VOLUME 73

McLEAN, GRAY COUNTY, TEXAS - THURSDAY, SEPTEMBER 9, 1976

NUMBER 37

Highway Lanes To Be Closed

Traffic on Interstate Highway 40 in Gray and Donley counties will be interrupted the next few weeks by the partial closure of lanes due to highway construction work.

The far right east bound lane will first be closed for about 1,000 feet at two locations--approximately 15 miles and 20 miles east of Groom. The left lane at these locations will then be temporarily closed when the detour is reopened to traffic.

The lanes will be closed in order to tie new construction to the existing highway, said A. L. McKee, Amarillo District Engineer of the State Department of Highways and Public Transportation.

The construction work--the first phase of three on a multi-million dollar project to complete a 9.7 mile link of Interstate Highway 40 in Gray and Donley counties--was started last summer.

The Interstate Highway 40 project extends from about 1/2 mile east of Jericho, eastward to one mile west of Alanreed. The first phase involves dirt work only for the new westbound lanes and a new safety rest area to be located on the north side of the highway.

Dalstrom Corporation was awarded the \$3,227,417 contract on the first phase in June 1975 by the State Highway and Public Transportation Commission.

This section of United States Highway 66, which straddles the Gray-Donley County Line, is a four-lane divided roadway. The second phase will involve paving the new westbound lanes and rest area and the third, reconstruction of the eastbound lanes and construction of a rest area on the south side of the highway.

Thomas R. Kelley of Pampa, DHT resident engineer supervising the project, said two overpasses will be built, one each at Lake McClellan Road and at the entrance to the Johnson Ranch. Kelley said the first construction phase--the dirt work for the new westbound lanes--should be completed by early next year.

Jana Davis of Pampa vacationed last week at Swiss Village, Estes Park, Colorado. She is the daughter of Mr. and Mrs. Ott Davis.

Representative For Swine Flue Inoculation Named

Mary Hazlewood of Amarillo, Regional Volunteer Coordinator of the First Lady's Volunteer Program, Office of the Governor, announced that Louise Evans Bruce of Amarillo has been appointed to serve as regional coordinator of volunteer participation during the swine flu inoculation this fall. Assisting Mrs. Bruce in Gray County will be Majaunta Hills.

Members of the First Lady's Volunteer Program need many more volunteers to assist during the mass immunization drive against the A/New Jersey strain of influenza. Persons wishing to help as a volunteer should contact either Mrs. Bruce, who serves as Executive Director of the Amarillo Area Academic Health Center, or Majaunta Hills, Route #1, Box A-5 at Pampa.

F. F. A. To Sponsor Open Playday

The McLean FFA Chapter will be sponsoring an open playday at Felton Webb arena on Sept. 19 beginning at 1 p.m.

Ribbons will be given thru sixth place and high point trophies. Everyone is invited to come out.

Fire Dept. Taking Donations For Pressure Pump

The McLean Volunteer Fire Dept. are now taking donations so that they can purchase a high pressure pump for one of their grass fire trucks. Estimated cost of this will be \$3,000.

If you wish to donate to this please contact one of the volunteer firemen.

Sorority Raises Money for M. D.

There was plenty of enthusiasm at the McLean Beta Sigma Phi Telethon Station on Labor Day helping Jerry Lewis and his kids. Sorority members manned the phones and others helped by going door to door taking contributions. They made around \$500.

Open Abra FM Bids Sept. 22

Acceptance of sealed proposals for constructing 6,034 miles of surfaced FM highway in the northwest corner of the county was announced this week by the State Department of Highways and Public Transportation.

The bids will be opened Wednesday, Sept. 22 at 9 a.m. in the office of the state department of Highways and Public Transportation in Austin, according to O. V. Johnson, resident engineer. Plans and specifications are available in his office.

Completion of this will close the last remaining unpaved gap in FM 3134 between the Abra community and the Donley County line. At that point it will connect with another FM highway leading into McLean.

It will, residents in the northwest part of the county remind, give a direct paved route from McLean to Dodson. For Wellington area residents, it will cut a few miles off the drive to Pampa, Borger and points beyond that.

This road, constructed in stages over a period of years, has been of untold benefits to ranchers of that area in their livestock operations.

It also opens up one of the more scenic parts of the county. Prior to the start of the paving program, few except those living in the area ever traveled the rough dirt roads.

School Enrollment Drops This Year

Enrollment in McLean Public Schools has dropped almost 90 students in the last five years. In the school year 1970-71 there was a total of 349 students in the McLean schools. This year there is only a total of 283 students.

The biggest change has been in grades 1 through 8 where five years ago there were 227 students in elementary and this year there is only 155.

Young At Heart Have Meetings

The Young at Heart Club meet every Friday and Saturday night and serve lunch every Tuesday at noon.

C. C. To Have Oil Painting Classes In McLean

The Clarendon College night oil painting classes will register at 7 p.m. in the basement of the United Methodist Church in McLean on Sept. 9. Both oil painting 101 and oil painting 102 will be offered.

Mr. Kenneth Porter will be the new instructor, formerly of Shamrock and now of Wellington and is teaching in public schools at Wellington. He has had his own gallery and has given several one man shows.

Mr. Porter attended Clarendon College and was a student under Mrs. Elizabeth Hawkins. He is married and has one child. He invites everyone to join him in Clarendon College night classes in McLean.

Field Day To Feature Research Highlights

Cotton, corn, sorghum and sunflower research are featured attractions for this year's field day of the Texas Agricultural Experiment Station at Halfway. The premier event begins at 1:00 p.m., Sept. 14, at the research site 14 miles west of Plainview on Hwy. 70.

According to County Extension Agent Joe Van Zandt, field tours will be conducted throughout the afternoon with special presentations planned on irrigation, variety evaluations, weed control and insect pest management.

Callie Haynes To Be Honored At Open House

An open house will be held honoring Mrs. Callie Haynes on her 90th birthday from 2:30 to 6 p.m. on Friday, Sept. 10 at 6412 Oakhurst (in Puckett addition) Amarillo.

Hosting the event will be Mr. and Mrs. Frank Rodgers, Mrs. Robert Barnett and Christa Keen. They request no gifts please. Friends of Mrs. Haynes are invited.

You can make a colorful bread box out of a discarded rural mail box. Spray-paint the outside and cover the inside with patterned adhesive-backed decorator paper.

California Artist To Conduct Workshop At Borger

Rulon Hacking, a California artist, will be in Borger Oct. 4-9 to conduct a workshop for artists during the 9th annual Borger Fine Arts Festival.

Hacking, whose works are in the collection of actor James Cagney and baseball player Johnny Bench, is recognized as one of the nation's finest artists and teachers. During the past three years, the 26 year old artist has been a student and master teaching assistant of the master Russian artist, Sergei Bongart of Santa Monica, California. He has conducted artist's workshops throughout the western states, most recently in Los Angeles.

His paintings have been exhibited at Frye Museum in Seattle, Wash., at Challis Galleries in Laguna Beach, Calif., and the Ambassador Hotel in Los Angeles.

The classes will meet from 9 a.m. to 5 p.m. daily at the Borger Boat and Ski Club. Tuition will be charged. Reservations may be made and brochures are available at the Borger Chamber of Commerce, P. O. Box 911, Borger, Tex 79007

Modern Farming Highlighted In Ag Yearbook

A panorama of modern farming is presented in the 1976 Yearbook of Agriculture.

Titled "The Face of yearbook is a photo book of American agriculture in the Bicentennial year. It features 288 pages and 335 photographs centering on farming, farm families and country living as it is today.

The main purpose of the yearbook is to help people understand better right now what modern farming is really like, points out Joe VanZandth county agent for the Texas Agricultural Extension Service. Modern agriculture is changing rapidly and farms are getting larger.

Pictures in the book show this changing agriculture extension Service. Modern agriculture and the qualities of the people involved in agriculture protection today.

A similar book showing Colonial life in 1776 would be invaluable today. The 1976 Yearbook of Agriculture will become more valuable with

Tigers Stomped By Broncos 29-0

The McLean Tigers had a disappointing defeat last Friday night as they opened the season with a 29-0 loss to the Clarendon Broncos. John Hall of Clarendon scored on a 10 yard run with eight minutes and thirty seconds left in the first quarter to open the scoring, then ran over the conversion. He scamp-ered 23 yards around left end for another touchdown at 3:28 left in the second period and added another conversion to make it 16-0. Barry Schafer went six yards up the middle with 43 seconds left in the first half to give the Broncos a 22-0 lead. With 6:58 left in the third quarter, Howard Weatheron scored on a five-yard run. Dennis Sweeny boot- ed the extra point to round out the scoring. The Tigers most serious threat came in the first quarter when they had possession for nearly nine minutes on the drive, and advanced to the Bronco 10 yard line.

The Tigers next game will be Thursday night against the Pampa JV at Duncan Field, starting at 7:30 p.m.

GOD'S WILL AND WAY

GOD'S WILL AND WAY are so plain -- Even fools need not err therein. (Isa. 35:9)
GOD'S WILL AND WAY are no longer veiled in mystery --- They have "now" been revealed unto his holy apostles and prophets by the Spirit." (Eph. 3:3-5)
GOD'S WILL AND WAY are to be understood by diligent study --- with a willingness to learn and a readiness to obey. (Acts 17:11; John 7:17)
GOD'S WILL AND WAY must be searched to learn what it contains --- not to prove what men may think it ought to contain. (Acts 17:11f)
GOD'S WILL AND WAY have "once for all" been delivered and certified --- and we are commanded to obey it from the heart, live it in sacrificial service, and contend for it unto the end. (Jude 3; Rom. 6:1-18; Heb. 2:1-4; 5:9; Rom. 12:1-2)

4-H Officers Are Installed

On Wednesday, Sept. 1, the McLean 4-H Club met in the cafeteria for the regular monthly meeting and installation of officers. The meeting was called to order by Greg Gabel, president. The club said the pledge to the flag and the 4-H pledge. The officers were installed by Layton Barton and Marilyn Shirley and they were told their duties.

The officers are Rhonda Woods, Council Delegate; Deb Crockett, reporter; Leisa Gabel, secretary; Beth Smitherman, vice-president; and Greg Gabel, president. Beth Smitherman is also program chairman.

The 4-H club will have a scrapbook this year.

The Beef Project group met in the ag. building at 7:00 pm, Sept. 8 for a meeting on selection, care and fitting of calves. 4-H steers must be tagged this year. A steer must be owned by Oct. 12 to show in the Pampa Stock Show March 12-16.

Barrows must be owned at least three months before show time for the Pampa show (Dec. 12-14) in March.

Cooking projects will start in September. The leaders are Mrs. Earl Brooks, Mrs. Johnny Carpenter, Mrs. Joe Billingsley.

Swine project leaders are Mr. and Mrs. Johnny Carpenter and Mr. and Mrs. Gerald Tate.

Beef project leaders are Mr. and Mrs. Tony Smitherman and Mr. and Mrs. Jim Rice.

Sewing project leader is Mrs. David Woods.

Horticulture leader is Mrs. Creed Lamb.

Pet project leader is Mrs. Leroy Blaylock.

The club prayer was led by Deb Crockett.

Refreshments were served and the meeting adjourned.

Those attending the meeting were Bryan and Beth Smitherman, Mark Tate, Eddie Brooks, Leisa, Greg and Lance Gabel, Elson Rice, Sandy Blaylock, Robert Swaner, Amber King-

ston, Teresa and Rhonda Woods, Damon McElroy, Stacy Smith, Candi Carpenter, Paige McDonald, Judy Stewart, Tami Hall, Anna Jean Lamb, Dudley Reynolds, Deb Crockett, Kelly Moore, Susie Billingsley, Rita Jefferson, Todd Allison, and Roxie Littlefield.

Adults attending were Layton Barton, Mrs. Clay Gabel, Mrs. Gerald Tate, Mrs. Johnny Carpenter, Gwen Stewart, Mrs. Sophia Hutchison, Mrs. Leroy Blaylock, Mrs. Earl Brooks, Mrs. Lloyd Littlefield, Russell and Chris, Mrs. Jim McDonald, Mrs. Don E. Crockett, David and Dean.

4-H Officers Have Meeting

On Thursday, August 19, the officers of McLean 4-H met to discuss the programs for the coming year. Those officers attending were Greg Gabel, president; Rhonda Woods, Council Delegate; and Deb Crockett, reporter. Others attending were Mrs. Gerald Tate, 4-H leader and Mark Tate.

The McLean 4-H would welcome new members. They are urged to join during the month of September.

Davis Reunion Is Held

The annual J. G. Davis reunion was held Aug. 29th at the McLean Country Club. Six of the seven children were present.

Those present were Mr. and Mrs. E. A. Davis, Mr. and Mrs. Devon Thompsn, Mr. and Mrs. Freland Davis, Mr. and Mrs. Floyd Holcomb, Lisa and Punchin Mitchell of Amarillo, Mrs. Vergie Hull of Bethany, Okla., Mr. and Mrs. Don Pierce of Yukon, Okla., Mr. and Mrs. Lyman Pierce of El Reno, Okla., Dr. and Mrs. Dave Riddlespurger and girls of Dumas, Mr. and Mrs. G. L. Darrow of Shamrock, Mr. and Mrs. D. B. Mathew and Carl Woods of Claude, Mr. and Mrs. Fred Wood of Wheeler, Mr. and Mrs. Melvin Pierce of Arlington, Mrs. Jacqueline Brown of Lawton, Okla., From McLean were Clarence and Chuck Pierce, Ervin Martindale and Mr. and Mrs. Ott Davis, and Bill Davis of Hereford.

Mr. and Mrs. E. M. Bailey visited relatives in Oklahoma City over the weekend.

Mary Martha Class Meet

By Lucille Cullison

The Mary Martha Sunday school class of the First Baptist Church met in the home of Mrs. Leroy Williams on Saturday, August 28 at 2:30 p.m. for their class social and meeting.

The opening prayer was offered by Mrs. Buell Wells. An inspiring message was given by Mrs. Harvey Hudgins. Her topic was "Ordered Steps and Something to Live By." Mrs. Newt Barker, president, presided over the class business. New class officers were elected for the coming year. They are teacher Lillie Mae Williams, substitute teacher, Margaret Wells; president, Loree Barker; vice president, Bea Lester; secretary, Gladys Smith; treasurer, Essie Howard; social chairman, Bonnie Bidwell.

The fun and guessing games were directed by Bonnie Bidwell and were enjoyed by all. Class members having birthdays in the past two months were Loree Barker, Verna Hudgins, Pauline Miller, Nora Moore, and Gladys Smith. The ladies were presented birthday cakes and the class wished them a Happy Birthday.

Refreshments were served to the following Loree Barker, Bonnie Bidwell, Clara Hupp, Nora Moore, Margaret Chapman, Essie Howard, Gladys Smith, Verna Hudgins, Jessie Watson, Lillie Mae Williams, Levie Smith, Marylou Thockmorton, and a visitor, Margaret Wells and the hostess, Irene Williams. A good time was had by all.

The next meeting will be in the home of Mrs. Levie Smith in Sept. with the date being announced later.

Riley Zane Smith Has 2nd Birthday

Riley Zane Smith was honored with a birthday party in August 30 at his home in Indianapolis, Indiana. Riley is the two year old son of Mr. and Mrs. Fred Smith of Indianapolis (both former resident of McLean). He is the grandson of Riley Smith of McLean and Mr. and Mrs. W. W. Lowe of Antlers, Okla. Riley is also the great-grandson of Mrs. Lummie Pruett of McLean. There were ten guests in attendance.

Smith Reunion Held Over Holiday

The 30th family reunion of the Smiths was held over the labor day weekend with 73 attending. Those attending were Mr. and Mrs. H. C. Rogers of Lovington, N.M., Mr. and Mrs. Virgil Rogers of Lubbock, Mr. and Mrs. T. G. Taylor and grandson and Mr. and Mrs. Sam Blake of Gainesville; Mr. and Mrs. J. G. Smith and Betty of Alice; Mr. and Mrs. John Kirkland and family of Abilene; Hershel Smith of Calif.; Mr. and Mrs. Frank Smith and family of Wichita Falls; Mr. and Mrs. Bub Smith, Butch Blaylock and Ronnie, Sherron Nipper, Lucille Shelton, Paula Malone and Jerry Smith, all of Amarillo.

Others were Mr. and Mrs. Donald Smith and family of Beaver, Okla., Aline Kuykendall of Sunray; Mr. and Mrs. J. P. Hammond and Kay, Mr. and Mrs. Brad Hunt, Mr. and Mrs. Jimmy Hunt and family, Mr. and Mrs. Otto Reimer all of Pampa; Irene Hunt, Gladys Stewart and Trudy, Jo and Sandy Blaylock, Mr. and Mrs. Raymond Smith, Mr. and Mrs. Cecil Nicholas, Emery Smith, Ruby Tibbetts, Leroy Griffith and Robin, Bertha Smith, all of McLean; Visiting on Sunay were Vela Corcoran, Ula Morrow, Bertie Smith, Ken Ladd of Amarillo, Ed Haynes and Nina Hervery of Shamrock, and Millie Castleberry of Alanreed.

Hunting Ethics Are Required

Better than 20 percent of the American people hunt or fish, according to the latest state license sales figures and in this group are sportsmen and a few other people not familiar with the true meaning of hunting or hunting ethics.

This small percent of so-called sportsmen should be listed as they really are in the field; game hogs, careless, game and fish law violators and poor sports. Poor sportsmanship in the hunting field casts a bad light on the conscientious hunter and his companions. Landowners have put up no-trespassing signs because of their disregard for private property and other hunters.

If you are looking for a new hunting companion, make sure you screen each according to his or her knowledge of the record with firearms; drinking problems; coordination, vision and reflexes; maturity; physical condition and how

Study Club Meets In Magee Home

The Pioneer Study Club met on Saturday, September 4 in the home of Ruth Magee to enjoy a breakfast and to start the year off.

The program beginning a theme for the coming year of "Wonders of Nature" was given by Mary Dwyer and Ruth Magee. Ruth presented the majesty and beauty of the mountains with pictures of her trip through Banff National Park in Canada and Glacier and Yellowstone National Parks in the United States.

Business consisted of a discussion on when to hold the senior tea. It was decided to try and have the tea in the spring.

Two letters sent to Vera Back from Clotilde Thompson and Vicki Moose of the Gray County Bicentennial Committee thanking the Pioneer Study Club for their help with the pageant "Windmill Country" were read.

Mrs. James Merrill was welcomed to the club and Mrs. Irma Hester was an honored guest.

Conversation and food were enjoyed by all.

73 Attend Kellerville Reunion

On Sept. 5th the Kellerville reunion was held at Central Park in Pampa. Some 75 attended and a great day of visiting along with a lovely picnic dinner was enjoyed by all. One of the great attractions was the R. B. Kinards of McLean with their six little great-granddaughters present. Some came from as far as La. to attend. This was voted to be held next year at the same place and same date.

Betty Pearson of Odessa and Donna Pearson and Greg of Lubbock are visiting relatives in McLean this week.

good a sport they are on and off the field.

This same profile could be applied to your hunting ability or that of your current hunting companions.

As your hunting abilities increase, you will become more critical of other hunters and their shortcomings. Start young hunters in your family off right by taking them on hunting trips and showing the correct way to hunt as you pursue and bag wildlife.

To assist you in the training of your youngsters in all aspects of hunter safety, enroll them in a Texas voluntary hunter safety class in your county.

NEWS *** County *** Agricultural Agents Texas A. & M. College Extension Service

By Joe VanZandth

As wheat farmers get ready to start sowing wheat, they should remember to kill volunteer wheat. Wheat streak mosaic virus, which is spread by the wheat curl mite, lives in wheat or some other type of susceptible grass day to day.

Of course our extra dry summer has prevented much grass from being green along with very little volunteer wheat. However, as I have seen wheat streak mosaic, an entire field of wheat can be virtually destroyed because a little volunteer was left or there was volunteer in an adjoining field.

The best method for preventing WSM is plant a little later and make sure the field is cleared of volunteer at time of planting.

According to USDA the value of U.S. grain and feed exports in FY '76 totaled \$11.9 billion \$300 million ahead of last year and 54 percent of the record \$22.1 billion U.S. Agricultural exports.

The value of wheat and flour totaled \$4.9 billion in FY '76, about equal to the FY '75 level. A 3.5 million metric-ton increase over last year was largely offset by about a \$20 per metric ton decline in the unit value.

Total feed grain export value reached \$5.6 billion, compared with \$4.8 billion in FY '75. On a volume basis, feed grain exports were up about 6.6 million metric tons over FY '75 levels.

Another example of how inflation is continually raising farm costs is a recent report from USDA which indicated average farm wages increased 32 cents per hour from a year ago. Average wages

paid all hired Agricultural workers in Texas during the week of July 11-17, averaged \$2.40 per hour. This was an increase of 2 cents above April, 1976. The average Texas rate was 13 cents lower than the national average of \$2.53.

Commercial production of red meat in the U.S. continues to run ahead of last year. In July, red meat production was 7 percent more than a year ago and 1 percent above July, 1974. Total red meat output for January-July 1976 was up 5 percent from 1975. Beef is up 10 percent; veal, up 5 percent; pork, down 4 percent; lamb and mutton, down 11 percent.

If you want to use Roundup herbicide be careful about the container you put it in. Roundup spray solutions should be mixed, stored and applied only in stainless steel, aluminum, fiberglass or plastic-lined steel containers. Do not mix, store or apply Roundup in galvanized steel or unlined steel (except stainless steel) containers or spray tanks.

Roundup or Roundup spray solutions react with such containers and tends to produce hydrogen gas which may form a highly serious combustible gas mixtures. This gas mixture could flash or explode, causing serious personal injury, if ignited by open flames, spark, welders torch lighted cigarette, or other ignition sources.

As Fall approaches, now is a good time to apply a good general purpose complete fertilizer to your lawn, trees and shrubs. This fall fertilization helps to give plants in general more strength as they go into the winter. Generally speaking it should help most plants survive the winter in better condition and start earlier growth next spring.

Jersey, the knitted fabric was first produced on the Isle of Jersey in the English channel.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.

It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

Lions Club To Have Picnic For Teachers

by Maridale Glass
Next Monday, September 14, the Lions Club will hold its annual teacher's dinner in honor of all the personnel of the school system in the park at 7:30 pm. Darryell Herndon will preside.
The picnic serves to introduce the new personnel to members of the community. This year's new teachers are Miss Clarine Beacham, the resource teacher in grades 1-8; Coach Jesse Smelley, the head football coach; Mrs. Mary O'Neil, junior high science and P.E. teacher and assistant coach for high school girls basketball; Jarrell Russell, the agriculture teacher and Mrs. Nancy Billingsley, a teacher's aide.

FBLA Complete Magazine-Record Sales This Week

by Brian Stokes
The Future Business Leaders of America have finished their magazine and record sales reaching their goal of \$3,500. Sponsor Jan Johnson is happy with the support of the community. If you have not received your magazines or records or if they are broken, within a reasonable time, contact Jan Johnson.
F.B.L.A. initiation will be held this week, Sept. 7-10. Each new member must wear a bib every day. The big day will be Friday when the boys must wear shorts, carry a stuffed animal, a bib, carry a bottle with juice in it and wear their hair in dog ears. The girls must wear a short frilly dress with their hair in dog ears. A picture of masters and their slaves will be made for the FBLA scrapbook.

Jr. Class Has Chicken Supper

by Teresa Mounce
The junior class of McLean High School had a chicken supper Friday night before the football game in the school cafeteria. They made between \$300.00 and \$400.00. The sponsors and class want to thank everyone for their support.

If you see a small amount of white fluffy mold on food, it's a good idea to throw away the item. The fluff is actually the "bloom" of the mold—and where there is bloom, there are often deep, widespread roots.

Students Perform At Pep Rally

by Teresa Mounce
Last Friday, the McLean students and teachers had their first look at the 1976-77 cheerleaders, twirlers, and the Tiger band.
The pep rally started off by the band playing the fight song as the Tiger football team marched into the gym. After battle cries, Mr. Smith awarded the spirit stick to the sophomore class. Feature speakers for the first pep rally were Marshall Hanes, senior Tiger, and head football Coach Smelley. The cheerleaders led the crowd in yells and the twirlers performed a routine. The band then played the school song, with everyone standing and singing along. As the Tigers and coaches filed out of the gym, the band again played the fight song.

Student Council Elect Officers

by Dave Jefferson
The McLean High School Student Council elected officers Thursday. The officers for 1976-77 are Dave Jefferson, president; Rose Dwyer, secretary; Chris Moore, vice-president; Gina Layne, treasurer; Greg Henley, parliamentarian; and Diane McAnear, historian. A committee to set up rules on freshmen initiation was appointed. The committee consists of Chris Moore, chairman; Donna Benningfield and Brad

Drivers - Riders Should Practice Caution - Safety

By Joe VanZandth
With thousands of children across the state back in school, some extra precautions are necessary to help ensure their safety, remind Joe Van Zandth, county Extension Service. Many children are walking to and from school; others are riding bicycles or school buses or driving their own cars.
All students should be taught to observe common rules of accident prevention. Many schools conduct special classes for this purpose.
Melton, A Christmas film was also discussed.

(Cartoon by Glenn Oldham, Tiger Cartoonist)

but drivers must be especially alert for those children and older youth who may not know or may forget to observe safe practices. Drivers should be especially cautious in and around school zones and routes followed by students on their way to and from school. Every driver has the moral obligations to drive in a responsible manner.
More students are riding bicycles to school than ever before. Bicycle riders are required to follow the same rules that an automobile driver must follow. A bike rider should always remember that his vehicle offers the event of accident. Even if he has the legal right of way, it is in his own interest to always give the motorist the right of way.
He offers these practices for safe bicycle riding:
--Obey all stop signs and traffic signals, as if you were driving car.
--Ride only on the right hand side of the street or road as far to the curb as possible, follow designated cycle paths. Do not ride on sidewalks.
--Ride single file on narrow or busy streets. Avoid riding two abreast and never more than two.
--Don't carry another person on your bicycle. Use carriers only for books or packages.
--Never stunt or ride in traffic.
--Walk your bicycle across busy streets.
--Don't weave in and out of traffic. Use hand signals to indicate your intention to turn or stop well before turning or stopping.
--Be alert for cars which may turn or stop ahead of you and for suddenly opened doors when passing parked cars.
--Be sure your bicycle has the required headlight colored clothing offers additional protection for night riders.

THIS SIGN STOPS LOST HEAT at the edge of town

When it comes to heating bills, Lost Heat is the villain. You can stop him . . . with the Energy Efficient Home . . .
If you're thinking of buying or building a new home, look for the sign that says "Energy Efficient Home". Because the Energy Efficient Home is designed for greater heat-saving, energy-saving efficiency, you can stop Lost Heat and save money. So, be sure to look for the sign, or call The Electric Company and get all the information on the Energy Efficient Home.

DON'T LET YOUR CHILDREN BURN---
 Home fires claim al-
 most 7,000 lives each
 year and most of these
 victims are children un-
 der 14. Most children
 are pathetically helpless
 to save themselves in a
 fire and make deadly
 mistakes die to lack of
 knowledge and prac-
 tice, contends an agri-
 cultural safety engineer
 for the Texas Agricul-
 tural Extension Service.
 That's why it's important
 for parents to conduct
 home fire drills regu-
 larly to show their chil-
 dren how to escape from
 the home should a fire
 occur. Children should
 know how to reduce
 smoke inhalation, how to
 deal with closed doors
 when a fire occurs, how

to call the fire depart-
 ment, and how to es-
 cape from the home as
 quickly as possible.
 Children should also be
 taught to use a fire ex-
 tinguisher, what to do
 to put out small fires in
 the home, and what to do
 if their clothing catches
 fire.

American Indians believed
 that jade could cure snake
 bite.

Don't bleach materials in a
 metal container, metals may
 hasten bleaching action and
 damage the material.

PUBLIC NOTICE
 SUMMARY OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d
 and 49-d-1 of Article III
 of the Texas Constitution,
 S.J.R. 49 amends Section
 49-c of Article III of the
 Texas Constitution to pro-
 vide for and authorize an
 additional \$400 million in
 Texas water development
 bonds that may be issued
 on approval of two-thirds
 of the members of each
 house of the Legislature
 for such water develop-
 ment purposes as the
 Legislature may prescribe.

The amendment con-
 tains a specific prohibition
 against the use of state
 funds for the development
 of water resources from the
 Mississippi River and also
 requires that before any
 single water development
 project may be undertaken
 requiring the expenditure
 of more than \$35 million
 in bond proceeds, it must
 be approved by resolution
 of the Legislature.

The amendment re-
 moves the constitutional
 requirement that certain
 revenues must be used to
 retire water development
 and water quality enhance-
 ment bonds and removes
 the constitutional interest
 rate limit on such bonds.

The wording of the pro-
 posed amendment as it will
 appear on the ballot is as
 follows:

"The constitutional
 amendment authorizing
 an increase of \$400 mil-
 lion in the amount of
 Texas Water Develop-
 ment Bonds that may be
 issued on approval of
 two-thirds of the legis-
 lature; amending and
 consolidating provisions
 of Sections 49-c, 49-d
 and 49-d-1 of Article III
 of the Texas Constitu-
 tion; and repealing Sec-
 tions 49-d and 49-d-1 of
 Article III of the Texas
 Constitution."

NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an
 amendment to the Texas
 Constitution to increase
 from \$100 million to \$200
 million the aggregate prin-
 cipal amount of Texas
 water development bonds
 which may be issued and
 outstanding by the Texas
 Water Development Board
 to provide grants and loans
 for water quality enhance-
 ment purposes as estab-
 lished by the Legislature.

The wording of the pro-
 posed amendment as it will
 appear on the ballot is as
 follows:

"A constitutional amend-
 ment to increase from
 \$100 million to \$200
 million the amount of
 Texas Water Develop-
 ment Bonds that may be
 issued for water quality
 enhancement purposes."
