or that ever since, so I've studied, only harder this year." Perhaps, though, this year really began last July. Miss Hatcher went to Summer Band School for two weeks at McMurry College in Abilene. There she not only learned a great deal of band music, she also was inspired to work harder at being a good band member. Thus it was that Carol learned to play and memorized a Class I Solo on the baritone saxophone and entered Interscholastic League Solo Contest at Snyder this spring, winning a First Division Medal. Miss Hatcher has given much time to band work, for besides being in the Gorman Panther Band, she is also a member of the Gorman High School Stage Band.

Not all her extra time is spent on band, however, for Carol takes both piano and organ lessons. With participating in two recitals each year, a great deal of practicing in necessary. Somehow this is accomplished, along with playing now and then at MYF and Christmas, Easter or other special services.

It would seem to be work enough to have become Valedictorian, but it's the extras that add the spice to life. Some of the extras for Miss Hatcher this year were winning First Place with her essay on Fire Prevention, being President of 4-H Club, making All-District Band at the Spring Meeting, and being a hostess at the Teen Flat.

Not all her effort has been concentrated on school work, however, for Carol has been an active member of her church and MYF, seldom missing any of the services. She was MYF reporter during the past year, reporting the local MYF news each week and Sub-District news after each monthly meeting.

Yes, 1957-58 has been a real busy year right from registration day last September to the Graduation Thursday night. Sometimes it was probably a little too busy, but there will be time for catching up on sleep later --- besides, this is the stuff memories are made of.

matter which way you look at it. The sterling qualities of the code are: I believe that I should observe sound spiritual values in my everyday life for families that pray together, stay together. I believe that I should practice day living at home as well as the ideas of democracy in every- with others. I believe that I should practice high moral standards and conduct myself in such a way that I am a credit to my family and myself. I believe that by practicing the Golden Rule I can have good relationship with my family. I believe that I should willingly accept responsibilities which are decided upon cooperatively by family members. I believe that I should practice healthful living, for healthy people are happy people. I believe that I should be considerate of the family income and make wise use of my share of the money. I believe that I should manage my activities in order to have time for my family as well as personal activities. I believe that I should try along with other members of my family to participate in school and community activities. May the sterling qualities reflected in our code be a guiding light as we strive now, and in the future, "Toward New Horizons." Margaret Steele told us about the State FHA meeting in San Antonio. She told us about the different people that gave talks and what all they did. The meeting was adjourned and we had refreshments. We have been making posters for the next year class. Following general reports the 1958-59 officers were installed.

Mrs. E. C. Sutton, installing officer, used as her theme "Crown Jewels", with her original procedure calling the court to order, she announced the approach of each office, to whom she gave a royal title. Mrs. Hamrick, assisting her, presented a club flower to each.

Charging the executive group with their various duties she presented each with a symbol of her office.

To the reporter, Mrs. M. H. Fairbetter, she gave a note pad and pencil and dubbed her Press Duchess.

Mrs. J. W. Townsend, critic, she called Dictionary Duchess; Mrs. M. F. Allen, parliamentarian, Roberts Rules of Order Duchess;

Mrs. Carl Sims, treasurer, Money Bag Duchess;

To Mrs. Dahlia Steele, secretary, she presented a quill as Heir Presumptive.

Then with Studded Coronet she crowned Mrs. N. C. Crawley Head of the Excelsiors. When the Queen's train was arranged Mrs. Crawley sat on an improvised throne flanked with floral arrangements.

Mrs. Sutton said: "Today more than ever before the world needs women with sincere minds, hearts and souls. We live in a generation of expanding horizons. We must work for universal peace."
