Donald and Fay Cook Celebrate 50th Anniversary

Donald and Fay Cook of Gorman were honored on their 50th Anniversary with a family dinner given by their children. Donald and Fay were married on June 27, 1959 at the home of his parents. They were blessed with 4 children, 9 grandchildren and four great grandchildren. Attending the dinner were son - Terry Cook and wife Shierri and their son Ethan of Gorman, daughter Teresa with Art Robertson and their daughter Robin and their grandson, Gabarel, all of Burleson; daughter Tammie Burns of Hope, Arkansas and Don's mother Marie Cook of Gorman. Also attending were brothers Weldon Cook of Lamesa, and Lyndal Cook with wife Lynda of Snyder. Fay had 2 brothers, Ray Thompson with wife Deeta from Hamilton and two of the daughters, Missy Pittman and husband Bill and their granddaughter Shyann from Bronte, and their daughter Maxine Thompson and her son, Chris from Brownwood. Robert Thompson and wife Sharon and son Hunter from Hamilton. A good time was had by all and wished the Special Couple another 50 years.

Order Restricting Outdoor Burning

STATE OF TEXAS)
COUNTY OF EASTLAND)

ORDER RESTRICTING OUTDOOR BURNING

WHEREAS, The Commissioners Court has determined that circumstances present in all or part of the unincorporated area of the county create a public safety hazard that would be exacerbated by outdoor burning;

IT IS HEREBY ORDERED by the Commissioners Court of Eastland County that all outdoor burning is banned in the unincorporated area of the county for 90 days from the date of adoption of this order, beginning June 24, 2009 and ending September 22, 2009, unless the restrictions are terminated earlier based on a determination made by the Texas Forest Service or this Court. This Order is adopted pursuant to Local Government Code 352.081, and other applicable statutes. This order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Commission on Environmental Quality for (1) firefighter training; (2) public utility, natural gas pipeline or mining operations; or (3) planting or harvesting of agricultural crops; or (4) burns that are conducted by a prescribed burn manager certified under Section 153.048, Natural Resources Code, and meet the standards of Section 153.047, Natural Resources Code.

In accordance with Local Government Code 352.081, a violation of this Order is a Class C Misdemeanor, punishable by a fine not to exceed \$500.00

Adopted this 24th day of June, 2009, by a vote of 5 Ayes and 0 nays.

Thank You!!

I would like to say THANK YOU to all the people who helped to support me while I was running for Little Miss Gorman. Special thanks to all the businesses who let me put my cans in their establishments: A. O. Easley, American State Bank, Antiques From My Father's House, Bob's Grocery, City Grocery, Clark's Construction, Dairy Queen, Gorman Milling, Gorman Pharmacy, Nathan's Barber Shop, Panda's Floral, The Hair Shoppe, The Peanut Hut, and ZJ's. It will try to do my best representing Gorman during my reign as Little Miss Gorman.

Thank You,
Suellyn Hunter

Billy Bob Brown Wins Texas High School Rodeo Calf Roping Championship

Billy Bob Brown, 17 year old son of Chris and D'Ann Brown of Carbon added a trophy saddle to his ever growing collection of saddles, two pickups, one trailer and around 200 belt buckles.

Billy Bob grounded his calf in 9.12 seconds to raise his total on 3 head to 29.780 seconds. His finish has earned him a second trip to the National High School Rodeo Association Finals in Farmington, New Mexico in late July.

Congratulations to Billy Bob on a job well done.

Children In Action

Children In Action (CIA) at Firstfruits continues to meet through the summer. Our focus for June is Impacting Your Community. This week's topic was to offer what you have to God and see what He will do to impact those around you. Next week's focus will be about being a good neighbor. Come and join in on all the fun and excitement on Monday's at 6:30pm. Also, come and see the new items at the Apex store. It's for children ages 6-12. Parents are also welcome to come. Call Firstfruits at 734-3203 for more information. (CIA will not meet Monday July 6 to encourage everyone to attend Camp On the Road at the First United Methodist Church.)

Pig Tales From Hogtown

How about that fish last Saturday evening! Wasn't it good? My husband was also pleased because he received many nice compliments on the pot of beans that he cooked. Thanks to all who came and made it a really fun evening!

Next Saturday, July 4th will be 'Breakfast at the DAC'. For anyone new to the area, the first Saturday of each month, we serve breakfast here at the Desdemona Activity Center from 7:00 A.M. until 10:00 A.M. The men cook eggs and bacon outside on the porch and the ladies cook pancakes, sausage, biscuits, and gravy inside. It is a fantastic way to begin your weekend. Come and join us this Saturday. Cost is by donation.

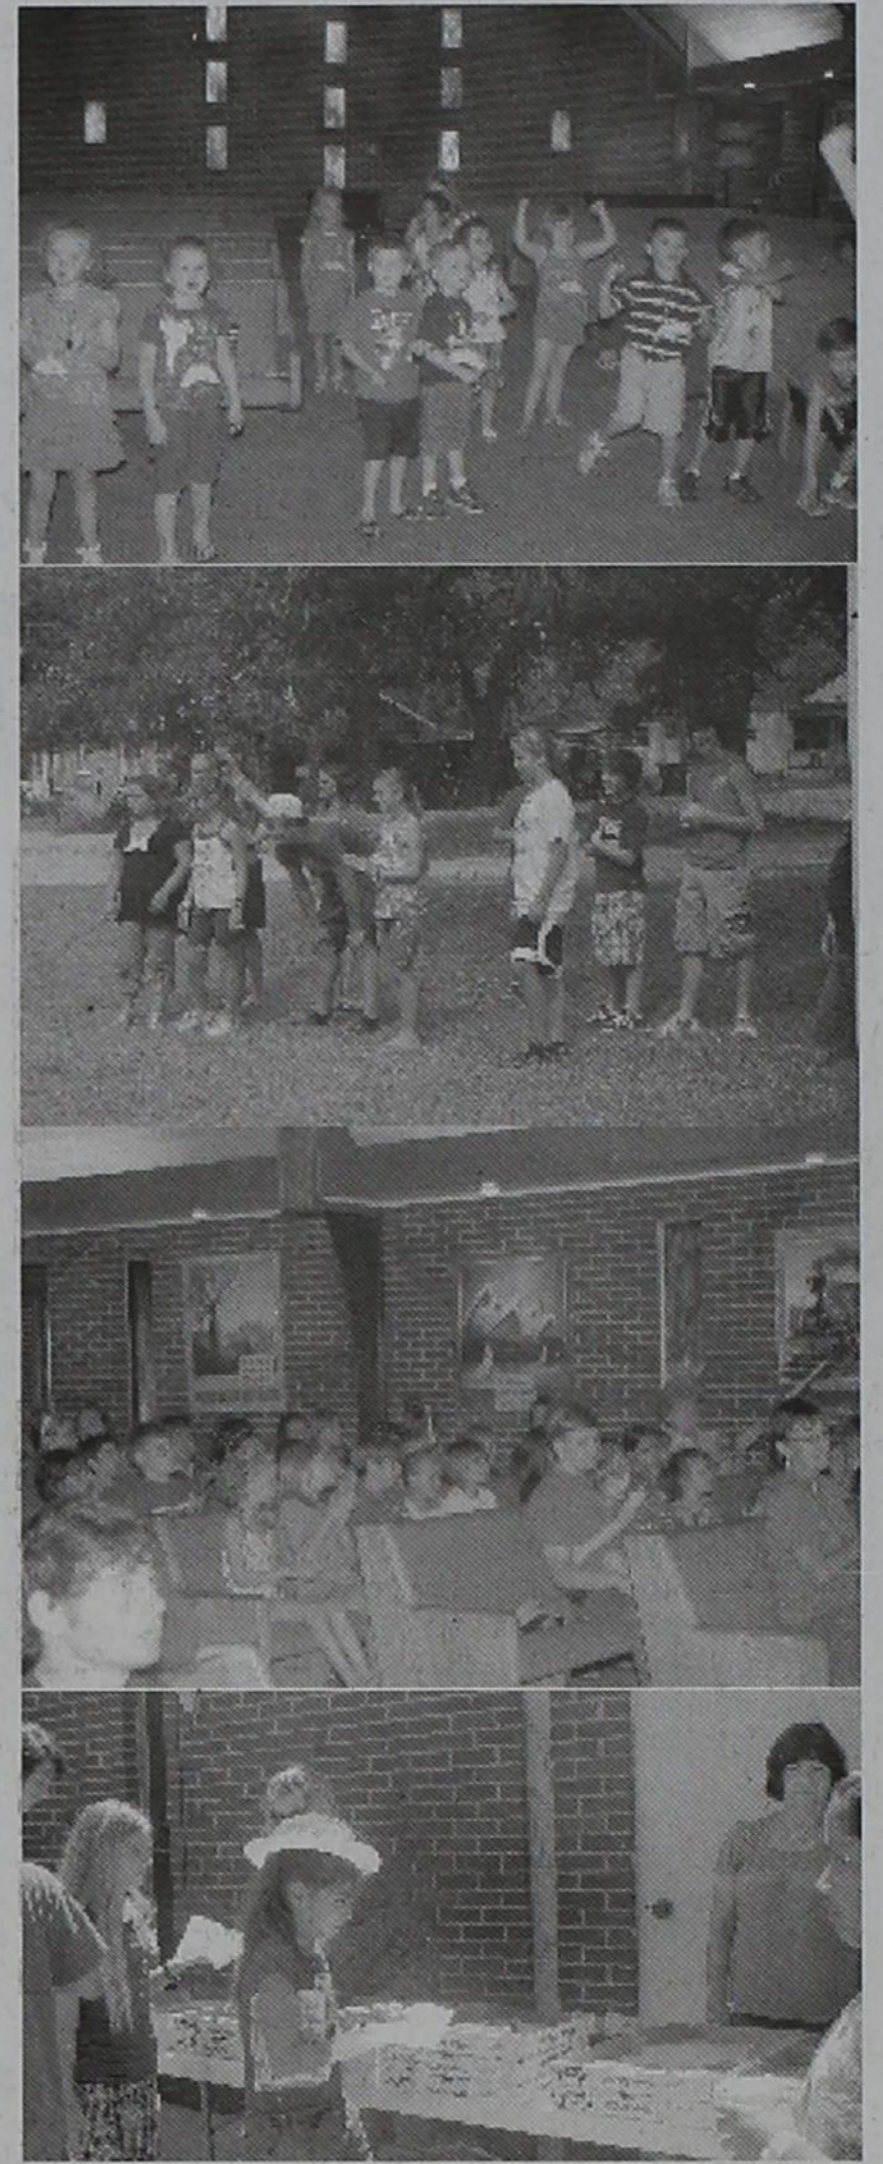

Mark July 10th on your calendar - the second Friday of the month. Johnny Johnston and the Memory-Makers will be back for our monthly dance. You don't want to miss this great band! They play from 7:00 to 9:30 P.M. The cost is \$5.00 per person. The concession stand opens at 6:00 with sandwiches, chips and various dessert items. Thanks to the community ladies for making and serving the food!

Welcome to the new establishment in town - Ga-Ga's. Karen has lots of neat articles in her cute little log cabin store. Come and see.

If you are looking for a place to spend some time on these hot summer days, come to the library inside the

Happenings At FBC!!

Present! Life is a present possession. I have written these things to you who believe in the name of the Son of God, so that you may know that you have eternal life. (1 John 5:13). Believers live more certain of your salvation, you have eternal life now!

Mark your calendars:

July 4th - Independence Day.

July 5th - 10:00am - Everyone is invited! Adult Sunday School Classes will meet together in the Sanctuary for our next tour stop of the Holy Land. Come early for Fellowship.

July 11th - 8:00am - Brotherhood Breakfast- please come, you will enjoy a fantastic time.

July 27th to 30th - Boys/Girls Mission Camp - Send a kid to camp! Bring donations to Church Office.

Glory to God! Our service began with the baptism of three young girls, one young woman, and one young boy. It's a wonderful privilege to witness how these five lives are changed by the blood of Jesus!

Children's Sermon: Liz asked Ryan to demonstrate jumping jacks, running in place, and touching toes. Liz said she was out of breath watching her, and told her she did a great job. Then Liz gave goody bags to all the other children. Ryan did all the work, was it fair that she was the very last one to get a goody bag? Jesus died on the cross for all our sins and we didn't deserve it. All we have to do is ask Jesus into our hearts. The Bible tells us in Romans that the wages of sin is death. Forgiveness is a gift from God, and we receive eternal life through Jesus.

Bro. Barry's message: "Breakthrough of Breakdown" - Isaiah 45:2

What is a breakthrough? In our midst we have witnessed Martha Rainey's medical breakthrough and we praise God for it. The Bible tells us in Isaiah that whatever mountain or iron gate blocks you, God will go before you and knock it down. We more easily recognize the breakdowns in our life, all the things that rob us of our joy, peace and love. Things like financial problems, job problems, and family splits. Live to recognize the breakthroughs in your life: recognize the joy, peace, and love that Jesus restores in your life.

NEVER GIVE UP SEEKING BREAKTHROUGH.

Acts 11:23 - you don't have to live alone, stay true to the Lord.

Encouragers:

I. Are Easily Gladdened - The first things they see are the blessings of God.

II. Urge Perseverance - In the midst of struggle, just hang on Jesus will get you through it. Don't give up. Stay with it.

III. Enlist the Help of Capable People - Church creates fellowship to teach us how to live and cope. God is there with people to help you. Are you listening to God's call to you?

One of the worst things in life is to encounter a discourager. A discourager is a person that has an attitude of pessimism, cynicism, distrust, doubt, gloom, negativity, and this discouraging attitude is a product of the devil.

Character of an Encourager - In the Bible book of Acts we are told of a great encourager named Barnabas.

1. A Good & Kind Person - Be a shining light for Jesus.

2. Spirit Filled - Lift up one another.

3. Lives by Faith - Quit crying and get going, make a difference in the lives of your fellowman.

The encouragement we receive blesses our lives. Ask the Lord to lead you to someone to encourage in the name of Jesus.

We welcome new member Larry Thompson to our fellowship.

Our Worship Service begins at 11:00AM on Sunday mornings - please come and join us!

Remember: God loves you like no one else! Email us at fbcgorman@hotmail.com

Desdemona News

By Vonnie Guthery

"Desdemona Monthly Musical" was held last Saturday night at the Community Center (former School Building). A large group of musicians and singers attended and they did a wonderful job. We appreciate those that attend each month. We appreciate the ladies that donate food each month to the concession stand. It takes each and everyone doing their part to keep our Community going strong. This monthly musical is held on the 4th Saturday night of each month except during the busy holiday season of November and December. Visitors are always welcome and the admission is "FREE".

Friends of Desdemona send get well wishes to Tenia Koonce. She had a triple by-pass heart surgery last Wednesday in a Fort Worth Hospital.

There is a lot of sickness in our Community. Some having bronchitis, some recovering from recent surgery and others taking Chemo. Remember these with your Cards and Prayers.

Trevor Walston is visiting several days with his grandparents, Gary and Jody Walston in Desdemona. Trevor has a new baby brother, Garrett Jobe Walston. Parents are Travis and Melissa Walston of Fort Worth.

Allison Febinger of Cleburne and Lexie Robinett of Abilene spent one day last week with their great grandparents, Bernard and Ann Keith.

Please contact this reporter with your weekly news. Your help will be appreciated. This news article is written each Sunday night and delivered by noon each Monday morning.

"Happy July 4th" to all of our friends and neighbors from Pug and Vonnie Guthery.

Texas and Southwestern Cattle Raisers Association Team Up With Tru-Test To Offer Savings To Texas and Oklahoma Producers

Fort Worth, Texas - The largest livestock association in Texas has partnered up with the largest fencing equipment and livestock scales manufacturer in the world to offer Texas and Oklahoma cattle producers significant savings on reliable equipment. The Texas and Southwestern Cattle Raisers Association (TSCRA), in conjunction with Tru-Test, will offer members mail-in rebates on electric fences and livestock scales at retailers in Texas and Oklahoma.

"Cattle raisers depend on strong, reliable equipment to manage their herds," TSCRA President Dave Scott said. "We are pleased to join with Tru-Test to offer our members savings on an outstanding selection of electric fence and livestock scales."

Beginning July 1, TSCRA members can receive a 10 percent mail-in rebate on \$250 minimum purchase of Patriot, Speedrite and Stafix electric fence products including energizers, insulators, cables, solar kits and related fencing accessories. Members can also receive a five percent mail-in rebate on livestock scale systems, including weigh indicators and load bars. Members will still qualify for any additional consumer programs in place. The offer will expire December 31, 2009.

To participate in the Tru-Test program, please contact your local Tru-Test dealer or call 800-874-8494 to locate the dealer closest to you. TSCRA members may also download the rebate form at www.texascattleraisers.org in the Members Only section.

About Texas and southwestern Cattle Raisers Association - Texas and Southwestern Cattle Raisers Association is a 132-year-old trade organization and is the largest livestock association in Texas. TSCRA has more than 15,000 members who manage approximately 4 million head of cattle on 51.5 million acres of range and pasture land, primarily in Texas and Oklahoma. TSCRA provides law enforcement services, livestock inspection, legislative and regulatory advocacy and educational opportunities for its members and the industry. For more information, visit www.texascattleraisers.org.

About Tru-Test - Tru-Test is a global manufacturer of integrated data-capture and farm management systems. Tru-Test is an ISO-9001 company, and is the largest manufacturer of electric fencing equipment, livestock scales and milk metering equipment in the world, supplying approximately 80% of the world's demand for livestock scales, 80% of the world's milk meters and is a dominant supplier of electric fencing equipment globally. For more information, visit www.tru-test.com.

Mosquito Facts and Protection from West Nile Disease

After a mild winter and recent early summer rains in West Texas, mosquitoes are coming. People will be suffering from the annoying itch of mosquito bites. Before you worry about West Nile infection, Texas Tech University Health Sciences Center epidemiologist Ronald Warner, D.V.M., Ph.D., reminds us of some facts and methods to prevent this mosquito-borne disease.

Dr. Warner, in the Department of Family and Community Medicine, said between March and June, "West Nile" mosquitoes prefer to feed on birds such as crows, ravens, robins, sparrows and jays. July to October, these mosquitoes shift their feeding preference to mammals, including humans. The female mosquitoes need to feast on protein enriched foods (blood) to develop and form their eggs. Once winter arrives adult mosquitoes will seek shelter in attics and under shingles and the bark on trees. Some unhatched mosquito eggs will be resistant to winter weather and survive until the return of spring rains.

"Domestic pets, such as dogs and cats, are rarely infected with West Nile but horses, mules and donkeys are much more susceptible," Warner said. "There are several vaccinations to help prevent your horses from being infected by the West Nile virus."

Depending on a person's age and health condition, some may have serious effects from West Nile virus, if infected. Underlying diseases such as hypertension and kidney disease appear to increase the severity of West Nile disease. Younger people, especially transplant patients and others with immune suppression (e.g., cancer treatment), can also suffer severe effects.

On average, most West Nile diseases are acquired near the home because that is where people spend most of their outdoor time. Outdoor candles, torches and/or coils may be burned to produce a smoke that repels mosquitoes, but make sure the active ingredient contains the oil of citronella. Be aware of general fire hazards and use only under calm or windless weather conditions. A few more household tips to keep in mind: keep your grass fairly short, remove weeds in your alley, and always remember to practice the "4 Ds:"

- DEET is the active ingredient in "Off," but avoid applying high-concentrations (no more than 50% DEET); no more than 10% on small children. Also, use skin repellents sparingly; one application should last 4 to 6 hours, but apply after profuse sweating or swimming.
- Dress appropriately if outdoors; wear long sleeves, long pants and apply mosquito repellent to the remaining area of skin that is not covered by your clothing. Permethrin-containing repellents (permanone) may be put on clothing, shoes and camping gear. Permethrin-treated clothing repels ticks, mosquitoes and other arthropods and retains this effect even after repeated washings. However, if a garment is dry-cleaned, the repellent will need to be re-applied.
- Dusk and Dawn are the times during the day when mosquitoes are the most active.
- Drain ALL standing water around your home. Wadding pools - drain every other day; also flower pot basins, dog bowls, and kids toys. Any standing water will attract mosquitoes and provide a place for their eggs to develop and hatch.

There are many myths about mosquitoes. Warner said one myth is mosquitoes become larger with more rain; that is false.

"In Texas alone there are approximately 80 different documented species of mosquitoes. The time of year and local weather conditions determine what type of species we will have," Warner said.

Warner added that eating bananas, washing your mouth with Listerine and wearing dark clothes will not protect you from mosquito bites. Just remember to practice the 4 Ds and look for the active ingredients that help protect you and your loved ones.

Senior Citizens News

By Carol Ward

We had a small gathering on the 24th with only 21 people. I believe no one wants to cook in this heat or get out. Barbara Bush and I sure aren't in the mood to make hot dishes either. That's why it's OK and better for us to have more different kinds of salads and sandwiches in the heat. I do hope some of you will bring this type of food. If more folks don't start coming, we may call the dinner off for the summer. I do want to thank Bro. Frank Shirley for giving thanks for us all. He says such good words to help us.

I wrote about Daisy Slaton making us some good deviled eggs last time. Well, either I or Lonnie left a whole sentence out. As I followed up with how we miss Icy Munn and her great deviled eggs, which was not in the column. They I said it's become difficult for her to get out and carry a dish in this heat. She has been having a hard time breathing. How well I know how this feels. As I could hardly walk, breath, and carry something either. I'm better now, and heart still in normal rhythm. I pray it will continue to do so. Maybe Icy can come back which the weather cools off.

Our meal was small and simple. I thought the Bushes would be here, but had to leave town. So we had no home cooked beans to go with the cornbread. I opened up some canned ones, not too good. We also enjoyed German sausage, burger meat, mixed vegetables, potato salad, cukes and tomatoes in Italian dressing, pea salad, so several good salads. Our desserts were cool whip and chocolate sugar free pie. Beth Shirley made this, so delicious. Ann Laminack made a divine lemon cake, also banana pudding by Estelle Lindley, ice cream and cookies.

I ran into John and Willo Rice at Eastland Hospital on the 26th. She sure looks good and he was pushing her in the wheel chair. She is very fortunate to have a strong husband to help her out. I had blood drawn to check on a problem. I sure do feel like a pin cushion here lately. I then went to Wal-Mart and there was Betty Regian, Berniece Hewson and Melba Frasier. We were all out early to try and beat the heat. I got home by noon and it was 99!

Daisy Slaton's daughter Bennie Gail is here from Alabama for a visit. They all were in Abilene the weekend of the 27th for a big family gathering. I imagine they had a great time, especially all the young cousins. They plan some more trips.

We had only 5 out for games on the 25th. We talked Dixie Pack into playing Spinner and we all enjoyed. Sure did miss Wilburn Overstreet, as his son so ill. He then passed away that night. He had put up a long battle against cancer. We all send our condolences to you, Wilburn. Also miss Lendon Shipman, hope something can be done for him.

Hope all is well and see you next time, Carol.
