97TH YEAR THURSDAY, AUGUST 9, 1990 ISSUE NO. 32

Sharon Pigg Addresses Museum Committee

by Marisue Potts
Meeting in the Motley County Library conference room on August 1, were sixteen individuals interested in establishing a Motley County Historical Museum as a county centennial project.
Speaking to the group was Silverton attorney Sharon Sutton Pigg, relating experiences from her six year stint as museum director in Snyder. The transplanted Michigander provided insights in organizing a museum, establishing collection policies, mobilizing volunteers, and planning exhibits.
"A museum is not just what you put old things in, but a place where you promote a theme or an exhibit for educational purposes. Your theme," she explained, "will be the history of Motley County." Mrs. Pigg confided that accepting items on loan presents the biggest legal problem a young museum might face, and suggested that a collection policy be the first order of business. "Visit museums, lots of museums, all kinds of museums," she advised. "And you don't need grants. You'd be surprised what a

little paint and lots of hard work can do!"
Other suggestions included dividing the unified group into specific committees such as Volunteers, Education, Exhibits, Collection Policy, Research, and Newsletter, and involving the school children. A basic education committee, for example, could begin work immediately with a "suitcase" or "trunk" presentation to classes, a children's art show, or flyers to involve the families in, for example, a family research project.
Chairman Glenn Woodruff presided over the meeting, relating that the Articles of Incorporation had been received from the State of Texas, thanks to the donation of legal expertise from Sharon Sutton Pigg. Among the benefits of incorporation is being able to enter into contracts, hold real estate, and accept tax-deductible donations.
The group unanimously voted to accept, now that the group has received its incorporation, the Traweck Hospital Building if the Hospital Board is still willing to give it.
Woodruff reported that the roof had

been checked and repaired, free of charge.
The publicity by the Amarillo Globe News of the Sidewalk Museum, windows in empty storefront buildings filled with items of historical interest was discussed. Windows in the Chalk Building will soon be decorated by Judy Cooper's committee. Mr. and Mrs. Vance Campbell will donate lattice backdrops recently used in the Floydada Centennial displays.
Special guests included members of the Traweck family, Dr. Albert Traweck, Dorothy Traweck Hanesworth, and Eleanor Mitchell Traweck. Others attending, besides those already mentioned, were Wynona Gilbreath, Jimmy Hunter, Lee Peacock, Otho Calloway, Nova Dell Turner, and Marisue Potts.
Joy Archer and Lorene Lancaster showed some examples of their club's historical art work, the Whiteflat Gin, H.H. Campbell's dugout, the state of Texas, which will be incorporated into a quilt for centennial fund raiser. Earlyne Jameson reports the Heart Assn. plans to sponsor a music conclave featuring historical instruments and a dance during the proposed centennial celebration.

State Historical Marker Sought for Whiteflat as Centennial Project

Donations are now being accepted through the Motley County Historical Committee for a state historical marker to honor the once thriving village and community of Whiteflat.
An early day settlement and a bustling village prior to the Great Depression, Whiteflat is a virtual ghost town today with only three families living there. Two pig feedlot operations dominate the landscape while the ravaged hull of a once proud school looks on with unseeing eyes.
By placing a state historical marker at the site, the County Historical Commission aims to capture the essence of the thriving Whiteflat of yesteryear with a 27" x 42" subject marker. The Texas Historical Commission will provide up to twenty-four lines of text and cast the aluminum marker which should be ready during 1991.
Sponsors for the marker, past and present residents of Whiteflat, have pledged over half of the amount required by THC, but an additional \$300 is needed. Any donations for the marker, large or small, will be gratefully accepted by Earlyne Jameson, Rt. 1, Matador, 79244 (phone: 469-5274) or Marisue Potts, Rt. 4, Box 115, Floydada, 79235 (phone: 983-3400.)
When the name "White Flat," used by Mrs. H.H. Campbell to describe the tall, white needle grass that grew on the prairie there, was rejected by postal officials in 1890, "Whiteflat" was coined by W.R. Tilson.
The original one room school house, funded by public donations or "subscriptions," was built by citizens hauling material from Childress in October of 1890. The school had homemade desks and benches, a stove in the center of the room, and water hauled in barrels from the creek.
With the Depression, the Dust Bowl, and the Drought in the 1930's, the rural community, dependent upon small family farms raising feed crops and livestock, began its decline. As tractors and other machines took over more tasks, fewer workers were needed. Many families moved or relocated while the few who remained farmed larger acreages.
Student enrollment continued to drop forcing the school to transfer all students to Matador after the 1946 school year. Then in 1966 with the death of post mistress Ida Morris, the Post Office too "passed on." The last store, Matney's Station, shut off the pumps and bolted the doors two years later.
The little hamlet which once boasted four grocery stores, four service stations, three garages, two cafes, a hardware store, and a post office is but a memory. A state historical marker would at least salute and mark its quiet passing into oblivion.

The Matador Lions Club met Tuesday, August 7 for a delicious meal prepared by Mrs. Betty Bearden and served to 23 Lions and 3 guests.
In absence of Boss Lion Billy Denison, Lion Rocky Vinson presided.
A report from the directors meeting was given. They elected to help the Eternas Study Club make the backdrop for the display in the Sidewalk Museum, downtown Matador. The Study Club is planning to decorate the old Spot Cash Gro-

cery windows.

Hospital Board Meeting Report

The Motley County Hospital Board met Tuesday, August 7 at 6:30 a.m. at Billie Dean's Restaurant.
The minutes were passed, bills were accepted to be paid, July expenses were \$7179.05, leaving a balance of \$7708.75.
The Board elected to give the old

Traweck Hospital building to the Historical Commission if they were willing to pay all transfer costs.
James Stanley explained the 1991 tax rate would be voted on in September.
Board went into executive session to discuss roof repair bids.

Roaring Springs City Council Holds Regular Meeting

The Roaring Springs City Council met in regular session on Tuesday, August 7 at 6:30 p.m.
Minutes were read and passed for the regular meeting held July 3 and for the special meeting held on July 18.
Water rate complaints were discussed. The Council feels they should wait for a few more months until leaks are checked out and repaired and the hot dry season has time to break. Council stated that so many people have been paying the minimum for years but are used to using more. Also old meters (or no meter) and bad pipes have caused improper billing. Joey Thacker stated he had two months of high bills and had his pipes checked for leaks. He did find a leak. The Council was told by the contractor that with the

old lines and the new extra strong water pressure there would be leaks for some time. The City Water Manager can go to the homes/businesses and check this.
The council adopted an ordinance from the Texas Department of Health stating any cross-connection of water must be equal value and meet State standards.
Frances Walters thanked the Motley County Tribune for the nice article in the August 2 issue. This article, by Carla Jones, explained the work being done in the City Park and plans for City improvement.
Mrs. Walters also thanked Councilman Bill Hand for helping unload the two new fire trucks, recently sent to Roaring Springs by the Forestry Service.
Council went into closed session.

Smiles were the order of the day when the roping competition of the 1990 Burleson Memorial, July 20-22, was delayed due to a welcomed rain. The much-needed moisture relieved the high temperatures and persistent winds of July which had rendered the Caprock region of Whiteflat and Flomot tender dry.
One of the highlights of the three day affair is the Youth Playday. The friendly competition, sometimes marred by tears, was kicked off by a stick horse race for the very young. While Kolt Brock, son of Kirk and Beverly Brock, Levelland, and Matt McPherson, son of Steve and Becky McPherson, Lockney, posted winners, sweet little Sage Brannon, daughter of Brent and Tammy Brannon, Whiteflat, was left at the starting gate. Her beautiful wooden steed forgot to run.
First place peewee, junior, and senior division winners in the stake races included David Whitaker, Matador; Andy Paul Jones, Roaring Springs; and Jody Scott, Matador. In the potato races where the object is to deposit a spud in a barrel as the horse circles and then race to the finish line, class champions were Tony Thomas, Plainview; Dusty Whitaker, Matador; Lacy Parks, Roaring Springs.
Flag race division winners were repeaters Tony Thomas; Dusty Whitaker; and Lacy Parks. Barrel race division winners were David Whitaker; Dana McCandless, Floydada; and Lacy Parks.
Jody Scott, son of Johnny and Debra Scott of Matador, won the prize headstall made by Alvin Durham of Roaring Springs for the boy's top youth award. The all-round girl's award, also a headstall tooled by Durham, went to Lacy Parks, daughter of Harold and Barbara Parks of Roaring Springs.
"Tekka," five year old grey of the Brent Whitaker family, took the All Round Horse award in both adult and youth divisions earning two breast collars handtooled by Durham, our Roaring Springs craftsman.
For their efforts in the playday events, despite the ratings or the tears, the ribbons or the trophies, the Burlesons declared that all the youthful competitors were "winners" in their book.
According to sponsors, Teen and Lou Burleson, the six different categories of Team Roping drew 503 entries with the roping, interrupted by rainshowers, continuing far into the night at the lighted arena. Carl and Johnnie Alford provided the roping cattle while Bundy Campbell furnished the cutting stock.
The father and son roping teams of Brent and Dusty Whitaker and Dickie and Dowell Garrison joined in showing

participate. Set-up will begin at 8:30 a.m.

Because this is the first year of a hopefully annual event, there will be no charge for participation.

Burleson Memorial brings Rain and Ropers together

S.C. BURLESON presents Alvin Durham headstall for "Youth All-Around" to David Whitaker, son of Mr. and Mrs. Brent Whitaker of Matador.

Guy Elliott and Scott Stone; Buddy Adair, Lubbock, and Cloyd Condon; Randy Crump, Hedley, and Scott Stone; Kirk Brock, Levelland, and Dickie Garrison.
For the fourth time in seven years, the Hedley team of Jr. Crump and Andy Wheatly captured the Pasture Roping title, winning prize bits made by Wade Brannon of Silverton. In this event a steer is given a running head start into a wide open pasture before the barrier pops and the header gallops after him. Following close behind, even when the steer heads for the watching crowd, pickups, and trailers parked at a "safe" distance on a hill overlooking the action, is the heeler. With a bit of luck and lots of skill, this team stretched out their steer in the fastest time.
Forty six entrants vied for three sets of coveted bits cast by Jim Bo Humphreys of Dickens, with one set donated by Turner and Turner of Flomot and another by D.M. Cogdell of Floydada. Paducah's Keith Slover on "Dee Misty Bar" won the Open Cutting division. Billy Max West, Snyder, on "Okalena" was first in the Novice Cutting contest. Todd Wilson's steed, "Dandy's Prescription," with Jim Slover up, captured the Ranch Cutting Horse prize.
Attempting to cut out three very independent flop-eared bovines, drive them away from the herd, and pen them without a wreck in a small corral placed in the middle of the arena were thirty-nine teams. The team of captain Walt Mayberry posted the best time, winning a set of Quataque Saddle Pads, one of which was donated by Rocky Vinson, Matador.
In the colorful new event of Team Branding, Teresa Whitaker chalk-branded a calf delivered to her by husband Brent Whitaker and flanked by Dickie Garrison and Dennis Gaines. A cash prize was the reward for their efforts.
The Lockney team of Cummings and McQuhae tossed a surprise victory in the washer pitch contest, winning a set of buckles made by Frontier Trophies of New Mexico.
For the past seven years the proceeds from the Memorial Roping has provided twenty-two scholarships for the Ranch Management division of Clarendon Jr. College. In addition, seven high school students and six 4-H members from Floydada have been awarded scholarships.
To all those who donated prizes or money, the use of cattle, or their time and sweat to the running of this year's memorial, the Burleson family extends a grateful "thank you" on behalf of the present and future scholarship winners

The elder Garrison who hails from Smithville and his partner Clinton Ware

Edna Tunnell

In a recent (August 1, 1990) letter to Hazel Donovan from Joe (Mrs. B.F. (Ben) Tunnell, Jr.) with these bits of news -- "I am writing to tell you some sad news about Edna Tunnell (Mrs. B.F.). Edna died June 15, 1990. She was just short one month being 97. Edna's last few years had not been the best for her. Her memory had deteriorated and she could not even remember her two sons. One thing for certain, she did not suffer any pain. Her last two years she had spent in bed. There was a wonderful Christian Filipino woman who lived with her and took care of her the last five years of her life. Edna had a beautiful graveside service Wednesday, June 20, 1990 at 10:00 am., buried in Smith Mountain Cemetery, Orosi, California. Many friends (lots of them were people she had taught in school) were there. I would also like to mention that B.F. (Ben) died February 23, 1989. He died from complications due to lung cancer. God has helped me to get myself together and go about my life for the sake of my children and grandchildren, (2 children and 6 grandchildren). One thing for certain, Hazel, Edna never got over leaving her home in Matador! She loved that house; that was her home, and she never forgot it."

The B.F. Tunnell family moved from Lewisville, Texas to Matador in 1929.

Edna Tunnell was superintendent of the Matador Independent School system and Mrs. Tunnell taught in Matador Grade School. In addition to teaching, Mrs. Tunnell was active in club work, gave book reviews, and directed many plays in the community.

The Tunnell family accepted teaching positions in California in 1946 and moved to Orosi, CA, where Mr. Tunnell taught for 11 years and had worked in school for a total of 46 years. Mrs. Tunnell taught in Orosi for 22 years. Parents of 2 children, B.F., Jr. and Billy, Mr. Tunnell died September 20, 1973.

Edna Brackeen Tunnell, native of Palo Pinto, born July 15, 1893, died June 15, 1990.

Graveside services, Wednesday June 20, 1990 at 10:00 a.m. Smith Mountain Cemetery, Orosi, California.

Beautiful memorial folder of services for Edna was sent by Jo.

Summer Spotlight On Students Lefevre Awarded Lone Star Farmer Degree

by Marisue Potts

In a dramatic presentation involving trumpet fanfares, spotlights playing over the crowd, and a giant gavel supported by ten state officers, the convention of young men and women from all over Texas of what was formerly known as Future Farmers of America, now just FFA, opened in Lubbock on July 10-14.

Prestigious state awards included a Lone Star Farmer degree for Billy Lefevre of Roaring Springs. According to Ag teacher Jim Cooper, Billy earned the honor with his leadership on a chapter and district level, exhibition of farm skills, scholarship in Agriculture Science and Technology classes, and record keeping denoting income from a livestock project, pigs shown in the county competition.

As a freshman Greenhand Lefevre placed 4th in area conducting. Last year the ambitious young man served as treasurer for the Greenbelt District, and in the coming year will be chapter president.

Flag burning was but one of many issues presented as 1,127 voting delegates participated in an exercise of democracy, electing officers and amending their constitution.

"I believe in the flag, and I will not support those who choose to burn it," stated Donnell Brown, FFA president and keynote speaker, to a standing ovation from more than 4,600 members and guests at the convalesce in the Civic Center hall.

Chapter officers and voting delegates attending from the Motley County High School chapter were Billy Lefevre, Matt

Washington, David Alexander, Billy Bob Bumpus, Jason Stanley, and Daniel Alexander.

As a member of the Courtesy Corps, a group elected, two from each of the sixty districts, to keep order during the convention, Daniel Alexander was responsible for ushering people to their seats, as well as monitoring the doors, name badges, and official FFA dress code.

Perhaps the most enthusiastic of those returning from the convention, Daniel, like Billy, enjoyed the experience of meeting new people. In addition, the sophomore found that the convention provided opportunities to practice parliamentary procedure, hear interesting speakers, and communicate with other members from all over the state.

Accompanying the Motley County group to Lubbock was Ag teacher Jim Cooper, who was awarded an honorary Lone Star Farmer degree last year.

One of the most visible signs of the progress Cooper and his students are making is the Ag farm where new fences, farrowing houses, and pens for pigs, sheep, and calves attest to their busy activity. The neat exhibit farm provides a convenient place for members to try out their projects and a forum for feeding out ideas presented in the classroom.

Once a student at Motley County under the tutelage of James Moss, whom Cooper described as "one of the best," the young ag teacher has come full circle, helping aggies work toward the same goals he once had.

Social Security Tips

by Mary Jane Shanes

People who are developmentally disabled may qualify for monthly benefits under either the Social Security or the supplemental security income (SSI) programs. The medical requirements for eligibility as far as disability is concerned are the same for both programs. Other eligibility requirements differ.

A mentally impaired person can get social security payments when a parent starts getting social security retirement or disability payments, or when an insured parent dies. It doesn't matter how old the person is, but he or she must have become disabled before age 22. A mentally disabled person who has worked long enough and recently enough under social security can also get benefits on his or her own social security work record.

SSI payments are paid to disabled people of any age, as well as to the blind and people 65 and over. SSI payments, however, are made to people whose in-

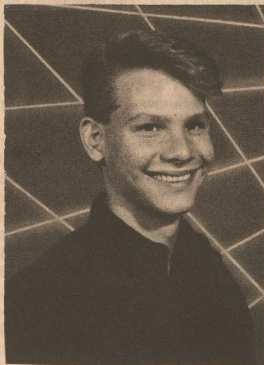

come and resources are below certain levels.

In deciding if an unmarried child under 18 and living at home can get SSI payments, part of the parents' work and living expenses and for other children living in the home, the remaining of the parents' income is included with the child's to decide if the child is within the income limit.

Although people living in public institutions are generally not eligible for SSI payments, an application may be submitted when it appears that a person will be able to leave an institution soon. And sometimes it is the SSI payment that makes it possible for the person to leave the care facility.

Call social security's toll-free telephone number for more information about social security or SSI benefits for disabled people. The number is 1-800-234-555A (1-800-234-5772).

Johnny's Miracle

by Reba Burkes

The late Johnny Mackey of Angel Fire, N.M. fought cancer for a year. During this year he prayed for a miracle, for healing and to bring his family to the Lord.

As often as they could get together, this family would gather around Johnny's bed, for prayer and Bible study and with his pastor, they all accepted the Lord.

It seemed to be his purpose here on earth to bring them all to the Lord. After all his treatments and suffering, he was ready to leave this world.

Johnny died two days after Christmas. On July 28, 1990, this family gathered at Angel Fire and with Johnny's pastor and at his church were all baptized.

His daughter, Kelly, son Evan, parents, S.A. and Vera Mackey of Solano, N.M., twin brothers, Caroll and Haroll Mackey of Belin, N.M., Haroll's step-daughter, Toni, and a good friend. His older brother, Curtis, of Utah was baptized two months ago.

His prayers came true and this is truly Johnny's miracle.

Johnny was a nephew of Reba Burkes and a cousin of Larry Burkes of Afton.

Palmer - Spikes Exchange Wedding Vows in Candlelight Ceremony

Mrs. Bob Spikes (nee Tricia Palmer)

Tricia Lee Palmer and Bob Ford Spikes were united in marriage on Saturday, July 21, 1990, at four o'clock in the afternoon at the First Baptist Church in Matador. Rev. Stacy Conner performed the double ring ceremony.

Parents of the couple are James and Pat Palmer of Matador and Ford and Doris Spikes of Snyder.

Friends and relatives were greeted in the foyer of the church by Cathy Perryman of Matador, who tended the registry table. The table was enlaced with an ivory lace cloth, a beveled edge mirror, candlelights and a crystal bowl with pink floating roses. Presenting programs to the guests was Whitney Onstot of Odessa, cousin of the bride.

The altar was decorated with a brass candelabra fan and two brass spiral candelabras, each bearing long tapered candles. They were entwined with ivy, babies breath, pink satin ribbon and roses. A white lattice work and baskets of greenery enhanced the candelabras.

The white unity candle was placed on a table near the altar. White tapers placed on each side of the candle were lit by the parents of the bride and groom prior to the ceremony. Pink satin bows enlaced with ivory pearls and babies breath decorated the pews. The windows were enlightened with pink net swags, satin ribbon, iridescent beads, dried roses with greenery and crystal candle votives.

Music before the ceremony was played by Robin Boedeker, Lockney. Margaret Stanley, Matador, played the traditional wedding march on the keyboard. Sam Stevens, Carrollton, played and sang "The Wind Beneath My Wings". Rowdy Elston, Stephenville and Sam Stevens, accompanied the groom as he sang, "I Have You." As the bridal couple lit the unity candle, Debra Spray, Matador, sang "The Lord's Prayer."

Given in marriage by her father, the bride wore a formal length gown of candlelight lace over satin enhanced by a traditional lace wedding band at the neckline and net overlays on the fitted bodice.

The lace puffed sleeves narrowed to points at the wrist. The full skirt flowed into a chapel length train. The lace on the dress was covered with iridescent sequins and pearls. A fingertip veil of illusion was attached to a headband of lace, pearls and iridescent sequins.

The bride carried a cascading bouquet of fresh pink roses, English ivy and babies breath enlaced with ivory pearls and pink and ivory lace ribbon.

In keeping with tradition, she carried a satin handkerchief belonging to her great grandmother, for something old, her dress was new, something borrowed was the veil and she wore a blue garter. In her shoe, the bride's father placed pennies minted in the birth years of the bride and groom.

Regina Cruse, Flomot, attended the bride as maid of honor. Joely Ewing, Matador, was her bridesmaid. The bridal attendants wore tea length dresses of pink acetate featuring a sweetheart neckline, deep scooped back with a bow at the waist, flowing with a three tiered ruffle.

They wore pink picture hats decorated with babies breath, pink roses and an ivory lace bow with streamers. Each carried long stemmed pink roses, with babies breath and pink and ivory lace ribbons.

Flower girl was Ashley Belt of Odessa, cousin of the bride. Her dress was fashioned like the bridal attendants. She wore a round floral headpiece, which held pink rosebuds, babies breath, tiny ivory pearls, and pink ribbon.

The groom was attired in a dark grey pin-striped tuxedo with tails, gray cummerbund and tie. He added a pink rosebud boutonniere.

Sam Stevens of Carrollton served as best man. Groomsmen were Nolan von Roeder of Snyder. Ushers were Van Spikes, the groom's brother, of Friona and Josh Palmer, brother of the bride, of Matador. They wore dary grey pin-striped tuxedos with grey cummerbunds and ties with pink rosebud boutonnières.

Ringbearer was Brodie Pierce, nephew

of the groom, of Snyder. Sarah Pierce and Calli Pierce, nieces of the groom, both of Snyder were candlelighters.

A reception was held in the Senior Citizens Building immediately following the ceremony. A pink cloth with an ivory cutwork tablecloth covered the bride's table. The three-tiered wedding cake was decorated with pink roses and topped with a western porcelain bridal couple. The bridal bouquet of pink roses held by an antique vase and crystal candleholders with pink tapers were used as the centerpiece. Wedding punch, mints and nuts were served from crystal appointments. Serving at the bride's table were Cindy Hoover of Booker, Jacque Hamlin of Moscow, Kansas, Paka Barton of Matador and Cathy Perryman of Matador.

The groom's table, covered with an ivory cutwork cloth, held a fresh apple cake. Coffee was served from a silver coffee service. Audra von Roeder, Snyder and Shana Hart Butler, Dallas presided at the groom's table.

Birdseed bags were distributed by Miranda Palmer of Paducah and Brandee Keener of Seminole.

Following a trip to Breckenridge, the couple will make their home in Moran.

The bride is a 1989 graduate of Motley County High School and will attend Cisco College in the fall.

The groom is a 1985 graduate of Snyder High School and a 1988 graduate of Tarleton State University. He will teach school and coach at Moran ISD.

The groom's parents hosted a rehearsal dinner at the Roaring Springs Ranch Club. The meal was catered by Jerry Slaton of

Afton. Barbecued brisket, potato salad, beans, homemade hot rolls and peach cobbler was served. After the meal, everyone enjoyed music by various people attending the dinner.

The hostesses took turns serving an assortment of finger foods, punch and coffee.

EXERCISE REVERSES PHYSICAL DECLINE IN OLD AGE

Some physical decline is inevitable with aging, but as much as 50 percent of physical limitations can be blamed on inactivity. Even low levels of activity such as walking can lead to improvement in health and general well being. And even severely impaired elders can regain strength and independence.

In one nursing home (in Connecticut), 20 disabled residents walked daily for four months. Several people became more sociable as their walking improved and they were able to attend meals and activities. One incontinent resident resumed independent trips to the bathroom and eventually regained continence.

For safe and enjoyable exercise with older persons:

- * Exercise in pairs and groups
- * Exercise at the same time daily.
- * Stop exercise if severe pain, dizziness or other unpleasant physical symptoms occur.
- * Wear comfortable clothing and good athletic shoes.
- * Drink extra water before and after activity to avoid dehydration.

Before starting on an exercise program, older people need a complete

physical examination from their doctor which includes:

- * A complete medical history.
- * Evaluation of medication levels to determine if adjustments are indicated for increased activity levels.
- * Blood testing for glucose and cholesterol levels.
- * An exercise tolerance or stress test to determine current level of fitness.

For maximum benefits of any physical exercise program, older people should exercise in such a way that reaches 65-75 percent of their maximum heart rate (number of beats per minute). This is determined by subtracting the person's age from 220. Three to five 20 to 40 minute exercise sessions a week are ideal for increasing cardiovascular fitness.

If you would like to be included in the fall mailing of a newsletter, please contact the Extension Office and leave your name and address.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

SEEDS FROM THE SOWER

Dandelions are pretty, but they're troublesome. They grow almost everywhere, especially over our lawn.

"Destroy them," I said to our helper.

"Yes, sir," he answered. But he mowed them, and they grew up again. He just cut off the flowers. He didn't dig up the roots.

As it is with our lawn, so it is with your life. You go to church. You turn over a new leaf. But you find your old faults and failures are still there.

Care to get rid of the weeds of wickedness? Turn from your sins. Turn to the Saviour. Then let Him replant your life with the fruit of the Spirit, won't you?

Judge not, that ye be not judged.

Matthew 7:1

What Is The Purpose Of A Church?

"Take heed...to feed the church of the Lord which he purchased with his own blood" (Acts 20:28). Being purchased with the blood of the Lamb, the church is for bringing people to salvation. Getting them to heaven. This is done by spreading the gospel "the power of God unto salvation" according to Paul's statement found in Romans 1:16. Then by building up the church through teaching the Bible. "And now I commend you to God, and to the word of his grace, which is able to build you

up, and to give you the inheritance among all them that are sanctified" (Acts 20:32) Some folks wouldn't believe that the major work of the church is taking the gospel to

the lost and building up the Christian through teaching the Scriptures. Why is that? Could it be that as years have passed, other things have been given more prominence?

In many religious activities which one hears or reads about, Christ and the Bible often go unmentioned. You may hear or read of such and asks, "Is this the purpose of a Church?"

Isn't it time that the church gets back to its original purpose for existing? Isn't it time to get back to the Bible? This is exactly what we of the Matador Church of Christ are determined to do. Come and help us in this noble effort. You are always welcome and we would enjoy having you with us.

MATADOR CHURCH OF CHRIST Michael G. Crowley, Sr.
