Little League Attempting To Arrange Schedule

The Little League ball game scheduled for last Saturday was postponed until a later date, because the Brownwood club could not get here. The men sponsoring the team, Claude Bible and Bill Day, are attempting to arrange a schedule of games for the boys and as soon as this is completed, it will be announced.

Boys playing on the Little League team and their positions are: Robert Perry, C; Eugene White, P; Max Price, P; Roy Payne, P; J. C. Bible, 1B; Freddie Walker, 2B; Bobbie Densman, 3B; Eddie Hartman, SS; Junior Vasquez, LF; Donald Ray, CF; and Jerry Snodgrass, RF; Kenneth Haynes, 2B; F. Wagner, P; Joe Brannan, F; Richard Brannan, F; Denny Densman, F; Lowell Pembroke, F; Joe Riley, SS and 2B; Paul Vasquez, F; and Bud Wylie, C.

Other boys of the town of this age are invited to work out with these boys each afternoon on the old ward school playground.

Tuesday night the Little Leaguers played the Brownwood Colored team at Bangs and tied them 4 to 4. This was the first game under lights for the local boys. Monday afternoon they will return the game at the Colored Ball Park in Brownwood.

Practically every merchant in town has now contributed to help these little leaguers out. They have a back stop on their play ground and are expected to have their uniforms by the end of this week. The boys and their parents appreciate the help the merchants are giving them.

Vacation Bible School Ends At Rockwood

The Methodist Church Vacation Bible School attended by all the young people of the Rockwood community held its completion exercises Friday evening with an enrollment of 56.

A mock TV program was featured in which each of the school departments had a part in the graduation program with Morris Sraughan as Master of Ceremonies. Attendance certificates were given the students and workers.

The school opened Monday with Miss Patsy Rehm in charge, assisted by a corp of trained workers.

Local Methodists At Annual Conference

Rev. and Mrs. Jack Payne and R. K. Green are in Fort Worth this week representing the local Methodist Church at the Central Texas Annual Conference. The conference is composed of lay delegates and all ministers of Methodist churches in the Central Texas area extending from Ft. Worth to Ballinger to Georgetown. There are more than three hundred separate churches and total membership of the conference will number in excess of seven hundred delegates.

Mr. Green, who last week was installed as Lay Leader of the local congregation, will be a voting member of the conference which decides on all matters of business and policy for the coming year and hears reports from all the church agencies for the year just completed.

The conference will close Sunday afternoon with the reading of ministerial appointments for the coming year.

Visitors in the T. H. Upton home over the week end were Mr. and Mrs. Newman Upton and children of San Antonio; Mr. and Mrs. Claude Miller and children of Kermit; and Mr. and Mrs. Neal Oakes of Winters. Several friends of Santa Anna and Cross Plains also visited with them.

Mrs. Florence Casey left Monday for a visit of several days with her sister, Mrs. Inez Drake.

Freddie Earl Dodson Stationed At Fort Bliss, Texas

FREDDIE E. DODSON

Freddie Earl Dodson, son of Mr. and Mrs. L. J. Dodson of Route 2, Santa Anna, is in the military service at Fort Bliss, Texas, and has started a 16-weeks training course at the end of which time he will be an anti-aircraft artilleryman.

After the training period is completed there are a number open to him.

Post Office Box Rent To Increase Effective July 1st

Mr. F. C. Woodward, postmaster, said this week that all post office box rents will increase approximately 50 percent with the July rent. The rent on boxes becomes due each quarter of the year.

Small boxes will increase to 90 cents per quarter; medium boxes to \$1.10 per quarter; and large boxes to \$1.50 per quarter.

Woodward said this was the first basic increase in post office box rent since 1907. There has been some increase and decrease in local rents during that time, but this has been based on the amount of mail handled by the local office.

He also stated that on a five month period, from January through May of this year, receipts at the local office increased 16 percent over what they were for the same period last year. Each year for the past several years the post office has seen a little increase.

Methodist Vacation Church School Closes

The Methodist Church's Vacation Church school closed Sunday with more than fifty children receiving certificates of attendance. The school, which was under the leadership of Mrs. Leland Thompson, had twelve adult teachers and more than ten other adults taking part in other phases during the week.

On Sunday, June 7, certificates were awarded and toys for the nursery and other children's classes which had been made by the pupils of the school were displayed.

Mr. and Mrs. Eugene Watkins and daughters, Alice and Beth, of Nashville, Tenn., came Saturday for a vacation visit with his mother, Mrs. J. E. Watkins. Mrs. Watkins and guests have been visiting other members of the family, Mrs. Bessie Standley and Mrs. Andas Smith and family in Odessa.

While on their vacation, Mr. and Mrs. H. A. Williams of Abilene, came Sunday morning and visited until late Tuesday afternoon with her mother, Mrs. R. B. Archer.

When Rev. and Mrs. Jack Payne and Dana left Tuesday to attend the Central Texas Conference in Ft. Worth, Mrs. Ella Stiles accompanied them for a visit with her sister, Mrs. Will Hall and other Ft. Worth relatives.

Vacation Time Again!

Next week is the week your editor and family usually takes a few days vacation. We plan to leave here at about noon Tuesday, June 16 and be gone the remainder of the week.

In order for us to be able to take these few days off, we must get the paper out before we leave and we will certainly appreciate the cooperation of all our advertisers and those who turn in news for publication.

For this one week we must set dead-lines as follows: All news matter must be in by 3:00 p. m. Monday, June 15, and all advertising must be in by 5:00 p. m. Monday, June 15. Copy that is not in by the times mentioned will be published in the next week's edition.

We will appreciate all correspondents getting your news items on the Monday morning mail.

The paper will be mailed to all subscribers on Thursday morning rather than at the usual time. The News Office will remain open during the time we are gone for the convenience of customers who want commercial printing or any of the many supplies we handle.

Lack Of Funds Prevent City From Considering Pavement On South 2nd St.

At the regular meeting of the City Council on Monday night the members of the Council decided to pass consideration on paving South 2nd Street and in front of the new elementary school because of the lack of funds. The Council discussed other proposals offered by the Chamber of Commerce (a municipal golf course and a municipal swimming pool) very lightly. However, there is a chance that the swimming pool might come up for further consideration later on.

The town was sprayed for insects on Monday night but the wind was so high it was not generally considered that the spraying did much good. The Council has not set up definite plans as to how often they will spray, but plan to do so as they feel it is needed. They are also attempting to work out a formula (or mixture) that will give the best results with each spraying. Information is being obtained from the Texas Health Department on this.

The Council authorized payment of all bills due the first of June; accepted Miss Jettie Kirkpatrick's \$3,000 bond; voted to set the interest rate on all paving liens at 6%; voted to cover all city employees, including the nightwatchman and city marshal by social security; offer the radio receiver for sale to the State Game Warden for \$200, (the county offered to buy the set for \$100); instructed the Secretary to deposit water and sewer funds in one account rather than two accounts; and offered two of the city owned fans formerly used in the GI School for sale.

The Secretary was instructed to mail notices to all who have not rendered their taxes for 1953 and request they render them as soon as possible and also mail notices to all who have not paid their 1952 taxes and inform them the penalty will increase to 11% effective July 1.

Miss Mabel Belvin, R. N., was here from Ft. Worth last Friday, visiting with Mrs. Roy Stockard. Miss Belvin will get her B. S. degree in July at T. C. U., where she is majoring in Fine Arts. Together, Miss Belvin and Mrs. Stockard visited other friends, and took a trip through the Santa Anna Hospital, where Miss Belvin was director of nurses for 14 years, during Dr. Sealy's lifetime.

Mr. and Mrs. Charles Yancy and daughter, Linda Kay, of Lufkin, visited Saturday and Sunday with her grandmother, Mrs. Joe Cochran and Mr. Cochran. Mrs. Yancy is the former Carol Sue Neighbors.

O. B. Smith is one of many boys attending a camp for boys during this week at Irving. The camp is sponsored by the Salvation Army.

Good Grain Crop Being Harvested In This Area

Some of the best grain that has been raised in this area in many years is being harvested here this year. Reports indicate that most grain producers are making more per acre than expected and wheat and oats are getting a better test than most thought possible.

One crop of wheat harvested south of town tested 65, which is supposed to be the best ever tested in this area and oats are normally testing from 30 to 32 now with some of them testing as high as 36 with one load reported to have tested 37 and one load tested 38.

There is still lots of small grain to be harvested in this part of the county and the peak is expected to be reached next week. Both elevators are operating almost at capacity throughout the day, light hours each day now.

Lions Den

Lion Jack Woodward gave the program at the local meeting of the Lions Club this week. He discussed several proposed changes in the status of the Post Office Department and told of the rate increase due to be effective on local box rent the first of July. Lion Wigger was also on the program with him.

The club voted to sponsor the State X-Ray survey, that is scheduled to be in Santa Anna July 6 and 7 and Lion Dr. Henner was appointed to head the committee for overseeing the two days stay here. This will be similar to one that was here about two years ago and no charge will be made to take the X-Ray pictures. The Coleman Lions Club is also sponsoring the group in Coleman. Location of where the pictures will be taken will be announced at a later date.

Walker Tatum, heading the ticket sales committee for the Sykes Gospel Singers, to be at the high school auditorium on Thursday night, June 18, gave each member present some tickets to sell. Tickets will also be on sale at a number of the local stores. Admission prices are 25 and 50 cents.

Lions Carl Gilkerson and Jack Payne are scheduled to have the program for next week.

Mr. and Mrs. Montie Guthrie and A. D. Pettit were in Austin Monday and Tuesday attending the State Firemen's Convention.

Tickets Go On Sale For Sykes Gospel Singers

The Sykes Gospel Singers, a Colored Quartet of radio and recording artists from Los Angeles, California, will be at the high school auditorium Thursday night, June 18, under the sponsorship of the Santa Anna Lions Club. This is the same quartet that was here last year.

Tickets are on sale by most members of the Lions Club and by Piggly Wiggly, the Santa Anna National Bank, Collins Grocery, Hosch Grocery, the Santa Anna News and the McDonald Grocery at Shield. Admission prices are 25 cents for students and 50 cents for adults.

Methodists Close Church Year With Report

The local Methodist Church closed its sixty-eighth year last week with one of the most beneficial periods in its history. The final report to the congregation showed a total number of additions to the membership this last twelve months of thirty-two with more than half coming by baptism and vows. The membership rolls show a total active membership of 340.

Financially speaking the church has seen the greatest year in its history. The amount raised for all purposes in the church was \$14,000 and the church contributed approximately one-third of this amount to missionary and other benevolences outside of the local church. The congregation made nearly four thousand dollars worth of improvements on their church building including new stained glass windows, carpeting and new doors. All improvements and other expense items were completely paid for by the close of the church year.

In his report to the church last week, the pastor called attention to several needs and the congregation plans to move forward this year toward the construction of a new modern parsonage for their minister's use. Bro. Payne reports that the building fund for this new parsonage has already been started with gifts from two families in the congregation.

Two County Boys In Dallas Music School

Ottis Taylor, son of Mr. and Mrs. A. B. Taylor of Santa Anna and Fred Smith, son of Mr. and Mrs. Neal Smith of Coleman are attending a three-weeks school of music in Dallas. Both boys are taking advanced piano lessons. The two boys are staying in a boarding house with eight other boys from several other states.

Mr. and Mrs. Paul Erskine of Los Angeles, arrived Monday afternoon for a visit with her sister, Mrs. Roy Stockard. Mrs. Erskine is a graduate of the School of Nursing of Scott and White Memorial Hospital in Temple. The Erskine's and Mrs. Stockard will attend Home Coming for Ex-Students, which will be held there Thursday through Saturday of this week.

Mrs. J. T. Seddon came from Houston Saturday night and brought her mother, Mrs. J. R. Banister home from a weeks stay there. Mrs. Seddon returned home Sunday night.

Mr. and Mrs. Paul Pembroke and son Lowell and Joe Riley left last week for a stay of a week or more, visiting in Arizona with relatives of the Pembroke's and sightseeing.

Mr. and Mrs. John L. Burden of Houston visited during last week with relatives here, the Homer Burdens and the Lee Boardman's.

New Business Opens; Others Are Remodeling

Rex Haughwaut announces this week that he has leased the Banner Ice Company building in the east part of town and has reopened it under the name of Rex's Ice Company. He will operate as an independent company and will handle a complete line of Banner and Gandy Products for wholesale and retail, including milk, ice cream and novelties. He will also handle block and crushed ice. See his opening announcement elsewhere in this issue of The News.

Another new establishment expected to be completed by about September 1 will be a completely new and modern Humble Service Station in the west part of town. Construction began on this building last week. It is to be a \$20,000 building with all the latest equipment in the service station line.

Also expected to begin operation in Santa Anna about September 1 is the Santa Anna Tile Company, located in the old Ford Motor Company building in the east part of town. A lot of remodeling work is being done on this building and when completed it will be a modern building and they will employ approximately 40 persons when operation begins.

The Santa Anna National Bank is also receiving a new paint job this week. All the bank building, inside and out, will be repainted.

The Phillips Drug Company has been undergoing some remodeling the past few days with a new lower ceiling being put in, which will help to cool the building and also improve the lighting of the building.

National Guard Activities

By M/Sgt. Charles W. Wristen

The first hour of last Wednesday's drill consisted mostly of briefing for Summer Camp. M/Sgt. Charles Wristen took up the stages of first aid for poisonous snake and insect bites and poisonous plants such as poison oak and poison ivy. For the second hour of training Cpl. Luther J. Talley held an outdoor class on Tank Gunnery.

Promotions during the past week were: Teddy G. Clifton and Billy L. McClellan being promoted from Pvs. E-1 to Pvs. E-2. These promotions were automatic upon completion of four months service.

Strength Report as of June 3, 1953 — 2 officers and 47 enlisted men being assigned to the company, with 2 officers and 34 enlisted men being present for drill here at Santa Anna. 12 enlisted men have authority to drill with other units away from Santa Anna.

ROSA MAE BASS EMPLOYED AS DEPUTY AT COLEMAN

Mrs. Rosa Mae Bass has been employed in Coleman at the County Tax Assessor-Collector's office for the past several weeks. Early this week the Commissioner's Court appointed her as a permanent deputy in this office.

Jack Kingsbery spent last week in East Texas. His wife and little Ann, remained here with the home folks while he was away and all returned to their home at Batesville Monday.

Mr. and Mrs. H. L. Biggs of Ft. Worth were here over the week end visiting with their parents, Mr. and Mrs. W. W. Bartlett and Mrs. Linnie Biggs.

Mr. and Mrs. E. W. Parker and children of Odessa, visited Saturday with her parents, Mr. and Mrs. Louis Zachary.

Mrs. I. Williamson left Monday to spend the summer with her son, Bill Williamson and family at Encino, California.

GATES TIRES

Tested-Proved Long-Wearing

COLD RUBBER

You Can Get It In Your Next New Tires

You have read about COLD RUBBER—the "miracle" rubber described in leading magazines. Official tests have proved COLD RUBBER wears up to 30% longer in tires than even natural rubber.

Get set NOW for MILES AHEAD

As you think about the miles you will have to travel on your next new tires, you will certainly want them to be the longest-wearing tires you can get.

Now—in the Gates Tire—you get a tread toughened and fortified for miles and miles ahead with this long-wearing MIRACLE RUBBER.

LIFETIME GUARANTEE against tire failures, including blowouts, bruises, etc.

Described in READER'S DIGEST POPULAR SCIENCE POPULAR MECHANICS and other leading magazines

Slippage—going on constantly in tires—is the real reason why tires wear out. With every revolution of the wheel, there is some slippage—and it is this slippage that grinds off rubber on the road and eventually wears out the tire.

Gates engineers conducted intensive research into the effects of slippage and its relationship to tread design.

In the specially-engineered tread of the Gates Tire, this ever-present slippage of the road has been minimized—reducing roadwear and effectively adding EXTRA MILES to the life of the tire.

CARD OF THANKS

The family of Jim Rodgers wishes to extend their sincere appreciation for the kindness and consideration shown during the recent bereavement at the loss of our father and grandfather, the late W. H. Rodgers. 1c

I wish to take this method of expressing my sincere appreciation to my friends for your thoughtfulness, your cards, flowers, etc., during my recent illness. May God bless each of you in my prayer.
Mrs. W. H. Burden. 24p.

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts.
The W. J. Fry family. 24p.

North Side Baptist Church News

Bro. Willis of Abilene filled the pulpit at the Northside Baptist Church Sunday, June 7.

Missionary Marcilina Trinidad spoke at the W. M. A. Tuesday. Her talk was very inspirational and everyone enjoyed it very much.

Attendance has been good in all our services even though we have had considerable sickness recently among our members. We pray that they will soon be back in our services.

Bro. Nunn of Abilene will begin our summer revival on Thursday night before the First Sunday in August. The public is invited to attend all our services.

Bro. Whetsel of Abilene will fill the pulpit Sunday and the general public is invited.

Mr. and Mrs. Louis Zachary attended the annual King family reunion at Hico, Sunday. Eighty-seven members of the family attended. The Zachary's got to visit with several members of their family there: J. W. Zachary and wife of Freeport, and Mr. and Mrs. Troy Laxton and Jimmy Troy of Lake Jackson.

Eugene White left last Sunday morning for Irving, where he will attend a summer camp. He will return home after a weeks stay.

Our WASHINGTON Letter

By Congressman O. C. FISHER

The Hoover Commission Report got another pat on the back last week when the House joined with the Senate in approving another departmental reorganization plan. The object of these reforms, you will recall, is to create responsibility in agency heads, eliminate overlapping and duplication of functions, consolidate and realign activities, and thereby have better government at tremendous savings to the American taxpayers.

The Congress has now placed its stamp of approval on 7 of these streamlining plans, and the job is nearly complete. As was expected, there has been opposition to each of the revamping plans. But the public demand for reforms to eliminate or reduce duplication, overlapping, inefficiency, confusion, and waste, has been so great that opposition has been more vocal than effective. The most recent proposed reorganization, this time in the Department of Agriculture, was approved in the House last week by a whopping vote of 261 to 128. I voted for this phase of the Hoover Commission proposal. Observers estimate that the 7 revamping plans should eventually save the American taxpayers around \$2 billion annually and at the same time provide better and more efficient service to the people.

A wedding ring is like a tourniquet. It stops your circulation.

Mr. and Mrs. F. Z. Payne attended commencement exercises at S. M. U. in Dallas last week, where they saw Mr. Payne's nephew, Clifford Lee Payne, receive his degree in law. They also saw a former Santa Anna boy, Earl Dayton McDonald, receive his B. S. Degree in Electrical Engineering.

Mrs. Alvin Burden and daughters, Grace and Mary, of Spencer, Okla., are here helping to care for her mother-in-law, Mrs. Homer Burden. Mrs. Burden was moved home from the Santa Anna Hospital last Saturday, where she continues to improve.

Mr. and Mrs. William Rutherford, Don, Joe and Larry and her parents, Mr. and Mrs. S. F. Tucker, from near Coleman, returned the first part of the week from their vacation in South Texas. They visited Brackenridge Park and the Alamo in San Antonio, Corpus Christi, Texas Longhorn Cavern and the State Capitol in Austin. Since returning home, Joe is having a bout with the mumps.

Jordan - Schrader Vows Exchanged Sun.

On Sunday, June 7th, at 7:30 p. m. in a candlelight ceremony Miss Ruby Nell Jordan of Mason, daughter of Mr. and Mrs. Ernest Jordan, there, became the bride of Darwin B. Schrader, son of Mr. and Mrs. Ed Schrader of Santa Anna.

The double ring ceremony was performed in the Art Methodist Church near Mason, with the pastor, Rev. Jordan, a relative of the bride, officiating.

Altar decorations consisted of baskets of white gladioli and white candles in bronze candelabra.

The bride wore white champagne lace-over satin, with a flowing train and white mittens. Her fingertip veil fell from a halo of orange blossoms. Her bouquet was a white orchid, encircled with stephanotis.

Ruth Jordan of Mason, twin sister of the bride, was maid of honor. Wanda Brown of Coleman and Barbara Minzenmeyer of Winters were bridesmaids.

The three wore blue, orchid and pink taffeta with net, respectively, and each carried a bouquet of pink carnations.

Flower girl was Gail Jordan, who wore yellow taffeta and net. Dwight Lefestli was ring bearer. Garland Schrader, Santa Anna, brother of the groom was best man. Billy Ray Weathers, Coleman and Calvin Lefestli, Mason, were ushers. The bride's mother wore powder blue crepe with white accessories and the groom's mother wore teal blue nylon with pink accessories. Each had a baby orchid corsage.

Mrs. Ernest Lelmborg played Lohengrens Wedding March and accompanied Maurice Lefestli, who sang "Always," "Because" and "The Lord's Prayer."

At a reception in the ranch home of the bride's parents, following the ceremony, the three tiered wedding cake was topped

with miniature wedding bells and surrounded by orange blossoms. The bride attended Mason High School and San Angelo Jr. College the past two years.

The groom graduated from Santa Anna High School in 1948 and attended Tarleton State College two terms. He is now with the U. S. Navy. When the couple left on their honeymoon trip to California, where he will be stationed at Ream Field, the bride was wearing a peach colored linen suit with white accessories and a cultured pearl necklace, a gift from the groom, bought in Japan.

Those attending from Santa Anna were Mr. and Mrs. Ed Schrader and Farland; Mr. and Mrs. Douglas Schrader and Myron; Mrs. Herbert Bankhead, Eddie and Pamela of Dalhart; Mr. and Mrs. G. B. Smith, Miss Virgle Brown, Mrs. John Brown, Mr. and Mrs. William Brown and Andy.

Estes Family Holds Reunion Sunday

The J. A. Estes family reunion was held Sunday, June 7, at Coleman Park. Mr. and Mrs. Estes came to Coleman County from Waco in 1896 and have lived in the Rockwood community continuously since that time. Mr. Estes was born in Tenn. in 1860. Mrs. Estes was also born in Tenn. in 1868. They are both still living. Mr. Estes is in fairly good health. Mrs. Estes is now bed-fast.

Mr. and Mrs. Estes are the parents of thirteen children, all of whom are living except one daughter, who passed away in 1939. All of these thirteen children have married and have children. At the present time, counting children, grandchildren and great grandchildren together with sons-in-law and daughters-in-law, there are right at 200 members of the Estes Family Reunion.

Of course all of them never get together at any one reunion.

At the meeting last Sunday there were 101 in attendance including a few visitors not related to the family.

J. T. Oakes Family Holds Reunion Sun.

Mr. and Mrs. J. T. Oakes had the pleasure of having most of their family with them last Sunday. All their children and their families were with them, except J. T. and family, who moved recently from Jefferson, Texas to Baton Rouge, La.

Those present were Vernon Oakes and family from Lubbock; Fred from Ft. Worth; Major and Mrs. Charles Konze and children from Killean; Mr. and Mrs. Otto Wojtek of Robert Lee; Mr. and Mrs. A. N. Walters of Washington D. C.; Mrs. Jasper McClellan and family and Lenton Oakes and family of Santa Anna. All from a distance have returned home except Mr. and Mrs. Walters who are remaining for a longer visit.

Local 4-H Girls Enjoys Party, Show

The Santa Anna Ward School 4-H Club girls had a dress-up party Saturday, May 23. The members met at the home of Carolee Campbell and from there went to Coleman and attended a picture show. They returned to Carolee's home for refreshments, which consisted of punch, ice cream, cookies, peanuts and mints.

The girls presented a gift to Mrs. D. H. Moore as an expression of their attitude for her gracious leadership. Mrs. Carrol Kingsbery, Mrs. Moore and Mrs. C. W. Fleming accompanied the girls to Coleman.

This was the last meeting of the year for this club.

Mrs. Gay Hostess To Final Meeting Of Year For Garden Club

The Mountain City Garden Club had the last meeting of the club year, Friday afternoon, June 5th, in the home of Mrs. R. C. Gay with Mrs. Hardy Blue president, in charge.

Roll call was answered by "The Program I Liked Best This Year."

Mrs. J. R. Gipson discussed "Important Articles in Recent Flower Magazines."

Mrs. Maggie Culver discussed "Practical Plant Combinations For This Climate."

Mrs. Blue, the retiring president, installed the incoming officers: Mrs. Rex Golston, Pres.; Mrs. Fern Hoke, Vice-Pres.; Mrs. Otis Bivins, Sec.-Treas.

Mrs. T. A. Mills was appointed Finance Chairman. The new president will appoint other committees later, including a program chairman.

Fifteen ladies attended.

Liberty Home Dem. Met With Mrs. W. H. Pittard Tuesday

The Liberty Home Demonstration Club met Tuesday afternoon June 9th, in the home of Mrs. W. H. Pittard. Visitors recognized were: the county agent, Mrs. Edna Weed, her daughter and three children of Coleman; and Theda Joyce Owen of Brownwood.

The pledge and prayer were repeated and routine business attended to. Mrs. Weed gave a demonstration on sponge cake she had brought with her. It was served with punch.

Ten members were present. The next meeting will be Tuesday, June 23, at the Community Building, when a demonstration on "Rags to Rugs" will be given. Visitors are always welcome.

So the People May Know

In the event of a public calamity of urgent necessity, county commissioners courts may issue warrants against the road and bridge fund in excess of current revenues, but only after the particulars have been published in a newspaper. This is the rule:

"From and after the taking effect of this act, it shall be unlawful for the Commissioners Court of any county coming within the provisions of this act to issue or cause to be issued any warrants, script, or evidence of indebtedness, or to create any debt against the road and bridge fund of such county, except as authorized by this act, in excess of the current revenues of said county road and bridge purposes; provided that in the case of great calamity or urgent public necessity, said court may issue warrants against the road and bridge fund in excess of current revenues for the purpose of repairing roads and building bridges occasioned by such calamity or urgent public necessity, but in no instance shall such warrants exceed the limitation provided by the constitution and laws of this State; and provided further that no warrant shall be issued for such purpose until first authorized by order passed by such court, and provided further that said order shall recite fully the necessity therefor and particularly specify the several purposes for which said warrants are to be issued, which said order shall be published at least one time in some newspaper published in said county before said warrants are issued. If no newspaper is published in said county, then in some newspaper in an adjoining county nearest the county seat of said county."

Free Christians

Lesson for June 14, 1953

WHEN Paul speaks of Christians as "dead to the law" or "free from the law" he is not thinking of what we call the law of the land. Paul was very careful to observe the laws of his own Roman Empire, as well as all local laws. Furthermore, when Paul speaks of Christians' freedom from law he does not mean that a Christian can afford to turn his back on the Ten Commandments, even though when he says "law" he is usually thinking about those Ten Commandments and all they involve. Let us see what is meant by saying Christians are dead to the law.

Dr. Foreman

Law As A Curse

Paul speaks more than once of the "curse" of the law, as for example in Gal. 3:13—Christ "redeemed us from the curse of the law, having become a curse for us." Now it may seem odd and even perverse to think of law as a curse, especially a good law. And particularly the law of God; how can that possibly be a curse? To understand this we have to think our way back into Old Testament times. There were certainly some people, like the unknown poet who wrote the 119th Psalm, who loved the Law and found joy in studying and keeping it. But for every such man there must have been numberless others who found the law just what Paul at one time in his life had found: a sort of standing threat on God's part. "Do this or else—; don't do that or else—; Don't we know people in our times who think of God as keeping a sort of record book full of black marks—; who think of God as keeping up with us just in order to take down everything we do and we say or do or think? A person who is not very conscientious may think gaily: "I'll get

by," but a conscientious person who realizes what a high standard the law calls for, may live in terror lest God demand vengeance for every broken law, great or small. Now the Christian can breathe freely; he is free from such terrors because whatever curse there may be in the law, Christ has taken upon himself.

Law As A Condition

Then the Christian is free from the law as a condition of God's favor. "When shall I be good enough for God to love me?" is a question no one ought to ask. The Christian is one who has discovered that God's love does not wait for our obedience. A mother does not wait till her baby is old enough to understand her and obey her before she will love him. And even when he is old enough to understand, if he disobeys she may disapprove and punish him, but she will not stop loving him. If God had waited to love us till we were good enough to love, he would be waiting yet. It is God's gracious love that produces what goodness we have, not the other way around. Doing what God wants done is absolutely right and we should try our best every day to do just that.

But it is absurd to think that God's love is like a thermometer that goes up and down with the temperature of our obedience. We can't earn our way into God's favor. As we were noticing last week, the smile of God is not for sale.

Law As A Cage

Again, law for some people is a kind of cage. Inside its narrow pattern they carefully live. They do what they must, what the law compels; but beyond that they will not go. They are only as good as they have to be. Now the Christian is free from the law as a cage, just as he is free from it as a curse and as a condition. The Christian loves by faith, hope and love; and these take him clear beyond the limits of law.

A husband who does for his wife and family only what the law requires will be a poor husband. A citizen who will do no more for his country and community than just not to break any laws, is not the best type of citizen. A soldier who will not go beyond the line of duty will deserve no medals. A "Christian" who does no more than barely try to keep from breaking the Ten Commandments is never the high-level Christian. A Christian is free. He is law-abiding; but he does not live "under" law, he lives under Grace. It is a different atmosphere.

liza participates in the administration of justice between man and man and between government and the individual.

Suppose Mr. Jones and Mr. Smith have a lawsuit. They may be strangers to you, and in a sense you do not care who wins. But as a citizen you do care, and it is very important to you and all the people that there be a way by which disputes can be settled peaceably and justly, because some day you may become involved in a dispute and you would want that settled peaceably and justly.

John Doe may be accused of a crime. He may be a stranger to you and you may never have heard of the offense with which

he is charged. Still, it is important to you as a citizen that the laws be so enforced as to punish and discourage crime in order that you may be safe in your person, property and your rights; and it is equally as important to you that no innocent person should be sent to prison, for if that could happen to another, it could happen to you.

Here are some tips to follow when serving on a jury: Hold yourself aloof from all persons (except other jurors) in any way connected with the trial of the case. That means that you should not mingle with nor talk to the lawyers, witnesses, parties, nor the judge, even though the discussion is wholly unrelated to the trial.

Do not discuss the case nor permit others to mention it to you or in your presence during the trial. If anyone insists upon talking about the case after you have explained to him that you are a juror and must not listen, report the matter to the judge immediately.

Do not commence your deliberations until you have heard all the evidence from both sides, the argument of the lawyers, and the court's charge. You should not mention the case except in the jury room when all other jurors are present.

Do not become a private investigator. All properly admissible evidence will be brought before you. Do not try to search out additional facts you believe to have been omitted. Do not even guess or speculate about facts not in evidence.

Be attentive to the evidence as it is presented. If you are to properly aid the other jurors in settling the fact questions, it will be necessary to listen carefully to all evidence presented.

Do not guess at the judge's opinion of the facts. You are the judge of the facts. He is not allowed and will not try to invade your province. His rulings on admissibility of evidence reflect no ideas or opinions on any fact question.

SOME FICTION AND FACTS

Once upon a time, in Chicago, there was a contrary cow with an aversion to being milked. One day, so the story goes, her distaste for the twice-daily milking ritual manifested itself in a vicious kick at a nearby lamp and the sad results cindered Chicago in a matter of hours.

Now, 82 years later, the nation is paying tribute to that reluctant bovine's kind and kin by the observance of June as National Dairy Month. Not to be outdone, Texas, by an official Governor's decree, is honoring the dairy cow whose products make up over one-quarter of America's food supply and yearly add some \$400 million to Texas jeans.

One malicious milker should not necessarily reflect upon the entire herd and by now, even Chicago probably has forgiven Mrs. O'Leary's cow. But if a doubt remains, then a glance at a few revealing facts should dispell it soon enough.

One bite out of every three on

You should not mention or discuss your own personal experiences, or any knowledge that you may have of similar transactions. If you should disclose such information to others serving on a jury, the court would have to grant a new trial.

When in doubt ask the judge. If you are in doubt about your rights or duties as a juror, you should not ask anyone but the judge for information.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

our menu is a dairy product, the industry claims. Housewives spend more than 15% of their food budgets for dairy products. In return, they get about 30% of the food consumed in Texas.

For a bonus, the housewife provides her family with three-fourths of its calcium, one-half of its ribo flavin and substantial quantities of every other nutrient vital to human development.

These products come from 60,000 farm units and provide employment for half a million Texans. Exactly half the \$400 million earned by the industry last year was actual income for beef and veal — a nice supplement to his regular income from crops.

It is fitting then, that the one who is responsible for milk, ice cream, cheese and butter — Old Bosse — should be honored by an official proclamation.

Mr. and Mrs. Ben Yarborough have returned from an interesting trip that took them and other Farm Bureau members, through points in the west and into Canada and Alaska, with Murray Cox.

YOU'LL SAVE 25 GAL. OF MILK
when you use Purina Nursing Chow

That's right. Many dairymen sell an extra 25 gallons of milk each time they feed one 25-lb. bag of Nursing Chow on the Purina Plan.

Nursing Chow and Calf Startena give your calves a good chance to develop early into paying milkers.

And here's the payoff—the cost of Nursing Chow and Calf Startena together runs less than half the usual cost of the milk they replace!

Yes, there's a new way to raise calves. Let's talk it over next time you're in town.

Home Dem Club Has All Day Meeting

An enjoyable all day meeting was held in the home of Mrs. Clifford Stephenson on Friday, June 5th. Most of the time was used in quilting for San Angelo tornado victims. An enjoyable covered dish luncheon was served at noon which included roast, fried chicken, a variety of vegetables, salads, pineapple pie, blackberry cobbler, hot rolls, tea and coffee. The regular meeting was held in the afternoon with Mrs. Stephenson, the president, in charge. Routine business was attended to and a good financial report given.

Mrs. Doug Moore, 4-H leader, presented three of the 4-H girls who gave a program and demonstration on "Treatment and Inoculation of Seed." This was quite interesting. They also sang an action song. Those taking part were Carolee Campbell, Peggy Flemings and Linda Moore.

AMERICA'S NEW RAILROAD

A 50-yard dash with a potato on a spoon! An exciting bit of Americana—but it's not the

World's Greatest Potato Race

That's the 2200-mile dash on the Santa Fe with 1,350,000,000 potatoes

Somebody east said, "Pass the potatoes!"

Out in California, the fertile San Joaquin Valley heard them. And look what happened.

Santa Fe started moving 14,000 to 15,000 carloads of potatoes to hungry markets all over the Midwest and East, 36,000 to 40,000 pounds to a carload. As high as 550 carloads per day at peak of harvest. That's more than 1,350,000,000 potatoes. And that's a lot of spuds.

Bag 'em. Load 'em. Roll 'em. And hustle. Somebody east said, "Pass the potatoes!"

From America's largest fleet of refrigerator cars owned by an individual railroad, these yellow

Santa Fe "reefers" are dispatched to the "Potato Capital of the West."

There the cars are cleaned, checked, loaded, switched. And iced fast (a car a minute, if you please). These potatoes can't wait!

In servicing the cars as they speed east, new icing docks at Bakersfield and Needles, Calif., Belen, N. Mex., Waynoka, Okla. and Kansas City work the clock around. Electronically-controlled "hump" yards speed the switching.

SANTA FE PRECISION—SANTA FE SPEED

On-time delivery calls for full-time precision to keep these schedules "on the advertised."

After the potatoes come the wheat... citrus fruits... grapes... melons... and green vegetables all year long—flooding east from Santa Fe country to you. Everything from avocados to zucchini.

It costs Santa Fe millions of dollars to serve you so—and provide you with Super Chiefs, too! But we're proud to say they are earned dollars. Not one penny comes from the taxes you pay.

QUESTION

Is there any disease that can cause a blue skinned person other than being a blue baby? What is the average life of a blue baby?

ANSWER

The commonest cause of blue skin, other than being a blue baby, which is synonymous with a congenital abnormality of the heart itself, is the constant long time intake of certain metals, especially silver medications or lead or exposure such as handling the same. A few people gradually develop a dark blueish type of pigmentation in the skin as they grow older.

Average life span of a blue baby is 8-10 years. Many die in early infancy because of the inability of the abnormal construction of the heart to maintain its work output. Very few have been known to live over 25 years, these latter ones have been absolutely bedfast for the year or two before they died of heart failure.

Nowadays, because of brilliant advances in heart surgery, it is possible by doing a very delicate operation to heal certain badly crippled hearts and let the

State Renews Santa Fe Program With Awards For 4-H Club

Texas Extension Service has accepted for 1953 the Santa Fe Railway System's offer to provide a National 4-H Club Congress award equivalent to \$175.00 each to the 15 boys and girls in the State with top ranking 4-H records. In addition, one 4-H boy and girl will be selected to receive a \$250 college scholarship.

Participants must have passed their 14th and must not have passed their 21st birthday on January 1, 1953, and must have completed at least three years of 4-H Club work, including the current year.

This program is supervised by the Cooperative Extension Service.

Mrs. Edd Jones will be going to Austin this week to visit over the week end with her daughters, Mrs. Nye Reid and family, and Allene Jones. She plans to attend the marriage on Saturday night of Carol Jean Craig to Hal Bell, the rites to be held in the South Austin Christian Church. Allene is in the wedding party. The bride to be has visited here a number of times with Allene.

Mr. and Mrs. Newman Upton, Janice and Terry of San Antonio and Mr. and Mrs. J. S. Tinkle and Martha of Abilene, were week end visitors with the home folks, Mr. and Mrs. Lee Boardman.

and fish conservation laws. Formerly, a person's hunting or fishing license was automatically revoked if he was convicted of violating any game laws. Now, the court must determine if the license will be revoked, suspended or left in force.

A total of 53 laws governing the taking of fish, minnows, quail, turkeys, pheasants, deer, squirrel, oysters, and fox were enacted. All of these acts have only county wide application.

A resolution was passed which instructed the Legislative Council to study our present game laws and report back to the next session of the Legislature. This might be a step to eliminate some of more than 1200 different laws governing the taking of wildlife in Texas.

Another law of general interest relates to persons who drive while intoxicated. It is now provided that upon conviction, a jail sentence of from 3 days to 2 years may be imposed (a judge may allow a suspended sentence of 6 months) and a fine of from \$50 to \$500.

For a number of years, a non-resident could operate his car over our highways and when involved in an accident almost always escape paying any damages. If he did pay damages, the cost of suing him in another state took most of what was recovered.

Now, these nonresidents may be sued by serving the State Highway Commissioner. Texas is among the last of the states to adopt this procedure.

Another law extends educational benefits to Korean War veterans and their orphan children by permitting them to enter state colleges without paying tuition charges.

If a person entitled to an old age assistance check, or aid to the blind or dependent children's check, is alive on the first day of the month or when his check is issued and then dies, the Department of Public Welfare may endorse the check and make it payable to the person who took care of the person before he died.

For a number of years the Federal Communications Commission has prohibited a radio station from editing any political speeches. Texas law has provided that the station would be

liable for any libelous or slanderous statement going over the airways of the station.

Our new law now provides that where a radio or television station is not allowed to censor the material, it cannot be held liable for damages. Although the person making the statements can still be sued, it appears that our political campaigns will warm up.

A number of tax bills were discussed but not acted upon by the Legislature, but one passed

which reduced the admission tax for picture shows, plays, etc. where the admission charge exceeds \$80. That same bill also repealed the state tax on free passes. Another tax bill passed which repealed one of the duplicate taxes set up in two different places. Independent school districts were also given wider taxing powers.

Looking at the 3rd Legislature and the session of two years ago, some interesting comparisons may be made. A total of 927 bills

were introduced in the House this year as compared with 831 in 1951. In the Senate, 354 were introduced this session as compared with 475 last session. This year, 462 bills were passed by both Houses and sent to the Governor for signature, while 540 were sent to the Governor in 1951.

(The final article will deal with interesting laws signed since adjournment of the Legislature and the bills on the Governor's desk.)
