VOLUME 73 McLEAN, GRAY COUNTY, TEXAS - THURSDAY, SEPTEMBER 30, 1976 NUMBER 40

Accidents Occur In August

The Texas Highway Patrol investigated 23 accidents on rural highways in Gray County during the month of August, according to Sergeant James W. Powell, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and seven persons injured. The rural traffic accident summary for this county during the first eight months of 1976 shows a total of 144 accidents resulting in one person killed and 63 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August 1976, shows a total of 166 accidents resulting in 16 persons killed and 19 injured, as compared to August 1975, with 596 accidents resulting in 16 persons killed and 292 persons injured. This is 30 less accidents, the same number killed, and 27 more injured in 1976 at the same period of time.

The 16 traffic deaths for the month of August, 1976, occurred in the following counties: three each in Parker, Hansford; two each in Donley, Deaf Smith, Foard, Lubbock, Lynn, Montague, and Palo Pinto.

S. W. C. D. Board Meets

The Gray County Soil and Water Conservation District Board met at 8:00 p.m. September 15 at the Gray County Courthouse Annex for their regular monthly meeting.

They discussed McCallan Creek Watershed easements and certified land rights. Also, discussed raising dam site 2.

The Board developed 1977 Plan of Operation for District.

The Annual Report was completed.

The Great Plains Program as to SCS accepting second contracts was discussed.

They reviewed and approved Great Plains average costs for 1977.

A motion made by Ralph McLaughlin, seconded by Milton Carter.

Approved Great Plains applications on Rob Brown, Richard Back, and Jim Williams.

Also, approved Conservation Plans on Jim Williams, Rob Brown,

Citizens Meeting To Be Held Thursday, Sept. 30

The City Council of McLean is calling a Citizens participation meeting Sept. 30 at 7:30 p.m. in the basement of the First United Methodist Church.

The purpose of the meeting is to get local citizens thoughts on what they think top priorities should be for spending money which might be obtained if the city was awarded a financial grant by the Housing & Community Development branch of the Federal Government.

Please attend this meeting and let the council know your thought on the most pressing needs of this community.

School Bus Laws Confuse Drivers

"This school year, as in the past, the School Bus Loading Laws confuse many drivers," states Major C. W. Bell, Regional Commander of the Texas Department of Public Safety.

The Uniform Code in Texas states that the driver of a vehicle, meeting or overtaking from either direction a school bus displaying red flashing warning lights that is in the process of loading or unloading passengers, shall stop until the school bus starts moving, the red lights are no longer flashing, or the bus driver directs motorists to proceed.

"Freeways and divided highways add to the drivers' confusion," Major Bell added. "If a bus is on a divided highway and pedestrian traffic does not normally cross the median or barrier then only the traffic on the portion of the roadway occupied by the bus must stop."

It is most important that drivers observe the School Bus Loading Laws for the protection of our school children.

VFW-Auxiliary Meet Tuesday

There will be a meeting of the V.F.W. and its auxiliary on Tuesday, October 5 at 8 p.m. All members are urged to attend.

Room To Grow Is 4-H Theme

4-H, the informal education program for youth administered by the Texas Agricultural Extension Service of the Texas A&M University System, provides opportunities for youth to grow physically, mentally and spiritually, points out Asst. County Extension Agent Layton Barton.

That's why the 1976 theme of National 4-H Week October 3-9 is "4-H--Room to Grow."

This theme is appropriate because it focuses on how 4-H programs help youth achieve self-fulfillment. 4-H emphasizes the development of "real life" skills: learning "how to learn" for today and for a lifetime; using one's knowledge to improve the quality of life for self and for others; relating to social, technological, environmental and economic change; and growing through the pursuit and achievement of self-imposed goals.

These skills are desperately needed in a society that increasingly must cope with problems of apathy, unemployment, crime, deterioration of the family as a social unit, and crises in health and morals. Today's youth need to be involved in meaningful activities that will affect their lives and society for the better, and 4-H can play a key part in this effort, contends Barton.

Through the 4-H program, young people can develop the practical skills and citizenship leadership abilities that contribute to personal growth and to concern for family, community, nation and world. National 4-H Week is designed to salute all 4-H members, their parents, volunteer leaders, businesses and others who make 4-H a viable, contemporary youth program.

Drivers Course Is Completed

A national safety council driver improvement program was completed on Sept. 28. Instructor for the course was Jerry Burgdorf.

The course was sponsored by the Beta Sigma Phi Sorority.

Mr. and Mrs. Roy Worstall of Zanesville, Ohio are visiting her parents, the Jesse Roberts.

MEMBERS of Phi Delta Chi Fraternity at Southwestern State University plant an evergreen to mark the organization's 20th year on the Weatherford, Okla. campus. From left to right are Rory Poulain, Mooreland senior who is treasurer of the fraternity; Damon Carney, Davenport senior, vice-president; Doug Brewer, Amarillo, senior, president; Jerry Dennis, Seiling, member, and Jim Baker, McLean pledge trainer.

Fraternity Donates A Evergreen

Phi Delta Chi professional pharmacy fraternity has celebrated its 20th anniversary on the Southwestern State University campus at Weatherford, Okla., and to commemorate the event members of the organization planted an evergreen in front of the Pharmacy Annex.

Purpose of Phi Delta Chi is to promote the pharmacy profession. In addition to their strictly social functions, members plan and participate annually in public service projects such as diabetes screening clinics, hypertension screening clinics and poison prevention information seminars.

1,407 Antelope Permits Issued

Texas landowners in the western part of the state with huntable numbers of antelope on their property have received 1,407 permits for the coming October seasons.

Parks and Wildlife Department big game program director Charles Winkler said an additional 480 permits were issued this year compared to 1975.

"The increase is part of our policy of managing antelope herds on the basis of one buck per four does," said Winkler.

The ratio will allow the harvest of additional bucks and still maintain healthy herds with sufficient reproduction."

A total of 849 permits was allocated for the Trans-Pecos, an increase of 341 from last year. Landowners in the

McLean Is Member of Library System

Eighteen libraries in the 25 counties served by the Texas Panhandle Library System have qualified for system membership in the year that began September 1. The system will receive a grant of \$183,554 to carry out programs to improve library service in the area. McLean is included in the system.

Ten regional systems have been organized under provisions of the Texas Library Systems Act that is administered by the Texas State Library. Funds are available to the systems to carry out cooperative activities to improve library service to users of system member libraries.

Like other systems, the Texas Panhandle Library System is developing service programs particularly suited to the library needs of its region. These include providing consultant services to libraries in the area, circulation of a film collection purchased for use by all libraries in the area, a books-by-mail program for residents of counties without library service, and assisting libraries in disseminating information about services.

Permian Basin received 295 permits, up markedly from the 45 issued in 1975. Another 263 were issued in the Panhandle, down from the 374 last year.

Large declines in the number of antelope counted in parts of the Panhandle accounted for the reduction in number of permits issued.

Antelope season in the Panhandle is Oct. 2-5.

Tigers Play Texline Saturday at 2 p. m.

The McLean Tigers got beat last Friday night 51-0 by the fifth rated team in the state, the Groom Tigers. The McLean Tigers penetrated the Groom 15 yard line three times in the last half but they failed to score.

The McLean Tigers were plagued by fumbles and injuries. McLean will be playing another district game this Saturday, Oct. 2 at 2 p.m. as they travel to Texline. The football players will be leaving at 7 a.m. Saturday morning.

Jr. High Cubs To Play Claude

The McLean Junior High football team played the White Deer Bucks here last Thursday night and was defeated with a 26-0 score.

They will be playing the Claude Colts at Claude this evening at 6 p.m.

A. A. 's Meet Each Thursday

The newly organized Alcoholic Anonymous and Alnons meet each Thursday night at 8 p.m. at the V.F.W. building at 218 Wheeler.

Alcoholic Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

NOTICE!

Thursday, Sept. 30 will be the last day that bills for the Southwestern Bell Telephone Company may be paid at the McLean News office.

You will have to make other arrangements to pay your bills.

News From ALAN REED

Recently Mrs. R. B. Smith of Garland, spent two weeks with her brother Harrison Worsham and Mabel, Mrs. Smith's daughter and three children spent the weekend with the Worshams. Mrs. Smith returned home with them. While visiting here, they visited Mr. and Mrs. Frank Crisp at Leisure Lodge in Pampa.

Mr. and Mrs. H. Worsham visited her parents and Mr. Carter at Leisure Lodge this past Sunday afternoon.

Visiting the W. H. Davis Saturday were Mr. and Mrs. Claude McNaught of California and Mr. and Mrs. Herman

of Fort Worth, Mr. and Mrs. Bill Smith of Pampa, Mrs. Ellen Hopp, Hattie Terbush, and Frances Corbin of Pampa.

Attending the H. D. A. Council luncheon at the Annex in Pampa were Polly Harrison, Mary

Davis and Lena Carter. They also visited at the Leisure Lodge and Pampa Nursing Home with F. B. Carter, the F. R. Crisps, and Annie and Betty Marshal.

Visiting Polly Harrison this week were Mr. and Mrs. Robert Harrison and children of Houston and on Sunday, Mr. and Mrs. James Harrison and family of Lubbock and Mr. and Mrs. Velton Cummings and Brandon of Amarillo.

Ronnie Carter and son Todd and a friend from Abilene visited relatives here over the weekend

Mr. and Mrs. Robert Leathers of Clarendon visited Sunday with the Wayne Leathers at the Carter orchard.

Wayne Leathers, who has been in the Groom Hospital this past week, will undergo back surgery in an Amarillo hospital shortly.

Mr. and Mrs. P. M. Gibson visited their daughter's family, the Don Bednorz in Amarillo last week.

Mr. and Mrs. Bill Crisp visited their daughter's family, the David Frizzels in Lockney Sunday.

Brad Thames, son of Baptist pastor, suffered a broken leg last week in football work-out.

New Arrivals

Mr. and Mrs. James Throckmorton are announcing the arrival of their son born Wednesday, Sept. 22 in Shamrock General Hospital. He weighed 7 pounds, 9 1/2 ounces and was named Michael Allen.

Grandparents are Mr. and Mrs. Vernon Turner and Mr. and Mrs. James Throckmorton of McLean.

Local Sorority Attends Convention

The Northwest Texas Area convention was held at Dumas on Sept. 25-26 with the theme being 'Those were the Days'.

Attending from McLean were Shirley Stokes, Linda McDonald, Linda Smith, Sonie Heasley, Jeanie Smith, and Frankie Smith.

The Saturday evening program began with a salad buffet at 6:30 p.m. with a "Roaring Twenties" atmosphere. Year books and scrapbooks were viewed.

On Sunday forums from the floor of the Jr. High School building and devotional memorial service with names of ones to remember was attended before a Bar-beque lunch was served.

Invitation for the 1977 area convention by Charlyn Baker was held and the bid for the convention was won by Pampa.

Shannon-Whitmer Vows Are Exchanged

Don Shannon and Vicki Lynn Whitmer, both of La Mesa, Calif. were united in marriage in the McLean Methodist Chapel on September 23.

The Reverend Merrill read their wedding vows. The bride is the daughter of Mr. and Mrs. Edward L. Whitmer, of La Mesa, Calif., and is a graduate of Crossmont College, La Mesa.

The groom is the son of Chuck and Margie Shannon of San Diego.

By 1700, wild turkeys were becoming scarce in America.

PAT LAMBERT

Pat Lambert Announces Nov. Wedding Plans

Mr. and Mrs. Baxter C. Lambert of Hereford are announcing the engagement and approaching marriage of their daughter, Patricia Sue, to Mr. George E. Cook of Pampa. Parents of the prospective groom are Mr. and Mrs. George G. Cook of El Paso.

The bride elect is employed as a registered nurse at McLean Hospital.

Mr. Cook is employed as office manager at Packerland Packing Co. in Pampa.

The marriage vows will be exchanged November 24 at the First Baptist Church in McLean.

Pioneer Study Club Meets

The Pioneer Study Club met in the home of Mary Emma Woods. They were met with individual copies of the new yearbook and served with a taste treat of unusual dishes with a Mexican flavor.

The Program given by Judy Orrick followed the theme of origin of goods and recipes; a brief look into the American inheritance of ethnic foods into our culture.

Margaret Coleman called the meeting to order. Applause was given to Ruth Magee and Judy Orrick for their work on the new programs.

The Senior Tea has been scheduled for March 12 and put on the school calendar.

Names of favorite foods were provided as answers to roll call with desserts and beef running a close race for first place as favorites.

COMBINE SUMMER FAVORITES---OKRA & TOMATOES

Many Texas gardens are brimming with okra and tomatoes, and combining these compatibles will brighten fall and winter meals.

Wash okra and cut into one-inch lengths, removing the stem end. Skin tomatoes by putting

Freezone is for corns that hurt. Absolutely painless. No dangerous cutting, no ugly pads or plasters. In days, Freezone eases the hurt. Safely helps ease off the corn. Drop on Freezone--take off corns.

Market Report

Consumers should find lower pork prices, as reports indicate more pork supplies for the rest of the year, according to Mrs. Gwendolyne Clyatt, a consumer marketing information specialist.

Lower pork prices are likely because of increased supplies--and because of competition with beef and poultry products, she explained.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

The pork spotlight is mostly on smoked cuts--namely, semi-boneless hams, picnics and some brands of bacon.

A few kind-to-your budget buys will appear also on Boston butt roasts, end chops and quarter-loins cut into chops.

At beef counters, Mrs. Clyatt termed the following cuts economical: chuck roasts and steaks, round steaks, ground beef and liver.

At poultry sections, she reported some specials on fryer chickens--along with many features on turkey.

Also, fish continues to offer an excellent protein value on a cost-per-serving basis.

Egg prices are about the same as in previous weeks--and probably they will remain stable until time for Christmas baking, when prices usually trend upward.

Grade A, large-size eggs generally offer the best combination of economy and quality.

At vegetable counters, economical buys include carrots, cabbage, snap beans, soft and hard shell squash--along with eggplant, sweet green peppers, dry-onions and potatoes.

Fruit economy centers currently on bananas, grapes, oranges, prunes, and pears.

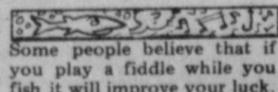

CONSUMER WATCHWORDS: New-crop potatoes are available--but they are not good "keepers," so buy only enough to last a week or 10 days.

in boiling water for 30 seconds and plunging immediately into cold water. Remove the core. The skin will peel off easily using this method. Cut tomatoes in quarters and mix with okra.

Fill standard home canning jars with the tomatoes and okra, pressing enough juice from the tomatoes to cover solid pieces.

Carefully wipe the mouth of the jar to remove seeds and vegetable fibers which can prevent the jar from sealing. Cap with a standard jar lid and ring.

Process at 10 pounds pressure--25 minutes for pints and 40 minutes for quarts. Tomatoes canned alone can be processed in a waterbath canner, but with the addition of okra, which is a low-acid vegetable, they must be processed in a pressure canner.

Some people believe that if you play a fiddle while you fish it will improve your luck.

THE BIBLE MAKES CHRISTIANS ONLY!

It is an infallible principal of God that "whatsoever a man soweth, that shall he also reap" (Gal. 6:7). The seed of the kingdom, the Word of God (Luke 8:5-15), when sown in good and honest hearts, can produce nothing else than children of God, or Christians. This is to be expected, for in nature each variety of seed will reproduce after its own kind (Gen. 1:11). Corn produces corn, cotton produces cotton, wheat produces wheat. When Peter preached the first gospel sermon under the great commission (Matt. 29:19-20) on the Day of Pentecost (Acts 2), we are told that "they that gladly received his word were baptized; and the same day there were added unto them about three thousand souls" (Acts 2:41). The believers or disciples were called "Christians" (Acts 11:26). Thus, the preaching of the Word of God by Peter produced only "Christians."

Today we have the same gospel which Peter recorded for us, by inspiration (1 Cor. 2:13; 2 Tim. 3:16-17; 2 Peter 1:3), in written form in the New Testament. Is it not reasonable to expect the same gospel to produce the same thing today as it did on the day of Pentecost? If so, then why are there so many different religious doctrines being taught today--supposedly by the authority of God? The truth is, a different gospel, more than the true gospel, or less than the true gospel, is being preached to millions of people today. (Compare with Gal. 1:6-9). If only one gospel were now being preached, then all would be believing alike.

What we must do, if we are to be nothing more or nothing less than Christians, is to study the gospel message recorded for us in the Bible and then do what that gospel says! There is no other way that we can be assured that the Lord will add us to His church (Acts 2:47). If you desire to become a Christian, then you must obey the one true gospel which is recorded in the New Testament.

A Brush and Range Improvement Field Day will be held Thursday, October 7 at the Pitchfork and 6666 Ranches near Guthrie. The program will be held at the Pitchfork Hay Barn which is 13 miles west of Guthrie on Highway 82.

Air conditioned buses will carry visitors on ranch tours originating at Pitchfork headquarters to view research and hear discussion of advances in chemical and mechanical control of mesquite, cedar, lotebush and sand shinnery, and rangeland reseeding by research scientists and range specialists. Early visitors from 8:30 to 10:00 a.m. may participate in complete tour. A short tour will be available from 10:00 to 11:30 a.m.

Latest developments in performance, application techniques and deposition of low-volume, low-pressure aerial spraying of herbicides for control of mesquite and annual weeds will be observed and discussed. Effects of new pelleted herbicides on mesquite, cedar and lote will receive attention. Guides will point out factors influencing longevity of treatment, selection of treatments and economics over a 25-year period of brush control.

Root plowing and seeding with Kleingrass using seedbed prepared by smooth chaining, Ely chaining, roller chopping and discing followed by ground seeding with TAES experimental drill or aerial seeding will be viewed and discussed. A low-energy grubber for maintenance control of small mesquite infesting previously cleared pastures will be in action. Choice of mechanical methods, effectiveness, longevity, costs and benefits will be given attention. Equipment to be on display.

There will be a catered (dutch treat) meal available at lunch.

Following lunch, the afternoon program from 1:30 to 3:00 p.m. will cover 1) accomplishments in brush control research, 2) future brush control effort by the Experiment Station 3) a report by the Brush Control and Range Im-

provement Association, 4) effects of broomweed infestations on livestock performance and 5) remarks by members of the Agriculture Committee, U. S. House of Representatives.

Farmstead homeowners who are interested in windbreak seedlings can call or come by the office for an application form.

The species available include: American Plum, Arizona, Cypress, Austrian Pine, Chinese Elm, Honeylocust, Mulberry, Oriental Arborvitae, Osage Orange, Ponderosa Pine and Red Cedar. These seedlings are not to be used for landscaping or ornamental purposes.

According to USDA, the inventory of hogs and pigs on September 1, in the 14 states conducting quarterly hog surveys is estimated at 48.7 million head, up 17 percent from a year earlier. Breeding hog numbers increased 13 percent while the market hog inventory rose 18 percent over a year ago. Despite this year's increase, the present hog inventory remains 3 percent below the September 1, 1974 level. Number kept for breeding at 6.8 million head is up 13 percent from 1975, and virtually the same as 1974. Number for market at 41.9 million is up 18 percent from 1975 but 3 percent below 1974.

The June-August 1976 pig crop in the 14 states totaled 18.1 million head, 21 percent above the previous year and 6 percent above the save period two years ago. There were 2.5 million sows farrowed in the 14 states during this period, up 19 percent from the corresponding period in

1975, and 2 percent above the June-August 1974 period. Average litter size was 7.31 for the three months, compared with 7.19 a year earlier and 7.07 for the same period two years ago.

Producers in the 14 states intend to have 2.4 million sows farrowed in the September-November 1976 period, 16 percent more than in the 1975 period and 7 percent more than 1974.

Farrowing intentions reported for the December 1976-February 1977 quarter totaled 2.2 million sows, 9 percent more than actual farrowing for the comparable period ending February 1976. If realized, that level of farrowings would be 26 percent above the comparable period ending with February 1975.

Sorority Has Meeting Sept. 21

The Beta Sigma Phi Sorority met for their regular meeting night Tuesday, Sept. 21 in the Smith Building, which was the second meeting of the year with a cultural program "In your own time" led by Mary Glass.

Pledge training assignments "Invitation To Life" led by Sonie Heasley. After the business was taken care of by Nancy Billingsley a good time was had by all. Linda Smith served as hostess.

The sorority will be serving donuts and coffee in the mornings and sandwiches and drinks in the evenings at the Faris Jake Hess Auction Sale, which will be held Sept. 30 and Oct. 1, 2, south of the city.

Good Antelope Forecast Seen

Range conditions are improving across the Texas South Plains and Panhandle with 1410 antelope permits being issued to Texas landowners by the Texas Parks and Wildlife Department.

The season has been set in the Panhandle for Oct. 2-5 and in the Permian Basin-Transpecos for Oct. 2-10. One buck antelope by permit is the daily and season limit and hunting prospects have been listed good in all three regulatory districts.

There are still some dry areas where the grasses and forbs are not abundant," said Jack Parsons, regional wildlife supervisor.

"The late rains have improved the prospects for a good season and our aerial surveys have indicated about the same number of animals as last year," Parsons continued.

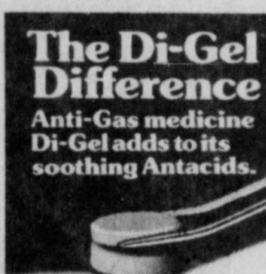

The count last year in the Panhandle totaled 1602 with 1583 counted this summer by P&WD field personnel and these landowners have received a total of 266 permits.

Borden and Garza counties show an increase of eight animals from the 1975 count with 295 antelope permits being issued in the Permian Basin. The largest number of permits issued is in the Transpeco district where 849 were sent to property owners.

Hunters must obtain this permit from the landowner before the animal is bagged. The permit must then be attached to the antelope immediately upon possession and remain attached until the carcass has been processed.

The recommended procedure is to fasten the permit to horns or forelegs with string or wire. Make sure the permit is not lost or stolen while in transit.

The largest number of complaints from landowners and the P&WD involve hunters who herd-shoot. After the first shot, most antelope herds become wary and shots become longer and longer. Many times the only target is a nice buck antelope moving across the prairie at 60 mph.

Di-Gel. The Anti-Gas Antacid.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

New Course

by Peggy Van Huss
 Choir is a new course being offered to the students of McLean High School this year. This class, which consists of 15 students, is instructed by Mr. John Kirby. Since this is the first year for the course at M.H.S., the choir will be unable to participate in U.I.L. events as a group, however, individuals will be able to enter U.I.L. in solo or ensemble events. Events planned for the choir include singing at homecoming and at a Lions' Club meeting.

Slave Sale Nets \$381.85

by Dave Jefferson
 The McLean High School Student Council held a slave sale Monday. Freshmen, Student Council members and Jayson Smith were auctioned to the highest bidder. Mr. Smith brought the highest price of the slaves at \$45. The Student Council netted a total profit of \$381.85.

English Class Get Assignments

by Donna Winegeart
 Mrs. Haynes, senior English teacher, assigned her students to draw, or make something from the Medieval Times. The projects will be due at the end of the study.

Mock Election Held At School

by Maridale Glass
 This week the seniors of the government class held a presidential election. After the ballots were tallied, Ford won 2 to 1. Earlier in the week, the platforms of both candidates were studied along with their past records and previous offices. Another vote will be taken in November to determine if the votes have changed.

English Class Have Assignments

by Teresa Cheatham
 In the course of the study of American Literature, the third year English class was assigned to investigate certain Colonial occupations. The occupations ranged anywhere from field slaves to governors. In connection with the projects they had to have a six-source research paper. Each student had to represent some occupational project such as drawings, grass huts, wax statuettes, or homemade Colonial recipes. Some of the recipes were homemade butter, rusk (a sort of sweet bread), and molasses taffy.

Freshmen Are Initiated

by Verna Tidwell
 The freshmen students at McLean High School were initiated Monday and Tuesday of this week. Monday they all had to dress up like housewives in robes, slippers, curlers, and hair nets. Tuesday the boys had to dress as famous actresses and the girls had to dress up as famous actors. Monday they had to get up on the stage and do an individual cheer, and then were sold to the student body. The money raised at the slave sale went to the student council.

According to word experts, the only thing exotic about anything exotic is that it's literally, "from a foreign land."

Jr. High Elect Council Officers

by Judith Bentley
 The Student Council representatives of the 1976-77 school year for the McLean Junior High have been elected. In the sixth grade Margaret Horn and Andy Eck were chosen by their classmates. Bick Horn, Susie Billingsley, and Mike Butolph are the seventh grade representatives and Mark Morris and Teresa Herndon are the eighth grade representatives with Greg Gabel as president of the student council. This year William McElroy is the sponsor of the sixth grade; Mrs. Mary O'Neil, seventh grade; and Cecil Reynolds, eighth grade.

To clean a grease-laden oven, place a pan of water and one to two tablespoons of ammonia in the oven and let it stay overnight. Sponge off the grease in the morning.

Gray Co. 4-H'ers Place At Fair

Several Gray County 4-H'ers placed well with their exhibits at the Tri-State Fair in Amarillo this past week. The 4-H'ers exhibits ranged from clothing and canned goods to livestock. Cindy Gage won first place ribbons with entries in artificial flower arrangement, quick bread, and white yeast bread. Her entry in the chow-chow class placed second.

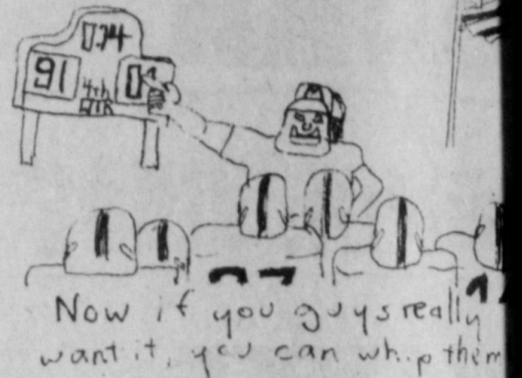

Shelley Cochran won first with snap beans and second with a skirt in the junior textile show and with a cake in the baking competition.

Robby Cochran won first in leather accessory in junior textile show. Bobbie Skaggs won second in the skirt class of the teenage textile show. Bobbie also won sixth place with her light weight barrow.

Randy Skaggs exhibited the third place barrow in the heavy weight class.

Elson Rice placed third in the senior Heifer class with his heifer.

Sue Smith won the summer Heifer class, took third in the spring year-

lings, and placed fifth in the winter class. Sue also showed the second place heavy slaughter English Breed steer.

The ancients believed that rubbing a sty with a gold ring would cure it.

Arthritis Sufferers: WAKE UP WITHOUT ALL THAT STIFFNESS

New formula for arthritis minor pain is so strong you can take it less often and wake up in the morning without all the pain's stuff. Yet so gentle you can take this tablet on an empty stomach. It's called Arthritis Formula. Get hours of relief. Ask for Arthritis Formula, by the makers Anacin analgesic tablets.

Plymouth Rock wasn't always as solid as it looked.

When the pilgrims first landed here from jolly old England, things weren't so jolly. There was sickness and disease. Starvation. And rough winters to fight.

But it was worth it because those early Americans were planting the seeds of freedom in this new land.

Today you can help those seeds continue to grow by buying United States Savings Bonds

through the Payroll Savings Plan.

All you do is arrange to have a little set aside from each paycheck to buy Bonds. It's safe, automatic, and no struggle at all.

Buy U.S. Savings Bonds. It's one investment that really is as solid as a rock.

Take stock in America.

200 years at the same location.

Now E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Lost, stolen or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Get In Shape For Hunting Season
 Eleven month of the year the Texas sportsman sits behind a desk, smokes too much, gets very little exercise and battles an ever-expanding waistline.
 His only outing is on the deer lease in Nov. where he huffs and puffs all day long and collapses exhausted in the top bunk each night.
 The white-tailed deer he pursues have a better chance of survival than our out-of-shape hunter.
 Most hunters take better care of their equipment than themselves. And this season will be the last for some sportsmen who are carried home by hunting companions -- victims of heart attacks.
 The best insurance against a heart attack is to keep physically fit throughout the year.
 Slim and trim officials at the Texas Parks and Wildlife recommend bicycling, hiking, jogging and swimming for staying in shape during the year. But someone who works in an office all year should not wait until October to start on a program of exercise.
 Anyone over 30 or who

ing in shape during the year. But someone who works in an office all year should not wait until October to start on a program of exercise.
 Anyone over 30 or who

PUBLIC NOTICE

CITATION BY PUBLICATION
 THE STATE OF TEXAS
 TO: CECELIA MATA, and THE UNKNOWN FATHER OF MIGEL DAGIRAL MATA, and to ALL WHOM IT MAY CONCERN:
 GREETINGS:
 YOUR ARE HERE - BY COMMANDED to appear and answer before the Honorable 31st District Court, Gray County, Texas, at the Court-house of said County in Pampa, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of ESTANISLADO ODELL MARTINEZ and CARMILE MARTINEZ, Petitioner, filed in said Court on the 24th day of September, 1976, against CECELIA MATA, and the unknown father of Migel Dagiral Mata, and said suit being numbered 20, 109 on the docket of said Court, and entitled "In The Interest of MIGEL DAGIRAL MATA, a child", the nature of which said child and the unknown father of said child. Said child was born the 4th day of May, 1961, in Paducah, Cottle County, Texas.
 The Court has authority in this suit to enter any judgement or decree in the child's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to the child's adoption.
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
 The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
 Issued and given under my hand and the seal of said Court at Pampa, Texas, this 24th day of September, 1976.
 Helen Sprinkle Clerk, 31st District Court, Gray County, Texas
 By Carolyn Taylor, Deputy. 40-lc

has a history of heart troubles should consult a physician before starting any exercise regimen.
 He -- or she, women are not immune to heart attacks either -- should start out with 10 minutes per day of strenuous physical activity to cause the heart to beat faster than normal.
 After two or three weeks of exercising, increase the time to 20 minutes per day.
 A half hour per day four to five times a week usually is enough to condition the cardiovascular system and keep the average hunter fit enough to handle the combination of physical work and the excitement of the hunt.

DOWN MEMORY LANE

10 years AGO
 The McLean Tigers were downed by the White Deer Bucks last Friday night at Duncan Field by a score of 20-0.

20 YEARS AGO
 Mr. and Mrs. L. D. Tindall of Alanreed are the parents of a girl born Wednesday, September 2.

The new 1957 model Fords went on display in McLean Wednesday at Joe Smith Motor Company.

30 YEARS AGO
 The McLean Tigers who had trailed in two-conference practice games, came out winner in the tilt with the Memphis Cyclones, Friday.

The City of Mclean has passed a strict garbage disposal ordinance to apply to both the business and residential districts.

Born Sept. 26 to Mr. and Mrs. L. L. Smith of Joplin, Mo., a 7 pound 8 ounce boy named Leo.

40 YEARS AGO
 Dr. and Mrs. W. L. Campbell entertained at a forty-two party Monday evening.

Mrs. Dan Deen entertained at a six o'clock dinner Saturday honoring the birthdays of Mr. Deen, Mrs. Vernon Johnston and Glenn Allison of Clarendon.

Mrs. Luther Petty gave a dinner Sunday, honoring the 17th birthday of her son, Francis.

Hundreds of people along the Will Rogers Highway from Amarillo to Oklahoma will be in attendance at the big Jericho gap completion celebration and barbecue to be given at McLean, Friday, October 6.

50 YEARS AGO
 A birthday party celebrating the sixth birthday of little Miss Leta Mae Phillips was given Tuesday afternoon, Oct. 5, by Mrs. D. M. Davis.
 One of the most enjoy-

able affairs held recently was a tacky party. Mrs. E. J. Landers won first prize and Mrs. T. A. Landers won second for the tackiest costumes.

Another heavy rain fell last week beginning Friday night and raining until Sunday.

Mary Martha Class Meets
 by Lucille Cullison
 The Mary Martha Sunday School class of the First Baptist Church met in the home of Mrs. Truman Smith, the hostess for their monthly social and meeting on Saturday, September 25 at 2:30 p.m.

Mrs. Boyd Reeves offered the opening prayer. Mrs. Newt Barker, class president presided over the meeting.

Mrs. Reeves read an interesting article about "The New Church Organ," and recited a comic poem about "My Husband the Inventor," which was enjoyed by all.

Mrs. Mary Lou Throckmorton gave the inspiring devotional, "Hand of Christ," Mark 10:16 and Luke 24:50. The games were directed by Mrs. Claude Lester, which everyone enjoyed.

Class members having birthdays were Mrs. Levie Smith and Mrs. Lucille Cullison. They received their birthday cakes and gifts from their secret pals and the class wished them a happy birthday.

Refreshments were served to Loree Barker, Verna Hudgins, Bea Lester, Lucille Cullison, Bonnie Bidwell, Mary Throckmorton, Jessie Watson, Lillie Williams, Nora Moore and two visitors, Annie Reeves and Essie Glenn and the hostess, Levie Smith.

The next class meeting will be held in the home of Mrs. Harvey Hudgins in October.
