MCLEAN, GRAY COUNTY, TEXAS - THURSDAY, MAY 2, 1974

NUMBER 18

FBLA To Sponsor Jubilee May 11

The FBLA (Future Business Leaders of America) will sponsor a Derby Town Jubilee on May 11th. The proceeds from this jubilee will go towards sending Cherylan Holmes to the National FBLA Convention. Cherylan won the vocabulary contest at the state level.

The FBLA would like for Cherylan to represent them at the National Convention to be held in San Francisco on June 14, 15, 16th. If Cherylan attends the National Convention she will take the McLean Chapter Scrapbook to represent the State of Texas.

Any money that is made above the expenses to the National Convention will be donated to the auditorium fund.

The FBLA members and their sponsor appreciates all the support you have given to them. They hope you will continue to support them in this last project for this school year.

SWCD Officers Meet In Pampa

The Gray County Soil and Water Conservation District board met for their regular monthly meeting April 17 at the Gray County Courthouse Annex at 2 p.m. Those present were directors Curtis Schaffer, Robert Sailor, Milton Carpenter, Tony Smitherman, and Ralph McLaughlin. Others present were Marilyn Kirkwood, District Secretary; Perry D. Gruhlkey, DC, SCS; Douglas E. Cunningham, AC, SCS; Blake Lovelace, DC, SCS; Foster Whaley, CES; Aubrey Dalrymple, State SWCD Fieldman, and Pete Brownland.

The minutes of the March 20th meeting were read and approved.

Perry Gruhlkey presented the monthly accomplishment of the SCS office for March.

Approved new resource conservation plan on Rex McAnelly.

Reveiw status of proposed GPCP contract on James Johnston.

Made plans to attend the Area I Texas Conservation Awards program in Plainview May 7.

Plans were also made to attend the RC&D Executive Board meeting at Memphis, April 25th.

Milton Carpenter and Curtis Schaffer reported on the called hearing at Austin April 10th about the McClellan Creek Watershed.

Robert Sailor discussed work on easement provisions on the Red Deer Creek Watershed.

Plans for Soil Stewardship Week, May 19-26, were discussed.

The meeting adjourned at 8:20 p.m.

FFA Teams Place At Lubbock Contest

The McLean FFA Chapter traveled to Lubbock on April 20th to participate in the area contest held at Texas Tech.

Teams and team members that participated were Poultry Jay Dee Fish, Johnny Winegeart, Dave Jefferson, and James Thompson; Livestock-Dean Trew, Terry Smith, Jerry Rollison, and Ricky Lowery; Dairy-Kit Long, Greg Tollison, Ronnie Heasley, Todd Darsey.

The livestock team placed 12th in the Texas Tech contest and 7th in area and was 1st alternate to go to state judging contest.

Ken McGinty, Vo Ag teacher stated that he was proud of all teams and the enthusiasm that all members displayed during training for these contests and is looking forward to the coming year.

Daniel Pender To Be Tech Graduate

The Texas Tech University spring 1974 commencement exercises will be held in Lubbock Jones Stadium, weather permitting, at 9:30 a.m. May 11, when more than 2,000 candidates from the six colleges and the Graduate school will receive degrees. In the event of inclement weather, the exercises will be conducted in the Lubbock Municipal Coliseum.

Eighty-eight graduates of the Law School will receive degrees May 17.

Of the total, 1,651 are candidates for bachelors degrees, 313 for masters degrees, and 74 for doctorates.

Among the candidates is one from McLean. Bachelor's Degree; Daniel Barry Pender, social welfare, Rt. 1.

Because no formal graduation exercises were conducted at the conclusion of the fall semester, students who qualified for their degrees in December 1973 are invited to participate.

Auditorium Fund Still Growing

The fund for the remodeling of the McLean High School auditorium topped the \$2100 mark this week as donations continued coming in.

According to Superintendent Jefferson, this amount is enough to purchase stage curtains and begin work repairing the floor.

The remodeling project will be conducted with what money is received in the fund and will include among its objectives painting the auditorium, treatment of the large windows on two sides, remodeling of stage and dressing rooms, and some possible acoustic ceiling treatment along with the curtains and the floor repair.

Jack Henley, 54 Buried In McLean

Funeral services for Jack Henley, 54, were held Wednesday, April 24 at 2 p.m. in the First Baptist Church of Shamrock.

Rev. Bill Rushing, pastor of the First Baptist Church in Samnorwood, officiated assisted by Rev. Gordon Oglesby, pastor of the Christian Church in Clarendon.

Burial was in Hillcrest Cemetery in McLean by a Shamrock Funeral Home.

Mr. Henley died Sunday, April 21, at his home in Shamrock, following an apparent heart attack.

Born March 23, 1920 in Mineola, he and Miss Virginia Ruth McCrary were united in marriage August 10, 1941, in Clovis and lived in McLean until 1953, when he moved to Shamrock.

He had been employed as maintenance man for a number of years at Shamrock General Hospital, retiring last year due to ill health.

A veteran of World War II, he had served in an Army military police unit and later a bomb disposal unit. He was a former member of the American Legion Post in McLean and was a Baptist.

He is survived by his wife; two sons, Bill Henley of Colorado, and Larry E. Henley of Arabia; one daughter, Mrs. Delores Edwards of Shamrock; three sisters, Mrs. Ed Jones of McLean, Mrs. Annie Dunlap of Amarillo and Mrs. Sis Roland of Dallas; three brothers, Buck and Dick of McLean, Walter of Glasgow, Montana; nieces and nephews and six grandchildren.

Shop Equipment Stolen From Shop

Shop equipment and tools valued at more than \$1500 were stolen from the McLean High School Vocational Agriculture building sometime late Saturday or early Sunday of last weekend.

The theft was discovered Sunday afternoon at 2 p.m. by agriculture teacher Mr. Kenneth McGinty.

Entry was gained into the building through the sliding garage door on its west side. The burglars allegedly pried the door facing off of a shop room where the missing items were stored.

Local law enforcement indicated that they were processing leads in co-operation with officials from other towns in the area as similar break-ins involving theft of such items have occurred in other incidents.

Beginning typing lessons for anyone 18 years or older, will begin Monday, May 6 at 6:30 p.m. at the high school typing room.

The course will last for six weeks and there will be a charge. For more information call 779-2636.

Mental Health Drive Slated In McLean

Citizen Volunteers will be going door-to-door in McLean from May 4-31 asking for a contribution in the fight against Texas' Number One Health Problem... Mental Illness. The drive is sponsored by the Texas Association for Mental Health.

The Texas Association for Mental Health is a volunteer organization working to improve the quality of mental health services in Texas. In 1957, the Association successfully worked for the passage of the community mental health center law. This law has resulted in the development of mental health centers which provide treatment, consultation and research in a community based setting throughout Texas.

The Mental Health Association has also had a direct role in updating laws to protect the rights of the mentally ill, in obtaining the money necessary to provide treatment for emotionally disturbed children, and in providing referral services for those in need.

This year, the Association is placing special emphasis on the needs of children and youth and upon the continued transfer of mental health service from the state hospital to facilities in the community.

The Mental Health Association receives no public funds. Its income is derived from community drives throughout Texas. Mary Dwyer is serving as community coordinator for the drive in McLean.

Robert Weaver Is In Hawaii

U.S. Air Force Captain Robert D. Weaver, son of Mr. and Mrs. Charles F. Weaver of 816 N. Main, McLean, is participating in a joint U.S. Air Force-Army training exercise in Hawaii.

Captain Weaver is a pilot at England AFB, La., with the 23rd Tactical Fighter Wing.

The "Flying Tiger" wing, which flies the A-7 Corsair fighter-bombers, is providing close air support for Army forces demonstrating their combat readiness.

A-7 crews and support personnel are operating from the U.S. Naval Air Station at Barber's Point during the three-month long exercise.

The captain graduated in 1960 from McLean High School and received his B.S. degree in biology in 1965 from Sam Houston University.

He was commissioned the same year upon graduation from Officer Training School at Lackland AFB, Tex. His wife, Sue, is the daughter of Mr. and Mrs. James H. Anderson of Huntsville, Tex.

PRIMARY ELECTIONS TO BE HELD SATURDAY MAY 4

McLean Ladies Complete Course

Certificates from Texas State Technical Institute, Mid-Continent Campus, Amarillo, Texas, were issued to sixteen persons for completion of a 24-classroom hours course in Institutional Food Service taught by Mrs. Charles Darter, Consulting Dietitian, Wellington.

The course was made available in Wellington through the Adult Education Division, Texas State Technical Institute, through the efforts of Mrs. Dee (Tessie) Burba, Director, Community Action Center.

The course was planned to provide food service workers an opportunity to increase their knowledge and skills in normal and modified nutrition, purchasing and sanitation in order to provide for better nutritional care of the persons receiving institutional care in the community.

Persons from McLean completing the course and receiving certificates are as follows: Mrs. Ruth Caudill, Mrs. Vonda Males, and Mrs. Judy Rollison, all employed by the McLean Hospital.

The Democratic first primary election will be held this Saturday, May 4 at the McLean school cafeteria.

Polls will be open from 7 to 7 p.m. Voters are asked to come out sometime during the day and cast your vote.

For the primaries, a registered voter may vote in only one of the political party primaries. They are required by the Texas Election Code to vote only in that party's primary and run-off election.

A big concern to the local voters will be the office of county commissioner. Those on the ballot for this office will be Mary Dwyer (re-election), Ted Simmons, John B. Guill and Britt Hathaway.

Major Democrat Candidates being opposed in the primaries are (in order of listing on ballot):

U.S. Congressman--Jack Hightower, Ray Ruffin and Louis A. Finney.

Governor--W. H. Posey, Steve S. Alexander, Dolph Briscoe and Frances Farenthold
Comptroller of Public Accounts--Bob Bullock and Hugh Edburg.

State Treasurer--Donald B. Yarborough and Jesse James.
Commissioner of Agriculture--Herbert A. Schroeder and John C. White.

Railroad Commissioner--C. A. Kelly and Mack Wallace.

There will also be a place on the ballot for you vote for or against a law to permit pari-mutuel wagering on horse races by local option.

Help Needed To Open Swimming Pool

The members of the McLean Country Club that are interested in seeing the swimming pool open this year are urged to attend the work day on Saturday, May 4 at 9 a.m. to get the pool ready for opening. Please bring your brushes mops or brooms to work with.

Also, bring a sack lunch and the club will furnish the cokes and coffee. This could be a profitable and a fun day.

Visitors in the E. M. Bailey home over the weekend were Mrs. Mary Haines and Mrs. Denise Hill and Valerie of Amarillo and Mr. and Mrs. Matthew Bailey and Allen of Plainview.

YOUR VOTE MAY MAKE THE DIFFERENCE

Candidates for public office are seeking to be nominated in primary elections throughout the nation. Now is the time to support the candidates of your choice.

Politics is like laying bricks. Thousands upon thousands of small actions go into building a winning campaign. There is no overnight way to construct a mighty edifice and there is no other way to political victory than to build it, brick by brick.

Because primary elections are won, in many cases, by very small margins, your contribution in time and effort can be very important.

But, most important of all, do not neglect to vote when you have the opportunity. It is your way to make sure you have candidates to support with pride in the November election.

Mary Martha Class Has Party Saturday

By Lucille Cullison, Reporter
The Mary Martha Sunday School class of the First Baptist Church met in the home of Mrs. Forrest Hupp for their monthly meeting and social on Saturday, April 27th at 2:30 p.m.

Mrs. Howard Williams gave the opening prayer. Mrs. Newt Barker, class president presided over the meeting and discussed the class business and mention was made of sick ones in the community.

Mrs. Raymond Smith gave an inspiring devotional about Prayer describing the varied kinds of prayer, taken from the Bible scripture, Romans 8:26.

The Bible and fun guessing games were enjoyed by every one present.

Two members having birthdays were Mrs. Claude Lester and Mrs. Mary Lou Thockmorton. They were presented their cards and birthday cakes which were baked by the secret pals, and the class sang happy birthday to them.

The serving table was covered with a pretty Ecru lace cloth. Refreshments of the birthday cakes and punch were served to members present. They were Mesdames, Loree Barker, Margaret Chapman, Bonnie Bidwell, Essie Burrows, Bea Lester, Juanita Smith, Verna Hudgins, Lucille Cullison, Lillie Mae Williams, Jessie Watson, Mary Lou Thockmorton, Ellen Roby, and the hostess, Clara Mae Hupp.

A good time was enjoyed by everyone present.

NEWS and VIEWS

BY ELAINE HOUSTON

Avoid constructing clothes that look "homemade." Several factors and techniques help homesewers avoid such appearances.

A primary reason for the "homemade" look is incorrect fabric. Examine the pattern and decide what kind of fabric is needed--stiff, bulky, limp, clingy, etc. Check the pattern envelope for fabric suggestions--and choose from this group. Some patterns are designed for knits only, while others are unsuitable for knits. However, don't choose fabric exactly the same design shown on the pattern envelope. Use the picture as a guide--but don't make an exact copy.

Take time to do all sewing details. Good seamstresses may sew quickly, but never hurriedly. Also, press the garments it's sewn. Pressing is a necessity--so keep that iron handy when sewing. Although a bother, sometimes basting is necessary to avoid stretched seams and poorly-fitting garments.

Another "dead give-away" of homemade clothes involves sleeve puckers. To avoid them, match markings on sleeves and bodice carefully--and distribute "ease" evenly. Also, understitch facings so they won't show. Learn to hem properly. In many cases, a common overcast hem isn't suitable. Fabric influences the type of hem to use. Add the professional touch by purchasing accessories such as a belt, scarf or attractive buttons. To get ideas, look at ready-made clothing.

Young At Heart To Meet May 10

Reported by Mrs. Luther Petty

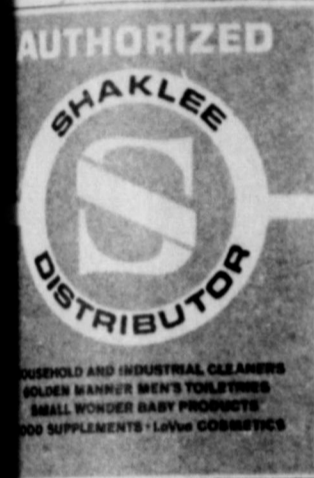

The Young At Heart Club met Friday night, April 26th in the Casper Smith Building with three tables of Progressive 42 players enjoying the evening with Mrs. Vivian Grigsby and Mrs. Audie Stewart acting as hostesses serving cookies and punch for refreshments.

Old members and anyone who would like to attend are asked to be present at the next meeting at 6:30 p.m. May 10th. Important business will be discussed. Each one is asked to bring someone with you.

Those present were one visitor, Mrs. Leroy Griffin and members Mr. and Mrs. Arlie Grigsby, Oscar Tibbets, Mesdames Ada Simmons, Ruby Boyd, Audie Stewart, Myrt McCoy, Vela Corcoran, Lena Bailey, Ruby Tibbets, and Luther Petty.

More Errors of the "Living Bible"

The necessity of baptism in water for the penitent believer in order to have the remission (forgiveness) of sins, and to become a Christian--both equal to the same thing...becoming a child of God--compare Rom. 6:1-8; Gal. 3:26-29; Rom. 8:1-17; 1 Peter 1:22-23; 1 Cor. 6:1-4, Act 2:38; Mark 16:15-16) is plainly taught in the Word of God. Although the doctrines of virtually every denomination deny this, the fact still remains! Not once in the history of denominationalism has the non-necessity of baptism for penitent believers for the remission of sins been SUCCESSFULLY defended in the light of Biblical teaching, now will it ever be! (If there is one who wishes to defend the position of baptism in water for the penitent believer being non-essential to salvation/remission of sins, please step forward and make known!)

Now comes the "Living Bible" to the rescue of this erroneous doctrine....partly! Open your K.J.V. or A.S.V. and read Romans 6:3-4...Now hear the "Living Bible." For sin's power over us was broken when we BECAME CHRISTIANS. (Emphasis mine, jaf) and were baptized to become a part of Jesus Christ; through his death the power of your sinful nature was buried with him by baptism when he died, and when God the Father, with nature was buried with him by baptism when he died, and when God the Father, with glorious power, brought him back to life again, you were given his wonderful new life to enjoy. The writer, Ken Taylor, has so perverted the text to teach that the death of Christ was the burial of baptism for us and that we were given the "new life," not upon being baptized into Christ as the text plainly teaches, but "in the resurrection of Christ." I fail to understand why the writer did this and left Acts 2:38 as he did, "be baptized in the name of Jesus Christ for the remission of your sins." The "Living Bible" has Acts 2:38 and Romans 6:3-4 in contradiction, yet Paul says in 1 Cor. 14:33 that God is not the "author of confusion." GOD IS NOT THE AUTHOR OF THE "LIVING BIBLE." Reading the "Living Bible" brings sadness to my heart and tears to my eyes as I contemplate the great number of souls which will be lost because they trusted in what the man wanted the Bible to say. Dear friends and beloved of God, won't you hear God as He speaks to YOU! Beloved, believe not every spirit (teacher), but try the spirits (teachings) whether they are of God; because many false prophets are gone out into the world." (1 John 4:1) I have found few things to be of less value than the "Living Bible," as have many others. As a result of this series of articles in the McLean News, which has revealed only a minute portion of the almost infinite number of errors of this book, many have done with their "Living Bibles" even as was done with the books of "curious arts, sorcery, magic, etc.) in Ephesus (Acts 19:13-20): they have BURNED THEM! Won't you do likewise if you possess one? There is not enough truth in it to save your soul!

4-H NEWS

4-H NEWS
By Audette Kincaid, Asst. Asst. Extension Agent

Six enthusiastic boys and girls and two adult leaders, Mrs. Paula Wilson and Mrs. Jimmy Wilson, started a new 4-H club in Alanreed, Thursday, April 25.

New members are: Brenda Wilson, Suzanne Bradley, Jimmy Williams, Robert Stubb Brett Simmons, and Donald Bradley.

The 4-H'ers are also having a contest to see who will nominate the name of the club. Parliamentary procedure will be studied and the group will be involved in studying grooming habits. The 4-H'ers will select individual projects such as gardening which they are especially interested in.

The agents are excited about the prospects of starting a new 4-H organization especially in the McLean area. If you are interested, please contact the Extension Service by writing Box 1756, Pampa, Texas. Plans are being made for the summer clothing projects. Special emphasis will be given to grooming and clothing.

 TEXAS PRESS ASSOCIATION

AUSTIN, Tex — Pressure on Gov. Dolph Briscoe to call a special legislative session increased with an appeal by inflation-hit state employees for a \$62 million a year emergency pay raise.

Forty-five thousand state employees signed a petition addressed to Briscoe requesting a special session on these pay matters:

A 10.2 per cent (three step) increase for classified and hourly workers immediately.

An additional 6.8 per cent (two step) boost for 1974-75 benefitting all employees.

An increase in the per diem travel allowance from \$18 to \$25 a day.

An increase in the mileage rate paid for use of personal cars on state business from 12 cents to 20 cents a mile.

Texas Public Employees Association represents more than 70,000 state employees.

TPEA President Walter H. Looney said the raises are

needed to help keep up with the inflation spiral and catch up with last year's zooming living cost.

If inflation continues at present rate until September, said Looney, soaring prices will have nullified 98 per cent of the wage raises given state classified employees in the last seven years.

Governor Briscoe said he is "concerned" about the employees' problem and will consider it "along with the other priority matters in state government."

The Governor is weighing demands for a special session to provide \$200 million in emergency school finance aid to help hold down local property tax increases.

MANUFACTURING FIRMS WIN - Five manufacturing firms won the annual governor's Industrial Expansion Awards for 1973.

Winners were Hi Pro Feeds Inc. of Friona, Datapoint Corporation of San Antonio, Superior Continental Corporation of Brownwood, Owens-Corning Fiberglass Corporation of Waxahachie and the Beaumont Shipyards of Bethlehem Steel Corporation.

Local Chambers of Commerce nominated the winners. Selections were made by the Texas Industrial Commission for civic and economic contributions to communities.

COTTON DEADLINES SET - Agriculture Commissioner John C. White ordered cotton farmers from the Winter Garden area to the coast to complete planting by midnight May 10.

The area is ahead of last year's planting schedule, and some of the counties have reached 99 per cent completion, according to the Texas Crop and Livestock Reporting Service.

White said cotton planting statewide is 16 per cent complete, compared with nine per cent this time last year.

Estimated total acreage for Texas is 5,933,000 acres, up 10 per cent from 1973. Planting deadlines are fixed as part of the Texas Pink Bollworm Act control program.

White said probability of bollworm infestations is greater this year due to delay in cotton stalk destruction and a mild winter.

FEDERALS HELP - A \$195,000 federal Economic Development Administration grant has been awarded to Laredo and Mineral Wells for industrial site development to offset shutdown of U.S. military installations.

Of the total, \$89,000 will go to Laredo to help offset loss of jobs

through closing of Laredo Air Force Base. The funds will be concentrated on development of industrial sites and transportation and to improve tourism.

Another \$90,000 EDA money to ease closure of Fort Wolters at Mineral Wells will be used to conduct a water development study and develop industrial sites in Mineral Wells and Weatherford.

Word of the allocation of the grant came from Al Rodriguez, head of the Technical Assistance Center for the Texas Industrial Commission.

The Industrial Commission also reports that 37 industrial start-up training programs now operating in 29 Texas communities are expected to provide 5,320 new jobs in the state.

CONVENTION DELEGATES TO RETURN - Delegates to the 1974 Constitutional Convention will resume their efforts to draft a revised document May 6, in Austin.

During the convention recess members of the Style and Drafting Committee have been meeting in Austin to polish language in the constitutional articles thus far tentatively approved.

Delegates have until July 31 to finish the constitutional rewrite. That's the date the convention automatically self-destructs.

NEW PUBLICATION - After seven years of research the Texas Water Development Board has published a book discussing application of computer-age technology to the planning of water supplies.

Copies of the report, "Report 183, Analytical Techniques for Planning Complex Water Resource Systems, A Summary Report," are available without charge from the Texas Water Development Board, P.O. Box 13087, Austin, Texas 78711.

Tennis Team Miss Clarendon Meet

By Lynda Jo Daniels
The McLean Jr. High tennis team did not participate in the District tennis meet as planned. The meet was scheduled to be held at Clarendon last Thursday and Friday. McLean did not attend because of a breakdown in communications. A letter containing the correct dates of the meet was not received and by the time the school had correct dates the meet was already in progress.

Student Teacher

By Billie Lowery
Miss Kay Haynes, observed in the junior high English classes Wednesday. Miss Haynes is a student teacher for Mrs. Betty Cain, Pampa Junior High.

Attends Meeting

By Dale Dorman
Mrs. Linda Haynes will attend a small teachers meeting at Wheeler tomorrow. Representatives there will set the inservice days for the teachers next year.

Jeannie Adams Is Cheerleader Tryouts Held First Grade Teacher

By Carolyn Bailey
Jeannie Adams is McLean first grade teacher. She is married to Billy Bob Adams, principal of elementary and junior high grades. They have one daughter, Rebecca. Mrs. Adams has taught for twenty years. She attended Alanreed High School and Clarendon College. She received a B.S. degree from West Texas State University and a Master of Education from West Texas State.

"Teaching is a challenging reward. It is a privilege to work with youth. Each individual has talents. Acquiring basic skills, communicating ideas and problem solving for each individual to the best of his ability develops the self confidence to meet future undertakings," commented Mrs. Adams. Her hobbies are reading, riding, listening to music and the outdoors.

Student Should Use Intelligence

By Melinda Hunt
A student should make the most of his intelligence because it will help him in the future in getting a job. Some students just barely get through school and that's all they want. If they do this, they won't have a very good future.

News From ALAN REED

WHEAT CONDITION

The 1974 dryland wheat crop for Gray County can now be marked off as an almost total loss.

Drought is the main cause. High wind, dry humidity, and above average temperature since mid-January are chief causes. Green bugs and brown wheat mites also contributed to the loss of the wheat crop.

In the past Government farm programs afforded a cushion to defray part or most of cost of farming a complete wheat loss situation. This is no longer the situation.

ASCS officials have not been fully informed as to how the disaster payment program will work. It is believed the payments will be rather insignificant. According to Evelyn Mason, of office manager, wheat farmers should immediately report all wheat that is to be destroyed. Evelyn says a rather large number have signed up reporting these and asking for an inspection. Until recently farmers were told not to graze their wheat until an inspection had been made.

Because of the big backlog of farmers that have places to be inspected, Evelyn says they can go ahead and graze the wheat out. However she warns, those seeking the disaster payment to first make the required report at the ASCS office.

Even the irrigated wheat is far short of being up to standard. Some farmers with weak wells can't get to the watering fast enough to beat the drought situation.

The farming situations have made a rapid slide downward since this time last year. Fuel costs have doubled. Fertilizer has tripled in price. Machinery prices have skyrocketed. Seed wheat cost some farmers five dollars last fall that previously had sold their 1973 crop at two dollars and fifty cents per bushel or less. The price of wheat recently dropped to three dollars and thirty cents per bushel after approaching six dollars at one time. It has been estimated that over seventy-five percent of the farmers sold their wheat before the price was over three dollars per bushel.

Most Gray County Wheat Farmers will tell you they "never had it so bad."

FREE COTTON CLASSIFICATION
We have completed necessary papers for area cotton farmers to obtain free classification of their 1974 Cotton Crop. These papers will be mailed shortly.

Girls Falter At Track Regional

The five McLean entries at the regional track competition failed to reach the finals.

One of McLean's highest hopes crumpled when Sheri Haynes knee gave way twice during the 100 yard dash preliminaries. Even with the handicaps Miss Haynes scrambled an 11.5 time.

Coach Joel Nelson said that Sheri usually runs a 10.9.

The event was won by defending state champion with a 10.8 timing.

Girls Golf Place 6th At Regional

MHS Girls Golf team placed sixth of fourteen class AA, A, and B schools at the regional tournament in Lubbock, last week. Capturing an individual honor was Sheri Haynes, 3rd medalist.

The top four scores of the McLean team came to 571 behind four class AA teams, Spearman, Floydada, Commanche, Spearman II, and Class A Knox, Spearman shot a 499.

Team medalist Sheri Hayne hit a 193 behind the 187 and 191 of first and second places. The scores were taken on two rounds of 18 hole games.

Team members with Miss Haynes were Jan Bentley, Gail Terry, Connie Bohlar and D'Ann Phillips.

Cheerleaders To Be Selected Today

McLean High will elect 1974-75 cheerleader at a student assembly in the gym at 3 p.m. Six leaders, one freshman, a sophomore, 2 juniors, 2 seniors, and a Tiger mascot will be chosen.

Running for the senior positions are Gail Terry, Sheri Haynes, Jan Bentley, Judie Rhoten, Connie Bohlar and Kathy Hale. A Tiger mascot will also be chosen from these.

Juniors who have entered the competition are Janet Smith, Halcyon Back, Kathy Raines, and Faye Glass.

Sophomore candidates are Teresa Mounce, Cathy Estes, Rose Dwyer, and Billy Bob Terry.

Running in the Freshman classification are Melinda Hunt, Toni Wynn, Natalie Morris and Robbie Turpen.

Mrs. Gail Cox and son Jim and Mrs. Gladys Hill spent last weekend with relatives in Oklahoma City and Norman.

By Mrs. P. M. Gibson

Mr. and Mrs. P. M. Gibson attended church in McLean Sunday night at the Caprock Baptist Church. Doing the preaching was missionary, Rev. Harvey Goodman of Springfield, Mo. He and his wife will be going to Australia in June.

The Alanreed Home Demonstration club met April 24, in the Lucille Keller home. Betty Simmons brought a program on pattern alterations, for home sewing. Refreshments of coffee, tea, and cake were served to Lulu Crisp, Sue Crisp, Lucy Goldston, Mabel Worsham, Lena Carter, Polly Harrison, Onie Gibson, Betty Simmons, Anita Bruce, guest Grace Windom, Barbara Hambricht.

Visiting the Bill Crisp from Larmie, Wyo., is Sue's sister and her husband, the George McCartys. They are also visiting the Hershels McCartys.

The latest report is that J.C. Gilbreath is improving following surgery in Amarillo.

Mr. and Mrs. L.T. Goldston spend the weekend in Ft. Worth visiting their son's family, Mr. and Mrs. Homer Goldston and boys.

Mr. and Mrs. Dan Keller made a business trip to Amarillo Monday.

Mrs. Brooks Magee is over her recent spell of illness. Everyone is very happy about the good rains.

Market Report

Vegetables are earning consumer attention this week, with abundant supplies of carrots arriving from the Rio Grande Valley, according to Mrs. Gwendolyn Clyatt.

"They're at attractive retail price levels," the consumer marketing information specialist, Texas Agricultural Extension Service, The Texas A&M University System, reported.

"Asparagus supplies are a little heavier and slightly lower in price, though this vegetable rarely ever gets to the 'bargain' level.

"New" crop cabbage, along with that in storage, means good supplies and prices, while celery, mustard greens, collards, dry yellow onions, radishes and green onions are other good choices."

Supplies of cantaloupe and watermelon are on the rise, but prices remain at "luxury" levels, the specialist said.

Fruits worth considering are oranges, grapefruit, apples, bananas, strawberries and pineapples, she added.

Turning to eggs, Mrs. Clyatt termed the market "unsettled," with all but small-sized eggs in good supply. Even at \$1 per dozen, large eggs are only 67 cents a pound, she noted, explaining that translates into "economical nutrition."

"Beef values include ground beef, round steaks and roasts, chuck roasts and steaks, and beef liver. Port prices remain

about the same, with values generally on shoulder roasts and steaks, end-cut loin roasts, ham portions and picnics."

Fryer chickens continue a good choice, pricewise, and frozen-turkey prices make those birds one of the better high-protein values, the specialist said.

CONSUMER WATCHWORDS:
Often the protein in lean meat costs more than the same amount of protein in regular ground beef. Ask your grocer the percentages of lean in the three types of ground beef

at his store. Divide this percentage into per-pound cost of the meat--if regular ground beef has 75 per cent lean, it costs \$1.05 per pound, the lean costs \$1.40 per pound (\$1.05 was divided by 75 per cent--or .75).

The heart of a hummingbird beats 20 times as fast as that of a human--140 times a minute.

STORE STUFF ON TOP OF

Yes, an electric water heater is the only one you can store stuff on top of. There's no flue or vent, all you need are water pipes and an electrical outlet, so you can put an electric water heater almost anywhere you need hot water fast. Put one under the kitchen sink, next to your laundry facilities, even in the bathroom.

Electric water heater is insulated on sides. That keeps the water hot. Makes the tank cool to the touch. You can even store stuff all over your water heater, when it's electric.
