Jesse K. Barton Receives Free News Subscription

The free subscription to The Santa Anna News this week goes to Jesse K. Barton, owner and operator of the Farm & Ranch Supply Store. Barton guessed the Mystery Farm to be the home of Mr. and Mrs. S. E. Benton, which is the old Land place south of Santa Anna on the Rockwood Highway. Nine others guessed the same place.

Mr. Benton did not come in to identify the farm, but we presume it to be his place, as there was only one other guess on a different farm. As in the past, when a farm is not identified, we are awarding the free subscription anyway.

Others who identified the Mystery Farm as being the home of S. E. Benton are:

- Mrs. Jane Campbell
- Mrs. James Keeney
- Mrs. J. L. Dodson
- Mrs. Tom Kingsberry
- Mrs. J. A. Scarborough
- Hays Dixon
- Mrs. Tom Upton
- L. L. Bryan

D. D. Byrne Buried On Monday

Funeral services for D. D. Byrne, a former member of the school faculty of Santa Anna, were held in Navasota at 2:00 p. m. Monday, October 31. Mr. Byrne died of a heart ailment on Sunday at his home in Houston.

The Byrne's were in Santa Anna for about 12 years. During that time he was principal of the elementary school for several years and then was elected to serve as superintendent of schools. Mrs. Byrne was also a teacher in the elementary schools.

The Byrne's left here soon after World War II and went to their former home at Dobbin, Texas, where they were connected with the school system there and also in the ranching business. After Mr. Byrne began having heart trouble, they purchased a home in Houston and Mrs. Byrne was teaching there.

A group of nine persons from Grapevine came Sunday and attended services at the Northside Baptist Church and later had dinner with the pastor, Rev. and Mrs. D. F. Pruitt and girls.

Holiday Next Friday; Bargain Days On Saturday & Monday

The monthly Community Bargain Days for the Santa Anna Merchants will be on Saturday and Monday, November 12 and 14, this month, because November 11 is one of five holidays selected by the local merchants for their stores to be closed.

Most of the merchants contacted early this week express their approval of making their Community Bargain Days good for Saturday and Monday of next week, rather than just for Saturday.

Most of the local stores will be closed all day Friday, November 11, in observance of Veterans Day, which has formerly been known as Armistice Day.

We urge you to watch for each individual merchant's advertisement to see what days his Community Bargain Day prices will be in effect.

Mrs. W. A. Stanly, who has been bedfast at her home for a week or more, became worse at her home Tuesday morning and continues to be quite ill.

WARNING

The City Council and Fire Department issued warnings Wednesday to those people who follow fire trucks and get in the way of firemen while they are in the process of fighting fires.

Fines of \$10.00 and costs are going to be levied against violators in the future. The situation has become so hazardous that several times during the fire Tuesday evening a number of persons were in danger of serious injury and the firemen were hampered in such ways that they were unable to get to and from the fire.

In the future, some fake fires are going to be started and all who follow the trucks will receive traffic tickets. This is the only way to get at the ones who actually get in the firemen's way, and the ones who are caught are going to pay the penalties.

This has long been a problem in fighting fires in Santa Anna. The firemen are trained in fire fighting and DO NOT need outside help in bringing a fire under control. The roads from the fire station to the fire must be kept clear of congested traffic.

Even with sirens going and red lights blinking Tuesday night, traffic was so heavy, the fire truck drivers had to be unusually cautious for fear of wrecking the fire trucks.

Drastic measures must, and will be taken.

M. M. Overby's Home Destroyed Tuesday Night

The M. M. Overby home, located south of the cemetery, was completely destroyed by fire of unknown origin Tuesday night. The alarm was sounded about 6:15 p. m. and by the time the fire department arrived on the scene, the place was completely engulfed in flames.

The fire was discovered by Oscar Etheredge and Melvin Lamb, who were going to get Overby and take him to a sister's home, Mrs. Jim Scott, to spend the night. Mr. Overby had been ill for several days and was not able to get around very well. Mr. Etheredge had been out to see about him several minutes before and his condition seemed rather serious at the time.

The two men found Mr. Overby lying on the floor of his home and apparently overcome by smoke and part of his clothes were on fire. They removed him from the home and summoned the fire department and ambulance.

Unofficial reports Wednesday morning indicated Mr. Overby's condition was very critical with burns about his neck, right arm and right leg. He was taken to the Coleman Hospital in the Hoshch ambulance.

The Santa Anna Mountaineers played their best game of the season last Friday night when they played hosts to the Burnet Bulldogs on the local field. Although the boys lost by a 0-33 score, the half-time score was 0-7 and the score at the end of the third period was 0-14. During the fourth period the Burnet coach run in his second string, which was as good or better on offense as his first string and they run up three touchdowns in rapid succession, and made two others that were called back for infractions of rules. However, one of the TDs that counted was made after the TDs were called back.

The Mountaineers received the kick-off and in six plays had advanced to the Burnet 29 yard line, received a 15-yard penalty and two plays later lost the ball on a fumble, on the 35-yard line. Burnet worked their way down to the Santa Anna 9-yard line where the Mountaineers held for downs, kicked out and three plays later Jimmy Everett, Burnet Quarterback, scored from the 9-yard line and Billy Joe Everett run the extra point over. During the remainder of the first half it was a see-saw battle with the first half ending 7-0 for Burnet. First downs at half-time were five for Santa Anna and five for Burnet.

The Mountaineers kicked to Burnet to start the third period. The Bulldogs could not make the necessary yardage for a first down and kicked to their 41-yard line. From that point the Mountaineers worked their way down to the Burnet 11-yard line before being held for downs and having to give up the ball. Burnet then went the 89 yards

J. L. McCaughan's Observe Golden Wedding Anniversary

Mr. and Mrs. J. L. McCaughan observed their 50th wedding anniversary with open house at their home south of town where they have lived for 38 years. This pleasant affair was held from three to five on Sunday, October 30th.

Guests were greeted by Mrs. Ted McCaughan. In the receiving line were the honorees and their son and daughter, Ted McCaughan and Mrs. Fern Hoke.

Mrs. David Karthaus, a granddaughter, presided at the register of gold fails, which she had made and contained a brief sketch of the honorees from their wedding until the present time. It was fine to see Mr. McCaughan looking so well following a long illness of some time back.

The table was lovely, with a centerpiece of golden marigolds on a white linen hand drawn-work cloth, over a yellow foundation cloth. The large anniversary cake with white icing and golden decorations was at one end of the table and the crystal bowl holding the golden punch was at the other. Appointments of crystal and silver were used. Also white and gold napkins with "Jim and Anne" in gold. A mirror in the dining room also had "Jim and Anne" and 50 in gold lettering.

Potted yellow cysanthemums were at vantage points in the receiving rooms. Granddaughters, Mrs. R. G. Henderson and Sharon Hoke served the white cake squares and the punch.

In the gift room Mrs. McCaughan's wedding dress of grey silk was on display and the heavy, bright lap robe the honorees used at the time of the marriage.

Others in the house party besides those mentioned were: Mrs. Charles Moseley, Mrs. Arthur Casey and Mrs. J. W. McClellan.

During the receiving hours songs were sung by Bob Henderson, Sharon Hoke and Carol McClellan, with Mrs. Virgil Fridley at the piano.

Sport Sedan Makes Bow with 1956 Chevrolets

Reminiscent of the sport coupe which Chevrolet introduced with such sensational success in 1950, a sport sedan makes its debut along with the company's other new models. Elimination of the center pillar in the window area adds smartness as well as unexcelled visibility. The hardtop sedan will be available in the Bel Air (above) and "Two-Ten," two of three price-graduated series of cars offered by Chevrolet for '56. Engine choices include two more powerful V8's and one 6. The "Super Turbo-Fire V8" develops 205 h.p.

CHRISTIAN SCIENCE LESSON-SERMON

Man's true nature as a child of God will be set forth at Christian Science services this Sunday.

The Lesson-Sermon on the subject "Adam and Fallen Man" will include the account of Christ Jesus' healing of the man "which had a spirit of an unclean devil" as recorded in Luke (4).

Among the correlative passages to be read from "Science

and Health with Key to the Scriptures" by Mary Baker Eddy is the following (259:6 The): "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thoughtmodels would allow, — thought which presented man as fallen, sick, sinning, and dying."

The Golden Text is from Ephesians (5:8): "Ye were sometimes darkness, but now are ye

light in the Lord; walk as children of light."

Mrs. Jack Brimberry and Mrs. A. T. Shelton of Odessa and Mrs. Annie Bowen of Coleman, visited all last week with their mother, Mrs. Lula Taylor. They brought tools and wallpaper and papered 5 rooms of Mrs. Taylor's home, put up nice new window shades and gave the whole house a thorough cleaning.

GO TO CHURCH SUNDAY

From where I sit... by Joe Marsh

Last Word in Farm Machinery

Curly Lawson was first in this area to use one of those roadside vending machines. He's sold milk and eggs in one about a year now, and recommends them highly — but with reservations.

"Mine's the latest model," says Curly. "Built-in refrigeration unit — heater — an automatic sign turner-on for night. Takes any combination of coins."

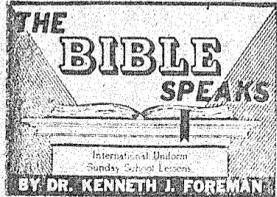

"However," he warned, "those machines aren't cheap to buy... or operate. They run about \$3500. If you're not on the main highway like I am — where lots of city

people pass — you'd better stick to the old methods."

From where I sit, you have to admire Curly for his pioneering spirit. Of course, there's also plenty to be said for those who tend to stick to the old proven methods. People's ideas differ on the subject — on any subject. Like you may always drink buttermilk with your meals... while a glass of beer's the "automatic" choice with me.

Friend of Man

Lesson for November 6, 1955

PEOPLE describing themselves have a tendency to paint themselves handsomer than they really are. They do not like candid camera shots of themselves. Even when a man has to admit that he has committed a sin or made a mistake, he will try to tell himself his motive was good, anyway. Now Jesus' self-portrait was extremely impressive but nobody ever called him a hypocrite or a show-off. What Jesus had said of himself in the Nazareth synagogue was just the simple truth: Dr. Foreman he was indeed the same kind of Friend of Man that God is. He made humanity his business.

Healing Bodies

One fact stands out, and Luke makes a great deal of it. Jesus was a healer. He never assumed that sickness or physical disability "is bound to be." He thought people's bodies were important enough to be sound and well. He never thought of himself as so "spiritual" he could be indifferent to people's physical needs and pains. Wherever he went, he brought health with him. We do not fully understand how he did this, but the Christian church has taken the cue from Jesus here. The tremendous development of hospitals in America and over the world is not today, all in the hands of Christians or religious people; but it was religious people who started this kind of thing. The church of today is beginning to see how much harm another kind of illness does, and to work at curing mental diseases. Compare a Christian country like ours with a non-Christian country like Korea where the total Christian population is less than six per cent. There a cripple has ordinarily been something to

laugh at. No one would give him a job, no one bothered with him. All he could do was beg, as he crawled or sat in the dust. Now, Christian hospitals there have been doing a work the heathen world never thought of, — rehabilitating amputees, making it possible for them to be self-respecting persons again. Christianity is teaching Korea a lesson. Where once diseases of all sorts were taken as a matter of course, Christian doctors and hospitals have shown the way to national health.

Healing Souls

Some people think that if a man is healthy that is enough. If a man's body is all right, he is all right. Christians know better — because Christ has shown us. Jesus did not think he had done all he could for a man if he got him on his feet, literally. Long before modern medicine rediscovered the fact, Jesus knew that men's most serious diseases are in their souls. He was the Friend of Man, — but not friend of their bodies alone. Hospitals today are more and more making use of chaplains, of counselors — and that is another Christian idea. In every mission hospital the medical missionary is an evangelist too.

What Friendship Means

To Jesus, friendship meant something deeper than what often goes by that name. How many people are "friends" only with the strong, the successful! How many people will be friendly only to those who can give them a lift up the ladder of ambition! This is the friendliness of a mosquito, who will stick close to you, but not with any notion of doing you good. Then again, a common idea of being friendly is to take other people without criticism, take them as they are. A word much in use with psychologists, psychiatrists and counselors nowadays is "acceptance." Now Jesus accepted all kinds of persons who were by everyone else rejected — lepers, tax collectors, the "lower classes," foreigners. But while Jesus opened his heart to these people, in the very act of acceptance he changed them. Some "friends" are like chameleons that take the color of whatever they lie on. Jesus never changed his own colors. He was the friend of sinners, indeed, but by being their friend he led them out of their sins. To be Christlike in friendship is to have a goodness that is contagious.

SANTA ANNA

Mrs. Payne Hostess To Self Culture Club

The Self Culture Club met on Thursday afternoon, October 20th, in the home of Mrs. F. Z. Payne, with the president, Mrs. Norval Wylie, in charge. Routine business was attended to. Roll call answers were interesting. In a continuing study of great women, a program on "Women of International Importance" was given. Queen Juliana of

Holland and her mother was Mrs. C. L. Eeds subject. This was very interesting. Juliana is a very lovable and human-like ruler not given to much formality. Clare Boothe Luce, Ambassador to Italy, was Mrs. J. H. Martin's subject, but because of hoarseness her well prepared paper was read by Mrs. Wylie. Mrs. Luce knew much hardship as a child and has known much sorrow. She is regarded as one of the top notch women of the world.

Mrs. Hardy Blue told of the Soong Sisters of China. Madame Chiang Ky Check is one of these famous sisters and one of the group is a communist.

The next regular meeting will be held this Friday, October 28, with Mrs. R. C. Gay. Eleven members were present.

Mr. and Mrs. E. S. Haynes are leaving this Thursday for a visit of a week or more, with their son, George Haynes, and family at Tomball.

Council Of Church Women Has Meeting

There was a fine attendance and an excellent program on Monday afternoon when the Santa Anna Council of Church Women met in the Seventh Day Adventist Church with the women of that church as hosts. Containers of yellow roses and yellow chrysanthemums were used in decorations arranged by Mrs. J. W. Quinn, Jr. Mrs. Tilden Jones presided and led devotions. Mrs. J. R. Kirby offered prayer. Mrs. A. Matar, wife of the pastor, and a very accomplished pianist, played several numbers before the meeting was opened and the accompaniments for singing.

Mrs. Tilden Jones read the 23rd Psalm. The audience joined in singing "To God be the Glory".

Mrs. Jones then introduced the pastor, a native of Arabia, who spoke of that country and Palestine. He was born in a mile and a half from Bethlehem. He put on a robe like working men of that country wear. He says the Arabians are descendants of Ishmael just as the Jews are descendants of Isaac, and thus all are descendants of Abraham. He told many interesting things of his native country, their products, customs and habits. At the conclusion of his talk he answered a number of questions.

One of the features of the meeting was a solo "I'd Rather

Have Jesus", sung by Mrs. Marion Smith of Brownwood, who also dismissed the meeting with prayer.

A short business session was held with Mrs. Clifford Stephenson, Council president, presiding. Mrs. Billie Guthrie read the minutes of the previous meeting. The president appointed a committee, one woman from each cooperating church, to arrange a program for the Annual World Day of Prayer in February. It was announced the next meeting will be the next fifth Monday, January 30, 1956, and will be with the Presbyterian ladies.

Mrs. Jones asked all to go to her home, a few blocks west of the church. There Mrs. Stephenson, offering thanks, refreshments of coconut bars, mints and lime punch were served, with second helpings and refills offered.

Rev. and Mrs. Matar and family are moving soon to North Dakota, for health reasons.

ford Stephenson; Mrs. Tom White and Mrs. A. L. Oder. The 35 acre site said to be the best located around the lake has been greatly improved in recent months. The Convention was very largely attended with unusually good addresses by laymen as well as ministers. The choir of the First Christian Church of Coleman rendered several numbers and assisted in congregational singing, led by pastor Orahood of Ballinger. Rev. W. M. Peay of Coleman preached a fine sermon Sunday night.

Mary Martha Circle

The Mary Martha Circle of the First Presbyterian Church met on Wednesday evening of last week with 12 members present. Mrs. Montie Guthrie, the president, opened the meeting. The lesson topic, Reaching Children Outside the Church, was discussed by different mem-

bers with Mrs. C. E. Flint giving the main article from Cross Roads, our Sunday School Magazine.

Mrs. McClellan and Mrs. Lewis Guthrie gave a brief report of attending Synodical in Abilene.

Refreshments of punch and cookies were served by Mrs. Robert Roach and Mrs. Jack Woodward.

Alabama Pictures Shown Here Tuesday

On Tuesday afternoon at one o'clock a rare treat was offered to people in this vicinity to view pictures of the Bellingsrath Gardens of Mobile, Alaska, world famous as they were shown in the Lions Club room. Ford Barnes Lions Club secretary is due thanks for bringing these breathtakingly beautiful pictures to our town.

These moving pictures of the scenes were explained in detail. Giant trees in back ground, streams with artistic bridges, tall growing, blooming shrubs and low growing flower beds in all the colors of the rainbow, made scenes never to be forgotten.

There were lillies, camelias, azaleas, crepe myrtles, roses, and other flowers in various colors growing in tropical pro-

fusion with green grass plots, water scenes, upon which white swans floated and all too beautiful to describe. Many more should have seen these pictures. The Mountain City Garden Club had a fine representation of its members.

The house was decorated in fall cut flowers and the tea table held a crystal punch bowl and crystal tea service and plates of crystal and silver. Mrs. Roy Horne laddled punch and Mrs. Daphne Dockery poured coffee.

The sorority gained seven new members. Pledges present and taking vows in the candle-light ceremony, receiving pledge pins and becoming new members were: Alice Horne, Mozelle Manley, Wilma Simpson, Jean Van Breemen, Maurice Mallow, Janet Chandler and Wanda Campbell. Guests present were Theola Stewardson of San Angelo and Mary Gordon of Coleman. Thirteen members were present.

Most married couples patch up their old quarrels until they are as good as new ones.

Henry Campbell, Mountain Climber

On the day he was eighty-eight and one half years old, Henry Campbell of McKenzie, Tenn., climbed Mt. Mitchell, in North Carolina, which is the highest point east of the Rocky Mountains. Mr. Campbell is a long time lay leader in the Cumberland Presbyterian Church in which his wife was also very active during their long life in Santa Anna. After her death, some years ago, Mr. Campbell went to live with his only child, Dr. Thomas H. Campbell, dean of the Cumberland Presbyterian Seminary, who was with him on the climb. Mrs. Earlene Irick and Karen of Grosvenor were weekend visitors with Mr. and Mrs. Earl Irick, parents of her late hus-

band. Miss Jean Irick of Brownwood also visited here at the weekend with her brother and family.

Mr. and Mrs. E. F. Tabor and children of Owens, visited Monday with her mother, Mrs. Annie Stovall, and his parents, Mr. and Mrs. J. W. Tabor and Bert. Mr. Tabor continues to be quite feeble at his home.
