Elizabeth Greer Former Resident Died In McLean

Funeral services for Elizabeth Greer, 89, died Monday at Lubbock Methodist Hospital, officiated. Burial was at the First United Church in McLean. Greer was a native of Cherokee and moved to McLean in 1926. She was a member of the Presbyterian Church.

She is survived by four daughters, Mrs. Annis Bennett of Hereford, Mrs. Clements of Littlefield, Mrs. Jane Barns of Lubbock and Mrs. Peggy of McLean; three sons, N. H. of Amarillo, of Lubbock and of Comstock; 13 grandchildren, 29 great-grandchildren and one great-grandchild.

Alanreed Plans Community Supper

Alanreed community Thanksgiving supper will be held in the school cafeteria on Tuesday, Nov. 25 beginning at 7 p.m. Along with the supper will be the school Thanksgiving program.

News Deadline

Due to the Thanksgiving holidays next week the deadline for news items and advertisements will be 5 p.m. Monday evening, Nov. 24. The paper will be published on Wednesday instead of the usual Thursday.

Your cooperation in this will be appreciated.

Microwave Oven School Planned

Linton Microwave cooking school will be held Saturday, Dec. 13 at Jerry's Electric Com-

puter home economist will be present from 11 a.m. to 3 p.m. Everyone is invited to attend.

Business activity increased 7.6 per cent in the third quarter of 1975. The University of Texas Bureau of Business Research reported.

City Receives \$2,449.36 In Sales Tax Rebate

Comptroller Bob Bullock mailed checks totaling \$14.5 million to 670 cities and towns, rebating their October city sales tax.

Bullock said his office has rebated a total of \$223.7 million to cities collecting the sales tax so far this year. During all of calendar 1974, he said, a total of \$233.7 million was rebated.

With a normal Nov. and December, Bullock predicted city budgets will enjoy \$25 million to \$30 million more revenue year over 1974.

The comptroller said 154 of the total 824 cities collecting the sales tax will not receive their rebate until the end of the December quarter, because they fell below the \$50 cutoff of monthly rebates.

McLean received as a rebate from their sales tax a check for \$2,449.36.

Jim Harrison Dies Monday After Long Illness

Funeral services for Jim Dee Harrison, 67, of Alanreed, who died Monday in his home after a long illness, were held at 3 p.m. Wednesday at the Alanreed Baptist Church with Rev. M. D. Smith, officiating.

Burial was in Alanreed Cemetery under the direction of Lamb Funeral Home.

Mr. Harrison was born in Rannels County and moved to Alanreed from Hopkins in 1960. He was a member of the Alanreed Baptist Church and the 100F Pampa Lodge. He was a retired pumper for Phillips Petroleum. Mr. Harrison married Imelda Marshall in 1935.

He is survived by his wife; two sons, James of Lubbock and Robert D. of Houston; three daughters, Mrs. Nancy Earle of Cleveland, Ohio, Mrs. Fay Eckstrom of El Paso and Mrs. Jeannie Cummings of Amarillo; a brother, Jessie Harrison of Nevada; and one sister, Mrs. Ollie Dell Cadalbert of Cookeville.

Businesses To Take Holiday

Most businesses in McLean will be closed all day Thursday for the Thanksgiving holidays.

The City Hall, county offices and the news office will be closed on Thursday and Friday, November 27 and 28.

77% Savings Bond Goal Achieved

In releasing Treasury figures, County Bond Chariman Floyd F. Watson, announced today that sales of Series E and H United States Savings Bonds in Gray County during September totaled \$25,167. Sales for the nine month period were \$342,423 for 74% of the yearly sales goal of \$465,000.

Sales in Texas during the month amounted to \$19,479,856 -- while the year-to-date sales totaled \$181,535,171 with 77% of the \$234.3 million sales goal achieved.

Jubilee Has Good Selection Of Entertainers

Hay, a cowboy's scampfire and a packed McLean High School Auditorium set the stage for another Derby Town Jubilee last Saturday night.

Appearing on the program were locals Red Easton, Darrel Herndon, John Kirby, James Estes, Craig Cunningham, Leland Myers, Steven Myers, Connie Cunningham, Leslie Cunningham, Carl Henley, Loyd Garvin, Earl Rileys Dashound, "Shorty", and of course Master of ceremonies, George Terry and organizer, Conald Cunningham.

Entertainers from over the area were the Frank Embrey Family and Joan Woodruff from Shamrock; the Freedom Gospel Singers with R. D. Hicks of Plainview, John Maxwell and Weldon Watson of Amarillo, and Earvon Polite from Denton; the Miles Green Family from Panhandle; Norris Cunningham Jr. of Amarillo; Glen Studebaker and Thurman Trew of Alanreed; Leland Daniels from Erick, Okla.; The Circle L Square Dance group from Lefors; and Frank Hobson and Becky Durning, a husband and wife team from Nashville, Tenn.

As the variety of music echoed through the halls listeners clapped, made requests, ate homemade ice cream from the concession stand, and in general had a good time.

Through the sponsor, the McLions Club, proceeds from the show will go to aid the blind and help crippled children.

Speaker Bill Clayton ordered a series of House Administration Committee hearings over the state to explain "innerworkings" of state government.

Heart Association Presents Program

An epidemic, that's what heart disease is in America today. It is the leading cause of death and disability in the nation. One of the major risk factors of cardiovascular disease is hypertension. Many people have high blood pressure and don't know it. Unchecked, it can lead to heart attack, stroke, or kidney failure. Once detected, it can usually be controlled with drugs or other treatment prescribed by a physician.

The truth is often painful. And the truth about high blood pressure and Black Americans is particularly so. The fact is that one out of every five Black Americans has high blood pressure--twice as many whites.

There are no tell-tale symptoms that one can identify for high blood pressure. Having one's blood pressure taken periodically is the only way to detect hypertension. A simple, painless test can protect you from this killer.

Jean Johnson, R. N., chairperson of the public education committee of the Gray County Heart Division, presented blood pressure programs to Texaco, Inc. and Transwestern Pipeline Co. A film, "What Goes Up", was shown to both groups and 100 blood pressures were checked. Assisting Mrs. Johnson were Virgie Cotton, Margarette Cox, Jessie Newberry and Vickie Gulley, all volunteer nurses. These programs are sponsored by the Texas Affiliate, Inc. of the American Heart Association.

Baptist Church To Have Youth Revival

The First Baptist Church will be conducting a youth revival this week end, November 22 and 23.

A team of eight young people from Clarendon Jr. College will arrive here at noon Saturday to lead the service Saturday night at 7 p.m. A youth fellowship will follow. The youth will also take charge of the regular Sunday meetings at 11 a.m. and 7 p.m. and a youth choir will lead the song service.

The team is led by the Clarendon Junior College Baptist Student Union director, Butch Strickland.

Many county clerks and tax officials support proposals to take election matters out of their hands and create a separate local election office.

PROCLAMATION

The 1975 Farm-City Week is designated by a "Declaration of Interdependence."

The stander purpose of this 20 year old tradition is to bring better understanding between rural and urban people, and increase the knowledge and appreciation of each for the American way of life.

Top O'Texas Cowbelles Farm City Week Chairman: Mrs. Kenneth Jackson, said "We as Cowbelles, feel we are on both sides of the proverbial fence being both consumer and producer."

Agriculture is the nations largest industry with assets totaling \$455 billion--equal to 3/5 of the corporations in the United States.

The cattle industry has become an even more important part of our economy recently because of its inflation fighting qualities. When consumers buy more beef supplies dwindle and prices tend to rise. Rising prices are automatic signals to producers to increase cattle numbers, resulting in more beef and lower prices for consumers.

This free market system has brought doubled beef production since 1954, despite discouraging prices at times. Whatsmore we now have quality beef, at the lowest prices in nearly two years. Cattlemen will continue to produce if they can meet skyrocketing production costs with just a little profit.

Top O'Texas Cowbelles with local members from McLean and other area towns is proud to be a sponsor for Farm-City Week. We love our American way of life and will continue to work for it in our ever changing world.

Texas Cowbelles

Lamb Flower Shop To Have Open House Nov. 30

Lamb Flower Shop are having their second anniversary and want to share it with their customers friends and neighbors, by having an open house Sunday, November 30 from 2 to 5 p.m.

There will be free carnations, refreshments and prizes given away. While you are there they invite you to look over their Christmas arrangement.

Creed and Wanda Lamb extend an invitation to everyone to come by.

CALL 779-2447 TO REPORT YOUR NEWS.

Tigers Fall To Irish 33-10

The hometown Tigers finished the 1975 foot ball season in a 33-10 loss to the Shamrock Irish. The game was played at Duncan Field where the scoring started early, as Shamrock's Mike Coplan returned a punt 70 yards for the touchdown. Shamrock scored again in the second stanza. The half-time score read Shamrock 12 McLean 0.

The second half proved too much for the Tigers as Shamrock scored three more times. McLean's touchdown came with 8 min. remaining in the game when Sammy Don Haynes took a lateral from quarterback Rick Lowery then after a little razzle dazzle threw to the waiting arms of Morse Haynes for the score. The extra point was good. Late in the game Morse Haynes added a 23 yard field goal narrowing the lead 25-10. With 1 second remaining Shamrock added a final touchdown and extra point.

Advance Spring Registration To Begin At A. C.

Advance registration for spring semester 1976 will begin Monday, NOV. 17 and continue through Dec. 5.

Currently enrolled students wishing to advance register for the spring may report to their academic advisors for advising and scheduling of classes.

New students first should report to the registrar's office in the Administration Building for admission clearance and assignment of an academic advisor. Then they may report for advising and report to their assigned advisor for scheduling of classes.

Evening students, not currently enrolled, will be able to advance register between 5:30 and 7 p.m. Dec. 1 through 4 in the registrar's office.

This advance registration is open to all students, including new students who wish to avoid the problems of regular registration for the spring semester, which begins Jan. 15.

Tuition and fees may be paid by advanced registered students until Jan. 8 in the business office of the Administration Building. If payment has not been made by that time, students will have to report to regular registration, said J. Fred Balderston, registrar.

Fratis L. Duff, M.D., Director

One would purposely buy a toy which could injure the child for whom it is intended, but many of the toys that are sold today may be doing so unknowingly. The wrong toy falls into the hands of a child, and it could produce a serious injury, says the Department of Health Resources. When buying toys this year, toy safety, advises Fratis L. Duff, director of the Texas Department of Health Resources.

development can make quite a difference in that child's ability to cope with toys. "That's" the reason manufacturers are required to place precautionary labeling on toys," says Harold Ray, director of the Department's Division of Product Safety.

Consumers should look for the warning label on a toy which states that the toy isn't recommended for a child under a certain age. If such a label warns that the toy is to advanced for the child in mind, the purchaser should heed the warning and find one to fit the child.

Ray noted that a testing process has been used in determining the right toy for the right child. During the past year the United States Consumer Product Safety Commission issued final regulations for use and abuse testing of toys. While not banning toys, the regulations provide tests for impact, bite, flexure, torque, tension and com-

pression--all of which simulate normal and reasonably foreseeable use, damage and abuse of toys, games and other articles by children at play. These testing levels were used reflecting the ages of children for whom the toys are intended. These age levels are 18 months and less, over 18 months but not over 36 months, and over 38 months but not over eight years of age.

What can you as an individual do to prevent this mis-match of toy and child?

First, beware of how the toy is built, says Ray. Toy buyers in the family should reject those with obvious hazards--sharp points; rough or unfinished surfaces; small, detachable parts that may be swallowed; brittle plastic or glass that breaks easily and leaves sharp edges that may cut; poorly constructed toys with sharp spikes or pins that are exposed when the toy is pulled apart by a curious child; toys with triggers, gears, or other parts activated by a spring or motor that may pinch fingers or catch hair.

Most of these types of toys have been eliminated through Consumer Product Safety Commission standards. But, some 5,000 new toys enter the marketplace each year. The holiday season will find more than 150,000 different kinds of toys for sale in an estimated one million retail outlets. Despite the efforts of toy manufacturers, retailers state and federal inspectors and different governmental agencies, it is impossible to inspect every toy.

It is possible, however, for parents, relatives, friends and older sisters and brothers to check every new toy and every old toy around the house for possible hazards.

Texas Tech's quarterback duo of Tommy Duniven and Rodney Allison have combined for 1,746 yards to date, a 194.7 yards per game average. In fact, Duniven needs only 114 yards passing in the Raiders' final two games to break the 1,000-yard mark for the season, a feat accomplished by only three other players in Tech history. Those three were Tom Wilson, 2,119 yards in 1965; John Scovell, 1,323 yards in 1966; and Joe Barnes, 1,142 yards in 1972.

RAYE MADDOX

Maddox - Bailey To Exchange Vows November 26

Mrs. H. S. Maddox of Memphis announces the approaching marriage of her daughter, Raye Maddox to Edgar Lee Bailey. Their marriage vows will be exchanged Wednesday, November 26 at 7 p.m. in the First Methodist Church in Memphis.

Friends and relatives of the couple are invited to attend the wedding and the reception following.

Susie Trout returned last week end from a visit with her children in Amarillo and Canyon and then went to see her son Thomas Trout at Ft. Hood. Mrs. Trout also attended the funeral of a uncle, Henry Cooper at Electra, who died last Saturday, Archie Cooper, her brother of Dalhart also attended the funeral.

Mr. and Mrs. Henry Holes of Miami, Okla. were visitors of Susie Trout Sunday thru Tuesday.

Sorority Has Meeting Tuesday

The Beta Sigma Phi met in regular session Tuesday, Nov. 18 at the hospitality room of the American National Bank.

The meeting was called to order by President Evelyn Shaw with all members repeating the opening ritual. A short business meeting was held discussing Thanksgiving and Christmas socials and services for the community during the holiday season.

Tuesday night was the last pledge training for the new members. Those completing the training for the Pledge Ritual to be held on Dec. 2 were: Linda McDonald, Betty Thockmorton, Jacque Gillispie, Naomi Ashcraft, Linda Smith, Marie Baker, Billie Kingston, Wanda Reynolds and Martha Mears.

Shirley Stokes gave an interesting program on "Women to Whom we are Indebted", one of which was Susan B. Anthony.

Refreshments were served by Loyce Parker and Evelyn Shaw, who were the hostesses and they carried out the Thanksgiving theme.

Members present were Shirley Stokes, Evelyn Shaw, Sonie Heasley, Naomi Ashcraft, Betty Thockmorton, Billie Kingston, Linda McDonald, Jacque Gillispie, Linda Smith, Loyce Parker, Marie Baker, Mary Lou Glass, and Nancy Billingsley.

Market Report

Beef buys reflect quite a price spread between lightweight and grain-fed beef," while overall beef prices show only a small decrease on a few cuts,

Of the lower-price lightweight beef, she said that situation across Texas this proper cooking techniques (moist-heat and slower cooking) make it an economical meat value.

beef specials on chuck roasts, ground beef, liver, round, sirloin and T-bone steaks.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

On the poultry scene, fryer chicken prices have dropped slightly -- and egg prices are reasonable.

Demand for eggs will force prices up in a week or so, however, as holiday baking begins.

Of other meat buys, a few more hogs going to slaughter--and abundant beef supplies--are helping put a brake on pork prices. Since pork supplies have increased slightly, consumers can look for occasional specials-- most likely on Boston butt roasts, ham portions, picnics and liver.

At fruit counters, apples are still the best buy in most stores. gerines and grapefruit are more plentiful--with Emperor grapes have reasonable prices.

In vegetables buying, look for excellent values on the larger winter squash, such as Hubbard and Delicious--usually cut into pieces and sold by the pound. Fresh pumpkins is also plentiful.

Those vegetables with the most economical prices are cooking greens, white and sweet potatoes, yellow onions, rutabagas, cabbage and carrots, the specialist said.

HOLIDAY CHECKLIST --New-crop pecans are making their appearance at first of the season prices, with a good crop predicted.

When using whipped butter in place of regular butter in recipes, use 1/3 to 1/2 more than the recipe calls for.

S. Rippy were in Amarillo Monday visiting Mr. and Mrs. D. L. Holder and with Kevin and Lauren Lankford.

Mr. and Mrs. Harry Tate of Midland arrived Wednesday to spend the remainder of the week with his parents, Mr. and Mrs. O. O. Tate.

STATE CAPITAL
Highlights
AND Sidelights
 by Lyndell Williams
 TEXAS PRESS ASSOCIATION

AUSTIN — State government ended its 1975 fiscal year with a record cash surplus of more than \$1.4 billion, but if the legislature continues its spending ways it may not last long.

This was the good news and the bad news of Comptroller Bob Bullock last week as he released his annual financial report for the fiscal year which closed August 31.

"We're in the best shape ever for now," said Bullock. "But our analysis consistently shows that if spending increases as usual in 1977, we will face a tax bill in the \$1 billion range."

The Legislature this year passed a \$12.1 billion biennial appropriations bill.

Gov. Dolph Briscoe and others have predicted that, with reasonable economies and continuing high yield from sales and oil and gas taxes, a major state tax bill can be avoided in 1977 as in the last two legislatures.

Bullock said the state had \$6.9 billion in the last fiscal year to meet an expenditure level of \$5.5 billion.

Revenues, the Comptroller said, increased 13 per cent over 1974 income — reaching \$5.7 billion.

"The real story," said Bullock, "is that revenue increased because of inflationary prices while the tax base remained the same. Spending jumped 21 per cent over the previous year. If legislators want to increase spending another 25 to 30 per cent in the next biennium, they had better have that billion dollar tax bill ready."

GOP Moving

Texas Republicans outlined major plans for 1976 campaign activities at a meeting here recently.

The State GOP Executive Committee approved Chairman Ray Hutchison's proposal to establish a powerful new executive campaign committee and central political fund.

Special recruiting committees were also appointed to seek out qualified congressional and legislative candidates.

Republicans decided to conduct their presidential preference primary on a congressional district basis. Ninety-six of the 100 GOP presidential nominating delegates will be elected at

the polls May 1, and only four will be picked at the June 19 state party convention in Fort Worth.

Mrs. Pat Archer, wife of Houston Congressman Bill Archer, was elected new GOP National Committeewoman to succeed Mrs. Rita Bass Clements of Dallas who resigned.

Hutchison named Ernest Angelo of Midland to head the new 15-member GOP executive campaign committee. Bob Flournoy of Lufkin was designated vice chairman.

Rates Studied

A 7.1 per cent increase in workmen's compensation insurance rates has been recommended by State Insurance Board actuaries.

Insurance company spokesmen aren't happy. They recommended a 12.3 per cent boost. Industry representatives weren't pleased either. They pointed out Texas business and industries already pay \$611.6 million a year to insure employees against on-the-job death and injury, and they claimed this is too much.

Courts Speak

The State Supreme Court left standing a lower court ruling that state and local governments can charge fees for access to large records computer data and microfilm.

The Open Records Act, court rulings have held, permit charges to examine such records.

In another ruling, the High Court affirmed a Texas Railroad Commission gas curtailment order placing Houston Lighting and Power Company in seventh priority as a cus-

SPECIALS GOOD THRU WEDNESDAY, NOV. 26, 1975

tomor of United Texas Transmission Company.

The Supreme Court also held that a Smith County man must be jailed for contempt of a court order by returning a tractor which he sold out of Texas.

The Court of Criminal Appeals reversed the 100-year prison sentence of a Grayson County man in the death of a fifth-grade girl from Denison who had been abducted on her way home from school.

A three-judge federal court in Tyler set arguments in the continuing controversy over whether voters can be signed up under the new Texas registration act without U.S. Justice Department approval.

AG Opinions

Atty. Gen John Hill's opinion banning many special school fees may cause loss of district accreditation, State Board of Education warned recently.

In a recent opinion, Hill held school districts should not contract with one of their trustees to furnish garbage service even if there is only one such service in the area.

Hill also concluded the Smith County domestic relations court judge's pay should be equal to the state portion of the county's district judge salary.

School Session Urged

Texas Association of School Boards executive committee has urged Governor Briscoe to call a special legislative session to deal with school finance problems arising from the Hill fee opinion. (See above).

Texas Association of School Administrators executive committee also asked the governor to help ease the strain on districts which the opinion may cause. Briscoe said he has no intention of calling a special session and will be "looking for other ways to meet the problem."

Hill's opinion October 1 concluded special school fees for such things as driver education, band uniform rental and workbooks are illegal.

Mary Martha Class Has Dinner

By Lucille Cullison
The Mary Martha Sunday school class of the First Baptist Church met in the church Fellowship hall on Sunday, Nov. 9 for a Thanksgiving Dinner and all the trimmings with Mrs. Newt Barker as hostess. The tables were decorated in the Thanksgiving Motif.

Rev. Herman Bell offered prayer before the meal was served.

Class members and their husbands and guests present for the dinner were Mr. and Mrs. Newt Barker, Mr. and Mrs. Mrs. Howard Williams, Mr. and Mrs. Walter Miller, Mr. and Mrs. Harvey Hudgins, Mr. and Mrs. Frank Howard, Mr. and Mrs. Roy Cullison, Sr., Mr. and Mrs. Namon Hardman, Mr. and Mrs. Delbert Trew, Mr. and Mrs. E. L. Watson, Mrs. Gladys Smith, Mrs. Odell Mantooth, Mrs. Levie Smith, Nora Moore and grandson, Calvin Moore. Guests were Rev. and Mrs. Bell, Rev. and Mrs. Buel Wells of Kentucky, Dr. and Mrs. A. C. Wood and Janet, and Carl Watson.

Members having birthdays were Velma Willis, Pearl Larner and Essie Howard. They received cakes and cards.

Everyone enjoyed their selves.

EDITORIAL

The McLean High extra curricular program is in an unfortunate decline. There are many theories as to the reason for the drop. I simply want to express my opinion on the subject.

In ten years the enrollment at McLean High has dropped only 10 to 20 students, but the band, football and track teams have reported as much as 50% less participation as there was for example in 1965. In 1965 there were 85 high school students enrolled in band. This year excluding the eighth grade (which is now part of the Tiger Band), there are only 18 band members. This decline is a mystery to me. Today's youth is more involved in music than ever before but we still have the decrease.

Football and track is taking the same course. Fewer participants each year most generally leads to fewer team victories.

The key to building these programs back up to what they should be is support, support by the parents of participating athletes, townspeople and of course the student body.

Comptroller Bullock's "raids" have produced more than \$2.4 million in back city and state sales taxes.

Last Pep Rally Held

Last Friday the students of McLean High School held their last pep rally of the season. The pep club presented a long stemmed yellow rose to each of the senior cheer leaders; the two senior band members were presented a rose and a boutonniere by the band, and the senior members of the football team received small trophies from the pep club.

The pep rally was filled with tears of sadness, tears of pride, and tears of remembrance. For many of the seniors it was a time of remembering, the seniors that had gone before and the tears that they had shed, and they remembered thinking "I sure won't cry when I'm a senior because I'll be to happy about getting out." But there they were at their last pep rally feeling sadness and yet looking forward to what is to come in their lives. Each senior in his own way sheathing a tear for the past that is gone and for the happy future that is to come.

At the end of the rally as the students and faculty of McLean High stood hand in hand to sing the school song the spirit, pride, and love were almost tangible. The pep rally ended in great expectation for the game to come.

By Connie Cunningham

Stephen Oden of Texarkana has been appointed to the board of regents of East Texas State University, succeeding Joseph Zeppa of Tyler.

TIGER POST

1934
 Supt. C. A. Cryer and Prof. Robt. C. Davidson visited in Abilene during last week end.

The McLean Tigers will play for bi-sectional championship thea Shamrock Irishmen, on Denver Field at Shamrock, Friday night at 8 p.m.

A cast of high school students have begun work on a four act play, entitled "Oh, Susani!"

Henry Loter, coach of girls basketball, attended a district meeting in Amarillo on Nov. 17.

The McLean judging teams will journey to Pampa on December 1 and compete in the annual judging contest.

1935
 The seniors' pictures have all arrived, but the long expected shipment of rings has not arrived yet.

Fifty-two freshmen and eight room mothers met at the gymnasium Tuesday of last week for a party.

The Onward nationwide essay contest sponsored by the Butler Bros. stores, through Jesse Cobb, gave prizes of \$500, \$200, \$50, \$10 and several \$1 prizes, one of which was won by Francis Petty.

There will be no school Thursday and Friday of next week because of Thanksgiving. Some of the teachers will go to Austin to the State Teachers Association.

Wednesday, Nov. 20, was declared officially as Will Rogers day in Gray County. Mr. Harding is chairman of the administration in McLean. He has requested that each student bring at least 1 cent or more, so that the memorial may be a unanimous affair by the schools.

1944
 The McLean Tigers passed their way to a 6-0 victory Friday night over the Lakeview Eagles.

School Holiday

Next Thursday and Friday, the students and teachers of McLean will be observing a Thanksgiving holiday. The teachers will return to school Monday for an In-Service day at Wheeler for the Small School Association. This adds another day to the students' holiday.

The State Insurance Board formally approved rules and regulations for new prepaid group legal insurance.

FFA Teams Travel To Clarendon

By Denise Lamb
 The McLean High School FFA travels to Clarendon for contest.

The Top of Texas district which consisted of around 40 teams met at Clarendon Jr. College. We had three teams to travel which were radio broadcasting, sr. chapter conducting, and FFA Quiz team. The Radio Broadcasting team received 5th place out of seven teams and the members were Dion Bryant, Delinda Howard, Kenneth Parker. The Sr. Conducting team consisted of Greg Henley, Carter Trew, Van Horn, Dave Jefferson, Scott Haynes, Cherrie Billingsley, Tim Johnston, and Curtis Simpson. The FFA Quiz team received 4th place out of 12 teams. These members were Joe Creed Lamb, Tommy Eck, Barbara Winegeart, and David Tolleson. Delinda Howard won most outstanding.

To preserve left-over egg yolks, place them into a small bowl and add two tablespoons of salad oil, then keep refrigerated.

Miami Downs McLean 38-47

McLean varsity traveled to Miami Tuesday night and lost a victory to the Warriorettes 38-47. The game was a cat and mouse game until the last quarter when the fouls and turnovers gave Miami the lead. The Tigerettes fought to the finish although they were unable to reverse the warrior-ette edge before the final buzzer. The McLean Tigerettes were beaten on the free throw line. Miami hit 25 out of 29 free throws which cost the Tigerettes the game. High scorer for the Tigerettes was Rose Dwyer with 18 points and Delinda Howard right behind with 13 points.

If you oil an electric fan the beginning of each season of use, it will have less chance of overheating, slowing down or burning itself out.

REMOVE UNSIGHTLY HAIR FOREVER

Tigerettes Play Scrimmage Sat.

The McLean Tigerettes scrimmaged here against Sanford-Fritch last Saturday afternoon. The Junior Varsity scrimmaged four quarters and the Varsity scrimmaged five quarters. Coach Gray said he thought the girls kept their composure very well. The Tigerette Coach said "There were a lot of turnovers on both ends. The girls mishandled a lot of balls across the line. I was real pleased with the way we were able to score. At times we looked ragged and other times we looked very sharp. I'm looking forward to playing at Miami Tuesday night. We would like all the support we can get for our first game." The Jr. Varsity girls game is at 5:00 p.m. The Varsity girls game is at 6:30 p.m. and the Varsity boys game follows.

Farm-facts

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

That Time Of Year... Spirit of '76... Stock It To Them.

Several thousand farmers and ranchers will receive a questionnaire during the latter part of this month and the first week or so in December from the Texas Crop and Livestock Reporting Service.

It will be either a crop or livestock questionnaire. If you are one of those receiving the questionnaire, you are requested to fill it out as accurately as possible and return it as promptly as possible.

In this way, you will be doing your part in providing, for Texas agriculture and all of the economy, a true picture of our state's most basic industry - agriculture.

Your cooperation is essential, and today it is even more important than ever before to have accurate agriculture production information on which sound judgments can be made.

THE SPIRIT OF '76 seems to be taking hold of agriculture, too, as it relates to parity.

The latest report on parity for the nation is now 76. It was also 76 as of a month ago; a year ago it was 78. It means that agriculture generally is about three-fourths as well off financially as the rest of the economy.

The all-farm products index of prices received by Texas farmers and ranchers stands at 476. This means a two per cent decline compared to a month ago. The crop index was up, but the livestock index was down.

Only oats, hogs and mohair are above parity levels for agriculture producers. Wheat in Texas averaged \$3.95 per bushel; parity is \$4.65. A year ago, wheat in Texas sold for \$4.76 per bushel.

Grain sorghum averaged \$4.46 per hundredweight in Texas; parity is \$5.18. A year ago, grain sorghum was selling at \$5.82.

Cotton continues to be the big exception in crop prices. Parity for that commodity is 79 cents a pound; the average price in the state is 45 cents per pound; that, however, is up six cents per pound from a month ago and is about the same as a year ago.

Hogs, despite some price declines, continue above parity. Hog prices in Texas average \$54.80; this compares with a parity ratio of \$48.70. A year ago, hogs in Texas brought only \$35.60.

Beef cattle average price is \$29.70 compared to \$56.20 parity. Calves averaged almost \$23 in Texas; parity is almost \$70. Sheep and lambs which have been above parity in recent months, are now below that ratio, also.

Mohair at \$2.12 is 23 cents a pound above parity. Turkey prices to producers average 35 cents per pound; parity is 47.4 cents.

Egg prices average 60 cents per dozen; parity is 77 cents per dozen.

STOCKS OF THE FOUR FEED GRAINS - corn, oats, barley and sorghum - in Texas are estimated at 29,000,000 bushels, a decrease of 12,000,000 bushels from a year ago.

Corn and grain sorghum were responsible for the decrease. Nationwide, stocks of the four grains are 10 per cent less than a year ago.

USDA BEEF GRADING

A three-judge appellate court in St. Louis on Nov. 14 ruled "The courts cannot interfere with the USDA administrative procedures" with reference to the grade change the U.S.D.A. announced earlier in 1975 to take effect. Earlier a federal district judge in Omaha on May 29 had ruled against the grade change as proposed by the U.S.D.A.

Both the U.S.D.A. and the American Nat'l Cattlemen's Association appealed the injunction. Assoc's Evan Goulding says, "The appellate court ruling means that if the U.S.D.A. were so inclined, the grade changes could be put into effect immediately. However, they can be appealed to the Supreme Court.

The proposed grade change, in my opinion would be a major step in the right direction. It would mean the average cattle feeder could save several dollars per CWT in gain cost. This could be passed on to consumer in lower meat prices. Feeding periods could be shortened 20-30 days and a higher percentage of carcasses would hit choice. The excess fat is worth about 80-9¢ to put on these excess pounds of fat in the dressed beef. The ruling was a great decision for the cattle industry.

Cattle on feed in the seven major cattle feeding states is up 12% from a year earlier. Texas cattle feeders association reports numbers of finished cattle in Texas. Feed lots are a way down. They think prices might even strengthen for a time. No doubt there will be more finished feed lot cattle coming out of feed lots after the first of the year. However, there will be fewer grass cattle and a reduced supply of pork. We don't anticipate any severe drops in prices in the near future.

Fish can be caught in the Sahara Desert. By digging through the sand to underground streams fishermen can obtain fresh-water fish.

Landowners and sportsmen are finding an abundance of cover as the 1975 hunting seasons open in Texas but this collection of grasses, weeds and grain stalks will disappear by next spring.

November is the time to save some of that cover for the game and song birds as the most critical time of the year for these species is from February through March.

Winter rains, winds, snow and indiscriminate burning and heavy winter grazing destroy most of the necessary protective benefits of these plants by spring of each year.

Texas has plenty of food, water and protection for its game birds but protective habitat in the spring determines the success of the following years' bird populations according to Richard DeArment, extension biologist at Wheeler.

Landowners are asked to leave a patch of grass or weeds in the corner of their field or a few

Hobi-Club Have Turkey Dinner

The Swap-A-Hobi Club met on November 11 at the senior citizens hall. Members and guests enjoyed a turkey dinner with all the trimmings. Those present played 42 afterwards.

Present were Mr. and Mrs. Ed Easton, Mr. and Mrs. Newt Barker, Mr. and Mrs. O. O. Tate, Mr. and Mrs. L. T. Goldston, Mr. and Mrs. Roy McCracken, Mr. and Mrs. Troy Corbin, Mr. and Mrs. Clois Hanner, Mr. and Mrs. A. W. Lankford, Mrs. Sophia Hutchinson, Mrs. K. S. Rippey, Lena Bailey, Clara Reneau, Maggie Johnston and Walter Evans.

Lt. Guy Amerson Receives Wings

Second Lieutenant Guy V. Amerson, grandson-in-law of Mrs. Luther Petty, was one of 35 pilots to receive his diploma and silver wings recently in graduation ceremonies at Laughlin Air Force Base, Del Rio. After further training at Castle Air Force Base, California, Lt. Amerson will be assigned to a KC-135, and will be stationed at Carswell Air Force Base near Fort Worth.

rows of corn or grain stalks along a weeded fence row or pasture.

Even though quail, pheasant and prairie chicken are adept at eluding enemies such as the hawk, owl, skunk and coyote, a certain amount of cover is required.

The 1975 hunting seasons are in full swing and there will be a good surplus of game birds going into next spring's nesting season if the winter is not too severe.

Wildlife management is not only the responsibility of the Texas Parks and Wildlife Department but also involves landowners and sportsmen. A landowner can have a successful farming year and wildlife too if care is used in the burning of grain fields and fence-rows.

Wildlife on your property is beneficial from the standpoint of economics. Sportsmen spend money to hunt and game birds eat many of the insects that are detrimental to crops.

Let's give the wildlife a hand and provide a little cover and protection from the cold winds of winter and early spring and in-

in parts of England believed that a person picks marigolds will talk drink.
