JOE BENNETT, Publisher

It seems as though the "Strike Bug" has bitten the Polish workers as no sooner than the big strike was settled the mine workers are now striking for the same benefits as the other strikers won in their fight for rights and other meaningful things. It seems that the communist regime is having more trouble by the day with the people who are getting fed up with the so-called great communist plan. Its getting more plain each day that this form of government just won't satisfy the mass of people who are suppressed under its rule. Russia is having more problems each day and will continue to have them as long as they try to rule the masses with the iron hand and treat people like dirt with no income hardly at all and very little food and other necessities of life. We wish the suppressed the best of luck in their fight for freedom and the right to express themselves as they wish. May the Good Lord be with them.

Well the Homecoming is getting closer day by day and things are beginning to happen as far as the planning of the Homecoming activities is concerned. The committee is meeting to complete plans needed to make the homecoming a success. Notices of the Homecoming dates of Friday and Saturday, October 3rd and 4th have been mailed and other information on details of the homecoming will be announced as time goes along. If you are asked to help with the activities please give it your best and pitch in and help. The Homecoming Game will be held Friday night with the Panthers hosting Loraine, and homecoming day will be held Saturday, October 4th with activities during the day and in the evening. Plan now to attend.

The Panthers will open the 1980 season this Friday night when they travel to Hico to take on the Tigers in a renewal of a strong rivalry which stretched over a period of several years. The Panthers have really looked good during their two scrimmage games, but the real test will come when the opening battle gets underway and the whistle blows for action to begin. We expect the Panthers to have a strong team this year and they will be facing some strong competition as the season goes along.

Lets have a very big crowd at the game this Friday night at Hico and show the Panthers that we are behind them all the way. Go Big Red!

We wish to congratulate the Senior Citizens on the completion of their new community center in the old theater building downtown. The senior citizens held their opening on Wednesday prior to the noon meal to show off their new facilities. The new facilities are great and the senior citizens can be proud of it. We were to take pictures on Wednesday and they will appear in next weeks paper, as we have to go to press on Wednesday now.

Good Luck to the senior citizens and again congratulations to you all on what you have accomplished.

We would like to take this opportunity to urge drivers to be extra careful now that school has started and children are crossing streets all over town. Lets all be extra careful and watch for our children who are going to and from school.

We were saddened this week to hear of the death

PANTHERS OPEN SEASON AT HICO FRIDAY NIGHT

The Gorman Panthers of 1980 will travel to Hico on Friday night to take on the Tigers in the opening game of the 1980 season. This game will renew a strong rivalry from many years back as these two teams really had some good battles over the years.

The Panthers have just came off two strong scrimmage victories over Tolar and Newcastle. The Big Red had little trouble with the Newcastle team. The Panther defense has really come along since the opening practice sessions when the players were allowed to don the pads and start contact drills. The Panthers have several players back on the defense

and also are coming along strong with the offense. The backfield returns intact with the exception of Larry Keith who graduated. Also the backfield is boosted with the help of a transfer student, Todd Anderson, a senior, who is seeing a lot of action so far at running back and also as linebacker on defense. Jimmy Johnson, Dane Gressett, Ray Bond, Greg Skiles, Steve Spivey and David Pettit are the other backfield players returning this season.

The line is anchored by Andy Kinser, Ricky Files, Bob Hagood, Curtis Warren, and Harvey Bryan, with Scotty Mauney, Mark Swanner and Ted Underwood at ends.

Others on the team are Jacky Johnson, Eddie Pettit, Luis DeLaTorres, Juan Pacheco, Brad Lewis, Mike Jones, Johnny Trevino, Phillip Osborne, Richard Summers, Darrell Savage, Jimmy Turner, Bill Crain, Royce Ridens, Jeff Seaton, Darren Clark and Mark Watson. Brad Lewis, who did not get to work out during the first part of the practice sessions, is getting into shape and will be another bonus to the Panthers. He played a lot of ball last season.

Also Ray Bond missed a lot of practice time due to an emergency appendectomy is coming along fine and is expected to help the Panthers a great deal.

All in all the coaches are real happy with the progress the team is making and is looking forward to the upcoming season.

A complete lineup with numbers and positions appears elsewhere in this issue.

The Tigers scrimmaged a strong Evant team last Friday night and did a good job against a fine Evant team. So the opening game should be a good test for the Panthers.

Game time at Hico will be 7:30 p. m. and the field is on your left as you go into town. You can't miss it, and don't let the Panthers miss seeing you at the game as we should give them all the backing we can. They deserve it. See you there.

FCB TO SPONSOR BABY DAY PARADE SUNDAY

The Sunday School of the First Baptist Church has set aside next Sunday, September 7, to honor all the children of nursery age. Nursery age includes birth thru 3 years. This will be a very special day in the Church.

The nursery facilities at FCB were completely renovated and redecored recently. The workers and other church members are very thankful and proud of the ultra-modern facilities. Last Sunday was a very good day in the Nursery with 18 children present, and a total in the Bible Study classes of 173.

We know that many parents and grandparents will want to have their children present for this special day -- "BABY DAY"!!!! Here's what we will be doing:

Immediately at the close of the Sunday School hour, before the preaching services start there will be a PARADE of all the nursery children across the platform. The workers will introduce all babies and parents to the Rev. Bob Cope. Rev. Cope was a former pastor of the Gorman First United Methodist Church. He and his family were loved deeply by the folks in Gorman and all are heartbroken over his death, especially since he was so young. Our sincere sympathy goes out to Mary Gean and the three children, and his entire family.

All parents are cordially invited to have their children here this Sunday morning at 9:45 for Sunday School and for BABY PARADE immediately following Sunday School.

We are praying that this will be the BIGGEST AND BEST day our Church has had in a long time --- BABY DAY!!!!

NO TYPHOID FEVER OUTBREAK

Several days ago, we received numerous phone calls and questions regarding a typhoid fever outbreak in this community. To my knowledge, there is not truth to this scare and there is not epidemic going on.

The past few months, there has been sporadic cases of Rocky Mountain Spotted Fever and paratyphoid fever. To acquaint the general public about these disease processes, I would like to state a few points here.

Paratyphoid fever is a generalized bacterial infection which is clinically similar to typhoid fever. While clinically similar, the disease process and fatality rate are very much milder and lower than typhoid fever. Often times, the disease exhibits no more than a fever or a transient diarrhea, while some have no symptoms at all. Paratyphoid fever can be transmitted by direct or indirect contact with feces or urine of a patient or carrier. There is not absolute need to isolate a patient with paratyphoid fever. The only important thing to prevent a further spread of disease is to exclude infected persons from food handling, patient care, and from occupations involving care of the young and elderly. Adequate antibiotic treatment usually takes care of the infection. Period of communicability is commonly 1-2 weeks or for as long as the infectious agent persists in the feces.

Rocky Mountain Spotted Fever is a disease which occurs throughout the United States, especially during the spring and summer months. Infection is acquired by the bite of an infected tick or from contamination of skin with crushed tissues or feces of the tick. This infection is not directly transmitted from man to man. Signs and symptoms include moderate to high fever, headache, chills, and a skin rash. Preventive measure include avoiding tick-infested areas when feasible. Mortality rate is about 20% in the absence of specific treatment; with

prompt treatment death is uncommon.

KOKOMO NEWS
by Zelda Jordan

Bro. and Mrs. T. H. Brown of San Juan, Texas were visitors at the morning service on Sunday at First Baptist Church. The Browns are missionaries to some of the rural areas of Mexico and Bro. Brown spoke on the work being done in Mexico so the people might hear the gospel of Christ preached.

The Browns have helped build several churches in the villages and the Kokomo Baptist Church has been involved in the building of the church recently built at Iturbide. Bro. Brown challenged the Christians to be very busy in their witness for Jesus Christ in their own neighborhood and community, as the lost seldom come to the church to hear about Christ's saving grace.

Other visitors at church on Sunday evening were Mr. and Mrs. Bill Wier of Floydada, Mr. and Mrs. Roy Buchanan, Kelly and Yancy of Clyde. Mrs. Jessie McCafferty of Amarillo and Mike Blakney of Lubbock.

Bro. and Mrs. T. H. Brown were weekend visitors with Bro. and Mrs. Bob Watson. Mr. and Mrs. Alvin Lasater, Mrs. W. F. Bryant and Mr. Hoyt Bryant who all were in the Blackwell Hospital have returned home, and we are happy for that report.

Visiting with Mr. and Mrs. Albert Hendricks, Kelly and Yancy during the weekend were Mr. and Mrs. Roy Buchanan of Clyde, Mr. and Mrs. Paul Hoy and Robin, Mrs. W. A. Mr. and Mrs. Earl Morrow of Stephenville were visiting with the J. L. Morrrows on Thursday.

There has been some moving going on in our community. Mr. and Mrs. Gary Jackson have moved to Semi-

nole. Mr. and Mrs. Bobby Eaves, Jeremy and Joshua have moved to the Jackson home and Mr. and Mrs. Billy Don Simpson have moved to the home vacated by the Eaves family. Mr. and Mrs. Mike Rodgers have moved from Proctor to the Quincy Fuller home. We welcome the Simpsons and the Rodgers to our community. Wish the Jacksons the very best in their new home in Seminole. Emergency Loans Available From FmHA

Emergency loans for farmers, ranchers, or aquaculture operators are available thru county offices of the Farmers Home Administration (FmHA), Jack Phillips, FmHA County supervisor, said today.

Phillips asked that those who need farm credit as a result of the drought should make their needs known at the Farmers Home Administration office at Eastland.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home unitl May 21, 1981, for physical and production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment, or buildings, (Including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming (or ranching aquaculture) operation.

"Funds can be used for essential operating and living costs," Phillips said. Loans covering actual losses are made at an interest rate of five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for actual loss loans is five percent. Other loans are being made at an interest rate of thirteen and one-half (13½) percent. To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restor damaged farm operations and additional loans

SENIOR CITIZENS

My! What March winds here this morning (Sunday). I wonder if Spring is starting again. We could sure use some spring rains very easy here now. It looks like all that we can receive here is just a very, very, light sprinkle. Tho the nights are slightly cooler. Tho just think three short weeks and fall will be here again.

63 years ago yesterday I remembered that I raised my hand and was sworn into the Army at Ft. Sam Houston. I was issued cool wool uniform. My bed was one wood blanket spread on the ground. The ground was not level. So you tried to pick a place where you could have your head a little higher than your feet. Temperature was over 100°, humidity very high, worked at night and tried to sleep in the day time. It was a mad house. As so many were volunteering to beat the Draft. Tho I am glad to know that I helped "Old Glory" keep on waving. Long may it wave.

The farmers and stockmen are sure taking a beating during this drought. Now everyone will suffer on their account as the cost of everything we eat and wear (almost all) comes from that source.

I notice where they claim nearly a million failed to register for the Draft. So far nothing has been done about it. They way I feel any one that refuses to Register should not be allowed to have any kind of job. Should not be allowed any kind of food and clothing allowances. As they are against our country. They are our enemies.

Many thousand of soldiers were in Nevada to watch an A Bomb Explosion just five miles from the site and they had to walk toward the site. They were just "Guinea Pigs". Now thousands are suffering from that effect on the U.S. is denying their claims.

I notice where V.F.W. Veterans in Their 81st Reunion endorsed Reagan. It was the first time to ever endorse a candidate for President. In Reagan's take to them, he said, "That the U. S. should never enter another war if they did not want to win. The Vietnam War could have been won in just a few days. Tho the War Lords and Congress wanted all that Blood Money profits. Congress can not win a war, as there are too many money grabbers there.

According to the papers Poland has won what they started to do. Tho I am afraid of Brezhnev's promise. Tho I know it is just a piece of paper to him. The way they have done in Afganistan, Ethiopia and other countries. what a shame all Eastern Europe should have followed Poland.
Last Friday Merrel Little-

field came by with Lois Pounds for a few minutes. She lives in Eastland now.

On Saturday evening Mrs. Emma Shugart and daughter Maureen of Strawn visited me. She was a neighbor our ours.

Sunday evening my wife's sister, Mr. and Mrs. Chubby Howard of Irdell visited me.

Our sympathy goes out to the Brinegar Family in their time of sorrow.

Go Big Red. You can mount that climb to the top. We are with you all the way.

Look up. No danger of water washing away your
