LFD Men Hospitalized In Two Car Accident

Two Littlefield men were injured Saturday night in a two car collision at the intersection of College Ave. and Copeland.

James Holmes, driver of one of the cars was taken to Littlefield Hospital where he is reported to be in good condition suffering from a neck injury. The other person injured was Melton Wilson, a passenger in the car driven by Starr Haile. Wilson received a skull fracture and brain injury in the accident. He is in Medical Arts Hospital and his condition is

good.

The accident happened at 9:06 p.m. Saturday. Haile was driving west on College Ave. and struck the Holmes car, which was traveling north on Copeland. Both cars ended up on Copeland striking the Holmes vehicle with the Holmes vehicle before coming to rest.

The damage to the Haile vehicle, a 1964 Mercury, was estimated at \$500 and Holmes' 1956 Buick was considered a total wreck. Holmes was cited for failure to yield the right of way.

Lamb County Spelling Bee To Be Held Here April 14

C. Roy Stevens, Lamb County Superintendent of Schools announced Monday that the 1965

spelling bee would be held April 14th in the District Court Room.

The contest had previously been scheduled for Saturday April 17, but was moved up to the present date due to county schools being out Friday the 16th.

Savings Bond Sales Increase

The citizens of Lamb County purchased \$14,192 in Savings Bonds during the month of February according to Mr. C. O. Stone, Chairman of the Lamb County Savings Bonds Committee. It brought the total for 1965 to \$23,938 which is seven percent of the 1965 goal for the county.

During the first two months of 1965, Texans purchased \$27,654,850 in United States Savings Bonds. This represents 18 percent of the state's goal of \$152,8 million.

"If you have not already filed your income tax return for 1964, we would like to remind you to get your tax refund in the form of U.S. Savings Bonds. You will be more apt to hang on to your refund if it is taken in Savings Bonds and you will also have the satisfaction of helping your country," Chairman Stone stated.

Council To Act On Five Items

The present City Council will hold their next to last regular meeting tonight with at least four items on the agenda.

The council is expected to pass an ordinance concerning the installation of pay telephone booths by General Telephone. The booths will be both the present type and also the type where it is possible to sit in the car while phoning. The Council will also take under consideration the proposal of a separate office for the city treasurer.

Other items on the agenda include a possible decision on the bids submitted for the new water billing machine; a special use permit for Joe Paul Owens; and the re-rental of the city slurry seal machine.

Cancer Drive Set Tomorrow

The Cancer Crusade will hold their business district drive starting at 9:30 tomorrow

morning, April 2.

More than 30 members headed by Mrs. T.L. Dunlap will meet at 9:15 in the Reddy Room to make final plans for the one

TWO MEN INJURED -- James Holmes, driver of the Buick pictured above suffered neck injuries when it collided with a car driven by Starr Haile at the intersection of College and Copeland. Melton Wilson, a passenger in the

Haile vehicle received a skull fracture and brain injury in the accident. The Buick was considered a total loss and \$500 damage was done to the other car.

COTTON SIGN-UP EXTENDED 1,624 County Farmers Sign Up For 1965 Feed Grain Program

More than 1,624 Lamb County farmers signed up to participate in the 1965 feed grain program according to figures released by L.E. Aten, ASCS manager here.

The deadline for signing was last Friday and the 1,624 figure includes all but the final day signees.

207,230 acres of feed grain base was involved, with grain sorghum accounting for all but 4,039 of the acreage. Farmers signing up in the program will grow 2,654 acres of corn and 1,385 of barley.

Included in the acreage is 81,184 acres which is to be diverted from not planting to feed grain and they will get paid for not planting. Aten said that a total of \$2,045,405.53 will be paid for the 81,184 acres. This will be paid in two payments, one now and the other this fall.

Mr. Aten said that the average of \$12 an acre for grain sorghum is expected again this year which would gross the farmers participating in the program \$1,512,552 for their 126,046 acres of hour campaign.

The Cancer business committee hopes to contact over 600 Littlefield business firms during the drive.

The new Crusade Against Cancer commemorative postage stamp was placed on sale in Washington, D.C. today and will be available tomorrow in the local post office.

because their cotton acreage is less than 15 acres.

This is the first year that it is necessary to sign-up for the program prior to planting. A similar program of domestic allotment was in effect last year but no sign-up was required until August which gave the farmer an opportunity to gauge yield before deciding to participate.

Farmers have a choice of planting within their domestic allotment, thereby qualifying for a payment of 4.35 cents per pound on the farm's established yield times the acreage planted for harvest in 1965 in addition to the price support of 29 cents per pound basis middling one-inch at average location or planting within their effective allotment.

Effective allotment is total acreage allotted after any release and reapportionment, and farmers electing to plant their effective allotment qualify for the 29 cents price support only, without the necessity for signing up.

Domestic allotment on most High Plains farms is 65 percent of the 1965 effective allotment, but on small farms for which 1965 allotment are not released to the County ASCS committee, domestic allotment is the smaller of 15 acres or the 1965 effective allotment.

Meanwhile the sign-up period for domestic cotton program has been extended to April 9. Only 214 farmers have signed up voluntarily for the program while an additional 128 were automatically signed up for the program

School Board elections will be held throughout the county and surrounding area Saturday with the number of candidates ranging from six at Spade and Sudan to only one at Pep.

The three County school trustees are all running for re-election with no opposition with Albert Lockwood, Littlefield, for the Trustee-at-large position, H.L. Woody for Trustee in precinct three which covers Littlefield and Spade, and N. Ray Kelly for the Trustee of precinct two, which is the Earth-Sprinklake area.

In Littlefield John D. Smith, present school board president and Buster Owens are running for re-election with Edwin Coffman being the other man in the race for the two positions on the board.

At Spade six men have filed for the three posts expiring this year. Incumbents Jack Stubblefield and Travis Hopper are seeking another term on the board while Ralph Matthews, John Vruble, Bob Myers and Alvin Whitfield all are seeking their first term.

Three posts are open on the Spade board as the third member whose term expires, Andy Jarnigan did not file for re-election.

Six men are also in the race at Sudan as Frank Lane, Bill Nix, Donnie Cowart, Bill Boyles, and Calvin Baker have joined incumbent Guy Walden in seeking the two open spots. W.B. Jones, Jr. is not running for another term.

Two women are among the five candidates that have filed at Anton for the three expiring terms. Mrs. D.C. Roberts and Mrs. Billy Goen are the only two members of the fairer sex seeking office throughout the county.

The other candidates are incumbents Zade Hooper and Douglas Teague while Boyd Goen is seeking his first term on the board. The present president of the board, Thomas B. Gilbert is not running for re-election.

Bula will have two new members of their school board as neither of the incumbents whose terms are expiring have filed this year.

Jimmy Cannon, Leon Kessler, Edward Crum, Elwood Autry and Harold Layton are the candidates seeking to fill the posts being vacated by Chester Selliff and Ray Spence.

Whitharral and Olton will also elect new members to their board as incumbents have not filed for another term on the board.

At Whitharral, Marion Polk, Bobby Grant and Erwin Sadler are candidates for the two board positions open with the expiration of the terms of Don Redding and George Wade, Jr.

Joe W. Hall, John Norfleet and Elmer McGill are the candidates running for their first term on the Olton school board to replace retiring members Fred Hicks and Roy Roberts.

At Amherst, Don Hevern, Lilburn Bales and Sam Harmon are in an enviable position as they are all running for their first full term on the school board with no opponents. Harmon has, however, been serving as a board member for the past year filling out the unexpired term of Clarence Black.

The other two board incumbents at Amherst whose terms expire this year, Charles Hinds and Everett Lightner are not running for another term on the board.

The Springlake election finds that the two incumbents, R.L. Byers, Jr., and Guy F. Kelley, are the only persons that have filed for the race.

Pep could use a few of the candidates from other towns as only one person, incumbent Fred Albus has filed for the election. Max Demel, whose term also expires, has declined to run and no one else has filed.

Pep school officials said that the other school board member will be elected by write-in votes then we will have to check on their eligibility before a final tabulation can be made.

To be eligible to vote in the school or school board elections, voters must have paid their poll tax prior to February 1 or have secured exemptions.

ROADSIDE VIEW -- Dr. Albert Perkins got a up-in-the-air of Phelps Ave. Sunday afternoon when he was 40 feet high in pictures of Littlefield's main street from the bucket of Southwestern Public Service truck. Others pictured are Carl Rotan (on truck) and L to R Bill Weigle, Dr. Carl Nowell and Kenneth Rotan.

Building Permits Show Increase During March

New building permits for March totaled \$59,000 an increase over the first two months of this year and almost double the February total.

The construction of three new one family residences made up \$37,400 of that total and brought the number of new homes under construction to eight for the year.

The largest single building permit was issued for the construction of Cox Appliance Store to be located on the Levelland Highway. The building permit was issued for \$18,000.

An addition to a residence accounted for \$3,500 of the total and the other permit issued was for \$100 for the construction of a storage building.

The March total brought the 1965 building permits to \$144,550, a decrease of almost \$240,000 from the 1964 figure of \$384,200 for the same period.

sort of article has been done in many ways, but the ingredients are similar everywhere:

1. Never attend any meetings. Just sit around and criticize about the way "they" are doing things.

2. Vote against any kind of tax levy - whether the purpose is good or not. "They" just want your money.

3. Make fun of the fire and police departments. "They" are just out there for the glory and pay.

4. Don't ever go to the movie, school concert or ball game, benefit program, or exhibit. Sit in a half-trance in front of that "idiot box".

5. Knock your city council. This is a must. Every one of them is just on the council to get a little kick-back.

6. Stay out of church. You might go on Easter and Christmas just to prove to yourself that the minister does not know what he's taking about and everyone there is a hypocrite.

7. Buy everything you can out of a discount catalog or mail order book. These firms are the first to come forth with donations and service to the community.

8. Don't support your town's newspaper. The out-of-town papers are a lot better and contribute much more to your town than the local bugle. But jump on your paper's editor the first time Aunt Hegatha's visit is left out - forget the other 10 times it was in.

9. Spread any story or rumor that is defamatory or uncomplimentary about the town. Never say nothing nice about nobody. All kids are delinquents, all businessmen are crooks.

10. Above all, always be skeptical and cynical about anything supposed to be good for the progress and betterment of the community.

Your motto should be: "If it's good, it can't happen here."

A WORD TO THE WISE -- Another case of a fire to burn off the old dead grass getting out of hand caused the loss of a fine evergreen bush. Littlefield Volunteer Fire Chief Leon Durham warns that there are at least six to eight fires each year where the owner

loses an evergreen. Durham cautioned that persons planning on getting rid of their grass in this manner should wait for a fairly calm day; have a water hose handy and clean out trash near evergreen bushes and trees prior to starting.

10 EASY STEPS

How to Ruin a Town."

The following is a reprint of them that appeared in the Littlefield Mo. News. Its message is self explanatory. We present it now as something Littlefield should have no reason to fear. But we would like to see the importance of our continued efforts to improve our community.

Pink and Blue Shower Honors Mrs. Gerber

The home of Mrs. Pete Sitton was the setting Tuesday afternoon for a pink and blue shower honoring Mrs. Butch Gerber. A spring theme was used for the serving table with colors of pink, blue and yellow. The hostesses alternated in serving miniature rolls, hot spiced tea and coffee. A silver tea and coffee service was used with other appointments of crystal.

Assisting Mrs. Sitton with hostess duties were Meses, Ernie Davis, Roger Lowe, James Walker, Doss W. Maner and Delbert Ross. The hostess gift was a musical pillow with a matching comfort.

A special guest was the honoree's mother-in-law of Andrews.

Scrap Book Prepared by Jaycee-ettes

The local Jaycee-ettes have been busy preparing their year's scrapbook. A meeting was held last Tuesday in the home of Mrs. Clinton Byers with Mrs. John Ed Hutchins, Mrs. Victor Neinst and Mrs. Gary Don Newton working on the book.

Mrs. Newton's home was the scene of the next meeting last Thursday when Mrs. Wayne Winfield and Mrs. Bob Gage assisted Mrs. Newton with the scrapbook.

The last meeting was held Tuesday in the Newton home with Mrs. Winfield, Mrs. Gage and Mrs. Neinst attending.

Birthday Party Honors Kenneth Walden Saturday

Kenneth Walden, son of Mr. and Mrs. Joe Walden, was honored Saturday afternoon on his eighth birthday with a party given at his home. A space theme was used in party decorations. The birthday cake was decorated with a rocket and flags. Space cups, napkins, etc. were used. Party favors were compasses.

Attending were Richard Barton, Johnny Richey, Randy Ross, Bodie Lyman, Stanley Eller, Danny Sisson, Mike Cotter and Chris Andrews.

Standerfer-Trotter Wedding Vows Pledged

Texas Tech juniors Miss Carol Ann Standerfer and Johnny Mac Trotter were married at 7:30 p.m. Saturday in the First Methodist Church of Hale Center. The Rev. Rex Mauldin, pastor, was the officiant for the ceremony.

Parents of the couple are Mr. and Mrs. E.K. Standerfer, Hale Center and Mr. and Mrs. M.A. Evitt of Anton.

The bride was escorted to the altar by her father. She wore a silk organza gown designed with a sheath silhouette having a lace and pearl trimmed neckline, a high rise set-in midriff and elbow length sleeves. A trellis design of lace and pearls accented the skirt front and the square cut detachable train. A snood of silk illusion was attached to an organza bow centered by flowers edged with pearls.

The bridal bouquet was a cluster of white roses entwined with a string of white pearls carried atop a white Bible.

Lela Mae Wilson of El Paso attended her sister as matron of honor and Miss Sandra Kay Standerfer, Texas Tech, also the bride's sister, served as maid of honor. Bridesmaids were Miss Anne Gossett, Rankin; and Anita Wright, Fort Worth. Toni Masters of Amarillo was the flower girl. The attendants wore blue peau de soie floor length dresses accented with bell shaped skirts and fitted bodices featuring portrait necklines and elbow length sleeves.

Matching sashes were worn at the waistline. They also wore snoods of peau de soie, patterned after the bride's. They wore short white gloves and carried single long-stem white roses.

John Burdett, Lubbock, was the best man. Other attendants to the bridegroom were Ed Standerfer, Denver, Colo. and Butch Standerfer, Hale Center, brothers of the bride; Kit Haynes, Pampa; Doyle Hardin, Midland; and Joe Lowke, Fort Worth.

A bouquet of white flowers stood before an archway of lighted candles tapered by candle trees.

Mrs. Don Masters and Dennis Price furnished the wedding music.

A reception followed in the Fellowship Hall of the church. Mrs. Pat Partin, Mrs. Joyce Pegram and Mrs. Pat Jones, sister of the bridegroom, served at the refreshment table, under the direction of Mrs. Lila Freeman.

The bride chose a blue light wool sleeveless dress with a suit jacket and matching blue accessories for travel to El Paso and Mexico.

Mr. and Mrs. Trotter will reside at 2405 10th, Apt. E., Lubbock. Mrs. Trotter is a junior business education major at Tech. She is a member of Phi Gamma Nu and Tau Beta Sigma sororities. Her husband

is majoring in traffic management at Tech and is a member of Delta Sigma Pi fraternity.

Zing into spring! Corvair by Chevrolet

New Corvair Corsa Convertible and Sport Coupe top Corvair 7-model lineup for '65—all with Body by Fisher.

The steering's crisper, the ride's flatter, the style's racier — even the grass looks a shade greener from behind the wheel of this new Corvair

You'll find a Corvair Corsa's instrument panel vastly more informative than an ordinary car's. But that's really only a fringe benefit of driving one.

Because for all its finely calibrated instrumentation — tachometer, manifold pressure gauge, even an electric clock with a sweep second hand for rally buffs — the most important thing that happens when you get a Corsa out on the road doesn't register on the dash. It registers on you.

You feel it in the steering — crisp and precise — as you double back on a curve. In the flat riveted-to-the-road stability of the new fully independent

suspension. In the response of the rear engine (up to 180 hp available now in Corsa's Turbo-Charged version).

You don't have to wear a sports car cap and sun goggles to appreciate things like this. Or the clean international cut of Corvair's styling.

Drop down to your dealer's now — while the trading's extra good — and see for yourself. Look over the dashboard gadgetry all you like, but by all means get out on the road where you can really handle the merchandise. We'll guarantee spring will look greener, sun goggles or no.

Methodist Church Receives Carpet

The Methodist Youth Fellowship saw a dream materialize last week when carpeting was laid in the church aisle and front of the altar and communion rail. Other improvements were made. Members of the M.Y.F. have had several projects the past several months to make the improvements possible. Mr. and Mrs. Alvin Messamore and Mr. and Mrs. Leroy Maxfield are sponsors for the M.Y.F. and Debbie Stagner is president.

Mr. and Mrs. W.T. Weaver, Jr. went to Corpus Christi Sunday to return his father to their home here. Mr. Weaver suffered a severe heart attack while he and Mrs. Weaver were fishing early in March. Their son, Ivan Dale and family were there and were to assist his mother on the return trip.

Mr. and Mrs. Sam McCormick and children of Amarillo spent the weekend with her parents, the Bob Simmons, and his parents, the Paul McCormicks in Littlefield.

Mr. and Mrs. John Jones of Albuquerque have moved to Amherst. They are residing in the Enloe Apartments.

The J.F. Byrum family was given a surprise "housewarming" at their new home three miles northwest of town Tuesday night of last week. The gift from the large host group was a "money tree". The miniature tree had roses surrounding the base and money of various values was tied with satin ribbons to the branches. Homemade cookies, Cokes and Dr. Peppers were refreshments served.

Jay Peel, the 10 year old son of Mr. and Mrs. Homer Peel fell from a tree, while visiting his uncle Jack Peel in Littlefield Saturday afternoon. He had gone up the tree to dislodge his kite and in the fall broke both arms above the wrists. He was taken to the Littlefield Hospital where he will be a patient several days.

Mr. and Mrs. Ronnie Schroeder and Chad of Lubbock spent the weekend with their parents, the Alfred Schroeders and the S.E. Lightners.

Mr. and Mrs. Virgil Hinds spent several days with relatives in Mangum, Okla. and in Prague with their daughter and family. Mr. and Mrs. Earl Sands, son and daughter.

Johnny Stokes, a sophomore at Texas Tech, was here for the weekend with his mother, Mrs. Clara Stokes. He has part-time employment at Tech.

Mrs. Oby Blanchard returned home Thursday from a visit with her daughter, Mrs. Raymond Gilder and family in Fort Worth. She stopped in Vernon for a few days with relatives early last week.

Mr. and Mrs. Jeff Brantley and children of Albuquerque were here for the Watkins-Brantley wedding in Sudan Friday night.

Mr. and Mrs. Larry Hensley of Lubbock spent the weekend with her parents, Mr. and Mrs. Cletis Dunn and family.

Sunday dinner guests of Mr. and Mrs. A.Z. Dunn in Littlefield were Mr. and Mrs. Cletis Dunn, June and Ray, and the Larry Hensleys of Lubbock. Mr. and Mrs. Jay Elms of Shallowater are spending the Tech vacation with their parents, the Bill Elms and Dot Hevrens.

Judy Bowman was home from West Texas State for the weekend with her parents.

Mrs. J.R. Simmons and her daughter, Mrs. Jack Taylor, of Littlefield, were in Tucumcari Sunday with another daughter, Mrs. Stanley Richardson. The Richardsons are moving to El Paso.

M/Sgt. Bobby Ray Vaughn of Little Rock, Ark. spent Thursday to Sunday with his parents, Mr. and Mrs. L.E. Vaughn. Sunday guests in the Raymond Duvall home were her parents, Mr. and Mrs. J.E. Williams of Earth and her sister and family, Mr. and Mrs. Ray Verner and sons of Bovina. Eddie Duvall celebrated his eighth birthday that day.

Mrs. Urcle Reno continues to improve from several weeks illness in the local hospital. She and Mr. Reno make their home with her sister, Mrs. Theola Sherrill.

Mr. and Mrs. Ed Nicholson returned to Corpus Christi Tuesday of last week. They came home last month when she became sick with flu.

Fred Wilson and Joe Brandstatt are fishing at Falcon Lake this week. They left Sunday.

Guests of Mrs. Effie Tapley Sunday afternoon were her granddaughters, Mrs. Clinton Byers and son of Littlefield, and Mrs. Georgia Stephens and children of Lubbock.

Mr. and Mrs. Albert Johnson spent the weekend in Spearman with their son Dorman and family.

Mr. and Mrs. Clifford (Bakey) Miller and son of Lubbock, formerly of Amherst, moved to North Little Rock, Ark. last week. He has employment there.

Weekend guest in the J.C. Franks home was Mrs. Vevion Kirk of Littlefield.

Mr. and Mrs. Jack Yarbrough were visitors in Corpus Christi and Del Rio last week.

Mrs. A.F. Copeland and Mrs. Don Turner were in Childress for the weekend with relatives.

In the track meet held at South Plains Junior College, Levelland, Saturday, the following places were won by Amherst entrants:

Leon Hardwick, 2nd in 220 yard dash; Guy Hufstедler, 6th in 100 yard dash; Keith Kelton, 5th in broad jump; mile relay, fifth. James McAdams, Billy Hardwick, Guy Hufstедler, Billy Sherrill; sprint relay, 3rd, Guy Hufstедler, Eddie Hedges, Leon Hardwick.

Stanley Simmons made first all-district basketball team, Billy Sherrill, second, Katie Hardwick, the first team and Wanda Durham the second team. Players will go to Kress Saturday. Coach Bert Grimes announced.

Mr. and Mrs. J.P. Brantley and Joanie were dinner guests of Mr. and Mrs. Vernon Wood of Olton Saturday. They were there for a visit with Mrs. Brantley's nephews and families. Mr. and Mrs. Truman Wood, Deana, Nita and Sherry and Jack Wood of Albuquerque, N.M.

Mr. and Mrs. Lamar Kelly, Kathy and Mark returned home Thursday. They had attended funeral services for his mother in Tipton, Okla.

Graveside services in Amherst Cemetery were held at 10 a.m. Tuesday for Tony Molina, 58, Payne Funeral Home had charge of arrangements.

He had lived here since 1952 and had been employed by the city part of that time.

Survivors are his wife, Mary; one daughter, Mrs. Joe Perez, Amherst; two sons, John of Phoenix, Aduelfo of Omaha, Neb.; his mother, Mrs. Flipa Molina, Lamesa; three brothers and two sisters and five grandchildren.

Spade PTA Meets Tonight

Mrs. Jack Strong of Lubbock, the nominee for District President of Texas Congress of Parents and Teachers, will be the installing officer for the Spade PTA officers and chairmen for next year Thursday night. The PTA meeting will be held at 7:30 p.m. in the school auditorium.

Music will be furnished by the first grade under the direction of Mrs. Joe Bailey, teacher.

J.S. Bridges, high school principal, will give the meditation.

This will be the last meeting of the school year and all members are urged to make a special effort to attend.

The executive committee, which is composed of officers and committee chairmen, will meet at 7 p.m. in the auditorium.

Tower To Speak At Wayland April 5

Inaugurating American Heritage Week, April 5, at Wayland Baptist College will be Thubton Jigme Norbu, a Tibetan exile, who will be followed by other outstanding lecturers on many facets of the heritage of America.

Charles F. Ogilvie, director of Wayland's Plains American Heritage Program for a 5-county area, extends an invitation to young and old to attend these lectures which are open without charge to the public.

Other speakers include Sen. John G. Tower, Robert H. Lawrence, Forth Worth, executive director of Texas Bureau for Economic Understanding; Dr. Walter B. Posey, Atlanta, Ga., a foremost church historian; Dr. R.A. Larson, Laramie, Wyo., a Sagebrush humorist and Western historian; and Dr. Robert E. Brown, historian from Michigan State University.

Opening Wayland's first full week of emphasis on American Heritage will be two lectures on Monday, April 5, by Norbu, brother of the Dalai Lama of Tibet. He will emphasize in a particular way at the 10 a.m. chapel session the precious prize of American freedom as he relates his life story, ranging from his early years as a shepherd to a high-ranking monk at the great monastery of Kumbum. He is expected to relate how, after knowing great wealth and prominence, he was

virtually imprisoned in his own monastery by the Red Chinese before he was successful in fleeing his homeland.

Monday evening at 7:30 Norbu will show a rare documentary film, "Tibet is My Country," which is the actual flight of his brother, the spiritual leader of Tibet. This 45-minute film shows some occurrences not captured in any other motion picture.

Senator Tower, Texas' Republican senator, will speak twice on Tuesday, April 6, at 10:50 a.m. and again at 8 p.m. on current American heritage.

Lawrence, who will be featured speaker for the 10 a.m. Wednesday, chapel program, will also represent the Texas Bureau of Economic Understanding before area public schools and civic clubs during the week. The Bureau, which supports Wayland's Heritage Program, has been acclaimed for its sponsorship of studies of American Heritage in Texas public schools.

Dr. Posey will speak on Theodore Roosevelt at the 10:50 a.m. Thursday session. Of particular interest is "The Heroic Era in Southern Protestantism." Of Posey has been said, "everyone will enjoy him, although many will disagree with him."

Dr. Larson, who heads the University of Wyoming's Coe School of American Studies,

comes for two lectures Tuesday. At 10 a.m. he will discuss the week's program under the title, "Slaughter Memorial" for which reservation is necessary. Dr. Larson will speak on "The Western Reality."

Following the 8 p.m. in Gates Auditorium, Dr. Robert E. Brown, professor of history at Michigan University, will lead an open lecture on "The American Heritage."

For the final lecture week, at 10 a.m. Saturday, Brown has chosen the "The New Interpretation of the Constitution." An informal meeting with Brown and Dr. Larson will follow immediately that day and will close Wayland's American Heritage Week.

Plymouth sales in Texas prove it!

TEXANS LIKE TEXAS-SIZE PLYMOUTHS

'65 Plymouth Fury

It's no surprise that Plymouth sales for the '65 model year are up over last year and still going strong. Texans like things "Texas-size" and Plymouth for '65 certainly fills the bill. The Plymouth Fury is the biggest, plushest Plymouth ever—but still solidly in the low-price field. And every Plymouth has a 5-year/50,000-mile engine and drive train warranty.*

*HERE'S HOW PLYMOUTH'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU:

Chrysler Corporation confidently warrants all of the following vital parts of its 190 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty: oil filter every second oil change, clean carburetor air filter every 6 months and replace it every 2 years, and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Health And Safety Tips

Since the dawn of civilization human race has sought to improve its physical appearance with cosmetics. Cosmetics are very much a part of 20th century life in the world. Occasionally they can cause health problems, considering the millions of applications of innumerable cosmetics, the incidence of rashes and other irritations from their use is very low. A pamphlet of the American Medical Association. Nevertheless, sufficient numbers of cases of dermatitis (skin ailment) directly traceable to the use of cosmetic products come to the attention of the dermatologist (medical skin specialist) and the manufacturer to warrant continued search for safer products, the pampers.

Some of the skin problems that might be traceable to cosmetics are dry, scaly, itchy, red, swollen eyelids; rash on neck and ears; pigmented spots on exposed areas such as cheek, and skin problems on the fingernails.

If you suspect that a cosmetic may be causing a skin problem, the first step is to see your doctor and ask his guidance in determining the cause. Help your doctor reach a diagnosis, there are some things you can do --

Stop use of all cosmetics temporarily.

Shampoo the hair with a soap to remove all hair preparations.

Stop the use of all creams, ointments, cleansing creams, skin lotions, tissue and skin creams.

Wash the face with an unperfumed soap.

Remove nail lacquer.

Bring to the doctor's office all cosmetics used, both old and new, for examination and testing. This includes cosmetic sponges and powder puffs.

If there has been a recent change to a beauty parlor, obtain samples of and samples of actual cosmetics that were used.

If the lips are not involved, the use of lipstick may be discontinued.

The cosmetic responsible for the skin trouble might be new one, or it may be one that has been used for many years. The hypersensitivity may have built up gradually over a long period of time. Or, the manufacturer may have changed the ingredients.

ACCENT ON HEALTH

Multiple sclerosis is one of the major disorders affecting the central nervous system. It is also one of the most mysterious.

The cause is unknown, and there is no known cure or specific treatment. Yet there is hope for considerable hope for multiple sclerosis today. Knowledge is being gathered as investigators dig deep into its origins and behavior.

Today, the multiple sclerosis patient lives longer than was possible years ago. Many people with mild or even moderately severe cases can live normal lives and work regularly for years.

Multiple sclerosis is not contagious nor is it an inherited disease. It is "multiple" both in the sense that it attacks various parts of the body at once, and in the sense that it frequently returns after a period of improvement. It is "chronic" - it leaves scars at the points where loss of protective covering takes place.

The loss of the myelin sheath and faulty insulation or protection of these nerve fibers of the spinal cord and brain. This is the human body much as it would an electrical wire. When the insulation, or covering, becomes frayed or faulty, electrical impulses or signals go astray.

Hence, the characteristics of multiple sclerosis may include tremor or tremor, extreme weakness, and progressive paralysis. Early warning signs are slurred speech, along with tingling sensations and numbness. Other symptoms are stumbling, poor coordination, shimmering movements of the eyes, and double vision. In advanced cases, there may be loss of bladder or bowel control.

Persons with multiple sclerosis does not always have all the symptoms, and someone having one or more of these symptoms may not have multiple sclerosis. Moreover, many multiple sclerosis patients have "remissions," periods of months or even years when symptoms disappear.

A physician can advise treatment in many cases - a balanced general diet, physiotherapy, and rehabilitative training of the patient.

Training in the basic physical skills of daily living helps the handicapped person find major satisfaction and aids his mental outlook.

DARLING DAGMAR

One of the biggest wrestling cards ever presented in Littlefield is scheduled for next Saturday night. Heading the great attraction list are midget girls... 86 pound Darling Dagmar and 85 pound Diamond Lil. Another great headliner is Matsuda, the champion of all Japan and the former world junior heavy weight champion, who enters the ring against Pedro Godoy. Also slated for next Saturday night is a match between Sato from Japan and Jose Lothario.

In the featured bout last Saturday Lothario won over Ken Lucas in 2 out of 3 falls with his famous punch in the neck bringing the victory. Sato also won over Pretty Boy Sputnik Monroe and Dory Funk gave Duke Hoffman a great battle to win the opening match.

Due to the exciting and unusual card a capacity crowd is anticipated at the Littlefield Sports Arena. Reserved seats may be obtained from Mrs. John Ussery by calling 385-4112.

Questions & Answers

Q -- In the event that both my wife and I should die, what would the VA do about my GI insurance. My children are contingent beneficiaries but they are too young to handle it.
A -- The VA legal division would work with the court to appoint a guardian to handle this as well as any VA pension rights which the children might have.

Q -- If a reservist is injured while traveling to or from authorized training duty, is there any benefit available from the VA?
A -- Such injuries may be service-connected and compensation or treatment may be provided by law. Contact your VA Regional Office.

**Penney's Earnings Reach Peak
In First \$2 Billion Sales Year**

NEW YORK -- Highest sales
and earnings in the 63-year his-
tory of J.C. Penney Company,
department store chain, were
reported today (March 24) for
the 12 months ended Jan. 31,
1965.

Chrmn, William M. Batten
and Pres. Ray H. Jordan dis-
closed net earnings for the 1964
fiscal year of \$68,271,402 again-
st \$55,292,198 for fiscal 1963,
an increase of 23.5 per cent or
\$12,979,204.

These earnings were equal to
\$2.74 a share on 24,947,126
shares of common stock out-
standing against \$2.22 a share
for fiscal 1963, the previous re-
cord year.

Earnings reflected a year in
which total sales exceeded \$2
billion for the first time. Vol-
ume amounted to \$2,079,425,668
against \$1,834,317,527 last year,
an increase of 13.4 per cent or
\$245,108,141. It was the 10th
straight year of record sales.
At the same time, record sal-

es and earnings also were ach-
ieved for the fourth quarter,
traditionally the most signifi-
cant to retailers in the total
year's performance.

Earnings for the quarter end-
ed Jan. 31 amounted to \$24,-
634,988, or 99 cents a share,
compared with \$22,212,591, or
89 cents a share, for the same
period of the 1963 fiscal year.
Sales rose to \$680,476,658 from
\$612,715,638.

Included in the reported earn-
ings of the Penney Company for
the 1964 fiscal year were net
earnings of \$1,193,053 for J.C.
Penney Credit Corporation.

Through the end of the fiscal
1964, the Credit Corporation,
wholly owned finance subsidiary
established in April, 1964, pur-
chased receivables from the
Penney Company aggregating
\$614,039,023.

The percentage of Penney
credit sales to total sales rose
to 30.3 per cent or \$629,443,379.
This compared with 27.6 per
cent or \$507,019,735 last year.

Continued progress in the
Penney Company's store expan-
sion and modernization program
was achieved in 1964, with the
opening of 24 new stores, includ-
ing 16 existing units which were
moved to new buildings. The 24
new stores averaged about
80,000 square feet, and 9 ex-
ceeded 100,000 square feet.

At the same time, substantial
progress was made in the Com-
pany's long-range plans for
broadening merchandise lines
and further developing the cata-
log business.

Planned for the fiscal 1965 are
34 new stores, including 26 to
be moved from existing loca-
tions to new buildings.

The Company's 1965 expan-
sion program calls for addition
of more than 3 million square
feet of new floor space com-
pared with 2.1 million in 1964.

The number of Penney de-
partment stores in operation in
48 states at the end of fiscal
1964 was 1,676 against 1,680 a
year ago.

WITH YOUR EYES**

Most people do not give their eyes the best possible care. To further complicate the danger, some unscrupulous promoters offer eye products that delay proper treatment, even though causing no immediate harm. Be wary of mail-order medicine men.

Don't be misled by claims that "magic" salves or drops will dissolve cataracts. You ultimately save no money when getting improperly fitted glasses by mail. Depend on your local licensed supplier. And, if your eyes need treatment let no one but a physician tell you what to do.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Farmers, especially those living near large cities, would get a big tax break under a constitutional amendment now pending in a House committee. Bill by Rep. W. T. (Bill) Dungan of McKinney, calls for farmland being used for agricultural purposes to be taxed on its productive capacity, instead of its market value.

Witnesses testifying before the House Constitutional Amendment Committee said that in some cases taxes exceed the dollar-yield of the land being used for farming or ranching. In those cases, pressure to sell the land for residential or commercial development virtually impossible to resist.

Testifying in favor of the resolution, Rep. Alonzo Jamison of Denton said Texas soon may get to the point when only people with city jobs will be able to afford land in the countryside.

Other supporters were representatives of the Texas Farm Bureau, the Texas Farmers Union, the South Texas Milk Producers Association and farm bureaus of Nueces and Hays counties.

Dungan said the proposal provides for land to be assessed at lower rates so long as it is in agricultural use. At the time the land is taken out of agricultural production, it would have a lien for the difference between the agricultural tax evaluation and the market value the seven preceding years. Tax would be payable either by the farmer or the buyer.

STUDENT LOANS -- Texas students from junior college to graduate school level would be able to get state-financial loans to pay for their educations under a proposed constitutional amendment due to go to voters in November. Senate approved the measure by Rep. George Hinson of Mine-

APPOINTMENTS ANNOUNCED—Four University of Texas regents have been named by Governor Connally. Three of them were confirmed by the Senate a few days later.

Connally reappointed W. W. Heath of Austin. Also named were Jack S. Josey of Houston, W. H. Bauer of Port Lavaca and former Congressman Frank N. Ikard of Wichita Falls. Josey, Bauer and Heath were speedily confirmed. Ikard, who is working in New York, has not yet been interviewed by the Senate nominations committee.

Connally also announced nine appointments to the Texas State Historical Survey Committee. Re-appointed are Patrick E. Taggart of Waco, Charles R. Woodburn of Amarillo, Edward H. Harte of Corpus Christi, and Lewis R. Timberlake of Austin. Others named are R. Don Thorne of El Paso, Thomas C. Unis of Dallas, Harold L. Kennedy of Fort Worth and Robert L. Lowry of Houston.

RURAL PHONE SERVICE—Rural citizens are open to discrimination by some telephone companies, House State Affairs Committee was told. Witnesses from East, Central and North Texas testified at a hearing in favor of a bill to give commissioners courts or a state commission power to regulate rural area telephone rates.

Bill by Reps. Dick Cherry of Waco and James D. Cole of Greenville was sent to subcommittee.

STATE PARK IMPROVEMENT—Nearly 100 piney woods residents jointly presented Governor Connally the report of the Big Thicket Park Study Commission. Included were recommendations that an additional 2,000 acres be acquired for the Alabama-Coushatta Indian Reservation; that a 200-acre be set aside immediately south of the reservation; that a 10,000-acre Big Thicket State Forest be created south of the camp area; that 15,000 acres be acquired and designated as a Wildlife and Wilderness Area; and that 90 percent of the Big Thicket country be retained for private uses, but kept in character with the park project.

Texas Highway Department meanwhile announced plans to construct improvements on FM 1915 to make Caddo Lake more accessible to Northeast Texas residents. Project is part of the department program of working with local areas in developing recreational resources.

CAR PROPERTY TAX BOOSTED—Auto owners would have to show proof that they have paid their vehicle property taxes before they could get license plates under a bill approved by the House Revenue and Tax Committee.

Bill by Rep. John Traeger of Seguin, familiar to legislators from past sessions, now is on House calendar for debate.

GAMBLING CURB OFFERED—Proponents of legalized race horse betting have a rival in a proposed constitutional amendment sponsored by Rep. Rayford Price of Frankston to

WEEVIL PROGRAM REPORTED HUGE SUCCESS—High praise for amazing results was the order of the day March 17

and 18 in Lubbock when officials of the High Plains Boll Weevil Control Program met to review the 1964 spray program and lay plans for spraying in 1965.

Both field evaluation during the program and winter trash surveys in January of this year revealed a reduction in the overwintering weevil populations of about 90 percent, a record said by Dr. Perry L. Adkisson of the Texas A & M Department of Entomology to be "almost unbelievable." D.H. Russell, Lubbock Supervisor of the USDA's Plant Pest Control Division described the results as "phenomenal," especially considering that no program of this scope and nature had ever been attempted before and that sprays were beset from the start with adverse weather.

Field evaluation was made during the actual spraying by comparing weevil counts in treated fields with counts in untreated fields, and winter trash examination was compared with a similar study made at the same time of year in 1963.

Agencies involved in carrying out the program are the Plant Pest Control Division of USDA, the Texas Department of Agriculture, Texas Tech, Texas A & M University, Mississippi State College and, the Extension Service, with Plains Cotton Growers, Inc. serving as the coordinating agency. Don Anderson, Chairman of the Boll Weevil Steering Committee, paid lavish compliments to the personnel of these agencies for the manner in which the program was progressing.

Reporting on the physical attributes of the program, Russell said that almost 300,000 acres of cotton belonging to 3,000 farmers across 9 counties were sprayed from four to six times for an aggregate total of 1,136,664 acres; 123,618 gallons of malathion in technical form (a new material used extensively for boll weevil control for the first time in the High Plains program) was applied; 20 spray aircraft and five observation aircraft operating from 21 airstrips were used, and over 200 men were employed full time during the mid-September to mid-November spray period. Preliminary accounting figures set cost of 1964 sprayings at \$1,163,778.28.

Dr. J.C. Gaines, head of Texas A & M's Entomology Department, told the group that weevil research efforts will continue through the Spring, Summer and Fall, and should furnish answers to some of the questions about the High Plains weevil's biological processes. These answers, he said, could

prohibit all forms of organized gambling. "The unfairness thing I ever saw to the little ponies," lamented Rep. V. E. (Red) Berry of San Antonio, perennial champion of horse racing.

MEDICAL AID ADVANCES—Bill to set up assistance payments for medical and hospital attention to persons over 65 who are not on the Old Age Assistance rolls is taking a speedy trip through the House.

Bill makes it possible for the state to take advantage more extensively of federal matching funds available under the Kerr-Mills program. In the Senate, the bill probably will be held up pending action by Congress on new legislation for medical aid to the aged. Senate may write in provisions allowing Texas to participate in the newer programs before passing the bill. If this is done, then the final details would be worked out by a conference committee of members from both chambers.

FEBRUARY BUILDING DOWN—Total building in Texas during February was eight per cent less than February of 1964. However, it was a five per cent increase over January. Bureau of Business Research at University of Texas also reports that new residential construction of \$52,800,000 for the month was down 18 per cent from the same period last year. Non-residential building totalled \$47,600,000.

SHORT SHORTS—A bill to let county commissioners enforce speeding and littering laws on public beaches passed the Senate and went to the House. A proposed constitutional amendment by Sen. Grady Hazlewood of Amarillo which would have kept the state and local governments from interfering with discrimination in property sales died a quiet death as a Senate committee holding a hearing on it was confronted with a large group of opposing clergymen.

A Senate committee approved a bill by Sen. Jim Bates of Edinburg authorizing 18 per cent bank rates for loans up to \$12,000. Senate approved four-year terms for governor and other statewide officials.

State government would go on smoothly if a third of the Texas Constitution were repealed, Rep. Carl Parker argued in support of bill to set up a Constitutional Revision Commission.

Proposal to change the name of East Texas College at Commerce to "East Texas State University" received final legislative clearance and was sent to the governor.

Secretary of State Crawford Martin approved articles of incorporation for Frio-La Salle-McMullen counties' Economic Opportunities Development Corporation to participate in the war on poverty program.

Former Resident Named Farmer Of Year At Hart

Roy Taack of Hart was named Conservation Farmer of the Year at a noon meeting of the Lions Club of Hart. He is a former Lamb County resident, having had a farm near Littlefield.

Pete Wright of the Dimmitt Soil Conservation office presented the award to Taack on behalf of the district board of supervisors of the Running Water Soil Conservation Districts.

Described as having done an outstanding job of soil and water conservation, Taack was also recognized for his work in assisting the district in the proposed Running Watershed Project and for his work in promoting pasture planting within the district.

Wade Mills, chairman of the district, had this to say, "Roy has set a fine example for others in the job of soil and water conservation he has done. His farm has become a showplace of conservation with each needed job having been done. Others in our district could well profit by the job Roy has done and should go by and see what he has on the ground."

prove highly beneficial to the High Plains control program. Ed Dean, Field Service Representative for Plains Cotton Growers, gave the program financial report and stated that over 97 percent of the 50 cents per bale collections were retained, with less than 3 percent of producers requesting refunds.

Area Churches To Hold Spanish-Anglo Services

Spanish-Anglo services will be held at the First Methodist Church of Littlefield Sunday.

DR. ROBERTO PEDRAZA

Monday and Tuesday sponsored by the Methodist churches of Amherst, Anton, Spade and Littlefield.

Dr. Roberto Pedraza, president of Lydia Patterson Institute, a Latin-American Methodist school, serving more than 750 students from U.S., Mexico, Central and South America, will be the featured speaker.

Dr. Pedraza will speak at the morning service at 10:55 a.m., youth service at 5 p.m. and evening service at 7 p.m. Sunday. He will also speak at the 7 a.m. breakfasts Monday and Tuesday and the 7:30 p.m. services both days.

He holds a BA in Economics from the University of Texas; MA in Social Science from the University of Denver; Th.M. from Iliff Seminary, and a Doctorate in Education from the

University of Denver. He was appointed Director of Christian Education, Promotion and Supervisor of Spanish-speaking Methodism in California and Arizona and has held pastorates in Denver and California.

Besides his experience as educator and minister, he was Special Associate of the Good Neighbor Commission of Texas whose main job was to create good will between Anglos and Latin-Americans. He is one of the founders of the Goodwill Industries in Mexico.

The public is extended a cordial invitation to attend these special services.

Army Openings Available In Technician Field

The Army now has openings for trainees in the Aviation Mechanic and Electronic Technician fields, according to Sgt. Larry Hooley Army counselor for the Littlefield area.

High School graduates who are interested in training for these highly paid skills are encouraged to contact Sgt. Hooley at the Court House or Post Office every Wednesday. Sgt. Hooley may also be contacted by telephoning PO 3-2821 collect in Lubbock or by visiting the U S Army Recruiting Station at 1010-13th St. Lubbock, Texas.

Young men who are interested in the program will be given aptitude tests to determine their qualifications for training in the fields, and then will, if qualified, be offered the opportunity to enlist in the U S Army for a period of three years with the guaranty of attending the school of their choice after completion of eight weeks training.

Redings Host Skating Party at Carlisle

Mr. and Mrs. Don Reding, assisted by Mrs. George Wade, Jr. and Mrs. Bob Grant, hosted a skating party for the "younger fry" Friday evening at Carlisle.

After skating for several hours the group went to a drive-in for eats on their return home.

Attending were Gary Polk, David Minter, James and Gary Hayes, Bud and Roger Reding, Randy, Greg, Gordon and Russell Wade, Mike and Mitch Mitchell, Rickie Doshier, Johnny Claborn, Jackie Bryant, Terri Howard and Joli Grant.

Recent guests of the Henry Womack here were Mrs. David Womack, Louis, Sherry, Robbie, William and Shelia of Ropesville.

Mrs. George Lyle has returned from Austin where she visited her mother and other relatives.

Mrs. Ray Denney has had as her guests her mother, Mrs. P.L. Jarrell of Duncan and her sister Mrs. Lenora Rollins of Oklahoma City, Okla. Mrs. Jarrell underwent minor surgery recently at University Hospital in Lubbock.

Mr. and Mrs. Claude Lee Horton, Jim and Brad arrived Saturday to visit the lady's parents, Mr. and Mrs. J.M. Mixon, and to attend the Whitharral Ex-Students Meeting here Saturday evening. Shortly after their arrival Brad received an eye injury when he was playing with a bow and arrow. The arrow, a grain stalk, backfired and went into his left eye. He was taken to Littlefield Hospital but later was rushed to the West Texas Hospital in Lubbock where he is under the care of specialists. It is not known as to the extent of the injury.

Lee Roy Taylor of San Diego, California, spent the weekend here with his parents, Mr. and Mrs. J.C. Taylor and other relatives. He attended the Ex-Students Meeting here Saturday evening. Others meeting him here for a family reunion were Mr. and Mrs. Lavern Taylor and Kenneth of Olton; Mr. and Mrs. J.D. Kirkland and sons of Dimmitt; Mr. and Mrs. Glendell Ray Taylor and children of Levelland; Mr. and Mrs. Wendell

McInroe and children of Lubbock.

Mr. and Mrs. James W. Bowman, Steve, Tom, Sherry and Rickie of Blooming Grove were guests in the Don Reding home Thursday to Saturday. They formerly resided here. Bowman was superintendent of the Whitharral schools for several years.

Mrs. Jack Bryant was released Saturday from several days stay in the Medical Arts Hospital, Littlefield.

Mr. and Mrs. Leland Waters of Dallas visited relatives here, at Lubbock, and Levelland from Thursday to Sunday and attended the Ex-Students banquet here Saturday evening.

Mr. and Mrs. J.M. Horton left Sunday for Oklahoma City, Okla. where Horton goes for a check-up and tests.
