be made otherwise in the classes. The teacher have to go to a small amount of extra work, also, to keep up with the tardy students.

We wish to get rid of the tardiness in our school. The students should also wish to be on time, because in later life it will be of great value to him. If he ever gets a job, promptness counts 75 per cent, so get in the habit of being prompt and you will find it of great value to you. We think that tardies can be entirely avoided, except on certain occasions, so help us to dismiss tardiness.

E.—H.—S.—  
**CLUB WORK BEGINS IN HIGH SCHOOL**

During the past week four

clubs were started in connection with the other high school work. These were the newspaper, debate, Little Theatre, and Choral clubs.

The newspaper club is in charge of Mr. Holt, and thirty students have become members. This club will have no regular meetings, and its principal functions will be to publish the weekly school newspaper.

The debate club consists of eleven members, and is in charge of Mr. Smith. Among the members is W. B. Gibson, one of the 1932-33 team which defeated San Angelo last year for the District Championship. The debate club will meet once each week. During each meeting the debate question for the current year will be studied. The question for debate this year is: "Resolved: That the United States Should Adopt the Essential Features of the British System of Radio Control and Operation."

The Little Theatre club will devote its time to acting and dramatics. Twenty-six students have enrolled in this club, which is under the guidance of Miss Zimmermann, the music and public speaking teacher. The work of this club is valuable in that it develops confidence before an audience, not to mention other advantages. The Little Theatre club will meet once each week.

The Choral club has a membership of twenty-one girls. The club will meet twice each week. The principal work of this club is the practice of singing. Girls, through membership in this club, may get considerable training in music and voice.

All these clubs meet during regular school hours, making the work purely a part of the school curriculum. Credit is given for satisfactory work, and each high school student must be a member of at least one club. The club work is interesting and highly instructional, and is well worth the time spent.

E.—H.—S.—

## SPANISH CLUB TO MEET AT NIGHT

The Spanish Club this year will follow the plan of meeting at night at the home of some member of the club. Spanish only will be spoken at these meetings. The first meeting is on Friday night, October 6, in the home of Mrs. Bert Page. Miss Norwood, the Spanish teacher is in charge of the club.

The Rules For Spanish Club Are:

1. Making passing grade in Spanish.
2. Must be a member of Spanish I, II, or III.
3. Regular attendance at all meetings.
4. Penalties are imposed when talking in English.
5. Club meets first Friday night of each month in invited homes. Parents are urged to visit.
6. All must take some part or program during the year.
7. Club meets at eight o'clock and adjourns by ten o'clock. (This rule has been explained, and anyone violating this rule, will be dropped from roll.)
8. Attitude should be the same towards club work as school work, because you are given credit at the end of year in extra-curricula work.
9. Anyone violating any of the above rules will be asked to drop name from roll, unless some imperative reason is given as to why the rule was violated.

## ELDORADO EAGLES STORM SAN ANGELO KITTEENS

Aris Carr  
The game with the San Angelo Kittens was a great push over. The Eldorado Eagles went to a victory of 31 to 0. In this game our star right guard took the tackles away from the rest of the boys. Never has Eldorado seen such a hard hitting, iron clad, cave man as Jack Shugart our star folks!

In the first half there were three touchdowns and one extra point made. The touchdowns were made by Isaacs, Hext and Kerr. Junior Isaacs kicked the extra point. This made a score

of 19 to 0 the first half. In the second half Isaacs and Hext made one touch down each; no extra points.

Starting Line Ups  
Eldorado—Gibson, No. 15, Center; Shugart, No. 3, R. Guard; DeLong, No. 14, R. Tackle; Carr, No. 8, R. End; Butler, No. 10, L. Guard; Page, No. 11, L. Tackle; Kerr, No. 12, L. End; Hext, No. 5, Quarter; Spurgers, No. 4, R. Half; Alexander, No. 9, L. Half; Isaacs, No. 1, Full-back.

Substitutes were: Moore for Kerr, Susan for Page, Reynolds for Butler, Meador for Shugart, Jones for Meador, Susan for DeLong, Jones for Carr, Hext for Hext, Casey for Spurgers, Spurgers for Alexander, Frazier for Alexander.

San Angelo—Mercer, No. 15, Center; Elwell, No. 3, R. Guard; Courten, No. 14, R. Tackle; Neal, No. 8, R. End; Roy, No. 10, L. Guard; Honeycutt, No. 11, L. Tackle; Cunningham, No. 12, L. End; Koone, No. 5, Quarter; Holliday, No. 4, R. Half; Young, No. 9, L. Half; North, No. 1, Full-back.

OFFICIALS: Isaacs, McMurry, Referee; Irby, Daniel Baker, Head Linesman; Cooper, Simmons Umpire.

E.—H.—S.—

## ROLL OF HONOR FOR FIRST MONTH

The following pupils made as many A's as B's and had no grade below B:

- First Grade  
Jessie Clark
- Second Grade  
Tom Bradley
- Third Grade  
Thelby Morgan, Betty Jo Bryant, Janice Baker, Maxine Casey, Sarah Hill, Pauline Jones, Laverne Rodgers, Frances Thompson.
- Fourth Grade  
Lester Nixon, Lois Carr, Venita Davis, Joycelyn Pruitt, Mary Jo Rape.
- Fifth Grade  
Jo Ed Hill
- Sixth Grade  
Genevieve Ramsey, Wanda B. Rape.
- Seventh Grade  
Dorothy Jarrett
- E.—H.—S.—

## THE SENIOR CLASS

W. B. Gibson  
The Senior Class of 1933-34 has 14 members. They have ordered their rings and invitations and also made arrangements for year boys have been able to join the Pep Squad.

The new uniforms for the girls are black with gold lacing on sleeves and sides. The boys wear black trousers and gold shirts with black ties. We plan to have new formations and drills for each game. We hope to be represented at Brady Saturday and everyone will have suits if we go. Nearly all have handed in written permission slips to Miss Knight and Miss Norwood.

This year we are going to have new yells and songs. The school song has been selected. It is the familiar "Those Eldorado High School Eagles."

Lois Whitley

There are 45 members of the pep squad this year, the largest yet, I believe, and of these, several are boys. This is the first year boys have been able to join the Pep Squad.

The new uniforms for the girls are black with gold lacing on sleeves and sides. The boys wear black trousers and gold shirts with black ties.

We plan to have new formations and drills for each game. We hope to be represented at Brady Saturday and everyone will have suits if we go. Nearly all have handed in written permission slips to Miss Knight and Miss Norwood.

This year we are going to have new yells and songs. The school song has been selected. It is the familiar "Those Eldorado High School Eagles."

E.—H.—S.—

## EAGLES GO TO BRADY SATURDAY

Sam Cloud

The Eagles go to Brady to play the last practice game. The Brady team is expected to be heavy and they have won some games this season. The Eagles will be in good shape by then and aim to give Brady a big surprise. The boys will leave here Saturday morning and when they get there they will have time to limber up before the game.

Quite a number of people are going from Eldorado and the Pep Squad wants to go in enough cars can be secured.

Read The Success for the news.

## Renew Your Health By Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs, once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs purify the blood by activating the liver, kidneys, stomach and bowels. In 10 cts. and 35 cts. packages. All dealers. (Adv.)

## Sample Dairy

STATE INSPECTED.  
Has approval of State Inspector for both Barn and Herd,  
Where best milk under most Sanitary conditions can be had.

PHONE 8104

Mr. and Mrs. J. W. Lawhon have as their guest this week Mr. Rex and Haroce Thomson of Austin. They are out visiting and looking after their ranch interest, which is under the supervision of Mr. Lawhon.

Luther Kent is here this week guest of his mother Mrs.

A. E. Kent. Luther is with the reforestation Government forces and has been stationed on the line of Arizona and New Mexico.

Bethel Jeffrey made The Success office an appreciated visit Tuesday and moved up his subscription one year.

## Got Over Weak, Painful Condition By Taking Cardui

"I was weak and run-down and suffered quite a bit with pains in my side," writes Mrs. Nick Baranco, of Beaumont, Texas. "I was nervous. I did not rest well at night, and my appetite was poor. My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all."

For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores.

Louis Sheen from Santa Fe New Mexico is visiting his mother, Mrs. C. E. Poer, this week. Louis was in a wreck near Fort Summer last summer but is able to be about again.

Tom R. Henderson was among those that renewed their subscription to The Success this week for which he has our thanks.

WANTED: Representative to look after our magazine subscription interests in Eldorado and vicinity. Our plan enables you to secure a good part of the hundreds of dollars spent in this vicinity each fall and winter for magazines. Oldest agency in U. S. Guaranteed lowest rates on all periodicals, domestic and foreign. Instructions and equipment free. Start a growing and permanent business in whole or spare time. Address MOORE-COTTRELL, Inc., Wayland Road, North Cohocton, N. Y.

Mr. and Mrs. Joe Edens were in the city Tuesday and made The Success office an appreciative visit. They ordered The San Angelo MorningTimes with the renewal of The Success, for which they have our thanks.

Felix Miller, who has been away from home six or seven years, came in last week to visit with his mother, Mrs. F. S. Miller. Felix says he has been in a hospital in California for two years.

## DYED TEXAS SHEEPSKINS GIVE NEW OUTLET FOR HERDS

Texas, greatest grower of sheep in the United States and possessor of the largest herds, is interested in a new outlet for sheepskins, which are dyed in solid colors to make one of the most attractive interior decoration novelties known and which are coming rapidly into vogue among decorators and householders over the country.

Miss Aline Harper, Dallas, is one of the leaders in the movement and says she is finding a ready market for the attractive skins.

"Dyed sheepskins," said Miss Harper, "constitute a distinct novelty to which persons in all walks of life are taking. After a 12-months sheep skin has been combed, dyed and fluffed, it is one of the most

beautiful objects imaginable and lends itself to decoration of homes, offices, hotels, cafes, resorts, tearooms and other public places. We are developing a considerable demand for these rugs in Texas cities and elsewhere. The novelty has caught on and is bound to spread to the creation of a new and profitable outlet for Texas sheepskins in the form of rugs, carpets, ornamental drapes and interior decorations of various sorts. Lambskins dyed in colors to match dining or sitting room furniture are being used to cover chairs, couches, settees and footstools."

W. T. Conner came to our rescue this week and put some more beans in the bag, by renewing his subscription to The Success. He and his wife are moving down in town this week and Mrs. J. L. Neill will keep house for them during the school months.

**SURE! I MAKE MONEY ALL SUMMER--BECAUSE I NEVER QUIT FEEDING RED CHAIN EGG MASH. I GET SO MANY EGGS THAT I NEVER WORRY ABOUT THE PRICE OF EGGS OR FEEDS EITHER. MY PROFITS ARE CERTAIN!**

**WHAT if egg prices are low? If you can get enough eggs you'll still make a profit--in spite of low prices.**

RED CHAIN Egg Mash gets the eggs--so many eggs that you continue to make a profit during low-price times, when "home-mixed" and "cheap" feeds cost more than the eggs they produce.

Make every day a PROFIT day --with RED CHAIN Egg Mash!

RED CHAIN Egg Mash is a SUPERIOR Feed.

## TEXAS INDUSTRIAL ACTIVITIES

Rapid progress is being made in construction of the Southern Alkali Co. chemical plant at Corpus Christi on which a total of several million dollars is to be spent. The company is a subsidiary of the Pittsburgh Plate Glass Co. and American Cyanamid Co.

More than 300 men were put to work in the lumber mills of the Kirby Co. at Jasper and Silsbee with other mills in that section ready to resume operations in the near future.

Increased business for the Southwest Tablet Co., Dallas, has compelled the company to build an addition to its present floor-space. The company makes tablets, school stationery and supplies.

Growth of the dairy interest in Northeast Texas is seen in the fact that the milk plant at Mount Pleasant paid for 1,343,778 pounds of milk during August, exceeding the previous high month's total by 125,375 pounds. June of this year set the previous high mark.

The Highland Canning Plant, Houston, received one order for 60,000 jars of canned figs and expects to pack at least 600,000 pounds of that fruit this season. It is giving employment to seventy or more workers.

Novelty cotton tape, used for tying parcels as a decorative and advertising medium, will account for the consumption of 800,000 pounds of cotton yarn this year—a new outlet for cotton.

New Service Manufacturing Co. is a new industrial incorporation at Ft. Worth with \$30,000 capital stock.

Air-cooling equipment is to be manufactured in a newly established plant at Waxahatchie, machinery for which is now being installed by R. J. Byrd of Midlothian. The plans are for employment of twenty or more workers.

Anderson Packing Co., Inc., is a new canning and packing plant at Marshall with E. M. Anderson as president.

Sherman is to have another plant devoted to refining cotton seed oil and making cooking compound. Machinery is now being installed by the Kimbrell Oil Mill and operation is to be under way within the next ninety days.

Machinery for the cheese plant of the Fort Worth Poultry & Egg Co., has been installed and the manufacture of cheese started with fourteen milk routes bringing in the necessary supply.

Mr. and Mrs. W. A. Montgomery were in from the ranch Monday visiting and having some dental work done.

J. Frank Reynolds has been disposing of some of his stock this week, selling some of his dry cows and calves. The price was not learned.

Saint Peter was interviewing the fair damsel at the pearly gates. "Did you, while on earth, indulge in necking, petting, smoking, drinking, or dancing?" "Never," she retorted emphatically.

"Then why haven't you reported sooner?" said Saint Peter. "You've been dead a long time."—S.O.G.—San Saba News
