I am speaking of Divine Holiness. I believe with all my heart have been truly born again of God and washed in the Blood of the Lamb. We can't be a makebelieve and hope to get to heaven on it. We've got an all-seeing eye watching us. We must live for God.

The fruits of the right kind of spirit are those of love, joy, peace, long-suffering gentleness, kindness, and faith. If we mean to be a true child of God, then we must bear the fruits of God.

The Bible says, "He that knoweth to do good and doeth it not, commits sin."

John said, "Whosoever is born of God doth not commit sin."

But as the game progressed it was plain to see who was holding all the

At the last report there were 24 boys who will be starting football practice on Monday. I understand that a large number of Freshmen are coming out this season to try and make the team. It sounds good to hear that there are a lot of Freshmen joining the squad this year. In previous years it seemed that there weren't very many first year boys on the squad. But with all the fine teams that we have been having in grade school for the past few years, it seems like this should help our chances of having another good team this season. After practice begins Monday we should be able to tell more about our chances this season. 0-0
