Pheasant Hunting Season Opens In Area Tomorrow

Peddling Permits

ESA members Terri Nichols, left, and Leslie Lunsford were busy this week selling permits for the pheasant hunting season which opens Saturday. Permits to hunt in the preserve are \$50 for the season or \$25

for a three-day weekend permit. ESA members will be at the Jaycee Building in Farwell from 7 to 10 p.m. Friday night for hunters to pick up permits already purchased, or

for hunters to purchase permits. Although about 150 permits have been sold for the first weekend of the season, members say there are still some available.

Starting tomorrow (Saturday) in Parmer and Curry counties, the pre-dawn quietness will be broken by the sound of shotguns firing, the roar of pickups and other vehicles tearing down the country roads, and the flutter of pheasant wings as the hunted birds try to fly to safety.

The 1982 pheasant hunting season opens officially in the two counties Saturday, Dec. 11, just one-half hour before sunrise. Parmer County's hunting season will continue through December 26, while hunters in Curry County have only through December 14 to do their local New Mexico pheasant hunting.

HUNTERS BREAKFAST
Another annual event on tap is the hunters breakfast sponsored by Alpha Rho Lambda chapter of Beta Sigma Phi sorority. The meal of ham, pancakes, eggs, coffee, and milk will be served at Farwell School cafeteria from 5 to 9 a.m. CST. Proceeds will be used for the sorority's philanthropic projects. The cost is \$3.50 for adults and \$2.50 for children.

SHOTGUN GIVE-AWAY
Farwell Volunteer Fire Department will be giving away a shotgun, a Model 1100 Remington Automatic. The giveaway will be made at the hunters breakfast at approximately 8 a.m. Donations for the giveaway are \$1 each.

TAIL FEATHER CONTEST
In conjunction with the annual hunt, several area events have become traditional. The pheasant tail feather contest draws entrants from all over Parmer County with prizes available in Bovina, Farwell, and Friona. The county-wide contest is sponsored by the Parmer County Game Management Association. Persons entering the Farwell area contest should take their tail feathers to Farwell Hardware for measuring and registration. Three prizes are awarded for the Farwell contest.

HUNTING PRESERVE
A new item on the season's agenda this year is the hunting preserve being sponsored by Theta Rho Chapter of Epsilon Sigma Alpha Sorority. Some 7,000 acres of land in the area

has been set aside and licensed by the Texas Parks and Wildlife as a preserve. Sorority members have sold permits for the land which will be posted and will be open only to hunters buying permits from the sorority.

Permits are available at Rose Drug, Helton Oil, the law offices, and at Security State Bank. In addition, ESA members will be at Rose Drug all day Thursday and Friday for hunters to buy permits, or for those who have purchased permits to pick them up.

Friday night from 7 to 10 p.m., and starting at 5 a.m. Saturday, ESA members will be at the Jaycee Building where permits may be picked up.

Permits are \$50 for the season, or \$25 for a weekend (three days). The sorority is limiting the number of permits so that hunters may have a fair chance of getting their limit. ESA members report that a lot of out-of-town

hunters have purchased permits for the initial weekend of hunting; however, there are still some permits available.

The sorority will have some one patrolling the preserve to assure that only those hunters with permits are hunting on the posted lands.

HUNTING RULES

All Texas residents who hunt outside the county of their residence must have a resident hunting license or a combination hunting and fishing license. Licenses may be purchased at Rose Drug or at the Parmer County Clerk's office.

Persons who are under 17 years of age, or are over 65 years of age, and certain disabled veterans are eligible for exempt hunting licenses which cost only \$1.25, and licenses are not required for persons hunting within the county of their residence.

Hunters are reminded of the bag limit which is two cocks per day, and possession limit (Continued on Page 2)

Local Group Lays Plans For Future Development

The fledgling Farwell Development and Beautification Committee met Tuesday evening at Luce's Spur Restaurant at the call of Chamber President Don Williams. Fifteen members of the local service clubs and other interested citizens were in attendance for the discussion.

Williams explained that the committee was formed with the goal of devising ways and means of making the city more attractive, not only for the residents but for prospective businesses and home owners. Also with the view of laying long range plans for attracting small business and manufacturing concerns.

It was brought out that Farwell has an entity known as the Farwell Development Corporation that while presently dormant, can be reactivated to assist in necessary programs. The Farwell Development Corporation was formed in 1973 to promote the building of a nursing home in the city.

At that time a number of citizens joined the Corporation by paying a \$25 fee. This money was largely used to defray expenses involved in

getting the present nursing home situated in town. It was also used to attract a medical doctor to settle here. While the doctor eventually chose elsewhere to live he is presently repaying the Corporation for its expenses in his behalf.

Anyone who is interested may join the Corporation by paying the \$25 fee, or contributions can be made and deducted for those wishing to assist in further local development.

At Tuesday's meeting it was decided to call a general meeting of local persons and civic club representatives on Monday, Jan. 17, at 7:00 p.m.

at Luce's. At that time concrete plans will be made, and permanent committees formed. Suggested committees are main street beautification, industrial commission, vacant house and junk car, grants, and planning. Other committees and suggestions will be welcome and solicited at the January meeting.

President Williams expressed the hope that as many people as possible will attend this discussion on long range plans for the city of Farwell, adding that everyone is welcome to come and state their views and concerns.

chapter's Save-The-Squirrels project and the area Hospice Program. Everyone is encouraged to come out and have breakfast with Alpha Rho Lambda this Saturday!

Christmas Eve Get-together Slated At Oklahoma Lane

On Christmas Eve for the past 66 years, residents of the Oklahoma Lane Community and surrounding area have gathered for a Christmas Eve celebration, and this year is no exception. As plans and work schedules progress, enthusiasm is steadily growing for the annual holiday event.

As in years past, community residents, friends, and relatives will meet for a short business meeting, an outstanding program, group singing of Christmas carols, and the grand finale of Jolly Old St. Nick making his annual visit.

All of this and much community spirit will take place at

the Oklahoma Lane Community Center beginning at 7:30 p.m. CST on Christmas Eve. Chairmen of this year's event are Dorothy Donaldson and Dorris White. This year's program theme is entitled, "Salty's Christmas Calamity," with Ruth Anne Bennett and Tina Sides in charge. About 25 children of the community will have a part in the program.

In charge of obtaining the Christmas tree is Richard Montgomery, while the decorating of the tree will be handled by Ed and Gwen Corn, Bruce and Cindy Billingsley, and Lee and Gloria Hutchins, Robert White and James Sides

are responsible for getting the goodies for the children's Christmas sacks, and the goodies will be sacked by D.H. and Cathy Foster, Roy and Charlotte Donaldson, Robert and Dorris White, and Tammy and Dennis Willard.

The religious aspects of Christmas are stressed at all the community Christmas tree celebrations, and funds for the celebration are raised by donation. Those who wish to donate may contact Dorris White.

An invitation is extended to all area residents, friends, and visitors to be in attendance at this year's celebration.

URELY
PERSONAL

by John

With our area being especially sensitive to the MX issue currently occupying the Congressional stage, we think the following story will provide some food for thought. We came by this third hand but it apparently appeared in the "Access to Energy," a pro-science newsletter.

IN THE YEAR OF OUR LORD 1592

To Her Most Gracious Majesty Queen Elizabeth, the undersigned beg to present the following PETITION for an Arms Freeze of the fiendish Weapons of modern Warfare:

Whereas Sir Francis Drake warns of more than 100 ships now being built into an Armada by Philip, King of Spain, such tales are without truth or relevance. These stories are disseminated by overzealous spies for the benefit of shipbuilders greedy for profits and admirals hungry for glory, but do utterly lack proof; in truth, the Learned Men of the Mushy Shoo Sect Institute of Wreckology estimate the Spanish fleet at not more than three galleons, all floating in King Philip's bath tub.

But even if Sir Francis Drake's grossly and self-servingly exaggerated report of 132 ships and 3,165 cannon were true, it would but make our case for disarmament stronger.

War hath always been dreadful, but with modern cannon able to sink ships at a distance, sans ramming, sans boarding, sans hand-to-hand fighting, it threatens to become suicidal. Sir Henry Ken-All, Lord of the Privy of the Union of Constipated 'Strologists and truly a wizard at arithmetic, hath reckoned that if one cannon shot should slay but 10 men, then the postulated Armada, with but 100 shots from each cannon, would more than kill every single subject of Your Majesty's realm; whence the widely hallowed Jonathan Empty Schell hath inferred the compleat extinction of life on earth as he knoweth it.

And even if we do lack certitude that these dreadful estimates are just, shall we goad King Philip into building more ships by our defence measures? Shall we risk the annihilation of all life in these green isles by Drake's reckless talk of using English know-how to build smaller, faster ships with better fire power against the vastly larger and more heavily armed Spanish fleet? Should we tolerate his irresponsible exhortations to close the window of vulnerability by 1588?

Behold the rebels in the Netherlands! Their reckless lust for freedom hath only brought Spanish ire and brutal repression, hath disrupted our commerce, and hath proven that the Dutch must forever remain under Spanish rule.

But most woeful of all, Your Majesty, will be the grievous losses to the Royal Treasury. Not war, not killing, but human needs is wherefore this gold hath so painfully been raised from our English peasantry - for the needs of us whose noble hands shall be soiled by naught but ink, so we might better represent the common rabble who work. Give us the funds, O Defender of the Faith, and we shall research, study, report, analyze, interpret & investigate!

The treasure squandered on hopeless warfare can better be spent on a thousand learned dissertations. Lord Kennedy stands ready to investigate why the poor use no finger bowls; and the Knights of the Public Interest do eagerly desire to improve the health of the English peasant so that he might better withstand lash, rack and branding iron.

Yea, we do relish the absence of foreign domination, the freedoms warranted by the Magna Carta, the right to trial by jury and all other rights of Englishmen; all of which,

however, are become meaningless trifles in the face of mankind's suicide now threatening.

We beseech Your Royal Majesty to stop this insanity, to banish Sir Francis Drake and like-minded war mongers, to initiate forthwith arms limitation talks with King Philip, to proclaim an arms freeze, to outlaw cannon, to arm the Royal Navy with naught but knives, swords, boarding hooks, and other conventional arms, to renounce first use of our ships, and to do so unilaterally, for King Philip will follow suit, since he hath many times proclaimed his peaceful intentions.

Shall there be no more poets, no more musick? Shall England's green pastures become barren for ever more? Our great-grandchildren will bless our wisdom for choosing to live on our knees rather than to die on our feet.

Blessed are we peacemakers:

Hunters should also remember that it is illegal to hunt on privately-owned land without the consent of the landowner or his agent.

Stiff penalties will be meted out for violators of the trespassing law which went into effect last year.

If a person trespasses to hunt, with any weapon, firearm, or bow and arrow, that is now a Class A. misdemeanor. If found guilty the person may be fined \$2000 and/or a year in jail.

The trespass law further states that even if you just go for a walk, unarmed, on private property, you may be charged with a Class B misdemeanor which carries a maximum fine of \$1000 and/or 180 days in jail. It is not necessary for a property owner to post no-trespassing signs, if he has fences. If there are no fences, signs are all that are needed. But, if a landowner, orally or in writing, tells a person that trespassing is forbidden, neither signs nor fences are needed. Some people patrol their lands for unwanted hunters, so be careful.

Above all a hunter must use safety. Gun safety and common sense go hand in hand. If a bird comes up between two people, let the bird go. Don't kill a friend for a bird.

Accidental Home Drowning Claims Life Of Farwell Infant

An accidental drowning on December 6 took the life of 10-month-old Julio Casai Moreno, infant son of Jesus and Cecilia Moreno of Route 1, Farwell. The infant was pronounced dead by Dr. William Lewis at the Farwell Clinic at 12:56 p.m.

Investigating officer was Parmer County Sheriff's Deputy, Lloyd Niece, who said Mrs. Moreno stated she was washing clothes in the bathtub while the child was napping in the bedroom. Mrs. Moreno went to the kitchen to prepare lunch for another child and when she returned, Julio Casai was found missing from the bedroom. After searching the house she found him lying in the bathtub.

According to the report, Mrs. Moreno ran to the highway and flagged down a car asking for transportation for herself and the infant to the Farwell Clinic.

The infant could not be

revived after resuscitation measures had been performed at the clinic.

The body was to lie in state at the Spanish Baptist Church in Bovina with graveside services and interment at 4:00 p.m. on Wednesday at the Bovina Cemetery with Lupe Silva officiating. Ellis-Black-

Several other items of business were also discussed and voted on.

Hired to replace Mrs. Sorgen was Sandra Joiner who is to begin her duties in the second grade position January 17, 1983.

Farwell Postmaster Gives Christmas Packaging Tips

Persons planning on sending Christmas gifts and cards are encouraged to do three things - shop early, mail early, and wrap packages properly.

Otis McMillan, postmaster of the Farwell Post Office, encourages everyone to follow certain guidelines in packaging Christmas mail.

"Be sure your packages are able to hold up under the avalanche of holiday mail," said McMillan.

With the constant carrying of mail for business and industry, and the increased volume of Christmas mail, parcels must be wrapped properly to withstand the constant handling and pressure. Each post office usually has a poster in the lobby that gives an individual lots of helpful hints.

A paperboard or fiberboard container is essential for any parcel. Paperboard containers are usually constructed to hold no more than 10 pounds. A fiberboard container is constructed to hold varying amounts of goods. It is stated on the outside of most fiberboard containers the pounds of goods the box has been constructed to contain.

Each item in a package should be wrapped individually with enough padding to pre-

vent damage from shock and vibration. Wrapped items need to be separated from outer package surfaces with padding or foamed plastic. Pressure sensitive filament tape is preferred for prevention of accidental opening. Reinforced paper tape or paper tape may be used, although either tape is not as foolproof as the filament tape.

The address labels should be readable from 30 inches away and should not be easily

smeared or washed off by water. All labels should contain the ZIP code. It is wise to place a supplemental return address inside the carton.

For more details about holiday packaging you should ask your window clerk at the post office for Publication 227.

A happier holiday season will be enjoyed by all if we handle the Christmas gifts and cards according to the post office recommendations, the postmaster said.

Trimming The Tree

Students in the fifth grade class of Dale Schwartz at Texico School enjoyed trimming the Christmas tree in their classroom this week in

preparation for the upcoming holiday season and class party. From left are Konni Warmuth, daughter of Ronnie and Kay Warmuth; Tasha Rucker,

daughter of Johnnie and Sandra Rucker; and Henry Mendoza, son of Abel and Maria Mendoza.

During the 1982 pheasant season, December 11 through December 26, a few lucky hunters will bring home their kill, and many of the birds will become the main dish for a meal. In order for pheasant to be palatable, the game birds must be cared for properly. Cooking of the pheasant is not difficult as pheasant may replace chicken in nearly any recipe.

The Farwell Jaycees are currently selling a cookbook entitled "Wild Game Cook Book." It states that a person should draw and cool the bird as soon as possible. An unhappy practice among hunters is to delay eviscerating the birds, then transporting them whole in a stuffy automobile trunk. When there is no chance for the bird's body heat to escape, the meat will spoil.

Two recipes from the Jaycees "Wild Game Cook Book" are:

BAKED PHEASANT WITH RICE

Breast, legs, and thighs of 2 pheasants
 *3/4 cup uncooked rice
 1 Tbsp. grated onion
 1 - 3 oz. can mushrooms
 2 tsp. chicken stock base

1/2 stick butter (1/4 lb.)
 salt & pepper to taste
 2 cups water

Roll pheasant in flour and brown. Place rice, salt and pepper into large greased casserole and add onion. Add mushrooms and juice. Place pheasant on rice mixture; add chicken stock dissolved in water. Dot with butter. Cover and bake at 300 degrees for 1 1/2 hours. Serves 4-6.
 *Wild Rice may be used.

BARBECUED PHEASANT

1 pheasant, cut up
 1/2 cup oil
 2 tsp. salt
 1 tsp. pepper
 1/2 cup flour
 1 Tbsp. paprika
 3/4 cup water
 3/4 cup catsup
 2 Tbsp. grated onion
 1 tsp. garlic salt
 1 tsp. chopped parsley

Combine oil, salt, pepper, and paprika. Dip pheasant in oil mixture, roll in flour. Place in flat oven going pan. Mix water, catsup, onion, garlic salt, and parsley; bring to boil. Pour over pheasant. Bake covered in 300 degree oven for 1 hour. Remove cover and bake for 15-20 minutes. Serves 4.

1 can sliced mushrooms, drained
 Heat oven to 350 degrees F. Place pheasant in ungreased baking dish, 9x9x2 inches. Mix soup, wine, worcestershire sauce, salt, onion, garlic, and mushrooms; pour over pheasant. Sprinkle generously with paprika. Bake uncovered, 1 1/2 to 2 hours, basting occasionally. Serve over wild rice. Serves 3-4.

From a friend in Scottsdale, Ariz., comes this recipe.

PHEASANT CACCIATORE

4 pheasant breasts
 1 cup flour
 1/2 tsp. salt
 1/8 tsp. pepper
 5 Tbsp. olive oil
 1 lge. green pepper, sliced lengthwise
 1 cup sliced mushrooms
 3 small onions, sliced
 2 clove garlic, minced
 1 1/2 cup canned tomatoes
 1/8 tsp. oregano
 1 cup chicken broth
 1/2 cup Marsala dry wine
 Roll pheasant in seasoned flour; brown in deep heavy skillet in olive oil. Add green pepper, onions, garlic, tomatoes, and oregano; add broth and wine. Cover and simmer about 1 hour or until pheasant breasts are tender. Add mushrooms and simmer 30 minutes longer. Good served with rice, noodles, or potatoes. Yield: 4-6 servings.

Ona Patterson of Bovina uses this recipe for pheasant and quail.

ROAST PHEASANT WITH RICE AND WINE SAUCE

2 pheasants
 1 Tbsp. salt
 1 1/2 cups long grain rice
 3 cups water
 1 tsp. salt
 1/2 cup butter
 1 cup finely chopped celery
 3 Tbsp. minced onion
 1/2 cup sliced mushrooms
 Dash crushed sage, crushed thyme, crushed savory

WINE SAUCE

1 Tbsp. butter
 1/2 glass currant jelly
 Juice 1/2 lemon
 Dash cayenne pepper
 1/2 cup water
 3 whole cloves
 Salt to taste
 1/2 cup port wine
 Melted butter
 6 slices bacon

Rub cavity of pheasants with 1 Tbsp. salt. Brown rice in a dry frying pan. Remove rice to a saucepan, add water and 1 tsp. salt, and cook until tender. Melt butter in frying pan. Add celery, onion, and mushrooms and cook until slightly wilted. Add to cooked rice, add herbs. Stuff bird lightly, sew together and truss.

Make sauce by combining 1 Tbsp. butter, currant jelly, lemon juice, cayenne, 1/2 cup water, cloves, and salt. Simmer for a few minutes, strain, and add wine. Add meat drippings, if desired. Brush birds with butter, place strips of bacon across breasts. Roast in a covered pan at 350 degrees F. about 2 hours, or until tender, basting frequently with sauce. Yield: 4 servings.

Other tips on preparing pheasant have been offered by Gloria Hutchins who uses the "Shake and Bake" method, and prepares the pheasant the same as she would chicken.

Bernice Norton soaks her pheasant in buttermilk before using it in any recipe.

Duke Kirkland also agreed to share his cooking expertise with us. He fries the pheasant, and these are his instructions: After boning the pheasant breast, fillet the meat into thin slices, then cut the slices into strips. Mix milk, egg, salt, and pepper to taste. Dip pheasant strips into the milk mixture, then into flour. Repeat this procedure. Place in heated

skillet with enough grease for frying. Remove to serving platter when done.

Joyce Harding was gracious enough to share this recipe with us.

BAKED PHEASANT IN A BAG

1 Tbsp. flour
 *1/2 cup apple cider
 Salt
 1 pheasant
 Melted butter
 1/2 orange

Preheat oven to 350 degrees. Shake 1 tablespoon flour in 10x16 inch oven bag. Place bag in 2-inch deep roasting pan. Pour apple cider into bag and mix well with flour. Salt inside cavity of pheasant. Brush outside of bird with melted butter. Stuff 1/2 orange in body cavity. Place bird in bag and close with fasteners. Make about 6 - 1/2 inch slits in top of bag. Bake about 1 1/2 hours. Before serving, carve pheasant into quarters and use juice remaining in bag for gravy. Serves 4.
 *One-half cup dry white wine may be used in place of apple cider.

Oven baked orange rice is good with this pheasant recipe.

OVEN BAKED ORANGE RICE

3/4 cup regular long grain rice
 2 1/2 cup chopped celery
 2 Tbsp. chopped onion
 2 Tbsp. melted butter
 1 Tbsp. orange peel, grated
 1 tsp. salt
 3/4 cup orange juice
 1 1/4 cup water

Preheat oven to 350 degrees. Mix rice, celery, onion, orange peel, and salt together and pour into a buttered one-quart casserole. Heat orange juice and water in pan to boiling. Add to casserole and stir. Cover and bake 45 minutes or until rice is fluffy and tender. Serves 4.

A brunch honoring Pat Lambright, president-elect of New Mexico Women's Missionary Union, was held in the home of Mary Dell Brown of Texico.

A short devotional was given by Lynette Thompson, Plains Associational WMU Director. She used scripture from Proverbs 31:10-30, and read a prayer from Marjorie Holmes book, "I've Got To Talk To Somebody, God." The prayer was entitled "For A Friend." Mrs. Brown had her home

decorated in a Christmas motif. White candles and a poinsettia centered the dining room table which was laden with an array of refreshments.

Members of Plains WMU Associational who were present were Oleta Self, Helen Bowers, Edna McGuffin, Nancy Wagner, Helen Gosner, Lynette Thompson, Pat Lambright, and the hostess.

Special guests were Nora Day, Margaret Horne, and Shirley Miller.

The Creative Woman

BY SHERYL BORDEN

On "The Creative Woman" show on December 14 and 18, Billie Jones, owner of Country Crafts in Clovis, will continue her Christmas crafts demonstrations. This segment will feature different wreaths, pot-pourri balls, and other home decorations.

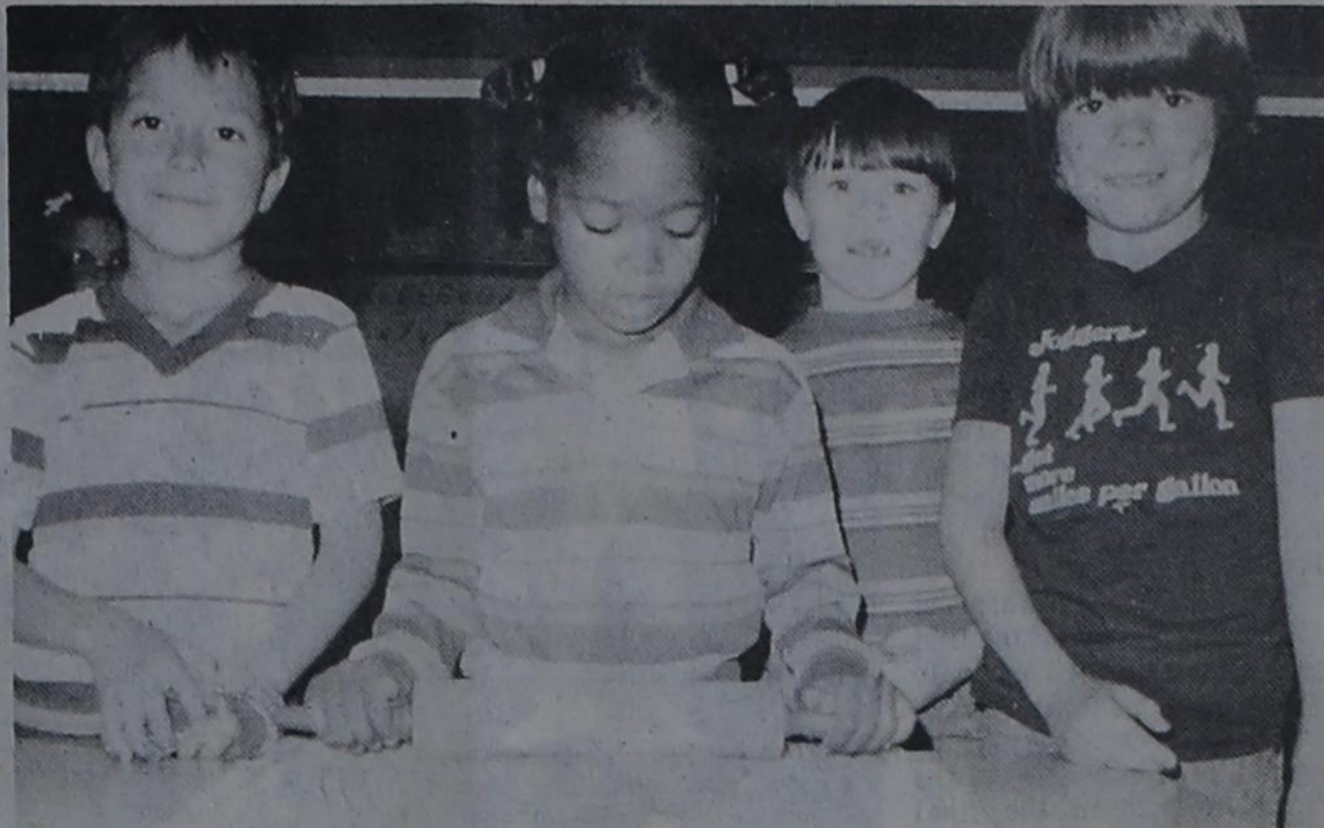

On December 16, the topic will be a demonstration on painting adobe in oil by area artist, Lawanda Calton from Portales. Mrs. Calton will explain about preparing the board, talk about different mediums, where she gets her

sources for subject matter and share other tips for painting in oils.

Laura Jacobs, Parmer County Extension Agent from Farwell, will explain uses for ground pork. Think about all the menus served at home that call for ground meat. Miss Jacobs suggests we try something different for a change - maybe ground pork. Ground pork is lean, loaded with protein and many B Vitamins, and it's not high in calories. Several recipes will be pre-

pared.

"The Creative Woman" is produced and hosted by Sheryl Borden for KENW-TV. The show is seen at 12:30 p.m. MST on Tuesdays and Thursdays and at 2 p.m. on Saturdays. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines. The numbers are: New Mexico: 1-800-432-2361; Out-of-State: 1-800-545-2359, and Portales and Roosevelt County: 562-2112.

Doin' Up The Dough

Rolling out the salt dough to make Christmas decorations is lots of fun for the first grade students of Mrs. Alice Richmond at Texico Elementary School. Windy Isaac takes her

turn with the rolling pin to flatten out the green dough while other classmates, from left, Sam Spears, Chad Cochran, and Scott Smith, await their turn. Next they cut out

the ornament shapes with cookie cutters and when the dough is dry, the creations will be hung on the Christmas tree to decorate their room for the holidays.

Wedding Reminder

Friends and relatives are reminded of the wedding of Benetta Roming and Russ Jones to be Saturday, Dec. 18, at 7:00 p.m. at the First United Methodist Church in Muleshoe.

Parents of the couple are Mr. and Mrs. Ben Roming of Muleshoe and Mr. and Mrs. Joe Jones of Farwell.

Friendship Class Has Salad Luncheon, Meeting

Friendship Sunday School Class of First Baptist Church, Farwell, met Monday, Dec. 6, in the home of Mr. and Mrs. Dick Gerles for a salad luncheon and class meeting. Dickie Magness served as co-hostess with Mrs. Gerles.

After a delicious luncheon, a brief business session was held with Elsie Hardage presiding. Dickie Magness gave the opening prayer, and Beulah McWilliams presented the devotional, "In Search of a Crown of Wisdom," reading scripture from Matthew 2:1-12.

Class members then presented gifts of appreciation to their teacher, Beulah McWilliams, and the assistant teacher, Beulah Williams.

Leatha Jo Roberts gave the closing prayer.

Members attending were Jewel Thomas, Dickie Mag-

ness, Mamie Greenwood, Beulah McWilliams, Estellene Billington, Onie Bradshaw, Leatha Jo Roberts, Tom Paul McCuan, Edith Crawford, Sallie Chandler, Elsie Hardage, Bonnie Williams, Beulah Williams, Hattie Coffey, Bessie Landrum, Marie Cox, and Pearl Gerles.

In Lubbock

Mrs. Lillian Benderman of Texico went to Lubbock on November 22 to spend the Thanksgiving Holiday with her sister and brother-in-law, the Olen Herriages. But her trip lasted longer than she had anticipated when the surprise snow storm forced her to stay until the following Sunday, when she was able to get back home to Texico.

"It was a really nice visit except the weather was so bad that we could not get out much," the local woman reported.

She also visited a niece, Mrs. Tommy Easter of Shallowater while in Lubbock.

Caution Urged In Buying Toys At Christmas Time

The day after Thanksgiving marks the traditional opening of the Christmas shopping season. Many shoppers will be searching high and low for just the right toys that they hope will light up the eyes of their youngsters on Christmas morning.

The Texas Society to Prevent Blindness urges shoppers to use common sense in selecting gifts for the special children in their lives. Some types of toys can pose serious injury hazards to children, and particularly to the young eyes they are intended to light up.

Prevent Blindness reports that over 4,200 Americans ended up in hospital emergency rooms last year as a result of toy-related eye injuries and that nearly 70% of the victims were under the age of 15.

"Most of these injuries were caused by commonly available toys," said R.E. Margo, M.D., state medical chairman for the Society. "These include toy guns, projectile toys, self-propelled and flying toys, slingshots, and even such relatively 'safe' toys as dolls and stuffed animals."

Particularly alarming, ac-

cording to Margo, is the fact that over half of these injuries were caused by bows and arrows, BB guns, pellet guns and other air, gas, or spring operated guns. "Weapons such as these, when handled as toys, can obviously be extremely dangerous," Margo said.

"There are two prime safety factors that should be considered in selecting toys," Margo continued. "First, is the toy appropriate for the child's age. And second, how much adult supervision will be required, and available, when the child uses the toy. It is also very important that a child be instructed on how to use the toy properly and safely."

Prevent Blindness offers the following suggestions to help shoppers choose safe toys for their youngsters this holiday season:

— Look for toys made from shatter proof and flame resistant materials.

— Avoid toys with sharp edges, points, nails, or screws that are exposed or can be easily exposed.

— Check for rigid interior frames or springs that can easily puncture soft outside fabric or plastic coverings.

— Remember that all projectile, flying, and self-propelled toys can be dangerous.

— Be sure to consider the child's age and physical coordination when selecting toys.

Margo concluded by saying, "A little forethought and good judgement can help make this a safer and happier holiday for all our young Texans." The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, the oldest voluntary health agency nationally engaged in sight conservation through a comprehensive program of community service, public and professional education, and research.

Wolverines Take Wins Over Ft. Sumner, Grady

Texico Varsity Wolverines swept past both their opponents in games played Saturday and Monday, defeating the Ft. Sumner Foxes 54-44 and outscoring the Grady Bronchos 49-33.

Brad Steward led all scorers with 16 in the Texico-Ft. Sumner game Saturday night to lead his Wolverine teammates to a 54-44 win over the visiting Foxes in the first home game for the varsity Green and White this season.

Kevin West and Bobby Johnson poured in 11 and 7 points, respectively, to aid the Wolverines, and Johnson led in the rebounding department with 11 grabs, four offensively and seven from the defensive boards.

First year head coach Scott Parker said he was pleased with the win but thought his

team played a bit sluggishly for the first two periods, but that the boys perked up the last half to make it possible for lots of team members to get some playing time.

Others scoring for the Green and White included Earl Bibbs, 5; Lynn Tubbs and Scott Elliott, 4 each; Danny Reid, Terry Tubbs, and Billy Bibbs, 2 apiece; and Regan Williams, 1.

The team shot 39 percent from the field and 40 percent from the charity stripe. They had 19 steals and 40 rebounds and were plagued with 27 turnovers and committed 16 fouls.

Monday night the Wolverines hosted the Grady team and sent them home on the short end of a 49-33 score.

Bob Johnson led his Wolverine teammates in the scoring

department with 11. Brad Steward had 10, Terry Tubbs got 8; Kevin West and Earl Bibbs each accounted for 6; while Lynn Tubbs and Joe Steward each scored 4.

Texico got off to a whopping 15-0 lead at the end of the first period, then coasted on in to take the win by 16 points. The Wolverines scored 10 in the second period, only 4 in the third, and 20 in the final stanza. Grady put in 14 points in the fourth quarter for their biggest scoring effort.

Brad Steward had 12 rebounds to lead his team. Texico shot 35 percent from the floor and 82 percent from the free throw line, and had only 20 turnovers and 14 fouls.

The Wolverines will be playing in the Farwell Invitational Tourney December 16, 17 and 18.

West Gets Rebound

Texico Wolverine Kevin West leaps high into the air to sweep the rebound off the board in Texico's home game against the Ft. Sumner Foxes Saturday night. Other Wolverines shown are Earl Bibbs (#33) at

left, and Terry Tubbs, right. The Green and White outscored the Foxes 54-44 under the direction of first year head coach Scott Parker. Brad Steward led his team in scoring with 16, while teammate

West racked up 11. The Wolverines will see action in the Farwell Tournament December 16, 17, and 18. [Texico School Photo].

Texico Jr. High Basketball Results

Texico Junior High roundballers have seen lots of action in the past few weeks with the 7-8, and 9th grade teams all having played games.

On November 20, the 7-8 boys fell to Tatum 63-26 in a game played at Tatum.

The host team jumped out to a 23-0 first quarter lead and never let up as 13 players scored in the game. Texico managed 11 points in the second period, 6 in the third, and 9 in the final stanza to give them a 26-point total.

David Loera led the Texico scorers with 19. Others scoring for the Green and White were Ronnie Autrey, 3; Bret Taylor, 2; and Buck Autrey and Tim Harmon, 1 each.

In 9th grade girls action, Texico edged their Tatum counterparts 35-32 on November 20.

Lucia Jesko poured in 17 points to lead the Wolverines. Kelly Lynn added 9; Coy Jo Burk had 5; K. Tubbs had 3; and Carinna Hungerford got 1.

The Texico girls trailed 8-5 at the end of the first period and by 10-9 at halftime. But they outscored Tatum a whopping 13-5 in the third period to forge ahead. They managed 7 points in the final period while their hosts were scoring 9, and came away with the 3-point win.

On December 2, the 9th girls overwhelmed the Melrose team 46-6 in a game played at Melrose.

Kelly Lynn scored 18 points for the Green and White. Lucia Jesko had 8; Coy Jo Burk and K. Tubbs each had 6; Carinna Hungerford got 3; ElDonna McCormack and Tanya Duns-worth got 2 apiece; and Melissa Singletery scored 1.

The 9th grade boys split games, winning by a lopsided 43-15 margin over Melrose, and losing 52-29 to Tatum.

In the Tatum game on November 20, Texico managed to keep up with Tatum 8-8 at the end of the first quarter. They were outscored 12-4 in the second period to face a

half-time deficit, and a big 21-point scoring spree by Tatum in the third stanza iced the game for the host team, although both teams scored 11 in the final quarter.

High scorer for Texico was Mark Meeks with 14. Others adding points were Stanley Cross, 8; Jim Thornton, 6; and Kyle Snipes, 1.

At Melrose on December 2, the Wolverines jumped out to a 10-6 first quarter lead and increased that to a 30-7 margin at the half.

Meeks and Cross led the scoring with 12 each, followed by Jim Thornton with 6, and 2 each by Charlie Bibbs, Carroll Smith, David Loera, Kyle Snipes, Eric Harding, and Jody McDonald.

Monday, Dec. 6, the 7-8 grade girls were defeated by Morton 30-12 in the Morton gym. All of Texico's points were made in the first half of the game as the Morton team contained all scoring efforts in the second half. Tammy Sandoval and Tracy McDonald led the scoring with 4 points each followed by Donna Smith and Twilla Longo with 2 points each.

The 7-8 grade boys overwhelmed Morton 40-23 in the Wolverine Gym on Tuesday, Dec. 7. It took the first quarter for the boys to find the basket but once it was located the points were racked up. David Loera scored 16 points for the Green and White. Aaron Scott had 7; Brett Taylor and Tim Harmon had 4 each; Dean Reid, Buck Autrey, and Ronnie Autrey each had 2; and Allen McCall, Mark Sharbutt, and Jubal Pierce had 1 each.

The Morton Indians tamed the Texico 9th grade boys Tuesday, Dec. 7, in the Wolverine Gym by a score of 55-30. Coach Mike Littlejohn and his boys were unable to stop Jerry Joyce, a Morton Indian, who scored 30 points. Leading the scoring for Texico were Mark Meeks and Stanley Cross with 8 points each. Others scoring were Jim Thornton, 4; Eric Harding and

Kyle Snipes, 3 each; and Charlie Bibbs and Carroll Smith, 2 each.

Texico Junior High girls captured the Morton Indians by a score of 23-10.

The first quarter of play saw the girls take an 8-2 lead although the second and third quarters were defensive battles. Texico was able to find the board the fourth quarter as they kept Morton scoreless.

Leading the scoring was Lucia Jesko with 7 points followed by Kelly Lynn with 6; while Coy Burk, Katie Tubbs, Loretta Gonzales, Tonya Duns-worth, and Elayne Horne each scored 2.

Texico's This, That And The Other

Penny Pierce, a fourth grader, donated a bulls-nake skin to Dale Schwartz for use in his elementary science classes. "The 5'8" skin is in perfect condition, and my science students are real excited about it," said Schwartz.

Texico faculty, staff, and school board members gathered at Colonial Park Country Club on Tuesday evening for a dutch-treat Christmas dinner. The annual party is sponsored by the Texico Education Association.

The Texico senior high and junior high bands have begun preparation for their forthcoming concert season. Plans for forming Texico's first jazz band are also underway.

The high school chemistry, biology II and biology I classes taught by Nadine Maben, and members of Kendale Burch's

7th grade junior high New Mexico history class, visited a special exhibit at ENMU's Clovis campus last week.

The New Mexico Museum of Natural History is scheduled to open in early 1985 in Albuquerque, and is now traveling throughout the state with a preview exhibit of a small portion of the displays planned for the museum. The new museum will contain exhibits and educational programs from all of New Mexico's natural sciences in order to tell the story of the state's plants, animals, and geology.

Mrs. Alice Richmond's first grade class scheduled a shopping trip at their "point store" Thursday. Students are allowed to purchase special items with "points" they have earned doing extra work.

The District FHA/HERO advisors met in Portales last week to set up rules for

points to win the contest 48-42.

Ruth Scott was top scorer with 24, followed by Tammy Powell with 10, Cheryl Scott with 9, Valda Cavallero with 4, and Helen Boarman with 1.

Christmas trees can be a fire hazard if not cared for properly. Before setting up your tree, help "fireproof" it by cutting across the base diagonally. This will allow the tree to absorb more water and keep it from drying out too rapidly. When decorating your tree, check all tree lights for loose sockets or frayed wiring before placing them on the tree. And never use any lights that do not display the Underwriters' Laboratory seal. Caring for your Christmas tree properly can prevent a holiday tragedy.

Farwell varsity Steerettes took the top trophy in the Anton Invitational Tournament last weekend for the second year in a row. In this year's event, the Farwell lady roundballers defeated the Evangel Christian Academy, Smyer, and Anton to take the first place honor.

Steerette Suzahn Inman was named the tournament's most valuable player, and teammate Jennifer Williams was named to the All-Tournament team.

Action started for the Steerettes Thursday morning when they downed Evangel Christian Academy 74-18. Scoring for the Blue and White as reported by the coach was as follows: Cynthia Ancira and Suzahn Inman, 12 each; Tammy Obenshain, 18; Jennifer Williams, 14; Kelly Davis, 15; and Sheila Smith, 3.

Next on the agenda was a which the Farwell girls won 60-45, with Ancira and Williams leading in scoring with 22 and 21 points, respectively. Others adding to the scoreboard were Obenshain, 7; Inman, 6; and Davis, 4.

Steerette Coach Vester Joiner said, "The girls played better and shot the ball better from the floor. They played good defense and rebounded well."

In the tourney finals Saturday night, the Blue and White came through with a five point 41-36 victory over the host team, Anton, to take first place. Inman led the Steerette scoring effort with 13, followed by Ancira with 7; Davis with 8; Obenshain and Williams, 6 each; and Sheila Smith 1.

Coach Joiner said that his team played well in the finals. "It was a close game, but we played well under pressure. All the girls did a good job." He was especially pleased that Inman was chosen as most valuable player of the tournament and that Williams was named to the All-Tournament team.

Steers Win Third In Anton Tourney

Farwell Steers came away from the Anton Tourney last weekend winning third place. The Steers started their tourney play on Thursday against Evangel Christian Academy by a winning score of 55-43.

Others scoring were Roger Robertson, 8; Alan Eubank, 6; Johnny Daniel, Jimmy Bernal, and Todd Christian, 4 each; and Kevin Owen, 3. Eubank led in the rebound department with 10, followed by Manuel Cantu with 7.

Friday, the tourney fans saw Smyer defeat Farwell 60-51. The first half saw both teams thrill the spectators with close scoring, but Farwell was unable to find the net the third quarter, and missing important free shots down the stretch made the difference.

Eubank was the leading scorer with 17. Jay Anderson had 15, Manuel Cantu followed with 11, and Roger Robertson and Raymond Sierra added 4 each. Jay Anderson and Roger Robertson each pulled in 10 rebounds.

Farwell Steer Manuel Cantu was selected to the All-Tourney team.

Sierra ripped the cords with 21 points and came up with 22 rebounds. Roger Robertson chalked up 13, and Jay Anderson had 12. Johnny Daniel and Manuel Cantu canned 8 apiece; Eubank, 6; and Kevin Owen, 2. Eubank drew in 15 rebounds and Roger Robertson got 11.

Farwell's final game of the tourney saw the Steers pitted against Spade. The Steers won third place in the tourney by winning handily over Spade 70-53.

Steer Manuel Cantu was named to the All-Tournament team at the Anton Invitational Tournament played the past weekend. The Steers won third place in the tournament, and will see action this weekend in the tournament at Friona.

Tops At Tourney

Steerette Suzahn Inman, left, was named the Most Valuable Player at the Anton Invitational Tournament played last weekend. The Steerettes took first place in the Anton event for the second year in a row, defeating three teams to take

the trophy. Another Steerette, Jennifer Williams, right, was also named to the All-Tournament team for her play in the tourney games. The Steerettes are to see action in the Friona Tournament this weekend.

Steerettes Lose To Sudan Hornets

Coach Vester Joiner's varsity Steerettes were overwhelmed by a strong Sudan team on Tuesday night, Dec. 7, as they were defeated 79-22 at Farwell.

Amidst problems of illness and injuries, the Steerettes struggled to find the basket racking up the necessary points to keep them in the game.

Suzahn Inman led the scoring with 6 points; Jennifer Williams had 5; Cynthia Ancira, 4; Sheila Smith, 3; and Kelly Davis and Sonia Chisom each had 2.

Farwell 8th Grade Boys Win Consolation At Muleshoe

Farwell 8th grade boys came home from the Muleshoe Tournament winning the consolation trophy.

Beginning tournament play on Thursday, Dec. 2, the Farwell 8th graders were defeated by Abernathy, a tourney finalist, by a score of 29-25. Turnovers, missed free throws, and missed layups gave Abernathy the win. Farwell held a slim lead the first half only to lose by 4 points when the final buzzer sounded.

Erik Burton led the scoring with 7 points followed by Jody Ketcherside with 5. Steve Lara and Roy Perales each scored 4, and Carey Stancell and Danny Rubio scored 2 each. David Woods added 1 making the 25 points.

According to Coach Lupe Valdez, the game was close because of Farwell's mistakes. Coach Valdez said, "I was real disappointed with the outcome. The kids played hard but forgot to play smart basketball."

On Friday, Farwell defeated Muleshoe in the last few seconds of the game by a score of 34-32. The game went down to the wire, a real thriller. Farwell was ahead 32-30 with 15 seconds left in the game when Muleshoe drove the length of the court for a layup that tied the score 32-32. Farwell made 2 passes to get the ball across mid-court with the final pass going to Carey Stancell, who took a shot from about 15 feet away, with 3 seconds showing on the clock, and scored with no time left.

Steve Lara led the scoring with 8, while Jody Ketcherside, Carey Stancell, and Erik Burton each added 6. David Woods found the basket for 4, while Roy Perales got 3, and Danny Rubio had 1.

Coach Valdez said, "The victory was sweet, our kids went nuts - their kids started falling down on the court like flies. How sweet it was!"

put Farwell in the consolation championship game against Springlake-Earth. The boys had no problems putting Springlake-Earth away early in the contest, Valdez said. The first quarter saw the Yearlings lead by 13-0 with the halftime score 21-6.

The coach said, "Thanks to Jody Ketcherside and Steve Lara, we led early in the game as they were able to get easy layups - our defense was excellent as they were able to score only 16 points."

Jody Ketcherside led with 9 points, followed by Steve Lara

with 8. Carey Stancell found the bucket for 6, while Roy Perales and Erik Burton made 4 each, and David Woods hit for 2.

Coach Valdez went on to say, "We set our goal to keep the other teams from scoring 30 points against us as we believe that if we can hold them under 30, we can score more than 30 points each game."

He named the following as outstanding tourney players: Steve Lara, Jody Ketcherside, Carey Stancell, Danny Rubio, David Woods, Roy Perales, and Erik Burton.

Robles Painting Spotlights Show

Julian Robles, New Mexico artist, last year visited the art classes of Mrs. Sylvia Burgett at Texico High School, and during his visit, painted a portrait of one of the students, Willie Bibbs. The Robles portrait of Bibbs now hangs in the high school library.

In October of this year a Robles painting, "Sacred Macaw of the Pueblo," spotlighted the benefit art show for the United World College of the American West bringing the top price of \$48,000. Marques de Portago purchased the Robles painting for his private collection.

The banquet was hosted by His Royal Highness, the Prince of Wales, President of the International Council of the College, and Dr. and Mrs.

Armand Hammer, founders, at the Regent Hotel in Albuquerque, October 29.

Robles escorted Tanya Ocas of Rancho de Taos to this philanthropic fund raising event and both had the honor visiting with His Royal Highness, Prince Charles, and Dr. Armand Hammer.

Over 1600 international guests including royalty and celebrities attended the lavish banquet and dinner dance benefit.

Robles had the pleasure of meeting the actor Cary Grant and Abigail Van Buren, the columnist.

Selection of New Mexico artists for this invitational art show was based not only on quality, but also on past participation in national, juried,

representational art exhibitions.

Robles currently holds 11 national and regional awards. The most recent honors are two awards from the Ranching Heritage Association; a Gold Medal for First Place in oils, and "Best in Show Award." Other awards for the Pastel Society of America include an "Award of Excellence" and another "Best in Show Award."

Robles is internationally recognized for his paintings of Indian Ceremonials, landscapes and portrait paintings. His works hang in museums and many prominent collections.

Miss Ocas posed for the subject of Robles' painting "Sacred Macaw of the Pueblo." She is a fashion model and also a dancer with the Grupo Taosenos who recently performed at the student orientation and open house at the newly dedicated World College in Montezuma, N.M.

Robles' pet macaw, Miss Scarlet, also posed for the painting and was a vital part in the conception of it since the macaw has been regarded as a sacred bird by the Pueblo Indians of Arizona and New Mexico. The scarlet macaw has been used in various ceremonial rituals from Pre-Columbian times to the present by the Pueblos.

Students from the nations of the world will attend the college in an effort to bring about peace and better understanding.

The studies offered for the world students is an intensive course equivalent to the last year of high school and the first year of college. Some areas of study include the arts, the humanities, and international affairs.

The chairman was the Marques de Portago and a partial list of vice chairmen who gave of their time and support for the three-day event include the following: Mr. and Mrs. Maxie Anderson, Duke and Duchess of Bedford, Mrs. Betty Sabo, Baroness Vittorio de Nora de Bavier, Mrs. Barbara Doolittle, Mrs. Sharman Douglas, Baroness Diergardt, Mrs. William Egoff, Dr. Aldo Gucci, Yasmin Aga Khan, Mrs. Ralph Leby, Mrs. Milton Petrie, Mrs. Oscar S. Wyatt, Jr., and Forrest Penn.

When Taos artist Robles was asked about his participation in the art exhibit, he said, "I am deeply grateful for the opportunity and honor of being able to contribute a portion of my talent and abilities to this worthy cause. I am confident that the ideals and purposes of the United World College of the American West will be realized and will be instrumental in bringing harmony and understanding to all people."

Final art sales exceeded \$125,000 benefiting the college.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE APOSTLE OF GRACE

Did you know that St. Paul was chosen by God as the apostle of grace?

He was God's great example of grace, the "chief of sinners" saved by grace (1 Tim. 1:12-16).

To him was committed "the dispensation of the grace of God" (Eph. 3:2).

He was sent forth to proclaim "the gospel of the grace of God" (Acts 20:24).

He wrote far more about grace than any other Bible writer.

All his epistles open or close (or both) with the salutation "Grace be to you."

He declares: "We have redemption through Christ's blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

He shows how this grace was planned for believers in ages past: "Who hath saved us and called us with an holy calling, not according to our works, but according to His own purpose and grace which was given us in Christ Jesus before the world began" (II Tim. 1:9).

He shows how this grace will be ours in ages to come: "That in the ages to come He might show the exceeding riches of His grace in His kindness toward us through Christ Jesus" (Eph. 2:7).

He shows how this grace is greater than all our sins: "Where sin abounded grace did much more abound" (Rom. 5:20).

He shows how grace gives us a righteous standing before God: "Being justified freely by His grace, through the redemption that is in Christ Jesus" (Rom. 3:24).

He shows how God's grace has given believers a position in heaven: "(He) hath made us to sit together in heavenly places in Christ Jesus... for by grace are ye saved, through faith..." (Eph. 2:6,8).

He shows how God's grace is sufficient for our difficulties and can help us to live consistent Christian lives: "My grace is sufficient for thee" (II Cor. 12:9). "And God is able to make all grace abound toward you, that ye, always having all sufficiency in all things, may abound to every good work" (II Cor. 9:8). Accept salvation "by grace... through faith" as "the gift of God" (Eph. 2:8,9).

Texas destined to be second largest state in nation by 1990

COLLEGE STATION — Texas is now the fastest growing state, says a census analyst who predicts that by 1990 the Lone Star State will be the second largest state in the nation.

Dr. Robert L. Skrabanek, a Texas A&M University sociologist and demographer, compares Texas to a "giant human magnet pulling people from all regions of the country."

"During the 15 month period ending July 1, 1981, Texas added more people than all the 22 northern states put together," said Skrabanek, "and for the first time, Texas had a larger growth rate in percentage and in number of people than the

nation's most populated state, California."

Winter Storm Hits Area

Old Man Winter blew into the Twin Cities area Tuesday night in the form of freezing rain and light snow, and by Wednesday morning, streets and sidewalks had a heavy coat of ice making any traveling treacherous. Area residents

were advised as to the slippery road conditions and travel was being discouraged due to the poor road conditions. Several area schools were closed and other schools were dismissed early. According to the area weather prognosticators, the

winter storm was to remain in the vicinity for the next few days. As the picture shows, trees in Farwell City Park were beginning to droop with the thick coat of ice on the branches.

Energy efficient homes could make you sick

COLLEGE STATION — Some homes are so energy efficient they could make you sick, says a Texas A&M University architect.

The problem is indoor pollution resulting from a build-up of dangerous chemicals and gases trapped inside buildings constructed with air infiltration barriers. The barriers reduce the rate air inside the building is exchanged with outside air, said Larry Degelman, professor of architecture and building construction.

Barriers, not to be confused with insulation such as polyethylene sheeting, can be

placed in walls and urethane foam can be sprayed around the 2x4's that form the base of houses built on concrete slabs. These barriers, which can reduce heating costs up to 25 percent, make it more difficult for the house to "breathe."

Degelman said dangerous gases like carbon monoxide and the radioactive gas radon (which is released naturally from soil and some building materials) can build up in these tight houses and pose a problem to the occupants.
