Autograph Party Slated for Cowboy Poet

Dennis Gaines, area cowboy poet who performed at the National Cowboy Symposium at Texas Tech University last week, will be guest of honor at Autograph Party at the Motley County Library, Matador, on Saturday, June 9.

Gaines will be on hand to perform and sign autographs for his first book, **NEW TRADITION: Western Verse** from 2 to 5 p.m., an entertainer in much demand for club programs throughout the area, the Matador Ranch cowboy has performed at the famous Cowboy Poetry Gathering at Elko, Nevada, the Institute of Texan Cultures, San Antonio, and the Lubbock Symposium.

Book collectors, Old West fans, and rural folks who value their heritage but can still enjoy a humorous and thoughtful look at their lifestyle are likely to find this collection a delight.

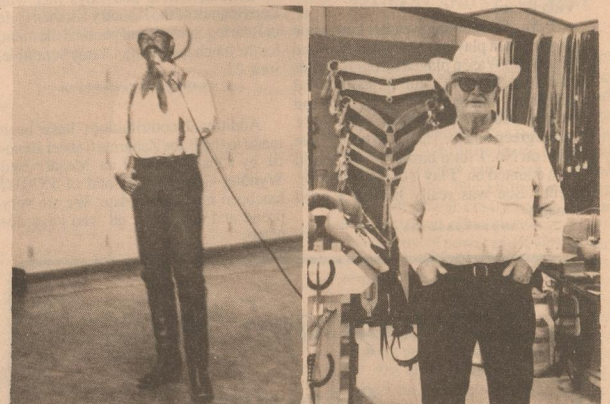

"Yes, Ma'am, I Ride Horses" describes a shy cowboy on a rare visit to a soda fountain where he does his best to impress a pretty urban lady. "Cowpunching for Kodak" addresses the need of "them writer folks an' artists an' wannabee cowpokes" to record a failing life style at the cowboy's expense.

The darker side of lonely lives finds expression in "The Journey of Three-Fingered Jake" and "Silver Lady". The folklore of the South Texas cattle country where "everything has a sticker, a stinger, or fangs" is a poignant theme of "Song of the Brasada."

The Motley County Library and the Friends of the Library, co-hosts for the summer fund raiser, invite those from surrounding counties to attend and meet the author Dennis Gaines at the autograph party. Copies of **NEW TRADITION: Western Verse** will be available for purchase and signing. Come join us! A portion of the book sales will go to the Library as a donation.

In the days yet to come we'll march to our drum,
Make no excuses and ask no permission,
For the West still ain't won 'less we
stick to our guns,
And hitch the Old to the New Tradition.

Dennis Gaines, John Stevens, Marisue Potts participate in National Cowboy Symposium

DENNIS GAINES

JOHNNY STEVENS

MARISUE POTTS

Three Motley County residents presented their original material at the 2nd Annual National Cowboy Symposium held in Lubbock this past weekend.

Marisue Potts, Motley County Historical Chairman, presented a very interesting story about the history of the Mott Camp on Friday and Johnny Stevens was in two sessions, also on Friday. In his morning session, he was on a panel of Ranch Managers and in his afternoon session he was in a storytelling session.

Dennis Gaines, cowboy for the Matador Ranch, presented his original poetry in two sessions on Saturday. He also participated in the cutting and team roping events, held on Sunday at the Livestock Pavilion on the South Plains Fair Grounds.

These three Motley County residents represented our area very well with their enlightening presentations.

Born into an Air Force family that moved more times than he could count, the former oil field worker of Louisiana, Texas, Gulf of Mexico, India, Brazil, the North Sea, and Alaska, has thrown his bedroll on the Matador range for the past five years.

Hospital Board holds monthly meeting

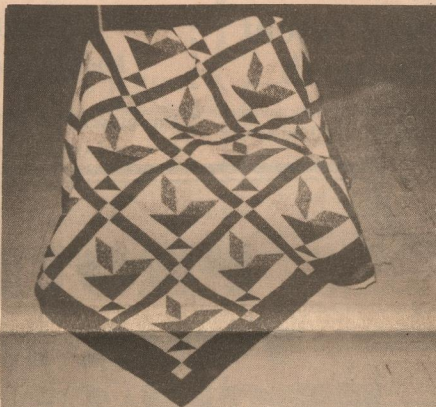

The Motley County Hospital Board met Tuesday, June 5 at 6:30 a.m. at Billie Dean's Restaurant with President Larry Hoyle, James Stanley and Ruth Lee, H.C. Smith and Bob Davis were absent.

Hoyle gave the expenses for May at \$8,780.84 leaving a balance of \$9,000.12. The ambulance had to have more repairs in May. The minutes and bills were read.

Hoyle informed the Board that the Historical Commission had applied for a grant to get the museum started in the building still belonging to the Hospital District, (the former Traweek Hospital).

Hoyle passed out letters on current updates for EMS rules and one on indigent care information.

The Art of Quilting Is Enjoying a Big Revival

BEAUTIFUL QUILT: The Do Gooders' Club of Flomot is selling chances on the above quilt for \$1.00 or 6 chances for \$5.00. It will be given to the lucky name drawn, Saturday night, July 7 at the 1990 Tri-Annual Flomot Homecoming. You do not have to be present to win.

by Earlyne Jameson

When you mention quilting these days, before you know it women are discussing Lone Star, Log Cabin and Dresden Plate patterns. The art of quilting is enjoying a big revival now, because it developed as a result of the country look in decorating. I am told it is popular for a variety of reasons. It is creative, it is soothing to the mind and eye and it is a fine excuse for a group of women to get together and talk.

One local man said he was raised under a quilting frame. He liked it, because he felt he was in a big tent. However, when he and his brother misbehaved, all his mother had to do was tap them on the head with her thimble finger.

Our grandmothers were quilters, as much for necessity as pleasure. As they moved westward in covered wagons, they took along precious remnants of their past lives in scrap bags. They used those scraps to create flower gardens in their quilts they were unable to have in the harsh environment. Often alone, they quilted to keep from going crazy. Husband in the past were the ones who went for needed household supplies and had the pleasure of visiting in mercantile stores. The quilting bee was an exciting event to those women, burdened as they

were with backbreaking work and isolated from their neighbors. Women were delighted at the chance to get together.

The Do Gooders Club of Flomot is helping to keep that tradition alive. Their needles have made quilts for which they sell chances to help defray expenses for the Community Center Building in Flomot. They have just completed a beautiful bouquet patterned quilt.

The Watson family have quilting bees. The quilt is auctioned at their annual family reunion every summer in Roaring Springs to pay for the meat and serving dishes. One young lady helping for the first time with this project remarked any quilt she put stitches in should be hung on the wall and framed, not used!

Women roll their eyes when talking about the Double Wedding Ring quilt. They say it is a good way to go blind. Baby to queen sized quilts, quilted by the flying needles of Rubie Barton and Helen Patrick that have been given to our family are coveted by everyone who sees them.

Southwest and other patterned quilts are sold at \$500 to over a \$1000 per quilt in Santa Fe, New Mexico. Nevertheless, I am not going to start quilting. At the rate I sew, it would take the rest of my life to finish a quilt. I'll just continue to leave my needle in the pin cushion and admire those that know the art of quilting.

Lions Club

The Matador Lions met Tuesday, June 5 for a delicious meal served to twenty Lions and 7 guests, prepared by Mrs. Mutt Smith.

Boss Lions Billy Donaldson announced the annual LightBulb Sale is set for the afternoon of Friday, June 15.

Lion Billy Wason introduced Babe and Fred Martin of Hilton, South Africa. The Martins are former Floydada residents and Mrs. Martin is Marihelen Wason's cousin. The Martins have lived in South Africa for about 20 years where they have their own business. G.C. Tillage is a factory that manufactures farm equipment.

Mr. Martin stated he felt they had helped to improve the farming culture in South Africa. South Africa is a lot like West Texas, except they have a 40" summer rainfall.

The Martins told of their life there, answered questions and showed some of the crafts they brought with them.

Fire Department Responds to Grass Fire

The Matador Volunteer Fire Department responded to a fire in the White Star Community, South of Flomot, Saturday, June 2 around noon. The pickup of Rex Anderson of Quitaque, who was sowing grass, caught CRP Grass on fire on the land of Mrs. George Pope.

Before the fire was brought under control, Mr. Anderson's pickup was declared a complete loss and 25 acres of grassland burned. Anderson's tractor and fuel tank escaped damage.

Baseball Make-up Games Scheduled

The T-Ball and Softball games that were postponed last week will be made up as follows:

T-Ball: Cubs vs. Cardinals, Thursday, June 21, 6:00 p.m.

Softball: Cardinals vs. Angels, Monday, June 25, 8:30 p.m.

Rangers vs. Tigers, Thursday, June 28, 8:30 p.m.

FIRE DESTROYS HOME: The Ewing home was destroyed by fire Saturday morning June 2. According to the Matador Fire Department the fire started in the vicinity of the hot water heater in the rear of the house. The back two rooms were near gutted and the rest of the house was damaged by smoke and heat. Carolyn Ewing was helping her daughter, Donna Ewing, move from Spur to Perryton, so she was not at home. Clay and Joely Ewing and Brad Wilson were at home. They all escaped the fire safely. The Ewing household items were not insured. The house belongs to Mrs. Wilma Hobbs. A love fund has been established at the First State Bank of Matador for the Ewing family.

Local Enumerator part of National Agriculture Survey

AUSTIN.....Although some of us may have trouble getting from "here" to "there," Joy Staggs of Paducah has no problem finding her way as she travels the back country roads with only a stock tank or windmill as a landmark. In fact, the less traveled highways and byways of Texas provide many of the short cuts Staggs needs as part of her job as a field enumerator with the Texas Agricultural Statistics Service.

Beginning June 1, Staggs will once again fill up the gas tank and log many travel miles, as she begins interviewing farmers and ranchers in Motley County for a national agricultural survey. 1990 may be the year to count people, but Staggs is going to be busy counting livestock and collecting data on crop acres.

Information gathered on this confidential survey will be used to make state and national estimates of crop acres, live stock inventories and grain stocks, information that is vitally important to the producers in Motley County, Staggs noted.

"These estimates are a working tool farmers and ranchers can use in their production, marketing and investment decisions and are the only unbiased information source available," state statistician Dennis Findley reported.

Survey information will be extremely important this year in measuring crop and livestock losses from the severe flooding across north and east Texas.

Field enumerators provide a basic link in the data collection service of the Texas office, since they are the primary personal contact Texas producers have with the agency. Currently there are over 100 field enumerators working on farm and ranch surveys across the state.

Most of the enumerators have an agricultural background and are familiar with the many day-to-day problems facing Texas producers. "Like the farmers and ranchers they are interviewing, our enumerators also deal with low prices and severe weather conditions at harvest and mother cows that wait until 3:00 a.m. to calve," Findley added.

The June Agricultural Survey is the largest of a series of surveys conducted throughout the year by the Texas office. The random sample of producers selected for this survey represent a broad cross-section of Texas agriculture, and producers selected for this survey represent other operators of similar size and type.

"Our field enumerators will be putting in some long hours during the next two weeks," Findley reported, "but their hard work is the only way to provide Texas producers with accurate, reliable agricultural information."

Barbara's Bylines

Barbara Jameson getting ready to board the Charter Bus to Austin and saying goodbye to Chuck Moore; Travel Guide, Miguel Conchas; Tourist and Convention Director and Hostesses, Corina and Irma of Laredo Chamber of Commerce.

This past weekend I attended a Senior Fiesta Fam Tour in Laredo. After a trip by air on June 1, from Lubbock to Austin, I met the happiest group of news media people in Austin at La Palapa Restaurant and Cadillac Bar in San Antonio. We were then off to Los Dos Laredo, Texas and Nuevo Laredo for the sights and sounds of a U.S. and Mexican border excursion.

The mariachi music was heard live by the different styles at each stop. The first meal together was a room full of colorfully decorated tables where everyone ate and introduced themselves. This was in the La Posada Hotel, downtown Laredo, overlooking the Rio Grande River. Laredo is the largest land-port in the U.S.

The media folks were welcomed by the Chamber of Commerce President and treated to breakfast brunch at the Laredo Country Club Saturday morning. After a bus tour of the old and new Laredo, the troops crossed the river bridge into Nuevo Laredo, Mexico or New Laredo as it was named about 200 years ago. Some of us

walked across the bridge. We lunched at the Winery Restaurant, eating delicious Spanish cuisine. After the fun meal, everyone looked and shopped in the 104 degree temperature. One of the special places to stop during the day for refreshments was the famous Cadillac Bar.

At 6 p.m. everyone met at Victoria 3020 to regroup and see what great buys everyone else had found during the day.

A progressive dinner was planned so we could visit some of the restaurants and nightspots not on the usual beaten path. The first stop was Los Ajos Restaurant (Mexico's version of Fuddrucker's) for hors d'oeuvre's. Next was LaPalapa for more Mexican delicacies and live mariachi music. Here our treat was vegetables and green dip (turned out not be avocado but pure ground Jalapeno peppers! Muy Caliente!) One of the favorite spots was Los Tablitas Restaurant where Barbecue meat dishes were served and the music was South American (Bogota and Peru). After this meal it was near 11:00 p.m., so it was time to cross the

THURSDAY PLAY
 A.M.: Play was for closest to the pin on No. 3 and no one got on the green.

Playing were Louise Barton, Olivia Barton, Loys Campbell, Geneva Wilson, Lucretia Campbell, LaVoe Thacker and Vida Elkins.

P.M.: Threatening weather kept some players from playing. Nell Berryman and Marihelen Wason played through 8 holes when the storm hit, raining, hailing and lightning, stopped their game. (Too bad the play couldn't be counted, as Nell got on the green on No. 3 and also had a "hole-out" on No. 1 for a birdie, which would have counted on "Play Yourself Tournament". She was really having a good round.)

Play will be at 10 a.m. Thursdays through June, July and August. Please remember!

Geneva, Olivia and Loys met with Lou Bennett of the Kountry Kitchen Cafe in Roaring Springs and planned the menu for the luncheon for the 4-Lady Scramble, June 23.

Additional contributions have been made to the Babe Zaharias Cancer Benefit by Opal Pipkin, Lila Meador and Wynona Gilbreath. A total of \$320.00 has been received to date. We are very proud and appreciate all who have donated.

SEEDS FROM THE SOWER

Michael A. Guido
 Metter, Georgia

An old man walked into a doctor's office for an examination. "What's your complaint?" asked the doctor.

"I feel tired and run down," answered the man.

"But I can't make you any younger," protested the doctor.

"I know," replied the patient. "Just help me to get older."

Everyone wants to live. No one wants to die. But there's nothing more certain than death, and nothing more uncertain than the time of it.

Therefore I've decided to be prepared for it at all times, for it may come at any time.

Because I've welcomed the Lord into my heart on earth, He'll welcome me into His home in heaven, and I'll live with Him forever in His home.

Will you?

PROTECT YOUR HOME FROM SUMMER HEAT!

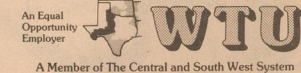

HERE'S HOW:

- ✓ Check your home for adequate insulation — R-30 is recommended in the attic.
- ✓ Help your cooling system's efficiency by caulking and weatherstripping. Infiltration of outside air is your air conditioner's greatest enemy.
- ✓ Help keep the cost of cooled air down by setting your thermostat at 78° or higher and clean your air conditioner's filter regularly.
- ✓ If your present air conditioner needs replacing, consider an all season electric heat pump — it cools in the summer and heats in the winter.

Patton Springs Students "Rock Around the Clock" at all-night party

Following graduation commencement exercises on Friday night, May 25, 1990, the Patton Springs High school students were swept back in time to the 1950's as they "rocked around the clock" at the 2nd Annual Substance-Free Graduation Party. From 10:00 p.m. until 11:00 p.m., photos (compliments of the FHA Alumni) were taken by Mrs. Jan Jones, and then the prom began as doors were locked at 10:30 p.m.

Exceptional music, especially the top-of-the-chart favorites, was provided all night by disc jockey Sam Jones from Trent, Texas. He was accompanied by his younger brother Chris, who also assisted with the games and activities during the night.

For those not interested in the prom, the newest VCR releases were shown throughout the night at "The Afton Palace Theatre" with all the colas one could consume.

Limbo, hula hoop and dance contests hilariously entertained party-goers and on-lookers. Dana Kay Mayfield won the hula hoop contest, and the limbo contest was won by Jeff Woody with a close second by Stephen Jones. The dance contest winners were: Country/Western - Bob Spikes & Tina Tilley; 50's - Rusty Willmon and Lacey Parks; and Rap - Jeff Woody.

Around 3:00 a.m. the dances ended and all participants received a "Rock Around the Clock" t-shirt. The shirt's logo was designed by Laurie Gilliland, completed by Texas T's and Floral of Matador, and made possible by Spring Fling donations. Casino games, movies, door prizes, and much eating continued 'til dawn.

At 5 a.m., grand prize winners of a neon AM-FM cassette/radio and a \$75 South Plains Mall gift certificates were announced, as a deliciously hearty breakfast of eggs, bacon, homemade biscuits, and gravy was prepared by Cean Cooper, Debbie Price, and Donna Dominguez.

It is encouraging to our organization, to the community, and to the youth of Patton Springs school for people, such as the following, to show concern for our youth's safety and entertainment - especially at special times like graduation.

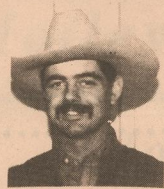

Many thanks to the following generous donors: Childress: Texas Dept. of Highways & Public Transportation (cash); Afton: Mike & Snow Smith (cash); Cooper's Country Corner (breakfast foods); Sue and Dennis Jones (hamburgers and \$35 gift certificate); Billie Willmon (cash); Carol Gudgel (cash and food); Ed and Susie Shepler (decorations and hauling); Dickens: Ponderosa Grocery (cokes and ice); Circle G Bar B Q

(dinner for two); Payless Package Store (cokes); My Cuz Movie Rental (video discounts); and Tip's Package Store (cokes); Spur: Dickens Electric Coop, Inc. Keith (french fries); Paul Enger (breakfast foods); and Kentucky Fried Chicken (dinner coupons). The donations taken up at the Spring Fling on May 4 and money made from the family portraits were used to buy the t-shirts, the neon radio, the mall money, and various other contest prizes. Thanks from the Patton Springs FHA Alumni to those who supported our Spring Fling and portrait sales. A special thanks is extended to all the members of the community who donated the delicious variety of foods for the night. To the Freshmen, Sophomore, Junior and Senior classes of Patton Springs, a sincere appreciation is extended for cash donations from class funds to help purchase additional prizes and/or cover costs for the night.

Congratulations to the following prize winners: Charles Fulmer (cooler & cokes); Jeffery Davis (alarm clock); Dana Mayfield, Jeff Woody, Stephen Jones, and Angie Burkes (cross pens); Jeromie Martinez and Heather Adcock (walk-mans); Trent Willmon and Dee Smith (swatch watches); Denise Dominguez and Rhonda Smith (mall money); Michael Dove (Circle G dinners); Stephanie Mayfield (\$35 Gift Certificate); Stephen Jones (radio/cassette player); Jenny Wheeler and Christy Pierce (perfume); Jimmy Niblock (potpourri wax); Brian Williams (timex watch); Angie Burkes (plant); Tina Tilley and Macy Sharp (jackets); Rusty Willmon and Lacey Parks (beach towels); Jeff Woody (dinner copons); Tina Tilley (cassette/tote bag); Dana Mayfield (waist bag); Trent Willmon (neon radio) and Stephanie Mayfield (\$75 mall money).

Social Security Tips

by Mary Jane Shanes

Self-employed people will find significant changes in computing their 1990 Social Security taxes. Both the Social Security tax rate and the formula used to compute the taxes changed this year.

The 1990 tax rate for self-employed people is 15.3 percent, up from 1989's 15.02 percent rate. In 1989, a 2 percent credit reduced the effective tax rate to 13.02 percent.

Beginning with the 1990 tax year, the credit has been replaced by two new deductions which reduce the tax liability for the self-employed. The new deductions are designed to treat the self-employed in much the same manner as employers and employees are treated for tax purposes. For many self-employed people, the result will be lower taxes than in previous years.

Internal Revenue Service PUBLICATION 505, Tax Withholdings and Estimated Tax, provides detailed information on the change in computing 1990 self-employment social security taxes. Contact the Internal Revenue Service for copies of this publication.

Call 1-800-234-SSA (1-800-234-5772) and ask for Fact sheet Number 4, IF YOU'RE SELF EMPLOYED. The Social Security office is located at 1401-B West 5th Street, Plainview, Texas. For more information or to file a claim call 1-800-234-SSA.

Public Notice

TO ALL FORMER AND CURRENT INTRASTATE WIDE AREA TELECOMMUNICATIONS SERVICE (WATS/800) SUBSCRIBERS:

Southwestern Bell Telephone Company has instituted a Class Action Lawsuit seeking judicial approval of a settlement reached in Docket No. 7297, an inquiry of General Counsel of the Public Utility Commission of Texas into possible overcharges which occurred between September, 1976, and February, 1987, due to rounding practices, on bills of intrastate WATS/800 customers sent by Southwestern Bell and other telephone companies which concur in Southwestern Bell's tariff. The suit is styled "Southwestern Bell Telephone Company, Plaintiff, vs. MCI Telecommunications Corporation, A Member of the Class of Texas Intrastate WATS and 800 Service Customers Who Paid Overtime Charges From September 1976 Through February 1987, Defendant," and identified as Cause No. 471,460 in the 126th Judicial District Court of Travis County, Texas.

Pursuant to the settlement, while not admitting liability, Southwestern Bell, the other local exchange telephone companies in Texas, and AT&T Communications of the Southwest, Inc. have agreed to pay refunds to those WATS/800 customers who paid overtime charges attributable to the rounding practices for intrastate WATS/800 services at any time between September, 1976, and February, 1987. The refunds will be based upon either the actual or estimated amount of overtime charges attributable to such rounding practices. An exact refund will be determined for customers able to produce copies of their WATS/800 service bills. For customers who do not have copies of their WATS/800 service bills to establish actual overtime charges paid, an average refund of \$4.53 to \$5.95 per WATS/800 service line per month will be applied. All claims will be subject to verification. The refunds will also include interest at the rate of 7.80% per annum.

Claim Forms And Additional Information

Those customers who think they may be entitled to a refund or who desire more information must call 1-800-782-3026, 8:30 a.m.-4:30 p.m., Monday through Friday, or write to WATS Refund Pool Administrator, One Bell Plaza, Room 670, P. O. Box 650376, Dallas, Texas 75265-0376, to request a WATS Refund Information Package. The WATS Refund Information Package will contain further information regarding the lawsuit and eligibility for a refund, a description of documentation required to support a customer's claim for refund, and a refund claim form to be filled out and submitted requesting a refund. REQUESTING A WATS REFUND INFORMATION PACKAGE DOES NOT OBLIGATE YOU IN ANY WAY.

All claims for a refund must be received by the Refund Pool Administrator by Friday, October 5, 1990, and all rejections of the settlement (that is, requests for exclusion from the class action lawsuit) must be received by the Court by Wednesday, September 5, 1990. Only those who respond by filing a claim or by filing a rejection of the settlement, as explained in the WATS Refund Information Package, will receive notice of future developments in this proceeding.

Persons who wish to obtain further information may also contact the Public Utility Commission, Public Information Division, at (512) 458-0257 or (512) 458-1221, teletypewriter for the deaf.

NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT
Notice is hereby given that DICKENS ELECTRIC COOPERATIVE INC., (the "Utility") intends to establish a new load retention rate for qualifying large power loads over 2000 KW. The load retention rate includes a separate factor for recovering power costs associated with the customer's load. The Utility intends to change the power cost recovery factor applicable to all other customers to exclude the cost of power and KWH sales to customers utilizing the load retention rate. The changes are proposed to be effective June 26, 1990. Based upon a test year ended December 31, 1989, the proposed changes result in a decrease less than actual test year revenues of \$224,542 or 1.6%. The changes are applicable to all areas, all customer classes, and all customers served by the Utility. Implementation of the proposed load retention rate and other changes is subject to approval by the Public Utility Commission of Texas. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at Spur, Texas. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.
