HANDSTAND— Linebacker Jim Ownbey (85) is apparently doing a handstand as Johnny Crawford (11) comes up with an interception as he falls out of bounds. Ownbey had just taken a dive over a blocker as Crawford grabbed the ball as it bounced off the shoulder pad of a Shamrock receiver Friday night. Shamrock went on to win 14-6.

Irish Surprise Lynx In Season Finale

Spearman's Lynx found a bunch of hopped-up Irishmen waiting for them Friday night in Shamrock and before the Lynx could get out of the buzz-saw they had been chopped up 14-6.

It was really "Friday the Thirteenth" for the Lynx; nothing seemed to go right for them. They fumbled three times, either killing a drive or giving up the ball in good field position for the Irish.

The vaunted Lynx passing attack never materialized as there were only three completions of 14 passes. Halfback Mike Morris threw two of the incomple-

The bright spot in a rather dismal evening for the Lynx was the running of halfback Ken Shufeldt. The long-striding runner who has power gears and speed gears, rushed for 127 yards in 17 carries for a 7.5 average on each carry.

Spearman stayed in the Irish end of the field practically all of the first half, but could never put together a scoring drive.

Spearman forced Shamrock to give up the ball on a short punt after the Irish had run seven plays. Shufeldt and Morris hot-footed the ball back into Irish territory and there the drive died.

Morris got seven, then Shufeldt blasted off for 20 and Morris came back with four more. A pass fell incomplete and then on fourth and needing one, Crawford dropped back in deep punt formation, but tossed a short pass over the line to Shufeldt who raced 15 yards. Morris got two yards between two incomplete passes and the Lynx gave up the ball.

Spearman got the ball at the Irish 48 and Shufeldt immediately rammed it back to the 34 on a 16 yard gallop. Two running plays and two incomplete passes gained nothing and Spearman gave up the ball again.

The Lynx got another chance late in the second quarter when Crawford made a diving interception of a Shamrock pass that had bounced on the shoulder pad of Irishman Billy Don Rives

at the Irish 46.

Shufeldt carried three times for 16 yards. The runs were mixed between three incomplete passes. Crawford lost the ball on the Irish 39 and Rodney Vaughn recovered for Shamrock.

The injury jinx that hit Mike Morris last year in Shamrock came back to strike again on opening kickoff of the second half.

He took the kickoff on the Lynx 30 and rammed it back up the middle. He got away from all but two tacklers who wrapped him hard on the Irish 38. He received a severe rib bruise on the tackle. Guard Larry Babbs who sprung Morris at the Lynx 40 with a good block, was also hurt on the play. Babbs was dazed and had to sit out a few plays. Morris was slowed the rest of the night.

A piling penalty against the Irish on the first play put the Lynx to the Shamrock 24 and then Shufeldt rammed it to the 19. There Crawford again found the ball eluding his grasp and Shamrock recovered.

It took Shamrock 12 plays and two penalties against Spearman of five and 15 yards, for the Irish to score. Louis Davis carried on nine of the plays. He scored from the Lynx two. The Irish made the extra points but a backfield-in-motion penalty wiped the play out and the Lynx rose up to stop the second try.

Spearman shook off their complacent attitude and quickly put six points on the board. They drove 63 yards in seven plays.

Morse Celebrates Homecoming With Victory Over Estelline

The Morse Mustangs presented a large Homecoming crowd a big gift Friday night, the second football victory of the season and the second one in four years.

Quarterback Allen McCloy engineered the Mustangs to a 20-20 scoreboard tie with the Estelline Bear Cubs, but Morse won on first downs, 15-11. Both teams had four penetrations.

Trailing 14-7 at halftime, the Mustangs came back to tie the game with touchdowns in the third and fourth quarters.

Estelline scored in each of the first three quarters.

McCloy put Morse on the scoreboard in the second quarter with a three yard run and then passed to Eddie Papay for the important two extra points.

In the third quarter, Estelline widened the lead on a 42 yard pass. Estelline tried to kick the point and missed.

The passing combination of McCloy to Papay clicked on a 40 yard play for a touchdown, but the run for points failed. In the final period McCloy scored on a one-yard run and again the extra point try failed.

At the half, Morse crowned an Alumni Queen, Mrs. Frank Womble of Dalhart. She was crowned by Willard McCloy. Mrs. Womble is a member of the class of 1931 and one of the first graduates of Morse High. McCloy is a member of the class of 1938.

Miss Elaine Schick, a sophomore, was crowned Football Queen. She was crowned by

Miss Sylvia Parks, last year's Queen. Miss Schick was escorted by Eddie Papay and Miss Parks was escorted by Student Body President David Johnson.

Attendants and their escorts were Patricia Henderson and Bill McCloy and Susan Dixon and Gerald Scribner.

Church bells rang for one hour after the game in celebration of the homecoming game.

Texas Draft Quota Down

AUSTIN--The state draft quota for December calls for 280 men, compared to 307 for November, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

The state quota of 280 for December is the Texas share of a national call for 7,800 men, all for the Army.

The state Selective Service director also announced that state draft boards will forward around 2,360 males for Army mental-physical examinations in December, 1,235 of whom will be 18-year-olds.

These tests for 18-year-olds are the result of President Johnson's action early this year which ordered the Director of Selective Service and

the Secretary of Defense to examine all newly-registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for armed forces service at this time. Normally, draft for service is about age 22.

The 18-year-olds who fail the Army's mental examination will be referred by draft board letters to local offices of the Texas Employment Commission.

Youths who get the letters are under no compulsion to visit the TEC offices, but may go if they feel the government can benefit them.

The December quotas already have been figured and sent to the state's 137 local boards.

set up the touchdown. Crawford passed to Larry Butts for 10 yards to give the Lynx a first at midfield on the second play of the drive.

Then Shufeldt took off across country. He broke around the left side and after he ran out of blockers, he outran the Irish to the Shamrock 12 where the last man managed to get enough of his shirt to send him out of bounds.

Crawford moved four yards, then Shufeldt got three more. Crawford went to the air and hit Leroy Callaway at the one. Callaway had fallen trying to elude defenders and caught the ball sitting on the ground. Crawford moved to halfback and rammed the ball over from the six-inch line.

The Lynx forward wall which had leaked badly during the night, again could not contain the Irish defense and Crawford was tripped short of the two points.

Davis came back strong for the Irish just as the quarter was

ending and gave the Irish a first down on the Lynx 12 with a 38 yard dash.

Three plays later, the Irish were at the five and needing only two yards for a first on fourth down. Davis tried the middle and was met hard by Richard Smith and Jim Ownbey.

The Irish were short of a first down by two inches.

Spearman had another scoring chance midway of the fourth quarter when Ownbey and Cochran blocked a Jessie Terry punt on the Lynx 20. Shufeldt was stopped twice for a loss and

Crawford missed on one pass, then was dropped on the 25 while trying to pass. Shamrock then took off on the winning touchdown drive.

Davis, Terry and quarterback Dicky Reeves marched the ball downfield in big bites. Reeves completed one pass to Terry for 19 yards in the drive.

Reeves scored from the 20 on a run pass option. He then passed to Rives for the extra points to make the score 14-6.

Spearman got the ball in midfield when Shamrock tried an on-side kick. Then a 15 yard penalty gave the Lynx a first down on the 35 with just over a minute to play.

Butts caught the first pass at the Irish 10 but the official ruled he was out of bounds. Then three more throws were incomplete and Shamrock took over and ran out the clock.

The loss left Spearman with a 7-3 season record and a 3-3 district record. The Irish ended the season with a 5-5 record and a district record of 2-4 with wins over Boys Ranch and Spearman.

Two Rural Accidents Investigated in October

There were two rural accidents in Hansford County during the month of October according to Sergeant W. J. McLean, Highway Patrol Supervisor of this area.

From these crashes one person was injured and an economic loss due to property damage amounted to \$1,950. Summarizing rural traffic

accidents from January through October of 1964, the picture shows eight wrecks, one dead, five persons injured and \$7,145 in property damage.

We are heading into the winter months! Our vehicles need winterizing. But in the words of the Patrol Supervisor, "Don't winterize your car alone--Winterize your driving too."

Get the jump on bad weather by having your vehicle safety inspected by an authorized garage to assure its good performance in the months ahead. Then check to see that antifreeze, snow tires or tire chains, and ice scrapers are handy, for "Today's inspection is tomorrow's protection."

We cannot regulate the weather but we can regulate our driving. The Sergeant suggests in snow and ice to:

- (1) SLOW DOWN and leave more SPACE between cars.
- (2) KEEP WINDOWS Clear--turn on LIGHTS to help others.
- (3) EXTRA SLOW on turns, intersections, crest of hills.
- (4) When BRAKING, pump to avoid locking wheels in skid. If skidding, turn wheel in direction of skid, don't slam on brakes, slow down easily.

er for the touchdown. He failed in his try for two points and Spearman had a 6-0 lead.

Stratford came right back and tied the game, but it was the last time they were to see the double stripe until near the end of the game.

Team fullback Jerry Holton put Spearman back in the lead with a 19 yard scamper and halfback Danny Robinson added the points.

Just a few minutes later Robinson hit into the line, bounced off a couple of tacklers and found the track clear ahead as he ripped off 55 yards for a score. Quarterback James Schnell added the two extra points.

Steve Drake got the next score on a five yard run and Schnell passed to Drake for the extra two points.

Holton stacked up the next touchdown on a two yard blast over left tackle. Schnell made the two points, but they were rubbed out by a penalty. The second try failed and Spearman led 36-12.

Schnell and Drake teamed upon another touchdown. This pass and run play covered 50 yards. The try for points failed.

The final touchdown was on an interception by Harley Reeves. He intercepted a Stratford pass and ran it back 60 yards for a score. Holton got the extra points to make the score 50-12.

Stratford had picked up a second touchdown on a pass play in the fourth period.

This win gave the B-team a record of five wins and three losses. They beat Stratford twice, lost to Boys Ranch, Phillips, and Stinnett. They later beat Stinnett.

Football Season Closes For B-Team And Freshmen With Victory Over Elks

Spearman B and Freshmen teams closed out their regular season Friday night by combining forces to rip the Stratford B team 50-12 at Lynx field.

The two teams operated as individual units most of the night, with occasional sub-

stitutions from the other units.

The freshman unit got the first touchdown after the B team had stopped a Stratford threat that drove to the Lynx 20 after the Elks took the opening kick-off.

Spearman got the ball on a recovered fumble in the Elk

end of the field and freshman quarterback Charles Shieldknight wasted little time getting the first touchdown.

He passed to Steve Drake for 15 yards and he raced to the one before being pulled down from behind.
