Atta Boy,
Sawed Off!

After a 12-game, 22-month, two-day losing streak, an enthusiastic group of McLean Tigers scored a victory. The Tigers were on the prowl Friday night, and hunted Antelopes in their opening game of the season against Whiteface at Happy, scoring three touchdowns to blank Whiteface, 19-0.

The Tigers took command of the pigskin shortly after Whiteface received the opening kick-off, and played ball-control through the first quarter. In the second quarter, quarterback Elson Rice hit Darin Corley for a 24-yard touchdown pass. Senior Lance Stovall booted the ball through the uprights to make the score 7-0, with 11:18 showing on the clock.

The Tigers then kicked the ball to Whiteface, but a strong defense, led by Stephen McAnear, held the Antelopes to less than 10 yards, forcing them to punt. The Tigers, however, fumbled the ball and gave control back to the Antelopes. Whiteface completed one play and fumbled the ball, with McLean recovering.

The Tiger's efforts were then dampened by two penalties totalling 20 yards, forcing them to turn the ball over to the Antelopes.

Whiteface once again took control of the ball, but after only three plays lost it to McLean in another fumble.

Quarterback Rice, determined to put an end to the uncertain control took two plays before completing a 35-yard touchdown pass to Gregg Mann. The point after failed, making the score 13-0.

Whiteface began to make their move towards Tiger paydirt but Tiger Craig Morris intercepted

a Whiteface pass, squashing the Antelope's hopes for a score before half-time.

The second half found the Tigers' attempts stumped by a plague of penalties - losing 30 yards to the yellow flags. "The critical penalties hurt us," said coach Joe Riley. "We lost some important yardage and momentum due to off-sides or holding penalties," Riley said.

There were, however, several bright spots for the Tigers in the second half including two interceptions and a 45-yard punt return touchdown by Tiger Randall Wynn, and some important yardage gained by Tigers Bill Billingsley, Craig Morris and Kevin McDowell.

The PAT failed after Wynn's touchdown and the Tigers, smelling victory in the air, squelched Whiteface's attempts for a score and the game ended with McLean on top.

"We won the game because of the supreme team effort we put out," said Riley. "We've had a definite overall team improvement with every player performing better. The key to the game was

the fact that the boys knew exactly what we were going to do - what we had to do to win," he said.

"We have a week to rest and to begin preparing for Valley," said Riley. "Valley is typically tough and we'll be concentrating on executing our plays well and forcing them to make turnovers."

The Tigers will face the Valley Patriots at Valley, Friday, Sept. 16 at 7:30 p.m.

McLean's quarterback Elson Rice received honorable mention as Class 1-A Player of the Week from the Amarillo Globe News. The Amarillo paper said "One thing is for sure, McLean won't be 0-10 this year. Rice is one reason why as he led Tigers to a 19-0 win over Whiteface ending the longest losing streak in the Panhandle. The 5'8", 160-pound quarterback was 4 of 5 for 83 yards. As a linebacker he was in on ten solo tackles as the McLean defense held Whiteface to just 31 yards of total offense."

Happy's Pat Johnson, a sophomore, won the Class 1-A honors as Player of the Week.

Commissioners Table Decision On Hospital

From the Amarillo Daily News
Pampa - Gray County Commissioners on Thursday tabled a decision on transferring the deed to McLean General Hospital to the city of McLean until Sept. 15, pending a study of legalities involved.

The city of McLean is seeking title to the hospital - which has been closed since Nov. 12, 1980 - in hopes of turning over the facility to Futura Medical Services of Drumright, Okla., to re-

open and operate it. Gerry Tipsword, an official of Futura, also re-

cently announced plans to reopen the Groom hospital and has indicated that it would be possible for both facilities to share equipment and services for reasons of economy. Under a proposal, Gray

County would get the first \$200,000 of the money from the transaction. Gray County owns the

hospital, which is currently leased to Hospital Corp. of America.

In other action Thursday, commissioners authorized District Attorney Guy Hardin to seek an assistant for a yearly salary not to exceed \$30,000.

After reviewing the Gray County Appraisal

District budget, County Judge Carl Kennedy, announced that appraised

value of real and personal and mineral and industrial properties in Gray

County is listed at \$1,204 billion.

The court tabled for further study action on a request of the Pampa

Public Golf Association to assumed the responsibility of collecting donations made to the association for construction of a new golf course.

Commissioners want legal advice before taking action.

The bid by Hartgraphs, Inc. of Austin for \$34,785 was accepted for

electronic voting machines. The package will consist of two automatic

and two manual vote-counters, one programmer, and 11 additional memory packs

Three Minor Wrecks Reported Near McLean During Holiday

DPS trooper John Holland reported three minor wrecks in the McLean area during the Labor Day weekend.

On Sept. 3 at 10:45 p.m., a 1978 Ford pickup, driven by Frank Todd of McLean, drove off a bridge on a dirt road one mile south of McLean. Damage to the pickup was minor. The driver suffered no injuries, but a passenger, Van C. Boucher, also of McLean, received a cut on the arm.

On Sept. 4, at 11 a.m., a 1980 Chevrolet, driven by Ivan Prikett of Anadarko, Okla., sideswiped a 1981 Toyota. The Toy-

ota was driven by Marquerite Smith of Cost Mesa, Calif. Both vehicles were west bound

on Interstate-40 near Guyton's Garage when the Chevrolet moved

from the right lane of traffic to the center lane. There were no injuries.

Sept. 5 at 9 a.m., 8.8

miles west of Alanreed, a 1981 Peterbilt semi-tractor trailer truck over-

turned, blocking both lanes of holiday traffic on I-40 for more than four

hours. Marty Lewis Barack of Clovis, Calif. was

the driver of the truck which moved to the right side of the road. He then

lost directional control of the vehicle and it overturned. Holland said that the driver suffered no injuries. The wreck blocked the highway from shoulder to shoulder, Holland said, and backed traffic up for about a half-mile. He was able to re-route traffic on a service road until the area could be cleared.

Former McLean Resident Returns For Art Show Sun.

A former McLean resident will return to his hometown Sunday afternoon for an art exhibit at McLean's Lovett Memorial Library from 1 p.m. to 4 p.m. Tye Thompson, a 1973 graduate of McLean High School, will display watercolors and acrylics for this show. He will also have some pen and ink sketches. Most of the exhibited art works will be for sale.

Thompson, the grandson of Mrs. John Biggers, has an associate degree in commercial art from Texas State Tech-

nical Institute in Amarillo. He studied under James Ivey Edwards at Clarendon College.

He said that his works had been influenced by the hill country around San Antonio where he lived for a time, and by Mount Taylor in New Mexico where he lived.

"However, I enjoy painting the scenery of the Panhandle more than any place I've been," he said. Most of the paintings at the McLean show will be of old barns, old farm houses, and scenery.

This is probably not the cheeriest subject I could write about, but I wondered the other day how many people think about what goes into their obituaries. So many times, I have watched families struggle with dates and places when they are giving information after the death of a relative.

Since I bought the newspaper, I have become more and more aware how much news-

paper obituaries are used by descendants to gather facts about their ancestors. And what if some bereaved family member, or some confused newspaper writer, has made a mistake in the obituary? It is a permanent record, and a mistake can cause a great deal of trouble.

I received a request last week from a woman in Louisiana who was tracing her family. She asked for a copy of the obituary of her great-grandfather who died in

McLean in 1917. I thought after I sent it to her that I hoped the writer had made no mistakes.

In connection with this, I have tried to figure out a way to ask people to file an information sheet with this newspaper, so that mistakes could be eliminated. I suppose it may seem morbid to some, but I think that it is a good idea for older people to think about. It seems especially important to me that those of you who have been a part of McLean's history should consider this idea. Most of us are concerned that the facts of our lives are remembered correct-

ly by our descendants.

If you are interested in giving this information for our file, we will be happy to save it, and when it is needed, give the information to others who need it.

The information necessary is as follows:

1. Full legal name (include nickname, if that is what you go by)
2. date and place of birth
3. name of parents
4. education
5. name of spouse (date of death, if applicable) (include maiden name, if applicable)
6. place and date of marriage
7. occupation (s)

8. places lived; date moved to McLean

9. church affiliation (offices held, etc)

club affiliation (offices held, honors won)

11. military service (rank, honors won, dates and place of service)

12. honors won

13. names and residences of children; brothers and sisters; grandchildren; great-grandchildren.

The more information you provide, the better job we can do for your family at the appropriate time.

If you would like to give us this information, we will type it on a card, and file it. We will also

file a picture of you, if you would like. The information can be brought by the News office, or you can mail it to The McLean News, Box H, McLean, TX 79057.

New State Laws

AUSTIN — Over 400 new state laws went into effect during the past week. Many others, like our new DWI law, will take effect on January 1, 1983. In our last column, we talked about the many new laws that would have a particular effect on the residents of the Texas Panhandle. In this column, we will discuss new statewide legislation that has recently taken effect.

Many new changes with respect to the Public Utility Commission became effective on September 1. Among the most important of these changes was the creation of the public attorney's office within the PUC. This new office will have the responsibility to represent consumers before the Commission with regard to proposed utility rate hikes.

The new "lemon law" has also taken effect this past week. This new law enables dissatisfied new car owners to voice their complaints to the Texas Motor Vehicle Commission. The Commission can order the car manufacturer to refund the price of the car or replace it entirely.

The interest rates that consumers pay for bank credit card purchases have dropped as a result of a new state law. This law has lowered the former 18 percent minimum and 24 per-

cent maximum interest rates allowable to 14 percent and 22 percent respectively.

Of special interest to our agricultural community is a new state law deregulating the transportation of certain agricultural commodities. Agricultural products are exempt from the regulations of the Texas Railroad Commission during transport from the farm to the point of first manufacture, if the goods remain the property of the producer.

Texas businessmen will now be required to make earlier payments of sales taxes they collect as a result of recent changes to the tax laws. This new law changes the payment date of taxes collected on business sales to the 20th day of the month, rather than on the last day as was originally required.

Changes were also implemented with respect to the Texas Parks and Wildlife Commission. These new changes now empower the Commission with regulatory authority over all Texas counties.

These are but a few of the many state laws that recently took effect. If you have any comments or questions about these new laws or any other items, please let us know by writing Senator Bill Sarpalius, P.O. Box 12068, Austin, Texas 78711.

CAPITOL UPDATE

John Tower
U.S. SENATOR for TEXAS
WASHINGTON, D.C. 20510

As most of you undoubtedly have heard, I have decided not to seek another term in the Senate. This was an extremely difficult decision for me to make, because representing Texas in the Senate is the highest honor and the most satisfying experience I can imagine. I will be eternally grateful to have had the opportunity to have served you for nearly a quarter of a century.

However, I believe I should leave office at the end of this term. I am still enthusiastic about my job and at the height of my productivity. In my view, it is fitting for me to step aside while this is the case.

I look forward to the opportunity to come home to Texas -- the best place on this earth.

Let me also emphasize that I have much work to do before I leave office in January 1985. Texas faces many problems, and I intend to work as vigorously as ever to help find solutions for them.

The South Texas area still needs federal assistance to help it recover from the severe economic problems caused by Mexico's financial crisis. Farmers in West Texas need more help for the problems caused by severe drought. Our cities face mass transportation problems which will require federal help in solving. These are only a few of the problems with which I will be actively concerned in the coming months.

Many important legislative issues will come before the Senate during the next year and a half. We must bring federal spending under control. We must search for creative approaches to national problems, offering longterm solutions which involve efficient and appropriate use of federal resources.

As chairman of the Senate Armed Services Committee, I will continue to be actively involved in the effort to ensure that we rebuild our national defense capability. Additionally, all four of my state offices -- in Austin, Houston, Dallas and Lubbock -- will continue to function as they always have until the day I leave office.

Thus, it is still extremely important to me that you let me know what you think about the issues facing Congress. I still need the benefit of your views in making decisions. And I hope that you will continue to get in touch with me any time I can be of help to you on a federal problem.

Remember, I only announced that I do not plan to seek an additional term. I certainly plan to do my utmost to serve the needs and aspirations of my fellow Texans every single day I am privileged to serve as your Senator.

"Do I ask what you're going to do with the money when I make a deposit?"

Marbles Warns Practical Jokers About Sweet Revenge

Most of us enjoy a good practical joke, especially if we're not the object of it. I have long been a practical joker, having learned the fine art from my older brother, whose longest-running practical pun is that he didn't get me a birthday present because he is saving up for something really great to buy me later. He began this when I was three years old. I am now 37 and am still anxiously awaiting the diamond tiara which he probably will forget to give me on my 93rd birthday.

There are times, of course, when the practical joke evokes the desire for revenge. I know of no better example of satisfactory revenge than the following story:

Abner was a salesman who was forced by his work to travel far and wide, thus being away from hearth and home for long periods of time. Far from being the typical portrait of the naughty traveling salesman, Abner was a faithful husband and loving father who, when he was able to spend some time in his hometown, involved himself in community activities to promote the little community he so dearly loved.

This particular evening ended a day which had been trying for poor Abner. He hadn't seen his family and friends for a couple of weeks, although he had spoken and written to them frequently. And today he had been unable to reach anyone at home to talk to in order to help relieve him of his

LOOSE MARBLES

increasing homesickness. Abner was deeply depressed. After getting another busy signal, he wandered listlessly into the bar of the hotel where he was staying. He sadly ordered a Shirley Temple, and sat at the bar, watching his fellow bar mates. Suddenly he recognized a familiar face. There, sitting discreetly at a table by herself, looking sad and lonely, was the wife of his best friend. Eureka, thought Abner, now I can talk to someone I know, and I'll be less homesick.

Abner quickly walked over to the lady who, although she was the wife of his best friend, also was known as the biggest practical joker on the homefront.

"Hello," chirped Abner. "Could I buy you a drink?"

To which the lady replied in a loud voice, "GO TO YOUR ROOM WITH YOU??!"

Shocked, Abner stuttered, "No, no, you must have misunderstood me. I only wanted to catch up on all the hometown news."

And the lady hollered, "SPEND THE NIGHT?!" By this time everyone was staring at Abner as if he were a leering pervert who attacked innocent women in his spare time. Abner retreated to his lonely seat at the bar, upset and confused.

A few minutes later the lady, feeling a bit sorry about the practical joke she had played, stepped hesitantly up to Abner at the bar, and apologized. "I'm sorry," she said quietly. "But the look on your face was worth it."

To which good old Abner shouted, "FIFTY DOLLARS???" and ran out of the bar.

Which just goes to show you that revenge can be as much fun as you always thought it could. It also

In the afternoon Martha Parker was here with her great

movies.

Thursday Inez Fields celebrated her birthday in the home of Mr. and Mrs. W. F. Shaw of McLean. The table cloth was white with a lace overlay and centered with a beautiful birthday cake. A turkey dinner with all the trimmings was served. Following dinner, ice cream and cake were served. Inez's brother, I. D. Shaw of Grady, New Mexico was there for the celebration.

We will have a watermelon social Saturday, Sept. 10 at 2 p.m. Family and friends of residents are welcome to attend.

In The Kitchen

Someday the hot weather will break, but until it does, cold food will still be the best tasting. Here is a dessert that is rich in calories, easy to prepare, and nice and cold.

Frozen Strawberry Fluff
2 1/2 cups lightly toasted coconut
1/3 cup margarine
1 (3 oz.) package cream cheese, softened
1 (14 oz.) can Eagle Brand sweetened condensed milk
2 1/2 cups fresh or frozen unsweetened thawed strawberries, mashed or pureed (about 1 1/2 cups)
3 Tablespoons concen-

trated lemon juice
1 cup (1/2 pint) whipping cream, whipped
Additional fresh strawberries for garnish
In large sauce pan, melt margarine; stir in toasted coconut. Mix well. Press into bottom and up sides of 9-inch pie plate; chill. In large bowl, beat cheese until fluffy, beat in Eagle Brand. Stir in pureed strawberries and real lemon. Fold in whipped cream. Pour into coconut crust. Freeze four hours, or until firm. Before serving garnish with additional strawberries. Return leftovers to freezer.

Girls Invited To Scouts

All girls from the fourth, fifth, and sixth grades are invited to join Junior Girl Scouts, according to troop leader Linda Syfrett. "We meet Thursday after school in my home at the corner of Fifth and Gray," Mrs. Syfrett said, "and we'd like for any girl who is interested in scouting to attend."

Anyone interested can call 779-2577.

Four U.S. State capitals are named after presidents: Jackson, Mississippi; Lincoln, Nebraska; Jefferson City, Missouri; Madison, Wisconsin.

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric **add-on heat pump**. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system. It works with whatever kind of furnace you have, to improve the performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season. As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust. Call us to see what your savings could be.

Visiting Mr. and Mrs. Cicero Turpen during the holidays were her mother Mrs. L. R. Foster of Lelia Lake, her sister, Mrs. Jacque Edwards, Amarillo, and Mr. and Mrs. Jack Penick of Pasadena, Texas.

Heald News...Mr. and Mrs. A. W. Lankford were in Chickasha, Oklahoma Friday night to attend the wedding of a nephew, Jerry Harvey Campbell Jr. and Miss Ann Bradley.

On Friday, August 31, the high school freshmen elected their class officers, student council members, and discussed class parties and other class activities for the 1973-74 school year. Class officers elected were: president - Peggy Van Huss, vice president - Dave Jefferson, secretary - Rose Helen Dwyer, treasurer - Cindy Sherrrod, and reporter - William Mercer. The Student Council representatives are Billy Bob Terry and Cynthia Morris.

James Farris, 519 North Commerce, suffered second and third degree burns early Monday night when gasoline on the motor of a pickup truck caught fire. Farris was treated at the McLean Clinic and then taken to Highland General Hospital, Pampa, in a Lamb Funeral Home Ambulance.

Denis Stephan, a native of Czechoslovakia, examined an 85 pound watermelon grown by Ross Collie, McLean farmer. Stephan, tour leader for a group of foreign young people who visited here last week, was fascinated by the size of the melon, the largest grown by Collie this year.

The local farmer later sold the 85 pounder to a California resident traveling through McLean on Highway 66.

Sammy Haynes and Bill Reeves attended the Methodist Layman's Retreat at Ceta Canyon last Friday through Saturday. The two local men were among 729 registered for the three-day event. Principal speaker was Dr. E. Stanley Jones, missionary to India.

M/Sgt. Richard D. (Nick) Nicholson received his discharge from service August 21 at Fort Ord, Calif. The Nicholsons plan to make their home in Pampa, where he will be employed at a Shamrock gas station.

Ollie Lowe and Mr. and Mrs. Johnny Lowe from California, and Mr. and Mrs. Roy Lowe of Pampa visited with Mr. and Mrs. Charles Williams Sunday.

Visitors in the Jim Wheeler home Sunday were Mr. and Mrs. Hilbert Patter and son Joe of Hollis, Oklahoma, and Mr. and Mrs. Foster Burgin and family of Groom.

A Womack ambulance took Mrs. W. H. Worsham of Alanreed to Clarendon Saturday for an appendicitis operation.

Mrs. Wheeler Carter and little son from Arkansas came Wednesday for a visit with the lady's mother, Mrs. J. B. Pettit.

Dr. and Mrs. W. E. Ballard were in Amarillo Thursday, Dr. Ballard receiving medical treatment.

John B. Rice and Ben Howard of Lefors visited home folks here last weekend.

60 YEARS AGO...

T. A. Landers, Ed.
The fine rains we have been having this week make the prospect for a bumper crop of feed in this community the best for several years. As far as moisture is concerned, the crops are made. Nothing short of a wind-storm or hail can keep our farmers from making a good yield of every kind of feed, and cotton prospects are also very promising. However, we have had too much rain the last few days for cotton to do it's best.
