

# The Motley County News.

MATADOR, MOTLEY COUNTY, TEXAS. THURSDAY, MAY 14, 1925

NUMBER 11.

## WEEK FOR GRADUATES

This week has indeed been a busy one for Matador. To start with, the Baccalaureate services for the graduating class of the Matador High School were held Sunday evening at the Baptist Church. The evening of the graduating exercises of the High School consisted of 31 members presented in a play, entitled "A College Day", consisting of three acts, and the Cozy Theatre. The play was filled to overflowing and several were turned away. The play was directed by Miss Doolen, Expression and the teacher in the school. The play was put on in a splendid manner, and Miss Doolen is to be commended for her ability as an actress. Tuesday night the Commencement exercises were held in the High School Auditorium, and a splendid program was rendered. Wednesday night the Seventh Grade presented their play "Abracadabra" at the Cozy Theatre, which was highly enjoyable and pleasing to all who witnessed it, and tonight the Commencement exercises for the Senior Class will be held at the High School Auditorium and the gathering of the friends and relatives of the graduating class is expected to be present. This has been a pretty busy week for the graduates of the Matador High School. Matador's Schools are the pride of Matador, Texas, and in a short time this old town is going to make a whole lot of 'em and take note.

A. A. Spear, Superintendent of the Whiteflat school was transacting business in our city on Tuesday of this week. While in town he made it a point to call on the News office to get acquainted with the editor.

A. A. Carlock is here from Paducah. He is accompanied by his wife, Carlock. Carlock is the director of the Paducah Post, and is noted for his fine voice, (as is his wife) and plays in the orchestra band—Star-Telegram.

The editor drove over to the Paducah last Saturday night, spending Saturday night Sunday with Mrs. Mitchell and the children, who are staying with Mrs. Mitchell's mother, Mrs. T. Smith.

## CHICAGO ROUNDUP

Here's an item that will interest Texas cowboys and cowgirls. It concerns the Roundup and World's Championship Rodeo which is to be held in Chicago August 15 to 23.

Thirty thousand dollars in cash purses is to be offered. This in addition to the world's championship titles, belts and trophies will go to the victors of the "Chicago Roundup", which is to be held in the Grant Park Stadium under the auspices of the Chicago Association of Commerce.

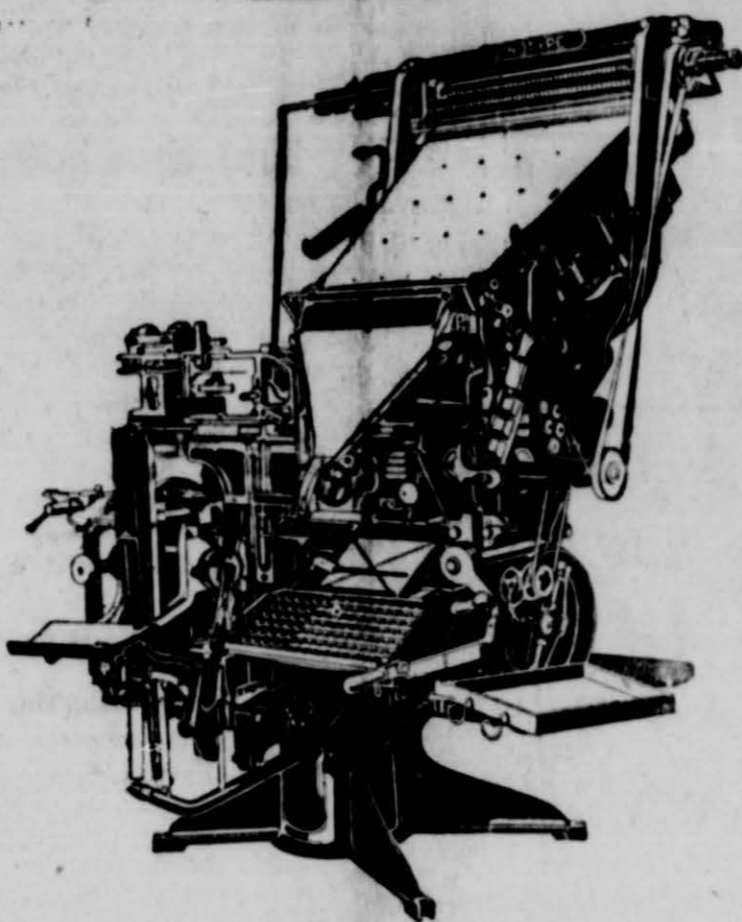

The 'Roundup' marks Chicago's debut as the radio capital of America. Cheyenne and Pendleton have been the two great rodeo centers of the country; hereafter there will be three, with plans laid to make Chicago the greatest of all. Chicago, the original and biggest cowboy town, is assured of the cream of rodeo talent.

There will be none of the "circus" atmosphere about the "Chicago Roundup", it is announced. No performers need apply. It is a free-for-all and open to the world, and Texas boys and girls who really think they are good will never have a better chance to prove it. Entries already have been received from "busters and doggers" who will compete in the Wyoming and Oregon tournaments, and the challenge has gone out to Canada, Mexico, Argentine and Australia. Previous winners of championship titles are being notified of the Chicago event and those who fail to defend them will automatically forfeit their claims to these honors to the winners of this contest who will be the undisputed world's champions.

The program of the "Chicago Roundup" covers all the customary branches of the contest and the purses offered are alluring to cowboys and cowgirls alike. Following are the purses: \$1,300 for bronk riding; \$4,300 for steer wrestling; \$1,375 for calf roping; \$2,400 for fancy roping; \$400 for cowboy tricks and fancy riding; \$2,300 for cowboys relay race; \$2,300 for cowgirls relay race; \$2,000 for cowgirls trick and fancy riding; \$2,000 for cowgirls bronk riding; \$1,800 for wild horse race with saddle; \$900 for steer riding and \$900 for bare back bronk riding.

Raymond Casey, who has been on the sick list for the past week, and also attending the singing school at Whiteflat, has again resumed his duties at the Simpson Drug Store.

## OUR NEW LINOTYPE MACHINE IS NOW INSTALLED

With a great deal of satisfaction we wish to announce the installation of our new Linotype. This mechanical marvel qualifies us to serve efficiently the large number of persons who look to our publication for enlightenment and who patronize our job-printing department.

The rapidly advancements of our town calls for such improvements and it is also our desire to place at the command of our advertisers the highest grade of typography.

Our new Linotype enables us to set by machine many forms of composition that previously necessitated tedious work by hand. Our plant is now capable of turning out composition consisting of correct type faces in many different sizes, and the change from one size to another is made very quickly. At a high rate of speed the versatile operator—whose hand is made famous by the Mergenthaler Linotype Company as "the hand that keeps the world informed"—produces line after line of the sort of composition desired.

This installation is a testimonial to the prosperity of Matador and vicinity, and that the good people of the community are duly appreciative of our efforts to serve them in all departments of the printing business is manifested

by the many compliments received from individual patrons since the arrival of our new machine.

The accompanying illustration will give our readers some idea of the marvelous mechanism of the Linotype composing machine on which are assembled matrices (or little brass molds) and lines of type cast—lines such as you are now reading.

Besides enabling the operator to set various faces and sizes of type, our new Linotype makes it possible for him to produce the rules and dashes and borders which are used in various advertisements in each issue of our publication. When employed in the composing of advertisements, newspaper headings, booklets, catalogues, and various other kind of printed matter, our new machine enables one operator to set in the same time more type than ordinarily could be produced by five of six men or women doing the work by hand—and the composition is incomparably better.

While for a long time this paper has received the patronage of a host of subscribers, advertisers, and printing buyers in general, we look forward to the handling of an even greater volume of business now that we are so well qualified to render the sort of service that the people desire.

Georgia Oxier, of Dalhart is spending the week in the C. P. Waybourne home.

Mrs. Jimmie Garner and Miss Grace Mae Garner, of Turkey spent Sunday in the C. B. Waybourne home.

Misses Fannie Kate and Johnnie Groves, who are teaching school near Spur, spent the week end with home folks here.

W. D. Starcher and wife of Spur was in our city Saturday.

Mr. and Mrs. J. H. Sample moved into their new home on south Main Street the latter part of last week.

Miss Ora Dean come in last week from Anson, where she had been teaching school.

Mrs. Maude Dean has moved into her new home on the south side of town.

Those who attended the West Texas Chamber of Commerce Convention, which convened at Mineral Wells last week report a great time.

The people of Matador stick together mighty well on all propositions, especially on improvements, such as beautifying and adorning the town. This we are glad to note and are willing to do any thing we can to assist along that line.

Through some mistake in our church notes last week we had the Methodist church as having 108 in attendance at Sunday School. The report should have read 180. This is indeed a good record and we are glad to make the correction.

L. O. Wingo, of Flomot was a county seat visitor yesterday.

W. R. Patrick of Flomot was looking after business here Monday.

Mr. and Mrs. J. K. Givins, and Miss Ora Givins, of Childress, spent the week end in the B. F. Moore home.

Miss Ophelia Tilson was taken to the Floydada Sanitarium Tuesday where she underwent an operation for appendicitis.

Rev. J. C. Johnson, of this city, Rev. Vinson of Roaring Springs, and J. O. Gidwell, left last week for Memphis, Tenn. to attend the Southern Baptist Convention.

A. M. Bourland, was taken to the Floydada Sanitarium Tuesday for an operation.

Mr. and Mrs. Raymond Cudd, of Artesia, New Mexico, are visiting with relatives here.

Orville Derrickson, has been quite sick the fore part of this week.

## DISTRICT COURT IN SESSION

District Judge J. H. Milan opened District Court here Monday morning of this week. The Grand Jury was called and organized Monday morning. The Peti Jury was organized Tuesday morning. The case of A. J. Cooper vs C. A. Thomas was brought up Tuesday morning. The murder charge against A. J. Goggett, of Cottle county is set for trial next Monday morning.

## MISSIONARY SOCIETY MEETS

The Irene Eldredge Missionary Society met with Mrs. Elmer Jameson last Wednesday afternoon from 3 until 5 p. m. for a voice program.

A very interesting program was rendered, and Mrs. Paul Patton joined our society as a new member.

At a late hour delicious refreshments consisting of doughnuts, Fruit Salads and Ice Tea were served to the following:

- Mesdames:  
Henry Ford.  
Paul Patton.  
T. E. Williams.  
T. B. Smallwood.  
Fred Simpson.  
U. L. Willie.  
Philip Groves.  
John Russell.  
Marvin Patton.  
Tex Litteral and the Hostess.

## OBITUARY

Fannie Bass was born April 19, 1850, in the state of Arkansas, died at the home of her son A. B. Groves, May 6th, 1925, at Matador, Texas, age 75 years and 17 days. At the age of 4 years she moved with her parents to Eastern Texas, where she resided until her marriage. She was united in marriage October 19th, 1871 to Noble Groves, who preceded her about 10 years ago. To this union were born five boys, J. A. Groves, A. B. Groves, N. W. Groves and R. L. Groves of this vicinity. She was converted and united with the Baptist Church at the age of 15 years, and continued in that faith until her death. She leaves to mourn her death five sons and a number of other relatives and friends. Funeral services were conducted at the Baptist Church, this city, Rev. T. Z. Cogle officiating. Interment was made in the Roaring Springs cemetery.

## FIGHTING IN FRANCE

The greatest picture of all history, "Fighting in France", will be shown at the Cozy Theatre in this city, Friday and Saturday nights of this week. This picture is without question the most remarkable ever filmed. It includes actual photographs from actual operations on the front lines, taken by the brave camera men of the U. S. Signal Corps. The picture is so clear that you can recognize your son, brother, husband, sweetheart, or even your self fighting for the stars and stripes. Every man, woman and child should see this picture. Don't forget the dates, Friday and Saturday nights, May 15th and 16th, and be sure to attend.

## BACCALAUAREATE

The Baccalaureate Services for the Matador High School were held at the Baptist Church Sunday morning May 10th. Rev. G. F. Hardy delivered one of the best sermons ever addressed to a graduating class in the town of Matador. The house was filled to overflowing with the class friends of the graduates and others who gathered to witness the joyful occasion. Matador folks have always shown their interest in such things and with each succeeding year the school interest in the town naturally increases. May the Matador school grow bigger and better in the wish of our people and the patrons of the school.

## PICNIC

Mrs. E. E. Jamison was hostess at a picnic last Tuesday evening in honor of Elmer's birthday. Outdoor games were played and greatly enjoyed.

At a late hour delicious refreshments were served to: Misses Evelyn Doolen, Grace Pirtle, Dora Jamison and Messrs Louis Williams and Northington a salesman. Mr. and Mrs. Carl Sanders, E. E. and Elmer Gen Jameson and the hostess.

## MURPHEY — STEPHENS

Willie Marie Murphey and Hr. Leslie Earl Stephens were united in marriage, May 6th, at the Methodist parsonage. Rev. Smallwood officiating.

## 'The Power of Money Rightfully Used

Money is a power for good only when it is used properly and productively.

It can be either a blessing to the community, or a constant source of misery to its owner.

Every dollar that is kept from circulation; that is denied the right to help others, through deposit in the bank, retards the progress of the community.

Put your idle dollars in the bank.

POZZLE OF WHY

**MOTLEY COUNTY NEWS**

GROVER C. MITCHELL, Editor and Publisher.  
Published Thursday each week.  
Subscription Rates: \$1.50—Semi-Annually in Advance.

Entered as second class matter May 25, 1915, at the post office, Matador, Texas, under act of Congress, March 3, 1879.

Four Weeks Constitute an Advertising Month. Where advertisements are inserted and no instructions given same will be run until ordered out and charged for accordingly.

**THE AMERICAN CREED**

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to protect its flag; and to defend it against all enemies."

Lincoln said the Lord loved common people because He made so many of them. Could he say the same about the Ford cars.

The old-fashioned man who waited an hour in the parlor while his girl dressed, now has a son who parks at the curb with his thumb on the horn.

When it comes to good looking girls Matador has the world beat, and there are a lot of them too. The great trouble is that there is a shortage of boys. Matador is a mighty good place for young fellows to locate.

A real building boom has hit the city of Matador. There are several new and modern homes now under construction, and contracts are being let every day for more. At the rate we are now going Matador will soon develop into a real little city.

It is our intention as soon as possible to increase the size of the News to a six page paper. If the good people of this section will bare with us until such time, we are sure they will be repaid in the way of service that we expect to render.

We have always heard that rains were few and far between in this section of West Texas. However there must be some mistake to it, as it has rained most every day that we have been here. Things are looking mighty good here at present and we would bet on a bumper crop this fall.

Amarillo has been designated as the place for the 1926 West Texas Chamber of Commerce convention. Amarillo is a real little city, and it is our opinion that a real show will be put on at that place next year. The West Texas Chamber of Commerce is growing each year, and its honors must fall to the larger towns from now on in order to accommodate the large crowds.

Motley County is now comprised of thousands of acres of ranch land that will eventually be cut up in to farming tracts. The soil is of a sandy nature and is very productive, and in our estimation too valuable to be used for large ranch purposes. We firmly believe that within the next few years that every tillable acre in Motley county will be under cultivation.

The Motley County News changed hands the first of May, Editor Ward having sold to Mr. Mitchell who hails from Oklahoma and was engaged in the newspaper game in that state for a number of years. We are sure that Editor Mitchell will like Matador and the Matador people, and that he will find the field everything he expects of it. Editor Ward announces that he will continue in the newspaper game, but will be connected with some large paper on the editorial staff. This is a work that he is well qualified to do.

**COUCH RETURNS**

Have been in athletic show, the best in America for the past few weeks. Jumped down to Amarillo Monday night and got an arm broke in a bout with the Russian Lion. Referee was slow in giving him plenty of time to break my arm after I had given up. In fact I ask him to give the fall to the Lion 6 times and the referee did not move until my arm snapped. If I had not been over confident the hold would never have been rotten on me. I figured there were two falls to go even if I lost the first and was not bothered, but did not count on the dirty play. All I have to say is when my arm gets well for all of them to look out, for I can beat them in 3 minutes, and I will do it, audience or no audience. And every time I get a chance to cripple a man I am going to do it.

**CHICKEN DINNER**

The Methodist women will serve Chicken Sandwiches and pie at the Legion Hall, Saturday, May 16th, beginning at 11 a. m. A chicken and vegetable dinner will also be served in the same building Monday, May 18th.

**CARD OF THANKS**

We wish to thank the good people of this vicinity for their kind assistance and respect shown during the sickness and death of our beloved Mother, Mrs. Fannie A. Groves.

Groves Bros and Families.

**Ice Ice Ice**

I have been out on a shipment of ice that I am selling to the retail trade at 80c per hundred pounds.

**ORDINANCE**

An ordinance entitled an ordinance prohibiting chickens and other fowls from running at large within the corporate limits of the City of Matador prescribing a penalty for the violation thereof and declaring an emergency. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MATA-DOR.

That hereafter it shall be unlawful for the owner or custodians of any chicken or chickens or other fowls of any description to permit or allow them to run at large within the corporate limits of the city of Matador. Any person or persons violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction in any court of competent jurisdiction shall be fined in any sum not less than \$5.00 nor more than \$100.00 and each day that such fowls are enumerated above shall be permitted to run at large in violation of this ordinance shall be deemed to be a separate offense.

The fact that there is no ordinance prohibiting fowls from depre-dating upon the flowers, garden and yards of the property owners within the city of Matador creates an emergency and an impera-ive public necessity that the constitutional rule to be read on three several days be suspended and this ordinance shall take effect and be in full force on and after its passage and publication and said rule is hereby suspended and so it is enacted, Passed the 4th day of May 1925.

Attest: E. A. NOLTE B. M. SIDDUTH Secretary Mayor of Matador.

**Save Time and Labor**  
Here is a two-row lister cultivator that is simple and practical in construction. It is built to cultivate two rows at a time as well as you have been accustomed to doing singly with a one-one cultivator. This saving in labor is worth considering, it means money in the pocket of every farmer using these full-capacity, labor-saving tools. We believe that once you see the McCormic Deering P & O Two Row Lister Cultivator, and realize the quantity and quality of work it will do you'll agree with us that you cannot afford to be without at least one such tool on your farm. Our display of modern machines includes a "Two-Row." We'd like to have an opportunity to show it to you and to point out in detail the features that will mean so much to you in length of service good work and full capacity. Drop in at the store next time you're in town.  
**Leonard Crowell**  
**GENERAL MERCHANDISE**  
Flomot, Texas

**No Increase in the Price of Firestone FULL-SIZE GUM-DIPPED BALLOONS**

The extra quality built in by the extra process of Gum-Dipping, the economy of these wonderful tires and the added mileage obtained from them during the past two years, has created such a large demand that over 75% of Firestone's mammoth production is now Balloon Gum-Dipped Cords.

This has greatly increased the total sales volume and the huge Firestone factories are now working on a 24-hour schedule to supply the demand.

This large volume, produced under the most economical tire manufacturing methods, permits Firestone to sell these extra-process Full-Size Balloons at no extra cost to car owners. And this in the face of greatly advanced cost for crude rubber brought about by the operation of the British Rubber Restriction Act.

Gum-Dipping means longer mileage—greater economy—at no extra cost to you! Enjoy the safety, economy and comfort of Balloon Gum-Dipped Cords this summer. Let us equip your car now at low cost—with liberal allowance for your old tires.

Mr. and Mrs. B. F. Turner, of Plomot was looking after business here Tuesday of this week.

Miss Sue Carrie Alley, of Gail, Texas, is visiting her grand-parents, Mr. and Mrs. D. C. Keith.

Randall Withworth, was visiting in Amarillo the first part of the week.

Mrs. Lizzie Clements is having a beautiful home built on Commerce Street.

Where is there a town anywhere in the country that puts on a better appearance than Matador. Business and resident property is being improved, and there is a wholesome look about things which make a fellow glad to be living here.

### Destroyed By A Windstorm.

Supposed it were your home! Suppose your money were tied up in property that had been smashed to bits by a bad blow. Be prepared!

Carry windstorm insurance; carry enough of it and be sure that your policy is written in a dependable company.

This agency of the Hartford Fire Insurance Company will see that you are protected against wind-storm losses. Call, write or phone today.

E. A. NOLTE, Agent

Matador Texas.

### Car Registrations Show

there are nearly twice as many Buicks in service today as any other make of car selling at \$1,000 and above

MATADOR BUICK COMPANY, Dealer
