### Panthers Blank Baird To Advance To State Playoffs

By Carolyn Weldon

Pack your bags - - we're on our way. Not even the Baird Bears were going to stand in the way of the Gorman Panthers' trip to the State Class A Championship Tournament in Austin.

Last Friday just before 3 a. m. the Panthers took the field with one of their sharpest warm-ups ever. Then they moved into the batters box with what it took to claim the Region IA Championship and a trip to Austin.

At the top of the first inning, the boys showed what it took, getting four runs on four hits with another run in coming in the second inning to secure the 5-0 victory.

Nic Guthery put it on the Bears through seven innings of pitching, giving up two hits, two walks and seven strikeouts against the only Class A team to defeat the Panthers this season.

The Panthers got nine hits in this game, with Don Mauney picking up

a double and Noak Landa going 2 for 4 with 1 RBI. Jeremy Carroll went 2 for 4 and Nic Guthery went 1 for 4 with 1 RBI.

"I'm really proud of the way the boys have been playing. We felt like we were reaching our peak at the right time and it showed today," said Coach Pettit. "The first inning was the key and then with Nic's pitching performance behind that, there was no way we were going to lose."

The Panthers will head for Austin to play a 1 p. m. game against Trinidad (25-4) on Thursday at Burger Center Field. Gunter will play D'Hanis in the Thursday morning game, and then on Friday at 8:30 a. m. the two winners will meet for the State Class A Title.

Let's all follow the Panthers to Austin and show them our total support in their quest for the state title.

**STATE BOUND PANTHERS** — (back row l to r) - #29 - Noah Landa, Left Field; #24 - Tom Bynum, Pitcher - Centerfield; #34 - Jeremy Carroll, Rightfield; #22 - Jerry Krause, First Base; #30 - Donald Majors, (sub for Second Base); #20 - Nic Guthery, Pitcher - Short Stop; and #3 - Coach Eddie Pettit. (front row l to r) - #5 - Jason Posey, (sub for Right Field); #23 - Jason Rich, D. H. (sub for Catcher and Out Field); #15 Scott Scitern, (sub for Left Field); #4 Josh Weldon, Short Stop - Pitcher - Center Field; #21 - Ronald Majors, Third Base; #10 Jason Johnson, Second Base - Center Field; and #6 - Don Mauney, Catcher.

The Gorman Panthers are STATE BOUND!

They sure do deserve that opportunity and privilege by having a great season and going 19-7 so far and have won 12 of their 19 victories by the ten run rule. They defeated the Baird Bears on Friday afternoon in Abilene by a 5-0 score after losing two times to the Bears in the regular season. This win propels the Panthers into the State Tournament in Austin on Thursday, June 9th when they will meet Trinidad (25-4) at 1 p. m. at Tony Burger Center in Austin. The winner of this game will meet the winner of the Gunter and D'Hanis game on Friday morning at 8:30 at Disch-Falk Field.

The Panthers have really played outstanding baseball most of the season, especially in the later part of the season, and have a very active offense and a defense that has really come through. Only on a couple of occasions did the errors on defense really hurt the Panthers.

Leading the pitching for the Panthers is Nic Guthery with a 9-5 record. The sophomore hurler has

thrown three no-hitters, including one this season against Gordon. Tom Bynum sports a 6-2 record and threw a no-hitter in a 10-0 win over Loraine in the Region Semi-Final. The third pitcher for the Panthers is Josh Weldon, a senior who moved from Comanche. The bright spot for the Panthers is that there is only three seniors on the squad: Noah Landa, Jeremy Carroll and Weldon. And to make things look even better, Guthery and Bynum are both sophomores and have a lot of time left to play ball for the Panthers.

Directions to get to Burger Center Field is take I-35 all the way through to Ben White Blvd. Turn east on 290 to get to the playing field. Disch-Falk Field is located on East Martin Luther King Blvd., one block east of I-35.

Special rules and information for the games is no schools and/or individuals will film and/or videotape at Disch-Falk Field. Still cameras will be permitted. At Burger Field video cameras will be permitted by one designated individual

from each of the two schools involved in the game.

The Coach Eddie Pettit, along with his helpers Coach Kyle, who drives the bus and helps keep books, Steve Taylor, who also keeps books, and Nic Burleson, who films the games, are to be congratulated on an outstanding job with these fine young folks and they are doing their best to make sure that the Panthers are ready for the State Championship Tournament. Great job ya'll!

A large crowd of Gorman fans are expected to follow the Panthers to Austin for the playoffs and be on hand to support the Panthers all the way. These fabulous Panther baseball fans have supported the Panthers all season and have really been a boost to the Panthers. There are no better fans in the world than we have here in Gorman, and they are ALWAYS READY to back the Panthers in any and all of their activities, be it academic, athletic or otherwise.

The entire community congratulates the Panthers on a great season and wishes them the very best of luck in Austin.

## Area Artists To Display Paintings At Heritage Manor

After admiring the paintings in the window at the local art studio, John Glover, marketing director for Heritage Manor decided some paintings on the walls in the home would be a good idea. The newly remodeled front lobby is a beautiful room that needs a homey touch. Paintings always make anywhere look like home. When anyone moves, as soon as they get something on the walls, it begins to seem like home. That is what John thought when he asked Lavelle Jobe, our local art teacher, about area artists displaying their work in the home.

Edna Joyce Brinegar and the late Edna Watson's paintings will be displayed throughout the building during the month of June. Each month there will be a different artist displaying their work.

Mother and I began art lessons in the fall of '86. We realized from the beginning Lavelle was and is a very good teacher. After teaching the basics in painting, Lavelle taught us to look at everything in a different way. We saw things we had never noticed before: the many shades of green in a tree, basic shapes of structures and the many colors in a lake, just to name a few.

In addition to being a good art teacher, Lavelle is always patient and kind. I will always love and appreciate her for being so good to mother. She is always good to everyone, old and young alike.

We all appreciate getting to share our work. So by around the first week of every month to see whose art is on display. While you are there, visit a resident!

Edna Joyce Brinegar

VONNIE GUTHERY - PHONE 758-2665

## WEEK OF JUNE 2

Bernard and Ann Keith returned home Tuesday after a two weeks vacation in Louisville, Ky, visiting their son, Brad and Priscilla Keith. The fish better be biting now as

Bernard is ready to get caught up on his fishing.

Leon Thompson of Midland visited Tuesday evening with Pug and Vonnie Guthery. Leon was plant repairman at the Desdemona Mobil

Oil Plant in the early 60's.

Bro. and Mrs. Pete Hanks and family were in Big Springs last Tuesday to attend the funeral of his brother, Glen Hanks. Bro. Hanks is the pastor of the Desdemona Church of Christ. Our sincere sympathy goes out to this family.

Helen Able Brown of El Paso visited a few days this past week with Dorothy Roberts. They were classmates with the Class of '46 in Desdemona.

Our area received about 10 inches of rain and the farmers got behind on their plowing. So they are very busy now trying to get their peanut crops planted.

Nearly all of the houses around Desdemona are getting new roofs, due to the bad hail storm recently in this area.

Ray Brazell and wife, Judy, of Irving recently moved to the Jakehamon community. They live in a new double wide mobile home across the road from Ray's old homeplace - the George Brazell home. We welcome this fine couple to our community. Ray graduated from Desdemona High School with the Class of '49. Now his brother, George, can get Ray to help him with his chores. Maybe?

Gerald "Brutus" Lewis recently purchased the old Payne place in the Jackhamon community. He is busy building new fences, trimming trees, plowing and cleaning it up all over. It is always good to see our young people doing these things to help make our community look "nice". "Brutus" is the son of "Buckshot" and Betty Lewis.

Please contact this reporter with your news items. Former residents who live away from Desdemona and subscribe to these local papers look forward to the news each week. So help this reporter to get more news in each week for everyone to enjoy. OK?

"Hi" to our friend, Marie Files Ross in Houston, who has not been feeling too good lately. Marie is a sister to Margaret Kimmell of Jakehamon community. Marie plans to attend the annual Desdemona Home coming and School Reunion on Saturday, August 13th to be ith her Class of '49 - "45th" class reunion.

Recent visitors with O. C. and Marie Patty were their daughter, Debbie Martin of Tabernacle, N. J. and their son, Stacy and Sharie Patty, Jonathan, Matthew and Ana Marie of Lubbock.

Sylvia Hodge and Diantha Dennis

visited in Ballinger on Friday with Donald White and family and to attend the graduation of a grandson. Also they visited in San Angelo with Joey Dennis.

This reporter "goofs" up a lot and my latest one is - I left the name of Kirk Boen, son of Harold Boen, from the list of the '94 graduates from De Leon High School. The Boen family lives in the Jakehamon community.

O. C. and Marie Patty visited Monday and Tuesday in Stamford with his brother, Darwin Patty.

Jeanette Owens of Artesia, N.M. will have complete hip replacement surgery on June 8. She is a classmate of Vonnie Guthery with the Class of '51 from DHS.

Dora Holland had heart by-pass surgery last Wednesday in the Abilene Regional Medical Center. e send our "get well" wishes out to her.

Archie and Helen Depwe were in Orange, Texas recently visiting his sisters, Merle and June and families.

Emily Sue Horan of Fort Worth, daughter of Ken Horan of Cross Plains and the late Brenda (Roberts) Horan, became the bride of Mark Lee Williams of Fort Worth on Saturday, May 28th at 6 p. m. in the Desdemona First Baptist Church with a reception following in the church annex. Bro. Darrell Dossey of Goree First Baptist Church officiated the ceremony. Emily is the granddaughter of Dorothy Roberts and the late Morgan Roberts. We wish this couple much happiness as they begin a new life together.

Emil Young of Garfield, N.M. and his grandson, Mike Soper of Amarillo; E. C. and Sherry Ragland and children of Fort Worth were visitors last Sunday at the First Baptist Church.

## WEEK OF JUNE 9

Visitors last Sunday at the First Baptist Church of Desdemona were Carol Ragland of Crowley, who brought the special music for the morning service. Other visitors were Robert and Annette (Priddy) Cummings and family who have recently moved back to Dedemona. They are living in the home of Annette's grandparents, Ruth Koonce Daffron and the late Ben Koonce in the Jakehamon community. We welcome this fine couple back home.

## KANDICE MARTIN CELEBRATES BIRTHDAY

Kandice Lavon Martin celebrated her 10th birthday on Friday, June 3rd in the home of her grandparents, Pug and Vonnie Guthery. Cake and Punch were served to Wayne and Karen Eaves, Holly Creed and Lorin Kaye, Angela Creed, Belinda Webb and Sonja Martin.

Bernard and Ann Keith and their friends, Carson and Oma Lee Holdridge of Cisco spent the past weekend at the Melody Mountain Ranch in Stephenville attending a Bluegrass Festival.

Barbara Lewis Carswell of Fort Worth was honored with a baby shower on Sunday evening, June 5th in the home of Dorothy Roberts. Barbara is the daughter of Harlin and Judy Lewis and she attended school in Desdemona.

Mica Riggs of Corpus Christi is enjoying her summer vacation with her parents, Mike and Mary Riggs and Jordan and her grandparents, James and Freda Riggs.

Pug and Vonnie Guthery visited on Friday with Billy Don Browning who owns a pawn shop in Dublin. He attended school in Desdemona and plans to attend the annual Homecoming and School Reunion on Saturday, August 13th. Bill is the son of the late Gene and Willie Browning. Go by and visit Bill, as he would enjoy seeing his Desdemona friends.

Desdemona High School Class of 1944 plans a 50th class reunion in August. If you are a member of this class and would like to attend please contact Geraldine (Craig) Zummer, P. O. Box 654, Carbon, TX 76435.

Also the Class of 1949 plans a 45th class reunion on Friday night, August 12th. If you are a member of this class and would like to attend please contact Nell (Grimshaw) Ragland, Rt. 1, Desdemona, TX 76445.

It is time to have a community meeting as soon as possible to get plans made for the homecoming and school reunion which will be on Saturday, August 13th. About 275 to 300 register each year - it is a big day for everyone visiting with former classmates, teachers and friends. Make plans to attend.

This reporter stays busy working on history of Desdemona Boom Days, School and Churches. If anyone has any old pictures I could borrow just long enough to get copies made - please contact Vonnie Guthery, 817-758-2665. So far I have copies of 425 class groups (all ages) - even back to 1900 when it was called "Haycreek School" and later on "Greenhorn School" in the Jakehamon community. At the present time I am trying to get copies of every senior class group to graduate from DHS. Please help this reporter - look through your old pictures. Oldest senior class group I have a copy of is the class of 1928. Members are Eva (Abernathy) Alread; Johnnie (Buchan) Anderson; Clyde (Buchan) Wright; Clyde (Wilhite) Paul; Geneva (Mitchell) Hood; Matilda (Shoemaker) Weeks; Odell (Robbins) Burrows; Lucille (Riley) Harrison; Bob Dawley; Sam Fincannon; F. M.

Black; Wledon Rushing; Elton Jones Ilene Stokes; Ella Nabors; Thelma Tarpley; Pauline Bennett; Willie Lee Elliott and Wilma Price.

their daughter, Sarah Hanks, and a friend, Moray Maddox of Lubbock.

Please contact this reporter with your news items to make this Desdemona News more enjoyable. Former residents who live away from here enjoy the news. It helps to keep them "in-contact" with everyone.

Emil Young of Garfield, N.M., Mike Soper of Amarillo; Terri Holbrook of Longview visited the past weekend with Arthur and Robbie Lee (Adams) Wynn of De Leon.

Helen Depwe had surgery last week in Orange. Archie will be bringing her home this week so she can recover and get going again.

### Michelle Clement Graduates From Medical School

After four years at college and four years in medical school, Michele Clement, daughter of Dwayne and Georgia Clement and granddaughter of Arlin and Cleo Clement and Stanley and Euna Porter, graduated this past Saturday, June 4th from the University of Texas Southwestern Medical School.

The new Dr. Clement will begin her six year specialty training in urology at Parkland Memorial Hospital in Dallas.

Attending the graduation in Dallas were Dwayne and Georgia Clement of Dallas, Stanley and Euna Porter, Glen and Shirley Clement, Lester and Sue Seaton of Gorman and Denman Stanfield of Arlington.

Dr. Clement had spent the two months before graduation studying neurology in Florence, Italy and pediatric urology in London, England.

### Jeremy Bryan To Attend Summer Science Project

Stephenville — Thirty eighth and ninth graders will spend part of their summer studying environmental science thanks to a program offered through the Department of Physical Sciences at Tarleton State University.

Jeremy Bryan, a student at Gorman Junior High School, will be among those participating in the program.

The six-week residential program entitled "Explorations in Environmental Science: An Intervention Program for Talented High School Students" is scheduled for June 5th through July 15 on the Tarleton campus. The almost \$128,000 in funding includes a \$93,000 grant from the National Science Foundation and monies from the University and the Rio Grande Valley Education Consortium.

"We have been working on this program for several years," said Program Coordinator Dr. Riley Macon, An Associate Professor at Tarleton. "The central theme is environmental science but the study will incorporate geology, biology, chemistry and meteorology."

Sponsored through the National Science Foundation Young Scholars Program, these programs are aimed at attracting the interest of talented young people at an early age with hopes of steering them toward scientific and research careers.

The students will be divided into three groups of ten and they will be working closely with members of the Tarleton Physical Science faculty. Daily science activities will include classroom instruction, field trips for sampling and observation and laboratory analysis. Two watersheds will be studied, one is heavily impacted by dairies and the other is

unpolluted. "The emphasis is on hands-on experience for these students," said Dr. Macon. "There will be some classroom instruction, but they will also be doing sampling and field observation and spend time in the lab analyzing the materials they collect. We will also do some career information presentations and make several field trips."

Plans call for the group to tour the regional weather station in Fort Worth, Dinosaur Valley State Park and perhaps a Metroplex television station where they can witness broadcast meteorology. "We will also discuss scientific ethics and the contemporary sciences issues of today," said Macon.

The funding provides for the students transportation to campus, their room and board and each will receive a \$60 per week stipend.

The National Science Foundation has awarded Tarleton a two-year program and 30 more eighth and

ninth graders will be eligible for next summer's session. Dr. Macon encouraged area science teachers and high school counselors to keep this in mind when working with students through the 1994-95 school year.

# KOKOMO NEWS

ZELDA JORDAN -- PHONE 639-2289

I had a big weekend at my house with the family reunion meeting here, and had a wonderful time. Glenda and Bill Priest and SHeri and Wade Daniell of Abilene spent the weekend and Cindy, Kyle and Kayla Jordan of Portales, N.M. Came for the reunion and have remained for a visit with me this week. Betty Strube visited with us on Monday.

My sister, Laverne Winn of Muleshoe, and I visited with Orval and Marjorie Treadway and Brenda Boyd on Saturday evening.

Nancy Hendricks, Joyce Eaves and Naoma Morrow were among those attending the reception honoring Obie and Cleo Duncan on their 50th anniversary on Sunday at the Carbon Community Center. Our congratulations to the Duncans.

Sylvia Buchanan of Stephenville, Kelly Buchanan of Waco, Doris Bradshaw of Gorman, Hope Joiner and Ruth Bryant visited with Nancy Hendricks.

Zelda Jordan visited with Dora Garrett on Wednesday.

Joe Bond brought the message at the Kokomo Baptist Church on Sunday night in the absence of Bro. Clarence Wilson who wasn't feeling well.

Betty Strube visited several times last week with an aunt, Avery Crawley, who is very ill in the Valley well.

Add this huge cost to the problems of more government bureaucracy and the possibility of losing more than 900,000 American jobs (source: DRI/McGraw-Hill) and I'm not sure we need health care reform as much as the Clintons think.

It's true there is no such thing as a free lunch. But the Clinton price tag seems well out of the range of most American taxpayers. I'd rather see various market reforms (like capping malpractice suit amounts and allowing people to start medical savings accounts) tried before risking our entire economy on this radical plan of Bill and Hillary Clinton.

Sincerely,  
Bob O. Etheredge

Most of the peanut farmers around here are in the midst of getting their peanuts planted or they are getting the final preparations done for planting. With the amount of moisture that we received here recently, there have been several acres of peanuts replanted due to the wash-outs, etc.

With all the extreme heat we are suffering under at present, all the moisture we have received will be gone very quickly. But maybe it is enough to get the peanuts up and going.

And remember to smile -- because God Loves You!

View Nursing Care Center in Eastland.

Ruth and Rodney Spencer of Boerne visited with Cullen and Ava Rodgers and with his dad, Mr. Spencer in De Leon, during the weekend.

Harvey Winn of Midland and Bud Winn of Big Spring visited with the Vernon Fieldses on Friday.

Fred and Delores Walker of White house and Richard, Teresa, Taylor and Trevis Nachtigall of Morgan Mill were visiting with Vernon, Deon and Lindell Fields during the weekend and Joe and Falyn Fields of Carbon were visitors on Sunday and Monday.

Our sincere sympathy to the family of Velma Maynard of Carbon who passed away on Monday. She was the aunt of Deon Fields and Pat Caraway of our community.

### LEWALLEN REUNION AT KOKOMO

The family of the late Jim and Lois Lewallen gathered for their annual reunion during the weekend of June 3, 4 and 5th at the home of Zelda Jordan at Kokomo. Bill and Gelnda Priest of Abilene and Cindy Jordan of Portales, N.M. were co-hosts with Zelda for the reunion.

There was a sandwich supper on Friday night; a barbecue brisket, smoked turkey and ham dinner with all the trimmings on Saturday; and a Sunday brunch and "Cowboy Breakfast" cooked by Bill Priest over open coals of fire in a dutch oven that everyone enjoyed.

Activities included playing card games, dominoes and forty-two and other games, and going fishing.

Those attending were Zelda Jordan, Bill and Glenda Priest, Sheri and Wade Daniell and Hoosier, and Diane, B. J. and Meagan Miles of Abilene, Cindy, Kyle and Kayla Jordan of Portales, N.M.; James Ed and Wanda Russell of Floydada; Laverne Winn of Muleshoe; and Audree Tipton of Lubbock; Arvel and Etta Lewallen of Lubbock and Richard and Barbara Lewallen of Saginaw; Bo and Barbara Bell of Denver City and Charlie and Destri Bell of Odessa; Robert "Bob" Lewallen of Odessa; Helen Campnell and Elizabeth and Jennifer Campbell of San Angelo; Lillie Mae Brandon and Wynelle Bishop of Eden; Pat and Clarice Cockerham and Allen Haggard of Conroe. Joe, Jesame and Justin Miles of Kingsland, GA. called for a telephone visit with everyone.

Clifford and Lurline Nelson and Nancy Hendricks came by for a visit.

There was lots of visiting, picture taking and just having a good time.

## Special B of A Offer Makes It Easy To Buy Home

Gorman, June 3 — For those in the market to buy a home or just want to refinance, Bank of America Texas' Home Loan Value Offer is something to write home about: No points, no bank fees and a low initial rate of 4.375 percent on an adjustable rate mortgage. BofA Texas is introducing the Home Loan Value to make purchasing or refinancing a home more affordable.

The Home Loan Value offer features a special introductory interest rate with no points or bank fees when a BofA Advantage Plus or Convertible Plus adjustable rate mortgage (ARM) product is selected. The loan discount points, appraisal, credit report and underwriting fees will be waived. These waivers represent an approximate value of \$1,530 on a typical \$90,000 loan.

"Many Texans either find it difficult to purchase or refinance a home or are reluctant to make a commitment because of the loan costs involved," said David Berry, president and chief operating officer of Bank of America Texas. "This special offer will make purchasing or refinancing a home more affordable."

In addition to the initial low introductory rate, the loan can be converted to a fixed-rate loan during the first five years of the loan for a nominal fee if the Convertible Plus ARM is selected. Pre-payment fee and other restrictions may apply. The Home Loan Value Offer is available at any Bank of America Texas branch.

## Lisa Snider Receivers 1 Rating At Solo & Ensemble

While most area teenagers were sleeping late or celebrating the end of school, 17 edgy students from the Stephenville High School band were off to the State Solo and Ensemble Contest in Austin Saturday, May 28th.

After the long drive and a good meal at the Olive Garden, the nervous players tried to keep from staying up all night in their excitement. True to dedication and a lot of practice is a requirement to do well in this competition.

Solos must be memorized and ensembles must know when to speed up, slow down and get out of the way.

In order to reach this level the students made a I on a class I solo or ensemble at the regional contest.

At the state level, a III is equivalent to a I rating at regional competition and I's and II's are awarded medals.

One Stephenville soloist got over her nerves to achieve this high award, I Rating. That student, a freshman alto saxophone player, is Lisa Snider, daughter of Dwayne and Connie Snider of Stephenville, and granddaughter of Mrs. C. L. Snider of Gorman and Norman Park of De Leon.

Thank the Good Lord for the advertisers we are blessed to have in this area. Thanks to their generosity the Progress is able to pay tribute to the Panther baseball team of 1994, who have really put forth a tremendous effort to reach the pinnacle of success they have achieved this season and are hoping to complete with victories in the State Championship Tournament in Austin this week. The Panthers will meet Trinidad (25-4) in the semifinals at 1 p. m. Thursday at Tony Burger Center. With a victory in this game the Panthers could achieve what they set out to accomplish at the beginning of the baseball season - winning the State Class A Championship Trophy and bringing it home to the folks who have supported them so very proudly all season long.

So be sure you check all the congratulations ads in this issue to see who is supporting the Panthers in this most important playoff series.

We add our sincere congratulations to those listed in this issue and say we are proud of them no matter what happens in Sustin, because they are the GREATEST as far as we are concerned. Again, we say thanks to the folks who have made this tribute to the Panthers possible.

Go Get 'Em Panthers!

Received the following letters recently:

Dear Joe,  
I had been to the grocery store one day toward the end of last week, and much to my surprise, I saw what had been written on the side of the old Todd building. Wouldn't it be nice to have things of that nature and scripture written on every building in town? Do you suppose we could draw people to Gorman to read our message? Wouldn't it be nice to be known as the little town with the gospel?

Yea Denver! WAY TO GO!  
Edna Joyce Brinegar

Dear Editor,  
I've just read the President and Hillary Clinton's new health care proposal will cost \$3.6 trillion between 1996 and 2004, when the plan will be fully implemented.  
It seems to me quite an irony that the Clinton Administration claims to have undertaken the health reform largely because the nation could not afford increasing health care spending! Where exactly is the big savings in this new plan?
