Lynx win

The Spearman Lynx defeated Guymon 12-10 at Guymon Friday night, in a sure-enough outstanding football game. The Lynx, playing with all of their players except one, looked like a "new" and different football team.

Guymon jumped into an early lead on a field goal, which was set up by a fumble. The Tigers came back in the second qtr. to run 96 yards for a Touchdown, and make it look like a "run away" for the fine Okla. team.

However, down 10-0, the Lynx took to the air, and won the game. Their first touchdown came on a 68 yard effort with 6:08 left in the first half. 55 of these yards came on a pass from Edwards to Newton. Edwards then hit Whitaker from the 10 for the TD. Edwards completed 4 of 9 passes for 90 yards the first half. Oklahoma rules on interference were so different from Texas rules we aren't sure really how many passes were completed. In the second half Spearman took control of the game notching 8 first downs to only 3 for Guymon. And, all 3 of Guymons were set up on penalties.

Trailing 10 - 6, Zane Newton fired a 39 yard option pass to Scott Martin to win the ball game 12-10. The Lynx scored another TD that was called back, and Martinez and Newton misses two tries for extra points, and one field goal. In the last minute of play, the Lynx had pushed the Tigers back to the 7 yard line, and had recovered the ball on a fumble, giving them another scoring opportunity. All in all it was the best team performance for the Lynx in years. The entire team was "different" from any game they have played this year. Coach Smith and his Lynx have "jelled" just in time for the district action. The Lynx will host River Road this Friday at Spearman!

Graham Hill attends Spearman Freshmen JV games

Not many teams can boast the attendance of a Governor Candidates son at their game. But, the Spearman Freshmen and Junior Varsity set a record Friday evening, as Graham Hill brought his entire campaign group along with local campaigners Peggy Archer and Altha Fisher to watch the Lynx and Dalhart teams in action.

In the 8th grade game, the Freshmen lost a much better game, than the score indicated. In the first quarter, the Dalhart Freshmen came out with "Joe the Toe" who kicked a perfect field goal, to give the Wolves a 3-0 lead. In the second quarter, the Wolves completed a 30 yard touchdown in the fading seconds of the first half. Highlight of the first half for the Lynx was a blocked punt by Scott Bullard.

Trailing 9-0 in the third quarter, Collingworth, Tindell and Brach came out and began running like "wildfire" only to have their good gains nullified by penalties. The Freshmen were penalized 15 times for probably some kind of new record, this definitely was a factor in the game loss.

In the 4th quarter, "Joe the Toe" from Dalhart kicked an un-believable 32 yard field goal, to ice the win for the Wolves, 12-0.

Dalhart JV win 20-0

The Dalhart JV won a hard-fought battle at Lynx stadium Thursday evening, 20-0. Dalhart scored from the 10 yard line on an end-around play, with 6:40 left in the first quarter. They passed for the try after touchdown, to take a 8-0 lead. The Wolves came back in the first quarter to add 6 more from the 4 yard line, and take a 14-0 halftime lead. They added another TD in the second half to win the game 20-0.

The JV played well, and it was learned that some 9 Junior players from the Wolf varsity participated in the game, because Dalhart was idle this week. Actually, the JV could have won the game if the regular Dalhart JV had been playing. Outstanding offensive play was featured by Rocky Randall, David West, Quarterback Paul and Collingworth.

Team members are: Brad Guthrie, David Hall, David West, Jeff Countiss, Wayne Meek, Steve Shields, Pat Steele, Mike Goff, Hunter Novak, Kenneth Brown, Mike Blanton, Greg Odegarde, David Pearson, Kurt Spoonmore, Kevin Russell, Jamie Bulls, Phil Paul, Cary Collinsworth, Rocky Randall, Philip Lazeno, Bill Cope, Ronnie Clark, and John Weakley.

The Spearman School board met in regular meeting Tuesday night, with all members present. The board purchased a new Chevrolet from Excel Chevrolet, of Spearman. Low bidder. Center Plans Finance Drive

Golden Spread Center funds are getting at a low ebb because of all the expenses connected with the remodeling projects that are going on at the Center. Frances Loftin, finance chair person, announced today that there will be a Sustaining Membership Drive beginning on Monday, October 16. Other members of the finance committee are Bob Boxwell and Lenis Simpson.

Every business in Spearman will be contacted by members of the finance committee. Sustaining memberships for a business are \$50. Sustaining memberships for an individual are \$25.

If by any chance, one of the members of the finance committee should miss someone, the money may be sent to the Golden Spread Center, Box 817, Spearman, Texas 79081. Any person is eligible to become a sustaining member. This is one way that a person can assure a good program for all senior citizens in the Spearman area. Golden Spread Center is a building located at Haney and Keneth. It is also a comprehensive, caring program for all people, age 55 or older, without discrimination as to sex, race, religion, national origin, ethnic background, or political affiliation.

Gas project is finished!

The city of Spearman can be "extremely proud" of their gas project, started some months ago, which included replacing gas-leaking lines, and laying new lines in the city. City manager Lenis Simpson stated that the project is finished, and in time for cold weather this year. This will save a bunch of money for the city, as most all gas losses have been stopped.

In other business at the city meeting this week, Vicki Bullard was appointed to the planning and zoning board; Troy Sloan was re-appointed to the zoning Board of Adjustments.

Bids were asked for a new patrol car, and a computer lease system used by the city. Bills were paid, and meeting was adjourned.

BILL CLEMENTS WILL CUT TAXES AND GOVERNMENT SPENDING

Texas was built by men with the vision to look ahead and the grit to get things done. Bill Clements is the man to keep this tradition alive for the future of Texas.

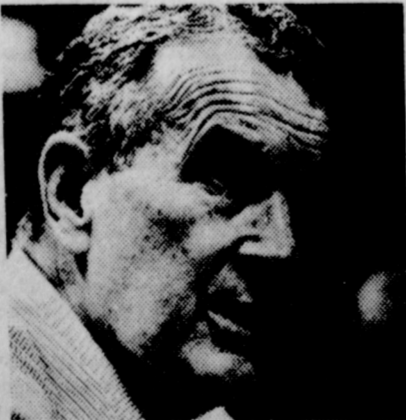

Bill Clements will bring a strong, fresh and tough approach to our government in Austin. He is a businessman, not a politician.

Bill Clements started with nothing and built a successful, worldwide company with hard work and the skill to manage men and money. And now Bill Clements wants to preserve the future of our state and he wants the working people of Texas to have the same opportunities he had.

With his proposed "Taxpayers' Bill of Rights," Bill Clements is committed to protecting Texans from excessive taxation and runaway government spending. He is pledged to cutting taxes and returning that money directly to the taxpayers.

As former Chairman of the Southern Methodist University Board of Governors, Bill Clements knows how to make education in Texas the best in the Nation. He's for discipline in the classroom and "back to basics" quality education.

As the son and grandson of farmers, Bill Clements knows the frustrations that an indifferent government can cause people who make their living off the land. He will use the strength of the State Government to fight burdensome Federal restrictions.

"I believe that Texas has always had more promise than problems,

but the balance is more delicate each year. We need to get to work now."

The ladies enjoyed a noon luncheon. After the luncheon the ladies had their business meeting. The Annual Thanksgiving Dinner will be held November 16 at the Union Church. The meal will be served from 11:30 a.m. until they run out of food. The adult tickets are \$3.50, children tickets are \$1.50 and children under six are free.

The menu will consist of turkey, dressing, gravy, sweet potatoes, Irish potatoes, pea salad, jello salad, green beans, cranberry sauce, hot rolls, tea, coffee and three kinds of pie (pumpkin, cherry, and apple).

The ladies also packed clothes to send to the Indians. Members present were Mmes. Bell Crawford, Mae Floyd, Lena Beeson, Janice Riley, Betty Graves, Patsy Burress, Ermal Pond, Lola Smith, Sherry Shields, Carolyn McCleod, Carol Stumpf, Carla Riggins, Wanda Burke, Doris Jean Pipkin and one guest, Mrs. Judy Nelson.

Bruce Stinson Is Improving

Bruce Stinson of Waka, who was hurt Sept. 9 in an electrical wire accident at Canadian, is still in Parkland Hospital Burn Center in Dallas. He has had four major skin grafting operations. He had extensive burns on the left side of his face, neck, shoulder, arm and chest area. His left middle finger and right thumb were amputated.

He is in a ward room now after being in the intensive care unit for two weeks. He is weak but improving.

Bruce is a junior at Spearman High School. Bruce and his parents, Mr. and Mrs. Lesley Stinson, Waka, want to thank the many people that have called, sent cards and prayed for his recovery. Also for the donations to his Medical Fund.

Bruce would appreciate cards. His address is Bruce Stinson, Parkland Hospital, Room 554 5th, Floor Burn Center, Dallas, Texas 75235.

The First Presbyterian Church retains a sensitivity to people. Members care for those who have made confession and communion, and for many more. They care for the families of families and "to all who are far off" (Acts 2:39). They care for the whole of Spearman.

Wouldn't you like to become a part of such a caring fellowship?

Three Spearman ladies attended a meeting in Amarillo Wednesday October 11 of the Women's Presbyterian Churches of Area I. This Area covers the Panhandle to Tulsa. The meeting was held in the First Presbyterian Church of Amarillo.

The speaker was Mrs. Joe Turner from Pampa, wife of the Presbyterian minister in Pampa. She spoke on her recent trip to Cuba. Following her talk there was a question and answer period.

The group enjoyed a lovely noon luncheon and special entertainment by the Tascosa High School Choir. There were seven couples who sang and

Clarence A. Langford

Teaching Sessions Planned

Clarence A. "CAL" Langford will be at the Believer's Cottage Thursday, Friday and Saturday, Oct. 26, 27 and 28 for a teaching session. Hours of the sessions will be 1:30 p.m. and 7:30 p.m. each day.

Langford was born and raised in Texas and after his marriage in 1961 moved to Pine Bluff, Ark. He and his family attended several Southern Baptist Churches there, and one day he walked the aisle of one of those churches and made a mental commitment to the Lord. He and his wife both became very active in this church, holding several offices, but could not see any reality of what the Bible said, and what the church was living. Langford says "I was looking at man instead of God, and went back to the world and

stayed there for the next seven years. During these seven years my marriage was all but destroyed. My family was falling apart, and I was only concerned about one thing, and that was to live the worst kind of life that I could."

"Then in July of 1971, while my family and I were vacationing in northern Arkansas, we met this dear Methodist family that had something that I had never seen before. THE LOVE OF JESUS. They loved me in spite of all the vile language and evil behavior. For over three years these people loved me and ministered to me, and in September of 1974 I knelt down and asked the Lord Jesus Christ to come into my heart and by my Lord and Savior. And he did, Praise God!

"After receiving Jesus as Savior and Lord of my life, I knew immediately that God had a call upon my life for ministry. So in 1976 both my wife and I enrolled in Rhema Bible Training Center in Tulsa, Okla. We began school in September of 1976 and graduated in May, 1977. The Lord then sent us to Amarillo to fill the office of Associate Pastor of Maranatha Fellowship. God has called me as a teacher of His Word, and during this year I have been trained of the Lord to feel the heartbeat of His Church. I believe that the Lord is now ready to send me into the full-time teaching ministry that I know He has called me to do."

You are cordially invited to attend any or all of these services at the Believer's Cottage, Oct. 26, 27 and 28.

Jamie's Jabber

by Jamie Morley
Today Spearman High School had a visiting foreign exchange student, Maria Zea is visiting us from Cali, Columbia, she's a foreign exchange student living with Mr. Newell's sister in Granite, Okla. Maria is a senior at Granite Okla. She is 17 years of age. Maria has already graduated from Cali. Maria came to the United States on Sept. 1st. She landed in Miami Fla., with a group of 85 exchange students from Cali, Columbia. The group separated and went to different areas of U.S. Maria went to Granite

Okla. Maria is quoted to have said, "She likes US and thinks that coming here is the most important thing ever to have happened to her in her life. She thinks that the US is pretty and she likes the people." All this was interpreted to me by Debbie Padilla. Spanish is Maria's native language. Maria came to the US to learn our language and our history.

She said that our school system was a lot different than hers: they start school at 7 a.m. and get out at 2 p.m. They have a snack bar, they don't eat lunch till after school. They attend school from 7 till 10 and then they have a 30 min. break to go the snack bar or rest. She also said that their school was very formal. Considering what she saw today anything would be formal. Today was organization picture day, so we were on alternate and lots of students were running up and down the halls to get to their pictures.

When Maria leaves she is going to take a exchange student with her to Columbia for 3 months. I think that that would be a super experience for whoever goes with Maria. One

of the things that Maria mentioned was that "Texas was flat! Where Columbia has mountains."

October 11 the officers from both chapters of FHA met so we could practice for the installation of officers for 78-79 year.

The installation of the officers will be Monday, October 16, at 7:30 p.m. There will be a guest speaker, Judy Wilson, for the March of Dimes. She will have slides to show and her show will start at approximately at 8:00 p.m.

The officers will get there at about 7:00 p.m. to practice once more. You see we want to get it down perfect. Eight girls are going to light the candles for each of the eight purposes of being an officer! Alicia Garcia, Mary McIntyre, Linda Garcia, Yolanda Deluna, and Suzy Steele are five that we had Wednesday. The parents of the officers are invited to come. The male officers are going to wear their best looking suits. The female officers will wear their Sunday best.

On Oct. 31, Tuesday, officers, that can make it, are invited to the Area meeting over at Perry-

ton. There will be officers from other cities, like Canadian, Pampa, and so forth. The meeting will be an encounter workshop. Mrs. King and Mrs. Hudson will both go. Mrs. King is the Little Sister Chapter's Sponsor and Mrs. Hudson is the Senior Sister Chapter's Sponsor. The officers will leave after school and be back about 8:30 p.m. What a coincidence, that meeting is going to take place four days after the big, most-talked-about rival in Dalhart 1-AA; the Spearman-Perryton District game.

Wanda Brown and her heart-fund turkey walk has been the sensation of the year as far as a successful publicity campaign. It never ceases to amaze me what these gals can do, when they "get after" a project. Of course it takes the cooperation of everyone to make it work, and believe-u-me, we are getting the cooperation!

I would like to enter Max Banks in the turkey walk, and wish he could get his New Mexico project done, so he could spend more time here at home. I hope that someone informs Max that the big money will be on him, to win the turkey walk if he finds time to enter.

Once again we had a successful broom sale in Spearman. The sale totaled some \$3500.00, and the Lions Club gets to keep one-fourth of this money, and the rest goes to the Lighthouse for the Blind. This is a worthy project, and the people of Spearman are to be commended for making this the best sale ever. This is the first broom sale that Roy Jones ever missed, he told me. He is having to work, or would have been available. Gerald Henrich did a good job with the sale, and it set a new record. All of us at the Lions Club would like to thank the Rotary Club members who purchased brooms and helped us so much with the sale. Without the Rotary purchases, we could not make the sale the big success that it is.

Ab Abston, and Jamie Morley did all of the selling on Barkley street, and I drove the pickup, belonging to Woodrow Gibner. I had the easy job, and was just getting over the mocus. I sure would like to get Ab and Jamie to help me sell advertising, those two really get the job done!

The weather is getting just right for golfing and fishing in the Panhandle. You will not have to worry about burning-up in October and November. When will we have our first frost? It should be around the 17th of October, I think that is our average frost date. All of you people in trailer houses, be sure and winterize your trailers. And, don't forget to check your anti-freeze in your car. It's that time of the year.

Remember the old saying, "it is better to be a live dog, than a dead lion!" And, the Lions Club is waking-up and getting in the lime light of things!

The Glaucoma Clinic held last week was a big success. I made pictures at the clinic, & didn't get my eyes tested. However, Monday of this week, or rather Thursday, I had Doc Steger order me some new glasses, and I failed the Glaucoma test. He asked me if I had been sick lately, and I told him I was near death right this moment, with the mocus. He told me to come back next week and have them re-checked. It seems that if you have the mocus, even your eyes are affected, And, believe you me, I agree with him. However, I had my eyes checked for Glaucoma about 1 year ago, and failed the test Thursday. This is how important it is for all of you to have this test run. I'm rich and good looking and thought I was in perfect health, but couldn't even pass the Glaucoma test! What a revolting development. Will let you know next week if I pass or not.

Claude Newell, plans to enter the Turkey walk, with his two dogs. He is going to enter Two-Two and Candy, and betting 1 to 10 that he can beat Buzzard in the race.

Faye's Daze

What a beautiful week this has been weather wise. I have heard several good comments on the "Hello Dolly" musical presented by the high school drama and choir classes Saturday night. Our congratulations to the cast, to choir director, Travis Angel, and speech director, Rebecca Booth and to Charlotte Angel, musician. I am sorry I missed it.

There are several interesting things coming up entertainment wise here in the next couple of weeks.

The Chamber of Commerce Fun Breakfast will be held Thursday, Oct. 19 at the County Barn, also a circus is coming to town, Oct. 23, plus the annual Halloween Carnival which is scheduled for Oct. 28 at the county barn.

Another event coming up is Mr. Lee McClellan's 90th birthday. The children of Mr. McClellan are having an open house at Martin's Steak Garden, Saturday, Oct. 28 from 2 to 4 p.m. to help him celebrate. He is probably the finest gentleman

it has ever been my privilege to know. My first recollections of Mr. McClellan were at Sunday School and Church when I was a child. He was the superintendent of the Sunday School from many years and I can remember watching him come into the church and post the attendance and offerings after Sunday School. He has probably done more for Spearman and Hansford County than any other individual, living or dead. I know first hand of the long hours he worked along with my father, Edgar Womble, who was mayor of Spearman in the 1940's. Hobbs Heard and Leo Dacus in trying to get the City of Spearman out of debt. I doubt if there has been a worthy cause in Spearman that Mr. McClellan has not contributed either time or money too. Be sure and drop by and wish him a Happy Birthday.

I had an all too short visit with J.T. and Nadine Hitt, old friends of mine, this week. They were in Spearman Monday, enroute to Colorado deer hunting. It was good to see them again. Nadine and I lived next door to each other, started to

school together and I might add finished school in Spearman together.

Also enjoyed a weekend visit from my son and his wife. We spend a quiet day at home visiting, watching football and eating. We all had a hand in the cooking. Art cooked the steaks, Karen found a recipe for Quiche Lorraine that she wanted to make, and I made a pumpkin pie, etc. Needless to say, we were stuffed before the day was over.

Another interesting event coming up is the "Turkey Walk" which is planned for Nov. 5 by American Heart Association Volunteers in Hansford County. Mrs. John Brown, publicity chairman, is doing a great job and it sounds like it will be fun for young and old.

conference, when they beat them 31 to 10. The game ended on a bad note for the Oklahoma fans, as their quarterback, Thomas Lott, sprained his ankle and will be out for at least two weeks.

Turning to the pro-ranks, our Dallas Cowboys proved that their offense could get them back on the winning track, as they beat the New York Giants for the eighth straight time by a score of 24 to 3. Tony the Thrill Hill caught two touchdowns passes from Roger Stauback and B.J. DuPree caught the other one. Unfortunately there was one bad note to the ball game, as Doug Pearson is now on the disabled list.

In other football news, it was Oakland over Houston 21 to 17. Tampa Bay beat Kansas City 30 to 13. The Washington Redskins were almost upset by the Detroit Lions, which I wish they had been. The score was 21 to 19. San Diego beat Denver 23 to 0. The most important thing is that Craig Morton went 0 for 7 with one interception and Denver's troubles didn't really get much better as they lost Norris Weese to a knee injury. As I previously reported, this brings

up the interesting question, "who will start, Morton or Penrose?" We'll find out Monday night when Denver will meet the Chicago Bears on the Monday night NFL game of the week. Speaking of the bears, they lost to those surprising Green Bay Packers by the score of 24 to 14.

Now turning to the World Series. As you know fans, on Tuesday night, the Dodgers surprised the Yankees by the score of 11 to 5. The offense was provided by left fielder, Dusty Baker, with a home run in the bottom half of the second inning. Later on in the same inning, there was still more offense as Davey Lopez hit a two run shot to put the Dodgers ahead 3 to 0. In the fourth inning, Lopez hit a three run shot which game him five r.b.i.'s. The Yankees had a homerun of their own as that controversial superstar Reggie Jackson hit an eight measure shot into the Yankee's bullpen. The Yankees went on to score four more runs but this wasn't enough as the first game of the series went to the Dodgers who I predict will win the World Series for 1978.

Ninth Annual Art Show Set

The Ninth Annual Art, Craft and Antique show sponsored by the Dahlia Flower Club of Spearman will be held at the Hansford County Library on Saturday and Sunday, Nov. 4th and 5th.

People of Hansford County and surrounding areas are urged to bring their displays. This will be an excellent opportunity for artists, craftsmen, antique and other collectors to show their handwork and collections.

All rules of the Library concerning the use of the building will be observed. One of these rules is that the library is to receive 10 percent of the proceeds of any article sold. All exhibits must be in place by 11 a.m. Saturday, Nov. 4 and removed by 6 p.m. Sunday, Nov. 5. Displays may be set up Friday afternoon from 2 to 5

Insurance Corner

CAR VS KIDS

It's a chilling fact that more children are killed by accidents than by all the major childhood diseases combined. The combination of cars and kids is a dangerous one causing many of these accidents - usually serious ones. That makes it vital to observe the following safety precautions. After all, it could mean your child's life.

Rigidly enforce rules prohibiting young children from playing in streets, running out from between parked cars and crossing at un-guarded intersections.

Don't allow children to play in, around or under parked cars. Before getting in your car to back out of your driveway or parking spot, check carefully that all is clear behind you.

In the car, always buckle children into seat belts and remember that they'll be safest riding in the back seat. Never leave a child alone in a car - it's easier than you think to disengage the brake or start the engine.

SPECIAL APOLOGY TO MRS. GARNER

We want to apologize to Mrs. Alva Garner, who has friends in Oklahoma. It seems our article about "Oklahoma turkeys in the turkey walk contest upset Alva. And we sure didn't mean to do that. Mrs. Garner is one of the hardest working ladies in the area. She is responsible for so many successful civic enterprises in this area, we can't even list all of them. We meant no harm.

The editor...

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

. . . because he knows our taxpayers need relief from inflation.
