TRAIL DUST

By DOUGLAS MEADOR

Styles in stupidity are designed for the individual personality, however I feel that I have talent that becomes any model.

Drifting farther into the harbor of years, the man bailed out the problems of life from the leaking, rudderless boat that had once moved rapidly under the white sails of his ambitions. He looked often at the receding shore of youth from which he had embarked with a song in his heart and destiny in his strong hands. Somewhere on the course he tasted the opium of lassitude and the thick veil of procrastination. Now the sails have become stained rags flapping in the wind; a small bobbing boat drifts toward eternity.

Perhaps my character is not sufficiently strong to withstand the strain that wealth would place on it but I would like to try its resilient qualities after the crash.

When a man is in love to the extent that his appetite is affected he may be courting indigestion that frequently garnishes a young bride's cooking.

Slender as an aspen, the girl possessed the kind of beauty that endures time. She walked with the effortless grace of a dove on wing, and spoke softly with a musical quality in her voice. She knew many suitors who placed their hearts at her feet but there was no desperation in her life and they went away, one by one. Her eyes seemed always to be searching the corridors of dreams. One day she visited the bedside of an injured man who had once befriended her and read to him from a book of classic poems. She returned again the following day and brought flowers for his table and learned that he would never walk again. Her visits became frequent and regular until a new light shone from her eyes. The curious speculated when they were married, without knowing the mercy in her heart. Strong loves, like great trees, often spring from impoverished soil.

Men and women remain children who have become awkward, and are entertained or rendered unhappy by different toys.

If we could bottle water at the spring of time the concessionaire would receive complaint from some customers unless his product could be kept chilled until used.

Every man at the wheel of his automobile is a little king. He commands a power over distance and a secret dignity for his dreams that ancient rulers would have given their empires to possess. He owns dominion of the road and is obliged to pay homage only to the princes of the gas stations.

Former Motley Youth Receives Appointment

Walter C. Rattan, senior medical student in Harvard University, Boston, Mass., has received notice of his appointment to a surgical internship in the Henry Ford Hospital at Detroit, Michigan. The appointment carries with it a monthly salary of \$175.00 and expenses during internship and an opportunity for specialization and employment afterward.

Young Rattan is the son of Mr. and Mrs. S. D. Rattan of Hillsboro, Texas. He did more of his elementary school work at Flomot where his father has twice served as superintendent. He is a graduate of Abilene High School and of the Pre-Medic department of the University of Texas. He will enter upon his new duties immediately after graduation from Harvard in June.

M. A. Patton of Kress visited here Sunday with his parents, Mr. and Mrs. M. L. Patton.

Dragons Will Try Matadors

Grid classic of the season will be played on Burleson field here at 2:30 Thanksgiving Day when the Matador Matadors meet their ancient rivals, the Paducah Dragons.

With favorable weather, the largest crowd to witness any local football game here this season is expected to be on the sidelines. Altho at the bottom of the cellar, the Matadors have provided colorful football throughout the season.

The team lost to the Lockney Longhorns Friday night, 20-7. The Thanksgiving game completes the conference schedule for the Matadors.

Thanksgiving Service Program Announced

Program for union Thanksgiving services to be held at the Methodist Church next Thursday evening at 7:30 o'clock, is

Returns From Alaska

(Official U. S. Navy Photo)

Lee R. Roberts, seaman 2-c, USN, son of Mr. and Mrs. Roy Roberts of Matador, has returned to the United States after participating in the 1947 Re-supply Expedition to Point Barrow, Alaska, aboard the attack transport USS Seminole. Three other cargo ships, a landing ship tank and an icebreaker also made the trip under Capt. Byron S. Anderson, USN, Commander, Transport Division.

Upon his return to the states, young Roberts visited his parents here, before returning to Seattle, Washington, where he is now based.

Grand Jurors Called For Court Tuesday

Grand Jurors for August term, 1947, who have been called to appear Tuesday, November 25, at 10 o'clock, a. m. are: R. E. Campbell, J. M. Jameson, Milton Brooks, Loyd Latimer, Howard Edmondson, C. C. Beck, F. G. Tipton, W. F. McCaghen, J. M. Dobbins, J. W. Fulgham, Robert Darsey, Bennie Keltz, W. A. Smith, R. Stapleton, Newell Timmons and O. C. Campbell.

Former Residents Are Visitors Here

Dr. Brass Cammack of Los Angeles, Calif., former resident of this community, left in return to his home on the west coast Sunday after visiting here in the homes of his brothers, Ed and Bill Cammack. He had been at the bedside of another brother, John Cammack, at Nara Visa, N. M.

Mrs. W. M. Teal, of Dallas, a sister of the Cammack brothers, also a former Matador resident, accompanied her brother, Ed Cammack and family, home from Nara Visa Tuesday and is visiting here for several days.

Mrs. Melvin McAdams of Lubbock visited here last week at the bedside of her father, P. B. Barton, who is ill. Mr. Barton was conveyed to Traweck Hospital for treatment, Thursday.

METHODIST CHURCH TO CLOSE MEETING

Despite inclement weather and the press of extra work entailed in the usual fall rush of business, local residents are attending revival services at the Methodist Church, in gratifying numbers.

"The 10-day meeting which began last Thursday night, will come to a close Sunday night."

Rev. Robert J. Kennedy, evangelist and singer of Dallas, is bringing inspirational messages at each service, and the public is extended a cordial invitation to attend the few remaining services, at 10 o'clock each morning and 7:30 each evening.

Tech students home from Lubbock for the week end included Math Barkely, L. C. Giesecke, Don Paul Keith, Dorothy Nelson and Joe B. Meador.

City Hit by 'Crime Wave'

Series of burglaries in Matador have plagued officers following report Saturday morning of Leon Ice plant office being entered. Loss included a small amount of money and a radio. Entrance was effected through a window.

Home of Mrs. Bernice Knight was entered Tuesday and a set of silverware taken. Home of Mrs. Mae McKenzie was entered Tuesday and clothing valued at \$170 belonging to her niece, Miss Dorothy Williams, was taken. Mrs. McKenzie also lost some jewelry.

J. C. Cross reported that his home had been entered and a radio removed. The Frank Jameson home was entered resulting in the loss of a new electric iron and a baby's small bank. Mrs. L. R. Bishop reported that the lock on her home had been broken but nothing taken.

Sheriff John Stotts late yesterday said he had no clues on the wave of thefts and asked that residents be notified to keep premises locked and to report any suspicious characters prowling residential streets or attempting to enter the homes of neighbors.

Anonymous Message Asks Enforcement Of 'Cracker Law'

Mayor G. T. Edwards knows there is someone in Matador who is displeased with the shooting of fire crackers in town. He does not, however, know the name of the displeased person. Yesterday he received through the mail the following message printed on a postal card: "We thought there was a law against fire crackers in town. Can't you stop them before it is too late. Put a piece about the law in the paper please. Thank you."

A number of citizens have been less secretive about their displeasure (and discomfort) resulting from the shooting of fire crackers. They have come to the Mayor and other city officials and asked that action be taken.

Mayor Edwards says there exists a city ordinance which prohibits the shooting of fire crackers on the town section and that violators are subject to prosecution.

He also warns bicycle-riders that there exists a city ordinance prohibiting the riding of bicycles on sidewalks.

Campbell's Installs New Vegetable Case

"Spanking brand-new" fixture is the 12-foot Hussman self-service vegetable (and fruit) display case at Campbell's Food Market. White porcelain and chrome construction, the case provides an attractive display for fruits and vegetables. Through scientific refrigeration fresh fruits and vegetables are kept fresh and appetizing as when they were removed from orchards and gardens. Store manager R. E. Campbell, Jr., declared a much larger assortment of fruits and vegetables is now made available to customers than with the market's previous equipment.

Christianity Makes America Great, Evangelist Declares

"America is a great nation because it is a Christian nation," Rev. R. J. Kennedy, Methodist evangelist, Tuesday declared in addressing the Matador Lions Club. Rev. Kennedy, who is conducting a revival here, made the principal address on the club's Thanksgiving program. "I am thankful I am an American," Rev. Kennedy declared, "because God has blessed America... nations grow weak and perish when they cease to follow God... America is a great nation because it is a Christian nation. I am thankful for the freedom of worship as I please, for the fellowship of Christmas. I pray that God will save us from the sin of selfishness."

Large attendance of the regular meeting held in the Methodist church basement was served luncheon prepared by Lions club Henry Pipkin.

Spirited applause followed a duet sung by Mrs. Jake Edwards and Mrs. Harold Campbell, with piano accompaniment by Miss Rachel Patton, Lions Sweetheart.

Report of directors' breakfast held Monday morning at Marvin's Cafe, announced \$1 per year membership assessment to advertise Texas at the New York International convention in 1948.

Lions attending the zone meeting at Paducah Thursday night were Boss Lion C. W. Giesecke, Howard Traweck, Vernon Doss, Elmer Stearns, Henry Ford, Dr. Albert Traweck, Henry Pipkin and Dr. J. S. Stanley. Next zone meeting will be held at Childress in March.

Visitors attending the Tuesday luncheon included Rev. Kennedy, Mrs. Campbell, Mrs. Edwards, Mrs. Ben Keltz, former Matador Methodist pastor Rev. D. D. Denison, District Judge Alton B. Chapman, Don Paul Keith, Algie Groves, and two honor students, Bourland Keith and Gwendolyn Wilkinson.

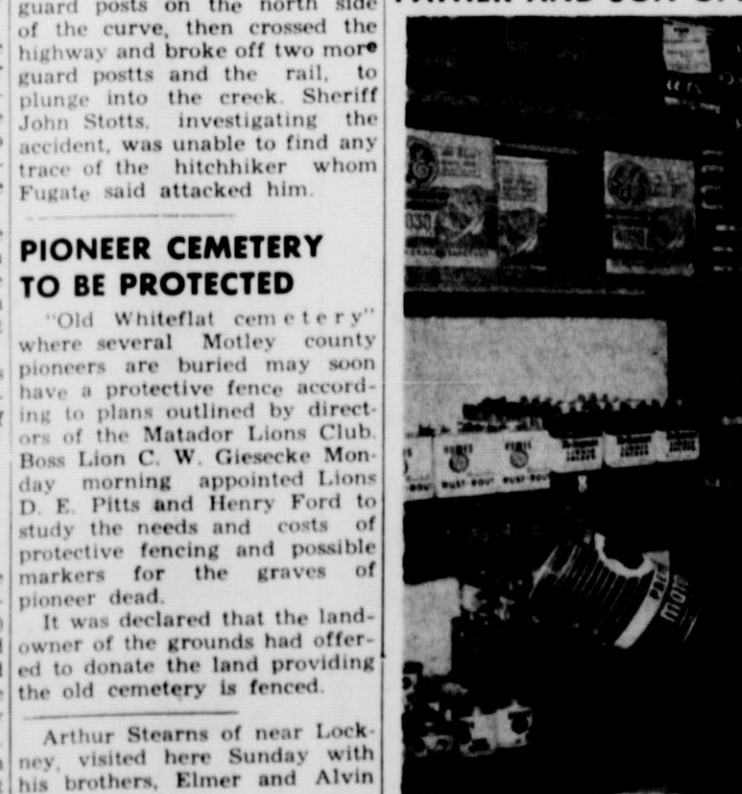

Spring Baptists To Aid Clothing Drive

A concerted effort of Southern Baptists to reach a goal of one million pounds of clothing and one million dollars in contributions for foreign relief, is receiving support from the churches in this area.

Roaring Springs Baptist Church, through their pastor, Rev. H. N. Estes, has announced a drive for contributions, with Thanksgiving Day set as deadline for making the donations. Anyone in that community having good used, or new clothing or money to contribute to this worthy cause may notify Mrs. J. D. Mitchell, chairman of the drive, who will arrange for picking up the donations.

Matador Baptists have been taking donations of clothing to the church, where a box is located in the vestibule for that purpose. Rev. Clifford Potts, pastor, announced last week that the box had been filled once, but had been emptied and made available for further donations.

FATHER AND SON OPERATE SERVICE STATION PARTNERSHIP

Loyd Latimer, left above, entered partnership with his father, Vernon Latimer (right) immediately after his discharge from the armed services early in 1946. Vernon Latimer assumed management of the Phillips Petroleum Company station here about seven years ago.

Son, Loyd Latimer served in the armed forces (Air Corps) about three and one half years. He was born in Cottle county and has spent most of his life in Motley county, graduating from Matador high school in the class of 1940. He was married February 9, 1947, to Miss Evelyn Keith of Matador. This is the sixth of a series of articles on father-son partnerships in Matador.

Stolen Car Found Parked At Church

A 1938 Ford automobile stolen from P. A. Davis of Floydada was found parked at the Matador Methodist church Monday and restored to its owner. Sheriff John Stotts noticed the car Sunday and when it had not been moved Monday he called Floyd county officers after checking the license number. The car which apparently was unharmed, was out of gasoline. It was stolen Saturday night.

Food Drive Gifts, \$325

Eleven cars loaded with food for starving people of Europe rolled away from Amarillo Tuesday, part of the 120 cars of food going from Texas.

Matador had a part in the contribution leaving the Panhandle. Approximately \$325 in cash had been collected here to purchase food. Sponsored by the Matador Lions Club in cooperation with Lions International, the "one-man drive" here was conducted by U. L. Willie who received most of the contributions.

The money was sent to Amarillo where food was purchased to load the cars that left the Panhandle.

Money is still being received to aid the "food-for-peace" campaign and will be forwarded to Chicago Lions International where it will be used to purchase food for hungry people. Lions officials said contributions would be received until the first of December.

Change in routing of trains made it necessary to make Amarillo the collection center instead of Childress, as previously planned.

SEVERAL AT CALLED SESSION IN LUBBOCK

Rev. Oscar Bruce, pastor of the Methodist Church, together with several laymen and delegates are attending a 2-day called session of the Northwest Conference in Lubbock today.

The session convened yesterday. Among those in attendance besides the pastor, are, Mr. and Mrs. G. E. Hamilton and W. F. Jacobs.

Rev. and Mrs. D. D. Denison of Crowell, formerly of Matador, visited friends here Tuesday as they were enroute to Lubbock to attend the meeting.

Visitors Return Home

Mr. and Mrs. Norris Ford left Monday to return to their home at Manchester, New Hampshire, after a month's visit here with his mother, Mrs. Jim Ford, and other relatives.

Mr. and Mrs. Joe M. Hefner of Lubbock visited her parents, Mr. and Mrs. T. J. Darsey over the week end.

Over Two Inches Registered Here

FIRST GENERAL RAINS in 22 weeks Thursday broke one of the longest droughts since rainfall has been registered in West Texas. Slow drizzles late Thursday and Friday registered 1.15 inches on Matador city wells rain gauge. Heavy mist that changed into rain late Sunday and continued throughout the night added another 1.08 inches. Wheat farmers see a vast improvement in the outlook. Stockmen and row-crop farmers declare ranges and fields will be improved.

Cotton harvest was brought to an immediate standstill because of the rains. However, farmers considered the badly-needed rainfall would far exceed losses and delay in cotton picking.

Sharp drop in temperatures followed the rain throughout the West Texas area. High here Monday showed to be in the neighborhood of 50 degrees. Continued cloudy, cold and dismal weather is predicted for the Panhandle area according to the Lubbock Avalanche. Coldest spots in Texas Monday were Amarillo and Pampa where temperatures were recorded at 39 and 37 respectively.

The Lubbock Avalanche reported rainfall as general throughout the South Plains area. "Good, soaking rains" were reported from almost every county in the Panhandle.

Continued low clouds and cold mist last night indicated that more rain with a possibility of snow hovered over the area which produced a phenomenal crop without rainfall since late May.

TAX COLLECTIONS QUICK AND LARGE

Over \$122,000 in 1947 county, state and school taxes have been collected by the office of Sheriff, Tax Collector and Assessor John Stotts, according to Miss Rachel Patton, deputy. The sum represents approximately two-third of the county's total tax collection of \$177,000, Miss Patton declared.

One day last month Miss Patton collected approximately \$60,000 in taxes, which included payment of the Matador Land & Cattle company.

Tax payments made in October are discounted 3% while those made in November earn 2% and 1% is earned by taxpayers who pay in December.

Delinquent taxes last year was about \$3,500 Miss Patton declared, with most of the amount being on property listed to unknown owners.

Mr. and Mrs. Earl Vaughn and small son, Larry Earl of Lubbock, spent the week end visiting her parents, Mr. and Mrs. L. A. Nelson here, and his parents, Mr. and Mrs. W. M. Vaughn of Roaring Springs.

General Meeting Of W. M. S. Held Tuesday

General monthly meeting of the Baptist W. M. S. was held Tuesday night in the home of Mrs. J. L. Woodruff, with twenty-one members present.

ABSTRACTS
Prompt Service
Warren Abstract Co.
Notary Public
Matador

A Royal Service program on Africa was given by the Burleson Circle, with Mrs. D. P. Keith as leader and Mrs. Ben Keltz and Mrs. R. E. Campbell, Sr., contributing parts.

Others present were: Messdames Forrest Campbell, Myrtle Campbell, Elbert Reeves, J. C. Rattan, Clifford Potts, J. A. Groves, H. S. Watson, G. W. Fulfer, Bill McCaghren, Dick Groves, Cecil Shelton, Loyd Latimer, R. E. Campbell, Jr., Farris Fish, Velma Fulfer, Howe Hines, and Joe E. Campbell, Jr. Mrs. Woodruff, president, presided at a business session, and following adjournment of the meeting, refreshments of coffee and cookies were served.

PLAINVIEW CHOIR PRESENTS VARIED MUSICAL TREAT

A rare musical treat was offered the community Wednesday evening when the Matador Methodist Church presented the choir of Plainview First Methodist Church in a program of unusual variety.

Following invocation by Rev. W. E. Peterson, pastor of the Plainview church, Charles Dean directed the choir in three opening hymns: "Softly Now the Light of Day", by Gottschalk; "It is Well with My Soul", Bliss; and "All Hail to Thee Immanuel", Gabriel. A baritone solo "Calvary", Rodney, was offered by Mr. Jack Hunter.

Four numbers of a mens' chorus included "Remember Me, O Mighty One," Kindel; "Take Up Thy Cross, Ackley; "Beautiful Land", Jones; and "My Anchor Holds", Townner.

A soprano solo, "And God Shall Wipe Away All Tears", Harker, by Mrs. Gordon Branham preceded several anthems. These were: "Seek Ye the Lord", by Roberts, sung by Mr. Glenn Harrison, tenor soloist and choir; "Lead Kindly Light" by Godard, featuring Mrs. Lee Nowlin, soprano soloist and choir; "Let Mount Zion Rejoice" by Herbert, with Mmes. C. D. Wofford and Tom Dean as soprano soloists, and choir; "Hark Hark, My Soul", by Shelly, with Mmes. Frank Nease, Roswell Alexander, C.L. McKee, Miss Lucille Flowers as alto soloists, and Mmes. Allen Farrell and Gordon Branham, soprano soloists, and the choir; and "When Thou Comest" (from Stabat Mater) by Rossini, with Mrs. Branham, soprano soloist and choir.

For their concluding hymn the choir sang "Now the Day is Over" by Barnby. All accompaniment was by Mrs. Charles Dean, pianist.

Refreshments were served to the visitors in the church basement before they left in a special bus to return to Plainview.

Attend Convention

Among local Baptists who attended Texas General Convention in Amarillo last week were: Rev. Clifford Potts, Mr. and Mrs. R. E. Campbell, Sr., Miss Maggie Bryan and Mrs. J. L. Woodruff.

BOBBY HARP SERVES ON SEARCH TEAM FOR WORLD WAR II DEAD

With the Eighth Army in Koizumi, Japan (Spl.) — Tec-5

Bobby Harp, son of A. A. Harp, Matador, Texas, has just returned to Camp Drew Koizumi, after serving on one of the search teams for World War II Dead sent out by the 99th Field Artillery Battalion, 1st Cavalry Division. His team was one of many sent out by all the units in the Occupation to scour the Japanese Islands for remains of American and other allied dead.

As the clerk-recorder on his team, he took charge of all the certificates and forms filled out by Japanese Officials questioned as to the whereabouts of

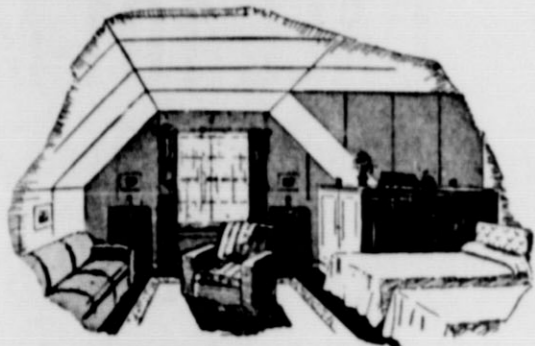

plane crashes, PW Camps, etc. In addition to the Graves Hunt, the teams compiled invaluable information on the condition of roads and bridges in the Prefecture. This information was used sooner than expected, for when Typhoon "Kathleen" struck in the area this data was used in making routes for the transportation of food and medical supplies to the stricken areas.

Cpl. Harp entered the Army on Sept. 5, 1946 and trained at Fort Knox, prior to leaving for duty in Japan with the 1st Cav.

Upon discharge, he intends to return and continue studies at Texas Tech, Lubbock.

Texas Press Association Sees Dawn of A New Era

December 1 will mark the dawn of a new era for the Texas Press Association in the opinion of Paul Fuika, president of the Texas association and publisher of the Wolfe City Sun.

On that date the daily and weekly newspapers of Texas join hands to open their own central office with a full-time staff of experienced press association workers in charge.

Texas Press Association directors have contracted with Vernon T. Sanford, for 13 years secretary-manager of the Oklahoma Press Association, to manage the Texas association. Officials of the Texas organization are now endeavoring to locate office headquarters in Dallas.

Said Fuika, "Our central office will issue information bulletins to the newspapers, serve as an employment bureau for newspaper workers, look after the legislative interests of the publications, represent our newspapers in the sale of political and state advertising, and arrange our convention programs."

The TPA president also stated that "our plans call for activities not alone in the interest of the press of Texas, but for the state in general. Details of a promotion program for Texas will be announced as soon as the central office can complete arrangements with other interested groups and individuals who want to see the great state of Texas grow greater and greater."

Sanford has been with the Okla-

VERNON T. SANFORD

homa organization since August 1, 1934. Prior to then he was manager of the Nebraska Press Association.

He is a native Oklahoman. His newspaper training was received in the Sooner State over a period of 15 years, on the Chickasha Daily Express, Norman Transcript, Anadarko Daily News, and the semi-weekly Cleveland County Democrat - News. He has been a carrier boy, printer's devil, assistant pressman, reporter, classified advertising manager, display advertising manager, and part-owner.

Sanford is a past-president of the Advertising Club of Oklahoma City; the Oklahoma City Chapter of the Southwestern Association of Industrial Editors; and of Newspaper Association Managers. He served for two years as chairman of National Newspaper Week and editor of the NAM Bulletin. He is a member of the board of directors of the Better Business Bureau of Oklahoma City and an honorary member of the Oklahoma City Chamber of Commerce. He is also a member of the Oklahoma City Camera Club, the Midwest Circulation Managers' Assn., the International Council of Industrial Editors, and the Newspaper Advertising Executives Assn.

He belongs to the Legion of Honor of the Order of DeMolay, the Masonic Lodge, and the Methodist Church.

The new Texas manager is a graduate of the University of Oklahoma, with an AB in Journalism, and holds a Master of Arts degree from the University of Missouri. He was awarded a Fellowship by the University of Missouri and was presented with the first Merit Award given to graduates of the University of Oklahoma's school of Journalism for accomplishments in their chosen profession.

Mr. and Mrs. Sanford will establish a home in Dallas. They have two children, a daughter, Gaye, 17 years; and a son, Sandy, 14.

EL MATADOR

FOOTBALL SQUAD IS COMPLIMENTED BY LOCKNEY COACH

The Matador Matadors were complimented for their good sportsmanship, hard play throughout the game, and ability, Friday night, November 14, after the Lockney game by Lockney's Coach Kelly, in the dining room of the Baker hotel where the squad dined.

According to Kelly, whose team has won every conference game, "Matador is the fightingest team we have encountered as of yet, and perhaps one of the best offensive clubs in the district. As a coach on the other team's bench," he says, "I was afraid all the time that you had the ball, you would break loose."

The hotel proprietor also complimented Coach Thayne Amonett on the conduct of the Matadors in the cafe.

"They were the politest and most unrowdy boys we have had all through the season," he said.

So far, compliments have been paid the school from every school and town that the Matadors have visited, according to superintendent Bert Ezzell, and we are very proud of the boys and the way they conduct themselves when visiting other schools.

Mrs. Willie To Austin

Mrs. U. L. Willie left Sunday for Austin, where she is attending a director's meeting of the state board of Texas Federation of Women's Clubs, in session Monday, Tuesday and Wednesday. She accompanied friends from Plainview in making the trip.

Local Girl Receives College Recognition

Miss Sylvia Giesecke, senior from Matador, was among the 17 juniors and seniors from West Texas State College, Canyon, named to appear in "Who's Who in American Colleges and Universities" last week.

Miss Giesecke is a business administration major, a member of Alpha Chi national honor society and the International Relations Club. She is also one of the three girls who were repeats from those honored last year.

She is the daughter of Mr. and Mrs. C. W. Giesecke.

Mr. and Mrs. Euman Lyles of Turkey, visited here Tuesday night with her parents, Mr. and Mrs. Colquet Warren.

School Projector Proves Very Useful

The Matador high school movie projector, purchased by the graduating class of 1947 as their annual gift to the school is being applied to practical use this year, as many classes are seeing films which help them understand and clarify their texts.

The projector is proving most useful to the Home ec. and agricultural departments, according to superintendent Ezzell, although it is also very helpful to civics and history classes, as well as to the typing classes who have seen films on correct methods, posture etc.

From four to six educational pictures are being shown to various classes each week, and the teachers agree the machine "can do wonders."

One film on safe driving was shown to the entire student body of Matador public schools, accompanied by a very impressive safety talk given by high school principal, Vance Gilbreath. Mr. Gilbreath emphasized safe driving and carefulness in crossing streets and other traffic safety measures.

Mr. Ezzell states that he is always glad to show pictures to the public at meetings such as the Farm Bureau, veterans agricultural classes etc. At the last farm bureau meeting, four films were shown and all were well received.

**Resident Is Married
In Lubbock Ceremony**

The marriage of Mrs. Maggie Cook of Matador and Fred Noyes of Torrey, Utah was read Wednesday night at 9:15 o'clock in the home of Mr. and Mrs. Ed

Greer, 1914 Ave. M. with Dr. M. Norvel Young, minister of the Broadway Church of Christ, officiating.

The bride wore a wine suit with white blouse and a corsage of white carnations. She wore an ear-ring and locket set, gift from the bridegroom.

A reception was held after the wedding and cake and coffee were served to relatives. An uncle and aunt of the bride, Mr. and Mrs. W. A. Robinson and son, Paul, of Salt Lake City, were out-of-town guests.

After visiting here and in Matador, the couple will leave for Torrey to establish residence. Mrs. Noyes is a long-time resident of Matador where she was active in lodge and church circles. Mr. Noyes, a pioneer resident of Wayne county, Utah, is a retired farmer and rancher. —Lubbock Avalanche.

**Mrs. Bobby Echols Is Complimented With
Miscellaneous Shower Sunday Afternoon**

Mrs. Bobby Echols, the former Miss Alene Bloodworth, was complimented at a gift tea held Sunday from 2:30 until 4:30 p. m. in the home of Mrs. Marvin Bloodworth.

Hostesses were: Mesdames John Briscoe, David Campbell and Lyman Bundy Campbell and Misses Elwanda Martin and June Pope.

Mrs. Lyman Campbell received the guests and Mrs. David Campbell presided at the bride's book. Mrs. Briscoe and Miss Pope served hot spiced tea and cake squares at a refreshment table, laid with a lace cloth and centered with a bouquet of fall flowers. Vases and bowls of fall flowers also decorated the reception rooms.

Those who called included: Mesdames Welton Bailey, Carl Cooper, John Lewis, Elden L. Reedy, Roy Smith, Bob Echols, Bill Wason, Irene Groves, Edna Waybourn, Elmer Stearns, Frank Stafford, Dick Groves, R. P. Moore, John Russell, Melvin Dirickson, Joe Gaines, J. R. Berryman, Dowell Garrison, Vester Shirley, Ben Meador, Joe Bloodworth and Claude Harp and Misses Dorothy Nelson and Evelyn Shelton.

Many gifts were sent by friends unable to attend.

For the first time in nearly a quarter of a century, the national farm mortgage debt is increasing, estimates for last year showing a rise of nearly 3 1/2%.

Meat consumption in 1946-47 in the U. S. reaches a near-record peak of 155 pounds per person, as compared with 126 pounds per person in 1935-39.

**BIBLE IS SUBJECT
OF CLUB PROGRAM**

An outstanding program with the Bible as subject, was presented at regular meeting of El Progresso Study Club last Thursday afternoon, in the home of Mrs. L. C. Harp.

Roll call was answered by each member naming her favorite woman of the Bible, with a short explanation for her preference.

Mrs. J. Frank Pohl led the interesting program, and for an opening number, introduced Miss Melva North who sang, "I Must Be True", accompanied at the piano by Miss Dorothy Tra-week. Mrs. Ben Keltz gave a paper on "Various translations of the Bible", and Mrs. John Hamilton discussed "Developing Youth's idea of God". Both talks were declared highly enjoyable as well as informative, by the club.

Concluding the program was a solo by little Miss Carolyn Pohl, who sang, "An Evening Prayer", with her mother as accompanist.

The following were present: Mesdames Harold Campbell, Willis Cooper, A. J. Daffern, J. E. Edwards, J. Farris Fish, Dick Groves, Leonora Luckett, Ben Meador, A. B. Simpson, Johnny Stevens, H. H. Schwitzer, Ralph Stapleton, J. R. Whitworth, U. L. Willie, L. B. Campbell, Freeman Thacker, A. C. Traweek, Jr., and Albert Rattan; Miss Mary Keith, members and guests on the program and the hostess, also one visitor, Mrs. Merrell Harper of Abilene, the former Marjorie Moore.

Oranges, tomatoes or tomato juice, grapefruit, raw cabbage and salad greens are excellent sources of vitamin C and should be included in menus for winter days.

**Sunday School Class
Met Last Thursday**

A business meeting of the Fidelis Sunday School class of the Baptist Church was held last Thursday night at Motley Hotel, with Mrs. Tommie Newman as hostess.

Of special interest were discussions and plans regarding annual Christmas class party. December 12 was set as the date for that affair and an arrangements committee was named. The meeting will be held at the Church.

Other business included preparation of new year books, and the matter of whether to continue with regular monthly meetings, or change to quarterly meetings.

Following the business session, refreshments of pumpkin pie and whipped cream, and coffee were served to: Mesdames Joe Bloodworth, Lois Smart, Ben Keltz, Raymond Steffey, Margaret Newman, Miss Thresia Godfrey, and the teacher, Mrs. D. C. Bradley.

**Huge Wayland Choir
Plans Extensive Tour**

The Wayland College choir, which has attracted state-wide attention, will go on tour November 26. This fine musical organization will play before civic and church audiences in Fort Worth, Dallas, Sulphur Springs, Little Rock, Arkansas and a special performance at Ouachita College in Arkadelphia, Arkansas.

Presenting special Thanksgiving music the choir which numbers over a hundred voices plans to tour these cities during the Thanksgiving holidays returning to College in time for class resumption on December 1.

This organization is a new one. It is the largest choir to represent the college and great plans have been made for it. There is a possibility that the choir may tour South America next year.

The concert tour will be inaugurated in Plainview where the choir will present a concert at the city auditorium on November 24. Several presentations of the choir have been held in Amarillo, Hereford, and at Las Vegas, New Mexico where the New Mexico Baptist Student Union convention met.

Dallas Alford, recent graduate of Southwestern Baptist Theological Seminary's School of Sacred Music, directs the choir.

**Baptist Circle Has
Meeting Last Week**

Henrietta Shuck Circle of the Baptist W. M. S. met in the home of Mrs. Joe S. Campbell Tuesday evening of last week, with eleven members present. A program on "Community

Missions' was led by Mrs. Hove Hines.

Those present were: Mesdames Hines, Jake Edwards, J. Farris Fish, Forrest Campbell, R. E. Campbell, Jr., H. E. Courtney, Colquet Warren, Bill McCaghren, Dick Groves, C. M. Barton, Jr., and the hostess.

We have just received a large shipment of beautiful MONUMENTS & MARKERS and will appreciate a visit from each of you who have unmarked graves in the cemetery.

ENJOY AUTUMN AND WINTER BUT

Avoid Exposure

Autumn and winter are enjoyable seasons but they are also danger seasons for colds, "flu", sore-throat and other ailments. Avoid all undue exposure and do not neglect first symptoms.

Children's health should especially be watched during the approaching season. Seek your physician's advice at the first sign of a cold. Delay is dangerous and may result in critical consequences.

When your doctor has written a prescription you are assured of securing the exact ingredients he has ordered when you bring the prescription to us. We use only the finest, purest drugs obtainable.

CITY DRUG STORE

R. M. STANLEY, MANAGER

A MAN OF THE WORLD

Yes, and we mean in an important sense, for the eyes of the World are upon him.

He is the American farmer.

He, alone, among the farmers of the major nations, is able to feed his own countrymen and hungry millions in other lands. Last year he sent 20 million tons of food abroad while maintaining our own diet level—already the best in the world.

This high production efficiency—achieved by the persistent application of new tools and scientific discoveries—must be main-

tained in months to come. For food is still fighting for peace.

And so is steel.

Steel companies, which already have set new peacetime production records, are spending more than one billion dollars on improvements and expansion to meet the needs of reconstruction abroad and our expanding economy at home.

Through steel and farm production lies a great source of American strength. And only the strong can hope to keep the peace.

LOCKNEY SUBDUES MATADORS 20-7

Playing the next-to-the-last game of a losing conference season, the Matador Matadors lost a hard-fought game by a 20-7 score at the hands of the Lockney Longhorns, on a muddy field last Friday night, November 14.

Matador received the kick-off on about the twenty and returned it to the thirty-five only to fumble in the first series of downs and lose the ball. They managed to hold the Longhorns for the first quarter but in the second period of play, Lockney managed to run about fifteen yards for the touchdown. Wyman Guthrie, Lockney back, ran over for the conversion point.

Matador again fumbled after receiving the kick-off and lost the ball on their own 20 yard stripe. Lockney carried the ball over in a series of three downs and Guthrie again ran over for the extra point.

Matador's score came early in the second half when right half, Albert Marshall, took the ball on a run around left end for about fifty yards only to be tackled on the nine yard line. Trying a right end run the Matadors were thrown for a two yard loss, but shifted into the box formation on the next play and sent Marshall back around left end for the tally. R. L. Giesecke's conversion kick was good.

Lockney scored again in the last quarter on a series of drives and an attempted pass for the extra-point was batted down by line-backer, Colonel Garth.

PEP SQUAD ROOTS AT LOCKNEY GAME

The Matador pep squad, under the leadership of Annette McWilliams, Carol Rattan, Dorothy Stanfield, and Billie Skaggs, were yelling for all they were worth at the Lockney game Friday night, November 14. Their trips away from home have now ended as the Lockney game was the last the Matadors will play away from home.

The pep squad has attended every away - from - home game but one this year, and that was the Dalhart 38-20 defeat at Dalhart early in the season.

The pep squad has done extra commendable work this year, according to Bert Ezzell, and is to be complimented.

Schools To Dismiss For Thanksgiving

Students of Matador public schools will be dismissed Wednesday afternoon, November 26, at 3:15 p. m. and will not return to school until the following Monday morning, December 1, according to superintendent Bert Ezell.

Only school activity to be enacted during this period will be the annual Thanksgiving day clash between the Matador Matadors and the Paducah Dragons which will be played here at Burlington field, November 27 at 2:30 p. m. to wind up the 1947 football season.

Grade School, PTA Buy Record Player

The Matador grade school with the Parent-teacher association, has bought a \$99.00 record player for teaching purposes in music, voice, and expression, according to school officials.

The machine is described as having the best tone of any player available today, and has records especially made for teaching purposes. Each record has a period of play, then a pause, during which the teacher may give instructions, explain, etc.

Senior Class Might Install Trophy Case

The senior class, meeting Wednesday, November 12, to discuss finances etc. found that they already have practically enough money made to remodel the stage which had been set as the senior gift for the year, and voted to install a trophy case in the lower hall over the drinking fountain.

The seniors propose to spend about \$300 on the project, according to class president Leo Archer, and it should be an asset much needed in "dressing up the hall".

The case is to be mounted in the wall with an arched top which will bear the inscription "Seniors '47".

A committee has been appointed to study the proposal, get carpenter's bids, and to try to establish the final cost including material and labor.

"If you do succeed in these projects, both outlined by yourselves," superintendent Bert Ezzell said, "you will have achieved more than any senior class in the history of MHS".

BOYS BASKETBALL SHOES ARE ORDERED

Basketball shoes for the 1947-48 basketball team have been ordered and are of the best quality available, according to high school coach, Thayne Amonett.

The boys are paying for the shoes themselves but the school has provided for brand new suits and warm-up togs for the season.

Boys basketball work-outs will get under way soon after the closing of the football season on Thanksgiving day, Coach Amonett says.

KAMPUS KLATTER

Well, here we go again with another week of school and fun.

Say, did you see Gid Simpson with Geraldine W. after the Crosbyton game? They seemed to have had an interesting time! A cute foursome seen together now-a-days were together Sunday afternoon. I'll bet you can guess who! ... Pauline and Bobby, Annette and Booner, of course!

And who do you suppose was seen with James W. Thursday at the show? It was Frances Casey, wasn't it? Cute kids, don't you think?

Truman seems to really have taken a tumble for that cute gal from Roaring Springs! They were seen together Saturday at the preview. Now, what about this, Truman??

Joyce Reynolds and Jiggs Green were seen together with Gene M. and Carol R. at Bob's after the game Friday night!

Norman Seigler was with a cute blonde Saturday. It seems she was from Afton. Of course the boys couldn't be interested, though!

Bryan M. was seen with Norma Chloë C. at Bob's Saturday night. Wonder what's going on here??

Sarah S. and L. C. Geisecke were seen together Saturday night, also! Cute kids!!

Well, so long until next week.
Love,
Miss El Matador.

SCARLET FEVER SHOWS INCREASE DURING WINTER

The State Department of Health has issued a warning in regard to scarlet fever, since the number of cases usually increases during the fall months. The majority of deaths from this disease occur during the months from October through February.

Scarlet fever is a very contagious and serious disease. Grown people may contract it, but children under 15 years are

New Furnishings For Lounge Are Gifts To McMurry College

Abilene, Texas (Spl.)—Gifts valued at \$2500 to equip the lounge of the new President Hall for women at McMurry College were recently announced by college officials.

Furnishings for the spacious lounge in the \$250,000 structure opened for use this fall follow a color scheme of aqua, tan, and rose. The furniture is of modern design and includes two sectional divans, four chair and divan suites, four coffee tables, two triple-end tables, two library tables, one drop leaf table, four lamp tables, and a Pilot table model radio with frequency modulation and regular broadcast reception. The wood is of a light blend finish which complements the fabric colors of rose, aqua and tan.

The furniture is the gift of A. B. Barrow, owner of the A. B. Barrow Furniture company of Abilene and the radio was given by KRBC, Abilene radio station.

Many ACC Students Part-Time Employes

Abilene Christian College, Abilene, Texas, will pay a total of \$60,000 to approximately 300 of its students this year. The students, part-time employes of the college, are hired on their ability to do the job and their need for the work. Supervisor of the hiring program is vice-president W. R. Smith.

Duties performed by the student workers include work in the college dining hall, the students' exchange, the library, the various administrative offices, and in the dormitories. More students work in the dining hall than any other one place on the campus.

Most of the ACC faculty members have student secretaries and graders. Other students work in the ACC print shop, and at jobs ranging from laboratory assistants in the science departments to informants especially apt to have it, if exposed. It is especially dangerous for children under 5 years, and Dr. Geo. W. Cox, State Health Officer, warns mothers to "not let your children take any chances with scarlet fever. Call the doctor as soon as any suspicious symptoms appear."

Dr. Cox said that the first signs you may notice are that the child seems tired, restless and out of sorts. Usually, there is a sore throat, chills, vomiting, or in some cases, convulsions and fever. The skin is dry and hot, the tongue is furred, and, under this furry covering, it is red and swollen. In ordinary cases, these early signs are followed in a day or two by a rash. Little flat red points, close together, appear first on the neck and chest and soon the rash, very red in color, spreads over most of the body.

The doctor is required by law to report the case to the local health officer. It is important that the family follow carefully the quarantine instructions which the health officer issues, since a severe or fatal case of scarlet fever may develop from contact with some one who has only a light attack. Children who have had scarlet fever, or who have been exposed, must not return to school until permission is given by the health officer and physician.

tion girls.
Among the student helpers in the Students Exchange is Norton Dye, son of Mr. and Mrs. W. A. Wye, route 1, Roaring Springs.

SHORTAGE OF SUDAN SEED IS FORECAST

COLLEGE STATION—About this time last year, E. A. Miller, extension agronomist for Texas A. & M. College, warned Texas farmers that the sudan seed

crop supply was lower than it had ever been before.
It's worse this year.
Production of sudan grass seed for 1947 in Texas is estimated at 3 1/2 million pounds. That's the lowest crop on record, and just about two-thirds of what it was last year.
It's not only bad in Texas. The total production for the United States is 14 percent below the small 1946 crop.
The harvested seed is reported by the USDA Bureau of Agricultural Economics as being a

little cleaner than last year and the yield per acre average is 34 pounds higher than the ten-year average. The small crop is caused by the record small acreage.
It all boils down to one thing: If farmers want sudan grass seed they'd better line it up now, instead of waiting for spring. The current supply for the U. S., including production and carry-over, is 38,350,000 lbs. of clean seed, 22 percent smaller than last year and 45 percent below the last 5-year average.

So there's liable to be trouble in getting the seed when planting time comes 'round.

WARNING

Negro Is Arrested On Forgery Charge

Healon Thomas, 33-year-old negro 'cooling' in Motley county jail after being arrested Friday in Ft. Worth on a charge of forging the name of Frank Dougherty on a check for \$65 which was cashed at Ike's grocery here Armistice day.

Sheriff John Stotts had little information when he was notified of the forgery. Bill Rushing had cashed the check and could not remember who had given it to him. He believed, however, the check had been cashed for a Mexican. Since the check was made out to Thomas and Sheriff Stotts remembered him as a resident of Matador colored section, he started inquiries. Healon Thomas had left Matador on Armistice day after buying a bus ticket to Ft. Worth. Sheriff Stotts secured a Ft. Worth address where Thomas might appear, then notified officers.

Early Friday he received a call informing him that Thomas had been arrested in Ft. Worth, only five minutes after he started work in a tailor shop. Thomas told officers arresting him in Ft. Worth, "I didn't forge nothin' - I just signed my boss' name on a check." Sheriff Stotts returned Thomas here late Friday and Justice of the Peace Henry Pipkin Monday set his bond at \$1,000.

RELATIVES ATTEND SERVICES TUESDAY FOR JOHN CAMMACK

Mr. and Mrs. T. E. Cammack, accompanied by their son, Bryan Cammack of Munday, Texas, attended funeral services Tuesday at Nara Visa, New Mexico, for Mr. Cammack's brother, John N. Cammack, 75, early resident of this section and pioneer rancher of New Mexico. John N. Cammack was born in Tyler County, Texas, and moved to Motley county with his parents in 1891. He left here in 1898 and moved to New Mexico, where he had engaged in ranching the past 47 years. He passed away Saturday morning at the Tucumcari General Hospital, Tucumcari, N. M., after a two weeks illness.

The deceased is survived by his widow and a son, Addison Cammack, both of Nara Visa, and four daughters, Gertrude and Ruth Cammack, both of Washington, D. C., Mrs. Raymond Baird of Nara Visa, and Mrs. Alfred Smith, Hereford, Texas; eight grandchildren also survive.

His five brothers include Webb Cammack of Lubbock, Tex., Ed and Bill Cammack, both of Matador, Mac Cammack of Denver, Colo., and Dr. Bragg Cammack of Los Angeles, Calif. Sisters surviving are Mrs. Vera Rhodes of Los Angeles, Mrs. Wes Klien-smidt, of Canyon, Texas, and Mrs. W. M. Teal of Dallas. Funeral services were held

From where I sit... by Joe Marsh

Metropolitan Papers Please Copy!

Folks here were burned up over an article on Our Town I reprinted from a city paper. Made us sound like a bunch of "hicks" who whittled sticks and wore chin whiskers. (Last person I saw with chin whiskers was passing through on his way east.)

So I ran an editorial on how we spoke of city "allickers"—as overdressed wisecracks, only interested in making money, and spending it in night clubs.

Fact is, if we got to know each other we'd probably find we're not much different, underneath. City folks work hard; like to come home at night to their families; and relax with a moderate glass of beer, like we do.

From where I sit, it doesn't matter if you live in an apartment house or on a farm—work in an office or a cornfield—the American tradition of quiet home life, temperate habits, and neighborliness is common to all of us.

Joe Marsh
