

## 'Easter Eggs'—With Love and Hisses

Aviation cadets at Ellington Field, world's largest multi-motored flying school, are shown as they played Easter bunny to three pretty "Easter eggs." Their carefully decorated 300-pound "presents," addressed to Hitler, Mussolini and Hirohito, are for delivery any time in the near future—the sooner the better.

## RELIEF CLIENT SLAPS JAPS

"I slapped another Jap today."

His was a feeble voice, made so by almost incessant illnesses of various forms during the past few years.

An empty sleeve dangled from his left shoulder. For more than 40 years he managed to provide a livelihood under the handicap of only one arm.

Then came failing health. For ten years he endured the pains of a wrecked physical makeup, carrying on as best he could. Finally he was forced to retire, but only to find his finances so depleted that his only recourse was to ask to be assigned to the relief rolls.

During the past few months Frank Avery, well known local character, and subject of this sketch, has purchased two small defense bonds as his contribution to defend his country. Already past "three score years and ten," his deepest regret is that he cannot do more for his country.

"It don't take much for me to live on, and every extra penny goes into defense stamps," he remarked in a tired and aged voice, as he massaged the side of a swollen face to relieve some of the pain.

Have YOU bought any defense stamps today?

## Of Interest to Farmers

By Keltz Garrison, Sec'y. Parmer County AAA

I have just received notice of a very important change in the regulations for 1942. The regulation requiring a strip one rod wide (approximately 5 rows) of cane, sudan, or millet be left on the land for each strip not over five rods (approximately 25 rows) harvested for hay, has not been amended whereby the one rod strip may also be harvested provided the stalks are left at least 1 1/2 inches high on the strips which previously were to have been left. This amendment is made so that producers will not have to contend with volunteer growth the succeeding year. In short, we can in 1942 harvest cane, sudan, and millet just as we have done in previous years with the exception that possibly a higher stalk will be left this year than normally has been left in other years.

Besides being able to cut cane, sudan, or millet for hay and counting the whole thing soil-conserving if a 12 inch stubble is left, farmers will be earning 35c per acre on their soil-building payment. This 35c per acre may also be earned on grain sorghum and where a 10-inch stubble is left. Your rows do not have to be contoured to earn this 35c per acre, however, if they are, you earn 45c more per acre or a total of 80c per acre for all land contoured and on which a sufficient stubble is left. Of course, all farms are limited to the soil-building allowance established for the farm. The majority of farms in the county in 1942 have a soil-building allowance of 50% or more of what their conservation payments will amount to for 1942. Con-

servation payments for 1942 should about equal the amount of 1941 payments.

## Greenbugs Killing Wheat Below Caprock

County Judge Lee Thompson returned the past weekend from San Angelo, where he attended the spring meeting of the West Texas Judges and Commissioners' meeting. He said that greenbugs were seriously affecting most of the wheat below the caprock this year. One observer placed the destroyed wheat as high as 70%, Thompson said on his return here.

So far as has been reported, greenbugs have not made their appearance in this immediate section, although some are reported in the northern part of Curry County, N. M.

## DRY AT ABERNATHY

Mr. and Mrs. E. L. Bledsoe, who formerly lived in the Lazbuddy community, were here the first of the week visiting and attending business matters. Mr. Bledsoe says that it is getting pretty dry at Abernathy, his present home, and that wheat is already showing the effects of the dry weather. Mr. Bledsoe served as county commissioner from the Lazbuddy precinct when they lived in Parmer county.

The USDA's food stamp plan has been extended to Armstrong, Cottle, Hardeman, Haskell, Knox, Nolan, Throckmorton and Dallas counties.

# School Literary Events Come Friday

## Grasshoppers Already Here, Says Agent

## School Elections to be Held on Saturday

School trustees for every school district in Parmer county will be chosen Saturday by the voters of the various districts.

In addition to selecting new trustees of the schools, two county trustees are to be named. County Judge Lee Thompson said today.

However, only four tickets were filed with the county superintendent at the closing time, and it was announced that school districts not having tickets filed would select their officials by the write-in method.

None of the common school districts have put out tickets, and Lazbuddy, an independent district, is also among those listed as having failed to file a ticket.

**Most Candidates at Bovina**  
Bovina leads the county in the number of candidates filed with the county superintendent. With only two trustees to be elected, seven names appear on the Bovina ballot. Voters of Oklahoma Lane will likewise have a field of candidates to select from in Saturday's voting.

With one man to be selected, the voters of the latter district may choose from a list of four candidates.

Two new trustees are to be chosen at Friona and three names appear on the ballot. Farwell voters will vote on two candidates, with only that number on the ballot.

There are two vacancies to be filled on the county board this year to succeed Judge James D. Hamlin as a trustee-at-large and Roy White, representative on the county board from Lazbuddy. Judge Hamlin has been nominated to succeed himself.

**Listed For Schools**  
Those filed with the county superintendent for places on the ballot are as follows:

Bovina—J. R. Kimbrough, O. W. Rhinehart, E. F. Johnson, Aubrey Brock, I. W. Quickel, Charles A. Ross, H. T. Edwards.

Oklahoma Lane—Clyde Perkins, G. T. Watkins, Lee Jones, Keith Pigg.

Friona—H. T. Magness, F. N. Welch, Ralph Wilson.

Farwell—H. Y. Overstreet, A. F. Phillips.

## No Candidates File In Texico Election

With the regular election slated for next Tuesday, at which time a mayor, four trustees and a clerk-treasurer will be named by the voters of the Town of Texico, W. L. Freeman, town clerk, stated today that no candidates had as yet filed for places on the ticket.

Freeman said that filings for places on the ballot would be accepted at his office until Friday evening of this week. The ballots will be turned over to the printer on Saturday.

Present Mayor W. J. Matthews has definitely stated that he would not be a candidate for reelection. "I had had the job four years, now it's somebody else's term," he said. It was being predicted in Texico this week that it was probable the present incumbents would have no opposition and would be retained in office.

The voting will be held at the Town Hall during the regular election hours.

## RESIGNATIONS GIVEN BY TEXICO TEACHERS

Resignation of two additional faculty members has been announced at the Texico school, those being Miss Hazel Metcalf, grade teacher, and A. D. McDonald, coach and principal of the school.

Previously, Supt. L. A. Hartley tendered resignations affecting both himself and Mrs. Hartley, who teaches in the grades, and Mrs. West-Osborne, of the home economics department, had announced that she would complete her work at the end of the current term.

In addition, resignations of two board members have also become effective. Sam Randol, president of the group, and F. E. Thompson, who has been serving as clerk, have withdrawn from the official body.

## Last Chance On Sub Renewals

Delinquent subscriptions that are not renewed between now and the next issue will be dropped from the list, the publisher, announce this week.

Statements to hundreds of subscribers have been mailed during the past week. The response has been most gratifying. Hugo Kleeman responded in this fashion:

"I thank you a thousand and 11 times for reminding me to the expired of the paper."

Renewals are being accepted at the rate of \$1.00 per year to subscribers living in Parmer and adjoining counties.

## Wings for Thornton

The first boy from Parmer county to receive his "wings" in the Army Air Corps during the present conflict is Julian Roy Thornton Jr., son of Mr. and Mrs. J. Roy Thornton of Farwell.

According to an announcement from the public relations office at the air base in Albuquerque, Thornton "received his commission as a Second Lieutenant, Air Corps and wings of an aerial bombardier today (April 1st)," from the advanced flying school at Albuquerque.

Lieutenant Thornton graduated from the Farwell high school in 1933 and after that attended Texas A. & M. College. Prior to his enlistment in the Air Corps, last Sept. 1st, he had a Fellowship scholarship at Auburn Polytechnic University at Auburn, Alabama.

His aerial training began at Hicks Field, Houston, continued at Ellington Field, Houston, and finished up at the Albuquerque base.

He is the second boy in this county ever to become the recipient of the coveted Air Corps "wings," the other Farwell boy being Craig Walling, who was commissioned as a second lieutenant several years ago.

As a lieutenant in the Air Corps, ready for active duty, Thornton's destination was not disclosed in the official release.

A brother, William, has also been accepted for Air Corps training, and is home awaiting his call to go into this service.

## ATTEND ANGELO MEET

Parmer county was represented at the spring meeting of the West Texas Judges' and Commissioners' convention at San Angelo last Friday and Saturday by County Judge Lee Thompson and Commissioners Ed McGuire and Floyd Schlenker. They were accompanied by their wives.

Judge Thompson said the highlights of the meeting were addresses by Gov. Coke Stephenson and Tom Taylor, president of Howard Payne College. He said the Governor's talk was a masterpiece, and should have been heard by everybody in the state.

"We've got 'em," was the cryptic reply of County Agent Lee H. McElroy on Monday, when asked about the grasshopper situation this year.

At the present, discoveries of egg crops which will soon turn into baby hoppers and threaten the excellent wheat stand in the county have been reported principally by farmers living in the east and north parts of the county, McElroy said, with a few reports from the western side. To date, egg beds have not been reported from the southern part of the county.

The big question in the minds of farmers, naturally, is what immediate steps they may take to destroy—at least partially—the eggs, before the baby hoppers are hatched and can be controlled with poison mash. To this question, McElroy advises the turning of the ground an inch to an inch and a-half deep around the egg deposits leaving the eggs on top of the ground and open to the weather.

"The eggs won't freeze," he emphasized, "but constant exposure to sun, wind, air, etc., will gradually dry them until they crack and the hoppers are killed. Mostly," he went on, "eggs are to be found on semi-protected spots on the south and east edges of the fields, where they were laid last summer."

In the event that wheat is too close to the fences to make it convenient to do light plowing for egg destruction, the agent advises that farmers who have discovered egg beds keep a close watch on them, and as soon as the baby hoppers are moving, begin poisoning.

**No Poison Yet**  
At present, he admitted, there is no poison bran on hand in the county, and no information has been received as to how much will be allotted Parmer county, or when it might be expected to arrive.

In the past, farmers have paid a slight charge for the mash, but were not required to furnish any of the necessary materials. Several spreaders were also purchased by the county, and were available in the various communities. However, it is not known what arrangements will be made in this connection this year, McElroy concluded.

## 29 To Receive Final Examination April 14

Barring those who might enlist in other branches of the service and those who might ask to be transferred to other boards, 29 Parmer county men will be sent to Lubbock on April 14th for their final type physical examination, it was announced today.

Mrs. Bessie Lee Henneman, clerk of the local board, said today that already several boys slated to go to Lubbock on that day had enlisted in other branches of the service, which will reduce the number to be forwarded out on that date. Other enlistments are expected before the examination date.

A special bus will be chartered to transport the selectees to Lubbock, which is scheduled to leave here by 8 a. m. central war time. Those accepted at Lubbock by the Army examining board will be immediately inducted into the Army, under the new regulations.

Eighteen selectees received their first physical exams here early this week by Dr. V. Scott Johnson, local examining physician. Classification of these 18 men will be taken up when the board meets Friday.

Ask the State Line Tribune for an estimate on your printing.

The Bovina school will play host on Friday of this week to representatives from various schools in the annual Parmer county interscholastic league literary division contests, officials said today.

According to reports received by Supt. J. T. Carter of the Farwell school, no entries will be made from the rural schools of the county, and only a small number of divisions will be entered by the grade and high school students.

Listed for grade school competition are boys' and girls' declamation, spelling, and number sense. High school divisions are: declamation, ready writing, typing and spelling.

Ella Bea Shelley and James Martin will represent Farwell in the high school spelling, while Rosamond Booth and Edna Ruth Thomas will take part from the 4th and 5th grade. The 6th and 7th grade entries have not been named.

Local declaimers include: grade school girls, Thelma Stnaley, Maxine Ford, Willie Mae Bigham; junior high, Margaret Bigham, Peggy Schleuter, Opal Williams; grade boys, Travis Poteet; high school senior girls, Billie Sharpe; senior boys, Paul Roberson.

## Tennis In Clovis

It was agreed by officials that the tennis matches would be held on the Clovis courts, Saturday, April 5th, beginning at 10 o'clock in the morning. The bracket reads Farwell vs. Oklahoma Lane, Lazbuddy a bye, and Friona vs. Bovina. All entries will be run on the same bracket.

The Farwell contestants will be: Boys' singles: Julius Dycus; doubles, A. G. Acker, Jim Bob Dow. Junior boys doubles: Duane Sprawls, Pete Booth; no single entry. No senior girl entries.

Junior girls' singles, Theda White; doubles, Marilyn Anderson and Jean Ann Hart.

**Play Contest Cancelled**  
Since Farwell is the only school in the county which has prepared a one-act play, the contest previously slated to be held here on Friday night has been cancelled, Supt. Carter said, adding that this made Farwell eligible to enter the district.

With the cancellation of this phase of the league, officials state that no ribbons, medals, etc. will be offered winners at the meet this weekend, since the play contest was the only arrangement made to raise funds for the purchase of prizes.

Officials went on to say that they hoped to secure Miss Crawford, speech teacher of the Hereford schools, as judge of literary events.

**Volleyball Tonight**  
The wind-up of county volleyball is being held tonight (Wednesday) at Lazbuddy. Farwell took Bovina out of competition last week in two rounds, with Friona, Lazbuddy, Oklahoma Lane and Farwell remaining in the race for the county title.

## Tate Goes To Castro As 3-A Administrator

John F. Tate, son of Mr. and Mrs. J. P. Tate of this city, announced today that he had accepted the offer of the Castro County AAA committee to go to that county as Triple-A administrator.

Tate said his duties would begin in Dimmitt today (Wednesday).

He has been connected with the local office of the AAA for the past four years, serving as clerk, crop insurance adjuster and wheat loan inspector. He said he planned to move his family to Dimmitt as soon as they returned from a visit to Arkansas.

Keeping things clean, disinfecting houses, regular worming of chickens and vaccinating to prevent pox are vital items in the health program which leads to poultry profits.

# NEW FIRE TRUCK ARRIVES

Texico's newly acquired fire truck arrived here Monday night with Fire Chief Ira Selman driving it here from Amarillo, where it had been undergoing a reconditioning process for the past several days.

The truck was secured from Electric, Texas, where it was replaced with a larger and new machine.

While the truck is a rather old model, it is in first class condition having seen very little abuse in the years of service it has rendered the city of Electric. It is a Southern model, driven by a 20 h. p. motor and equipped with a full set of suction hose and a tank of 180 gal-

lon capacity. Other equipment includes four hand chemical drums, a 24-foot extension ladder, axes, flash lights, wrecking bars, etc.

At present, only 500 feet of good hose is in use by the local department, but a movement was started some weeks ago to add at least another 500 feet of good hose to the equipment.

**Fight Farm Fires**  
The truck is especially designed to fight fires that might occur on farms and beyond reach of the regular fire hose. Selman explains that the booster tank equipment is capable of

handling almost any small fire. He went on that as the tank is emptied it may be refilled while fire fighting is in progress, and the stream played on the fire under heavy pressure from the engine pump.

"This is a far step from the 2-wheeled cart we started with 13 years ago," Chief Selman said as he stood by the side and admired his machine.

"All we need now is some more hose and slickers for our boys," he added, as he mounted the new machine and took his crew of fighters for a demonstration run.

"Smells like something cooking"

IT'S NO FUN riding behind a car that is laying a smoke screen, enveloping you in clouds of evil-smelling fumes.

And it's no fun for the owner of the car which is doing the smoking. Every mile he drives is wasting his money and shortening the life of his motor. Any mechanic will tell him that he needs new rings or new pistons.

Chances are the trouble started long ago with imperfect motor lubrication. Good oil would definitely have lengthened the life of the motor.

That is more important than ever in these days of completely curtailed auto production. So keep the following facts always in mind, when deciding which oil to use:

If you want our best oil, you don't have to choose blindly from the many lubricants which Phillips makes, because we frankly point out that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Whether you are replacing winter-worn oil with fresh summer grade, or making the regular 1,000-mile change, be sure to ask for Phillips 66 Motor Oil.

HOW DO YOU RATE AS A DATE? How are you? As a date, we mean. Were just fine, thanks. We just rated ourselves on the following list. You try it. It's copied, but it's good.

1. If your date took off her shoes during the movies, and found it impossible to put them back on, would you—

a. Carry her to the car.  
b. Walk ahead as if you didn't know her.  
c. Scream "fire!" and sneak her out in the mad rush.  
d. Lend her yours.

2. If your date wanted to hold hands in the movie, would you—

a. Say very loudly, "Let go my my hand!"  
b. Tell him to stop because you forgot to wash your hands after the taffy pull.  
c. Call the usher.  
d. Assume it's a game and hold the hand of the man next to you.

3. If you went to your steady's home for dinner and spilled gravy on her mother's new tablecloth would you—

a. Call for Kleenex.  
b. Leave, saying your grandmother had just died.  
c. Ask who bumped you.

d. Ask for more gravy.

4. If your date fell on a crowded dance floor, would you—

a. Fall too, so she wouldn't feel conspicuous.  
b. Laugh wholeheartedly and cut in on the nearest couple.  
c. Kick her to one side.  
d. Have the orchestra play "Where Are You?"

5. If you were walking with your date and a dog bit her, would you—

a. Bite him back.  
b. Say absolutely, "I'm glad it wasn't I!"  
c. Pet the dog because you don't believe in disciplining.  
d. Comment that the dog probably had his points.

6. If your date ate onions before a dance, would you—

a. Trade dances with everyone else.  
b. Hand her a package of gum.  
c. Buy her a gardenia.  
d. Buy her a hamburger and ask her to blow on it.

FIRST GRADE NEWS

Bert Tipton, who has been out of school for five weeks, returned Monday morning.

Mrs. Johnson's room is having fun finishing its Easter decorations. We will soon have bunnies hopping all over the room. We are all hoping they will come to see us this weekend. We are also doing a health project in which many are making free-hand posters.

SECOND AND THIRD GRADE

Mary Belle Aldridge is back in school after being absent a week. Virginia Carter has gone to Stanton and we wish her very much. We are making Easter eggs. These people made 100 in spelling last week: Robert Armstrong, Bob Bobst Nelma Branscum, Bob Gerles, Betty Hillhouse, Belva Park, Jerry Pool, Douglas Gates, Reta Rundell, Wayne Tucker, Gerald Curtis, Jill Dunn, Selia Dell Francis, Wessie Magness, Donald Pipkin.

FOURTH AND FIFTH GRADE

Our room is filled to capacity. We had to move in a chair for one of our pupils, Billy Tipton, who has returned. He had withdrawn over a month ago to go to Oklahoma.

Marcia Anne Johnson is back in school after missing all last week. We have been writing poems in each grade. The fourth grade started a cooperative poem, "Our Flag." The class wrote the first three verses and the last three were added by each individual. Jack Lindsey's poem was chosen as the best among the fourth graders. Of the fifth grade, each child was to write in verse, "The Changes of Our Nation." We are finishing our history this week and have talked of the many changes in our world today compared with the earlier years. Warlick Thomas' poem was chosen as best. These poems are given below:

Our Flag  
Red, white and blue,  
What does it mean to you?  
A home, a church, and a school,  
Where we learn the golden rule.

It may wave over land and sea,  
Always protecting you and me.  
Whenever we see it go by,  
We always salute it, you and I.

I long has it born the name of "Old

Glory."

Told about in many a history story,  
Some of the brave soldier men,  
Gave their lives for our country to win.

Its thirteen broad stripes,  
Of which no one gripes,  
And its forty-eight stars so bright,  
Are always at the front in a fight.

Many heroes loyal to the flag,  
About it they will always brag  
For they are proud,  
And long before, to it have they bowed.

But to the heroes of long ago,  
Who bravely fought the foe,  
And to us it means the same thing  
So at all enemies' flags, this stone I fling.

By Jack Lindsey.

The Changes in Our Nation  
Our nation was once a bare land  
With mountains, streams and scattered  
tribes of red men,  
All swarming with wild game, fish  
and deer  
Which made a happy hunting place  
for all men here.

Now the mountains and valleys still  
appear  
Yet steamboats skim the water in  
various forms  
The cities are bustling, the highway  
are in swarms.  
There are just a handful of red men  
Who used to chase the buffalo and  
deer.

Railroads and highways cross the  
country now  
And there is not much wild game or  
fowl,  
Airplanes roar overhead, wires hum

with a cone,  
There are now many radios being  
sold.

We press a button and light floods  
our house,  
We press another button and fan  
cools us

You can turn the phonograph on  
And hear the voice of one who is  
dead.

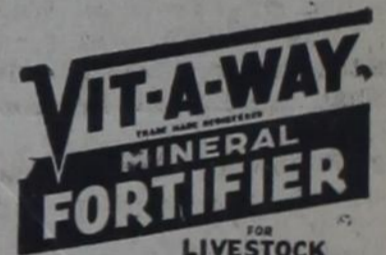

The one who invented these things  
used his head.

If our forefathers had all of these  
conveniences,  
They would have prospered more and  
more

So let's be happy that we live in free  
nation,  
And bear the burden that our grand-  
fathers bore.

## Is "Girl Of The Year" At Portales College

Miss Helen Jo White, junior student from this city, has been awarded the title of "Girl of the Year" at Eastern New Mexico College, being selected by students of Women's Hall.

Daughter of Mr. and Mrs. Jack White of Texico, Miss White has been a student at ENMC for two years, having begun her college work at Texas Tech in Lubbock. She was named to the position after a run-off of ten candidates for the honor, among whom was another Texico girl, Miss Dorothy Dixon.

She is majoring in education for elementary grades in her schooling. A decided brunette with dark brown hair and eyes, Helen Jo has been one of the most popular students at the college since her entry. She is five feet, three inches tall.

## Reception and Tea Will Honor Gold Star Girl

Miss Oleta Thompson, who was recently named as the 1941 Gold Star 4-H Club Girl for Parmer county, will be honored on April 28th, when members of the home demonstration council hold a tea and reception.

The women voted the past weekend to sponsor the affair, and Mrs. A. H. Boatman is in charge of securing a place in Friona to hold the social.

Miss Thompson, 16 years old, is the daughter of Judge and Mrs. Lee Thompson, a senior in the Oklahoma Lane high school, and a member of the senior 4-H club in that community. She has been active in club work for some seven years, and has had demonstrations in bedroom improvement, food production and clothing, the latter meriting the gold star award. This year she is serving as a "victory" demonstrator, and is secretary of her club.

Miss Elsie Cunningham stated that it was planned to present the "Star" pin to Miss Thompson at the reception. The affair is open to all demonstration and 4-H club members of the county, and sponsors urge that members plan now to attend.

## Joint Meeting Held In B. N. Graham Home

Around fifteen members from the Wesleyan Guild and the Women's Christian Service circles of the local Methodist church gathered on Wednesday evening of last week for a joint meeting in the home of Mrs. B. N. Graham. Miss Jennie Lee London was associate hostess.

Mrs. O. B. Pipkin acted as program chairman for the evening, with Mrs. A. D. Smith, Miss London, Mrs. John Porter, Mrs. Aubrey Sprawls, Mrs. W. B. Hill and Miss Hazel Anglin taking part.

A lovely salad party was served by the hostesses at the conclusion of the evening.

## Bride-Elect Honored With Shower

Miss Ruth Menefee of Lazbuddy, bride-elect of Olin (Sam) Long, of San Diego, California, was honored Friday with a miscellaneous shower, in the home of Mrs. A. F. Agee. Mrs. Claud Heath, Mrs. I. G. Roberts and Mrs. Harvey Hudnall were co-hostesses.

Words of advice to the bride were written in the honoree's book by the guests. Several games were enjoyed, and a reading on "Wedded Life" was given by Mrs. Juel Treider, sister of the honoree.

A pink crepe-paper trimmed wagon bearing the gifts was pulled into the room and presented the honoree by Mrs. Valton Morris. The refreshment plate bore a dainty card inscribed "Sam and Ruth".

Those attending were: Mrs. Ralph Paul and children, Mesdames D. Hudnall, F. W. Greene, C. E. Briscoe, Valton Morris, Otto Treider, Raymond Treider, Juel Treider, Price Prather, F. W. Hennington, C. D. Julian, Jack Julian, Jack Smith, W. E. Payne, W. S. Menefee, A. F. Ayres and Miss Lillian Treider;

Mesdames C. H. Long, mother of the bridegroom-to-be, T. J. Glasscock, Shortie Lawler and children, Anna Bearden, and Ed Myers, all of Muleshoe; the honoree and the hostesses.

Gifts were sent by Mesdames C. C. Matthews, G. F. Potts of Portales, John Crim and daughters, Alice Bewley, N. M. McCurdy, Lance Hennington, Hudie Armstrong, Tulon White of Muleshoe, R. C. Robertson, Roy White, Chancy Watson; B. Glasscock, Erma Ray and M. Duke, all of Muleshoe;

Mmes. T. D. Reed, Nadine Robertson, Frank Wagon, Fred Long of Muleshoe, John Gammon, A. H. Wilson, Glen Dunn, E. E. Merriott of Kress, John Hayhurst and Mr. Earl Prather;

Misses Lorene and Bernice Hodges of Farwell, Merlene Wimberly of Muleshoe, Estelle White, Clara Treider and Juanita Long of Muleshoe.

## Easter Egg Hunt Is Planned For Kiddies

Children of the beginner-primary department of the Methodist church, along with the invited guests, will celebrate Easter on Saturday of this week, when the annual egg hunt is conducted.

Sponsors have stated that the children are to be on hand at the church at 3 o'clock, bringing eggs and their guests with them. Following the hunt, treats will be provided.

Mrs. Ruth Ezell, who has spent the past two weeks with friends in Friona, returned to Farwell Thursday, for a stay in the home of Mr. and Mrs. Roy B. Ezell.

## Banquet Date Set

The seniors of Farwell high school will be honor guests on Friday night, April 17, when the juniors tender the annual inter-class banquet at the school building, it was announced today by Miss Dorothy Shaw, sponsor for the juniors.

## Here On Visit

Junior Snider, son of Mr. and Mrs. M. A. Snider, arrived home the past weekend to spend a ten-day vacation with relatives and friends. He is employed on one of the Lockheed airplane plants in California.

## Home Ec Association To Meet April 2nd

Mrs. C. R. Lovelady will be hostess to the Parmer county home economics association, April 2nd, at her home in Bovina.

The evening's program will begin at 8 o'clock, and all members who can possibly attend are urged to be on hand.

## Okla. Lane WSCS Meets At M. E. Church

The Oklahoma Lane Women's Society of Christian Service met at the Methodist church, March 26, with Mrs. W. N. Foster and Mrs. J. F. Foster as hostesses.

After the business session, the study superintendent led the group in a discussion on "The Home", from the textbook "Growing Together in the Family".

The next meeting will be at the church, April 9th, with Mrs. L. M. Grissom and Mrs. H. H. Henson as hostesses.

Those present were: Mrs. W. N. Foster, Mrs. Clyde Perkins, Mrs. J. F. Foster, Mrs. L. M. Grissom and Mr. Alta Robertson.

## Enjoy Skating

In observance of "April Fool's" day members of the Texico high school and the eighth grade are in Pleasur-Hill this afternoon, holding a skating party. The remainder of the school, from the first through the seventh grades, will hold an Easter egg hunt on Friday morning, and in the afternoon will be taken to the Sunshine theatre in Clovis.

## To Music Festival

Mrs. H. Arnold, head of the music department of the Texico school, stated today that some sixteen girls were practicing on numbers to be given at the annual Eastern New Mexico Music Festival, which will be held April 10th and 11th, in Portales. The choral club of the school will take part in the activities on Saturday, the sponsor added.

Mr. and Mrs. Carl McGuire a daughter, Adabud, have returned home from Hot Springs, N. M. where they spent several days taking the baths and fishing—principally the latter. Reports say that Carl brought home a nice catch of fish.

Mrs. A. D. Smith has gone to Jacksonville, Florida, to be with her sister, who is scheduled to undergo a major operation.

Mr. and Mrs. Gene Parker, of Roswell, spent Sunday visiting in the home of her parents, Mr. and Mrs. Roy B. Ezell, of Farwell.

Lee Bradshaw, of Kansas City, Mo. visited during the weekend with his wife, in Farwell.

## Homemaking Classes Have Victory Garden

Members of the homemaking classes of the Farwell school have been busy the past week planting a frame "victory" garden at the school, Miss Dorothy Shaw, sponsor, said today.

In line with the government's request for increased garden space this year, the girls have set out quite a number of plants. As a summer project, they will can their vegetables and place them on the department shelves to be used in cooking demonstrations next year.

Included in the garden are spinach, lettuce, carrots, onions, parsley, mint and beans, Miss Shaw said, adding that other vegetables would be added during this week.

## Brighten Up Department

In addition to the gardening, the girls went about the task of brightening up the department rooms, by repainting and reupholstering the furniture.

Wicker chairs received coats of paint, while all cushions were given new covers, and the dressing table was improved by paint and new draperies.

## Club Delegates Will Attend District Meet

Mrs. Johnnie Bengler, of the Parmer county club, Mrs. Ellis R. Barry of Oklahoma Lane, and Mrs. Will Nittler, of Bovina will be the Parmer county delegates to the District II home demonstration gathering to be held in Lubbock on April 11th.

In addition to the delegates, Mrs. A. H. Boatman of the Hub club, has been asked to go, as a Parmer representative in the parliamentary procedure quiz. Miss Elsie Cunningham, demonstration agent, will also be in attendance.

The meeting opens at 10:30 in the First Baptist church, and the banquet will be held at Hotel Lubbock.

## Registration for Class In Home Nursing Open

Registration for a class in home nursing, to be taught by Mrs. V. Scott Johnson, has been announced here.

Mrs. Johnson requests that all who are interested call at the office of Aldridge & Aldridge in Farwell, and register, stating their preference for an afternoon or evening class, and asks that such registration be made before Tuesday noon, April 7.

"If there is a sufficient number interested," she went on to say, "I will be glad to conduct classes both in the morning and evening, however, if the registration is not sufficient to make such a plan practical, the class will be arranged for the hour most convenient to the larger number." Further information was to the effect that classes would be held in the home economics department of the Farwell school, with the time and dates to be worked out the early part of next week.

Text books for the course have been received by Mrs. Johnson, who urges all people who ever have occasion to do any home nursing to plan to attend, as the texts are exceedingly comprehensive and will be of much value to anyone.

Mrs. J. F. Carter and children have gone to Stanton, Texas for a visit with her sister and family. They expect to visit relatives in Denton, Texas, also, before returning here. Mr. Carter drove them to Stanton, returning here Sunday.

Carl Maurer, of Friona, was a business visitor in Farwell, Tuesday.

Pete Kyker was a business visitor in Lubbock, Tuesday, being accompanied by his sister, Mrs. Lee Bradshaw, who went on to Stanton, Texas, to spend a week with relatives.

Billy Banks, who has been cutting meat at Corpus Christi the past several weeks, is home visiting relatives and wondering what the draft board will do with his classification when it meets Friday.

## Has Rubber Answer?

Homer Pilkington, a former student in Heidelberg, believes he has found a substitute for rubber. Pilkington said he used a plant from his farm at Salisbury, Md., for the base and treated it with chemicals. Samples have been sent to Washington for analysis. Photo shows the 44-year-old farmer with a sample of his product.

## Demonstration Club Notes

By Special Staff Reporters

### Parmerton Club

Parmerton home demonstration club met at the home of Mrs. John Bengler, Mar. 26, with 12 women present. Members were: Mesdames G. H. Brock, T. E. Blackburn, Chas. Turner, J. M. Watson, Johnnie Bengler and hostess, John Bengler.

Visitors from the "Victory" club were Mesdames Claud Blackburn, C. L. Vestal, W. M. Moody and other visitors were Lucille Bengler and Mrs. Arlie Green.

The agent, Miss Elsie Cunningham, gave a demonstration on green leafy vegetables, and demonstrated a one-dish dinner and a vegetable salad. Delicious refreshments were served by the hostess, of cocoa and angel food cake, together with the dishes prepared by the agent.

The next meeting will be April 22 with Mrs. Johnnie Bengler.

### Lakeview Club

The Lakeview club met Tuesday, March 24, at the home of Mrs. D. O. Robason. Our president's, Mrs. E. L. Fairchild, resignation was accepted and Mrs. Joe Pittman elected to act the remainder of the year. Mrs. C. A. Guinn was elected reporter to fill the unexpired reporter's job, which Mrs. Pittman had. Mrs. Kenneth O'Brien gave a talk on "Controlling Garden Insects", stressing the importance of spraying and careful attention to squash, pumpkin, potato and cucumber vines to avoid their destruction by these bugs. Mrs. Geo. Jones gave recipes and served two dishes made of spinach, stressing the need and importance of greens in the diet. There were 12 members present. Our next meeting will be April 28, at the home of Mrs. Kenneth O'Brien.

all home demonstration women and 4-H club girls, honoring Oleta Thompson, the Gold Star girl for 1941. This was decided by the council, which met at Blackwell hardware in Friona, Saturday, with 14 members and the agent present. Seven clubs were represented. Council also voted in favor of instructing the Parmar delegates to the district convention in Lubbock to vote for a legislative policy for the Texas Home Demonstration Association.

The women also decided to set up a refreshment center to be held at the repair clinic in the home room in Friona, April 18th, beginning at 10 a. m.

Mrs. Homer Hyde, president of the Victory club, recently organized, was introduced by the chairman, Mrs. Will Nittler. Other routine business was taken up and disposed of.

### Oklahoma Lane Club

The Oklahoma Lane club met Friday, March 20, in the club room with Mrs. Bill Foster hostess.

Miss Cunningham gave a very good demonstration on preparing dishes made of leafy green vegetables. It was decided in order to conserve tires, the club will meet only once each month, the 3rd Friday, promptly at 1 p. m., having both programs at that meeting. Hostesses of each month will act as co-hostesses. In April, the meeting will be on the first Friday, the 3rd. Please be prompt.

Those present were Mrs. Ellis Barry, Mrs. F. E. Kepley, Mrs. Clyde Perkins, Mrs. Sam Rundell, Mrs. Bill Foster, Mrs. A. B. Wilkinson, Mrs. J. R. Caldwell and Mrs. Lee Thompson.

## Team Takes Fourth At District Judging

Loyle Dean Brooks, Chester Rierison and Clarence Summers, comprising the poultry judging team from the Texico high school, placed fourth at the district FFA judging contests conducted in Portales the past Saturday.

In making the announcement, Lee Richards, head of the department, said also that Brooks was the third high individual in the poultry judging division of the meet.

Plans are being perfected this week to take some six boys to the state meet at State College in Las Cruces, April 10-11. Richards went on to say, with the teams to participate in poultry, crop, dairy, livestock and farm shop judging.

The group expects to leave here on April 9th, and the boys who will represent Texico will be named next week.

## Volleyball Tourney To Be Held Saturday

A county-wide invitation volleyball tournament is to be held in the Texico gymnasium on Saturday of this week, Coach A. D. McDonald said today, sponsored by the girls of the local club.

Trophies for first and second place winners have been provided, the coach added, and it was expected that between five and eight teams would participate.

Due to the fact that several teams have not yet reported as to whether or not they would attend, McDonald said that the drawing for opponents would be held on the morning of the meet, when the participants show up at the gym.

No charge will be made, he added, and the public is invited to attend. The meet will begin around 9 o'clock.

## Many Applications For Tires Carried Over

With the April allotment of tires for Parmar county yet to be announced, the Parmar County Rationing Board faced the month with a large carryover from March, it was announced today.

Seventy applications for tire purchases were filed during the month of March that could not be filled because the quota was exhausted, it was explained. The April quota was expected to be received from state headquarters today.

Rationing of typewriters was turned over to the Board the first of the week and Miss Irene Sachs, clerk of the board, stated that numerous items were soon to be placed on the rationing list. She did not disclose the items.

It was also announced that numerous certificates for recapping jobs would be issued through the local office after April 25th.

In its meeting of March 25, certificates to purchase new tires were issued to the following:

- Eugene Boguess, one obsolete tire.
- Fay Maxey, two obsolete tires.
- Joe Magness, two trailer tires.
- Frank Mason, 1 pickup tire and tube.
- Paul G. Renner, 1 truck tire and tube.
- Doc Brown, 2 tractor tires and tubes.
- F. L. Carson, 1 pickup tire and tube.
- Friona Consumers, 1 truck tire.
- Cecil Malone, 1 pickup tire and tube.
- Sam White, Jr., two tractor tires.
- Fred Gerles, two tractor tires, one tube.
- H. W. Payne, 1 tractor tire.
- G. H. Lindop, 2 tractor tires.
- W. R. Harrington, 1 truck tire.
- Dr. J. R. McReynolds, 1 passenger tube.
- Arlie Green, 2 passenger car tires.
- Sloan Osborne, 2 implement tires.
- Calvin Talley, 1 implement tube.

## REA Users To Hear Specialists Discuss Food Preservation

The New Mexico State Extension Service will cooperate with the projects of Eastern New Mexico and West Texas in a program on the production, preparation and preservation of foods at Clovis. This meeting will begin at 1:30 o'clock Friday, April 24th, and continue through the day Saturday, April 25th.

The speakers will be Extension Service specialists, county agents and members from the local cooperatives. Everyone will be invited, but it is especially hoped that members of Rural Electric Cooperatives in this district will be able to attend and take part in discussions concerning the effective use of electricity in the production and preservation of essential foods.

The complete program is being worked out and will be released in a few days.

### ENROLLMENT GAINS

One new club and nine new members have been added to home demonstration club enrollment in Parmar county during the past year, Miss Elsie Cunningham, supervisor, reports. At present, there is a total of 173 women on the rolls of the nine clubs in the county. The baby of the clubs is the "Victory" group, made up of women residing south of Friona, which was organized only a few weeks ago and will hold its meetings the second Friday of each month.

### BOARD TO MEET

Mrs. Bessie Lee Henneman, clerk of the Parmar County Selective Service Board, today announced a meeting of the local board on Friday afternoon of this week. Classification duties will be the main business to be taken up during the afternoon, she said.

## Junior Fat Stock Show In Lubbock, Apr. 6-7-8

A large collection of top quality livestock from 30 counties—27 in Texas and 3 in Eastern New Mexico—will be on exhibit at the twelfth annual Junior Fat Stock Show in Lubbock, April 6, 7 and 8.

Entries received by Clyde G. Tatum, general chairman for the affair, indicate that a large number of animals which have placed as champions in numerous county and community stock competitions during recent weeks, will be brought here for the regional show. In addition, other entries are being received from 4-H and FFA boys who have outstanding calves, pigs and lambs, which have not been first place winners in the local shows.

Chairman Tatum, together with C. C. Johnson, Lubbock county agent and general superintendent for the exhibit, and Vernice Ford, finance committee chairman, have had a large number of Lubbock business and professional men working on various details of the affair for several weeks, and all arrangements for a successful show are complete.

Animals entered in the various divisions will be sold for top prices and cash awards will be distributed to the boys owning the winners.

On account of war conditions, the downtown parade heretofore a feature of the show, has been cancelled. Several entertainment will be provided for the club boy exhibitors.

**DOWN** where the desert slew gold-hunters—down where 100° heat is "cool"—down in Death Valley six cars streaked. All were alike... all ran till wrecked. All started with 5-quart fills of oil—locked in. All conditions were alike—certified. Five cars—five boasted brands of oil—went as dead as the cattle skulls in the sands, while the other oil still had quarts to go!

That was Conoco N<sup>th</sup> motor oil, which can refill your crankcase today with the N<sup>th</sup> degree of mileage and engine endurance. Changing from weakened Winter leftovers to Conoco N<sup>th</sup> gives your engine OIL-PLATING for Spring. And OIL-PLATING is closely fastened all over inner engine parts as if "magnetized" against all draining back down to the crankcase. Bonded in place—even on straight-up surfaces—even overnight—OIL-PLATING can cut down the raw rubbing of precious parts during starting and running.

That's all against hollowing out your engine till it eats too much oil, and may demand replacements that are getting scarcer. But another big thing is to keep the oil itself in shape. And Conoco N<sup>th</sup> oil—at a popular price—comes to you with Thialkene inhibitor... the modern synthetic developed to check or inhibit effects that would otherwise degenerate your oil.

The science of it is a long story, but the mileage is a thousand times longer, and Death Valley proved it. So can you by changing today for Spring, at Your Mileage Merchant's Conoco station. Continental Oil Company
