

Because of our deadline procedure at the Tribune we must write these words before the election returns are made known. You, on the other hand, will read them after the election is over. Therefore your hindsight will be better than our foresight. That being the case we will not have anything to say about politics this week, or maybe for several weeks. We wish we could say the same for television.

The Twin Cities are again the football capital of the Golden Spread. With two championship teams in the community, everybody has something to say and brag about. This is one thing that will be with us for several more weeks and we can all revel in the glory of our respective champs.

It's a good thing that our local teams have fared so well, the local Techsters, Aggies and Baptist fans have suffered a shattering of their pre-season dreams. Only the Methodists have any room to crow and there must not be too many of them hereabouts as we haven't heard from their supporters, even in the coffee shops.

The professional football strike has generated nothing but indifference as far as we can tell. Nobody we've talked to has had a good word for the striking players and darn little sympathy has been voiced for the owners. We feel that at this late date a resumption of the pro season would be a farce and a fraud on the public.

As far as we are concerned we say a pox on both houses and let the new spring league provide some competition to both the NFL owners and players.

Sunday afternoon we were busy around the house with fall chores and did not keep a close check on the time. Before we really knew it, sunset was upon us. Well, we have again cut off one end of the blanket and sewn it on the other. We have this semi-annual foolishness to contend with, but we don't like it.

However, if it makes you feel any better, we have already had the latest time for sunrise of the year. Last Saturday sunrise was 8:08 in this area. That is about 10 to 11 minutes later than it will get in December before the sun begins its trek back to the north.

Recently the CBS 60 Minutes program devoted a section to the Catholic Bishop and the Pantex Plant in Amarillo. We will respect our aforementioned pledge about no politics and not comment on that phase.

What we will say is that we, and most citizens of the Panhandle, felt like the TV bigwigs down played Amarillo as a thriving, growing metropolitan city. Most of those eastern fat-heads think that civilization ends just on the eastern slopes of the Appalachian mountains.

This is all right with us. We hope that those millions of nincompoops never find out about the glorious weather we enjoy on the Golden Spread. If you haven't enjoyed the last several weeks of fall on the High Plains, just light a shuck brother, you're not one of us.

## Christian Elected New Parmer SWCD Director

Troy Christian of Farwell was elected to the Parmer County Soil and Water Conservation District board of directors on October 5. Christian represents Zone 4 of the district.

Purpose of the Parmer County SWCD with headquarters in Friona, is to promote sound soil and water conservation programs on farm and ranch lands within the district, and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state, and federal agencies and other organizations, and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Christian will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil and conservation district law.

In other areas of leadership, Christian is active in the High Plains Underground Water District and the Texas Farm Bureau.

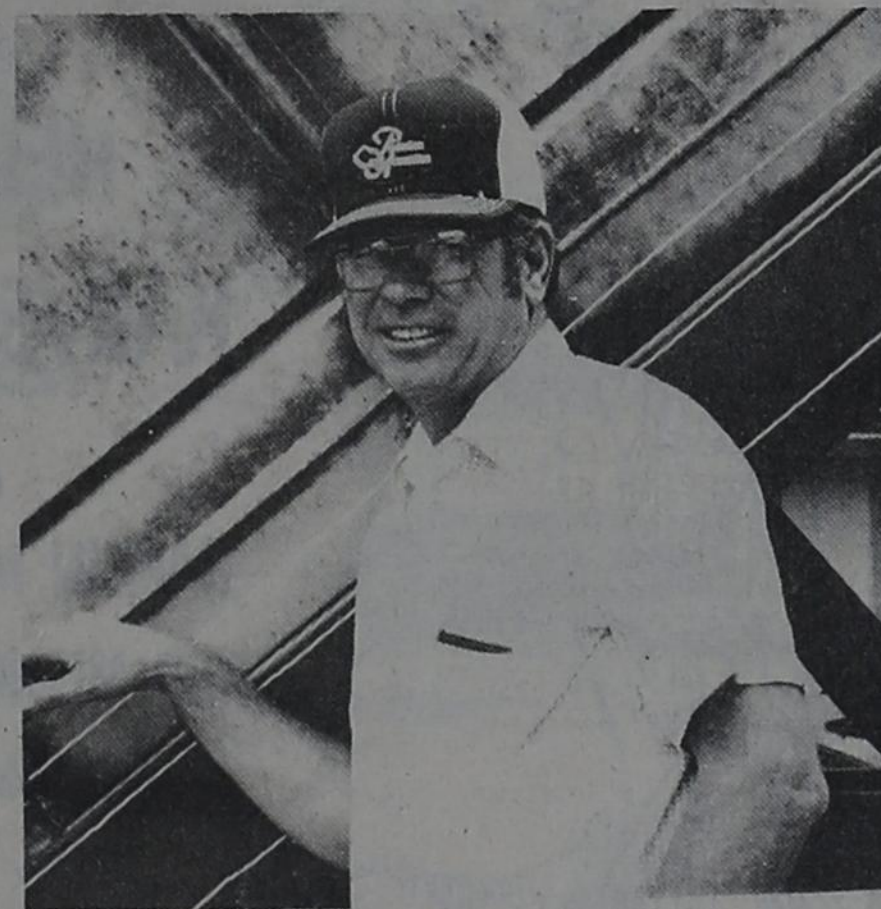

He has been recognized as the Conservation Farmer of the Year for Parmer County. Troy and his wife, Lillie, have three children, Vick who

is 21, Sharmy who is 19, and Todd who is 16.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas Soil and Water

Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain.

All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

### New SWCD Director

Elected to the board of directors of the Parmer County Soil and Water Conservation District recently is Troy Christian of Farwell. He will represent Zone 4 of the district. Christian

farms in the Oklahoma Lane Community and was previously recognized as Conservation Farmer of the Year for Parmer County.

## Wolverines Start March To State Championship

The undefeated Texico Wolverines take their 8-0 record into tonight's semi-final clash with the Capitan Tigers to open New Mexico Class A state playoff action.

The game will be played at Wolverine Stadium beginning at 7:30 p.m. MST.

The Green and White warriors of Coach David Lynn gained the berth in the semi-final game with a resounding 34-8 win over the Cloudcroft Bears Friday night, ending their regular season having been scored on only three times for an 18-point total.

This is the second consecutive undefeated season for the Mean Green Machine and their third district trophy in the past four years.

Last year's squad made it all the way to the state final

game where they were defeated by Reserve to finish as state runners-up.

En route to that game, the Wolverines also had to play Capitan, and in a thrilling finish, won the game 7-6 in the final 12 seconds of play to get the trip to the finals.

In Texico's district, teams play eight regularly-scheduled games, then immediately go into the state playoffs, starting with semi-final action for the district winners. This is not the case with some other districts and classes in the state who have to play more games before state competition.

Game time is 7:30 p.m. in Wolverine Stadium, and all fans and friends of the Green and White are urged to be there for the action.

# M. Owen Wins First In Weekly Guessing

Four persons picked 11 games correctly in last week's Merchants Football Contest, but Farwellite Mark Owen, student at West Texas State, was closest to the tiebreaker game score. Owen was 14 points off on the tiebreaker and received the first place weekly prize of \$7.50.

Roger Robertson, Farwell Steer football player, who also called 11 correct games but was 19 points off on the tiebreaker, won the second place weekly prize of \$5.00.

The other two contestants calling 11 games correctly but further off on the tiebreaker were Dee Owen and Pat Owen.

Roy King of Texico grabbed the lead in the overall contest with 82 total points after nine weeks of guessing. King picked 10 right games last week while the leader the week before, T.J. Kittrell, picked only eight, dropping him to second place. Tied with Kittrell for second place with 81 total points is Diane Dannheim who picked nine games right to hold onto her standing.

In third place in the overall contest with 80 total points are Don Geries and Teresa King. Geries, in fourth place the

week before, picked up one place by picking 10 games, while Mrs. King, who was tied with her husband in second place, picked only eight right games.

(See contest standings elsewhere in this week's issue.)

Texico High School Computer picked 10 correct games while programmer Ronnie Warmuth got only nine, which could show that Warmuth's programming is better than his guessing. On the other hand, Warmuth has 78 total points in the overall contest while the computer has only 77 total points. Whichever it proves, it makes for an interesting contest between the two, one trying to outwit the other.

Contest teams winning last week were Texico over Cloudcroft, Kress over Springlake-Earth, Olton over Bovina, Friona over Muleshoe, Nazareth over Lazbuddie, Seagraves over Morton, Carlsbad over Clovis, Drake over West Texas, SMU over Texas A&M, Texas over Tech, Penn State over Boston College, and LSU over Mississippi.

With only three weeks left in this year's contest, the leaders

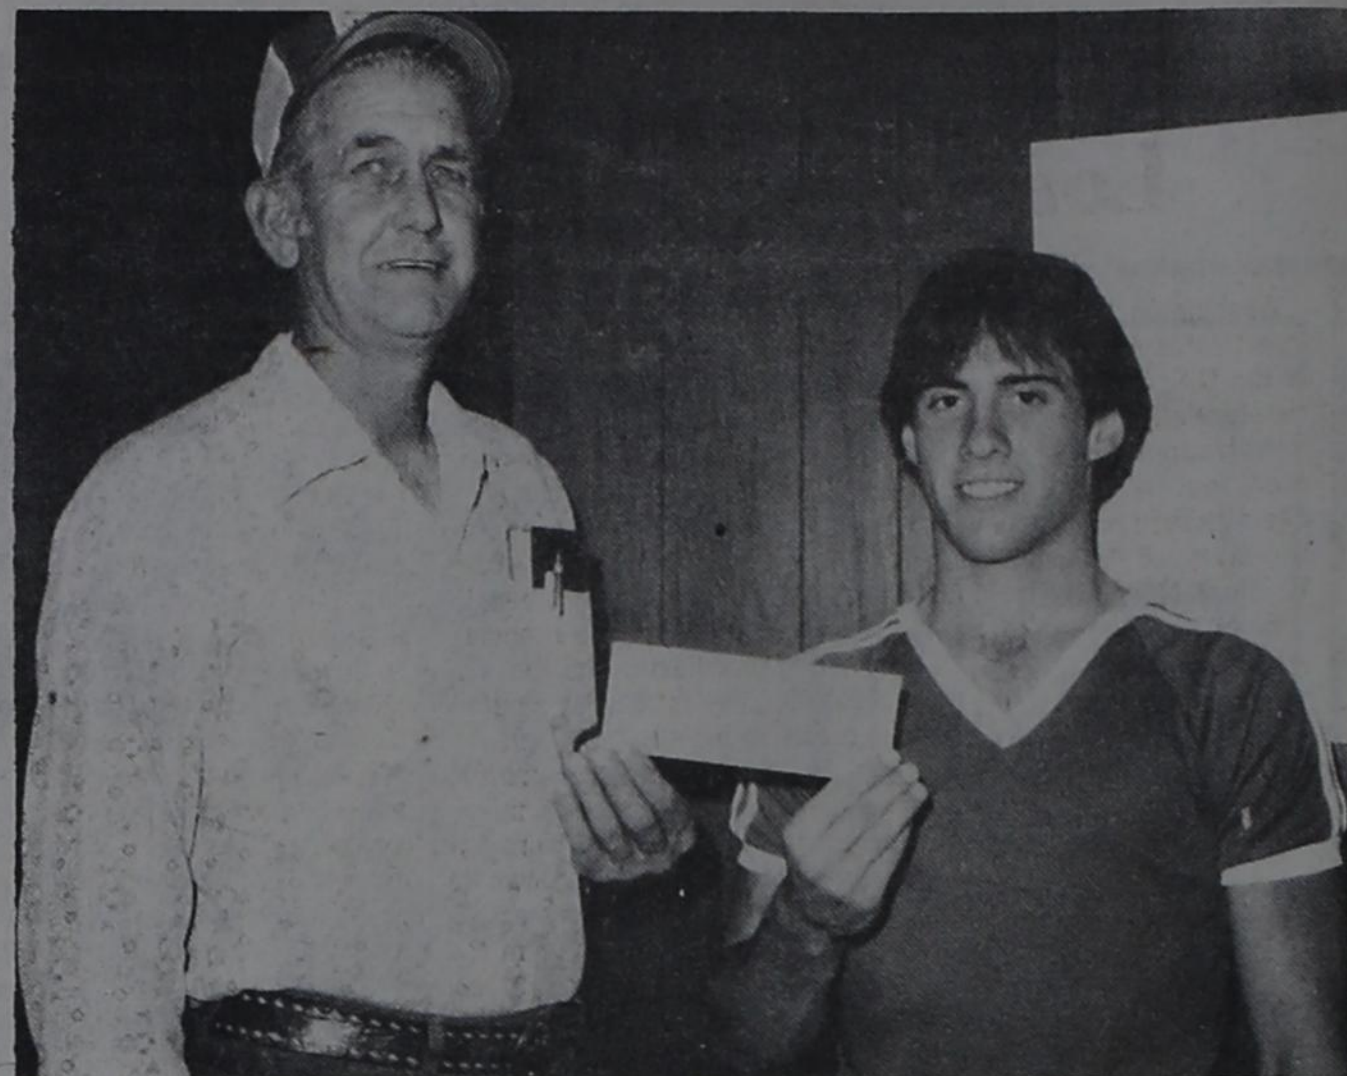

are wondering if the Dallas Cowboys will be playing football again by December 19 so that the eventual winner will get to use the Grand Prize packet: two tickets to see the Dallas Cowboys and the New Orleans Saints, plus one night's lodging at the Regent Hotel with transportation to and from Cowboy Stadium.

The Grand Prize packet is still reserved with the Tribune holding the receipt and confirmation, just waiting to see if the football players' strike is ended.

If the strike is not over in time for the scheduled game, Publisher John Getz says that the value of the Grand Prize packet will be paid to the winner in cash.

This will not be as exciting as seeing the Dallas Cowboys play, but this seems to be the only solution at this time. It is too late to get tickets to the Cotton Bowl or the Sun Bowl games, the contest prizes until last year - so it is just wait and see what happens.

In the meantime, it is not too late to enter the weekly contests and maybe win one of the weekly prizes.

## Second Place Winner

Roger Robertson of Farwell, right, receives his \$5.00 check as second place weekly winner in the Merchants Football Contest last week from Bill Kent of

C&T Fertilizer and Equipment, one of the contest sponsors. Mark Owen won the first place weekly check for \$7.50 but was unavailable for the picture.

They were among four contestants picking 11 correct games and were closest to the tiebreaker game score.

## Funeral Services Held For Garland Purselley

Funeral services for Garland Purselley, 78, were conducted at the Church of Christ in Lamesa on Sunday, Oct. 24. Interment was in a Lamesa cemetery.

Mr. Purselley died October 22 at the Methodist Hospital in Lubbock, following a short illness. He was born May 9, 1904, in Hood County, Texas. He moved to the Welch, Texas, community in 1936 from Pinion, N.M., where he had home-

stead.

Survivors include his wife, Sarah, of the home; one daughter, Glona Henderson of Lubbock; three sisters, Mrs. Alma Boss of Texico, Mrs. Charley Fay Massongil of Lake Isabella, Calif., and Mrs. Juanita Beutler of Lovington, N.M.; one brother, Orrell Purselley of Graham, Tex.; and two grandsons, Lon Henderson of Dallas and Arvin Wayne Henderson of Lubbock.

## County To Assist Bovina In Para-Medic Equip. Purchase

Appearing before the Parmer County commissioners during their regular bi-monthly meeting was Don Spring of Bovina in reference to the efforts that Bovina is putting forth in order to receive a Para-Medic rating for emergency ambulance work. The City of Bovina is trying to buy extra equipment which Spring will be able to utilize to fulfill the Para-Medic requirements. The Commissioners Court will assist the City of Bovina in this project by providing an additional \$300 per month starting January 1, 1983 to help with the purchase of needed equipment.

Other items of business coming before the Court included a report from the Board of Review for the Parmer County Tax Appraisal District in their decision to lower the value of one classification of land in the County. This decision will affect the county's income as the budget had been approved working from the tax rate that had previously been set for the 1983

budget. A decision was made to leave the tax rate as it now is and to cut back on some of the services to make the budget work.

County Extension Agent for Home Economics Laura Jacobs reported that she is starting the 4-H food projects with approximately 40 members participating. She also reports that a new Extension Homemakers Club is starting at Lazbuddie.

County Extension Agent for Agriculture Seth Ralston reported that he will be buying barrows for 4-H member projects. He also reported that three 4-H members went to the State Fair in Dallas. One of the members showed a Breed Champion, and eight out of nine animals taken to the fair made the sale.

County Tax Assessor-Collector Hugh Moseley reported a correction that needed to be made to the tax roll. The correction was implemented after the approval of the Court. The Court unanimously ap-

proved to pay \$500 for an autopsy ordered by a County Justice of the Peace.

Bills were read and approved for payment.

The following soil conservation work was approved and the work is to be performed as soon as the machines are in that area and not demanded for use on the roads: Pct. No. 1 - Champion Spraying Service; Pct. No. 2 - Buck Ellison, Randy Kirkpatrick, Sherley-Anderson Elevator, Jack Patterson; Pct. No. 3 - Donald Dale, Henry Haseloff, Kenneth Johnson, and Richard Haseloff.

## Interest Rates For USDA Farmers Loan Programs Drop Again

Washington, October 19—Interest rates for loan programs of the U.S. Department of Agriculture's Farmers Home Administration, which were lowered last month, will drop again effective November 1, Secretary of Agriculture John R. Block announced today.

Block said the additional reductions, which are as much as two percentage points for some loans, are possible because of the general move toward lower interest rates across all sectors of the economy.

"Lower interest rates for Farmers Home Loan Programs will be of great benefit to the entire rural economy and particularly for the nation's farmers who depend on credit so heavily," he said.

In the Farmer Programs, the interest rates for farm operating loans will go from the present 13.25 percent down to 11.5 percent. Farm ownership loans will be reduced from the present 13 percent to 11.5 percent. Interest rates for limited

resource farm operating loans will be lowered from 10.25 percent to 8 percent and limited resource farm ownership loans drop from 6.5 percent to 5.75 percent.

Some loans to help farmers recover from natural disasters will have a lower interest rate. The rates for production loans to farmers who need financing above the actual loss but who cannot get credit elsewhere will be lowered from 15.5 percent to 14 percent. The rate for actual loss loans remains at 8 percent. The rates for economic emergency loans will also be reduced. Economic emergency production loan rates will be reduced from 13.25 percent to

11.5 percent and economic emergency real estate loans go from 13 percent down to 11.5 percent.

Interest rates for single family housing loans will drop from 13.125 to 11.5 percent except for those who can afford the rates charged by the Department of Housing and Urban Development. Their rates will drop a full point from 13.5 to 12.5.

Loans for multi-family housing will be reduced from 13.125 to 11.5 percent.

## Ministerial Alliance Organized

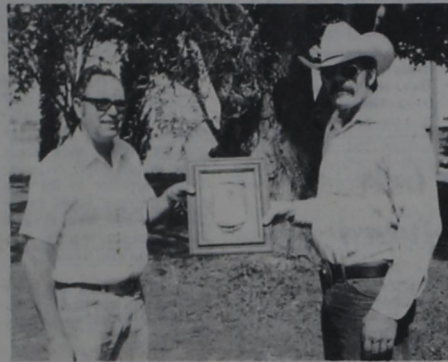

Area ministers met Wednesday morning, Oct. 27, at Luce's restaurant and formed a Twin Cities Area Ministerial Alliance. The 7 a.m. breakfast meeting was for the purpose of organizing the group for all area ministers to share a time of fellowship and to discuss community needs.

"We hope to work toward a fellowship in the ministry within the area and coordinate our efforts to serve," says Pat Riley, pastor of First Baptist Church of Farwell. "We encourage and urge all ministers in the Texico-Farwell area to come and share in this time of fellowship."

The group set the second Tuesday of each month at 7 a.m. CDT at Luce's restaurant as its meeting date.

Present at the initial meeting were Don Holladay of Hamlin Memorial United Methodist Church, Pat Riley of First Baptist Church of Farwell, Ralph Gates of Farwell Church of Christ, and Joel Ware of Oklahoma Lane United Methodist Church.

## Farwell Students Busy With 1982 Math-A-Thon

One hundred and forty-five elementary and junior high students at Farwell are participating in this year's Math-A-Thon for the St. Jude's Children's Research Hospital.

Farwell math teacher Karolene Inman is sponsoring the event which has attracted more junior high students this year than last.

The main goals of the Math-A-Thon, according to the sponsor, are to provide a quality educational experience for the students, and to generate funds to support the scientists and researchers as they seek new ways to eliminate cancer and other diseases that destroy

children's lives.

Last year the Farwell Math-A-Thon raised \$1756, and Mrs. Inman said, "It would really be nice if we could go over the \$3,000 mark this year."

The Math-A-Thon works this way: Each participating student will work a "Funbook" which has been especially designed for his grade level containing 200 math problems.

Each student will ask sponsors to pledge a certain amount of money, one cent, two cents, a nickel, etc., per problem he has worked correctly. Sponsors will then give the money to the students

when the booklet has been completed. The booklets are provided by the Research Center, Mrs. Inman said.

Money will be brought to school and it will all be sent in at the same time, Mrs. Inman said, adding that St. Jude had requested that the participants work it this way so that better records can be kept.

Prizes this year for students completing the most problems and collecting the most money include \$25 donors, t-shirts; \$100 donors, barrel tote bags. Every participant will receive a Math Magician Honor award, and all prizes are awarded by St. Jude's.

If the school should send in \$3,000-\$4,999, the school would receive 15 calculators to be used in the classroom. If the school raised over \$5,000, the school would receive a computer.

Checks should be made payable to St. Jude's Children's Research Hospital. These donations are tax-deductible.

### Math-A-Thon Magic

Among the 145 elementary and junior high students at Farwell Schools who are participating in this year's Math-A-Thon for St. Jude's Children's Hospital are, from left, front row, Leslie Chavers, second grade; Amy Joe Murray, fourth grade; Tuck Traynor, third grade;

and Chris Garcia, first grade; back row, Kyle Stancell, fifth grade; Jeff Actkinson, sixth grade; David Woods, eighth grade; Dana White, eighth grade; and Scott Bailey, seventh grade. The students will be seeking pledges from

sponsors for the number of problems they can work in a 200-problem book, and all monies will be sent to St. Jude's. Karolene Inman, math teacher, sponsors the Math-A-Thon, and last year the local group raised \$1756 for the fund.

## St. Ann's Annual Turkey Dinner Set Sunday

The Altar Society of St. Ann's Catholic Church of Bovina is sponsoring its annual "Turkey and Trimmings Dinner" on Sunday, Nov. 7, from 11:30 a.m. until 2:00 p.m.

The menu will be turkey and dressing, mashed potatoes and gravy, home-canned green beans, homemade coleslaw, cranberry sauce, homemade bread, coconut and pumpkin

cakes, and coffee and tea. Donation will be \$4.00 per adult plate and \$2.50 for children under ten. Take out plates will be available. The adult plate will be \$4.25 with children under ten \$2.75.

Door prizes will be awarded. A "rail fence" quilt will be given away at the dinner.

Serving will be at St. Ann's Parish Hall on Third Street in Bovina.

## 'Spooks And Goblins' Parade At Carnival

Farwell Student Council's Halloween Carnival was a festive occasion for the many students, parents and friends that gathered in the old gymnasium to take part in the games and many concessions Saturday night.

Attendants voted for their favorite costumed spook and/or goblin at the Student Council sponsored booth. The costume winners were Randy Long in the adult division; Tyson Carpenter in the high school division; Robbi Fly in the junior high division; and, Pepe Cesneros was the elementary division winner.

Another winner, although not necessarily lucky, was Tim Hughes. Tim won the dubious honor of kissing the pig at the senior's kiss-a-pig voting booth.

In summation, even though the crowd turn-out was lighter than at the previous carnival, the Student Council feels that the carnival was still successful and that a fun time was had by all.

### Coloring Contest Winner

Ginny Mitzelfelt, six-year-old daughter of Robert and Mary Lee Metzfeldt, won first place in the Halloween coloring contest sponsored by a Clovis

grocery. Ginny is a first grade student in Judy Howard's class at Farwell Elementary School. The first prize winner was awarded \$5.00.

## Edward J.D. Porter Gets NMMI Outstanding Award

Retired Army Col. Edward (JeDon) Porter, formerly of Farwell, was given the George Ward Memorial Award as the outstanding New Mexico Military Institute Alumnus of the year at a luncheon last Friday in Roswell.

Col. Porter resided with his parents, Mr. and Mrs. John Porter in Farwell from 1930 until 1944. Mr. and Mrs. Porter now live in Truth or Consequences, N.M.

Some 200 NMMI alumni attended the awards luncheon at which Porter was recognized. Porter's name was not announced as the winner until the moment the award was given, and his comment was, "I am deeply humble to join such a group of distinguished alumni - many I see here today. They have done so much for the Institute."

Col. Porter was the school's director of alumni affairs until August, having retired after holding the position since 1976.

He graduated from NMMI's high school in 1946, spent two years in the Marine Corps and returned to the school, graduating in 1950. He entered active duty with the 82nd Airborne Division in March 1951, serving subsequently as a company grade officer in Korea with the 40th Reconnaissance Co., and 187th Airborne Regimental Combat Team.

He later served in a variety of troop assignments, including command of a long-range reconnaissance patrol company and a combat aviation battalion. His staff assignments included battalion and

division general staff duties and three years as a staff officer in the Pentagon.

Porter served three years in Vietnam as an Army aviator and as the senior advisor to a province chief. He holds a master of science degree from Shippensburg State College, and is a graduate of the Army War College, the Command and General Staff College, the Department of State Foreign Service Institute, and the Armor Advanced Course.

As well as being a senior Army aviator, Porter was a Master parachutist and Ranger qualified. He retired from active duty in 1976 after 28 years service. He holds three associate of arts degrees from NMMI, and is working on a masters degree in business administration at Eastern New Mexico University.

The distinguished alumni award was created this year to

recognize "living alumni who have distinguished themselves in their profession or through outstanding service to mankind," said Steve Spencer, president of the NMMI Alumni Association.

## J. S. Williams Family Gathers For Reunion

The annual reunion of the children of the late Mr. and Mrs. J.S. Williams began on Friday, Oct. 22, with all nine of the remaining children in attendance.

On Saturday, the group gathered at the Texico Community Center, and on Sunday morning, the family members attended church services at Farwell Church of Christ. Sunday evening, the group attended church services at West 21st Church of Christ in Clovis.

"What a wonderful time we did have," says Mae Stone of Texico, "visiting and reminiscing the good times and the hard times. We were raised in a Christian home and were taught to work whether it was in the field picking cotton,

hoeing cotton, hand heading maize, or milking the cows. We all helped.

"Our parents maybe had some worries about having enough to feed eleven of us children, but they didn't show it," related Mrs. Stone.

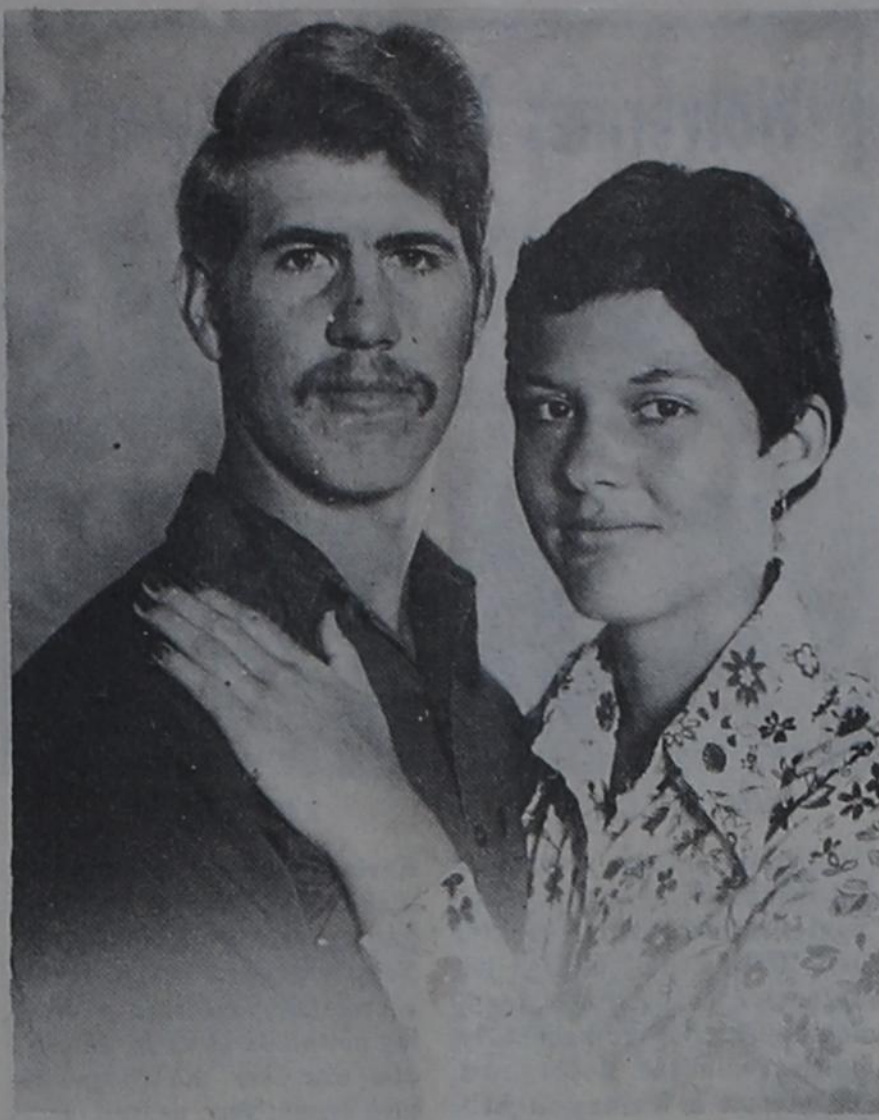

"They didn't believe too much in spanking. Yes, we had discipline, but when we had a spat we had to hug and kiss each other. We would much rather have had the spanking. There was a lot of living and loving at our house," concludes Mrs. Stone.

Those attending were Mrs. Cora Lunsford and Mrs. Martha Boyd of Farwell; Mr. and Mrs. Bobby Gable of Muleshoe; Mr. and Mrs. Charles Boyd, Austin; America Crook, Nannie Simpson, Mr. and Mrs.

"Reflections of His Love," a new film highlighting the life and ministry of Joni Eareckson, will be shown on Wednesday, Nov. 10, at the First Baptist Church, Texico. The color feature, produced by World Wide Pictures, the film ministry of the Billy Graham Association, will be shown once beginning at 6:30 p.m. MST.

Miss Eareckson is the star of a recent theatrical motion picture, "Joni," which relates the story of her diving accident as a young girl, which left her paralyzed from the neck down. It chronicles her struggles to piece together her life and her faith in God, in spite of the devastating circumstances.

In "Reflections of His Love," Miss Eareckson, who is also the author of two best-selling books, "Joni" and "A Step Further," tells of the great transformations that have taken place in her life because of her willingness to accept all of the things that have happened to her.

A remarkable talented young woman, Miss Eareckson is an artist of great merit, as well as an author, actress, and singer. She has learned to draw and paint with a brush held in her mouth. Her works have been displayed in major exhibitions, as well as on a number of network television programs.

More recently, her illustrations and paintings have become the basis for a major line of greeting cards, plaques, and framed prints.

According to the Rev. Joel Horne, church pastor, Reflections of His Love introduces the viewer to "the real Joni Eareckson. We meet her parents, her sisters, and her friends. We gain insight into the thoughts of the actors who played major roles in the movie, Joni, and we learn of her new personal ministry, Joni and Friends."

Pastor Horne added that "the determination and the depth of trust and faith that this young lady has developed can serve as an inspiration to us all. Although she is a quadriplegic, and does not have the use of her legs or arms, we actually witness her drive a van in this film. It's much more than a great physical and technical feat—it's a credit to her inner spirit."

# Wolverines Win District, Face Capitan Tonight

by Robert Meier

In their final bid for the district title at Cloudcroft Friday night, Texico got rolling on their first drive of the ball game when quarterback Brad Steward lobbed the ball to Kevin West for a 10-yard TD to cap off an 80-yard drive made in 10 plays. The PAT failed due to a bad snap from center.

Cloudcroft Bears took the kickoff at their 20-yard line with 6:32 in the first quarter, and Cloudcroft's Gary Cox returned the ball 75 yards on a fake reverse play for a TD with 6:20 remaining in the first quarter. The PAT pass from the Bears' Heath Gould to Tim Brinkley gave the Bears an 8-6 lead over the Wolverines. It was the first time this year that any team had held a lead over the Wolverines, and only the second touchdown that has been scored against the "mean Green Machine" this season.

Texico received the Bears' kick at their own 38-yard line and drove the pigskin to the Bears' 26-yard line before the Bears recovered a Wolverine fumble at Cloudcroft's 21-yard line. The Bears could not capitalize on their break and were forced to punt four plays later to the Wolverine 24-yard line where Texico took over. On the second play of this new drive, Steward scrambled 64 yards to the Bears' 12-yard line. Earl Bibbs scored from four yards out with 11:55 in the second quarter. The PAT failed, but the Wolverines were once again in command with a 12-8 lead.

Cloudcroft took the ball at their 38-yard line but could do nothing with it and six plays later Texico's Kevin West intercepted a Bear pass to give the Wolverines the ball just eight yards away from paydirt. The Wolverines capitalized on

the intercepted pass four plays later when fullback Lynn Tubbs ran the ball 12 yards for the TD. Earl Bibbs carried the ball in for the two point conversion, and the Wolverines had earned a 20-8 lead with 7:38 left in the first half of play. Cloudcroft took the Wolverine kickoff and drove from their 49-yard line to the Wolverine nine yard line before they ran out of downs. Texico took the ball with less than a minute in the first half of play and quarterback Steward sent a rifle pass to West who caught it for a 53-yard play, advancing Texico to the Bears 48-yard line, but time ran out before the Wolverines could get another play off. The two teams went into the locker rooms at halftime with the Wolverines holding a 20-8 lead.

The Wolverines came out of the locker room and took the kickoff but were unable to make progress and Cloudcroft took the ball on their own 27-yard line. On fourth down and 14 yards to go, a Wolverine lineman sacked the Cloudcroft quarterback at the 13-yard line for a 10-yard loss, and the Wolverines had the ball in great field position. Texico's Lynn Tubbs scored on the third play of the drive from three yards out making his second touchdown of the night. The PAT by Brad Steward was good making the score 28-8.

This was the score going into the fourth quarter as neither team could scrape up anything else in the third stanza. Later during the fourth quarter, Texico slammed the door shut against the Bears after Earl Bibbs scored the final TD of the game carrying the ball in from one yard out. The PAT by Lloyd Williams failed, making the final score 34-8 in favor of Texico.

Leading the rushers was

Earl Bibbs who managed 100 yards on 19 carries while quarterback Steward ran nine times for 66 yards. Billy Bibbs aided the cause with 49 yards on eight rushes while Lynn Tubbs took 51 yards on eight trips. Stanley Cross and Charlie Bibbs, who were called up from the junior high team, each carried the ball once for four yards. Earl Bibbs and Lynn Tubbs rushed for two touchdowns each and the "Earl of Texico" ran in one PAT.

In the passing category, Steward threw 10 times for 85 yards on four completions as well as a TD and a two-point PAT pass.

Kevin West caught all of the passes for the 85 yard total, a two-point pass, and a TD pass.

In commenting about the game Coach David Lynn said, "The team played well at times but the mental mistakes cause me some concerns."

The coach said that the team and all of the coaches appreciate the support that the fans have demonstrated during the year. A good game is expected Friday night when the Wolverines meet the Capitan Tigers at 7:30 p.m. MST at the Wolverine football field.

## Texico Lady Spikers Wind Up '82 Season

Texico's Lady Spikers have just completed a somewhat disappointing season, not making it to the state volleyball playoffs for the first time in a few seasons.

The following is a wrap-up of the season by the girls volleyball coach Mike Littlejohn.

A year ago what looked like a very promising returning team, three starters and some good quality young players, didn't materialize. Graduation took three starters, an injury took another, and a returning starter moved, leaving the volleyball team with just one returning starter and a lot of inexperienced potential.

At this point, the season looked as if it could be a long year for the defending state runnerup team. But, to Coach Littlejohn's surprise the season was far from a long and dreary year as nothing is dreary when you have five freshmen joining a team of five sophomores and three juniors.

After a week of two-a-day practices, the girls settled down for an encouraging scrimmage with the Clovis varsity and junior varsity and opened the season officially with a big district win over Dora. Wins over Logan and Muleshoe were followed by a loss to Tatum.

The Lady Spikers traveled to Roswell where they were defeated by the AAA power of Artesia, and El Paso Ysleta, a 5A team, in the Roswell tournament.

Next came a win against the Roswell High School junior varsity team, which according to Coach Littlejohn, was probably the best match the Lady Wolverines played all year. The next week saw Texico defeat Muleshoe and Elida while losing to Dora.

After two disappointing losses to district foe Floyd, the Wolverines played host to last year's state champions, the Melrose Lady Buffs. This game saw Texico play one of the best defensive matches ever played by a Littlejohn-coached team.

"Melrose had us totally out-classed in returning five starters from the previous season," said Coach Littlejohn. Texico kept Melrose from finding the floor with their hits, "but you

are unable to score points without serving first and the Lady Spikers had a tough night serving and lost in straight sets. A team is never happy about losing, but we were pleased with our defensive efforts as Melrose left knowing they had played against a tough defense," Littlejohn said.

Next came losses to Elida, Tatum, and Melrose and the Wolverines entered the District Tournament with a 6-10 record. In the first match Texico defeated Elida for the right to play Tatum in the semi-finals. After two tough losses to Tatum the volleyballers wound up with a 7-11 season record.

In commenting about the

season, Coach Littlejohn felt the team had a good season and is proud of these young ladies, "We learned a lot this year and that will aid us next year and we gained a lot of experience." Coach Littlejohn went on to say that hopefully the Lady Spikers will be able to put the passing, setting, and serving together every night out as everyone is now familiar with the system. The girls did a good job this year and can't wait for next year. Naturally they were disappointed, but not discouraged. The team remembers its motto, "Ya Gotta Believe," and will be back, fighting their way to the top again.

The American Agriculture Movement of Texas, District I, is having a meeting in Amarillo on November 6, at Suthpen's Bar-B-Q. The meal will begin at 7 p.m., with the business meeting to follow.

There will be the election of a District Delegate and alternates for the following year, and several other items of business will be discussed at this meeting.

As partners of Southwestern Public Service Company, you, our customers, are invited to an open house at the new coal-fired power plant near Muleshoe, Texas. We hope you'll tour the plant, Tolk Station, November 20 or 21. Tolk is located about 10 miles east of Muleshoe, just south of highway 70. The open house will begin at 10 a.m. and continue until 4 p.m. on Saturday, November 20; then continue from 1 p.m. until 4 p.m. on Sunday the 21st. As our partners, you have helped SPS make energy decisions which built Tolk Station. Come see it.

Ben Green, Tolk Station Manager, Muleshoe.

It won't be hard to find Tolk Station. It can be seen across the plains from miles and miles away. The stack is 400 feet tall, and the structure which houses the boiler for the turbine generator is as high as a 20-story building. The great size is required for equipment large enough to supply the growing demand in our area for electrical power. Tolk can produce enough electricity for 225,000 people.

Dave Cavitt, Manager, Muleshoe.

We are proud Tolk Station's Unit No. 1 was completed for less than one-half of the national average cost for coal-fired plants. The 561,000-kilowatt unit began testing in June and began commercial service in August. Unit No. 2, which will be identical to Unit No. 1 at Tolk, is now being built and is scheduled for completion in 1985. Our own generation-plant design engineers help us tremendously in keeping down the cost of the plants. And that helps us keep down the rates you pay for electricity.

# Farwell Steers Hartless With Hapless Longhorns

The hard-charging Farwell Steers wasted no time last Friday night at Steer Stadium as they drove past the Hart Longhorns by a 40-0 count. In the first five minutes and 38 seconds of the game, the speedy Steers scored two touchdowns and had virtually sealed the fate of the visitors.

The Blue and White opened the game by kicking to the visiting Longhorns who returned the ball to the Farwell 40-yard stripe. The Farwell defense held the Longhorns to only five yards in their first series of downs, and Hart punted the ball out of bounds on the Steers' 22-yard stripe.

With Quarterback Alan Eubank at the helm, the Steer offense, sparked by the running of Santiago Lucio and Paul Fulcher, got down to the business of the evening. Eubank capped the drive with a 33-yard keeper into the Hart end zone. Raymond Sierra kicked the PAT, and with 7:11 showing on the scoreboard clock, the Steers led 7-0.

Again Farwell kicked the ball and the Longhorns ran it out to their 38-yard line where they set up shop with a first and ten. On their first play they fumbled, and Jesse Anzaldua recovered for the Steers.

On Farwell's first play, Paul Fulcher rambled the 38 yards to the goal line. However, Fulcher's effort was nullified and the Steers were assessed a

15-yard penalty for clipping. Quarterback Eubank threw for an incomplete pass on the next play, and then Santiago Lucio broke loose and scampered the distance for a Farwell touchdown. Again Sierra added the PAT, and with 6:11 left in the first quarter, Farwell owned a 14-0 score and demonstrated the mastery of Hart that they would exhibit the rest of the evening.

The Steers' other two drives in the first quarter were unproductive as they fumbled the ball with Hart making both recoveries.

The second quarter opened with Hart punting the ball to Eubank who dashed off a 32-yard return to the mid-field marker. The Longhorns were also hit with a 15-yard clipping call and Farwell had the ball on Hart's 35-yard marker. The Steer backfield took six plays to put the ball on the 2-yard line where Fulcher pushed over for the score. This time Sierra's kick was wide, and with 8:54 left in the second stanza, Farwell led 20-0.

Farwell again kicked off to the Longhorns who were only able to make it out to their own 22-yard line. The Hart offense ran off three plays for a first down before being tagged with 10 yards for holding. On the next play, Hart again fumbled and again an alert Anzaldua recovered the ball for the Blue and White.

Quarterback Eubank lofted

an incomplete pass intended for Roger Robertson, and then kept the ball and rushed for 23 yards for the TD. Again Sierra was unable to find the uprights with his PAT try, and Farwell led by a 26-0 count.

Farwell had one other touchdown run of 43-yards by Lucio called back because of a clipping infraction before the half time.

Hart opened the second half with an attempted inside kick but the alert Steers dropped on the ball and began play from their own 35-yard line. Farwell racked up three first downs before fumbling the ball away to Hart. The Longhorns were unable to advance the ball and punted it away to the Steer 10-yard stripe. Again Farwell rang up three first downs before punting the ball back to Hart on their own 7-yard line.

Hart ran two plays for no gain as Robby Armstrong stopped the play both times. Hart then tossed a long pass which Jimmie Bernal intercepted and ran back to the Hart 4-yard line. Fulcher stepped across from that point and with Sierra's good kick, Farwell was coasting with a 33-0 score.

Farwell kicked the ball to the Longhorns where they opened play on their 41-yard stripe. On their first play they fumbled the ball again, and this time Steve Schilling recovered for the hot Steers. The third quarter ended with Farwell camped on Hart's 43-yard line and driving.

At the start of the fourth quarter, Eubank and Fulcher an off two runs and two first downs to bring the ball down to Hart's 6-yard marker where Lucio rang up what proved to be the last TD of the evening. Sierra came on and kicked the PAT point and Farwell had its 40-0 score for the evening.

After the Steers kicked off, the Longhorns made three first downs but that was all. On the next series of downs, Todd Christian smeared a Hart runner for a big loss, and on a third down pass, Lucio intercepted and Farwell ran out the clock.

"We played pretty well, but we made some mistakes which need to be corrected," said Coach Bruce Dollar in commenting on the game.

"We're real proud of our kids. This is the first time since 1969 that Farwell has been in the running for the district championship," says the coach.

The Steers will meet the Springlake-Earth Wolverines tonight (Friday) at Springlake, with game time at 7:30 p.m. Springlake-Earth is 2-2 in district, while the Steers are 4-0.

"It could be a tough game, you just never know for sure," added Coach Dollar.

## Nazareth Too Swift, Shut Out Horns 20-0

Lazbuddie Longhorns hosted the Nazareth Swifts last Friday in Longhorn Stadium in a game that showed much of the home team's ability, but nevertheless ending in a score of 20-0 with Nazareth taking home the victory.

"We played pretty good behind the 30 yard line, but we couldn't score," said Lazbuddie Coach Terry Campbell. "The score didn't indicate how the kids played. We played the whole game between the 30 yard lines, we just couldn't get past that."

The Longhorns held their ground during the first quarter, but Nazareth made their first touchdown in the second quarter on a 40-yard pass. Following the initial touchdown and extra point, the visitors went on to score again in the second quarter, showing a score of 14-0 at the half, Nazareth.

"They scored again in the third quarter, but we held them after that," said Coach Campbell.

Following the game Coach Campbell named several outstanding players in the game. Daniel Schacher was named offensive player of the week. He played fullback in the game gaining 70 yards in 16 carries

and had 50 yards on two pass receptions.

Defensive player of the week is Jimmy Garcia who made 20 tackles during the game. He was also named outstanding on the offense for making 64 yards on 14 carries.

Also named as outstanding in the game were Ralph Gonzales for making 59 yards on three receptions, and Casey McBroom, quarterback, for completing five out of 15 passes for 109 yards.

Hit of the week award went to Evaristo Sanchez.

The Longhorns will travel to Sudan tonight (Friday) for their last game of the season. The game starts at 7:30 p.m. "I expect a tough ballgame," said Coach Campbell about the game in Sudan. The Sudan team beat Silverton 28-22 last week, while the Longhorns took Silverton 28-21 the week before.

### The Ref Says Good

Steer Paul Fulcher scores from the 2-yard line and hands the Steers a 20-0 lead with 8:54 to play in the second quarter of last Friday's game with Hart.

Farwell went on to hand the Hart Longhorns a 40-0 district loss, and remain unbeaten in district play.

### End Of Line

Santiago Lucio, fleet Farwell back, leaves a string of would-be Hart tacklers in his wake as he completes a 21-yard jaunt in

the third quarter of last week's conference win over the visiting Longhorns. The Steers shut out the Longhorns, 40-0.

## Wolverines Growl Through District, Racking Up Impressive Statistics

The Texico Wolverines clinched the District 2-A title for the second consecutive year when they defeated the Cloudcroft Bears 34-8 in Cloudcroft Friday night. The win gave the Green and White their second consecutive undefeated season and their third district title in the past four years.

The Wolverines have amassed a most impressive set of stats in growing their way to an 8-0 record. Of course, the only stat that ever really counts is the final score, and the Wolverines haven't done badly in that category either, having been scored on only three times for a total of 18 points.

In racking up 249 total points the Green and White clan has gained a total of 2464 yards while holding their opponents to less than a fourth of that at 665.

Of the 2464 yards, the running game has accounted for 1832 yards on 353 carries with Earl Bibbs leading the pack with 810 yards on 139 carries to his credit. Bibbs is the top Texico scorer with 11 TD's and three conversions and a PAT kick for a total of 73 points. The passing game netted 62

yards on 33 completions. Kevin West leads the receivers with 334 yards on 17 catches for four TD's as well as a PAT pass.

West also runs second in the scoring department, picking up a total of seven TD's and one conversion for a 44 point total, followed by Lynn Tubbs with five TD's and one conversion making a 32 point total.

Other scoring has been as follows: Billy Bibbs, five TD's for 30 points; Brad Steward, three TD's and 10 extra point kicks for 28 points; Terry Tubbs, two TD's for 12 points; Lloyd Williams, 12 of 13 extra point kicks for 12 points; and Bob Johnson, Ronnie Galvan, and Danny Powell with one TD each for six points apiece.

Brad Steward is the second leading ground gainer with 372 yards on 58 trips; with Lynn Tubbs coming on next with 273 yards on 54 carries.

Other yardage picked up includes: Billy Bibbs, 44 for 225 yards; Kevin Akers, 23 for 44; Joe Steward, six for 37; Ronnie Galvan, 11 for 34; Tommy Boarman, three for 21; and Danny Powell, 11 for 10 yards.

Following West in the receiving department is Billy Bibbs with three catches for 98

yards; Bob Johnson with three for 64; Terry Tubbs, three for 62; Joe Steward, two for 49; Earl Bibbs, two for 18; and Lynn Tubbs, three for seven.

The defensive "Mean Green Machine" has held their opponents to a total yard gain of 665 yards, allowing 393 yards on the ground and 272 in the passing department. The opponents have been able to make only 45 first downs, scoring 18 points with an average of 2.3 points per game.

With these kinds of figures and the determination of the young squad, Coach David Lynn and his crew offer a thrill to the football fans as they take on the Capitan Tigers in Wolverine Stadium, Friday (tonight) at 7:30 p.m. MST. Admission charge, established by the New Mexico Athletic Association, is \$3 for adults and \$2 for students.

### Winning Gymnasts

The Gymnastics Elite club participated in a dual meet with Marshall Junior High in Clovis recently with the local girls taking first place in the meet while the boys placed second. Pictured with their various ribbons and trophies,

Joe Norris, and Greg Actkinson. In the center is Nicole Charlson. Also participating but not pictured were Jeff Actkinson, Andy Hughes, Riley Malone, and SuAnn Malone.

## Gymnasts Take Wins At Clovis Dual Meet

Farwell's Gymnastics Elite members were in Clovis recently to participate in a dual flag meet with Marshall Junior High gymnasts with the local girls taking the first place trophy while the Farwell boys came in second.

Led by Misty Stewart and Misti Stanton, the local female gymnasts earned points for the first place win, with the boys taking second.

Team coach Clay Burch said, "I was totally surprised by the girls' victory. The girls from our team are first, second and third graders, and they beat one of the toughest junior high teams in New Mexico. I expected a rerun of last year when they beat us by 20 points."

Other girl gymnasts competing for the Gymnastics Elite were Jill Actkinson, SuAnn Malone, Nicole Charlson, Donna Griggs, and Jennifer Williams.

In commenting about the boy's second place win, Coach Burch said, "They just didn't hit their routines. They had the tricks and routines to win if they had hit them. That is probably the worst the boys have done in competition, but we still lost by only 1.5 points."

Participating boy gymnasts were Andy Hughes, Jeff Actkinson, Greg Actkinson, Riley Malone, Jonas Hernandez, Joe Norris, Bobby Hammit, Richard Turner, Clay Corn, Brandon Kirkland, and Jody Mahaney.

The teams will travel to Seminole later this month for a meet with junior high teams from Seminole and Marshall, Gattis and Yucca, all from Clovis.

assist financially in the club's other projects.

Everyone is encouraged to be at the Farwell School bus barn Friday (today) at 4:00 p.m. CST for a send off for the team members and coaching staff. The club will inflate the balloons at 4:30 at the bus barn.

## New virus may control crop-destroying insects

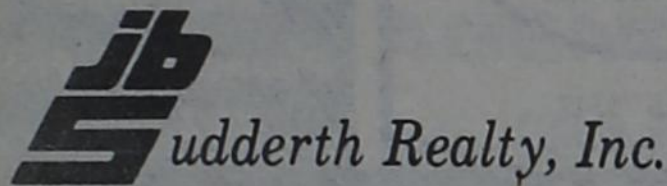

COLLEGE STATION — Texas A&M University researchers have discovered a new family of viruses carried by wasps that may provide the key to controlling crop-destroying insects without chemicals.

The discovery also could be important in understanding how insects carry and transmit other viruses and in inhibiting the spread of diseases by insects, the scientists said.

"The virus-like particles live harmlessly in the ovaries of parasitic wasps and are deposited along with eggs into the bodies of caterpillars that de-

stroy crops," said Dr. Brad Vinson. "Somehow, the virus protects the eggs from being destroyed by the caterpillar's immune system."

Vinson, an entomologist, and Dr. Max Summers, a virologist, both of Texas A&M's College of Agriculture, say the virus creates an optimum environment for eggs, which develop and hatch inside the caterpillars. The virus would eventually kill the caterpillars, but the larvae that hatch out of the eggs and feed on the pests do the job much more quickly, they said.

## TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.  
BIBELIAN BIBLE SOCIETY  
CHICAGO, ILLINOIS 60635

### THINGS NEW AND OLD

When our Lord had finished His familiar discourse on "the mysteries of the Kingdom of Heaven," He said:

"THEREFORE, EVERY SCRIBE WHICH IS INSTRUCTED UNTO THE KINGDOM OF HEAVEN IS LIKE A MAN THAT IS A HOUSEHOLDER, WHO BRINGS FORTH OUT OF HIS TREASURE THINGS NEW AND OLD" (Matt. 13:52).

A new era had just dawned in the world's history. A new message was being proclaimed. John the Baptist had begun to cry: "Repent: for the Kingdom of Heaven is at hand!" and the Lord Jesus and the twelve had taken up the same message.

Some listened eagerly, others turned away—among them many of the scribes, the Bible teachers of the day. They did not welcome any new teaching. Yet Christ's message of the Kingdom in no way conflicted with the Old Testament Scriptures. Indeed, it was based on the Old Testament and confirmed by it. This is why our Lord reminded His hearers that the right kind of scribe

would bring forth out of the treasure house of Scripture things both new and old.

How this lesson is needed today! Some cast away precious treasures out of the Bible, contending that they are old and out of date. Others, while clinging tenaciously to old truths, reject new light. While new professors of religion too often cast aside old truths with the complaint that they are outworn, true possessors often reject new light simply because it is new. They vie with each other to be orthodox instead of trying to find more light from the unfathomable Word of God.

Is it possible that we have drained the Well of Scripture dry? Are there no more precious stones in that exhaustless Mine? Have any of us received all the light that shines from the Holy Bible?

Then, cost what it may, let us keep digging into the Scriptures, that as we minister to others we may bring forth out of the divine Treasure House things both new and old.
