## Wolves Stick Lynx In Mud

### Moisture Is Valued At Million or More

Some people have called it a million dollar rain, others say there is no way to put a value on the almost two inches of moisture received in Spearman this week.

The official measurement for the moisture which fell from Tuesday night until midmorning Friday is 1.92 inches.

The weather observer, Mrs. Pat Cates, measured .72 Wednesday morning, .82 Thursday morning, .35 Friday morning, and .02 Saturday morning. The measurements are made at 7 a.m. each day for the preceding 24 hours.

This is the first time Spearman has received over an inch of moisture from one continuous rain since May of 1963. Spearman officially received 1.14 inches of moisture from the 18 inch snow in February of this year.

The largest single measurement of this year was .79. The total moisture for the year is 12.17. Last year we received 13.71.

The moisture by months for this year is: Jan. 0; Feb. 1.14; March 0; April .05; May 2.32; June 2.59; July 2.61; Aug. .35; Sept. 1.14 and Oct. .05.

The 1963 rainfall record as kept by Mrs. Cates is: Jan. .08; Feb. .53; March 0; April .36; May, 7.15; June 1.86; July 2.03; Aug. .36; Sept. .70; Oct. .29; Nov. .20 and Dec. .15; totaling 13.71.

Estimates by grain men on the amount of milo still in the fields range from 25 to 15 percent. They report very little damage to the remaining crop and expect little loss if there are no strong winds before the fields dry enough to let combines back in the fields.

Wheat farmers expect the moisture to put irrigated wheat in grazing condition and bring up dryland wheat which was dusted in.

The protection against wind erosion during the winter months is a big economic factor. Many say that without this rain, there would have been major blowing this winter.

Not a drop of the moisture was lost to run-off. The moisture fell in a slow fine rain and every drop was soaked up.

### Awards Program Held in Morse

The annual Hansford County 4-H Club Achievement Awards Program was held Saturday night in the Morse School Auditorium.

The Gold Star Boy and Girl for the year were honored with other members who have earned awards this year.

Pictures and stories of the program will be in Thursday's issue of The Plainsman.

A sea of mud and big, powerful Dalhart Wolves proved too much for the Spearman Lynx here Friday night as the Wolves powered to an 18-8 win.

The visitors overcame 105 yards in penalties and seven fumbles to grab the victory and second place in the district race.

Spearman's biggest weapon against the bigger Wolves—passing—was lost in the mud and mire of the field. Quarterbacks Johnny Crawford and Dave Clement threw nine passes, completed two and had four intercepted.

Dalhart used their superior size in the line to blast open holes at the tackle positions

### Six Attend Convention

Three couples from Hansford and Ochiltree Counties will attend the annual Texas Farmers Union State Convention in Austin this week.

The delegates are Mr. and Mrs. T. O. Lesly and Mr. and Mrs. Robert Ownbey of Spearman and Mr. and Mrs. Dean Slaughter of Perryton.

The convention will run from Nov. 12 through Nov. 14.

At the convention, Mrs. Ownbey will be one of the persons recognized and presented with a membership achievement award. Mrs. Ownbey was ill last year and was unable to attend the convention in Lubbock to receive the award.

time after time to roll up 242 yards rushing.

Field position played an important part in the game as Danny Bush kept Spearman deep in its own territory with long booming kicks. He averaged 46 yards on four punts. Spearman's Crawford had a 43 yard average on three punts, but most of his came from deep in his own territory and Dalhart took over in good position.

Dalhart got their first touchdown on an exchange of punts. After the first series of plays, Dalhart punted Spearman back to the Lynx 12. Two plays later and Crawford punted from the seven to the Lynx 48. On the second play Phillips Bengé broke from the 43 and went all the way to score. Bobby Cunningham missed the try for the point and Dalhart led 6-0.

Spearman kept the ball most of the time the rest of the first half, but three pass interceptions stopped drives.

After the Dalhart score, the Lynx drove to the Wolf 39 only to have the drive stall on two incomplete passes. Two plays later, Clayton Cochran got the ball back for Spearman by pouncing on a fumble.

Spearman could not penetrate the Wolf defense and punted to the Dalhart 30. Brewster ran it back to the 49. On the first play, Jim Ownbey recovered a Wolf fumble for Spearman.

Spearman again started driving with Morris and Bill Cator driving out yards. At the Wolf 35, Crawford got off a short pass and Rich Bohrer intercepted for Dalhart on the 28, running back to the Dalhart 37.

The Spearman defense forced Dalhart to punt after four plays and the Lynx got the ball

back on Spearman's 23. Again the Lynx started driving with Crawford doing most of the ball lugging.

With time running out, the Lynx went to the air and on the last play of the half, David Moore intercepted a Clement pass on the Dalhart 20.

STATISTICS	
Spearman	Dalhart
8	first downs 10
112	yards rushing 242
39	yards passing 0
4-40	penalties 11-105
3-42	punts 4-46
9-2	passes 2-0
0	pass int. 3
1	fumbles 7
3	fumbles rec. 0

Neither team could mount an offensive in the third quarter as penalties kept both teams in trouble.

Early in the fourth quarter, Dalhart stopped a Spearman gamble on fourth down and started its second scoring drive from the Spearman 45.

Reserve quarterback Burton McIlroy guided the drive as he and Bush powered the ball downfield behind the blocking of tackle Lynn Shultz. Bush scored from the one. Bengé tried to run the extra points and was stopped short.

Spearman came right back for eight points. The Lynx drove 75 yards in nine plays. Clement was working as the man-under and Crawford was running and passing for the yards.

Spearman's two pass completions of the night came in this drive. Crawford completed a nine yarder to Leroy Callaway, then Crawford, Morris, Clement and Shufeldt muddled the ball to the Dal-

hart 30. End Larry Butts raced to the two where Crawford hit him with a high pass between two defenders. Butts leaped high to take the ball and then scampered into the end zone. Ken Shufeldt followed Morris, Crawford and Cochran on a power sweep for the two points; the wingback bulled over the last yard.

Spearman tried an onside kick, but Dalhart got the ball at midfield. Spearman drew a 15-yard penalty for piling on, on the kickoff and the Wolves had the ball on the Lynx 25 with a first down.

It took them five plays to score. Bush carried on all five plays and scored from five yards out. There was a fumble in the Dalhart backfield and the try for two points failed.

Spearman tried to throw the ball out of bounds to stop the clock after the kickoff, but time ran out.

Lynx middle defenders, Mike Babbs, Lynn Buzzard and Richard Smith kept the pressure on the Wolf quarterbacks and centers, causing numerous fumbles on bad passes from center. Smith recovered the third Dalhart fumble that Spearman got during the game.

Reserve fullback Bill Cator had the best rushing average against the Wolves. He carried six times for 25 yards before leaving the game with a turned ankle. Wingback Ken Shufeldt had nine in two carries.

Morris and Crawford were the busiest backs. Morris had 15 yards in 12 carries and Crawford had 44 in 14 carries. Cochran gained 14 yards on six tries and Clement scrambled for five yards on an attempted pass play.

**Legion Meet In Gruver**

All World War I veterans will be honored at a dinner at the Fifth Zone meeting of the American Legion in the Memorial Building in Gruver, Tuesday, Nov. 10, 7:30 p.m. The Sullivan R. Spivey Post No. 154 of Hansford County will be the hosts for the meeting.

Legion members and Auxiliary members from Legion posts in Follett, Darrouzett, Booker, Perryton, Canadian, Dalhart and Gruver will attend the meeting.

The Gruver auxiliary will serve the dinner.

All veterans of World War I, whether members of the Legion or not, are invited. Also, their wives, daughters and granddaughters are invited.

The Legion post is sending invitations to all veterans, but any veteran not receiving an invitation is asked to attend.

**Greatest Opportunities In Professional Fields**

Occupational outlooks for the years ahead have been projected by specialists with the J.S. Department of Labor.

Their findings should be of special interest to young people who must soon choose careers, and to their parents, says Mrs. Wanda B. Meyer, Extension specialist in home management.

For the next decade--at least--greatest increases in demand will be for people in professional and technical fields--in jobs that generally require at least a bachelor's degree from college.

Also needed will be more skilled craftsmen, clerical and sales workers, service workers, people for management jobs. There will be only moderate increases in semi-skilled jobs, few increases in unskilled jobs, a decline in farm jobs.

Outlooks in some specific fields, as indicated by Labor Department studies, are:

Engineers will continue to be in strong demand, with greatest gains in chemical, electrical and mechanical engineering. The strongest demand will be for those with advanced degrees for research and teaching jobs.

Physicians, dentists and nurses will be needed in growing numbers, along with more medical technologists, dietitians and therapists.

Teachers will find sharp increases in job openings, with

demand heavy for science, mathematics and industrial-art teachers. There'll be a need for many more school counselors.

Also in demand will be mathematicians, economists, sociologists, historians, welfare workers, accountants, graduates in business administration and programmers for electronic-computer operations.

Only moderate numbers of job opportunities are expected in the printing and machinist trades. The outlook in law is for keen competition. Musicians, actors, singers and dancers will find their fields overcrowded, according to the job projection.

**Seminar Set For Nurses**

A seminar on Nursing Care of the Patient with Cardiovascular Disease will be held Saturday, Nov. 14 in the Ballroom, Student Union Building, West Texas University at Canyon. Nurses of District #2 are sponsors. All nurses are urged to attend this informative session. Preregistration is required. Please mail registration fee of \$2.50 to Mrs. Virginia Seyfried, 1109 Smiley, Amarillo before Nov. 10.

**Weight Control Program On Program Topic Korea Given For W.M.U.**

The Happy Homes Demonstration Club met Thursday, Nov. 5 in the home of Mrs. Oscar Mullins.

Linda Webb, Home Demonstration Agent, gave the program on Weight Control.

Attending were Meses. Fred Groves, Harold Groves, James Roy Patterson, Bernard Barnes, W.E. Sparks, Charlie West, James Cummings, Fendorf Schubert, and the agent, Miss Linda Webb and the hostess.

In Russia they have a TV in every hotel room--only it watches you.

Some sales prospects are misers because they let the rest of the world go by.

Some people never hit the mark because they never pull the trigger.

The WMU of the First Baptist Church met Wednesday morning for a business meeting and Royal Service program.

Mrs. Ray Devers, president, presided at the business meeting. Betty Fancher read the minutes and reports were given by the treasurer, nominating committee, prayer chairman and stewardship chairman.

The Prayer calendar was read by Edric Jones.

The program "Korea Ready for Religious Change" was introduced by Roena Day and various parts were given by Frances Kligore, Addie Novak, Pat Denham, Donna Helms and Gowanda Golightly. Betty Fancher played the Korean National for the group and Roena Day concluded the program.

# Judge Boyer Denies New Trial Motion

A motion for a new trial for Jackie Lee Day was denied here Thursday afternoon by District Judge Max Boyer.

After denying the motion Judge Boyer sentenced Day to 30 years in prison for the murder of Harold Cook.

A jury of four women and eight men had found Day guilty of murder with malice aforethought in the shotgun slaying of Harold Cook.

Defense attorney T. D. Sansing based his request for a new trial on statements made in the jury room by members of the jury when they were deliberating the sentence.

Attorney Sansing said these statements constituted jury misconduct. The attorney said the statements concerning the sentence for Day made by jury members constituted misconduct.

Judge Boyer, after listening to the arguments of the defense, refused the request on grounds that the statements did not introduce new evidence in the case.

After Day was sentenced, his attorney gave notice of an appeal to the Court of Criminal Appeals of Texas.

In another case Judge Boyer revoked the probation of Wayne Brooks of Borger. He has been convicted of a burglary at the drive in theater

Home, to the small boy, is merely a filling station.

here. He is to serve three years. His sentence is to run concurrent with sentences in Hutchinson County for other burglaries.

## FB Delegates At Convention

A group of Hansford County Farm Bureau members are in Houston for the annual Texas Farm Bureau Convention in Houston Rice Hotel.

Delegates from Hansford County are Mr. and Mrs. Robert Novak, Mr. and Mrs. Elmo Dahl and Mr. and Mrs. Bill Johnson. Woodville Jarvis is attending the convention as an observer.

Moody Womble of Morse has been in Houston for the past week attending the pre-convention planning and resolution committee meetings. Womble is the District I director.

# Formal Initiation Held For Rho Rho Pledges

Rho Rho Chapter of Beta Sigma Phi held formal initiation services Tuesday evening in the home of Barbara Schnell.

Initiated as pledges of the chapter were Deloris Guthrie, Verna Strawn, Judy Martin, Janet Hutto, Beverly Sparks, Jeanette Allen and Mary Parris.

Special guest for the evening was Gertrude Jones, first president of Rho Rho Chapter in 1954-55. Mrs. Jones' daughter, Mary Parris, was among the pledges initiated, thus becoming the first daughter of a member to pledge Beta Sigma Phi in Spearman.

Members of Rho Rho Chapter were Jane Meek and Lucile Lewis.

The initiation services were followed by a supper catered by Sutphen's of Berger in the Hospitality Room of the First State Bank.

Decorations carried out the sorority colors of black and gold with a centerpiece of yellow roses, the sorority flower.

Following the meal, various games were played.

Attending were Jane Meek, Joan Crawford, Day McClellan, Linda Davis, Gertrude Jones, Marva Hohertz, Donna Conrey, Beverly Sparks and Messrs. and Mmes. Edward Dear, Jim Fox, Bob Parris, Bill Strawn, Bobby

Nollner, Louis Schnell, Joel Lee Lackey, Eddie Healer, Jett Mason, Don Floyd, Lawton Guthrie, David Hutto, Ray Martin, Dee Allen, Winfred Lewis and John Henry.

## Missionary Will Speak to Baptists

Jerry Key, missionary to Brazil from Perryton, will speak at both the morning and evening services at the First Baptist Church Sunday, November 8.

COME TO ME — Linebacker Jim Ownbey prepared a hearty welcome for Wolf quarterback Burton McIlroy in the closing minutes of the game Friday night. Johnny Crawford climbs over a blocker to help.

## Archer Rites Held Friday

Funeral services for Joseph Daniel Archer, 82, of Quanah were conducted at 2 p.m. Friday in the Chillicothe Church of Christ.

Mr. Archer was a retired rancher, father of Earl Archer of Spearman and a brother of Mrs. Annie Sheets of Spearman.

Services were conducted by Charles Milner, minister of the Spearman Church of Christ and W. Baze, minister of the Chillicothe Church of Christ.

Masonic graveside rites were conducted in the Chillicothe Cemetery with burial under the direction of Ward Funeral Home of Chillicothe.

Mr. Archer was born in Evant. He married Ruby Cole, April 26, 1918 in Amarillo. He was a member of the Masonic Lodge, the Chapter and the Council, and the Order of the Eastern Star.

Besides his wife and the Spearman relatives, he is survived by another son, John, of Shamrock; a daughter, Mrs. Eldred Travis of Amarillo; brothers, S. B. Archer of Amarillo, Judge Ray Archer and Roy C. Archer of Austin and Ben B. Archer of Sunray.

## Miss Cheryl Kay Locke Is Bride of Cecil R. Rains

The Presbyterian Church was the scene of the recent wedding of Cheryl Kay Locke, daughter of Mr. and Mrs. Laird V. Locke, and Cecil Raymond Rains, son of Mr. and Mrs. Cecil C. Rains of Stillwater, Okla. The Rev. Everett Cain read the double ring ceremony Saturday evening, Oct. 31.

Mrs. Max Baggerly, organist, played traditional wedding music and accompanied soloist Noreen Sutton.

Miss Cynthia Rains, sister of the groom, was maid of honor and Peter Rauf of Stillwater was best man. Mike Howsley of Arlington, cousin of the bride, and Sammy Rains of Stillwater, brother of the groom, were ushers. Harvey Locke, brother of the bride, and Randy Rains, brother of the groom, were candlelighters.

Given in marriage by her father, the bride wore a white satin dress with matching shoes and a white satin pearl hat with a shoulder length veil. She wore a pearl necklace and carried a white Bible topped with a white carnation bouquet.

A reception was held in the church following the ceremony. Miss Madeline Stone of Gruver and Miss Nancy Chick of Spearman served wedding cake and punch to the guests. The couple will make their

home in Medicine Lodge, Kans. where the groom is employed by Skelly Oil.

## Group Attends Pampa School

The Order of the Eastern Star held their annual School of Instruction in the Masonic Hall in Pampa Thursday.

Lometa Sparks, Mary Brock and Deta Blodgett participated in the school and Don and Nina Hendricks, John R. and Marjorie Collard, Preston and Thelma Scott, Betty Uptergrove, Joyce Lackey, Wanda Brown, Mary Brown, Ceril Batton, Virus Wilbanks, Hazel Wilbanks and Minnie Jones were among the approximately 300 persons registered for the school.

Mrs. Don Hendricks visited last weekend in Grand Prairie with her daughter and family, Mr. and Mrs. Ronnie Bullard.

Former Alabama football players Cotton Clark and Carlton Rankin are with the Gadsden Raiders of the Southern Professional League.

# Union Church SH.S. Officials Plan Sets Revival Higher Education Night

A four day revival meeting will be conducted in the Spearman Union Church beginning Nov. 11.

The meeting will be conducted by the Hunt Rudin Evangelistic Party through Nov. 15.

Church officials said this group was here in January and the church is happy to have them return.

Sharon Close and David Wol-lard of Waco, both freshmen from WT, were here visiting over the weekend with her parents, Mr. and Mrs. Floyd Close and D'Anda.

Higher Education Night at Spearman High School will be held at 7 p.m., Nov. 10 in the school auditorium.

Representatives from 11 different colleges, trade and business schools will be there to talk to interested parents and students.

These representatives will discuss cost and financial help for going to school, the kind of school one should attend, advantages of attending colleges, trade schools and business schools, the type courses offered in different schools and how hard is some of the trade to learn.

Parents and students in grades 9-12 are invited to attend this meeting. Also parents from all surrounding schools are invited to attend the meeting and talk to the representatives.

Larry Elms, President of the

West Texas State University Student Body will challenge the students to pursue higher education. After his talk, the meeting will break up into group discussions with representatives.

Schools invited to attend include Panhandle A&M, West Texas State, Texas A&M, Lubbock Christian College, Wayland Baptist College, Oklahoma State University, Central Business College, Draughon's Business College, Oklahoma State Tech-Vocational School, Pampa College of Hair Dressing and Frank Phillips Jr. College.

## Notice

Interested persons can still begin square dance lessons Monday night at 7:15 at the Community Building according to Jimmy Shieldknight. Others should come for their lessons at 8:00.

Even a tombstone will say good things about a guy when he's down.

### All for That Rap

MEMPHIS — The headquarters of a national motel chain received this letter recently:

"Dear Friends: I don't know why I keep getting this motel bill. If you check at the Lan-

caster County Prison, Lancaster, Pa., you will find I was there at the time. I was never in the name of your motels."

The matter was dropped.

New Hampshire has more than 1,400 lakes and ponds. Most were formed during the Ice Age.

—The 116 victories amassed by the 1906 Chicago Cubs stand as the major league record for most wins in one season. The Cubs that year finished 20 games ahead of the runner-up New York Giants.

It was not the greatest margin in the league. The Pirates of 1897 won 103 games and finished 27½ games ahead of the second-place Brooklyn Dodgers.

## Suggestions Are Made For Winterizing Cars

AUSTIN, TEX.—"Winterizing" your car now is an investment that will pay off in big dividends during the coming months of cold weather hazards, J. O. Musisk, general manager of the Texas Safety Association, said this week.

"Today's inspection is tomorrow's protection," he said. "The car owner who neglects his preventive maintenance duties eventually finds himself in trouble—stranded far from a service station, stalled in heavy traffic, or involved in an accident."

The safety director made the following recommendations for getting cars ready for safe and convenient winter driving.

Anti-freeze—Have it tested or put in before the first freeze. Check the cooling system for leaks, and follow manufacturer's recom-

ommendation for flushing.

Tune-up—Temperature and humidity changes alter engine performance. A winter tune-up will help starts and prevent stalls.

Battery—Cold weather greatly lowers battery power, so have it tested, and charged or replaced if necessary. A new battery is cheaper than frequent service calls.

Brakes — Brakes should be checked and adjusted before bad weather begins. Have them relined if necessary. They need all the help they can get in winter.

Muffler—Fumes from a faulty muffler or exhaust pipe can kill you, especially in "windows-up" weather. Have muffler and pipes checked for leaks.

Windshield—Make sure your defroster can clear away ice and fog. Wipers should work without streaking. Washers must have the proper antifreeze or you can blind yourself with a sheet of ice.

Lights — All lights, including including brake and directional signals, should be in top condition for winter's long period of darkness. Clean your lights frequently.

Seat Belts—Winter or summer, seat belts in use are a sign of a smart driver. Research studies show the use of seat belts can save lives and prevent or minimize injuries in case of an accident.

Tires—You need good tread to get a bite on snow and ice. Snow tires, unless they are too worn, grip better than regular tires.

Always do right. This will gratify some people, and will astonish the rest.

No reason for doing it is good reason for not doing it.
