

HANSFORD COUNTY'S LEADING NEWSPAPER

The Hansford Plainsman

VOLUME VII, NUMBER 8

SPEARMAN, HANSFORD COUNTY, TEXAS 79081

THURSDAY, NOVEMBER 18, 1965

Women do a lot of work raising families, holding jobs, going to parties and the other activities. The amount is amazing. It is even astounding when one considers they do all this work with hands that must be nothing more than cotton fluff.

We heard our first memorable radio commercial about 28 years ago. Ma Perkins was running the lumberyard and Oxydol was making women's hands whiter and softer.

Except for four WW II years when the chemical companies made explosives, companies have been concentrating on making women's hands softer and whiter while getting clothes and dishes cleaner.

With all these years of improvement and greater softening power women's hands, including the bones, must be near mush.

Therefore, men, if your wife's hands are rough and red when she strokes your brow, there is only one thing to be done. Get rid of those automatic washing machines for clothes and dishes. Get her hands back in the dishpan and the washtub.

In today's miracle world there is no need for a hard working husband to have a wife with rough, red hands. A man is entitled to soft hands on his brow after he has put in a hard day in the coffeeshop.

Under the new provision of the cotton law, we predict many East Texas counties will vote to allow the sale or lease of cotton allotments.

There are many counties in that part of the state with cotton allotments, but now grow little or no cotton.

My home county used to be a big cotton country. My farming friend there tells me a farmer now can get all the cotton acreage he wants to plant there.

They have found it to be much more profitable to fertilize the grass and run cattle, then to fight the grass, weeds, and bugs trying to raise cotton.

In case you have forgotten, 1966 is an election year. The campaigning has begun. We have received our first unpaid announcement for office.

State Representative Paul B. Haring has announced as a candidate for Railroad Commissioner. He is from Goliad.

He comes on strong with a four page "news" release advocating taking the state government out of the hands of the special interest groups. Also, his opponents are backed by "the most powerful money groups in the world."

It would seem that bright young men who aspire to high offices could be original enough to use something in their campaign promises except the same old tired phrases.

Two Trucks Have Wreck

Two grain trucks had a rear-end collision on highway 760 near the third street intersection late Monday afternoon.

A truck driven by Mike Holt of the Holt community was struck in the rear by a truck driven by Skippy Williams of Seenic, S. Dakota. The truck was owned by George Frick of St. Onge, S. Dakota.

Officers investigating the accident said Holt stopped his truck for a funeral procession and Williams was unable to stop his loaded truck.

Janice Trindle

Delbert McCloy

4-H Names Gold Star Boy, Girl at Banquet

Spearman and Morse High School students were named the Hansford County 4-H Gold Star Girl and Boy at the 4-H awards banquet held recently.

Miss Janice Trindle of Spearman was named the Gold Star Girl. She is the daughter of Mr. and Mrs. John Trindle of the McKibben community. She attends Spearman High School.

Miss Trindle was the County

Dress Revue winner this year and also a District Dress Revue winner, and competed in the state revue in Dallas at the State Fair.

She has been active in 4-H for nine years and has shown prize winning lambs in the county stock show, besides her different projects in the home.

Delbert McCloy of Morse is the Gold Star boy. He is a member of the Junior Leaders Club at Morse and has been in 4-H for seven years.

He is the son of Mr. and Mrs. Willard McCloy and is a junior in Morse High School.

He was a member of the soil evaluation judging team that went to the 4-H state contest this year. He placed seventh in the individual contest.

His projects include beef cattle, junior leadership, soil and water conservation. He is a junior leader in the study of beef cattle this year.

Teams Open Against Sunray

A new and taller edition of the Spearman Lynx basketball team will be shown to the public here Friday night when Sunray comes to town for boys' and girls' games.

Coach Dean Weese said Sunray has three starters back on the Bobcat varsity and the Sunray girls have most of their team back from last season.

Sunray was one of the few teams to beat the Lynxettes last season.

This will be the first outing for the Lynx. They opened workouts Monday.

Four lettermen are back from last year. They are Carl Close, Larry Butts, Dave Clement and Ken Shufeldt.

Monte Black a tall junior is expected to join the starting ranks.

A number of juniors and one senior, plus some sophomores will be battling for jobs on the squad.

Commissioners Buy Heavy Equipment for Precincts

The purchase of heavy equipment was the major item handled by the Hansford County Commissioners Court here last week.

The court purchased two Caterpillar 922B Traxcavators at a cost of \$17,976.00 each. The county traded two machines in and received

\$5,476.00 for each trade-in. The actual cost of the new machines was \$12,500.00 each.

A C terpillar motor grader No. 120 was also purchased at a cost of \$14,500.

At the request of the district court reporter, a Audio-graph Dictator Machine was

purchased for \$430.58.

After the county's consulting engineer, Harvey Schmidt, reported the bridge on Palo Duro Creek as being complete, the commissioners voted to accept it.

After canvassing the returns of the State Constitutional Amendment elections, the court certified the returns to be correct and official.

Charity bills totaling \$485.96 for food and medicines were approved and paid by the court.

The court allowed \$400 for the court and county judge to attend a meeting in Austin with the State Highway Commission.

A Road District Three note of \$9,000 and interest at the Gruver State Bank was paid. The note was made Oct. 1, 1965 and was due Nov. 15, 1965.

It was also voted to call Road District Three's 1961 Series Bonds Nos. 25, 26, 27, 28, 29, 30, 31 and 32 for payment. The bonds totaled \$8,000 and were to mature April 1, 1970.

The County Treasurer was instructed to invest \$110,000 with the Gruver State Bank and the First State Bank of Spearman at an interest rate of 4 percent. The investment was divided equally for each bank and invested for six months.

The court received the County Treasurer's quarterly report on the county financial condition.

St. Louis Cardinal To Speak at Crusade

A member of the St. Louis Cardinal baseball team will give his testimony for Christ Saturday night at the Christ For All Crusade in the High School Auditorium at 7:30 p. m.

Clyde Warwick, an infielder for the Cardinals will give his testimony in addition to the regular service by the Rev. Roy Gustafson, evangelist for the area Crusade.

The Crusade Youth Committee has invited boys and

girls basketball teams, football teams and all other athletes from the schools over the area to attend as groups.

After the services a youth fellowship will be held in the Community Building with Warwick there to meet and talk to the young people who attend.

Sunday will be the last day of the 12-day Crusade conducted here by Gustafson, an associate evangelist of the Billy Graham Association.

Highways Planned For Hansford County

Hansford County is going to get more farm to market roads. It was learned this week in Austin.

County Judge Johnnie Lee

Ohio Arrests Wanted Man

A man wanted in Hansford County for forging and passing two checks has been arrested in Defiance, Ohio, Sheriff J. B. Cooke said Wednesday.

Larrie Babinger of Defiance was arrested there on an Ohio charge and local officers have placed a hold on the man. He will be brought to Texas for trial after Ohio releases him.

Babinger worked here for Max Clawson, left and returned to the area. He then allegedly forged and passed two checks, each for \$200 at Cates Men and Boys Wear and Ideal Grocery. The checks were forged on Clawson.

The checks were passed here in September.

County Collects 85% of Taxes

Hansford County taxpayers have paid over 85 percent of their 1965 county and state taxes, Tax Assessor-Collector J.B. Cooke said this week.

The tax office has collected \$503,276.30 of the total tax roll of \$580,215.98.

Cooke said the office collects 98 to 99 percent of the tax roll each year.

and commissioners Ed Vernon and B.W. Renner met in Austin with the State Highway Commission.

The Commission said approximately 1,000 miles more of farm to market roads will be built over the state and Hansford County will get a few more miles.

The officials learned the contract for the construction of the new FM road from the top of Hansford Hill west to Highway 136 will be let in the near future.

Judge Lee said this highway will give a more direct link to the west and southwest from Spearman.

Another FM road south of Spearman is in the "thinking stages". This road, if built, will link the east-west FM road that goes to the plants southeast of Spearman to Highway 15.

Judge Lee said the number changes on the highways through Hansford County are not going to remove the roads from the county's FM road quota.

The highway west from Spearman to Gruver and on to Stratford will be changed to highway 15 from its present FM number. A so, a road going north from the new Highway 15 to Oklahoma will get a state number, but they will still be charged as FM roads in the county.

It was hoped that these highways would be taken from the FM quota in the county, thereby, making the county eligible for many more miles of FM roads.

Defense Gives Lynxettes Win

A tremendous defensive job by the Spearman Lynxette guards gave the Lynxettes an important 38-22 win over the highly rated White Deer Does Tuesday night in White Deer.

Coach Dean Weese was lavish with his praise of Kathi Pattison, Bethany Donnell and Robbie Ownbey. The guards were real tough. They did not give White Deer a good shot, he said.

With starter Barbara Wilde nursing an injured ankle, Weese started Nancy McCullough on the post and the new-comer pumped in six field goals for 12 points.

Weese said McCullough's work was more outstanding when one realizes she was a guard as a freshman, did not play as a sophomore and came back this year as a forward.

Veterans Karen Gibson and Susan Hutchison shared the scoring honors with McCullough. Gibson was high point girl with 15 points, Hutchison had 11. Gibson had five field goals and Hutchison four.

Spearman wasted no time putting the game out of reach. They led 12-5 at the end of the first quarter and 27-16 at the half. Spearman slowed the game in the second half to take some of the pressure off the guards. Spearman led 35-20 at the end of three quarters.

(Con't. on page 2)

Grade School Teams Win Three Games From Fritch

Spearman's Seventh and Eighth grade basketball teams started the basketball season Monday night with three wins and one loss, a close one, against Sanford-Fritch.

The boys teams of the two grades played the Fritch teams in Spearman and the girls went to Sanford-Fritch.

It was no contest for the Seventh grade boys as they whipped Fritch 27-4.

Freddie Shieldknight led the locals with 10 points. Robert Archer 8, Terry Butts 4, Eddie Byers, Larry Laws and Ron Kirby each had 1 point.

Things were tougher for the Eighth grade boys before they pulled their game out for a 22-18 victory.

Tony Byers scored 9 points, Roy Sutherland 8, Randy Weston and Donlain Whitefield 2 each and Frank Wilmeth 1.

At Fritch the Seventh grade girls lost a close one 24-21.

Anita Smith was the top point maker with 11 points, Susan Brillhart had 4, Bonnie Seymour, Wanda Greene and Sherry Curry each had 2.

The powerful eighth grade girls roared to 24-20 win as Coach Kay Buzzard emptied the bench to keep the score in check.

Frances Nollner and Jyniece Callaway each pumped in 15 points. Sandra Shufeldt had 8, Karen Baggerly and Marsha White 4 and Kay Reed 2.

LINDA AND THE GOVERNOR--Linda Hollins called on Governor John Connally, asking that he support the Christmas Seal campaign against tuberculosis. Linda's mother, Mrs. John Hollins of Austin, a former WAC, was recently hospitalized with the disease. Linda, her two sisters and her brother are being cared for by an aunt and by their father, who is employed as a welder. Governor Connally apparently found Linda pleaded her cause well.

Cotton Farms To Vote Tuesday in Referendum

Hansford County cotton farmers will vote Tuesday in the national cotton referendum. The election will be held in the ASCS office in Spearman. Polls will be open from 8 a.m. until 6 p.m.

Issues to be decided in the Nov. 23 referendum are (1) quotas or no quotas, (2) the price support available and (3) whether the broad new program is to go into effect for the 1966-upland cotton.

At issue in this year's vote,

also, is the "domestic allotment" program provided by legislation under which growers may qualify for price support and diversion payments, in addition to loans. To qualify farmers must reduce their cotton acreage at least 12.5 percent below the farm's allotment. The diverted acres must be put in a conservation use and other provisions must be met.

Under the program farmers who elect not to participate in the reduction program may apply for a share of an export market acreage reserve and grow and export all their cotton without government subsidy and without marketing quota penalties.

If less than two-thirds of the eligible farmers in the nation approve the program in the referendum, there will be no program in 1966.

The lease or sale of cotton allotments is also provided by the new program. It will be decided in a separate vote if growers will be permitted to lease or sell allotment for transfer of allotment outside a particular county in the state. The lease or sale of allotments will not be affected by the outcome of the marketing quota vote.

Farmers will vote on the transfer question at the same time they are voting on the marketing quotas. At least two-thirds of the cotton producers in the county must approve the moving of allotments from their county to another county in the state. No allotments can be moved out of the state.

Under the new program a farmer who owns farms in two counties may move his allotment from one county to another, no matter how the county farmers vote.

The carryover of cotton on Aug. 1, this year was 14.2 million bales. With a record crop indicated this year, it is expected that the carryover on Aug. 1, 1966, will be 15.7 million bales. The previous record high was 14.4 million bales in 1956.

All farmers engaged in the production of cotton this year are eligible to vote in the referendum.

More detailed information on the cotton program is available at the ASCS office.

District FFA Meeting Here

Ten Future Farmer of America chapters from schools over the Top O Texas FFA district competed here Saturday in the district leadership contest.

The chapters and their placings in the different contests were as follows:

FFA Quiz: Perryton, Pampa, Follett, Darrouzett, Wheeler, Gruver and Mobeetie.

Senior Farm Skills: White Deer, Pampa, Darrouzett, Booker and Follett.

Junior Farm Skills: Darrouzett, Pampa and Follett.

Senior Chapter Conducting: Perryton, White Deer, Gruver, Booker, Canadian, Spearman, Mobeetie and Follett.

Junior Chapter Conducting: White Deer, Perryton, Booker, Gruver, Spearman, Follett, Shamrock and Canadian.

Radio: Pampa, Perryton, Darrouzett, Spearman, Booker, Follett, McLean and Mobeetie.

Spearman team members were:

Senior Chapter Conducting: President, Bill McClellan; Vice President, Jock Lee; Secretary, Kenneth Banks; Treasurer, Robert Eton; Sentinel, Clay Schnell; Reporter, Jim Wallace and Advisor, Don Smith.

Junior Chapter Conducting: President, Dallen Scroggs; Vice President Ronald Burkhardt; Secretary, Lee Shaver; Treasurer, Ronald Howerter; Sentinel, Roy Russell; Reporter, Stanley Henry; Advisor, Preston Payne and members Daniel Smith, Warren Tindell and Don Sutherland.

Radio: Steve Jordan, Monte Black and Eddie Butler.

Defense...

(Con't. from page 1)

A MAN went to the mountains with his wife for a vacation. One day he returned from a hike all scratched and bruised. "I met a snake on the trail," he explained.

"But didn't the guide tell you that the snakes up here aren't poisonous?" his wife pointed out.

"They don't have to be when they make you jump off a 50-foot cliff," he replied.

The Lynxettes stalled for the last four minutes of the game.

Spearman hit 43 percent of their field goal attempts.

The vaunted White Deer attack was held to six field goals.

This is the same White Deer team that last year beat Spearman by 20 points.

The Lynxette B-team lost to White Deer 34-28. Cathy Lyons scored 11 and Kathy Mackie had 10 for Spearman.

Middle age is when you're not inclined to exercise anything but caution.

COURTESY, SERVICE AND PROTECTION—The motto of the Texas Department of Public Safety stands as a guide for each DPS patrolman as he does his part toward securing and maintaining social order for the citizens of Texas. The DPS has openings for young men between the ages of 21 and 35, high school graduates, who can meet the qualifications and who want to join the rewarding law enforcement effort to protect the citizens of Texas. Check with any Department of Public Safety office or patrolman to obtain an application.

Busy Bees Have Five Visitors

The Busy Bees 4-H Club had their monthly meeting at 4 p.m. at the Home Demonstration Building with 12 members present.

Visitors present were Mmes. Frank Porter, Charlie Lopez, Ronnie Schaefer, Howard Thomas and Sherry Beeson.

Organization leaders are Mmes. Bill Reeves, and John Trindle.

The meeting included a program which was a poem by Nancy Anderson and a song by Lee Ann Smith.

Gift Box

Memo :

This week our new merchandise has all been smelling good. It is mostly scented soaps and candles.

In this week is a new order of Carolina soap and candles. You know how good these items are.

For only \$2.50 we have an assortment of seven scented candles and a little container for using them.

Even the furniture polish smells good. We now have some more of the popular Cabinetmakers Scented Furniture Polish. It goes fast.

If you want one, apparently everyone does, our linen 1966 wall calendars are going fast. You had better buy yours now.

The new linen kitchen towels do not have a scent, but they are new and pretty. You will like them and so will everyone who receives them as gifts.

There are only 30 more shopping days until Christmas. It is time to get started.

Delbert McCloy, Janice Trindle and their parents along with Mr. and Mrs. Frank Davis and agent Linda Webb were honored guests at the District Gold Star Banquet in Amarillo Saturday, Nov. 13.

Card of Thanks

THANKS to everyone who remembered me with cards, flowers and visits while I was in the hospital at Shattuck. Also for being so nice to Harold, Ricky and Ronald. Since I've been home I have appreciated the phone calls, visits and food. It's so nice to have so many lovely friends.

Again I say Thanks,
Lu Howarter

Thanksgiving Service Set By Faith Lutheran Church

"We Have Storms But Also Stars" will be the theme of the Thanksgiving sermon given by Pastor Robert Cordes Wednesday Nov. 24 at 8 in the Farm Bureau Building.

This Thanksgiving service will be sponsored by Faith Lutheran Church. Everyone is invited to attend. The same sermon will be given at Oslo Lutheran Church northwest of Gruver Thursday Nov. 25 at 10 a.m.

There will be many hymns used and we all should get together to commemorate Thanksgiving D.y, a long established American tradition, the Rev. Cordes said.

Bring your children and attend an inspirational Thanksgiving service at Faith

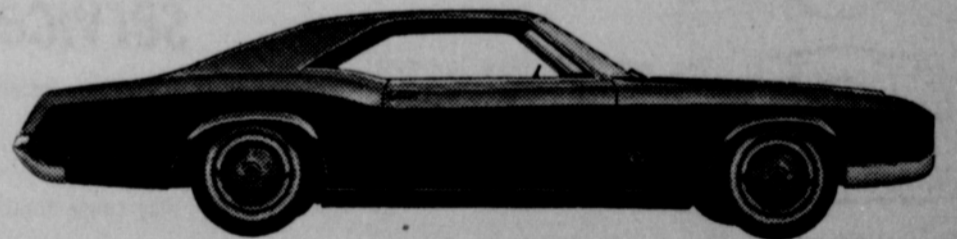

Lutheran Church or at Oslo Lutheran Church, the pastor said.

Chorus To Sing In Perryton

The Don Cossack Chorus will be presented by the Wheatheart Entertainment Series in Perryton Nov. 19 at the high school auditorium at 8 p.m. Admission to membership only.

The chorus is described as better than ever by the public and press throughout the nation.

Elusive Kilroy Gives Advice

Dear Kilroy,
All of the Freshman boys want to go with me but I only want to go with one in particular (name withheld by Journalism Class) but he is too shy to ask me. How can I get a date with him?

Signed
Lovey Dovey
Dear L.D.,
If they all want to go with you, why doesn't this one? Extend your appeal.

Kilroy ...
Dear Kilroy,
My problem is a girl friend that won't write. I am a diligent writer but she never returns the favor. I know that she knows how because when I got her last letter a couple of years ago, she said that she

had finally learned how. What is wrong? What can I do to get a response?

Thanks,
A Kansas State Teacher
College Coed
Dear KSTC Coed,

Your problem is one of the age-old difficulties of the procrastination on the part of your girl friend. She should realize that you enjoy letters from her, especially if they are received more than once in two years. However, do not, I repeat do not, give up. Continue your diligence and patience, and perhaps, like in all good fairy stories, yours will have a happy ending. And in the meantime, to take the place of a real letter from your friend, this is a great big

Hello! from the members of the Journalism Class and your friend and consultant, Kilroy.

Kilroy ...
Dear Kilroy,

I am cute I think. But the girls don't think so. So what should I do.
Cutey
Dear Cutey,
You're not conceited, are you? Just convinced? Well, Cutey, you'd better get off your high horse, but quick, and not have such a high opinion of yourself.
Kilroy ...

Dear Kilroy,
I just have met this girl, but I think she is a little too highclass for me. I've tried to tell her that money isn't ev-

erything. Please help me Kilroy.

D.C.,
Dear D.C.,
Does the girl think she is too good for you, or is it all in your mind? Even at that, as I always say, "Money isn't everything, but it's way ahead of whatever is in second place!"
Kilroy ...

Dear Kilroy,
I have this problem. I know I can have a date with the girl I want but every time I start to ask her for a date I get all scared and start thinking that she doesn't want a date or doesn't like my looks. Can you help solve my problem.
Signed
Sad Sam
Dear Sam,

Enroll in the Dale Carnegie course to overcome your shyness and bolster your self confidence.
Kilroy ...

Dear Kilroy,
I sell paperback books in the library but I don't like to but I can't get out of it. Give me some advice.
Prisoner of Library
Dear Jailbird,

Mr. and Mrs. Royal Crawford of Tulia visited here with relatives over the weekend.

Enid College Offers Good Business Training

It is near time for juniors and seniors to be thinking about the college of their choice. Enid Business College is a college to train you in the business field.

EBC was founded in September 1894 and now is one of the Southwest's oldest and largest business schools. Over 20,000 students have gone through this school into successful careers in business, industry and government.

High school graduation is the usual requirement. The

school enrolls veterans and older students who are not high school graduates, however, at its discretion.

Costs should play a big part in deciding on what college to go to. The full time day tuition is \$50 a month payable by the month without contract. A registration fee of \$10 is paid by all students at the time of entering school to cover the cost of diplomas and graduation activities.

New students may enter any Monday. The fall term starts on Labor Day, the spring term early in January, the summer term, first week of June.

EBC's goals of today are the same as it has been during these years to work with each student on a personal basis, and business skills and knowledge; and to help them prepare for a useful and profitable career.

TCU Is Oldest College In West Texas

Texas Christian University was founded on the cattle frontier in 1873. T.C.U. is the oldest institution of higher learning in West Texas. From 13 students and one small building, it has grown during nine decades into one of the Southwest's leading universities.

Independent and voluntarily-supported, T.C.U. is the largest school related to the Christian Church. An educational corporation chartered by the State of Texas, it is controlled by a Board of Trustees which nominates and elects its own members. Three-fourths of them belong to the Disciples churches.

-Director of Admissions

Choir Members Tryout Nov. 20

This year Spearman High School Choir members will be able to compete for All-Regional Choir positions. The tryouts will be November 20 at WTSU in Canyon.

Lewis Tilford will be choosing up to sixteen students to attend the contest. Members of All-Regional Choir may then try for places in All-State Choir early next year.

Librarians Attend Meet

The Spearman Teenage Library Association consisting of Tommie Buchanan, Donna Byrd, Linda Edge, Margaret White, Jean McLeod, Ann Jackson, Debbie Craig, Cindy Henderson, Arbeta Tackitt and Linda Hollar left Nov. 5 to attend the Fall Library Convention of the District 1-A schools at Lubbock Nov. 6.

Ann Jackson, president of District I for 1965-66, presided over the morning General Assembly.

The afternoon business session included election of new officers. Donna Byrd was elected district secretary for 1966-67 during the afternoon business session. Donna's term of office begins May 1.

Film Shown At P-TA Meet

The Spearman PTA met November 8 with Frankie Hall presiding. This year the PTA has a new project, which is getting an eye checking machine for the school.

Wayne Pierce had the program and Patrolman McNeil of Amarillo was also present. They showed a film on narcotics and its effects on young people. After the film was shown a question period followed in which the people asked questions concerning the program.

Mr. Pendergraft talked on the new math and stated that a study will be given on this.

The seventh and eighth grade mothers served refreshments. The next meeting will be Dec. 14 when Geir Overland will give the program.

Crusade Musicians Give Assembly

The Christ For All Crusade team presented an assembly Thursday for the Spearman High School students. Mr. and Mrs. Wesley Boyd of Belfast, Ireland, also the musical directors for the crusade gave the program.

Boyd sang Irish folk ballads, accompanied by his wife, Margaret, who later played two piano selections.

Linda Smith, a member of the crusade youth team, introduced the Boyd's.

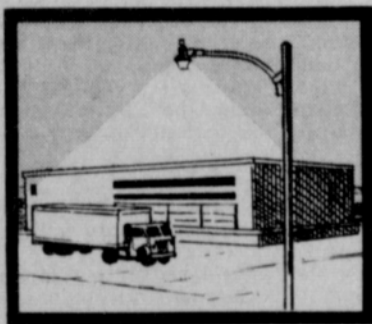

After the inspirational program, Lynn Buzzard, student president of SHS, dismissed the assembly.

FOR PROTECTION AND CONVENIENCE!

NITE-LITER

Wide Area Outdoor Lighting
Only \$4⁰⁰ per month

Nite-Liter's mercury vapor lighting unit effectively illuminates an area up to 150 feet away to brighten nighttime activities, add to the attractiveness of your property and keep prowlers at a distance. The Nite-Liter automatically turns on at dusk, off at dawn, to provide nightlong convenience and protection. It's ideal for service stations, drive-ins, farm yards, parking lots, storage yards, private streets and recreation areas. And the \$4.00 per month includes everything — installation on a tall wooden pole, year-around maintenance and the electricity used. Call Community Public soon for your Nite-Liter.

COURTESY, SERVICE and PROTECTION—The motto of the Texas Department of Public Safety stands as a guide for each DPS patrolman as he does his part toward securing and maintaining social order for the citizens of Texas. The DPS has openings for young men between the ages of 21 and 35, high school graduates, who can meet the qualifications and who want to join the rewarding law enforcement effort to protect the citizens of Texas. Check with any Department of Public Safety office or patrolman to obtain an application.

senbaum; Beef Cattle Business Junior Symposium-Bill McCloy and Allen McCloy; Adult Leader-Mrs. Wilson McCloy. Delbert McCloy, Janice Trindle and their parents along with Mr. and Mrs. Frank Davis and agent Linda Webb were honored guests at the District Gold Star Banquet in Amarillo Saturday, Nov. 13.

Card of Thanks

THANKS to everyone who remembered me with cards, flowers and visits while I was in the hospital at Shattuck. Also for being so nice to Harold, Ricky and Ronald. Since I've been home I have appreciated the phone calls, visits and food. It's so nice to have so many lovely friends. Again I say Thanks, Lu Howetter

Thanksgiving Service Set By Faith Lutheran Church

"We Have Storms But Also Stars" will be the theme of the Thanksgiving sermon given by Pastor Robert Cordes Wednesday Nov. 24 at 8 p.m. the Farm Bureau Building.

This Thanksgiving service will be sponsored by Faith Lutheran Church. Everyone is invited to attend. The same sermon will be given at Oslo Lutheran Church northwest of Gruver Thursday Nov. 25 at 10 a.m.

There will be many hymns used and we all should get together to commemorate Thanksgiving Day, a long established American tradition, the Rev. Cordes said.

Bring your children and attend an inspirational Thanksgiving service at Faith

Lutheran Church or at Oslo Lutheran Church, the pastor said.

Chorus To Sing In Perryton

The Don Cossack Chorus will be presented by the Wheatheart Entertainment Series in Perryton Nov. 19 at the high school auditorium at 8 p.m. Admission to membership only.

The chorus is described as better than ever by the public and press throughout the nation.

Busy Bees Have Five Visitors

The Busy Bees 4-H Club had their monthly meeting at 4 p.m. at the Home Demonstration Building with 12 members present.

Visitors present were Mmes. Frank Porter, Charlie Lopez, Ronnie Schaefer, Howard Thomas and Sherry Beeson.

Organization leaders are Mmes. Bill Reeves, and John Trindle.

The meeting included a program which was a poem by Nancy Anderson and a song by Lee Ann Smith.

Gift Box

Memo :

This week our new merchandise has all been smelling good. It is mostly scented soaps and candles.

In this week is a new order of Carolina soap and candles. You know how good these items are.

For only \$2.50 we have an assortment of seven scented candles and a little container for using them.

Even the furniture polish smells good. We now have some more of the popular Cabinetmakers Scented Furniture Polish. It goes fast.

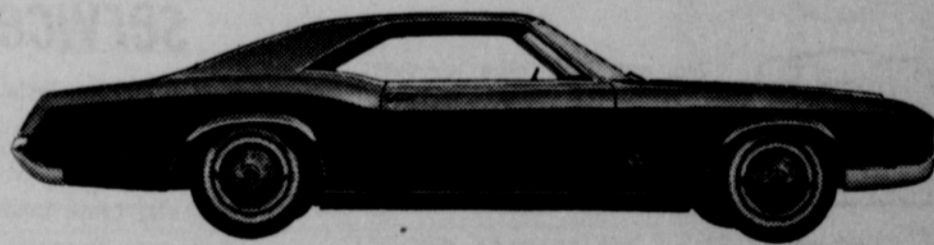

If you want one, apparently everyone does, our linen 1966 wall calendars are going fast. You had better buy yours now.

The new linen kitchen towels do not have a scent, but they are new and pretty. You will like them and so will everyone who receives them as gifts.

There are only 30 more shopping days until Christmas. It is time to get started.

The GIFT BOX

Your Buick dealer can do more than tell you why the tuned car is a success.

He can show you. 1966 Buick Riviera.

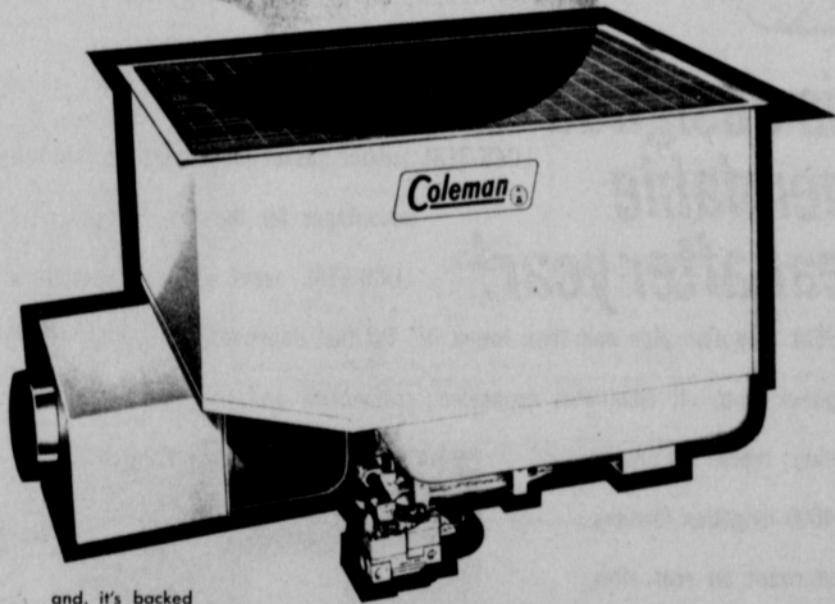

There's an authorized Buick Dealer near you. See his Double-Checked used cars, too.

Elusive Kilroy Gives Advice

Dear Kilroy,

All of the Freshman boys want to go with me but I only want to go with one in particular (name withheld by Journalism Class) but he is too shy to ask me. How can I get a date with him?

Signed
Lovey Dovey

Dear L.D.,

If they all want to go with you, why doesn't this one? Extend your appeal.

Kilroy ...

Dear Kilroy,

My problem is a girl friend that won't write. I am a diligent writer but she never returns the favor. I know that she knows how because when I got her last letter a couple of years ago, she said that she

had finally learned how.

What is wrong?

What can I do to get a response?

Thanks,
A Kansas State Teacher
College Coed

Dear KSTC Coed,

Your problem is one of the age-old difficulties of the procrastination on the part of your girl friend. She should realize that you enjoy letters from her, especially if they are received more than once in two years. However, do not, I repeat do not, give up. Continue your diligence and patience, and perhaps, like in all good fairy stories, yours will have a happy ending. And in the meantime, to take the place of a real letter from your friend, this is a great big

Hello! from the members of the Journalism Class and your friend and consultant, Kilroy.

Kilroy ...

Dear Kilroy,

I am cute I think. But the girls don't think so. So what should I do.

Cutey

Dear Cutey,

You're not conceited, are you? Just convinced? Well, Cutey, you'd better get off your high horse, but quick, and not have such a high opinion of yourself.

Kilroy ...

Dear Kilroy,

I just have met this girl, but I think she is a little too high class for me. I've tried to tell her that money isn't ev-

erything. Please help me Kilroy.

D.C.

Dear D.C.,

Does the girl think she is too good for you, or is it all in your mind? Even at that, as I always say, "Money isn't everything, but it's way ahead of whatever is in second place!"

Kilroy ...

Dear Kilroy,

I have this problem. I know I can have a date with the girl I want but every time I start to ask her for a date I get all scared and start thinking that she doesn't want a date or doesn't like my looks. Can you help solve my problem.

Signed

Sad Sam

Dear Sam,

Enroll in the Dale Carnegie course to overcome your shyness and bolster your self confidence.

Kilroy ...

Dear Kilroy,

I sell paperback books in the library but I don't like to but I can't get out of it. Give me some advice.

Prisoner of Library

Dear Jailbird,

Read, Brother, read!!!

Kilroy ...

Dear Kilroy,

All of the girls fight over me and they all love me but I don't love them. What should I do?

With love,

Clyde

Dear Clyde,

Examine your ego.

Kilroy

Mr. and Mrs. Royal Crawford of Tulsa visited here with relatives over the weekend.

Enid College Offers Good Business Training

It is near time for juniors and seniors to be thinking about the college of their choice.

Enid Business College is a college to train you in the business field.

EBC was founded in September 1894 and now is one of the Southwest's oldest and largest business schools. Over 20,000 students have gone through this school into successful careers in business, industry and government.

High school graduation is the usual requirement. The

school enrolls veterans and older students who are not high school graduates, however, at its discretion.

Costs should play a big part in deciding on what college to go to. The full time day tuition is \$50 a month payable by the month without contract. A registration fee of \$10 is paid by all students at the time of entering school to cover the cost of diplomas and graduation activities.

New students may enter any Monday. The fall term starts on Labor Day, the spring term early in January, the summer term, first week of June.

EBC's goals of today are the same as it has been during these years to work with each student on a personal basis, and business skills and knowledge; and to help them prepare for a useful and profitable career.

TCU Is Oldest College In West Texas

Texas Christian University was founded on the cattle frontier in 1873. T.C.U. is the oldest institution of higher learning in West Texas. From 13 students and one small building, it has grown during nine decades into one of the Southwest's leading universities.

Independent and voluntarily-supported, T.C.U. is the largest school related to the Christian Church. An educational corporation chartered by the State of Texas, it is controlled by a Board of Trustees which nominates and elects its own members. Three-fourths of them belong to the Disciples churches.

-Director of Admissions

Choir Members Tryout Nov. 20

This year Spearman High School Choir members will be able to compete for All-Regional Choir positions. The tryouts will be November 20 at WTSU in Canyon.

Lewis Tilford will be choosing up to sixteen students to attend the contest. Members of All-Regional Choir may then try for places in All-State Choir early next year.

Librarians Attend Meet

The Spearman Teenage Library Association consisting of Tommie Buchanan, Donna Byrd, Linda Edge, Margaret White, Jean McLeod, Ann Jackson, Debbie Craig, Cindy Henderson, Arbeta Tackitt and Linda Hollar left Nov. 5 to attend the Fall Library Convention of the District 1-A schools at Lubbock Nov. 6.

Ann Jackson, president of District 1 for 1965-66, presided over the morning General Assembly.

The afternoon business session included election of new officers. Donna Byrd was elected district secretary for 1966-67 during the afternoon business session. Donna's term of office begins May 1.

Film Shown At P-TA Meet

The Spearman PTA met November 8 with Frankie Hall presiding. This year the PTA has a new project, which is getting an eye checking machine for the school.

Wayne Pierce had the program and Patrolman McNeil of Amarillo was also present. They showed a film on narcotics and its effects on young people. After the film was shown a question period followed in which the people asked questions concerning the program.

Mr. Pendergraft talked on the new math and stated that a study will be given on this.

The seventh and eighth grade mothers served refreshments. The next meeting will be Dec. 14 when Geir Overland will give the program.

Crusade Musicians Give Assembly

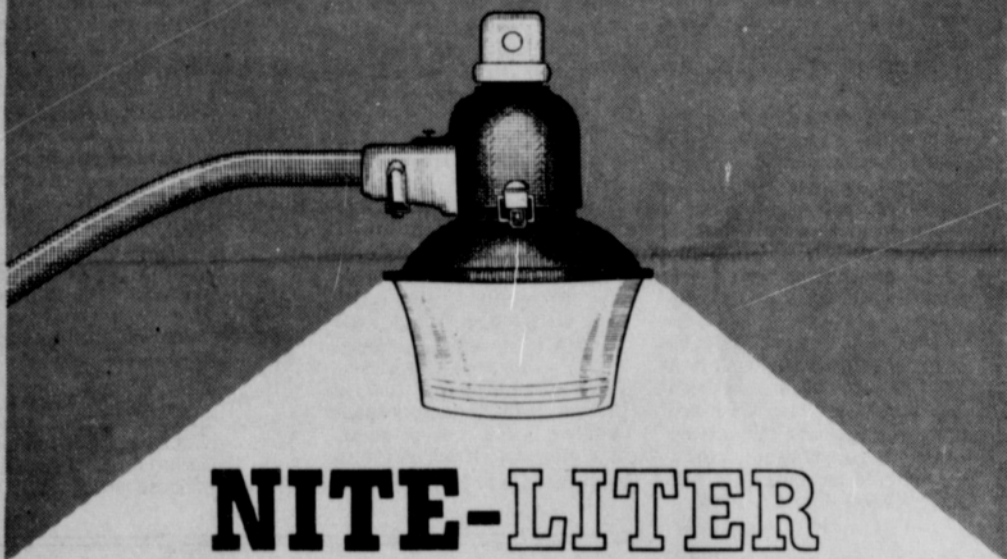

The Christ For All Crusade team presented an assembly Thursday for the Spearman High School students. Mr. and Mrs. Wesley Boyd of Belfast, Ireland, also the musical directors for the crusade gave the program.

Boyd sang Irish folk ballads, accompanied by his wife, Margaret, who later played two piano selections.

Linda Smith, a member of the crusade youth team, introduced the Boyd's.

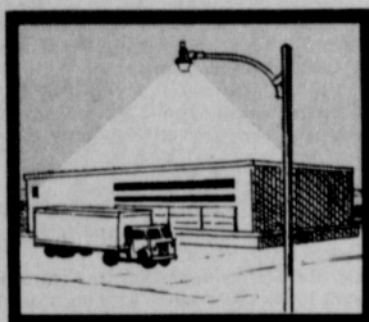

After the inspirational program, Lynn Buzzard, student president of SHS, dismissed the assembly.

FOR PROTECTION AND CONVENIENCE!

NITE-LITER

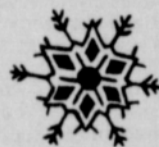

Wide Area Outdoor Lighting
Only \$4⁰⁰ per month

Nite-Liter's mercury vapor lighting unit effectively illuminates an area up to 150 feet away to brighten nighttime activities, add to the attractiveness of your property and keep prowlers at a distance. The Nite-Liter automatically turns on at dusk, off at dawn, to provide nightlong convenience and protection. It's ideal for service stations, drive-ins, farm yards, parking lots, storage yards, private streets and recreation areas. And the \$4.00 per month includes everything — installation on a tall wooden pole, year-around maintenance and the electricity used. Call Community Public soon for your Nite-Liter.

Rites Held For Mrs. O. C. Raney's Son-in-Law

Funeral services were held Nov. 9 in Levelland at the First Baptist Church for George Wilson who passed away Nov. 7.

Mr. Wilson was the son-in-law of Mrs. O.C. Raney of Spearman. He was visiting in the home of his stepson, Jesse DeArmond in Plainview when he passed away.

Burial was in Levelland. He had been a resident of Levelland for 25 years and was a oil field worker.

Survivors are the wife of the home, two stepsons, Jesse and Jack DeArmond of Levelland, two stepdaughters, Mrs. Neil Ground of Amarillo and Mrs. David Smith of Sherman.

Mmes. O.C. Raney, Virgil Floyd and Lura Belle Crawford attended the services.

Bull Sale Announced At Clarendon

"The Rolling Plains Registered Beef Cattle Association will hold its 7th annual bull sale in Clarendon on Dec. 1 at 12:30 p.m. at the fair building.

Walter Britten will auction the 68 bulls offered for sale. These bulls featuring top blood lines, good beef producing records and are good herd bull prospects. There will be 40 herefords, 16 Galloways and 12 Angus bulls in the sale.

The new sales arena is heated and you will be comfortable regardless of the weather. If you wish to come by plane, you can land at the city-county airport, buzz the fair building and a car will meet you.

Those wishing a catalog in advance of the sale can write to H.M. Breedlove, Secretary and Manager, Clarendon.

Crumble a ladyfinger in the bottom of a dessert glass, add ice milk; top with a spoonful low calorie fruit jam as sauce.

THE WAY I SEE IT

Robert Cordes, pastor
Faith & Oslo Lutheran

"GOD FIRST"

"And Jesus said to all, "If any man would come after Me, let him deny himself and take up his cross daily and follow me." (Luke 9:23)

God first? It was thundered from Mt. Sinai straight from the lips of the living God: "Thou shalt have no other gods." God first!

He died at thirty-three. That was young for a man to die. But Jesus knew it had to be done for our salvation. It was God's will. Jesus said, "Thy will, not mine be done." He put God first. Jesus sweat blood thinking of Calvary and the cross, but He denied Himself. He willingly took up His cross for us and died on it. He practiced what He preached. "God first!" He said, with His life and with His death.

It costs to be a disciple. It costs you? When you give God yourself, He leads you to use, lose and find yourself in and for Him. If you are stingy with yourself, you lose your soul. If your soul is lost, lost is everything.

Today there is a cross for you. A Christ-follower takes up His cross daily. Taking up a cross is doing something for God that is not forced upon you. You do it knowing it is God's plan & will and because you are grateful. Sickness is not necessarily God's cross for you. Taking up the cross could be helping a struggling neighbor with some difficult task he can't do along. It might be going out of your way to visit a lonely person. It could be giving up some of your money for a missions offering and de-

nying yourself what you could have bought, God first, A cross daily. It is the Christ way.

What comes before God in your life? What hinders you from studying or reading God's Word or worshipping? Is sleep your god? or recreation? or style and pride? What about working only for a big bank account? or to be the best "party giver"? Or laziness? So many things can keep God and His love and promises from our life. Examine yourself and ask God to help you put Him first in all you do, plan and accomplish.

HAPPY THANKSGIVING

Letter To The Editor

SOMETHING TO THINK
ABOUT for the Youth of
Spearman

The Christ For All Crusade Hour of Decision will soon be for many that of yesterday. Someone, once said: "Upon the plains of hesitation, bleaches the bones of countless millions, who, at the dawn of history, sat down to

wait, and so waiting died!"

Without our Hour of DECISION, the Youth of Spearman have sat not upon the "plains of hesitation". They were in being as one of intrinsic merit, of latent potentialities, and one of kinetic energy. They live within the scientific knowledge, and of the WORD that all things seen are made, controlled, and activated by the UNSEEN...either for good, or for evil.

The Youth of Spearman well know that the Creator of all life and all things, their

Father in Heaven so loved them, so yearning for them, created He them like His likeness, in that, during their apprenticeship here on earth, they may offer their body to Him as a living temple for the Holy Spirit; that they are His children forever within the Kingdom of God through the grace of the Lord Jesus Christ forever after.

The Youth of Spearman have been known, loved, and a bright hope within the life of this writer for twenty years. During all these years,

not one of the Spearman High School graduates have ever been known to be a delinquent. Astonishing? yes, but that IS something to THINK ABOUT....
(name withheld but on file)

LITTLE BOY: "The folks next door must be very poor."
Mother: "Why do you think that, Bobby?"
Bobby: "Oh, because they made so much fuss about the baby swallowing a quarter."

ONCE IN A LIFETIME!

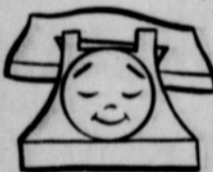

How to make a holiday last all year long

"How often do you call Long Distance to friends or members of the family?"

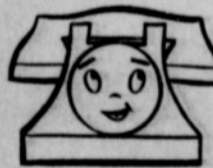

"Well, I expect to make some calls on Thanksgiving and maybe on Christmas."

"Why wait for a holiday or special occasion to call — that's the old fashioned way!"

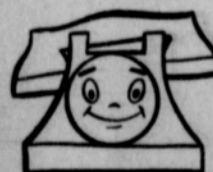

"How come? Is the phone company having a sale just now?"

"No, not that. New low-cost long distance rates are now in effect **all day Sunday** and every night after eight — so now for a dollar or less, you can keep in touch more often."

"Say! That's a good idea! Tonight I'll make some important calls I've been putting off."

"Fine! Thanks to new low rates you can call anywhere in continental U. S.* station-to-station and talk three minutes for \$1.00 or less. This is the big communications bargain — the modern way to keep in touch at all times."

* Except Alaska.

GENERAL TELEPHONE

INSTALL LOCK SEAL FORGET IT!

Lock-Seal is designed to give dependable service.. year after year!

LOCK-SEAL rubber gasket joint irrigation pipe offers many advantages for the farmer, but one thing that LOCK-SEAL users always appreciate is its permanency. Install LOCK-SEAL irrigation pipe and then forget it! It's that dependable! The difference is LOCK-SEAL'S flexible rubber gasket joint. It eliminates expansion, contraction and soil movement problems that may cause trouble for other types of underground pipelines. Over 4000 irrigation farmers have proven that you can count on year after year of trouble-free service when you count on LOCK-SEAL and Gifford-Hill-Western.

Hybrid Vigor Means More Growth Capacity

"Hybrid vigor, or heterosis are terms generally considered synonymous in animal breeding," explains Walter Kruse, who heads up beef cattle research at Texas A&M University's Livestock and Forage Research Center near McGregor. What heterosis or hybrid vigor means is simply "an increased capacity of growth found in crosses between unrelated strains."

Early work at the McGregor Center and other A&M field units show that weaning weights of first-cross calves average 6 percent more than either purebred parent. And when crossbred dams are mated with purebred bulls, the advantage jumps to nearly 19 percent.

Heterosis usually shows itself in traits low in heritability, such as mothering ability, fertility, general vigor, and mature size," said Kruse. Feed lot gain and carcass and meat characteristics are high in heritability and present evidence is that heterosis has little effect on these characteristics. This indicates that traits which can be improved by straight selection within the breeds show the least improvement by crossing.

Hybrid vigor has shown itself in many plants during the last two hundred years, but the concept was probably first definitely recognized with hybrid corn. Close behind came work with hybrid vigor in sorghum breeding and to some extent in poultry. The use of heterosis in practical plant and poultry breeding has surpassed, in most cases, the early predictions and accounts for the profitable and widespread use of hybrids in crops and poultry.

The success of hybrid vigor in other fields has caused beef cattle producers to develop an interest in its advantages and disadvantages. Producers must remember at the outset, however, that the words heterosis or hybrid vigor are not magic, nor are they criminal, notes Kruse. To be effective, before a crossbreeding program is begun, a definite plan to fit management and time available should be outlined.

All schemes of crossing will not produce the same results. In cattle, it appears that wider outcrosses produce more hybrid vigor, but just as each breed has certain characteristics that may be more desirable under certain conditions, so has each cross.

There are several problems associated with crossbred cattle that will require each producer to make his own decision on a breeding program. The one problem of marketing may be the greatest, notes Kruse. Crossbred feeder calves and even slaughter cattle are not always accepted on the market the same as purebreds.

Buying purebred bulls of more than one breed may be inconvenient, is a second problem.

Replacement females may be another problem unless a system of rotation is possible. This problem is minor in poultry or in hybrid corn, since the individual hen or kernel is of much less value than an individual cow or bull.

In summary, explains Kruse, for crossbreeding to be of value, the performance of the cross must be better than the performance of either of the original parent breeds. Other ideas that may be followed include using straight selection as long as improvement is being made, and when and if, a decision is made to start crossing, using unrelated strains for greater advantage. All bulls should be purebred and females pure or crossbred. The last general recommendation includes using only the best performance tested parental stock available.

HANSFORD HOSPITAL NEWS

Patients in Hansford Hospital this week are Jack Kerbo, Marvin Bryan, William Phillips, Vesta Pearl Mulanix, Madge Smith, Jimmie Faye Cooper, Dr. Fred J. Dally, Tacoma Chase, Vera McClellan, Denver Arnold, Walter Shaull, Harry B. Cagle, A.L. Morgan, Preston Scott.

Dismissed were Betty Beck and daughter, Bonnie Pracher, Beverly Pool and son, Connie Martin and daughter, Carolyn Mauldin, Nan Prutsman, Virginia Myers, Ella Cypert, Pauline Blair, Freeman Barkley, Nelva White, Alfred Lemons, Sharon Pugh and daughter, Marilyn Jones, Sharolyn Barkley, Jimmie King, Betty Matheson and daughter, Socorro Polarco and daughter, Escamillo Guadalupe, Rita Cereceres, Mary Jane DeArmond.

THE MOST unfortunate letter in the alphabet, some say, is the letter "E" because it's always out of "cash," in "debt" and never out of "danger." That's all true. Still it's never in "war," always in "peace," and always in something to "eat." It is the beginning of "existence," the commencement of "ease," and the end of "trouble!"

Future Readers of The Plainsman

Mr. and Mrs. Jerry Dean Matheson are the parents of a girl, born Nov. 9 weighing 7 lbs. 2 1/2 oz. She has been named Shari Mae.

Mr. and Mrs. Gary D. Pugh of Perryton are the parents of a daughter, Tami Jo, born Nov. 10, weighing 8 lbs. 14 oz.

Mr. and Mrs. Amado Polarco are the parents of a daughter, Irene Nmi, born Nov. 10, weighing 8 lbs. 9 oz.

Mrs. Denham Is Hostess

The Alma Reed Circle of the WMU met Wednesday morning in the home of Mrs. Don Denham.

Mrs. Don Jones, presided at the business session and also read the prayer calendar. Mrs. A.F. Loftin led the group in the opening prayer.

The program "My Church-Hearing and Obeying" was presented by Mrs. Denham. Assisting her were Mmes. Don Jones, Fred Holt, Luther Berry, Lloyd Gilley and Harmon Boone.

Two workers from the circle will help this week at the crusade. Thursday evening's workers are Beverly Boone and Pat Denham. Next week will be Wren Holt and Edrie Jones.

THE MORSE CODE

MUSTANGS END SEASON

Morse Mustangs wound up their football season Friday night in a district game with Estelline. Although the Mustangs played hard, they were unable to stop the tremendous driving force of the Estelline Bear Cubs and were defeated 74-14.

All in all this has been a most successful year for the Morse team. They wind up with a 6-4 record for the season. Bill Tension, coach, and the boys are to be commended for their efforts and success.

Three boys, Gerald Ray Scribner, Mickey Cook and David Johnson, all seniors, played their last football game for Morse High Friday night.

Basketball will now dominate the scene. The junior high teams have already played one game and the high school girls one game. Tuesday night both the boys and girls high school teams opened their season against Adrian.

MORSE PTA MEETS

An informative program on modern math was presented by faculty members at the Morse PTA meeting Monday night at the school. Johnny Brumley, program chairman, introduced the program by showing a film on the subject "Modern Arithmetic Through Discovery." Faculty members then answered questions posed by the audience.

The PTA voted to sponsor the annual community Christmas tree. Committees were appointed for this event.

The third grade won the room count and will receive a coke party.

Mrs. Bill Tension brought the devotional.

At the conclusion of the program the hospitality chairman Mrs. Frank Lewis, served refreshments in the school cafeteria.

CHRISTMAS PROGRAM

Mrs. Bease Henderson was hostess for the Morse HD club meeting Thursday afternoon.

The program on making Christmas gifts was given by Mrs. O.E. Hext. She demonstrated making several Christmas items and showed some of her craft work.

Present were Mmes, Frank

Lewis, M.W. McCloy, Ella Parks, Tom Dortch, Lela Dortch, Mary Gillispie, O.E. Hext, Jack Johnson, Sr., Ed Hurley and the hostess.

LADIES NIGHT AT LIONS

Morse Lions Club held a ladies night Thursday at the school cafeteria to entertain the district governor, J.W. Robinson of Hereford.

The Radiations, a musical group from Morse and Gruver, entertained for the club. The governor, introduced by the deputy district governor L.M. Womble, spoke to the group following the entertainment.

A drawing was held to select the winners of the gift certificates that the Lions have been selling chances on for about a month. Winner of the men's certificate was Don McCammond with R.L. Uptergrove winning the ladies gift certificate.

The Lions reported a total of \$192 taken in by the selling of chances on these certificates. One certificate was donated by citizens in the community and the other was obtained at a discount, so the club realized a net profit of approximately \$152. This will go toward retirement of the remaining debt against the fire house.

Don McCammond was injured Tuesday when some anhydrous ammonia blew out on his face, burning him quite severely.

Mr. and Mrs. D.M. Womble are in Dallas this week attending the Farm Bureau convention. Moody is a state director in this organization now. Also in attendance from Hansford County and Morse are Willard McCloy and R.C. Womble.

Mrs. Carol Hall went to Altus over the weekend to visit relatives.

Mrs. Charles Reid spent part of the weekend in Dumas visiting her parents, the Bill Carters.

Mrs. Jim Womble has been a patient in the Borg-er hospital for about a week. She returned home the early part of this week where she is still recuperating.

Another community member who has been ill and in the

Hansford Hospital is Mrs. Marvin Mayers. She returned home Thursday afternoon.

Johnny Brumley went to Hedley last week to see his father seriously ill.

Mr. Stevens, father of Mrs. Karr, is a patient in the Borg-er hospital.

Another pioneer, Mrs. Roberta Kelly, 84, of Morse has passed away. Mrs. Kelly served as the postmistress at Morse from 1930 until 1943. Until about a year before her death she was active and interested in all community, school and church events.

Mr. and Mrs. Jim Coffey and Joyce of Barstow, Calif. Stanley Kelly of North Hollywood and the Wayne Kellys of Lubbock came to attend the funeral of their mother and remained for a short visit with the Desmond Kellys and Harold Kelly of Morse.

Mr. and Mrs. Dane Cambern and daughter of Pampa were in Morse Friday for the Kelly funeral. Mrs. Cambern was a former schoolmate of some of the Kelly children.

On Sunday afternoon a lun- laby shower was given for Mrs. Jesse Vera at the Community Building.

Hostesses were Mmes, Charles Hall, Pete Vera and Guillermo Vera.

Morse School will dismiss for the Thanksgiving holidays Wednesday, Nov. 24 at 2 p. m.

Planting Suggestions Given by Specialist

December, January and February is the ideal time for planting bare root trees and shrubs. Planting at this time assures good root development before the top growth commences.

Here are suggestions from Everett Janne, Texas A&M University Extension Landscape horticulturist on how to do the planting job.

Dig the tree pit large enough to receive the roots without bending or breaking; do not cut the roots to fit the hole. Separate the good top soil from the poorer subsoil as the hole is dug. Unless the top soil is extremely poor, it can be mixed with peat moss or well rotted compost and used as backfill. Use two parts of soil to one part of peat moss in preparing the backfill.

It is desirable, he says, to prune back the top growth to compensate for the roots lost in digging and transplanting. Do this by removing about 1/2 of each branch, making the cut to an outside bud. It may be necessary to thin out some of the lateral branches to develop good scaffold branches. By no means should all lower limbs be removed reducing the main stem to a whip. If

a high limbed tree is desired, low limbs can be removed later after the plant is well established. Do not remove more than two lower limbs per year.

Place a mound of the enriched top soil in the bottom of the hole to support the roots of the plant so that when placed in the hole the plant will be at the same level with the soil surface as it was in the nursery. As you fill the hole, work the soil in and around the roots so that there are no air pockets. After hole is 2/3 full, fill with water and allow it to drain away. Then fill the hole with the enriched soil until level with surrounding soil. Using additional soil, build a berm or dam around the outer edge of the hole to aid in watering the first season. This should be removed or spread out after the plant is well established.

Trees over four feet high should be staked the first year to keep them straight. This can be done by driving a wooden stake or iron pipe into the ground about 6 to 8 inches from the trunk in the direction of the prevailing wind. The tree can be tied to the stake with a soft rope or a

wire which has been run through an old piece of hose to protect the bark.

Never mix fertilizer with the soil used in the backfill. Wait until the plant is well established before applying fertilizer, advises the horticulturists.

Has popularity spoiled Chrysler for 1966? Obviously not.

We're easier to deal with than ever.

The '65 Chrysler was the most popular in history. And success like that could make some people complacent. Not Chrysler—as you can see.

The '66 is more beautiful, more powerful, and more tempting than ever. And we're making it easier to own than ever.

In fact, we have our entire Newport series priced just a few dollars a month more than the most popular smaller cars, comparably equipped.

So stop in. Drive one. Price one. Buy one. Like we said, it's easy.

CHRYSLER '66
