Elaine McClure Wins Free Subscription

Little Miss Elaine McClure, daughter of Mr. and Mrs. Orin McClure, was the lucky winner of the free subscription to The Santa Anna News this week, for correctly identifying Mystery Farm No. 32 as being the home of Mr. and Mrs. James Keeney, located on the Howard Norris farm in the Liberty Community. This is the second subscription Miss McClure has received during the Mystery Farm contest.

We received eighteen correct guesses on the Mystery Farm this week. They are:

Elaine McClure
Mrs. E. E. McClintock
Leroy Curry
Mrs. Jewell Powers
Mrs. C. C. Gilbert
Mrs. Billie Woods
Mrs. Payne Henderson
Mrs. Freva Pope
Mrs. Barbara Kingsbery
Mrs. W. H. Pittard
Mrs. Sue Walker
Mrs. John W. Taylor
Mrs. Jess Griffith
Mrs. Jewell Owen
Mrs. Silas Wagner
Mrs. Mace Blanton
Mrs. Noble Carpenter
Mrs. Homer Burden

Christmas Parcels Should Be Mailed Early As Possible

Mrs. C. D. Bruce, local postmaster, this week urged everyone to begin thinking of getting their Christmas mailings completed as early as possible. All cards and packages should be mailed before the last few days before Christmas in order to avoid a last minute rush and to assure yourself that yours will reach its destination before Christmas.

During the last few days before Christmas all postal employees, in small as well as large post offices, are overloaded with work. They can do just so much and your help in getting your mailing completed early will help the post office department get all the Christmas mail delivered before the big day.

Many a girl has married some poor dope only to find out that he really was poor.

7 Local Students Attend All-District Band Concert

Carol McClellan, Jackie Mobley, Diane Williams, Janice Donham, Larry Donham, Pat Taylor and Barbara House, all members of the Santa Anna Band, attended the All District Band meeting in Comanche Saturday, and were determined as members of the all district band. The all-district band is composed of the best musicians in the district.

On December 10 five members of the local band will attend the Regional Band meeting, to be held in Abilene. Band Director James Mallow said this would be an ideal opportunity for anyone who plays this type of music to have some real entertainment. At night the all-regional band will present a concert in the McMurry College auditorium, free of charge. The public is invited to attend.

Mr. Mallow expressed appreciation of the band to the citizens of this area who have responded to the magazine sale being sponsored by the band members. The sales have been fairly good and will continue several days yet.

Aunt Jemima To Be In Christmas Opening Parade

Aunt Jemima in person will be in the annual Christmas Opening Parade on Friday, December 2. One of the teams selling Pancake tickets in the Lions Club will be responsible for furnishing her transportation (hand drawn) in the parade.

The club was divided into two teams and the team selling the least number of admission tickets to the Lions Club Annual Pancake Sale will be her escorts.

Big plans are being made for one of the largest Pancake Sales the Club has sponsored thus far. Everyone attending is assured they will get all the pancakes they want to eat, plus milk or coffee, syrup, bacon, butter and other things that go with pancakes.

Admission tickets are on sale by every member of the Lions Club. All the money derived from the Pancake Sale will go into the Lions Charity Fund and

Billy Graham's "Oiltown, U. S. A." To Be Here Soon

"Oiltown, U. S. A.", produced by the nationally known evangelist, Billy Graham, will be shown at the First Baptist Church on Tuesday evening, December 6. Rev. A. G. Purvis, pastor of the church and in charge of local arrangement, said the 400 seats of the church will be on a "first come" basis. No charge of admission will be made and everyone is invited to see the film.

Rev. Billy Graham produced the world's first Christian western film, "Mr. Texas" and during the first two years of showing was viewed by over five million people with over 135,000 persons recording their decisions during the first 12 months. "Mr. Texas" is now being shown in several foreign countries, with additional language translations scheduled.

The film features the Evangelist and members of his team in their citywide evangelistic crusade in Houston, Texas. Highlighting the film are scenes from the meeting in Rice Stadium where 60,000 gathered to hear Graham for one of the largest evangelistic meetings in American history.

Professional Hollywood players who have become Christian, are also featured in the film. They include Colleen Townsend, Georai Lee, Paul Power, Robert Clarke and stars of "Mr. Texas", Redd Harper and Cindy Walker. "Oiltown, U. S. A." is in natural color and is approximately ninety minutes in length.

will be used for good causes. Your attendance at the Pancake Sale will be appreciated and your good deed for the day will also be done.

The Lions are also planning to erect a jail, as in the past, and most members of the club will spend at least a short time in jail. Be sure to be here to see and join in the fun.

A large number of door prizes will also be awarded during the evening.

Mrs. D. M. Robinson, an aunt of Abilene and Mrs. Edmund Morrow, a sister, visited from Tuesday until Friday of last week with Mrs. E. L. Day, while Mr. Day was deer hunting at Doss. He brought home a deer.

All are valuable prizes and the receivers will no doubt enjoy the holiday season with their gifts. Everyone in the Santa Anna trade area is invited to participate in the program. Be sure to ask your merchant about the annual Christmas Program.

Quarterback Club To Entertain Football Teams

About fifteen members of the Santa Anna Quarterback Club met at the high school Monday, November 21, on the regular meeting night. Members present voted to entertain members of both football teams and the cheer leaders with a chili supper on Wednesday, December 28th, in the school lunchroom at 7:30 p. m.

Committees appointed to make the arrangements were: Food Committee, W. F. Barnes, Tom Kingsbery and Ed Hartman; Arrangement Committee, Cullen N. Perry, Tom Kingsbery and Doug Moore; Program Committee, Coach Joe Van Breemen.

In other business transacted at the meeting, Mr. Perry told the club of the offer from Mason of \$300 for Santa Anna to come to Mason to play the final football game of the year, but that it was rejected and listed some of the various reasons for doing so. Mr. Perry also listed several projects the Quarterback Club could go to work on and help in getting the new football field ready for the Santa Anna schools.

All the members of the club are requested to let the president, M. L. Guthrie, Jr., or the secretary, Kenneth Bowker, know whether you plan to attend the chili supper, in order that arrangements can be made for a sufficient amount of chili. This should be done at your earliest convenience, but before December 24th.

The president said that about 15 members had been doing most of the work of the organization. They have done a lot for the athletics of the schools, but if all the 100 members would join in and help, a lot more could be accomplished. He urged every member to attend each meeting and to join in the activities

Over \$700 To Be Awarded In Prizes During The Christmas Season

Salvation Army Annual Campaign In Progress

The annual Salvation Army fund drive in Precinct 2 opened Monday. W. F. Barnes is chairman of the Santa Anna service unit committee of the Salvation Army that serves the complete area of Precinct 2 in Coleman County. Other members of this committee are: Mrs. Ruby Harper, John C. Gregg, Hardy Blue and Miss Linnie Box, Rockwood; A. B. Carroll, Shields; Mrs. William R. Brown, Buffalo; Mrs. Manley Blanton, Cleveland; Mrs. Harry Wilson, Trickham; and Mrs. Earl Cozart, Whon.

Mr. Barnes states that many local people have been given emergency help during the past twelve months. Aid has included the services of grocery orders, clothing, shoes, hospital care, dental aid, bedding, Christmas Baskets and toys.

Lodging, meals and transportation have been provided for transients.

Dan Johnson, field representative for the Salvation Army, who is working with the local committee has expressed complete satisfaction with the job the committee is doing in this area.

Mr. Barnes wants to remind our people the Salvation Army conducts only one drive annually. Persons who wear uniforms and carry tambourines while soliciting donations in this county do not represent the Salvation Army.

Funds from the Salvation Army campaign go to support local welfare work and the State services of the Salvation Army that are available to the local committee. These projects are the summer camp for boys, hospital for unwed mothers, prison parole service, evangeline homes for girls, mens social service centers, mobile units to provide assistance in any disaster or emergency in any part of the state.

Workers in the current fund drive include Mrs. Dorothy Jeffcoat, Mrs. L. A. Welch, Mrs. C. N. Perry, Mrs. James A. Mallow; Mrs. John C. Gregg, Mrs. Tom White, Mrs. Bill Pritchard, Mrs. Ed Hartman; Mrs. Dough Moore; Mrs. Virgil Priddy, Mrs. A. D. Donham, Jr., Mrs. Louis Zackery; Mrs. J. L. Boggus, Miss Lillie Hosh; Mrs. Al Davis, Mrs. W. K. Bradley, Mrs. Harry Canton, Mrs. Walker Tatum, Mrs. W. B. Griffin; Mrs. Bernice Collins, Chon Martinez, and

Miss Linnie Box, Mrs. Jake McCreary, Lone Gray, A. B. Carroll, Mrs. Elton Jones, Mrs. Otis Powers; Mrs. William R. Brown, Mrs. Manley Blanton, Mrs. Sid Blanton, Mrs. Harry Wilson, Mrs. Earl Cozart, Mrs. Lynn McClure, Mrs. John Hensley, Mr. Curtis Collins, Mrs. Leland Thompson, and Mrs. E. L. Day.

Mr. and Mrs. Bill Calhoun and Debra of Fort Worth, visited at the weekend with her parents, Mr. and Mrs. C. M. Moseley, Charlotte and the Barry Sullivans; Mrs. Sullivan and the three sons, Barry, Patrick and Michael left Tuesday for Denver, Colorado, to be near the husband and father, who is a patient in Fitzsimmons Hospital there.

Mr. and Mrs. Hollis Shields of Crane visited here last weekend with his parents, Mr. and Mrs. Fred Shields. Hollis and wife were married in September. She is a granddaughter of the late Johnny Richardson of this vicinity and Mrs. Annie Bowen of Coleman.

Mr. and Mrs. A. L. Mathews and their two children of Brownwood visited while Sunday night with his grandmother, Mrs. Nannie Watson.

Fertility of the soil is the wealth of our Nation.

The Community Chamber of Commerce announced this week that over \$700.00 worth of prizes would be awarded during the Christmas activities in Santa Anna. Over \$200.00 of these prizes will be awarded on Friday, December 2, at the annual Christmas Opening.

Ten prizes have been established amounting to \$160.00 for cash prizes in the float division of the annual Christmas Opening Parade. First prize is \$50.00, second prize is \$25.00, the third prize is \$15.00, followed by seven prizes of \$10.00 each.

For the best window displays by organizations of the area nine prizes have been set up amounting to \$22.00. The first prize will be \$5.00, second prize is \$3.00, followed by seven prizes of \$2.00 each.

Prizes for the child who has the best decorated bicycle or the most unique costume entered in the parade amounts to \$17.00, with the first prize being \$3.00, second, third and fourth prizes will be \$2.00, followed by eight prizes of \$1.00 each.

Prizes to be awarded for the best decorated homes will be judged later in the month of December and prizes will be awarded at the annual Christmas Party on December 24th. Ten dollars has been set aside in this bracket, as follows: \$5.00 for the first prize, \$3.00 for the second and \$2.00 for the third prize.

Also at the annual Christmas Opening merchant's windows will be judged and a bronze trophy will be presented to the one judged to have the best window display.

Sonja Dunn Returns Home From Gonzales

Gonzales — Coleman County friends of Sonja Sue Dunn, daughter of Mr. and Mrs. J. A. Dunn of Santa Anna, Texas, will be pleased to know that she has recently returned home following treatment at Gonzales Warm Springs Foundation for Crippled Children.

Sonja Sue was referred to this hospital of physical medicine and rehabilitation in an effort to overcome the effects of polio suffered July 26, 1955.

Gonzales Warm Springs Foundation, designed to benefit physically handicapped Texans, regardless of race, color or financial condition, was built and is sustained by the citizens of Texas. It now has facilities to accommodate from 140 to 150 patients; thus extending its treatment services to many more crippled people of our state.

BROTHER OF MRS. J. J. GREGG BURIED AT PECOS

Mrs. J. J. Gregg attended funeral services for her brother, Herbert Buchanan, at Pecos, Texas, Monday afternoon. Mr. Buchanan died in an El Paso Hospital Saturday morning after a long illness.

The John Gregg family took his mother to Odessa Sunday, where she joined a sister and family and went on to Pecos, where she will remain the rest of this week and possibly longer.

Burnet to Represent Dist. in Play-off; Mountaineers Lose To Mason

By a flip of a coin, Burnet will represent District 23-A in the Texas schoolboys state championship race. School officials from Mason and Burnet met with officials in Llano Saturday morning for the coin toss. Burnet was the winner and will play Luling at San Marcos at 8:00 p. m. Friday night, November 25th, for the bi-district title.

Burnet, Llano and Mason all won their games Friday night to remain in a tie for the No. 1 slot. Each has four wins, one loss district record. In the season standings, Mason owns an eight win and two losses record; Burnet has seven wins and three losses; and Llano has six wins and four losses.

Goldthwaite ended up in 4th place with a conference record of two wins and three losses, while in season competition they have two wins, seven losses, and one tie record.

Bangs finished in fifth position with one district win and four losses. The Dragons have five wins, five losses on season record. Bangs will be in Class B football next year.

Helpless Santa Anna failed to capture a win or tie throughout the entire season, thus they end in the cellar in conference and season competition.

Burnet will be transferred to Class AA competition next year and with Bangs going into Class B competition, District 23-A will be composed of teams representing Mason, Llano, Goldthwaite, Santa Anna, Rising Star and Cross Plains.

LOSE TO MASON

The Mountaineers lost their

final game of the season Friday night to the Mason Cowpunchers by a score of 0-39, in a game that the score does not indicate the entire game. The Mountaineers made 16 first downs while Mason made only 11. Santa Anna gained a total of 275 yards and Mason gained a total of 287 yards. The Mountaineers made most of their 244 yards on the ground line plunges and they made 31 yards on three passes. Mason made a total of 180 yards on the ground and 107 yards passing.

Santa Anna played a fine offensive game, penetrating to the four yard line as time run out in the first half and to the 11 yard line in the fourth period, but could never acquire that extra punch needed for the final drive.

Early in the first period Mason recovered a Mountaineer fumble on the 38 yard line and their third try scored from 10 yards out. Again in the first period the Quarterback passed to the Right Halfback on a pass and run play that covered 43 yards.

In the second period the Right Halfback intercepted a Santa Anna pass and raced untouched 59 yards for their third score. Mason received in the third period and on the second play from scrimmage went 54 yards to score. Later in the period the same man intercepted a pass on the same play as before and went 43 yards untouched to score.

The only fourth period score was on another long pass and run play that covered 61 yards.

AFRICAN GRASS THRIVES IN TEXAS SOIL

Some Texas pastures are now being covered with an immigrant forage — African stargrass. Although it has been grown in Texas soil for some 18 years, its potential use as range forage is just now being recognized.

African stargrass is very similar to many native Texas grasses. Grown under droughty conditions, it looks like a healthy common Bermuda, except that it is not as dense and close growing. Under more favorable conditions or irrigation, it appears to be Coastal Bermuda except that the stolons are larger and many times longer.

These long stolons or runners spread and multiply readily when they come in contact with soil. It is this characteristic that makes African stargrass easy to start from cuttings, and also

very popular with its supporters. The grass also thrives well on salty land.

It is also said to furnish grazing over a longer period than other grasses, and cattle ranged on African stargrass have made good gains.

Although there are at least three varieties of African stargrass, none is presently available from commercial sources. However, it grows very well under nursery conditions, and cuttings should be relatively simple to obtain. It is being grown mostly around Harlingen and Brownsville in the Valley and in Jackson County in the Coastal bend area.

TEXAS YAMS FOR SCHOOL LUNCHES

The Federal government has agreed to help with the marketing of this year's bumper sweet potato crop, although no arrangements for purchase of the high-quality Texas yam have yet been made.

I wired U. S. Agriculture Secretary Benson a few weeks ago, urging him to consider the Texas sweet potato as a vital part of the non-profit school lunch program. To date he has not replied.

Secretary Benson's office has, however, announced a plan to buy Louisiana sweet potatoes, where, he said, "growers are experiencing marketing difficulties."

Texas growers, too, are experiencing marketing difficulties, and if Texas school kids are going to get yams on the menu, they had might as well be Texas yams.

This year's Texas sweet potato crop is expected to reach 2,600,000 bushels, almost twice last year's production. We now have a grading and inspection service on Texas yams. The Texas sweet potato is unexcelled in quality and flavor.

And the people who grow those potatoes deserve a chance to sell them wherever there is a market.

CHILI SUPPER

Eighteen persons, members of the 20th Century Club and members of their families, attended the chili supper given by the club on Thursday night of last week in the home of Mr. and Mrs. Clifford Stephenson. There was an abundance of good chili and good coffee and green salads, crackers, cookies and spice cake were also served. There was enough of everything for second or more helpings or refills. After the feast games of "42" were played by most of those attending. The rooms had gorgeous arrangements of red roses donated by Mrs. Richard Smith.

BUFFALO SINGING

The singing at Buffalo Sunday afternoon in the Baptist Church was well attended and some extra good singing was enjoyed. Mr. and Mrs. Bertrand of Cross Plains were there for the first time in many years. Some said that this was the best singing they ever remembered attending.

These singings have been held each third Sunday afternoon for seven or eight years, with only one skip, when last month they attended a singing at Clear Creek in Brown County.

At the close of the singing on Sunday it was announced that the singings would be discontinued. After the benediction those present lingered for handshaking and visiting.

CARD OF THANKS
We wish to express our sincere thanks to all who were so kind and thoughtful during the illness and death of our loved one, especially Dr. Lovelady and nurses. To all who sent or brought food, for the lovely flowers, we also wish to express our appreciation to the ones who rendered any part in the memorial services.
May God Bless all of you.

Sam McCrary Rites Held Monday

Funeral services were held at the North Side Baptist Church, Monday, November 21, at 2:00 p. m., for Sam McCrary, who died in the Overall Hospital on Saturday, November 19th, at 7:15 a. m. Mr. McCrary had been in failing health for several years. Ministers officiating were Rev. D. F. Pruitt, pastor of the church and Rev. C. F. Carroll, a former pastor, of Crews. Also Rev. James Edge of Brownwood.

Mr. McCrary was born at Stockdale, Texas, on October 2, 1883, being 72 years, 1 month and 17 days old at the time of death. He came to Santa Anna in 1908 and continued to live in this vicinity. He and his wife had lived for several years on their farm south of town, which they sold lately. They had bought a nice home in the north part of town where the Moody Polk home formerly stood, and had been living in it only two days when he was taken to the hospital.

Mr. McCrary was converted in early life and became a member of the Baptist Church. He was serving the North Side Church as deacon at the time of death.

He is survived by the wife of Santa Anna, who before her marriage was Jane Flores; two sons, Luther McCrary of Santa Anna, and Bill McCrary of Sweetwater; three daughters, Mrs. Roy West and Mrs. Vernon Campbell of Santa Anna, and Mrs. Jettie Wood of Sweetwater; one brother, Dan McCrary of Belton; two sisters, Mrs. Nannie Harrell of Austin and Mrs. Susie Gray of Holland, Texas; and eleven grandchildren.

Pallbearers were: Frank Smith, Dick Baugh, Bert Tabor, Bill Price, Bill Henry and Edd Gilbert.

Ladies in charge of the floral tributes were: Mrs. Lois Henderson, Mrs. Billie Campbell, Mrs. Payne Henderson, Sr., Mrs. Bill Price, Mrs. J. D. Henderson, and Mrs. Othar Owen.

Burial was in the Santa Anna Cemetery with Wrights Funeral Home in charge of arrangements.

Besides a large local attendance, many came from a distance to attend the rites.

Out of town relatives attending funeral services for Sam McCrary were: Mrs. Elsie McCrary and Jim of Seminole; Mrs. Nannie Harrell, and Dan of Austin; Mr. and Mrs. Cecil Doherty; Vernon; Mr. and Mrs. Elsworth Medley, Abilene; Mr. and Mrs. Buster Flores and Robert, Brownwood; Mrs. Mae Flores, Bangs; Mrs. Nancy Nixon, San Angelo; Mr. and Mrs. Vann Crawford, and Mr. and Mrs. W. O. Howard, Brownwood; Mrs. Florence Land, Carl; Mrs. Herman McConley and Mrs. Cathrine Clomer, Fort Worth; Mrs. Parker McKee, Sherman; Robert Flores, Ceres, Calif., and Homer McCrary, Driskill, Texas.

Garden Club To Have Flower Show And Bazaar

The Mountain City Garden Club announced plans this week to hold a Flower Show and bazaar in connection with the Christmas Opening on Friday, December 2. The show will be held in the Payne Building, next door to the Blue Hardware Co. during the afternoon.

The general public is invited to visit the show and also to enter flowers in the showing. Three divisions have been set up and each division will be judged and ribbons awarded. In the show will be Dried Flower arrangements, Christmas Flower arrangements, and Miscellaneous Flower arrangements. Anyone who would like to participate is invited to enter flowers in either or all of the above divisions.

A Silver Tea and Bazaar will be held during the afternoon hours. The general public is invited to donate gifts such as handwork, craftwork, home rooted plants, etc. to be sold at the bazaar. Donations of money to the club will be appreciated.

The principal project of the Garden Club is the beautification of the Cemetery and it takes considerable funds to keep the work going. All revenue derived from the activities on December 2 will go into the Cemetery Beautification Fund. Your help will be appreciated.

GO TO CHURCH SUNDAY

State Capitol NEWS

Austin — After three exiled years, Texas again has an official, accredited Democratic national committee.

Lt. Gov. Ben Ramsey's acceptance by the national committee gave Texas full representation for the first time since September, 1952. Wright Morrow was refused recognition because he supported Republican Dwight Eisenhower.

Official groups of both conservative and liberal Texas Democrats supported Ramsey. Only scattered protests were heard, one by the president of the liberal faction of the Texas Young Democratic Clubs.

Gov. Allan Shivers says he is willing to play by the rules adopted for the 1956 Democratic national convention.

He said at a news conference that he expects to be challenged, nevertheless, by a "bunch of wild-eyed pinks."

Rules set for 1956 were viewed by Shivers as being the same as in 1952. Then they required heads of delegations to work for placing the party nominees' names on the state ballot under the proper column.

Shivers said he is not surprised to hear that some old political enemies, like Stephen Mitchell, Adlai Stevenson's aide, think he should not be allowed a 1956 seat.

He held firm that he would not take any pledge to support the party nominee. "I will give no pledge to support a nominee until I know who he is," Shivers said.

He said he considers himself a "bona fide democrat" and feels it is no crime for a Democrat to vote for a Republican friend.

"I consider President Eisenhower a friend of mine," the governor said. His statement was widely interpreted as indicating he might support Eisenhower again if he is a candidate.

UT Tests Slated
High School seniors with a University of Texas career in mind will find a good vocabulary, logical mind and number sense helpful in taking the scheduled aptitude tests.

Tests may be taken in 42 Texas cities on three dates — Feb. 4, May 12 and Aug. 10.

Dr. H. T. Manuel, director of the University Testing and Guidance Bureau, said that, as a general rule, a student can be confident of his ability to succeed with university work if he is in the upper three-fifths of his high school class and makes a score of 75 or more on the aptitude test. Most of those applying for entrance would be admitted, he said.

The tests are designed to measure two very general abilities in academic work. First is the ability to work with words and to understand their meanings. Second is the ability to work with numbers and to solve problems. Scores on the required tests will not be the only basis for admission, Dr. Manuel added. All test scores will be kept confidential.

Giles Appeals Pending
Former Land Commr. Bascom Giles can count on at least 2 1/2 months more of freedom.

Both Giles' convictions in land scandal trials have been appealed to the Court of Criminal Appeals. Formal submission of the Austin conviction and three-year prison sentence is set for Jan. 18.

A six-year sentence imposed in San Antonio was appealed and is expected to come before the court about Jan. 25 or Feb. 1.

Legislative Council Posts Filled
Lt. Gov. Ben Ramsey announced committee assignments at the first meeting of the new Legislative Council.

Serving on the executive committee with Ramsey and House Speaker Jim Lindsey will be Sen. Abraham Kazen of Laredo and Reps. Obie Bristow of Big Spring and W. G. Kirklin of Odessa.

Studying finances will be Sens. Nevelle Colson of Navasota and Gus Strauss of Hallettsville; Reps. E. F. Crim of Henderson, W. S. Heatly Jr. of Paducah and Pearce Johnson of Austin.

On the subject matter committee are Sens. Rogers Kelley of Edinburg, George Moffett of Chillicothe, Reps. Tom King of Dallas, Gus Garrett of Raymondville, James W. Yancy Jr. of Houston, Ben A. Glusing of Kingsville and Joe Burkett of Kerrville.

As to subject matter to be studied before the next regular session, committee members say the council already is "loaded."

Historical Committees Organizing

Every county in Texas is being asked by the State Historical Survey Committee, to set up a County Committee, announced HSC director George W. Hill of Austin.

The state committee was authorized by the 1953 Legislature to "study the subject of preservation and dissemination of the records of Texas and Texans."

County judges, with other officials, have been asked to appoint committees for their counties.

Should Be Simple — But
On Sept. 6 the fee for driver's license renewal was increased to \$2. All summer, however, Texans kept jumping the gun and sending in the larger fee. Patiently, the Department of Public Safety sent back the over-payments.

Now, however, the new law is in force — and guess what. The DPS is busy writing Texas drivers. — asking for more money. Many of them are sending in the old \$1 fee.

December 1 Set As Safe Driving Day

December 1 has been designated as S-D Day (Safe Driving Day), nationally, by President Eisenhower in an effort to increase public awareness of the possibility of making reductions in traffic accidents.

In support of the program, Governor Shivers has issued a similar state-wide proclamation and has called upon the citizens of Texas to join in a cooperative effort for greater traffic safety both on December 1 and throughout each day of the year.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, joined in the Governor's appeal and emphasized that S-D Day, of itself, "is not an end, but a means to an end."

"If every individual motorist and pedestrian in Texas will drive and walk with strict obedience to the traffic laws on December 1st," Garrison said, "we will be assured of a death-free, accident-free period in so far as traffic is concerned."

"And," he added, "if we can do it on this one specific day we will have proven that it can be done during the other 364 days of the year. S-D Day is not an end, but a means to an end of the death and destruction on our streets and highways."

The special emphasis program aimed at marking a 24-hour period without traffic accidents will begin on November 20 and culminate in S-D Day on December 1.

Applications Being Accepted For Highway Patrolmen

Austin — The Texas Highway Patrol is accepting applications between now and January 1 for appointment as State Patrolmen.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said that statewide examinations would be given in January and that successful candidates would begin training at the Austin Headquarters of the DPS in April.

Forty-seven men are now in recruit school and another class will begin in January. These were selected as a result of examinations given last Summer.

The Public Director invited all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age, inclusive; have a high school education; be at least 5 feet 8 inches in height; and weight not less than two or more than three and one-half pounds per inch of height.

Garrison also emphasized that applicants must have been residents of Texas for a least a year prior to the date of examination and they must be of good moral character and in perfect physical condition and able to withstand a rigid character investigation.

Base pay of a Patrolman, after schooling and a six months probationary period, is \$315 monthly. Also provided is longevity pay; two weeks paid vacation annually; sick leave, if necessary; and the benefits of both the State Retirement Act

DISASTER SERVICE — When disaster strikes, The Salvation Army answers the need for help immediately. Food, clothing, shelter, and spiritual comfort are offered around the clock as long as the need continues. In Waco alone, where this picture was made, Salvation Army officers worked for fourteen days. Mobile canteens from throughout the state were rushed into service manned by a staff trained in disaster service. Wherever the disaster and whatever type it may be, The Salvation Army is ready to rush aid and comfort to the victims, and to meet the needs of those caught in disaster immediately and without red tape.

and Federal Social Security. Applications may be obtained by writing to W. J. Elliott, Chief, Texas Highway Patrol, Austin; or by visiting the nearest Patrol District Office.

Heart Disease No. 1 Killer In Texas

Austin — Heart disease is the number one killer in Texas and last year there were 20,191 deaths from diseases of the heart, said Dr. Henry A. Holle, Commissioner of Health.

What kind of heart have you? The periodic check-up with your physician will tell you. The Tuberculosis Survey in the state conducted by the Texas State Department of Health has brought to light many non-tuberculous abnormalities, some of these have been heart conditions.

Three frequent types of heart trouble are: coronary heart disease, hypertensive heart disease, and rheumatic heart disease.

Coronary heart disease is the chief killer and is a disease of the arteries which supply the heart muscle itself with blood. A majority of persons survive the first attack, and with good medical care, rest and common sense precautions, may even live a normal life span.

Another major cause of heart trouble is high blood pressure or hypertension. This is the most common heart disease of middle age. There is a great deal that is not known about this disease, but we do know that it is most common in people who are overweight, and that it is associated with long, continuous nervous strain, high tension and constant worry. Medical treatment of high blood pressure is fairly successful in many cases.

Rheumatic heart disease, the most common type of early life, occurs as the result of one or more attacks by the streptococcus germ. It is a public health problem for which much can be done in light of recent knowledge. Prophylactic use of penicillin when streptococcal infections are present will prevent heart involvement.

Syphilitic heart disease can be prevented by early and adequate care of the patient with syphilis. This problem has been simplified by the use of penicillin.

Research in the medical sciences is constantly improving the outlook for the cardiac patient, yet each individual must assume the responsibility for obtaining the benefits of

this knowledge from his physician for himself and family.

CHICAGO PLANS FOR BIGGEST STOCK SHOW

The world's largest livestock show, the International Livestock Exposition, will celebrate its 56th anniversary in Chicago, November 25 to December 3.

Early entries are reported in such volume that the management predicts record numbers of exhibits in many divisions of this famous agricultural event.

PATSY MOORE ELECTED SPONSOR OF TARLETON ROTC

Stephenville, — Patsy Moore, daughter of Mr. and Mrs. C. T. Moore of Santa Anna, has been elected as sponsor for Company B of the Tarleton State College ROTC.

Patsy is a business administration major. She is a member of the OWLS, girls social club, and the Tarleton Collegiate Choir. She graduated from Santa Anna High School in 1954.

The Clifford Stephensons had all their family with them for the weekend, the Gerald Pruitts of Dallas, the C. W. Stephensons and the Charles Scarboroughs of Abilene.

Mrs. Bernice Mulroy left Monday to attend an Institute through Wednesday for cashiers and bookkeepers of the West Texas Utilities Co., convening in Abilene.

Mr. and Mrs. Billy Joe Harvey and Mr. and Mrs. Earl Irick Jr., were in Dallas Sunday to be with Mr. and Mrs. Vernon Herring and Lucretia. They report that Lucretia is getting along as well as could be expected. She has been moved to the Mayfield X-Ray Clinic for further treatment. Lucretia enjoys the cards which she receives. Her maternal grandmother, Mrs. Preston West, returned to her home here on Saturday. Her other grandmother, Mrs. Ben Herring, has been with them for a few days.

Mr. Taxpayer

If you wish to pay your taxes in 1/2 payments, the first 1/2 is due November 30.

In this time of drought Tax Payers may find this a great advantage to pay 1/2 of the amount now and the last 1/2 may be carried over to the last day of June, 1956 without penalty.

Whereas, if this 1/2 payment has not been made there is a 6% penalty.

Royal Service Program Nov. 16

The W. M. U. of the First Baptist Church, met November 16th, at 7:00 p. m. at the church for the Royal Service Program. Mrs. Seth Risinger, program chairman, was in charge of the program. The song "The Kingdom is Coming" was sung and prayer was offered by Mrs. Dovie Chapman. Scripture: John 3:16, and Matthew 28:19-20, were quoted in unison by the 28 women present for the meeting.

The personal of the Baptist Mission Board of Richmond, Virginia, discussed the work of the Foreign and Home Boards. These boards are 110 1/2 years old with headquarters at Richmond, Va., and Atlanta, Ga.

Personators of the personnel were: Mrs. Howard Jenkins — Mrs. Carl Aubrey, Mrs. Green Rankin — Mrs. Paul Pembroke, Johnnie Johnson — Mrs. D. R. Hill, Mary Elizabeth Fuqua — Miss Alta Lovelady, and Mrs. Baker J. Cauthen — Mrs. John Brown. "Rescue the Perishing" was sung and Mrs. Stacy led the closing prayer.

Delta Omicron Business Meeting

November's business meeting of Delta Omicron Sorority met November 16th, in the home of Alice Horne, with the new members as hostesses.

Highlight of the evening was a buffet supper served to the sorority by the new members, Alice Horne, Wilma Simpson, Maurice Mallow, Jean Van Breen, Janet Chandler and John Ethel Horton, who took the pledge and became a new member that evening.

The regular business meeting followed the buffet supper with Patricia Davis, reading the minutes. Plans for decorating a Christmas window and Christmas float were discussed.

The program followed with Charlotte Burney giving a paper on "Walls" and Patricia Davis, on "Draperies".

Mr. and Mrs. Lloyd Tabor of Fort Worth and A2C Dean Bass and wife of San Antonio, were weekend visitors with their parents, Mr. and Mrs. B. L. Parks and Neil and Don.

Mr. and Mrs. J. G. Fisher and sons, Johnny and Dale, of Ballinger, were Sunday visitors here with his brother, Rev. Nolan Fisher and family and attended services at the First Methodist Church.

Christmas Seal Sale In Progress

Austin, Texas. — Calling attention to 3,704 new cases of tuberculosis reported in the state last year, Governor Allan Shivers this week warned Texans that tuberculosis is a communicable disease which can invade any home at any time.

Modern methods of treatment, Governor Shivers said, have steadily reduced the death toll from tuberculosis. He pointed out, however, that in 1954 the disease claimed the lives of 910 persons in Texas and its economic cost remains a heavy burden to the taxpayers.

In an official memorandum dated November 14, the governor recognized the work of the Texas Tuberculosis Association and its local affiliates as helping to prevent the spread of tuberculosis. He designated the period November 16 — December 24 as Christmas Seal Days in Texas and urged every citizen to buy and use Christmas Seals to help end the economic loss and personal tragedy caused by tuberculosis.

The 49th annual Christmas Seal Sale which supports the work of the Texas Tuberculosis Association and its affiliated county organizations opened on November 16.

Mr. and Mrs. Julian Kemp and Miss Vonda Hand of Dallas, nieces of Mrs. J. W. Price, had Sunday dinner here with Mr. and Mrs. Price and other members of their family. They took Miss Alma Hardin, sister of Mrs. Price, back to Dallas with them and will take her to her home in Memphis, Tenn., at the weekend. Miss Hardin had visited here several weeks.

Duds And Souvenirs Are Tragic Killers

(Editor's note: This is the first in a series of five stories designed to acquaint the public with the danger of harboring duds and souvenirs which have not been rendered harmless by explosive experts.)

The word "dud" is a horrible misnomer.

Webster defines it: "A shell which fails to explode."

But your Fourth Army explosive ordnance disposal men have a different definition: "A killer which may explode at any time."

Six teams of ordnance disposal experts operate for Fourth Army within the states of Texas, Arkansas, Louisiana, Oklahoma, and New Mexico. Their files of reports on disposal jobs which they are called upon to accomplish from day to day would send chills up and down the spines of the world's most talented chiller-diller authors.

They are the men who are called upon to investigate sudden and tragic explosions which maim, dismember, and kill several people each year.

As an example, last July 21 the 47th Ordnance Department of Fort Hood, Tex., was called by the superintendent of a brick company at Elgin, Texas. Two men of detachment traveled to Elgin, where their investigation revealed that an eight-year-old boy had both feet blown from his legs in an explosion. The boy, Lupe Villarreal, had been playing with three others in the residential compound of the brickyard. They were playing with a "dud", which suddenly exploded with a terrible blast when Lupe hit it with a hammer.

Lupe's legs were so badly mangled that further amputation was necessary. His three little playmates were hit also, but fortunately not one of them was injured seriously. From fragments which the doctor kept after treating the boys, the Fort Hood ordnance men discovered that the "dud" had been a fully loaded 37-millimeter high-explosive projectile, with a fuse designed to detonate on contact.

Later in the day the ordnance men searched the brickyard compound, and found 33 more deadly "duds"! They included a dozen 76mm projectiles, a 4.2-inch mortar shell, and three high-explosive anti-tank rockets.

The local paper was notified, and a story was published to the effect that the ordnance men would return within a few days to dispose of any other dangerous explosives which might be discovered in the community.

On their return July 21, the Elgin chief of police had ready a list of calls which he had received about duds and souvenirs. An almost incredible collection was made that day — a total of 236 explosive items!

They included grenades, mortar shells, rockets, practice anti-tank mines, and even two 7-inch Navy projectiles. The ordnance men found them in homes, garages, barns, under porches, in fields, in offices, and in stores. Some were so dangerous the disposal experts exploded them on the spot, or moved them only far enough to eliminate danger to life or property before setting them off.

Again on Aug. 10 the Fort Hood men returned to Elgin and nearby McDade, this time collect and disposing of 81 more items, labeled by the officer in charge as "deadly as poison."

Little Lupe Villarreal will go through life without feet and part of his legs. But his tragic accident alerted a community to danger in its back yard — and they did something about it.

The explosive ordnance disposal men in the Fourth Army area are sure that death for unsuspecting people lurks in hundreds of places in the Southwest in the form of so-called duds and souvenirs. They can do nothing about it, however, unless the persons who know where the lethal items are located report them to the police, the sheriff's office, civil defense, or the Army itself.

Increasing Number Get Chest X-Rays

Austin — A new record of public service was established between September 1954 and August 1955 when 715,192 Texans passed before the mobile chest x-ray units operated by the State Department of Health. Of that number 18,192 showed evidence of chest "abnormalities", the Department reported.

The tax-supported mass chest x-ray surveys, limited to persons 15 years of age and over, worked in 152 counties during the period covered by the report.

Among the abnormal findings were 9,887 cases of "suspicious, minimal, moderately advanced, or far advanced tuberculosis", 7,276 cases of heart involvement, 1,029 cases of other "nontuberculous" cases such as tumor shadows, diaphragmatic hernias, etc.

Past experience has shown that findings of chest abnormalities in children under 15 are so few that it is not economically feasible to include youngsters in the mass surveys. Also, health authorities hold that since the source of tuberculosis is in the adult population, finding a case in an adult presents sufficient opportunity to closely examine the children in that adult's family.

Although no age breakdown was available for the abnormal conditions discovered in last year's surveys, indications were that most of them occurred in persons over 55. Said Health Commissioner Henry A. Holle: "We are concentrating on this age bracket."

Both tuberculosis and lung cancer are most easily curable in their early stages," the health official stressed. "But since both are almost symptomless in their early stages, early detection is virtually impossible without a chest x-ray."

The health agency adopted the mass x-ray surveys as part of its program of public service in 1946. Five units are in operation, each one staffed by two technicians.

Units are assigned to individual counties only on request of the county medical society.

Tuberculosis, heart disease, and lung tumors are the conditions most frequently found. Cases of abnormality are report-

ed to the private physician named by the individual involved.

Specific diagnosis is left to the private physician. It usually requires 4 weeks from the time the x-ray is taken until the report is forwarded to the individual or the physician of his choice.

The usual procedure in cases of chest defects is for the person to visit his family physician for further study.

The number of people receiving chest x-rays in mobile units last year was the greatest in the 9-year history of the program.

W. M. U. HAS BOOK STUDY

The members of the W. M. U. met in the Annex of the First Baptist Church Monday, November 21st, at 10:00 a. m. for the Book Study.

Mrs. A. J. Voss of Burkett taught the book, "World Within a World". Miss Alta Lovelady, Mission Study Chairman, presided at the meeting. At the noon hour a delicious covered dish luncheon was enjoyed by the 12 ladies present.

GOOD NEWS FOR FOOD SHOPPERS IS DECEMBER PLENTIFUL FOODS LIST

College Station — Housewives should find the December plentiful foods list to their liking both from the standpoint of supplies and price. Holiday meals promise to be cheaper this season than in several years, judging from the list the

U. S. Department of Agriculture has declared plentiful.

Topping the list is a great combination — sweet potatoes and pork. Supplies of both are heavy and prices favor consumers.

Despite the fact that this is winter season, more fruits are available now than in several months. These include grapes, winter pears, cranberries and grapefruit.

Also more dates are showing up at local markets than is usual at this season. Pinto beans and Irish potatoes are also on the December list.

Turkeys, broilers and fryers, beef and canned tuna are almost as plentiful as pork in this area.

Other foods rating a spot on the USDA's list include dairy products, lard, vegetable fats and oils.

GO TO CHURCH SUNDAY.

Howard Norris Owns Mystery Farm No. 32

For the third time in the Mystery Farm series, Howard Norris has been the owner and operator of the Mystery Farm which appeared in The Santa Anna News. Mystery Farm No. 32 is located 4 1/2 miles east of Santa Anna in the Liberty Community and is known as the old W. M. Riley place.

Mr. Norris said all his farming operations had been included in the two previous interviews and here was little he could add for his one.

This part of his farming operations includes 182 acres, 160 of which are in cultivation. He purchased the farm about 10 years ago and raises mostly small grain and cotton on the place. He has done some remodeling on the house since he bought it and has terraced all the land and built one large tank on the place. The farm also has a gas well on it that supplies natural gas to the home.

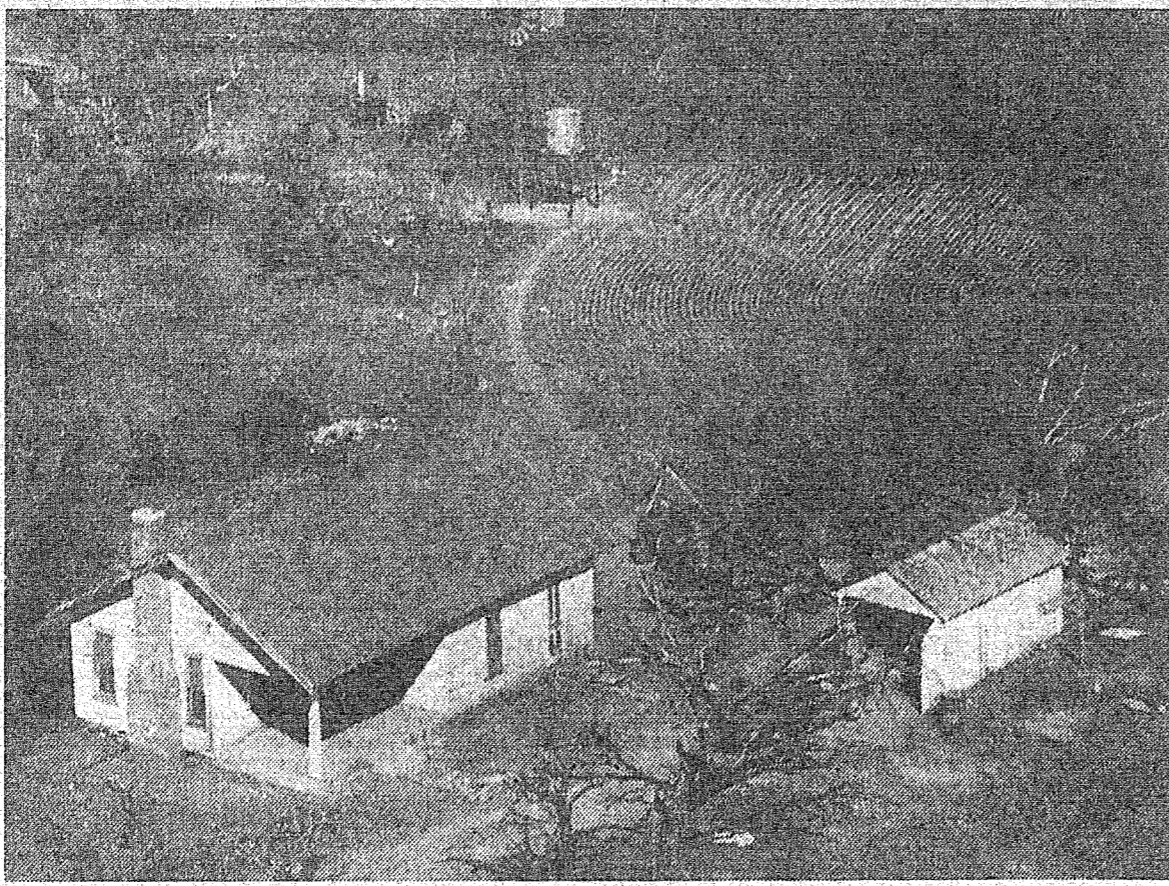

Mr. and Mrs. James Keeney and children live in the house. The children's names are Sherlyn Ruth, age 9 and in the Fourth Grade; James Arthur, age 7 and in the Second Grade, and Janice Kay, age 2.

Mr. Norris said he was harvesting his cotton on this farm now and it looked like he would make about 3/4-bale to the acre. He also harvested some grain that was next to the terraces, but it did not make very much.

He already has some 70 acres dry-sowed in wheat this year and if the proper amount of moisture comes, he will sow several more acres.

Mrs. M. A. Pritchard returned home last week from a visit of several weeks among her children, Miss Rhoda Pritchard, R. N., of Temple, the M. F. Blantons of Grandbury, and the Elmer Pritchards at Brownwood.

THE HOME OF MR. AND MRS. JAMES KEENEY

The principal reported causes which throw families into financial difficulties are: Inflation and high taxes, inability to resist "impulse" buying, combined with easy credit, illness or other emergencies, or just plain bad judgment and mismanagement.

Some people in financial dif-

ficulty, when threatened with legal proceedings to collect outstanding debts, seek the relief offered them by federal bankruptcy laws.

The purpose of bankruptcy laws is to permit an honest but unfortunate or weak debtor to surrender or account for all his

property for the benefit of his creditors and in exchange be discharged of his debts.

Any adult who is insolvent may become a voluntary bankrupt by having his attorney prepare for him a bankruptcy petition, together with schedules of his assets and liabilities, and then file the same in the proper United States district court.

After the debtor is adjudicated a bankrupt he is required to appear for examination as to his assets in the bankruptcy court, and if he fully accounts for his assets and has not violated any of the bankruptcy laws he will thereafter receive a discharge of his debts.

If he is granted a discharge of his debts, he has started a new financial life as of the date he filed bankruptcy. The assets which he thereafter acquires cannot be reached to satisfy the old debts, nor will creditors be permitted to sue him on the old debts. Dishonest debtors sometimes endeavor to gain advantage for themselves not allowed by the bankruptcy laws. In these instances, upon objections to discharge by creditors, they not only will be denied a discharge of their debts, but the courts will be prone to deal harshly with the offenders if they have violated the criminal laws.

The head of a family is entitled to claim as exempt any property which is exempt under Texas homestead laws, which in the ordinary case will be his home, household furniture, wearing apparel, the family automobile and tools of his trade

or profession. However, if any of this property is covered by a mortgage or conditional sales contract he must pay any balance due thereon, or the owner of such mortgage or contract may repossess.

Bankruptcy has a lasting effect upon a person's future credit and in the usual case causes the creditors to lose their entire debt.

Many bankruptcies could be avoided if the "overloaded" debtor would make a timely effort to sit down with his creditors and work out plans for reduced payments over extended periods.

(This column, based on Federal law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

The J. V. Gilberts of San Angelo visited a part of last week among relatives here.

It's OIL CHANGE TIME! But this year don't just change oil...

Change now to Gulf's New Super-Refined GAS-OIL TEAM

No gasoline alone can give you today's finest performance. No oil alone can give you today's finest protection. You need Gulf's GAS-OIL TEAM.

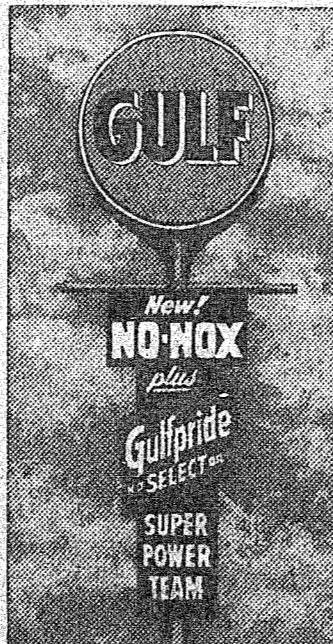

Gulf's New Super-Refined Gas-Oil Team gives you more miles per gallon more miles per quart

Gulf No-Nox Gasoline burns clean. Note the black deposit, on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part which Gulf refines out in making New Super-Refined NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own car—see how new NO-NOX can give you more miles per gallon in the short-trip, stop-and-go driving you do most.

Gulfpride Select Oil works clean. Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B... C contains the new super-refined oil that gives you more miles per quart because it has natural viscosity (body)—contains no artificial thickeners that break down in service.

The Good News

Lesson for November 27, 1955

THERE is no such thing as the Christian religion, except in human beings. There is no such thing as the growth of Christianity, unless it grows in people. So how does Christianity spread? Only by one way: people who are Christians must win people who are not Christians. People who know Jesus Christ must introduce other people to him. The church has a word for this: it is called Evangelism. Anybody who thinks

Dr. Foreman

doesn't believe in evangelism is really saying that he doesn't care whether there are any new Christians or not. He is saying (though perhaps without realizing it) that what he calls his "faith" is not worth talking about, or recommending to any one else.

Preaching and Bringing—

Our rather technical word "Gospel" means simply "Good News." That is what it is called in the New Testament. Not good advice, or good answers to philosophers' riddles; just good news—about God, about Jesus, about destiny. Luke gives us some interesting and valuable hints about how this Good News was broadcast in Jesus' own time and by his direction. One is in three words (Luke 8:1): Jesus came "preaching and bringing" the good news of the kingdom of God. The Gospel is not something just for talk. A tape-recorder can give out a sermon; but a tape-recorder cannot be a preacher of the Gospel. A minister who preaches on Sunday and disappears the rest of the week (if such there be) may be preaching the Gospel but he is not bringing it. Jesus lived by what he preached. The good news can be told by a clever tongue; but it can be brought only by a consecrated life. What would be thought of a grocery store

where, if you went in, you would see only empty shelves, and a flock of clerks who would button-hole you and tell you all about the wonderful groceries—that aren't there! And what can one think of a church where all you can find out about the love of God is just talk, and nobody brings the Gospel? The Gospel can't be brought in a little parcel you can tuck under your arm like a prayer-book. It has to be brought in a man-sized package, a live sample. After a few months you can buy a "demonstrator" car or tractor cheap; but a "demonstrator" Christian is beyond price.

Seed and Soils

You would think that if we could only get Jesus Christ in person, as he was in Galilee, into our church, we could convert everybody. Well, he didn't. No one ever brought or preached the Gospel better than he; but he did not meet with 100% success. He gave a reason for this that any farmer or gardener can understand. Preaching the Gospel is like sowing seed, he said. Sometimes when you look at two fields you may find it hard to believe that the same seed was sown in both; but so it was. The difference is in the soils. In Hutchinson, Kansas, there is a grain elevator with a capacity of ten million bushels of wheat. Every bushel in the hundreds of bins can be traced back to the area where it grew. On the wall in the testing-laboratory of that elevator there is a map of Kansas, county by county; and the kind of wheat each county is producing, this year, is marked there. The same seed wheat, in different counties or in different parts of the same county, may have different protein content or vary in number of bushels to the acre. So some people are better Gospel-soil than others.

To Preach and to Heal

When Jesus sent out his disciples to preach, he sent them to heal too. Health is the church's business. Whatever affects man's health of body, mind or soul, that is the church's affair. When she preaches and brings the Gospel, she has no right to say, "What we preach is only for your soul." The good news about God has transformed whole communities, it has changed the world for women, for children, for slaves, for downtrodden minorities. A gospel which is only for souls is not the Gospel Jesus preached and brought.

Shields News

MRS. RALPH McWILLIAMS

There was a good crowd out Sunday at the Baptist Church. We had several visitors, Mr. Rayford Evans and children, Mr. and Mrs. Burgess Stewardson. We are happy to welcome them. Come Back!

Rev. and Mrs. McFarlin visit-

ed the Brotherhood Meeting on Thursday night which was family night. We went from the church to the Community house for refreshments and a social hour.

There was quite a large crowd at the Community Supper Saturday night. Several visitors were present.

Visitors with Mrs. J. Z. Vercher and Mr. Homer Vercher this week were Mrs. Cecil Curry of Santa Anna, Mrs. Otis Powers, Mrs. Annie Hawkins, Mrs. Carrol of Coleman, Mr. and Mrs. Steve Williams and Stevie of Brady.

Mrs. Ura Dillingham visited her daughter and family, Mr. and Mrs. Martin West and other relatives of Fort Worth four days this past week.

Mrs. Dillingham had a long letter from Mrs. H. C. Murrell of Temple. She reports she has moved into one of her homes there and a lot of her friends have visited her there.

Mr. Nobe Carpenter came home this week end to be with

his family, but will return on Tuesday to work in Snyder.

Mr. and Mrs. George Stewardson Jr. visited his father and mother in Coleman. They report they are improving, but said Sundays were long. We hope all who can will stop by and visit them. A Cheery visit or cards would help them pass the time and be appreciated, I'm sure.

Mr. and Mrs. Rayford Evans and family of Stephenville visited relatives and friends in Shields over the weekend and were going to visit his father in Bangs Sunday afternoon on their way home.

Miss Jeanie Stewardson returned home Sunday night after a visit with her sister and family in San Antonio.

Mrs. Myrtle Curry of Santa Anna visited Mr. and Mrs. E. S. Jones one afternoon this week.

Mr. and Mrs. Ralph McWilliams visited Mr. and Mrs. T. O. Nalley of Coleman and Mr. and Mrs. O. C. McWilliams of Crews this past week.

Some one heard from Mr. and Mrs. George Cobb. We hear they are getting homesick. Hope they will soon be coming back to Shields.

Little Steve Stephens spent the weekend with his grandparents, Mr. and Mrs. Ralph McWilliams. Mr. and Mrs. Waldo Stephens came Sunday night to take him home.

Thanksgiving is just around the corner. We know we all have much to be thankful for if we would stop and count our blessings.

First Lt. Jack Carroll will arrive in Fort Worth by plane from Seattle, Wash., and will be met by his father and mother, Mr. and Mrs. A. B. Carroll.

MRS. PARKER MEETS ROCKWOOD H. D. CLUB

Miss Linnie Box was hostess to the H. D. Club Wednesday afternoon, November 16.

Mrs. Bessie Parker, County H. D. Agent, gave a demonstration on Meals From The Freezer. The meal cooked and served included Veal Scallopini, buttered frozen vegetables, a salad of radishes, carrot-curls and celery, whole wheat rolls and ice cream pie.

The meal was voted delicious and many helpful hints were given for using the things direct from the freezers.

Present were: the guest, Mrs. Parker, Miss Linnie Box, Mrs. Tony Rehm, Mrs. Jim Rutherford, Mrs. Jack McSwane and Mrs. John Hunter.
