## Gorman Economic Development Corporation Issues Matching Grant

Pictured are Judy Warren, Gorman Economic Development Corporation Board President, and Robert Ervin, Masonic Lodge #716 representative.

The Gorman EDC offers a grant program designed to encourage businesses to make improvements to their buildings that will enhance the attractiveness and functionality of local buildings in order to better attract visitors and demonstrate the vitality of the community. It is a matching grant with a maximum of \$500 being reimbursed.

The Gorman Masonic Lodge #716 completed a renovation and beautification project recently. The project served two purposes: to improve the soundness and appearance of the lodge building which is located on the main street of downtown Gorman; and second to enhance the overall appearance of the area.

The Gorman EDC was pleased to reimburse part of the Lodge's expenses and expresses their appreciation to all Lodge members for their continued support of Gorman.

Some funds remain for this type project. Any business that would like to participate is encouraged to submit a proposal to the GEDC through any Board Member or Emmett Lasater, Executive Director.

## Meek Blood Center To Hold Blood Drive - "One More Gift To Give"

A Community Blood Drive will take place on Wednesday, December 26th. The Meek Blood Center Bloodmobile will be at the Gorman City Park from 1:00 p.m. Until 6 p.m. According to Meek Blood Center, blood donations drop drastically during the week between Christmas and New Year's. Blood is needed every day, including holidays.

"I would like to ask donors to give one more gift this holiday season, which is the gift of life," said Frances Baker, donor recruiter. "While most of us are at home enjoying time with our families, there are parents in the hospital who are receiving blood transfusions. These patients are totally dependent on volunteer donors to save or sustain their lives," Baker continued.

Donors must be at least 17 years old and weigh a minimum of 110 pounds. Those who have eligibility questions may call 325-670-2798 or log on to [www.meekbloodcenter.org](http://www.meekbloodcenter.org).

Each donor will receive a T-Shirt and a complimentary Total Cholesterol Test. Cholesterol results are available three days after the blood drive.

## The Twelve Days of Christmas

On the 1st day of Christmas my true love gave to me...

### A Partridge in a Pear Tree

The partridge in a pear tree is Jesus the Christ, the Son of God, whose birthday we celebrate on December 25, the first day of Christmas. In the song, Christ is symbolically presented as a mother partridge that feigns injury to decoy predators from her helpless nestlings, recalling the expression of Christ's sadness over the fate of Jerusalem: "Jerusalem! Jerusalem! How often would I have sheltered you under my wings, as a hen does her chicks, but you would not have it so . . ." (Luke 13:34)

On the 2nd day of Christmas my true love gave to me...

### Two Turtle Doves

The Old and New Testaments, which together bear witness to God's self-revelation in history and the creation of a people to tell the Story of God to the world.

On the 3rd day of Christmas my true love gave to me...

### Three French Hens

The Three Theological Virtues: 1) Faith, 2) Hope, and 3) Love (1 Corinthians 13:13)

On the 4th day of Christmas my true love gave to me...

### Four Calling Birds

The Four Gospels: 1) Matthew, 2) Mark, 3) Luke, and 4) John, which proclaim the Good News of God's reconciliation of the world to Himself in Jesus Christ.

On the 5th day of Christmas my true love gave to me...

### Five Gold Rings

The first Five Books of the Old Testament, known as the Torah or the Pentateuch: 1) Genesis, 2) Exodus, 3) Leviticus, 4) Numbers, and 5) Deuteronomy, which gives the history of humanity's sinful failure and God's response of grace in the creation of a people to be a light to the world.

On the 6th day of Christmas my true love gave to me...

### Six Geese A-laying

The six days of creation that confesses God as Creator and Sustainer of the world (Genesis 1).

On the 7th day of Christmas my true love gave to me...

### Seven Swans A-swimming

The seven gifts of the Holy Spirit: 1) prophecy, 2) ministry, 3) teaching, 4) exhortation, 5) giving, 6) leading, and 7) compassion (Romans 12:6-8; cf. 1 Corinthians 12:8-11)

On the 8th day of Christmas my true love gave to me...

### Eight Maids A-milking

The eight Beatitudes: 1) Blessed are the poor in spirit, 2) those who mourn, 3) the meek, 4) those who hunger and thirst for righteousness, 5) the merciful, 6) the pure in heart, 7) the peacemakers, 8) those who are persecuted for righteousness' sake. (Matthew 5:3-10)

On the 9th day of Christmas my true love gave to me...

### Nine Ladies Dancing

The nine Fruit of the Holy Spirit: 1) love, 2) joy, 3) peace, 4) patience, 5) kindness, 6) generosity, 7) faithfulness, 8) gentleness, and 9) self-control. (Galatians 5:22)

On the 10th day of Christmas my true love gave to me...

### Ten Lords A-leaping

The ten commandments: 1) You shall have no other gods before me; 2) Do not make an idol; 3) Do not take God's name in vain; 4) Remember the Sabbath Day; 5) Honor your father and mother; 6) Do not murder; 7) Do not commit adultery; 8) Do not steal; 9) Do not bear false witness; 10) Do not covet. (Exodus 20:1-17)

On the 11th day of Christmas my true love gave to me...

### Eleven Pipers Piping

The eleven Faithful Apostles: 1) Simon Peter, 2) Andrew, 3) James, 4) John, 5) Philip, 6) Bartholomew, 7) Matthew, 8) Thomas, 9) James bar Alphaeus, 10) Simon the Zealot, 11) Judas bar James. (Luke 6:14-16). The list does not include the twelfth disciple, Judas Iscariot who betrayed Jesus to the religious leaders and the Romans.

On the 12th day of Christmas my true love gave to me...

### Twelve Drummers Drumming

The twelve points of doctrine in the Apostles' Creed: 1) I believe in God, the Father almighty, creator of heaven and earth. 2) I believe in Jesus Christ, his only Son, our Lord. 3) He was conceived by the power of the Holy Spirit and born of the virgin Mary. 4) He suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell [the grave]. 5) On the third day he rose again. He ascended into heaven, and is seated at the right hand of the Father. 6) He will come again to judge the living and the dead. 7) I believe in the Holy Spirit, 8) the holy catholic Church, 9) the communion of saints, 10) the forgiveness of sins, 11) the resurrection of the body, 12) and life everlasting.

## Child Passenger Safety

With Christmas just around the corner, this means that we will be traveling to see friends and family. They maybe across the state or they maybe just across town, either way we need to make sure that our kids are safe during this trip. Motor vehicle crashes are the #1 killer of kids. Why? In many cases, children are either not properly buckled into their safety seats or parents don't realize that a booster seat is vital to ensuring children fit safely in their vehicle seat belts. On average, 7 out of 10 car seats are not installed correctly. For the most part, it's only minor things, but they can become dangerous if not caught. Example, seat belt not pulled tight enough to secure the seat, seat not at the correct angle for rear-facing infants, seat turned around too soon, internal straps are not tight enough or positioned correctly, and the list can go on.

In Texas, the law states; "if the child is BOTH less than 5 years old and less than 36 inches tall, they are required to be in either a car seat or booster seat." It's recommended that infants remain rear-facing as long as possible, and that children in booster seats remain in those seats for as long as possible, at least until they reach the maximum weight limit of the seat. As with any child safety seat, they should NEVER be placed in front of an active air bag, doing so can cause serious injury to the child including death.

Children that have out grown their boosters seat and are able to sit in the vehicle seat with a seat belt should make sure that the seat belt fits them properly. Allowing the belt to ride up on the child's abdomen or neck can cause severe injuries to the child's neck and internal organs during a crash.

If you would like to have your seat checked before hitting the road for Christmas, please call our office at 254-734-5989 for a free seat inspection. If you need a seat, we still have some convertible seats and a few boosters seats left. These are free to those that are not able to purchase a new one. What better way to say, "I love you" to your child than making sure their seats are installed and working properly, or getting a new seat for them.

We want you and your family to have a safe and happy holiday season, so please set an example and buckle up.

## DPS Increases Enforcement For The Holidays

All available DPS troopers will be on patrol for the Christmas and New Year's holidays in an effort to make the roads safer for all travelers.

DPS troopers will be on the lookout for drunk drivers, speeders and seat belt violators from Saturday, December 22 through Tuesday, December 25, and again on Monday, December 31 through Tuesday, January 1. DPS is especially concerned about drinking and driving during the holidays.

During the Christmas and New Year's holidays last year, DPS troopers made 1,253 DWI arrests and issued 27,032 speeding tickets and 1,183 seat belt citations. In addition, troopers issued 1,326 tickets for child safety seat violations. (These numbers do not include citations written by other law enforcement agencies.)

"Your chances of getting arrested for DWI or receiving a traffic citation nearly doubles during increased enforcement periods like Operation Holiday," said DPS Director Col. Thomas A. Davis Jr. said. "Traffic crash death notifications are never easy, but they are even more difficult during the holidays. Our hope is that our efforts, combined with other law enforcement across the state, will save some people from needless traffic deaths during the holiday season."

Highway Patrol troopers ask Texans to remember the following driving safety tips:

- Slow down—speed is the number one killer on Texas roads.
- Don't drink and drive; get a designated driver.
- Buckle up everyone in the vehicle.
- Keep cell phone chatter to a minimum.
- Drive with courtesy; it's contagious.
- Slow down in bad weather, construction areas and heavy traffic.

Happy First Anniversary

## Happenings At FBC!!

Happy Birthday Jesus! The Lord's House was packed with all of us coming to worship Him!

We had special prayer for our Youth who are leaving Dec. 30th for their Ski Trip - please continue to pray for their safety.

Mark your calendars for New Year's Eve Singing at New Hope Baptist Church - Dec. 31st - 8pm to midnight - It is a fun and fantastic way to ring in the New Year.

We all were blessed by the three music specials - Rachel Tucker playing the piano, McKayla Early singing, and Sammie Mauney singing - all three were wonderful.

Liz Caraway delights us with a marvelous Children's Sermon week after week.

Bro. Barry's sermon was "White Christmas" - Matthew 1:21 Do you know of a birthday party where the person who was having the birthday wasn't invited? Do we see that happening all around us at Christmas?

The Christmas Story

I. The Story Of Man's Sins

1. Bad News - we ALL sin.

2. Good News - Jesus came to save us from our sins.

Bro. Barry sang us a verse of the top five Christmas songs - Chestnuts Roasting on an Open Fire, Dreaming of a White Christmas, Winter Wonderland, Silver Bells, and Jingle Bells.

Not one of the songs are about Jesus - don't you agree something is wrong with that?!

II. The Story of God's Son

1. First Christmas Sermon

Genesis 3:15

2. First Christmas Prophecy

Isaiah 7:14

3. First Christmas Story

Isaiah 9:6

III. The Story of Our Salvation

1. This Salvation is FREE.

2. This Salvation is FINAL.

3. This Salvation is FOREVER.

4. God's Gift of Salvation is IRREVOCABLE.

A grade school class was putting on a Christmas play, which included the story of Mary and Joseph. In that class was a boy who wanted very much to be Joseph. But when the parts were handed out, his biggest rival was given the part of Joseph and he was given the part of the inn keeper instead. The little boy was bitter about not getting the part he wanted so he plotted what he might do to get even with his rival.

So the night of the play when Joseph and Mary asked the inn keeper for a room for a night the inn keeper said, "Great, come on in and I'll give you the best room in the house." Of course we know that is not how the story goes, but do we say to Jesus - "Come on in?" Do we let Jesus' light shine through us so we can lead others to knowing Him?

Our Worship Service is being broadcast on the radio - 88.7FM.

God Bless and Keep You. See you next Sunday.

## Senior Citizens News

By Carol Ward

Our regular weekly luncheon was on the 19th with 25 in attendance. We always eat around 11:30 and Wilburn Overstreet gave the blessing of our food.

We enjoyed Butter Beans with our left over Christmas Ham. Estelle Lindley brought delicious candied sweet potatoes. Daisy Slaton made meat loaf and a cake. Barbara Bush made a good Mexican dish. Ann Maxfield brought a now dessert made of ritz crackers and don't know what else, but it was delicious. Geraldene Wright made salmon patties and Betty Region made the rolls for us an Wynogene Smith was gone visiting. We had many other good side dishes, and cakes, jello, etc.

Sharon Bell of the Methodist Church came for a visit. She brought a history lesson about the Twelve Days of Christmas, and read to us. Very interesting story about this Christmas Carol. I will see if Lonnie has room in the paper to print the story, as it is quite long.

We were glad to see Billie Bennett and Icy Mu as they missed our Christmas Dinner. Billie looking so well after her long ordeal. Icy didn't want to get out in the cold. I was so happy we had a good crowd as they weather was dreadful. Also good to see Russell Cordell, Anna Rush's son. He comes when he isn't working. We have missed Ima Brown being with us. Hope she will return, soon.

Someone exchanged a denim blue jacket with embroidery on the front with Estelle Lindley. She has this, would love to have her back. It happened at one of our meetings sometime. So people check your jackets.

We usually wait till the end of the month to sing Happy Birthday to all the December Birthdays. Well forgot the last dinner, so must sing next in the New Year, help remind us. We will not meet the day after Christmas. I'm not sure about the games on the 27th, will wait and see.

I brought my poinsettias home to enjoy and love the apple strudel candle. Sure does smell good. I had left the plant up there awhile for all to enjoy at their parties.

Thanks again for being so generous for my Christmas Birthday and Christmas present.

Daisy Slaton and I went to Eastland for a visit with Opal Burton. We carried her some Christmas goodies and enjoyed eating Christmas supper with her. She seems to be doing OK in the Nursing Home. As happy as one can be, it's not home.

Hope all have a wonderful Christmas with your families. See you all in the NEW YEAR!!!!

## Enjoying the Pecan: A Texas Holiday Tradition

By U.S. Sen. John Cornyn

The pecan has earned a lofty place in our Lone Star culture over the years. It was central to Texas holiday recipes long before it was officially named both the state nut and the state tree. As Texans gather with family this holiday season and the warm pecan pie comes out of the oven, what matters most will be deciding if there is room for seconds.

Declared "the only tree nuts native to North America," pecans appear early in the recorded history of Texas. Soon after landing on the Texas coast in 1528, explorer Cabeza de Vaca met the Mariame Indians—Native Americans who came to the lower Guadalupe River each fall "when the ripe nuts began to drop like manna," according to historian Paul Schneider.

Newly arriving Texas pioneers would later discover pecans to be a steadfast friend, creating enjoyment when other food was scarce.

Early Texas publisher William A. Trenckmann remembered a childhood holiday season during the Civil War when the family Christmas tree was a "young wild peach tree." Its ornaments included nuts and Christmas cookies created despite wartime shortages of wheat flour. "The baking was accomplished with corn meal and honey," and "scalded peach kernels and shelled pecans were used for decorations."

Famous Trees of Texas reports on the Sam Houston Pecan, a tree planted by the Texas statesman in 1847. "While returning from a trip, he had need of a buggy whip to spur his lazy horse. Having none, he stopped beside the road and pulled up a small pecan sapling, which served his purpose well. Arriving at his home (in Huntsville), he saw that the roots were still intact, so he planted the sapling in the yard and it grew"—for the next 127 years.

A century ago, an enormous tree in San Saba County owned by Thomas I. Hollis became known as "Jumbo Hollis" because it produced uncommonly large pecan nuts. They were so hefty that "Ripley's Believe It or Not" recognized them "as requiring the fewest nuts to weigh a pound." The Jumbo Hollis even won a medal at the 1904 World's Fair in St. Louis.

Two years later, Texas Governor Jim Hogg was granted his wish to be buried with trees planted at the head of his grave, one of them a pecan. When it bore fruit, he wanted the pecans to "be given out among the plain people ... so that they may plant them and make Texas a land of trees."

Texans paid heed to those words. What nature began, Texans enhanced—in yards and orchards throughout the state. The largest pecan tree in Texas today stands in Parker County, near Weatherford.

Along with Georgia, the Lone Star State is always among the top producers of pecans in America, with an average annual crop of 60 million pounds.

The exact pecan tribute by the Texas Legislature is "state health nut," in recognition of its nutritional value. One pecan grower told the Abilene Reporter-News: "Pecans are really very good for you, with essential nutrients, amino acids, antioxidants, and will even help lower bad cholesterol levels. When you look at the pecan's attributes, it's almost like reading a vitamin bottle except pecans taste so much better." Growers explain that 90 percent of the fat in pecans "is unsaturated, heart-healthy fat."

Whether they are grown for sale, for eating or for shade, pecans have an important place in Texas history, commerce and recipes. The latter is especially true during the holiday season.

He serves as the top Republican on the Judiciary Committee's Immigration, Border Security and Refugees subcommittee and the Armed Services Committee's Airland subcommittee. ## Neugebauer Votes For Tax Relief, Health Care And Continued Funding For Our Troops

WASHINGTON, DC - Yesterday, Congress officially adjourned the first session of the 110th Congress. Congressman Randy Neugebauer (TX-19) voted for several key pieces of legislation, including a bill to protect 23 million Americans from a tax increase by shielding them from the Alternative Minimum Tax (AMT). Other legislation passed yesterday will extend health care for needy children, protect health benefits for seniors and provide funding for our troops currently in Iraq and Afghanistan, as well as allocate funds for veterans and military beneficiaries. Upon conclusion of yesterday's votes, Congressman Neugebauer released the following statement:

"Today is a good day for the American people. Congress has completed its work and passed much-needed legislation. I was pleased to vote to protect 23 million Americans from an average \$2000 tax increase, including the hard working folks of West Texas and the Big Country.

"I voted to continue the State Children's Health Insurance Program (S-CHIP), within the original intent of the program when it was created in 1998. Today's legislation was fiscally responsible, it did not move towards a government run health care system, it puts our children with the greatest needs first and maintains current requirements for proof of citizenship for access to the program. Additionally, I supported legislation to ensure senior citizens in Medicare and military beneficiaries will continue to have access to quality care from their doctors.

"Another critical piece of legislation we finalized was continued funding for our armed forces currently engaged in the Global War on Terror. We owe it to those who protect us to provide them with the best possible equipment and the funding they need to carry out the crucial mission of fighting radical Islamic Terrorism. Nothing is more important than fighting terrorism and protecting our homeland."
