

PURELY PERSONAL
by John

Doctor Winfred Moore of the huge First Baptist Church in Amarillo laid it on the theological line last Sunday morning in two sermons. One was telecast as usual on Sunday morning. We are positive that he gave voice to the thoughts of a preponderance of people, not only on the Golden Spread but nationwide. We are equally sure that his sermon will not receive the national publicity that would have been given to some scruffy peacenick standing in the bar ditch outside of Pantex and denouncing the leaders of our country.

Dr. Moore led off with a sound and reasoned basis for implementing the death penalty. He followed this with well-founded theological thought on civil government and our nuclear armament policy.

We hope you were able to have heard him on his usual Sunday morning telecast or at least read the detailed account printed in the Amarillo Daily News on Monday morning. We will quote his closing remarks as reported in the Daily News.

Said Dr. Moore, "We must not live with all the advantages of American heritage without being willing to make our contributions of blood and tears so that our children will have the same privileges we have today."

We know it sounds corny today but there are things worth dying for. There are things worse than death. Had our forefathers not known this truth we would not have the freedoms and standard of living we so enjoy. Today we are the future of those in the past. Tomorrow the future will look back on us as the past. Will we have fulfilled our sacred obligations?

Homecoming Activities Scheduled At Farwell

Things will be humming around Farwell Schools next week as Homecoming Week 1982 gets underway.

Activities galore are planned all week, with the Student Council heading up the planning for the event which will be climaxed with the homecoming game pitting the Steers against the Eagles at Seagraves at 8 p.m. Friday, Sept. 24, in Steer Stadium.

Highlighting the annual af-

fair will be coronation of the 1982 Homecoming Queen and King during the pep rally at the gym at 3 p.m. Friday afternoon.

Senior queen and king candidates are Tammy Obenshain, daughter of Harlin and Beverly Obenshain, and Jay Anderson, son of Marvin and Sally Anderson. Representing the juniors are Shelley Ford, daughter of Marlene Ford and Jerry

Ford, and Raymond Sierra, son of Raymond and Margarita Sierra.

Sophomore candidates are Denise Ford, daughter of Dorothy Ford, and Roger Robertson, son of Raymond and Eloise Robertson; and freshman candidates are Kristen Davis, daughter of Sandy Davis of Farwell and Jerry Davis of Houston, and Tyson Carpenter, son of Jim and Brenda Carpenter.

Candidates-at-large are Kelly Davis, senior, daughter of Jerry and Flo Davis, and Gary Haseloff, senior, son of Adolph and Mildred Haseloff.

Thursday night will be the burning of the traditional bonfire at 7:30 p.m. The band will play and the cheerleaders will perform chants and cheers and lead the snake dance around the fire.

Speeches will be made by

football players and members of the coaching staff. Freshmen will again be in charge of building the bonfire.

Friday's pep rally will also feature a dance by the varsity and junior high cheerleaders, a skit by Student Council members, and the singing of the school song by the seniors.

Friday night prior to the game, the junior class will be sponsoring an enchilada sup-

per at the school cafeteria from 5 to 7 p.m. Tickets will be available at the door or may be obtained by contacting a junior class member.

Also at the supper the Student Council will be selling copies of the school yearbook to anyone interested.

Members of the Student Council are also selling mums and boutonnières for the homecoming game.

The week will be kicked off with each day designated as a certain mode of crazy dressing.

Monday will be crazy hair day; Tuesday will be 50's day; Wednesday will be plaid day; Thursday will be inside-out day; and Friday will be dress up day. So put on what's appropriate for that particular day and get in the homecoming spirit.

So Long, John - -

Santa Fe To Merge Local Car Service With Clovis

With the retirement of local Santa Fe freight agent Tony Mendoza and the announcement by Santa Fe officials of their program of freight office consolidation, the era of local representation by the railroad may be drawing to a close.

At a meeting in Portales Tuesday afternoon, Santa Fe Railway officials announced plans to establish a regional freight office at Clovis, which is designed to improve service to customers and create a more efficient operation.

The plan contemplates absorbing the agencies at Vaughn, Texico, Portales, Roswell and Artesia, and consolidating their work at the regional freight office. At the same time, Santa Fe officials announced plans to

maintain regional yard offices at Roswell and Artesia. The regional yard offices will be staffed with personnel to support and assist the regional freight office in train operations and customer services.

"The small agencies have a limited staff and are open but eight hours a day," B.K. Perry, assistant general manager, Amarillo, said at the meeting. "They are often unable to provide quick response to requests about car supply or location. By having direct access to our computer, the new regional freight office will be able to respond to such questions much more quickly. The Clovis freight office is open 24 hours a day, seven days a

week, to provide our customers with around-the-clock assistance as needed. A toll-free number will be available.

"Our regional freight office concept has proven we can provide better service and operate more efficiently," Perry said. "The latest technology in computers and communications makes this a logical improvement."

Perry also said that the Clovis regional office will be tied into the railway's main computer and it in turn will eventually be part of a nationwide computerized freight handling system. This will enable the local shipper or receiver to locate a car anywhere in the country on almost

an instantaneous basis.

The Santa Fe official also said in response to a question that all local stations removed from use by this move will be moved if the building construction permits, or torn down. He did not close the door on saving those stations that could be considered historical landmarks but said that such use would be conditioned upon considerations of public safety and liability.

At the present time Santa Fe is establishing the regional freight office concept in Plainview, Sweetwater and El Paso, Texas. The regional plan has been in successful operation for over five years in California and three years in Kansas.

Part Of The Past With No Future

This week officials of the Santa Fe Railway announced plans to consolidate the Texico freight operations with the Clovis Regional Freight Office. In

their announcement they indicated that all stations not in use would be moved or demolished. The historic old freight depot that has served

the Twin Cities for several generations will be affected by this merging of freight handling into a regional center.

Lions Club Plans Annual Broom Sale

The Texico-Farwell Lions Club will again sponsor its annual Caravan For The Blind household item sale. All the items for sale are manufactured or fabricated by blind persons working in the Texas Blind Workshops. These people perform a useful and valuable

service and receive wages for their work.

The Lions will have all their items for sale on Friday afternoon in the vicinity of the Farwell Post Office. On Saturday morning they will move to the Texico Post Office for

several hours of selling.

In addition to a full line of brooms and mops for all uses, there will be other household items such as dish towels, dish cloths, ironing board covers and pads, dust cloths, sink scrubbers, and door mats.

Don't Miss Anybody

Lion W.M. Roberts, left, briefs local Lions Club. The household items offered for sale come from the Texas Blind Workshops Caravan Sales. The

sale will be conducted Friday afternoon and Saturday morning.

Student Council Selling Flowers

Members of the Farwell Student Council are selling mums and boutonnières for homecoming activities on Friday, Sept. 24.

The flowers will be silk creations this year and may be kept for souvenirs. They are on display at Hughes True Value, and prices for the flowers may be obtained by contacting a Student Council member.

A new feature this year is a "baby mum" for those in fifth grade or under. Boutonnières with numbers are also available.

Contact a Student Council member to order your favorite somebody a flower for homecoming.

Inman Member Of HSU Board

Marlon Inman of Route 1, Farwell, is one of 95 members of the Hardin-Simmons University Board of Development who has been invited to attend a joint session with the Board of Trustees on September 17 in Abilene.

Both boards will hold separate sessions also and will be updated on the university's \$15 million "Forging the Future" campaign which will raise funds for the endowment and building needs of HSU.

Grain Storage Seen As Nearly Adequate

In spite of some of the scare stories released lately by some news media, the elevators in the Twin Cities area say that there is probably enough local space to handle this year's corn and milo crops.

This statement is qualified by several large "ifs." While the acreage of grain is known, the yield per acre is only being guessed at at this time. A drop of one to two thousand pounds per acre could make a vast difference in the total amount of grain to be stored. This is seen as likely because of adverse weather earlier in the year.

Timing is listed as very important to the elevators in looking at handling this year's crop. The fear among some of the grain men contacted by the Tribune seems to revolve around storage scarcity stories causing all farmers to try to harvest at once. This will have two ill effects for the farmer and elevator.

First, it will tend to produce a more than normal amount of wet grain that will require time consuming drying and handling, and secondly, it will glut the elevators and prevent normal marketing and movement of grain.

The real crunch revolves around the reserve storage

most farmers are required to make. Handling this grain will be on an individual elevator policy. Each elevator indicated that they could probably handle their usual customers spread out over a normal or reasonable harvest period. Panic harvesting could make large problems for all seg-

Bob Dollar Injured In Tuesday Accident

Bob Dollar of Farwell sustained a broken leg in the collision of a grain truck and a pickup on a section road 1½ miles north and ½ mile west of Texico Tuesday afternoon.

According to a report by the New Mexico State Police Office, Dollar was driving a one-ton grain truck traveling west when he collided with an eastbound 1968 Chevrolet pickup driven by Robert Lacy of Texico.

Heavy dust was reported in the area at the time and was a contributing factor in the accident.

Bob Lacy, who was a passenger in the pickup driven by his son, said "We just couldn't see through the dust.

ments of the grain trade.

It was admitted that toward the end of the season some milo would probably have to go on the ground, but the hope is that by keeping their "cool," most all the area farmers would wind up come late fall with their crop in a bin, some-place.

Dollar was following another grain truck and after we passed the first truck, we just couldn't see him for all the dust."

Both drivers were to the left of center on the road and both swerved to the right to avoid the collision, but hit each other left front to left front. Both drivers were issued citations by the State Police investigating officers.

Dollar was transported to the Friona hospital by the Texico ambulance and was later taken to the Clovis hospital.

Bob Lacy reported being "a little skinned and bruised," and Robert Lacy had no injuries; however, Lacy said his pickup was probably totaled.

After Monday night's Dallas fiasco Tom Landry ought to complain to the National Labor Relations Board. The Cowboys were on strike and the Steelers didn't know it.

Church To Celebrate 20th Anniversary

New Light Baptist Church in Farwell has scheduled a series of religious services which began this week and will climax with the celebration of the 20th Anniversary of the church on Sunday, Sept. 26, at 3 p.m. CDT.

A "Week of Prayer" has been underway this week at 7:30 each evening to conclude with services tonight (Friday).

A special Worship Service is planned for Sunday, Sept. 19, at 8 p.m. Speaker will be Rev. Jim Alexander from the New Testament Baptist Church in

Portales. Revival services are scheduled next week, September 20-24 at the church beginning at 7:30 each evening. Rev. James Cavanaugh of the New Light Baptist Church in Lubbock will lead the revival services.

Concluding the two-week religious series will be the observance of the church's 20th anniversary on the 26th. Speaker at the Sunday afternoon celebration will be Rev. F.R. Williams from St. John Baptist Church in Clovis.

Wins First Place

Jane Kent of Farwell took the top money in the Tribune's annual Merchants Football Contest in its second week and was awarded the first place check of \$7.50 from Bill Chris-

tian of the Texico Branch of Citizens Bank, one of the contest sponsors. Mrs. Kent was the only entrant to pick 11 correct games. Wolverine Head Coach Dave Lynn of Texico won the

second place check for \$5.00 by being the closest to the tiebreaker game score among the 22 persons who picked 10 games.

Dave Lynn Is Second - -

Jane Kent Is Winner Of Top Weekly Prize

Among the great athletic boosters in the Twin Cities, Jane Kent of Farwell won the top weekly prize in the Tribune's annual Merchants Football Contest, and Wolverine Head Coach David Lynn of Texico won the second prize.

Mrs. Kent was the only entrant to pick 11 correct games; except Publisher John Getz who also picked 11 games and was closer to the tiebreaker score - but Getz is not eligible for the prize. Consequently, Mrs. Kent was awarded the weekly first place check for \$7.50.

Coach Lynn was one of 22 entrants who picked 10 correct games, but he was closest to the tiebreaker game score, being only 7 points off by picking the score of Texico 14, Capitan 6. He won the second place check of \$5.00, barely beating out two other contestants Ronnie Warmuth and Rhonda Dale, who were only 8 points off on the tiebreaker. The point spread method is used on the tiebreaker game scores.

This week, the Texico High School Computer must have really had its mechanical brain working overtime as it again beat out the Texico Math Class, but by a higher score as it was also one of the 22 entrants picking 10 correct games and was only 10 points off on the tiebreaker game score. The Texico Math Class picked only six games correctly this week.

Other entrants with 10 correct picks were Steve

Miller, Linda Fipps, Don Gartin, Chary Jesko, Teresa King, Diane Parker, Patti Ryburn, Duane Hamar, Richard Engeling, Randy Cain, Kevin Akers, Bill Kent, Texico Football Coaches, Vernon Thigpen, Charles Dannheim, Bill Roberts, Carroll Smith, and Loyd E. Smith.

Leaders in the overall contest after two weeks are Teresa King and Linda Fipps, with a total of 19 points.

In second place with 18 total points are Don Gartin, T.J. Kittrell, and Carroll Smith. (See contest standings elsewhere in paper).

Winners in last week's contest games were Anton over Farwell, Springlake-Earth over Sudan, Lorenzo over Hart, Bovina over Amherst, Clarendon over Kress, Seagraves over Ropes, Levelland over

Muleshoe, Clovis over Pampa, Louisiana Tech over West Texas, New Mexico over Texas Tech, Arkansas over Tulsa, and SMU over Tulane.

With many more contestants entering the second week, entrants in the contest to date total 315, setting another record in the annual contest following the second week.

So, all you armchair quarterbacks or pigskin prognosticators, join the 315 other persons who are having fun each week in the Tribune contest. You are never too late to win a weekly check, as most of the time the guessing game determines the winner. The "old pros" are behind in this year's contest.

Tabulation of all entries are kept on record in the front office and are always available for inspection.

Around The Twin Cities

Texico-Farwell Lions Club will conduct its annual broom sale September 17 and 18.

Texico Athletic Booster Club is sponsoring a garage sale on September 18 from 9 a.m. to 4 p.m. MDT in the garage at the Roy Thornton home at 410 Ave. F in Texico.

A Preaching Mission is set at Oklahoma Lane United Methodist Church September 19-22.

Texico Schools will conduct an auction on September 18 in the school bus barn beginning

at 10 a.m. MDT.

Texico Baptist Church will host a gospel soloist in concert at the church on September 19 at 6:30 p.m. MDT.

Farwell Booster Club will meet for its weekly session Tuesday, Sept. 21, at 8 p.m. at Luce's restaurant.

Farwell City Council Meets

Farwell City Council convened in a brief session Monday night at city hall, with few routine business matters disposed of including paying of bills and renewing of one CD note.

The council had one visitor, Don Williams, president of Farwell Chamber of Commerce. Williams met with the city fathers to ask their support of the Chamber's long range plans for beautification of the city of Farwell.

Williams said that a Chamber civic beautification committee has been appointed, and will meet to formulate long range plans for the project and then will present an outline of its proposals to a meeting of all local civic organizations.

Council members agreed to offer their help in any way possible.

Present at the council meeting were Mayor Walter Kaltwasser, councilmen Fred Chandler and Jerry Monk, city clerk Janie Bowery, water superintendent Dee Hammit, and Williams.

FIRE CALLS

Texico Volunteer Fire Department had a busy week starting on September 9, when the tanker and van were called to the Clovis airport for a standby when a spray plane was forced to make a crash landing. The plane landed safely with no injuries and only minimal damage to the plane.

On September 13, the ambulance was called to a residence on State Street when a child was reported to be choking on

a piece of candy. The child was transported to the Muleshoe hospital.

Also on September 14, the ambulance was called to 1 1/2 miles north and 1/2 mile west of Texico to transport one injured victim of a vehicle accident to the Friona hospital.

Farwell Volunteer Fire Department reported only one ambulance call to the First Baptist Church in Farwell on September 11.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year. The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium. The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."
**PROPOSITION NO. 4
ON THE BALLOT**
House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote. Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or his successor to the auditor's functions. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."
**PROPOSITION NO. 6
ON THE BALLOT**
Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

AVISO PUBLICO Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.
La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$80,000,000 de asistencia pública estatal durante cualquier año fiscal. La enmienda establecerá el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983. Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.
La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exención de la imposición de impuestos la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondrán límites de dólares y la exención se aplicará a las sociedades anónimas y colectivas tanto como a las familias y los individuos. La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que exención los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesorero del condado. Si se anula el oficio de tesorero del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor. La enmienda propuesta aparecerá en la boleta como sigue:
"La enmienda constitucional que anula el oficio de tesorero del condado en los condados de Tarrant y Bee."
**PROPOSICION
NUMERO 4
EN LA BOLETA**
Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación. La enmienda propuesta aparecerá en la boleta como sigue:
"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gubernantes de ciertos distritos de agua y distritos de conservación y reclamación."
**PROPOSICION
NUMERO 6
EN LA BOLETA**
Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos. La propuesta enmienda aparecerá en la boleta como sigue:
"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

In 1983 Budget -

County Commissioners Okay Salary Hikes, New Deputy

Parmer County Commissioners, meeting in regular session Monday, Sept. 13, voted unanimously to give a three percent increase in salary to all county employees except for the commissioners, and to hire a new deputy for the sheriff's department for the Lazbuddie area. These are to be included in the 1983 budget.

The raise for county employees will be effective January 1, 1983, and will include no increase in salary or travel allowance for the four precinct commissioners.

County Sheriff Bill Morgan is now accepting applications for the position of deputy for the Lazbuddie area, and only certified law enforcement officers will be considered, the sheriff said. This position will not be filled until after the first of the year.

The above items were the main two additions to the proposed 1983 county budget which received a lengthy discussion at the meeting. A public meeting on the county budget will be held at 5 p.m. on Monday, Sept. 27, in the county courtroom in the courthouse.

Commissioners also approved the motion that the county tax rate remain the

same as for last tax year at \$3125 per \$100 valuation.

In other business, a Jury of View consisting of Gilbert Kaltwasser, Henry Haseloff, Hubert Gohlke, Billy Mayfield, and Richard Haseloff was appointed to assess damages to the land when a road is opened in Precinct #3. The jury was appointed after Charles Aycock met with the Court concerning the request for the road to be opened.

A discussion was held regarding some fire damage to trees in Precinct #1, and commissioners will make an on-site inspection of the damage at the next court session on September 27.

Payments were approved for the following: law books for County Judge Porter Roberts, \$75; a bill to a county funeral home for expenses involved in an autopsy ordered by a justice of the peace \$75; boarding care bills for Parmer County foster children, \$1,313; a filing fee for mental health

hearing in Wilbarger County for the indefinite commitment of a Parmer County patient, \$65; and fees to the Parmer County Tax Appraisal Officers, \$83.96.

Commissioners also granted an easement for a water line in Precincts 1 and 2 for the City of Friona; and voted that Lots 1 and 2 of Block 79 of the Original Town of Friona be purchased for county use.

The Court approved the "Articles of Amendment to the Articles of Incorporation of Panhandle Regional Housing Finance Corporation."

They okayed servicing of the fire extinguishers in the courthouse, and approved the following soil conservation work to be performed as soon as the machines are in that area and not demanded for use on the roads: Precinct #1: Jesse Lane, Ed Clark, James Anthony. Precinct #3: James Haseloff, Don Geries, Frank Redwine.

District Court Cases

The District Court session which was to convene Wednesday, Sept. 8, was not held due

to the failure to appear of the defendant, Jim B. Christenson, who was charged with theft. A warrant has been issued for his arrest.

Appearing before District Judge Jack Young in District Court held in the Parmer County courtroom on Friday, Sept. 10, were the following:

Alfredo Alonzo, 21, of Bovina who was charged with probation violation, had his probation revoked, and he was turned over to the Texas Department of Corrections.

Robert Eugene Foss, 26, of Alabama pleaded guilty to a charge of forgery and received four years' probation. He was released to New Mexico authorities in Clovis on a charge of embezzlement.

Sheriff's Report

Parmer County Sheriff Bill Morgan reported that during the past week, county law officers made three arrests and recovered a trailer that had been stolen.

Scot Nelson, 27, of Friona was arrested on September 11 by sheriff's officers for unauthorized use of a motor vehicle. He is being held pending grand jury investigation.

Ronnie Robinson, Jr., 28, of Fort Sumner, N.M., was arrested on September 11 by Fort Sumner police officers and was returned to Parmer County for violation of probation. He is being held for district court action.

Augustin Coronaedo, 37, of Hereford was arrested on September 13 by Texas Highway Patrol officers for unlawfully carrying a weapon. He was fined \$100 plus court costs.

Sheriff Morgan said that Hubert Hutchins of Portales reported a theft on September 10 of a 1973 Chevrolet pickup from a Bovina resident.

In other department action, sheriff's officials recovered a yellow 1979 Bare trailer on September 14. The trailer was reported stolen on January 1, 1982 in Amarillo.

Texico City Council Gives Project Report

Texico City Council met in regular session Tuesday evening at the city hall, and reported that the water improvement project is approximately two weeks away from the pre-construction conference.

A special meeting was

scheduled for Thursday night to sign the water improvement project contract.

John Brownlow met with the council Tuesday night to ask for permission to move a two bedroom house to his lots in Texico at 305 Garwood. The house had been inspected, and

the city fathers granted the permission.

In other action by the council, the municipal audit was let to Ronnie Fouts of Melrose, and members agreed to repair a power lift on a tractor.

The senior citizens requested permission to install an air conditioner on their building at no cost to the city. Permission was needed as the building belongs to the city, and this was granted.

Also approved was the purchase of two new radio crystals to be installed in Marshal Mickey Fenn's car. The present crystals are not strong enough to pick up signals from the present location of the tower which had

recently been moved. Approved also was the purchase of a more powerful flashlight for use by the marshal.

City Clerk Marie Christian was granted permission to attend an executive board meeting of the New Mexico Clerks and Finance Office Association conference October 1. Mrs. Christian is president-elect of this association.

Next meeting of the city council is set for Tuesday, Sept. 28, at 6:30 p.m. MDT.

Attending the Tuesday night session were Mayor John R. Hadley, councilmen Vane Doshier, Lewis Cooper, Donnie Morris, and Truman Kittrell, marshal Mickey Fenn, city clerk Marie Christian, and water superintendent, Billy Hammit.

Texico School Board Okays Building Plans

Texico School Board met Tuesday night in the school lounge in regular session. Board members and guests discussed several items on the agenda beginning with the building program.

Randall Kilmer, architect, was present with the new building plans, and the board accepted these plans with the stipulation of some changes to be made.

Board members reviewed and approved the list of school items and property to be auctioned off this Saturday, Sept. 18, at the school bus barn.

An open house has been planned by the board on October 4 for all school district patrons, with the doors opening at 7 p.m. MDT.

In other business, Chapter 2

funds in the amount of \$13,385 were accepted, and the board also approved two new bus drivers. Mrs. Jean Skaggs will be driving a school bus, and Mrs. Audrey Kittrell will be driving the activity bus.

Before adjourning, board members reviewed the student enrollment lists and determined the total enrollment to date as 391 students.

Present at the meeting were board members Arye Crooks, president, Herman Geries, vice-president, Johnnie Rucker, and Roy Thornton; Superintendent James Pierce, Marcia Leavell, Paula Leighton, Kenneth Shaw, Juanita Hadley, Ronnie Warmuth, and Randall Kilmer.

To Play In ENMU Concert

Eastern New Mexico University Cultural Affairs Committee and the School of Music are sponsoring the Las Vegas Brass Quintet in concert on Thursday, Sept. 16, at 8 p.m. in Buchanan Hall.

This Quintet from the "Entertainment Capital of the World" has a repertoire which spans six centuries of literature. The group specializes in both secular and sacred music of the renaissance and baroque periods as well as contemporary works, many of which are composed by members of the group.

The instrumentation of the group is two trumpets, a trombone, a French horn, and a tuba. All players are classical musicians engaged in full time careers on the Las Vegas Strip. The group was conceived and formed in 1977 as an outlet for playing chamber music. They have performed numerous concerts

throughout the Western United States.

Their appearance at ENMU is presented with the cooperation of the Western States Arts Foundation Touring Program.

General admission for the concert is \$3.00, or free for ENMU students with an activity sticker ID. Tickets are available at the door.

Instead of paying your cable bill every month, pay a year in advance and we will give you the

The farm of the future will run on a fuel that used to be burned as waste.

Half a century ago, LP-gas was considered useless.

Now, the more we look, the more we find how well it works in modern farming.

Warming stock tanks. Running tractors and generators. Space heating. Irrigation. Cooking. Drying crops and clothes.

Today, a multitude of jobs are being done efficiently, economically and conveniently with LP-gas. And in the future, we'll be doing even more jobs.

So come by and let us show you all the ways Philgas can make your farm a farm of the future. Today.

Lazbuddie Homemakers Have Summer Meeting

Lazbuddie Young Homemakers had their summer meeting on August 12 in the home of Janice Bradshaw with 11 members present. It was announced during the meeting that the Lazbuddie Community Cookbooks are available for \$8 each, and the pecans are also available for \$4 per pound. Sheryl Engelking reported that plans for the club's bazaar are proceeding smoothly. The annual Christmas bazaar will be November 13 from 10 a.m. to 6 p.m. in the Lazbuddie School Cafeteria. Prizes will be awarded by judges. Vickie Burch reported on programs for the coming year, and Joann McDonald reported on proposed projects. Debbie Weir reported on the planned socials for the year. A special "goodbye" was issued to Susan Lasater. She will be moving soon, and she will be missed by the mem-

bers. The Area Convention for Young Homemakers of Texas was scheduled for August 28 in Amarillo, and three members planned to attend. Installation of officers for the club was to be on September 2 and the Membership Tea was scheduled for September 16 at 2 p.m. in the Lazbuddie School Cafeteria. Anyone interested in joining the Homemakers was urged to attend. New officers for the Homemakers are Debbie Weir, president; Vickie Burch, vice-president; Marca Morris, secretary-treasurer; Lana Copp, reporter; and Janice Bradshaw, historian. Members present at the summer meeting included Janice Bradshaw, Vickie Burch, Cindy Cargile, Sheryl Engelking, Susan Lasater, Debbie Magby, Joann McDonald, Reta Mimms, Marca Morris, Mandi Seaton, and Debbie Weir.

Farwell Homemakers Host Membership Tea

Farwell Young Homemakers hosted a Membership Tea on Tuesday afternoon, Sept. 7, at the Farwell home ec cottage. Guest speaker was Marcia Cole, Farwell Kindergarten teacher, who spoke on "How to Prepare Children For Kindergarten." Refreshments of homemade breads and ice tea were served to seven members and two guests. Members invite anyone interested in joining the Young Homemakers club to meet with them on the first Tuesday of each month at 2:45 p.m. in the home ec cottage. Those present at the meeting included members Patsy Camp, Nelda Wilhite, Sheree Montgomery, Tina Sides, Ruth Anne Bennett, Gwen Corn; Martha Wheeler, advisor; and guests Cheryl Smith and Altha Herington.

Farwell Study Club Plans Salad Supper

Farwell Study Club will have a salad supper along with its monthly meeting on Monday, Sept. 20, at 6:30 p.m., at the club room. All members and prospective members are urged to attend. On the social committee for Monday's meeting are Gladys Hardage and Eunice Crume. In other club business, it was reported that the yearbook committee met recently to determine the final plans for the books and the committee reports that the yearbooks will be here soon. Guest speaker for the club's program on Federation will be Mrs. Orville Williams of Anton, president of the Caprock District of the Texas Federated Women's Clubs.

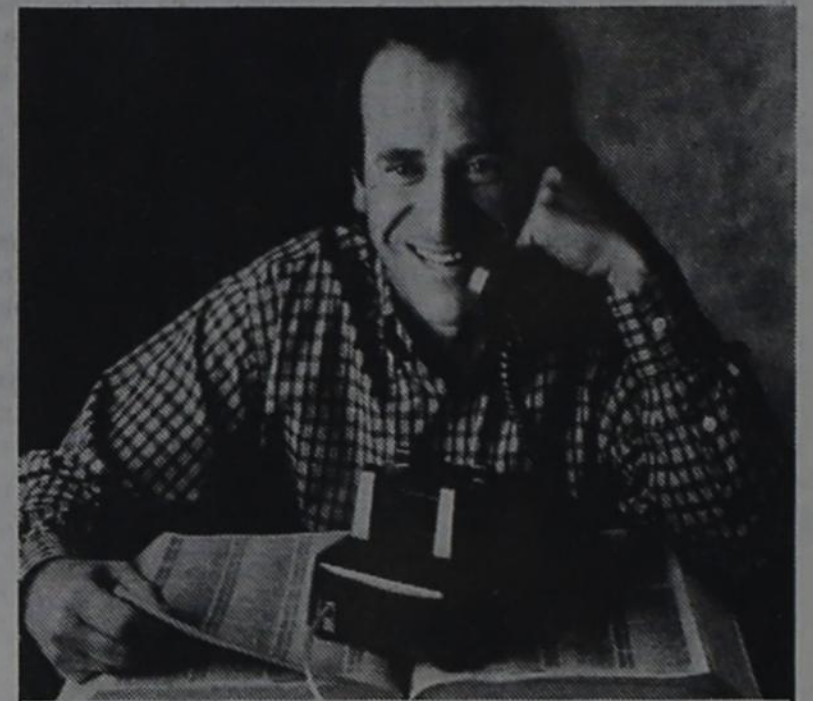

Announce Engagement

Mr. and Mrs. Clark McCamish of Muleshoe announce the engagement and approaching marriage of their daughter, Terry, to Danny Davis, son of Mr. and Mrs. R.C. Davis, Jr. of Oklahoma Lane. Wedding vows will be exchanged November 5, at the Trinity Baptist Church in Muleshoe. Terry is a 1982 graduate of Muleshoe High School and Danny is a 1980 graduate of Farwell High School.

Mrs. Benderman Has Visitors

During the past three weekends Mrs. J.B. Benderman of Texico has had guests in her home and has celebrated her birthday with visits and calls from relatives and friends. On August 28 her sister and brother-in-law, Mr. and Mrs. Arthur Cook of Las Cruces arrived to spend the night and part of the next day with her. They were en route home from Pampa where they had visited a son. The local woman's son and family, J.B. Benderman Jr., his wife Karen, and their five-year-old daughter Krista Marie of Dallas, and his son Sean Benderman of Clovis, all spent from Friday, Sept. 3, until September 6, with her. She reports that they had a lovely visit and enjoyed taking family photographs and just being together. Then on Friday, Sept. 10, she celebrated her 84th birthday. After attending her bridge club's first session of the fall after being disbanded for the summer, she arrived home to find her sister and husband from Lubbock, the Olen Herriages, had come to visit. That evening they treated her to a birthday dinner at a Clovis restaurant and visited until noon the next day before returning home. Besides having the visitors there for her birthday, Mrs. Benderman said she received three bouquets of flowers, more cards than she'd ever gotten before, and had telephone calls from all over, including ones from Wisconsin, San Antonio, and California.

Last call to get in the phone book!

It's almost time for your new telephone directory to go to press. And that means that time is getting short to change or get a new listing to us for your home or business. So if you have any changes to make in either the White or Yellow Pages, call our Residence or Business Service Center now. We'll be happy to help and to provide information about any changes which may be involved. The final closing date for the Clovis Directory White and Yellow Pages is September 29th. Mountain Bell

Border Bible Class Has Sunday Luncheon

Members of Border Bible Sunday School class of Hamlin Memorial United Methodist Church met at the home of Carrie Christian for a salad luncheon following worship services Sunday morning, Sept. 12. Lenton and Laretta Pool, Jack and Ella Ruth Williams, Don, Lee Ann and Teddy Holladay; Also, Mittie Petree, Nettie Blair, Virgie Shaw, Velma Magness and her sister Jane Osgood of San Antonio, Aileen Teel, Linnie Mae Crook, Ophell McDonald, Ruth Tomlinson, Mildred (Sal) Vincent, Ellen Wurster, and the hostess, Carrie Christian.

Hospital Notes

Mrs. Nadine Langston of Farwell was hospitalized in Clovis High Plains Hospital this week for treatment of a broken leg she suffered on Saturday. It was hoped she would be dismissed to return home later in the week. Bob Dollar of Farwell, who was injured Tuesday evening in a two-vehicle accident north of Texico, is reported to be in good condition in Clovis High Plains Hospital as of Wednesday noon. He received a broken leg in the accident, but hopes to be able to return home soon. Joe Caywood of Texico is receiving medical treatment at Lubbock Methodist Hospital this week after being moved from the hospital at Clovis early this week. Mrs. Juanita Foreman of Texico was admitted to an Amarillo hospital Wednesday for tests on her leg. She is reported to be doing well. Mrs. Nettie Sharp of Texico remains hospitalized in Clovis for medical treatment. Mrs. Loucile Foster of Ft. Worth, mother of Bonnie Warren of Farwell, remains hospitalized for treatment in Ft. Worth.

On Dean's List

Cynthia A. Duntley of Route 1, Farwell, is among the 81 University of Denver undergraduate students named to the dean's list for the summer quarter, 1982. Both the College of Arts and Sciences and the College of Business Administration are represented. Each of those named to the dean's list has attained a grade point average of 3.667 or better on a 4.0 scale in full-time studies. A few of the students graduated in Commencement exercises August 13.

Deaf Smith Electric Cooperative

Open Letter

TO: All Our Member Users,

and November 1, 1982. The Board of Directors and Management of your cooperative have exerted every effort possible to keep electricity costs in line. Cost increases, however, are inevitable. Inflation, increased government regulations, fuel costs, interest, and taxes: all these items and many more contribute to rising electrical costs. Many of these are beyond our control. Wholesale power cost, depreciation, interest, and taxes alone, for example, account for 89% of our total cost of electric service. We realize that an average 42% increase is considerably more than Deaf Smith Electric Cooperative members have ever been asked to accept, but are forced to if the Cooperative's financial integrity, quality of electric service, and payment of capital credit accounts remain at their present level. We know you share our concern of rising electrical costs and trust you understand we will do our utmost to keep them as low as possible.

Sheree Montgomery Is Chapter's Sweetheart

Alpha Rho Lambda chapter of Beta Sigma Phi met for their first meeting of the 1982-83 year Tuesday night in the home of Debbie Woodson. During the business meeting, Sheree Montgomery was voted sweetheart for the chapter this year and will be honored at the sorority's annual Valentine Dance in February. A work schedule was discussed for the Rummage Sale coming up this Friday & Saturday. A date was tentatively set for a Friendship Roundup. Sandra Joiner presented the program on Child-Abuse. Each member was given a questionnaire to answer; afterwards Sandra reviewed the questionnaire giving information and allowing discussion. Kendale Burch, co-hostess, brought the doorprize and the lucky winner was Joan Johnson. Hostess Debbie Woodson served refreshments to the following members: Cynthia Thigpen, Gay Goetsch, Peggy Goetsch, Nedda Travis, Linda Foster, Anita Ralston, Laura Jacobs, Mary Ann Lingnau, Gloria Hutchins, Sheree Montgomery, Rhonda Kirkland, Robyn Palady, Kendale Burch, Joan Johnson, and Sandra Joiner.

ESA Members Have Year's First Meet

Members of Theta Rho chapter of Epsilon Sigma Alpha sorority got the new club year off to a start Monday night, Sept. 13, when they met at a Clovis restaurant for a Mexican food dinner, followed by a business meeting in the home of Rose Roberts. Sorority members talked about several fund-raising activities and also voted to collect proof of purchase seals from Ralston-Purina cereals such as Chex and Honey Bran. This project will help to pay for transportation for children patients needing to travel to St. Jude's Hospital. A sorority spokesman said that five proof of purchase seals would provide free air fair on Republic Airlines when the child is accompanied by an adult paying regular fare. Boxes or containers for the seals to be placed in are being put in local churches, or if you have some of the seals, please give them to any ESA member. The deadline is November 8. Attending the meeting were Margaret Aycock, Dot Christian, Lillie Christian, Gwen Corn, Dardanelle Helton, Altha Herington, Leslie Lunsford, Rosa Roberts, Tommie Snodgrass, Nell Walling, Joyce Williams, LaMoin Williams, Maxine Williams, and Terri Nichols.

ESA Project

Margaret Aycock, left, and Altha Herington, members of Theta Rho chapter of Epsilon Sigma Alpha sorority are promoting the saving of proof of purchase seals from all Ralston Purina cereals. The local sorority is assisting in this project which helps provide transportation to St. Jude's Hospital for its patients. If you have such seals, please give them to any ESA member or look for places they have put containers to hold the seals, such as at some local churches.

Strake Talk

SMALL BUSINESS—A RESOURCE WE MUST PROTECT

You can look around the square of any Texas town and see the backbone of the state economy—and of the national economy. It's small business and it provides half of all jobs. By the current state definition there are 260,000 in our state—that's 97% of all Texas businesses. The small businessman and woman not only provide jobs and pay taxes; their independent tradition also helps explain the enduring quality of our democratic form of government. The state of Texas recognizes the importance of small business and has programs to help it. But we can do better. For one thing, we can abolish the sales tax on utility bills which now falls basically on small business owners. Large manufacturing and processing firms don't have to pay the tax, but the grocer, retailer and florist do. It is not fair. My opponent opposed doing away with this tax in the last session of the legislature. The tax will bring in an estimated \$220 million in 1984-85. But when you compare that with the extra \$5.1 billion the legislature will have to spend during that time, I feel we can do without the tax and the revenue it will bring. And, as Lt. Governor, I would support its repeal. I would also support putting into effect recommendations of the small business task force initiated by the Governor. Two of these recommendations are especially appealing. One is to help small businesses borrow money at better rates. Most small businesses which fail do so because they are under-capitalized. To help that situation, franchise tax money would be deposited in participating banks, which would, in turn, make loans at lower rates to small businesses. The other recommendation is that we form a group of small business development centers at colleges and universities statewide. Money for the centers would come from the U.S. Small Business Administration, the state and participating schools. The centers would provide training, counseling and other help to small business owners so that they could be more competitive in the marketplace. If you have any thoughts on this, I'd like to hear them. Please write me at 1213 W. 34th Street, Austin 78705.

DR. AND MRS. JAMES BLACKFORD

Autograph Session To Honor Dr. Gillingham

Dr. E. Leonard Gillingham of Clovis, District Superintendent of the Clovis District, United Methodist Church, will be honored at an autograph party Tuesday, Sept. 21, at 10 a.m. CDT at Twin Oaks, 410 3rd St., Farwell. The autograph session is being sponsored by the United Methodist Women of Hamlin Memorial United Methodist Church.

Dr. Gillingham is the author of "Dealing With Conflict," published in April 1982. Copies of the book will be available at Tuesday's get-together.

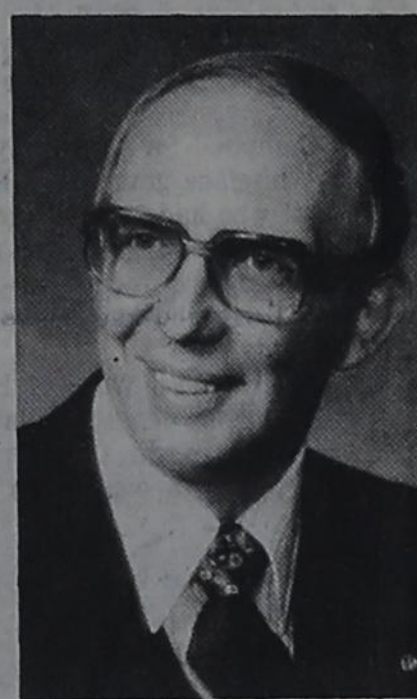

The author is no stranger to this area, having served as pastor of the Kingswood United Methodist Church in Clovis from 1962-1968 and having been guest speaker at the local Methodist Church on several occasions.

A native of Oklahoma, Dr. Gillingham received his B.S. degree from Southwestern State College in Oklahoma; his master of divinity degree from Southern Methodist University Perkins School of Theology; his doctor of divinity degree from McMurry College in Abilene; and his doctor of ministry degree from McCormick Theological Seminary in Chicago.

Besides serving the Clovis church, Dr. Gillingham served several churches in Oklahoma before moving to the New Mexico Conference. He was assistant pastor of Central United Methodist Church in Albuquerque; served as pastor of St. Paul's United Methodist Church in El Paso; and as pastor of First United Methodist Church of Albuquerque before being named the District Superintendent of the recently formed Clovis District.

He and his wife Martha are residing in Clovis. They have three daughters, one son, and one grandson.

Everyone is invited to come by and get acquainted with Dr. Gillingham at the autograph party next Tuesday at 10 o'clock.

LEONARD GILLINGHAM

J.W. Crim Family Gathers For Reunion

Thirty members of the family of the late J. W. and Mabel Crim met at the cabin of Buck and Darlene Crim in Fort Cobb, Okla., over the Labor Day weekend.

The weekend was spent visiting, swimming, water skiing, and fishing. For a special treat, Buck Crim arranged for all the family members to take a river boat cruise around the lake, and then all were treated to a pit barbecue dinner.

Those attending were: Earl and Mabelena Monroe, Clovis; Gary and Judy Purnoe, Seal Beach, Calif.; Lois Johnson, Sharon, Robbie, and Jason Mosley, Garland, Tex.; Gerald, Terri, and Jennifer House, Roulett, Tex.; Fred and Evelyn Curtis, Farwell; John N. and Darlene Crim, and Jeff and Lisa Selsor, Weatherford, Okla.; Doyle, Gayla, Jeremy and Summer Crim, Oklahoma City; Max, Barbara, Cindy, and Brandy Crim Muleshoe; Weldon, Alma, Kirk, and Vickie Crim, Muleshoe; and Gregg Crim, Garland, Tex.

LeeAnn Williams, James Blackford United In Garden Setting Ceremony

In a garden setting at the home of the bride's parents at Farwell on Saturday evening, Aug. 21, Joy LeeAnn Williams of Jacksonville, Tex., and Dr. James Thomas Blackford of Knoxville, Tenn., were united in marriage.

Parents of the bride are Mr. and Mrs. Bert Williams of Farwell, and the bridegroom's parents are Mr. and Mrs. Phil Blackford of Rocky Ford, Colo. Rev. J.L. Bass of Bovina officiated at the ceremony which was performed before an arch decorated with peach carnations, white daisies, and accented with lilac carnations. A white kneeling bench decorated with greenery and large peach bows was in front of the arch, and the aisle was marked with white posts and white rope with a large peach bow on each post.

Jennifer Williams, niece of the bride, registered the guests.

Charles Turner, organist, provided traditional wedding music. After the bride's mother and the bridegroom's parents were seated, Bruce Fellas of Clovis sang "If," and "Longer Than," accompanying himself on the guitar.

After the bride's father escorted her to the altar setting, he offered a prayer.

For the double-ring ceremony the bride wore an informal, candlelight gown. The bodice featured a sheer overlay of Schiffli embroidery with a high neckline, sheer yoke, and bishop sleeves. The A-line skirt fell to slipper length. To complement the gown she wore an ivory derby hat accented with headed Schiffli motifs, silk flowers, and fingertip illusion veiling. She carried a cascade arrangement of roses and carnations, and for something old she carried a handkerchief belonging to her grandmother, Mrs. Johnnie Williams.

Attending the bride as maid of honor was Sonya Burris of Frankston, Tex. Bridesmaid was the bride's sister, Tracy Williams of Farwell. They wore identical dresses of printed chiffon fashioned with a bateau neckline, asymmetrical hemline, and flutter sleeves. They carried arrangements of peach and lilac carnations.

Groomsmen were Ray Blackford of Lakeside, Neb., and

Jay Blackford of Midland, brothers of the bridegroom. They were attired in dark suits while the bridegroom wore a dark suit and peach colored shirt with peach colored rose boutonniere.

Ushers were Allen and Donnie Frantz, nephews of the bridegroom, Nicky Liethen, cousin of the bride, and Eric Williams, brother of the bride.

During the ceremony Fellas sang, "Years From Now," and as the couple knelt at the kneeling bench he sang, "O Perfect Love."

Following the ceremony a reception honored the couple. The bride's table was covered with a cutwork cloth and featured milkglass and silver appointments.

The three-tiered wedding cake was decorated with lilac and peach flowers. The cake and punch were served by Connie Jones, cousin of the bride, Alice Frantz, sister of the bridegroom, and Debbie Williams, sister-in-law of the bride.

The bridegroom's table was also covered with a cutwork cloth and held a large chocolate layer cake and brass punch bowl. Lori Hartley of

Clovis, and Anita Blackford of Midland and Jeanne Blackford of Lakeside, Neb., sisters-in-law of the bridegroom, served at his table.

Floating hostesses were Joyce Williams, sister-in-law of the bride, and Peggy Jones, aunt of the bride.

On the night of the wedding rehearsal the bridegroom's parents hosted a patio dinner for the wedding party, the bride's family, and out-of-town guests at the home of Mr. and Mrs. Mark Williams.

The bride is a graduate of Farwell High School and a 1981 graduate of the College of Veterinary Medicine at Texas A&M University. For the past year she has been employed by the Animal Hospital in Jacksonville, Tex.

The bridegroom is a 1970 graduate of Rocky Ford High School and a 1979 graduate of Colorado State University College of Veterinary Medicine. He received a master's degree in residency and surgery at Texas A&M University in 1982 and is currently an associate professor at the University of Tennessee College of Veterinary Medicine at Knoxville, Tenn.

Marriage Licenses

Parmer County Clerk's office issued two marriage licenses this past week. Receiving the licenses were Fernando Gomez and Amelida Velasquez; and Cesareo Carrera and Delia Aragon.

Gladys Kaltwasser On Mission Trip

Gladys Kaltwasser of Farwell is in Brazil this week, serving as a team member in a missionary trip to witness for Jesus Christ to the Brazilian people.

Mrs. Kaltwasser and some 34 other mission team members from four areas of the Panhandle and South Plains left for Recife, Brazil, on September 8 and plan to return on September 21. She was to have served with five other team members in a town called Cabo which is near Recife.

According to Strauss Atkinson of the First Baptist Church of Plainview who was also making the trip, many Texas teams have gone to Brazil during the past two years to share the Gospel. Over 60,000 Brazilians have been saved, new churches have been organized, and other churches have been strengthened, he said.

Mrs. Kaltwasser is a member of First Baptist Church, Farwell.

Iota Eta Chapter, DKG Hosts Area XI Workshop

Iota Eta Chapter of Delta Kappa Gamma International hosted the Area XI Workshop August 28 in the Friona High School.

Following registration, the guests were served coffee, punch, assorted breads, and melon balls on the enclosed patio.

Area XI Coordinator, Peggy Tooker of Iota Zeta, called the meeting to order. Following the invocation, given by Kathy Winburn of Zeta, Pat Owen of Farwell led in singing the Delta Kappa Gamma song.

Tom Jarboe, Friona superintendent, welcomed the group of teachers to Friona High School, and a cordial welcome to the city was extended on behalf of Friona Mayor Wright Williams.

Iota Eta President, Lynn Roberts of Farwell, also greeted and welcomed area society members to the workshop for the day.

J'Lynn Ryan, Iota Zeta, reported on the Alpha State Convention held in Austin, June 10-13.

During the morning session, ten workshops were conducted with area committee chairmen

in charge. Numerous loaves of nut bread, baked by Farwell and Friona members, were tied in small flour sacks or wrapped in brown paper and tied with brightly colored calico, and were given as door prizes throughout the day.

The luncheon, which featured "Country" as the theme, was catered by the Young Homemakers of Friona. Tables were covered with red and white checked paper. Antiques decorated the tables and

luncheon area, and pint fruit jars were used for iced tea. Iota Eta members were dressed in denim prairie fashions.

Ruth Williams, Alpha State President of Delta Kappa Gamma International, was introduced by Mary Bavousett of Friona as honored guest and speaker. Mrs. Williams gave a report on her visit to the International Convention in Atlanta, Ga.

One hundred and eighty-five members attended the meeting.

Wolverines Shut Out Capitan For Season's Second Victory

Texico's Wolverines charged into the second game of the season for a physical battle with the Capitan Tigers on Capitan turf Friday night and shut out their hosts 13-0. This was the team that David Lynn's Wolverines had edged 7-6 in the closing seconds of the Class A state semi-final game last year.

Friday night's highly defensive battle saw the Wolverines rack up a total of 194 yards, equally divided by land and air with 98 being netted aerially and 96 coming through the country.

The physical match-up of the teams resulted in one Capitan player being hospitalized for a broken arm and rib injuries while Kevin West of the Green and White received a minor head injury. Capitan's injured player was hurt while trying to recover a fumble during the second quarter.

Neither team could cross the goal line in the first period; but in the second stanza, Billy Bibbs intercepted a pass 28 yards out and ran it in for a

touchdown to break the scoring ice. Brad Steward kicked the PAT to put his team ahead 7-0.

Earl Bibbs carried the ball in from one yard out in the third quarter to give the Green and White a 13-0 advantage. A bad snap on the PAT attempt left the score at 13-0.

In commenting on the game, Texico Coach Lynn said, "In the first half the defense did not play well, and we didn't tackle well, but in the second half we dominated them."

"We won the physical battle," Lynn said, adding that none of the Texico players had to leave the field because of injuries.

Coach Lynn named several outstanding players for the week, with Tommy Boardman with eight tackles, and Jeff Holland as the defensive players; and Brad Steward, Earl Bibbs, Kevin West, and Billy Bibbs as the outstanding offensive players.

Earl Bibbs was the leading yard getter with 83 yards on 20 carries. His brother Billy was held to three yards on two

tries, but caught one pass for 27 yards. Joe Steward caught one pass for 43 yards and Kevin West hauled in two for 28 yards. Steward completed four of 14 for the night for 98 yards.

The Wolverines will be at Eunice tonight (Friday) to take on the Cardinals in a game beginning at 7:30 p.m.

Coach Lynn said, "Eunice will be ready for this game since we won over them 14-0 last year. They compare in size with us, but have a little more speed. They also change their plays from week to week."

Wolverines Big Lick Awards

EARL BIBBS

JEFF HOLLAND

TERRY TUBBS

The offensive and defensive Wolverines for the Big Lick Award have been named by Head Coach David Lynn for their performance against Capitan last Friday night. Earl Bibbs won the offensive honor for gaining 83 yards on 20 carries and scoring one touchdown. Defensive honors go to Terry Tubbs for making six tackles and Jeff Holland for his eight tackles.

Photos by Ronnie Warmuth

Texico Junior High Drubs Portales 22-0

Texico Junior High Wolverines carried on the tradition of their older counterparts last Thursday when they shut out Portales 22-0 in their first game this season.

Coach Scott Parker feels his Jr. Wolverines played pretty well, with the secondary defensive ends and linebackers really standing out in the game. He says the offense is getting stronger and in this game, everybody got to play.

Coach Parker had some concern before the game he said, due to the team's youth and inexperience, "But they (Portales) were young too."

The first quarter got the game off to a rousing start as Charlie Bibbs made a one-yard run to score the first touchdown and Stanley Cross ran two yards for the PAT to put

Texico ahead 8-0. Action in the second quarter kept team spirits up when John Thomas ran 16 yards for another touchdown, with Dean Reid running for the PAT, making the score 16-0 at the half. During the first half, Texico recovered two fumbles and held Portales to the zero score.

The third quarter saw a lot of action but no points were scored by either team. In the fourth quarter, Charlie Bibbs ran 20 yards through the Portales defense to cross the goal line for the last time in the game, making the final score 22-0.

After the game, Coach Parker named Allen McCall as recipient of this week's Big Lick award for physical contact during the game. Also

noted were Mark Meeks, Charlie Bibbs, and Stanley Cross with five tackles each, and Jimmy Edge and Allen McCall with one quarterback sack each.

Wayne Holland and Jimmy Edge each recovered an opponent's fumble during the game. Bibbs was the leading rusher with 139 yards on 10 carries. Stanley Cross ran seven times for 27 yards; Kyle Snipes picked up seven in two tries; and Thomas had 17 on four carries. Texico attempted only one pass which went incomplete, and did not punt during the entire game.

Next game for the Texico Junior Wolverines will be against Portales Thursday, Sept. 23, at 1:30 p.m. at the junior high field in Portales.

Texico Spikers Win Over Logan And Muleshoe Teams

Texico's lady spikers had a busy three days, competing in games Saturday, Monday and Tuesday and coming away with wins over Logan and Muleshoe. The 7th, 8th and JV teams played Portales Monday and won two of those games, the JV losing.

On Saturday, Sept. 11, the A, B, and junior high teams met Logan at Texico. The junior high won 16-14, 15-9; the B team won 15-8, 15-2; and the A team won 15-11, 5-15, 16-14.

Coach Mike Littlejohn says he was pleased with the way the girls set up the ball and their team effort, but said, "We need more work on the set-spoke combinations. We're not getting in enough kill shots."

Following the game, Coach Littlejohn named the outstanding players in the game: Valda Cavallero, for her passing; Cheryl Scott, for her spiking ability; and Chary Jesko, for setting the ball up in good form several times during the game. On Monday, Sept. 13, the 7th

grade, 8th grade, and JV teams met Portales at Texico. The 7th grade won 15-11, 15-17, 15-5; the 8th grade won 15-4, 15-9; and the JV lost 10-15, 15-8, 9-15.

Coach Littlejohn said the junior high girls are playing pretty well but could stand a lot of improvement. He also said the JV team is doing well especially considering there are several freshman girls on the team this year.

The A and B teams met Muleshoe Tuesday and won both of the games, the A team winning 15-5, 15-2; and the B team winning 15-5, 15-1. After the game Coach Littlejohn named Chary Jesko, Cheryl Scott, Kandy Keeler, and Karen Snodgrass as outstanding players for their service. These girls made several ace serves, giving Texico the lead.

The next games for the Texico teams will be September 21, when they travel to meet Tatum at 4:30 p.m. The A, B, and junior high teams will be playing.

Where's My Picture?

"Where's my picture?" ask Toby Odle and Rusty McCormack as they look through the 1982 "Wolverine," Texico yearbook. The yearbooks are now at the high school for those

who ordered them last year, says sponsor Ronnie Warmuth. The books were distributed to the students Monday afternoon, and Warmuth says there are a few extra books that will

be available next week at \$10 each. Those interested in receiving a yearbook should contact Warmuth at the high school.

Whiteface Antelopes Edge Lazbuddie, 3-0

The Lazbuddie Longhorns and the Whiteface Antelopes fought a scoreless stand-off for the first three periods of play Friday night, but in the final stanza the Antelopes managed a field goal to make the game's only score and win the outing 3-0.

Longhorn Head Coach Terry Campbell said following the game, "Something stopped every drive we had - either a penalty, a fumble, or an interception."

The Longhorn defense was required to make two goal line stands in the first quarter and also made several more later in the game to keep the Antelopes from paydirt.

The coach also said, "We played well defensively, but we just couldn't score. Our strong point was our defense, but we hope to generate more offense in our next game."

Outstanding players named

by Campbell for their play in the Whiteface game were Bart Elliott who had 76 yards on 20 carries; Daniel Schacher who had a 20-yard reception; and Mark Lust who had a 10-yard reception.

Player of the Week is Bart Elliott for his defensive play in which he made 16 tackles. Jimmy Garcia was given the

Hit of the Week Award.

Lazbuddie will travel to Sundown tonight (Friday) to take on the Roughnecks in a game starting at 8 p.m.

Campbell says that Sundown compares well in size with the Longhorns. The Roughnecks have lost one and tied one, both in games against Class AA teams.

Toll-Free Alcoholism Number Available

Area residents who need confidential help with an alcoholism problem can now call toll-free 1-800-692-4165 from anywhere in the Panhandle and get referral information.

The new service offered by the Amarillo Council on Alcoholism is made possible by a grant from the Texas Commission on Alcoholism.

"This service is for anyone who has a problem with

alcohol," said Don Pipes, Executive Director of the ACA. "When we hear about someone having an alcohol problem, we usually think of a person who drinks too much and needs to stop. We're certainly going to be dealing with these people, but we're also going to be helping the families of those abusers, employers who are trying to find help for a worker, and people who need

more information about alcohol treatment and rehabilitation."

"A major problem the abuser has," Pipes continued, "is in making that first call for help. If he or she is somewhere outside Amarillo, it takes considerable effort to make a toll-free number will make that first step easier to take."

Fumbles Hurt - -

Bulldogs Bite Steers In Aerial Attack, 26-13

The second game of the young season saw the Farwell Steers lose to the Anton Bulldogs, 26-13, in a game all too similar to the Plains loss of the previous week. At crucial moments of the game, the Steers proved to be their own undoing.

The luck of the toss forced the Blue and White to open the game by kicking to the Bulldogs. Anton set up shop on their own 35-yard line and used only four plays to score their initial touchdown of the long evening. Scotty Davis, the Bulldog senior quarterback, called the signals for the short series as Jimmy Perry, the Anton 175-lb. back, scampered around the end for 52 yards and paydirt. After two tries, due to a penalty on first attempt, Anton failed to convert and took a 6-0 lead before the Steer offense could get the ball.

Farwell's Santiago Lucio took the Anton kick and gave the Steers possession of the ball on the Steer 28-yard stripe. The Farwell offense ground out nine plays and two first downs before a fumble recovered by Anton blunted the initial drive of the evening for the Steers.

Farwell's defense held firm and Anton had to punt the ball away after three downs. Alan Eubank fielded the punt and gave the Steers possession of the ball on their 45-yard marker.

The Steer offense got down to business, and 14 plays later scored a Steer TD with Eubank going over. The Farwell possession took the play into the second quarter before the Blue and White could get over the goal line. The Farwell PAT kick was wide, and with 10:30 left before the half, it was a 6 all game.

The game seesawed back and forth with punts by both teams. At one point, Santiago Lucio gave the Farwell fans a thrill with a 30-yard punt return. The Farwell punt return strategy worked well all

evening and gave the Steers good field position most of the time.

Again the last minute jinx bit the Blue and White, and with a minute left on the halftime clock the Anton quarterback sneaked over from the one. Anton's PAT kick was also wide of the uprights and the half closed with Anton owning a 12-6 bulge over the Steers.

The second half opened with the Steers on the receiving end of the ball. Farwell's offense stalled and a punt by Jimmy Bernal put Anton in business on their own 29-yard stripe. On the third Bulldog play, an alert Alan Eubank snagged a Bulldog aerial and he galloped 47 yards down the sideline for a quick Farwell TD. This time the point after split the goal posts, and Farwell enjoyed a 13-12 lead with 9:36 left in the third cany.

Following the Farwell kick-off, the Bulldogs ran three plays and were swarmed over by aggressive Steer defenders. The fourth down Anton punt was fumbled, and the Bulldogs recovered on the Blue and White's 19 yard line.

Abandoning the ground and taking to the air quickly netted another Anton touchdown and also a two-point pass conversion. Anton took the lead 20-13 midway through the third quarter.

Early in the final stanza, Anton took to the air again as DeLaCruz hit the Bulldogs' Ronnie Cox for another successful aerial strike. Again the airways proved fruitful for Anton as they lofted a pass for the two-point conversion. Anton then owned what proved to be the final score of 26-13.

With only 2:59 left in the game, on a 3rd and 10 situation on his own 19-yard line, Farwell's Lucio scampered through the Anton defense and streaked 81 yards to paydirt — but the thrill of the Farwell fans was short lived, as the play was called back on a Farwell clipping penalty.

Coach Bruce Dollar said, "We made too many mistakes to win, we beat ourselves with mistakes." He commented that the defense played well throughout the game, but more work is needed on the passing game, both offensively and defensively.

"The boys still have a good attitude and desire," added the coach regarding the team's spirit.

The Steers will host the Sudan Hornets tonight (Friday) at Steer Stadium with game time at 8 p.m.

Coach Dollar says the Hornets have a 6-0, 175-pound sophomore back, Lester King, who rambled for 1,611 yards and 14 touchdowns last season to lead area Class 1A rushers. King also earned All-South Plains and All-District honors.

The only change Coach Dollar plans to make in the Steer lineup for tonight's game will be to move Alan Eubank to quarterback.

Reception To Honor Exes And Boosters

All Farwell ex-students and boosters of the Steers are invited to a reception following the homecoming game with Seagraves on Friday night, Sept. 24.

The reception, which is to begin immediately following

the football game, will be at the home ec building. Light refreshments will be served. Sponsoring the event are members of the Farwell Booster Club who invite everyone to make plans to attend the game and the reception

Steers Of The Week

TODD CHRISTIAN

Offensive Steer of the Week named by the coaching staff is Todd Christian, junior tight end, for his performance in the Farwell-Anton game. He was named by the Farwell coaching staff for his blocking on Anton's "big kid" and his all around team play.

STEVE SCHILLING

Defensive Steer of the Week named by the coaching staff is Steve Schilling. He received the honor for his two outstanding hits and helping to contain the Anton sweep. He smeared the quarterback for a loss and hit Anton's fleet back for a loss.

[Photos by Steve Holcomb of Clovis and Bill Kent of Farwell]

Eubank Scores

Steer Alan Eubank, 12, is embraced by his teammates as he scores Farwell's first touchdown with 10:30 left in the half at the Steer-Bulldog game played last Friday night at Anton. Eubank scored the

other Steer TD with a pass interception and a 47-yard runback in the third quarter of play. Fumbles and a fourth quarter aerial attack netted a Steer loss to the Bulldogs, 26-13.

Rodeo Club Formed, Officers Elected

A local club of the Tri-State High School Rodeo Association was organized at a meeting held at Farwell City Hall last Thursday. Jim Burrows of Farwell is the club sponsor and all area students in grades 9-12 are eligible to join the newly-formed club.

Representatives from several area towns were present for the meeting.

Officers chosen for the new club, which will be called TNM (Texas-New Mexico), are president, Chet Burrows, Farwell; vice-president, Tobin Tate, Ranchvale; secretary-treasurer, Kristi Spies, Muleshoe; and reporter, Twila Donaldson, Farwell.

The local club is part of an organization of such clubs throughout the Texas Panhandle, Oklahoma, New Mexico, and Kansas which gives high school students who do not participate in school athletics a chance to participate in some sport.

To belong to a rodeo club a student must be passing three

subjects in school. Grades of the students are checked by sponsors and the general secretary of the High School Rodeo Association. If the grades are below passing for a particular week, the student may not participate in a rodeo that week.

"It's as tough to rodeo as it is to play football or any other sport," says Burrows.

All the rodeos, about 15, are held in the Tri-State area and are generally conducted over weekends. Each participant in a rodeo will be on a point system, collecting points for each event in which he places and adding to these points through the year. There will also be team events with teams consisting of up to four boys and three girls, and each team will collect their own separate points through the year.

At the end of the year, the 15 top qualifiers in each event will have the opportunity to attend the year-end finals held in Amarillo. During the finals,

each event is repeated three times with points given for each repetition. The student with the most points in each event will receive a saddle, buckle and pay-back money. Those who place below first will receive pay-back money in varying amounts, while the winning team will win a large trophy.

After the rodeo in Amarillo, the organization will hold a general meeting to elect new board members, as well as having a speaker from the Christian Athletes Association to speak at a formal banquet held for the participants. Burrows reports, "We spent four days there last year and I never enjoyed anything so much in my life. It was a real classy affair."

Students in grades 9-12 who are interested should contact Burrows or any member of the TNM club for more information. There is no fee to join, and rodeo participation is not a requirement.

Farwell Junior High Ties Kangaroos, 12-12

Farwell Junior High Yearlings tied the Kress Junior High Kangaroos 12-12 in a game played last Thursday night at Steer Stadium.

Carey Stancell scored both touchdowns for Farwell and gained lots of yardage throughout the contest, reports Lupe Valdez, coach of the Farwell squad.

Valdez said of the five foot, 10 inch, 220 pound Stancell: "He's so big they just can't bring him down." Stancell scored on runs of eight and five yards and also attempted to run for the points after touchdown but was halted both times.

Coach Valdez named Steve Lara and David Woods as out-

Next action for the Farwell 7th and 8th graders will be Thursday, Sept. 16, when they travel to Sudan to take on the Junior Hornets at 5 p.m.

"They have a big team with four players over 200 pounds, and we only have three that size," Coach Valdez said about the upcoming game. standing offensive players in the game, and Daniel Rubio and Steve Cole as outstanding in the defensive line.

"The Kress team really lost on penalties," Valdez said. "They had a touchdown, but it was nullified on a penalty. They were good, but we're still the better team," he said.

The Yearlings completed four passes during the game.

Upcoming Sport Events

Farwell Steers will host the Sudan Hornets tonight at 8 p.m. in Steer Stadium.

Texico Wolverines will travel to Eunice to play tonight at 7:30 p.m. MDT.

Lazbuddie Longhorns will travel to Sundown to meet the Roughnecks at 8 p.m.

Texico A, B, and junior high volleyball teams will meet Tatum at Tatum on September 21 with games beginning at 4:30 p.m. MDT.

Texico junior high football team will meet Portales in Portales on September 23 at 1:30 p.m. MDT.

FARWELL - PLEASANT HILL

Running Water Draw - -

Watershed Project Dedication Sept. 21

PLAINVIEW - After more than 20 years of planning and construction and at a construction cost of more than \$8.9 million, a six-county flood control project has been completed.

control system. Joseph W. Haas of Washington, D.C., Soil Conservation Service deputy chief for Natural Resource Projects, will be guest speaker for the formal dedication to begin at 2 p.m. Tuesday, Sept. 21, at Site 3, located northwest of Plainview near Edmonson. Signs along both U.S. Highway 70 and Texas Highway 194 will direct visitors to the site.

the National Association of Conservation Districts, will speak to leaders of the project's sponsoring organizations and guests at a noon luncheon, to be held at the Plainview Country Club. Due to limited seating, admittance to the luncheon is by invitation only. The afternoon program at Site 3 is open to the public.

The flood control project was initiated in 1960 after heavy rains caused flooding along the watershed, particularly in Plainview. Planning for the upper half of the project was completed in 1966 and the lower half in 1968 with the U.S. Soil Conservation Service completing work on the first of the seven dams in 1972.

Due to the length of the project, SCS divided it into two parts. The Running Water Draw Watershed Project includes three dams, the first on the main channel north of Clovis, the second on a tributary northwest of Bovina, and the third four miles northeast of Lazbuddie in Parmer County.

The Lower Running Water Draw Project includes four dams, Site 1 about eight miles west of Hart, Site 2 in northwest Hale County on the North Draw, Site 3 near Running Water School (south of Edmonson), and Site 4, four miles west of Plainview on Slaton Draw.

The total construction cost of the entire project is \$6,979,157, according to SCS. The largest dam on the upper portion of the system is at Clovis. Designed for both flood prevention and as a recreational facility, that dam, completed in 1975, cost \$822,513 and has a storage capacity of 12,500 acre-feet. The site near Bovina, completed in 1974, cost \$155,941 and will contain 2,729 acre-feet, while the site near Lazbuddie, finished in 1979, cost \$1,408,639 and will contain 9,316 acre-feet.

On the lower part of the system, Site 1 was completed in 1980 at a cost of \$1,546,151, and has a detention storage capacity of 3,345 acre-feet. Site 2 was completed in 1977 at a cost of \$280,166 with a storage capacity of 3,828 acre-feet. Site 3, finished in February, cost \$2,561,849 and has a storage capacity of 4,781 acre-feet. Site 4 was finished in 1976 and cost \$203,898 and has a storage capacity of 1,179 acre-feet.

By size, the largest dam is near Lazbuddie and consists of 411,260 cubic yards of material in the embankment, followed by the site near Running Water School which contains 343,893 cubic yards.

The dam at Clovis is the tallest at 65 feet, followed by the Lazbuddie dam at 56 feet. The shortest is the Bovina dam at 23 feet, followed by the Slaton Draw dam at 28 feet.

Rather than impound structures, the dams within the system are designed to slow rushing water by releasing it into the channel automatically in controlled amounts. Despite its name, Running Water Draw, a tributary of the Brazos River, is normally a dry creekbed except after heavy rainfall within the watershed.

HOME IN BOVINA - A quality three bedroom brick home in Bovina features a beautiful large den with office and sewing room. Centrally located for easy commuting to surrounding industries. Echols Realty, C. Ray Reed, 1-505-762-4781. 2-1tc

TWO MINUTES WITH THE BIBLE BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635 A FORGIVENESS THAT CANNOT BE REVOKED Centuries before Christ, the Psalmist said: "If Thou, Lord, shouldest mark iniquities... who shall stand? But there is forgiveness with Thee..." (Psa. 130:3,4). It is doubtful whether the Psalmist understood the basis upon which a just God, through the ages, has so graciously forgiven sins, but this has since been revealed in the Epistles of Paul. There we read: "God for Christ's sake hath forgiven you" (Eph. 4:32). But this is only part of the truth, for God forgives sinners, not merely because Christ desires this, but because Christ paid for their sins and purchased their redemption. Thus Ephesians 1:7 declares: "In [Christ] we have redemption, through His blood, the forgiveness of sins, according to the riches of His grace." And thus Paul could proclaim to his hearers in the synagogue at Pisidian Antioch: "Be it known unto you, therefore, men and brethren, that through this Man is preached unto you the forgiveness of sins: And by Him all that believe are justified from all things, from which ye could not be justified by the law of Moses" (Acts 13:38,39). Obviously such forgiveness can never be rescinded or revoked, for it is based upon the full and complete payment of our whole debt of sin by "the precious blood of Christ." Sad to say, many people do not feel they need forgiveness, for they have not seen themselves as they truly are in the sight of a holy God, but those who are conscious of their sins and are willing to say with the prodigal son: "I have sinned," may experience the peace and joy of sins forgiven by faith in Christ who paid sin's penalty for us. Here is forgiveness that can never be revoked because it is based on the "one offering [of Christ Calvary]" by which our Lord "hath perfected forever them that are sanctified [i.e., set apart as His own]" (Heb. 10:14).

Texico Baptist Church To Host Singer

Jack Price, gospel soloist, will appear in concert at First Baptist Church in Texico on Sunday, Sept. 19, at 6:30 p.m. MDT.

The ministry of Jack Price is world wide. His musical message has been presented to millions through television, radio, recordings, and personal appearances. Jack has thrilled an international audience with Rex Humbard on the "Cathedral of Tomorrow" program and has been a guest of Jerry Falwell on the "Old Time Gospel Hour" on several occasions, according to his press release.

"Music With Meaning" con-

certs take Jack Price from coast to coast each year. He has sung in Carnegie Hall, New York; People's Church, Toronto, Canada; Moody Memorial Church, Chicago; First Baptist Church, Van Nuys, Ca.; Bellevue Baptist Church, Memphis; Landmark Baptist Temple, Cincinnati. Jack presents more concerts yearly than any other soloist in America.

The music industry has honored Price with Grammy nominations for two of his albums. His choral compilations have sold over 500,000 copies.

"Experience the ministry of Jack Price," invites Rev. Joel

Horne, church pastor, "You'll be glad you did!" A nursery will be provided.

JACK PRICE

Preaching Mission Set At O.L. Methodist

A Preaching Mission is scheduled at Oklahoma Lane United Methodist Church from September 19 to 22. Rev. George (Gene) Richardson will conduct the preaching.

Rev. Richardson has served United Methodist churches in three states: Oklahoma, Texas, and New Mexico. In New Mexico, he was pastor at the San Jon church, was associate pastor at the First Church in Clovis, and has been pastor at Portales United Methodist Church since June of 1981.

He is a graduate of Oklahoma City University with a Bachelor of Sacred Music degree. He is also a graduate of Perkins School of Theology in Dallas. While at Perkins, he was a member of the Seminary Singers.

In addition to singing at many churches in the three-

state area, Rev. Richardson has led the singing at the New Mexico Annual Conference on several occasions, at the Layman's Retreat, Youth Camp and Family Camp.

Rev. Richardson and his wife Clara Jo have four daughters.

The Oklahoma Lane United Methodist Church pastor, Rev. R. Joel Ware, invites everyone "to come hear and share in the uplifting services."

Services will be at 7:30 p.m. Sunday through Wednesday, with morning services scheduled for 11 a.m. on Monday

and Wednesday. Tuesday morning, the services will be a 7 a.m. with the United Methodist Men serving breakfast to all who attend.

REV. GENE RICHARDSON

did you know?

Electricity is a product that must be manufactured. To help our customers understand the process of generating electricity, we offer tours of our power plants. Tour guides conduct business and civic organizations, clubs, school classes and other groups through these plants, discussing equipment and the production process according to the ages and interests of tour participants. Contact your SPS manager to arrange for your tour of a power plant.

Susan McKissack, Plant Clerk, Harrington Station.

SPS has a Speakers Bureau. Our specialists are available to present programs on such topics as using energy wisely or how electricity is made from coal. These programs, designed to inform our customers about electric energy and related subjects, are available at no charge for schools, clubs or other organizations. Many programs include special demonstrations, slide shows or films. Your local SPS manager can suggest a speaker for your next meeting.

Randy Eminger, Consumer Services Representative, Lubbock.

You and SPS are partners in energy management. SPS does its part by operating its power plants as efficiently as possible and by planning now for future demands for electricity. You do your part when you use electricity wisely. Remembering to switch off lights and appliances when not in use can help keep down your electric bills. Insulating your home or using energy-efficient appliances, like the heat pump, can help too. Working together to manage electricity benefits us all.

Ralph Sanchez, Engineering Estimator, Roswell.

For answers to your questions, call or write your SPS manager.

You and SPS, partners managing electricity,
make the difference.
