NUMBER 24

**Alice Short Smith
First Lady
of The Year**

Recently at the McLean Country Club the Beta Sigma Phi Sorority revealed Alice Short Smith to be First Lady of the Year at their annual Mother's Day tea after a secret ballot from nominations received from organizations and individuals in McLean. Alice was chosen on the basis of her activities in her community, her home, church life and chosen field.

She is a graduate of West Texas State College and holds a master degree from Teachers College at Columbia University, New York City. She has had a successful career as a science teacher in Pampa and before schools. Always interested in education, she has been an outstanding member of "Opportunity Plan Board" at W.T.S.U. where she has been instrumental in helping numerous young people continue their college education. For this same reason, she became a charter member of the production "Texas" in Palo Duro Canyon.

As a member of the Church of Christ, Alice has always kept her heels high in all endeavors of public affairs. She often visits the sick and has a long list of elderly people and shut-ins that she remembers on special occasions with cards and at times of trouble. As in the Lefors tornado, she is always at hand with her help. Being one of seven girls and one boy in the Short family, Alice has always striven to keep her family ties close. The reason she moved to McLean was to be near her widowed sister, Vera. Her nieces and nephews look to her as head of the Short family. Her husband John Smith was a good business man and taught her how to manage, leaving her in charge.

Homecoming At Alanreed Sunday

The Alanreed Homecoming has been planned for this Sunday, June 13 at the school house. Registration will begin at 11 a.m.

Following the opening program a business meeting will be held. Sue Crisp will read the minutes and treasurer's report, which will be followed by election of officers. The cemetery association report will be given by Ollie Hommel. A collection will be taken to help with upkeep of the cemetery and homecoming expenses. Awards will be presented by Granville Simmons.

The present officers are president-Granville Simmons, vice-president-Harvey Craig, secretary and treasurer-Sue Crisp.

Rick Mantooth Gets Scholarship

Canyon High School graduate Rick Mantooth has been named one of 10 campus Services scholarship awardees at West Texas State University for the upcoming academic year.

For a \$400 scholarship each semester, the students serve as official hosts and hostesses for the University, working 10 hours in the director of development's office assisting the admissions advisors and taking campus tours.

The son of Mr. and Mrs. Ricky P. Mantooth of Canyon was selected for his outstanding scholastic abilities and participation in extracurricular activities. In high school, Mantooth was active in athletics, drama, vocal music, art, speech, The Spicians, Student Council, Future Teachers of America, Fellowship of Christian Athletes and Methodist Youth.

"I am very pleased to have this caliber of students as Campus Services scholarship recipients. They will be a tremendous asset not only to WT, but to their hometowns," said Director of Development Keith Winter. "They will be leaders of this University because of the training they will receive with Campus Services."

Rick plans to major in theatre at WTSU. His grandparents are Mr. and Mrs. Odell Mantooth of McLean.

Parent's Night At First Baptist

Everyone is invited to attend Parents' Night at the First Baptist Church at 8:00 pm Friday night, June 11th.

At this time the children will share what they have been doing in vacation Bible School all week. Following the program there will be open house and refreshments will be served in the Fellowship Hall.

Friends, neighbors, relatives, and those who just like children should come and enjoy the program presented by the children.

A nursery will be provided for those with children under three years.

4-H'ers Qualify For Regional

4-H'ers from McLean participated in the Gray County 4-H Horse Show held in Pampa on Sunday with some of them qualifying for the regional show to be held in Amarillo on June 30 and July 1. Those qualifying were Leisa, Greg, and Lance Gabel, Rita Jefferson and Kelly Moore. Also entered in the horse show was Teresa and Rhonda Woods.

All 4-H members and their parents are invited to a picnic to be held in the city park on Saturday.

C. B. To Be Given Away Saturday

The F. B. L. A. will be giving away a Cobra 21 C. B. Radio on Saturday, June 12 at the drug store.

You may still purchase tickets by contacting Lela Skipper, Cindy Sherrod, Rose Dwyer, Halcyon Back, Scott Haynes, Glenn Oldham, Natalie Morris, Denise Lamb, Betty Holmes or Mrs. Jan Johnson.

Claudia Bailey "Miss Miami"

Miss Claudia Bailey of Miami was chosen as Miss Miami at The Miami Cow Calling last Saturday. Claudia is the daughter of Mr. and Mrs. Charles Bailey of Miami and the grand daughter of Mr. and Mrs. Jack Bailey and Mr. and Mrs. Guy Pharis, both of McLean.

Mr. Bryan McPherson is a patient in St. Anthony's Hospital in Amarillo this week.

S. W. Bell Have New Billing

A newly-designed telephone bill with more detailed information was sent out by Southwestern Bell to customers in McLean starting in June.

Gary Stevens, manager for Southwestern Bell, said the monthly statements have been revised primarily because of growing cost consciousness on the part of consumers.

Stevens said the new monthly statements will include greater detail of long distance service.

"Our computers will now print the time of day or night each long distance call was placed and the number of minutes talked," Stevens said.

Stevens added the new bills also will denote the classification of each long distance call--customer dialed station-to-station, operator-assisted station-to-station, or person-to-person. Whether a call was interstate or intrastate will be indicated, as well as the rate period that applies to each call.

"In addition to more information on long distance service," Stevens said, "the revised statements will show any adjustments from the previous month, as well as any unpaid balance. If there is no unpaid balance, this will be indicated to let customers know their accounts have

Randy Curry On Dean's List

Earning a place on the Dean's List for the spring semester at Southwestern Oklahoma State University at Weatherford, Oklahoma was Randy G. Curry. A student must have a grade point average of at least 3.0, with no grade lower than C. They are required to carry a minimum of 15 semester hours in order to be eligible for the honor roll.

Randy is the son of Mr. and Mrs. Glenn Curry.

been properly credited.

The manager pointed out, too, that federal excise taxes will be listed separately.

The new bills will specify a "due by" date to let customers know when payment is expected. "We believe the new bill format will help our customers keep a sharper eye on their budgets--at least the portion that goes for telephone service," Stevens said.

Blood Pressure Clinic Planned

A blood pressure clinic will be held at the senior citizens building, located on Main Street, this coming Friday. Anyone wishing to have their blood pressure read is invited to come by.

H. S. Rodeo Club Wins Two Firsts

Traveling to the Amarillo Kiva Shriners Tri State Rodeo May 28, 29 and 30 was Greg and David Tolleson, Greg Henley, Dale Steel and Delina Howard. Greg Tolleson brought home a 1st place buckle in barebacks matched by Delinda Howard with a 1st in steer riding.

The rodeo club also made Happy High School rodeo this weekend with Delinda Howard picking up 5th place points in steer riding.

Kay Haynes On Tech Dean's List

Mrs. Kay Haynes, daughter of Mr. and Mrs. William B. Layne of McLean, has been named to the Dean's List in the College of Home Economics at Texas Tech University.

Kay achieved a 4.00 grade point average for the spring semester out of a possible 4.00. She is a junior home economics major.

Jack Hightower Introduces Bill

Congressman Jack Hightower introduced a bill that would mandate accountability by the federal bureaucracy.

The bill, which could be characterized as a "sunset bill," would eliminate within five years of its enactment certain federal regulatory agencies or significant major functions of those agencies which the President and the Congress determine to have outlived their usefulness.

Thereafter the remaining agencies, their successors or new regulatory agencies would be evaluated at least once every seven years by the President and the Congress and subjected to the same test of usefulness. They would automatically be terminated unless the President and the Congress agreed that their continued existence was justified.

If an agency were eliminated, the bill would authorize the orderly transfer of such functions, power and duties that had been determined to be essential to the President or to a successor agency designated by him. Such a transfer plan submitted by the President.

Hightower said other bills similar to his have been introduced and that he believes more will follow.

Pageant At Palo Duro Soon To Reopen

One of the outstanding attractions in Texas' largest state park is about to open again for summer visitors. At Palo Duro Canyon State Park the eleventh season of the musical drama "Texas" will start June 16 and run through August 21.

The drama takes place under the stars in the outdoor Pioneer Amphitheatre with a 1,200-foot club as backdrop. It brings to life the region's turbulent history and the struggles of the people who formed it--the early explorers, Indians, cowboys and settlers. There are both pathos and comedy, scored with music, dancing and sensational lighting and sound effects.

This outdoor musical twice has been designated the nation's Number One tourist attraction and also has been awarded the George Washington Honor Medal for proclaiming the American way of life. Last year it attracted more than 92,000 visitors.

Top beginners

Randy Curry, left, of McLean and David Martinez of Roswell, N.M., were first and second, respectively, in the Beginners Flight of the tournament which capped the recent week-long golf clinic sponsored by Southwestern State University at Weatherford, Okla.

Even as it was ending, those in charge of the week-long golf clinic sponsored by Southwestern State University were looking forward to next year.

"I think it is quite possible we'll attract twice as many participants next year," noted Dr. L. J. Van Horn, head of the Department of Health, Physical Education and Recreation at Southwestern. "We had about 40 this week. That's a good number and I think we could have twice that many next summer after these participants have spread the word."

The clinic conducted at the Weatherford Golf Course, was geared to meet the needs of golfers at all levels of ability. Some participants had never picked up a club while others were experienced, low-handicapped players.

"We had many who were either new to the game or who had played very little," said Otis Delaporte, athletic director at Southwestern, "and we were pleased to see the daily progress made after instruction and practice."

Several beginners not-

ed they cut 10 to 20 strokes off their rounds each day after spending extra time on the practice tee and green.

In addition to stressing technique and practice, the clinic involved study of the rules.

On the final day of the clinic participants, who received two hours' academic credit, had a course-side luncheon and awards ceremony.

Winners of the beginners were First, Randy Curry, McLean, and second, David Martinez, Roswell, N. M.

Controlling Aphids In Gardens

by Joe VanZandt

Aphids are odd looking little insects with two tube-like structures on the end of their back that resemble exhaust pipes. They come in almost all colors--red, yellow, green, black, purple--and can play havoc with a vegetable garden, says Joe VanZandt, county agent for the Texas Agricultural Extension Service.

Aphids, often called plant lice, vary in length from 1/16 to 1/4 of an inch and may have wings. They damage plants by sucking juice from leaves, stems and fruit and can also transmit diseases to plants.

Aphids will attack plants of any size and at

any stage of growth--from seedling to mature plants at harvest.

Since aphid numbers can increase rapidly, garden crops should be checked at frequent intervals.

Plants infested with aphids may look wilted, and the ends of leaves may curl up and look yellowish. Heavy infestations of aphids can cause severe plant losses.

Diazinon, dimethoate, endosulfan, malathion and naled are all effective insecticides to treat for aphids.

Before applying any insecticide, make sure it is safe to use on the crops in your garden and follow directions to the "T", stresses VanZandt.

July 15 Last Day To Register For Nursing Course

The fourth annual class of vocational nursing students under the auspices of Frank Phillips College in Borger is scheduled to begin August 23. Tentative deadline for receipt of applications has been set for July 15. Persons interested in the 1976-77 class are urged to act now. Applications may be secured at the office of Andy Hicks, Dean of the Vocational - Technical Education Division, or Mrs. Ella Mae Weeter, the director of the program. Both are located in the Administration building on the college campus. Prospective students may also send for information by writing either the two officials c/o Frank Phillips College, Box 311, Borger, Texas 79007.

The following admission requirements are listed for the 12 month course of study: Men or women between ages 18 and 55, two years of high school or its equivalent, good physical and mental health, definite interest in nursing, pre-classification test, and approval of Screening Committee. Grants and loan funds are available.

The sooner the application is received by the school of Vocational Nursing at the college, the more adequate the time for processing it. Ample time is needed for obtaining responses from references, scheduling the pre-classification test, personal interviews, appointments with the Screening Committee, and the physical examination.

Senior Citizens Go To Nashville

Vela Corcoran and Bertha Smith were among a group of senior citizens that made a trip to Nashville, Tenn. recently. Their chartered bus left Amarillo around 7 am in the morning. Taking the trip included citizens from Amarillo, Fort Worth, Canyon, Los Angeles, Dimmitt, McLean, Shamrock, Wheeler, Claude, Borger and Memphis with 42 going in all.

Their first night out was spent in Russellville, Ark., traveling on to Nashville the following day.

While there they visited many historic places such as the home of Andrew Jackson, The Old Opera House, the old jail, Southern Baptist Convention Hall, Noel Hotel, National Life Insurance Building, the State Capitol Building.

While there they saw many of the entertainer's homes such as Johnny Cash which had one of the largest homes, the home of Eddy Arnold, Minnie Pearl, and Elvis Presley.

They visited the Methodist Upper Room Chapel. The glass windows had a picture of each of the disciples painted in color. The chapel had a reproduction of "The Last Supper" carved in lime wood and walnut by Ernest Pelligrime.

From there they went to Andrew Jackson Hermitage, which stands on 625 acres purchased by Andrew Jackson in 1804.

The night before they returned they visited the Grand Old Opera where they saw and enjoyed three hours of music, fun and jokes.

The next morning they began their trip back home, spending the night in Russellville again.

Everyone on the bus reported having a wonderful time meeting new friends and planning a meeting of the group in the Amarillo Senior Citizens Center on September 16.

Fruit choices on the economy side are a variety of melons, bananas, and oranges.

MR. AND MRS. FLOYD ERNEST ADLER

Cathy Lynn Curry Became the Bride of Floyd Ernest Adler Saturday, May 29

Cathy Lynn Curry became the bride of Floyd Ernest Adler in the First Baptist Church, Weatherford, Okla. Reading the vows was the Rev. Larrywam of Weatherford. Cathy is the daughter of Mr. and Mrs. Glenn Curry of McLean and Floyd is the son of Mr. and Mrs. Ernest Adler of Weatherford, Okla.

The bride was attended as maid of honor by Miss Kathy Kennedy of Calumet, Okla. Bridesmaids were Mrs. Diane Sawson, sister of the groom and Miss Susan Shelton of Weatherford, formerly of McLean.

Amy Ward was flower girl from Childress. David Shaller of Clarendon and cousin of the bride, was ring bearer. Steve Shaller, cousin of the bride, of Clarendon and Barney Shelton were candle lighters.

The best man was Mike Smith of Weatherford, and groomsmen were Gary Amen of Weatherford and Larry Adler, cousin of the groom.

The bride, given away by her father with the "Her Mother and I" avowal, wore a gown of white Organiza featuring a sheer neckline with a fitted bodice. It had assorted flowers of chantilly lace complimenting the gown which had a wide ruffle at the bottom with crystal sequins and seed pearls that flowed into a

chapel train. Her veil was of illusion net attached to a camelot headpiece, covered with lace and pearls edged in Chantilly lace. The bride carried a cascade bouquet atop a white Bible. The bouquet was of pixie carnations, pink sweetheart rosebuds, baby's breathe and greenery. For something old the bride wore her grandmother's engagement ring.

The attendants wore dresses of pink flocked organzia over pink polyester crepe, made in a juliet fashion. Their dresses were accented with white hats trimmed in pink and other white accessories. They carried colonial bouquets of pink pom poms, baby's breathe and burgundy roses.

All of the men attendants wore Burgundy Tuxedos with pink shirts.

Ushers were Randy Curry, brother of the bride and Blake Swanson, brother-in-law of the groom. Mrs. Randy Curry registered the guests.

The mothers wore floor length blue gowns accented with white carnation corsages.

Gay Simpson sang "We've Only Just Begun" and "One in the Spirit" as a prayer song accompanied by Mrs. Juanita Hutchinson of Weatherford.

The church was adorned with a boxwood archway, sprinkled with fresh flowers and lovebirds; above a single prayer bench, also decorated with fresh flowers. The accent behind the archway was a branched candelabra with fresh flowers. Two-tiered candlebearers flanked the archway with mixed greenery. Completing the arrangement were two spiral candelabras with two baskets of cut flowers.

The bride's traveling attire was a peach pantsuit accented with a floral blouse and white carnation corsage and other white accessories. The couple went to Monument Lake in Colorado for their wedding trip.

The couple are at home in Weatherford. Floyd is employed by the A&S Painting and Contracting Co. and Cathy is employed by the Weatherford Dental Clinic. Their address is 1317 Meadow Lane No. 4 at Weatherford.

Out of town guests were Mr. and Mrs. Everett Watson and Carl McLean; Mr. and Mrs. P. D. Coon of Cheyenne Okla.; Mr. and Mrs. Te Shaller, David and Steve of Clarendon; Mr. and Mrs. Norman Curry of Perryton; Mr. and Mrs. Doc Ballenger of Perryton; Mrs. Donna Lyle of Clinton, Okla.; Mr. and Mrs. Frank Simpson and Gay of McLean; Mr. and Mrs. J. D. Ward and Am of Childress; and Mrs. Hazel Canon of Eureka Kansas.

SLAVES TO EMOTIONS

Without a doubt, emotions motivate the masses. Whatever their cause and whether they be good or bad these strong personal feelings are intensely powerful movers of men. Emotions have influenced all; dominated many. As strength is measured by its conquests, we see impressive evidence of just how strong emotions can be when such things as truth, right, justice, and good judgement are often made subordinate to the prompting of emotions. But perhaps nowhere is the narcotic-like effect of emotionalism more prominent or persuasive than in the spiritual realm. Many of those who escape its inordinate influence elsewhere succumb to it here--and with the worst possible consequences. Truly, emotionalism is a popular and compelling power in religion; one that needs to be recognized and reckoned with.

But this is not to say that all emotion is wrong, or even that it is wrong in religion. What sincere person can read of the crucifixion of Christ and not be moved? Is not the Godly sorrow associated with repentance a strong feeling of remorse for having sinned against God? (2 Cor. 7:10). Are we not to rejoice and weep with one another? (Rom. 12:15). This kind of emotion is altogether right and appropriate, being expressible within the bounds of Divine truth.

But there is a subtle and dangerous kind of emotionalism which leads many in the broad way thou "seemeth right". (Prov. 14:12). These are the feelings that men come to trust and rely on, even above the word of God. This attitude is well-exemplified in the oft heard expression, "I wouldn't trade the feeling in my heart for all the Bibles in the world!"--which is just another way of saying that one has more confidence in his or her feelings than in the Word of God. The person who trusts anything more than what God says insults the veracity of God!

However, others honor their feelings in less obvious ways. While God promises to save only those who do His will (Matt. 7:21), many persist in feeling that sincerity and good intentions are sufficient. With many, the matter of eternal torment becomes another emotional issue in which the word of God is made subordinate to feelings. Questions dealing with the religion of parents, whether one is "judging" another, whether "everyone is going to hell except your bunch," or whether one church is as good as another can easily become more emotional than scriptural issues--and the big problem with this is that NOT EVERYONE APPRECIATES OR WILL ACCEPT SCRIPTURAL ANSWERS TO EMOTIONAL ARGUMENTS!

All important decisions, especially those affecting one's standing with God, ought to be based on something far more substantial than emotions. "The heart is deceitful above all things, and desperately wicked: who can know it?" (Jer. 17:9) Feelings of the moment, no matter how strong, can never be more trustworthy than God's word which will judge all. (John 12:48) The slave to emotion cannot be the servant of Christ.

How do you get close enough to a wild animal to be bitten? In most cases people come upon the critters unexpectedly, or run into them around barnyards. If an animal is rabid, it may lose all fear of humans. This could cause a bite victim to assume the animal is a lost pet and attempt to pet it, with disastrous results.

State health authorities point with concern to these biting incidents.

Rabies is a constant threat to domestic animals, especially in areas where pets may come in contact with wild animals.

Last year in Texas 329 animal rabies cases were confirmed, including 45 cases in pets--25 of them dogs. Twenty-one cases were confirmed in livestock and 263 rabies were confirmed in Texas wildlife. Skunks accounted for almost half of the wildlife total.

A study of vaccination records of the aggressive pets involved in biting episodes discloses an alarming fact. Of the 6,421 dogs and 895 cats involved, only 37.1 percent of the dogs and less than four percent of the cats were reported as vaccinated against rabies.

The vaccination status of dogs and cats involved in the reports has been low through the years, reports the Veterinary Public Health Bureau. Dogs last year showed a slightly higher vaccination percentage in 1975, compared to 1974, but cats showed a 5.4 percent decrease.

Cats normally are thought of as indoor pets,

and owners seldom have them vaccinated against rabies. But, last year 14 people took the anti-rabies treatments because of one rabid cat.

Statewide, the Department of Health Resources Laboratories furnished 615 series of anti-rabies treatments. Nationwide, about 30,000 persons receive post-exposure anti-rabies treatments. Animal bites are estimated at up to 1 1/2 million per year nationally, making bites a true epidemic.

The threat of rabies adds greatly to the expense and trauma of bite injury, especially in cases where the animal may run away from the scene.

In Texas the past year, three-fourths of the 7-722 animals reported involved in biting episodes were owned. These animals could be traced and observed for any signs of illness. Effects of the anxiety centered around a bite by an un-owned--and perhaps un-found--animal can only be imagined.

The country has been in the midst of a pet explosion for several years. Many animals in cities and towns are allowed to run loose, which increases the possibility of bites by straying dogs.

While there is no truly accurate census of the pet population, some authorities consider the dog population to be as high as 25-35 million and the domestic cat population be at least 30 million.

ing her a widow after only a few short years of marriage.

As a member of the Cemetery Association, she chaired the committee to locate and identify all burial sites in the Hillcrest Cemetery. Alice has been a member of the Lovett Memorial Library Board for the past six consecutive years. As vice-chairman she has striven to make the library serve the community in every useful function. She was among the first to suggest the library building be used for adult education classes.

As president of Pioneer Study Club she served as chairman of the Arts and Craft show in 1975. She plans to participate with the club in acting as hostesses for the Gray County Bicentennial program to be held in Pampa this July. Alice is also co-founder of the Alanreed-McLean museum. As an active member of Gray County Historical Society and Bicentennial written a history of early days at Lefors.

Because of her wonderful abilities her loving concern and her generosity in sharing all she has with others, the Beta Sigma Phi Sorority and the community of McLean were proud to name Alice Short Smith as Outstanding Lady of the Year.

Others nominated for the honor were Isabel Cousins, Mary Groves, Martha Parker, Vela Corcoran and Chic Wood.

Senior Citizens Have Meetings

The senior citizen club met Friday and Saturday night with 77 members present and five visitors present.

Visitors were Ed Haynes, Pete Evans, Clara Reneau, Velma Littrell of Shamrock and Mrs. Cressie Hood of Pampa.

Lunch was served at the senior citizen hall this Tuesday as it is every Tuesday at the noon hour.

000 viewers. Dramatist is the noted playwright Paul Green, author of seven other historical pageants regularly performed across the nation. As with several other of these dramas, Isaac VanGrove is the musical collaborator. The talented cast of 100 singers, dancers and actors mostly are West Texas students.

The setting of this historical epic is equally dramatic. A spectacular gash in the flat ranchlands of the Panhandle, Palo Duro Canyon is some 1,000 feet deep and 120 mile long, with the northern end developed by the Parks and Wildlife Department for public use.

The brilliant cliffs and rock formations reveal thousands of years of the earth's formation. Ample facilities for visitors include camping and picnicking areas, horseback riding, hiking trails and a miniature train.

After 6 p.m., theatre patrons are admitted to the park without charge. For reservations or information, write "Texas," Box 768, Canyon, Texas 79015, or call 806/655-2182.

Curtain time is 8:30 pm, with a barbecue dinner served beforehand, from 6:45 until 8 pm. Drinks and snacks, souvenirs, and free parking also are available at the theatre. Summer performances are every evening except Sundays.

Visitors in the E. M. Bailey home Sunday were Mr. and Mrs. Darrell Stringfellow, Debbie, Ronnie and Scott of Oklahoma City.

Computer Assist Fish Program

Numerous fish applications for public and private waters have prompted the Texas Parks and Wildlife Department's hatcheries to go to the computer for assistance in setting up the stocking schedules.

The hatchery coordinator's office was flooded with 6714 fish applications in 1975 and over five million fish were delivered to Texas waters covering some 32,900 acres of fishing habitat.

The 13 P&WD hatcheries are setup to handle most types or species of fish including the largemouth black bass, channel catfish and sunfish and 28 million fish of all species were stocked statewide," said Ted Lowman, hatchery coordinator.

"Fish applicants are already receiving bass as the 1976 stocking program continues and the hatcheries are already planning for the 1977 production year," Lowman continued.

The P&WD will provide largemouth bass, channel catfish and sunfish for Texans free of charge again in 1977 barring natural disasters at the hatcheries.

There are, however, certain requirements for the pond owner to qualify for these warmwater fish.

The pond must either (1) have never been stocked with the requested species, (2) have been completely dried-up and been refilled since the last request, or (3) have had all fish chemically removed since the last request. In no case will fish be stocked in ponds that presently contain any of the requested species.

If there is more than one pond that qualifies for stocking, combine the surface acres of all ponds and enter on the application blank.

These application cards can be picked up at any P&WD office and they must be returned properly filled-out by January 1, 1977. Any application postmarked after January 1 will be held for delivery until the following year.

The big demand for fish for large reservoirs has prompted the P&WD hatcheries to produce only the requested number of fish for private waters.

Approximately one week before the fish are delivered to the area, applicants will receive notification stating the time, location, and the amount of unchlorinated water to bring to receive the fish. In some years, the public lake demand

Ross Lisman Receives Degree

Nine hundred and seventy-five students received diplomas at the West Texas State University commencement exercises May 15 in Amarillo.

Presenting the address to a capacity audience of more than 5,000 was Wayne Thomas, Hereford lawyer, who spoke on "West Texas--A People, A Land, A University."

Thomas told the WTSU graduates that "as educated citizens, you are the most valuable resource of this institution, of this region, of this state, and of this nation."

"West Texas State University graduates leave their alma mater ready to earn a living as well as live an enriched life," he said.

Ross Lisman, son of Mr. and Mrs. Jack L. Lisman of McLean, received a bachelor of business administration degree with a major in accounting.

The "tenderizer" in meat tenderizers is a natural plant enzyme called papain, obtained from the papaya fruit. The Food and Drug Administration says it is generally recognized as safe for use on foods which are subsequently cooked.

for these species may delay the delivery to private waters for a year or more. In event of this, the applicant will be notified.

The largemouth black bass are usually delivered between April 1 and July 1 and the channel catfish and sunfish between August 1 and November 1.

Any questions regarding application blanks or the application should be directed to the P&WD, Hatchery Coordinator, John H. Reagan Bldg., Austin, Texas 78701 or contact your local game warden or district office.

BASIC SWEET DOUGH

2 pkg. dry yeast
1/2 cup warm water
4 cups flour
1/2 cup sugar
1 tsp. salt
1/2 cup butter
1/2 cup milk, scalded, cooled
2 eggs, slightly beaten
Butter, melted

Sprinkle yeast over water; stir to dissolve. Combine flour, sugar and salt in large mixing bowl. Cut in butter until mixture resembles coarse crumbs. Add combined milk, eggs and yeast to dry ingredients; mix well. Brush with butter. Cover; chill overnight. Dough can be stored three days in refrigerator.

PECAN ROLLS

Basic Sweet Dough
1/2 cup butter
1/2 cup brown sugar, packed
1/2 cup light corn syrup
Pecan halves
Butter, melted
1/2 cup brown sugar, packed
1 tsp. cinnamon

Bring dough to room temperature. Combine butter, sugar and syrup; bring to boil. Spoon 1-1/2 tsp. sugar mixture into buttered muffin cups; top with 2 or 3 pecan halves. Divide dough in half. Roll each half in an 18x12-inch rectangle on a lightly floured surface. Brush with butter. Sprinkle with combined sugar and cinnamon. Roll up; cut in 1-inch slices. Place in muffin cups. Brush with butter. Cover; let dough rise in warm place until double. Bake in preheated 375 degree oven 15 to 20 minutes or until golden brown. Invert immediately. Yield: 36 rolls.

APPLE KUCHEN

Basic Sweet Dough
4 cups sliced apples, cut 1/8-inch thick
1/2 cup butter, melted
1/2 cup sugar
1/2 tsp. cinnamon

Bring dough to room temperature. Divide in half; spread into 2 buttered 8-inch square pans. Press apples in dough. Brush with butter. Sprinkle with combined sugar and cinnamon. Cover; let dough rise in warm place until double. Bake in preheated 350 degree oven 40 to 45 minutes or until wooden pick inserted in center comes out clean. Yield: 2 coffee cakes.

HONEY TWIST

Basic Sweet Dough
Butter, melted
2 Tbsp. butter
2 Tbsp. honey
1 cup confectioners' sugar
3 to 4 tsp. milk

Bring dough to room temperature. Shape into 4 rolls 26 inches long. For each coffee cake, place 2 rolls of dough in a spiral arrangement in bottom of buttered 8-inch layer cake pan. Brush with butter. Cover; let dough rise in warm place until double. Bake in preheated 350 degree oven 25 to 35 minutes or until golden brown. Remove from pan. Cool 20 to 30 minutes. Combine softened butter, honey and sugar. Gradually add milk; mix until blended. Spread over warm coffee cakes. Yield: 2 coffee cakes.
