

WELLS STARTING W DRIVE

Joe Wells one-man war drive is underway.
The second drive sold \$14,000 in bonds.
It wouldn't be surprising if the second drive sells double the amount.
The Littlefield contractor checks and promises for the amount, and he hasn't really work.
The editor of the Leader didn't expect to do for the next two weeks bonds.
A person expects me to wait; they are just going to wait; I have a lot of to sell," commented the bond drive captain.

Salvation Army Makes Drive For 1943-44 Funds

The Salvation Army annual campaign for operating funds will be in a very few days.

John Trummell, who started here March 22, 1936, and is on his second year of service, has returned to Littlefield in the raising of this month's 1943-44 budget.

The members of the advisory board know and appreciate the work done by the Salvation Army during the seven years it has been operating in and around Littlefield.

There is a demand at present for relief in a very small in the previous years but one knows the Salvation Army is not only a social organization but a religious organization as well. The services of a religious organization are needed by both rich and poor more than at any other time in our existence as we are

SECOND WAR LOAN QUOTA FOR LAMB COUNTY WILL BE \$428,000

About 200 Women From 22 Counties Expected To Attend

Campaign To Start April 12; Continue Throughout Month

Pat Boone And W. J. Chesher Head Committees On Gigantic Campaign

The second War Loan Drive will start April 12, and continue throughout the month.

The Nation has been asked to purchase 13 billion dollars in War Bonds.

Of this immense total Lamb County's quota has been placed at \$428,000 as announced by R. R. Gilbert, Chairman of War Finance Committee, 11th Federal Reserve District.

Pat Boone, who has been serving as County Chairman of War Bond Committee, has been also named County Chairman of War Finance Committee by Mr. Gilbert recently.

Members of the old Bond Committee who will assist Mr. Boone in this campaign are the following: Ellis Foust, H. C. (Clay) Pumphrey, W. D. T. Storey, J. C. Hilbun, J. O. Garlington, L. B. Stone, C. O. Stone, Homer Hall, L. C. Hewitt, E. A. Bills, F. A. Hemphill, J. A. Price, W. D. Watkins and Ralph Smith.

W. J. (Bill) Chesher has been named local Chairman of the U. S. Treasury Victory Fund Committee, and team captains named to assist him in this drive are: M. M. Brittain, Floyd Coffman, I. T. Shotwell, Lowell Short, Oscar Wilemon, Norman Renfro, Lester Walters, Hardy Shelby and J. W. Keithley.

Mr. Chesher was appointed to the above office by Charles T. Ware, Chairman of War Finance Committee for the 42 counties in West Texas.

It is the purpose that the War Bond Committee and the Victory Fund Committee cooperate in the gigantic task of selling war bonds in the value of \$428,000, which is reported to be merely the quota for non-bank purchases.

In an interview with Mr. Boone Wednesday he said: "This is going to be the biggest campaign in the way of a bond drive that has ever been put on so far. We have a big drive (Continued on Back Page)

E. B. Luce Files As Candidate For Office Of Mayor

In the City Election, which will be held Tuesday, April 6, E. B. Luce of the firm of Luce & Rogers, John Deere Implement dealers, Littlefield, filed Thursday as a candidate for the office of Mayor.

Previously the members of the present City Commission, Homer Hall, Mayor; and Ellis Foust and Beaman Phillips, Commissioners, had filed as candidates for re-election.

The time for filing expired Friday.

CONTEST FOR MAYOR WILL ENLIVEN CITY ELECTION

"NO NEW DEBTS" URGES E. B. LUCE IN PLATFORM AS MAYORALTY CANDIDATE

E. B. Luce, candidate for mayor of Littlefield, doesn't forget for one minute that there is a war in progress, and that individuals, business firms and municipalities must design their programs in tune with the war effort.

In other words, war needs must come first, and everything else must be subservient to the requirements for pushing on in the cause of Victory.

"Many materials are difficult to obtain, others are not obtainable, therefore, as a candidate for mayor I would be wrong in making a lot of promises to carry on a variety of municipal work," said Mr. Luce. "But I do promise you to accomplish as much as possible under war conditions."

Mr. Luce said, that, if elected mayor, he would firmly support a program of the City of Littlefield operating on a cash basis, paying for what it gets, and making no new debts under any condition.

Mr. Luce plans, if elected mayor, to actively work in the interests of the best possible maintenance of streets; a clean city, particularly in the matter of weeds and refuse of all kinds; and improvements, wherever possible, in the matter of surface drainage.

Declaring that he is not a candidate of any group or interests, Mr. Luce commented:

"Littlefield is a town worthy of running for office in, and, if elected mayor, I will exert every effort to be worthy of the trust placed in me by the citizenship of such a fine city."

Nine Farm Recruits Arrive In Lamb Co.

G. H. Houston, Rural Rehabilitation Supervisor, Farm Security Administration, announced Wednesday that nine farm recruits from Marshall and Mount Pleasant, Texas, had arrived in Littlefield that day, and will be given a week's training, beginning this morning (Thursday), in tractor driving by Ellis Foust.

After receiving this instruction, they will be equipped to go to work. Mr. Houston also stated that any farmer desiring farm labor should contact the local F.S.A. office in the Littlefield City Hall, adding that the above recruits are eligible to go to work anytime, and before receiving any instruction, providing the farmer is willing to hire the man and instruct him himself in the particular work he is needed. At the time each man is hired his family will be sent for.

Bailey County has just completed the training of 14 farm recruits, nine of whom were hired before their week's training was completed.

A. I. Fowler of Littlefield has already in his employ a farm recruit. He went to Lamesa recently, and was accompanied back by a farm worker and his family, according to Mr. Houston.

Is Awarded Silver Crew Member Wings

PVT. MARSHALL ALLRED

Pvt. Allred, son of Mr. and Mrs. J. H. Allred now of Plainview, but formerly of this area, has recently been graduated and presented with the coveted silver Crew Member Wings of the Bomb Spotter and Aerial Photographer at the Deming Air base, Deming, N. M. He is assigned to the 97th Bombardier Training Squadron. His duty as a bomb spotter is to fly with bombardier cadets and take photographs of their bombings, while they are in training. In his absence Mrs. Allred is making her home with her parents, Mr. and Mrs. Jack Fowler of Spade.

Will Someone Help These Children Find Their Pet?

Billie Orr reported to the Leader office Wednesday with tears in his eyes that his pet dog, "Snuffy," had strayed from his home in Duggan Addition Sunday, and he had not seen him since.

The dog is of a reddish brown color, has bushy tail, and answers to the name of "Snuffy." As both Billie and his brother, Bobby Orr, are much attached to this dog, will anyone who sees or knows where he is please report to Dr. Wm. N. Orr at Phone 28, or at the Littlefield Hospital. You will be doing these children a big favor. Too, they are offering a reward for the return of him, or information as to his whereabouts.

Homer Hall Asking Re-Election, E. B. Luce Is Candidate

Phillips, Foust File For Return To Commission; They Have No Opponents

Littlefield's municipal election, generally a very quiet affair, will be enlivened Tuesday, April 6, by a two-man contest for mayor.

Mayor Homer Hall, who has served Littlefield as its chief executive for four years, is asking re-election.

E. B. Luce, a member of the firm of Luce & Rogers, implement dealers, is a candidate for election as mayor.

Ellis Foust and Beaman Phillips, city commissioners, have filed for re-election. There are no other candidates.

Previous to election as mayor, Mr. Hall served two terms as commissioner. These terms did not run consecutively. He served on the school board for three years, and has been in the mercantile business in Littlefield for 16 years.

Mr. Luce has lived in Lamb county since 1924, coming to this section from Memphis, Texas. He has lived in Littlefield for four years, and has extensive property interests in this city. In addition to his implement business, Mr. Luce is a farmer and rancher.

Lamb County Cotton Crop 38,416 Bales

According to Mrs. Warren Rutledge, Cotton Statistician for this area, a final report from the State indicates that Lamb County produced 38,416 bales of cotton ginned, or to be ginned of the 1942 crop, as against a total of 49,328 bales of the 1941 crop.

This would show that the 1942 cotton crop in Lamb County is falling short 10,912 bales of the amount ginned of the 1941 crop.

About 400 Expected To Attend Dr. Sutton's Speech

Supt. F. A. Hemphill announced Tuesday that from 200 to 300 visiting teachers and 150 School Board members and P.T.A. workers from the four counties in this area are expected to be present for the address this afternoon to be delivered by Dr. W. A. Sutton, Superintendent of Schools of Atlanta, Ga., at the Littlefield High School Auditorium.

Included in the program, which will open at 3 o'clock, and preceding Dr. Sutton's address, four vocal numbers will be presented by the High School Girls Chorus; Charles Signor will sing several selections, and Miss Ann York will favor the

District Vice-President, Mrs. O. R. Copeland, To Preside Over Meeting

The annual meeting of the District 2 Texas Home Demonstration Association will be held at the First Methodist Church in Littlefield next Saturday, April 10, when 200 club women from 22 counties in this area are expected to attend.

This is the first time the association has met in Lamb County, and local club women are making elaborate plans to entertain the guests from the other counties.

The meeting will begin at 10 a. m. with Mrs. O. R. Copeland of Lubbock, district vice president, in charge. Mrs. J. Y. Welch of Beaumont, state secretary-treasurer of the Texas Home Demonstration Association, and Miss Kate Adele Hill, district agent, A. and M. College Extension Service, will also be present.

Lamb county women appearing on the program will be Mrs. George Wallace, Spring Lake; Mrs. E. I. Yarbrough, Amherst, president of the Lamb County Council, and Mrs. M. J. Wilson, Littlefield.

Each Home Demonstration Club in the county has a definite part in preparing for the meeting. Food for the luncheon of which Mrs. E. C. Ross is in charge, will be furnished by the clubs.

Members of the girls 4-H clubs will serve as Pages, and others will assist with the luncheon.

Music, arranged by Mrs. M. J. Wilson, Littlefield, will be the luncheon entertainment.

An invitation is extended to the public to attend this meeting, and hear the splendid reports from the work of home demonstration clubs in the district.

Many High Class Animals In Stock Show Saturday

The fourth annual FFA and 4-H Stock Show in Littlefield Saturday far exceeded former shows, and was declared one of the best on the South Plains. Parents of the club boys and friends came from all sections of Lamb County and adjoining counties to view the high class animals of extraordinary quality.

The Littlefield Chamber of Commerce financed the undertaking, and cash prizes totaled about \$200. Local business firms contributed merchandise amounting to more than \$100, given in the sweepstakes and as other special prizes.

Judging of the animals started at 11 o'clock. Ray Mowry, professor of animal husbandry at Texas Technological College, and W. A. King, supervisor of vocational agriculture, came from Lubbock; Mowry to judge livestock, and King to assist his brother, R. L. King, local vocational agriculture teacher and general supervisor of the show. Mowry described the show as being "out of its class," which meant the high class animals belonged to a bigger show.

Mothers of the Littlefield FFA boys served sandwiches, drinks and other foods to the crowds on the grounds, and proceeds exceeded \$18, which will be used for the boys' (Continued on Back Page)

Health, Clean-up Week April 4-10

By proclamation Governor Coke R. Stevenson has designated April 4 to 10 as the annual spring Health and Clean-up Week in Texas.

The Governor respectfully solicited the support of municipal officials, public health authorities, fire departments, civilian defense units, schools, clubs, civic organizations, the press, the radio and citizens individually in making the observance of clean-up week statewide in scope and results.

In part the proclamation read, "every loss of food, supplies, production facilities, property and life weakens the resources of this nation, and the preservation of the health of our citizens and the preservation of property from destruction by fire is of vital importance to the support of our men engaged in the battles of a global war."

"Governor Stevenson's proclamation is indeed a timely one. There has not been a time in our generation when the need of fire prevention was of greater importance than now," said Marvin Hall, State Fire Insurance Commissioner.

"Our active participation in clean-up week," he continued, "can mean fires prevented by the removal of hazards. In our battle to reach war production goals fire haunts us as our most destructive and deadly enemy on the home front."

"As war conditions will in the future exact a heavier toll on our resources and productiveness each fire loss reflects a delay in hastening victory."

Illustrating the need for fire prevention, the Commissioner added, "we burned almost a million dollars a day in 1942 in fires that included the destruction of war supplies, factories, essential raw materials and homes of war workers."

New Industries For West Texas

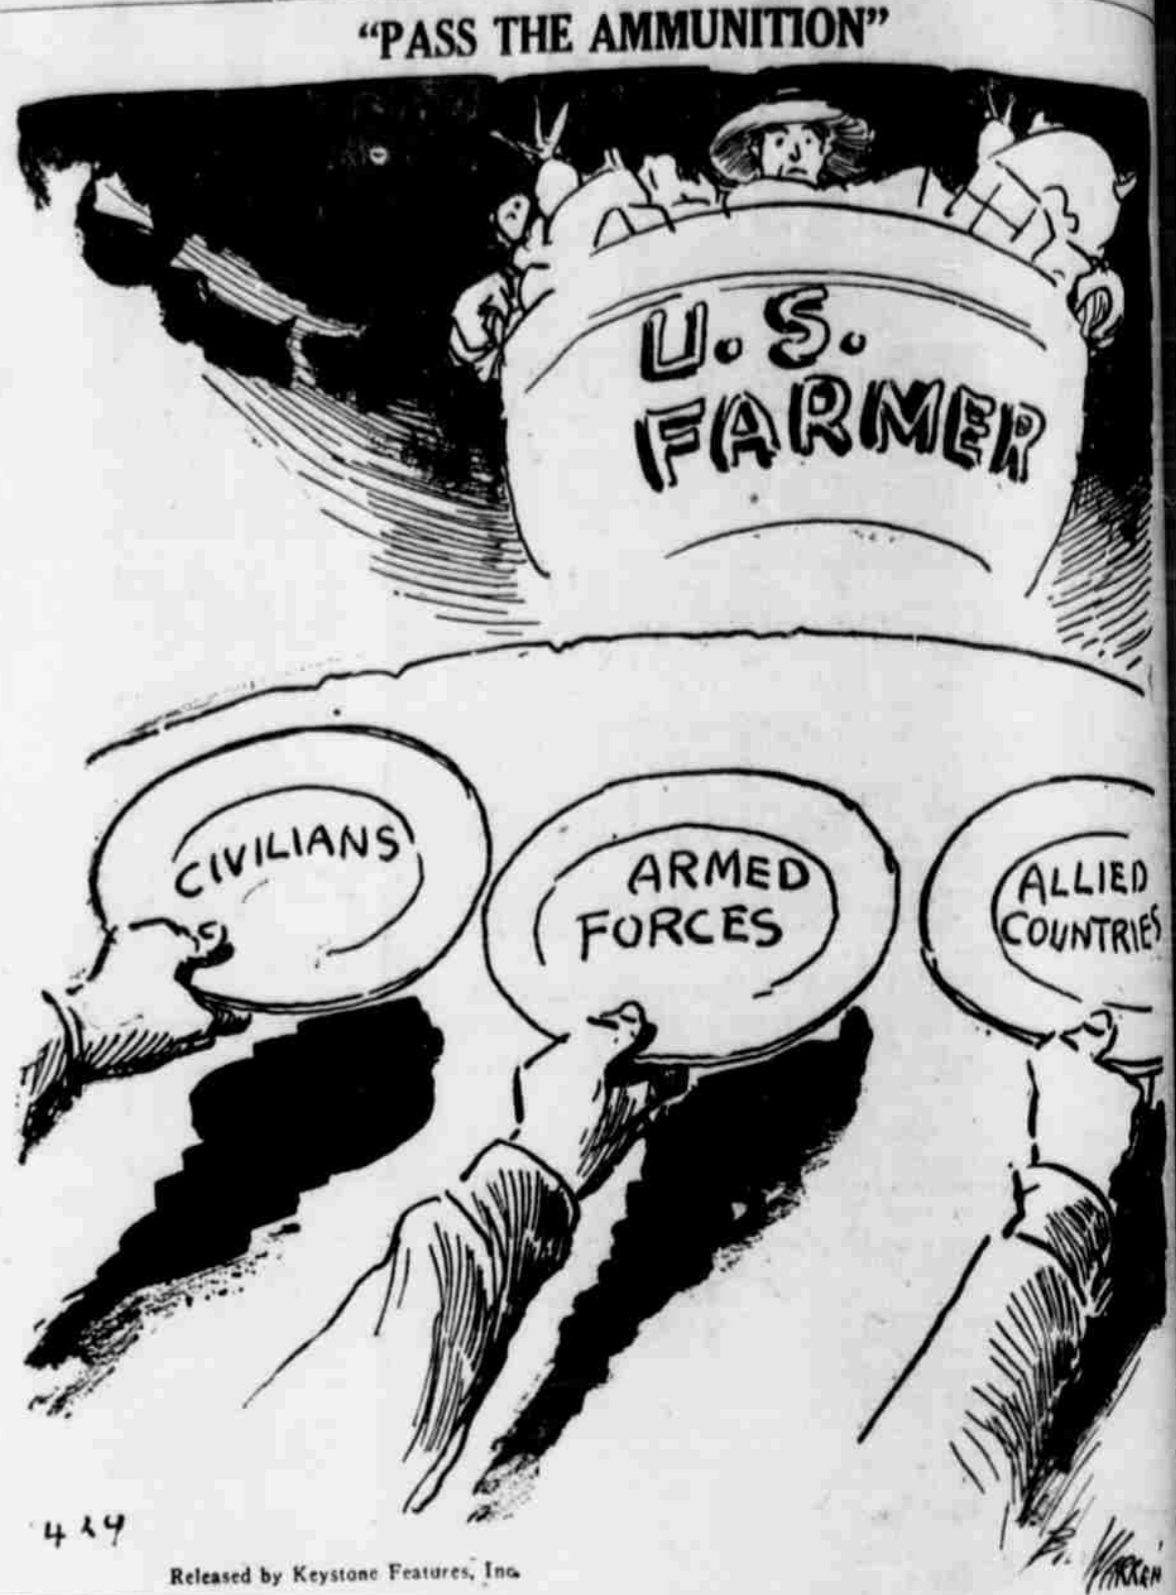

The use of a waxy type grain sorghum as a substitute for tapioca starch and the development of a new industry in the South Plains area of the Texas Panhandle was forecast by H. M. Bainer, general agricultural agent of the Santa Fe Railway System.

Imports of tapioca starch or flour, from the roots of the tapioca plant or bitter cassava, principally from Java, were cut off at the start of the war. In 1940 these imports amounted to 352 million pounds. In addition to making tapioca and other foods it was used mainly, in the manufacturing of high speed packaging glues, adhesives for stamps and envelopes, and in the sizing of paper and in cloth materials.

With all imports of this product cut off, manufacturers searched for other sources and believe they have found it domestically in the recently developed Waxy Blackhull Kafir. Credit for the development of this sorghum is given by Bainer to R. E. Karper, assistant director of the Texas A. & M. Experiment Station, who resides at Lubbock.

Karper has been working with the kafir for several years and he believes that the waxy sorghum will replace the cassava or tapioca starch in every way. In the plans for further development of this sorghum it is expected that 20,000 acres will be planted in 1943 in the territory embracing Level-land, Lubbock, Littlefield, Dimmitt, Muleshoe, Abernathy and Chillicothe. It is estimated that this acreage should provide a total yield of 32,000,000 pounds for the 1943 crop and that the acreage will be increased later as more seed is made available.

The world gets along lots better when people are shaking hands instead of heads.

Russia Agrees To Extend Japanese Fishing Rights

Japan and Russia have signed an agreement extending Japanese fishing privileges in Soviet far eastern waters, it was announced Friday.

A Moscow broadcast recorded by the Soviet monitor said, however, that Japanese fishing companies must pay between 4 and 5 per cent more than during last year. The payments are to be in gold as be-

fore. Under the 1942 agreement which ended last Dec. 31, the Russians had exacted a 20 per cent increase in rentals over the price paid by the Japanese the previous year.

S. A. Lozovsky, vice commissar for Soviet foreign affairs, and Naotake Sato, Japanese ambassador to Russia, signed the 1943 protocol in Kubyshyev Thursday, the Moscow broadcast said.

Renewal of the Jauanese-Soviet agreement generally is regarded as a gauge of relations between the two countries who have a neutrality agreement despite the fact that Ja-

pan is allied with Germany, and Russia is a member of the United Nations group.

Last year's agreement was signed after Germany had attacked Russia, and Japan had attacked the United States. At the time British and American officials termed the renewal a purely routine matter, and did not attack any international significance to it. A failure to renew, however, would have been regarded as indicating Soviet-Japanese tension.

The lateness of the signing this year is not significant since the same tardiness occurred last year. In 1942 the terms restricted the Japanese to bidding for concessions in only seven of the 12 fishing grounds, most of them off the Kamchatka peninsula.

Uncle Sam's Newest Tank Team

Here's a team that should give General Rommel many sleepless nights in North Africa. Pictured at the left is an M-4 tank of welded construction, the Army's standard

recapping of passenger car tires with "passenger type camel-back." "Camel-back" is any rubber compound designed for application to a worn tire to make a new tread. "Passenger-type" camel-back is made of reclaimed rubber, having no crude.

2. All passenger cars are also eligible for some type of replacement tire, if their present tires aren't recappable. The grade of tire for which a car is eligible depends upon the gas mileage allowed the vehicle.

3. Trucks and trailers included in the List A eligibility classification in OPA's regulations (those vehicles providing services deemed most essential by OPA) are eligible for new crude rubber tires if their present casings can't be recapped.

4. Trucks and trailers performing important services not on List A may apply for a certificate entitling them to recapping with "truck type camel-back," which includes a certain amount of crude rubber.

5. Taxis operating under ODT rules are eligible for truck-type recapping or for new tires if their

casings are not recappable.

6. Public busses operating regular routes and services are eligible for recapped or new tires.

7. Private busses performing certain necessary transportation services, including carrying persons to certain essential establishments or schools, also are eligible for recapping or for new tires.

8. Tire inspections are required for virtually all commercial and private vehicles, but frequency depends upon type of vehicle and mileage ration.

Nationally Known Educator To Speak

This afternoon, Thursday, at 3 o'clock, Dr. W. A. Sutton, Superintendent of Schools at Atlanta, Ga., and nationally known educator and speaker, will address faculties of Littlefield Public Schools and surrounding communities at the Littlefield High School Auditorium; and according to Supt. F. A. Hemphill,

this address will be one of considerable importance, and one which teachers and patrons should hear.

Dr. Sutton has been superintendent of schools at Atlanta, Ga., for 15 years, and has appeared before West Texas teacher groups on previous occasions.

His appearance on this occasion is the result of great approval of his work in the profession, and as a service being provided by West Texas Teachers association.

Crop Insurance To Cover 10 Per Cent Cotton Increase

Cotton crop insurance has been extended to include all cotton planted within 110 per cent of the 1943 acreage allotment.

Under the 1942 program, initial year of cotton crop insurance, protection was limited to insurance on the production from the acreage allotment for the farm. Extension of insurance to include the additional acreage follows Secretary of Agriculture Wickard's announcement that

cotton growers may plant 10 per cent over their 1943 cotton allotments without losing AAA farm program payments and privileges.

The additional cotton acres, up to 110 per cent of the allotments, are subject to the same insurance requirements as all other cotton regularly planted on the farm. Such acreage must be planted and cared for in accordance with good farming methods and usual practices followed on the farm.

Citing outstanding examples of cotton crop insurance sales this year, Donald L. Cothran, state crop insurance supervisor, pointed to Reeves and Loving counties. With 170 cotton farms, Reeves county farmers signed 156 cotton crop insurance applications, and Loving county, with 12 cotton farmers, showed 100 per cent participation. Miss Marjorie Smart is AAA administrative officer in both counties.

Since only two closing dates, April 1 and April 15, remain in which applications may be signed

this year, Cothran urged Texas cotton farmers to contact local AAA committees immediately and review insurance possibilities for their farms.

Under the FCIC contract, either 50 or 75 per cent of the farm's normal yield may be insured against all unavoidable hazards, such as wind, rain, hail, drouth, boll weevils and other insects.

Ban Lifted On Some Foods By OPA; Raise Points On Others

Beginning Monday fruit juices require fewer of customers' blue ration coupons, while prunes and raisins take none at all, as ordered by the office of Price Administration in a rejuggling of the point values of processed foods.

The point value of dried soups has been slashed 50 per cent, but more points are needed for canned beans, catsup and chili sauce, tomato paste and sauce, applesauce, fruit cocktail, peaches and pineapple.

The fruit juice reductions range up to 60 per cent. These and the cuts on dried soup were made because the products were not selling up to expectations, officials said. The greatest reductions are on 46-ounce cans of juice. This size can of grapefruit juice, posted for 23 points in March, is taking only 9 points.

Apple juice was opened to unrestricted sale along with raisins,

prunes and other dried fruits. Officials explained the dried fruits are in danger of spoiling in the coming warm months, while the country has a surplus of apples that can be turned into cans or jugs of apple juice.

Dried fruits were left on the official chart, at zero value, as a reminder that they may be rationed again when the new crop is packed.

OPA said no overall increase in rations is possible at present.

The new values went into effect simultaneously with the inauguration Monday morning of the rationing of meat, cheese, canned fish and edible fats and oils. The new chart will be used in making purchases on any unused March or April fruit and vegetable stamps. These are the blue A, B and C (March—expire March 31) or D, E and F (April) stamps in Ration Book No. 2. The basic ration remains at 48 points per month per person.

The meat stamps that became usable Monday are the red A stamps in the same book. The following week unused red A's plus the red

B stamps will be usable, accumulating until the first four weeks' meat stamps expire together on April 30.

Among the lesser changes in the new chart were these:

Some large size packages of frozen foods were increased slightly in point values, although the cost of most popular size packages were unchanged.

Canned tomato soup was put in a separate classification without any change in point values, Kenneth E. Sauffer, chief of processed foods division of OPA, said this meant a possible differential between tomato and other soup in the future.

Another new classification is for canned or frozen corn on the cob, priced at 2 points per ear.

The chart which was posted Monday, also listed the things that are not rationed, so as to lessen confusion on some borderline items. Unrationed list includes cereals, corn syrup, dates and figs, mushrooms, gravy mixes, jams and jellies, milk, pickles, peanut butter, soft drinks and spices.

Explaining why some items drew

higher point values, OPA said: "Those items that are given higher point values for April (actually effective March 29) sold in March at a rate faster than the supply situation could support under rationing. For example, applesauce was selling 128 per cent faster than scheduled in relation to other items; Salad fruits and fruit cocktail were moving 50 per cent ahead of schedule; peaches, 34 per cent; pineapple, 25 per cent; and lima beans, 100 per cent. Tomato catsup and chili sauce were other items that were reported to be selling very fast, and hence had their values increased."

Although point values of all juices were cut, the heaviest cuts were made on the 46-ounce size in which size about two-thirds of the annual pack is canned. Sales of this size had been at virtually a standstill, in spite of former popularity.

Dry soups also had been selling slow. Canned soups started the month slow, but picked up at the end of the month and values were left tentatively unchanged.

Gerald Johnson received his call to report to Dallas last week end and he went to Norfolk, Va., where he will start training in the Naval Construction. Mrs. Johnson plans to go to Baltimore, Maryland, in the

SPECIAL NOTICE TO PATRONS

Parents of school children between the ages of 5 to 17 are warned that children should be placed on the school census roll immediately if the child or children have not already been enumerated.

Special attention is called to those parents having children five years of age, who will enter school next year for the first time. They must be enumerated now.

Enumeration will be made at the School Secretary's office at the City Hall, Littlefield. This should be done immediately.

Onstead Furniture To Stage Separator Service Day April 7

Wednesday, April 7, has been designated DeLaval Separator Service Day at the Onstead Furniture, I. D. Onstead, owner, announced this week.

Phil Ulrich of Amarillo, factory representative, will be at the store all day next Wednesday, for free inspection and adjustment of DeLaval separators.

Farmers are urged to bring their separators to the store on that day. The regular charge will apply to any new parts required, and a nominal charge will be made for repair work, Mr. Onstead said.

Miss Liles And Carl Keeling Wed At Lubbock Wednesday

Miss Velma Liles, daughter of Mr. and Mrs. Walter Liles of ten miles east of Littlefield, and of the nursing staff of the West Texas Hospital, became the bride of Carl Keeling, Aircraft Instructor of Lubbock, formerly of Muskogee, Okla., in a beautiful ring ceremony at Lubbock Wednesday.

Wedding vows were exchanged at the home of Mr. and Mrs. Raymond McElroy, 2007 Avenue V, Lubbock, where a transfusion of flowers, including baskets of gladioli, snapdragons and fern, attractively arranged, formed a very fitting background for the ceremony, which was performed by Rev. O. E. Dickson of Amherst, at 11 a. m. in the presence of close relatives of the family.

The bride was wearing an old rose crepe dress with navy blue accessories. Her carriage was of White Gardenias.

Junior Study Club To Stage Initiation Of New Members Tonight

Initiation of new club members of the Junior Study Club will be staged tonight, Thursday, at the home of Miss Daphene Wren, Miss Marion Short, president, announced last week end.

Eight members will be initiated.

The groom wore a royal blue suit.

Miss Camille Arnold of Littlefield, in training also at the West Texas Hospital, and roommate of the bride, was her only attendant.

Mr. McElroy acted as best man. Also present at the ceremony were: Mr. and Mrs. Walter Liles, parents of the bride; and Mrs. W. F. Rowland and Miss Hughetta Liles of Amherst, both aunts of the bride.

Mrs. Keeling was born and reared in Lamb County. Her parents had lived 18 years eight miles north of Littlefield in the Amherst district, when they moved in 1942 to 10 miles east of Littlefield in the Anton section. She was graduated from the Anton High School with the 1942 class, and for the past seven months has been in nurse's training at the West Texas Hospital, Lubbock.

Muskogee, Okla., previous to going to Los Angeles, Calif., where he was employed for a year and a half by Consolidated Aircraft Corporation, has been connected with the National Defense School, Lubbock, for the past several months as Aircraft Instructor.

The couple will make their home in Lubbock.

Primary Parent Teachers Association Elect Officers At Meeting March 24

Officers for the coming year were elected at the regular meeting of the Primary Parent Teacher Association Wednesday afternoon in the high school auditorium.

Officers named were: Mrs. J. Ernest Jones, president; Mrs. Roy Wade, first vice president; Mrs. L. B. Stone, second vice president; Mrs. J. A. Price, secretary, and Miss Olene Robbins, treasurer.

An interesting program was presented, including several patriotic numbers played by Mrs. Homer Sewell and Mrs. Roy Wade on their accordions; and three girls, members of the second grade classes, led the audience in the salute to the flag. The second grade Rhythm Band, directed by Mrs. Dewey Hulse, played several numbers, while students from Miss Margaret Teal's room gave a Fold Dance; several from Miss Olene Robbins room gave choral readings, and a group from Mrs. J. H. Carl's room sang spring songs.

The group voted to invite the district PTA to Littlefield for the annual meeting next year.

Approximately 75 mothers attended the meeting last Wednesday, which is a record attendance. Miss Robbins, Mrs. Carl's, Mrs. L. L. Massengill's and Miss Teal's rooms all received one dollar each for having 10 mothers present for the meeting.

A School of Instruction for PTA officers was held in an all-day affair Tuesday at the home of Mrs. Willis Giddens on West Second Street.

Mrs. F. C. Broyles of Sudan was in charge of the school of instruction.

Federation Of Churches Convene Monday Afternoon

Members of the Federation of Churches of Littlefield voted to affiliate with the United Council of Churches at their regular meeting Monday afternoon at the First Methodist Church.

Mrs. Warren Rutledge, president, presided during the business session, and she appointed a committee, including Mrs. C. Frank York, chairman; Mrs. A. B. Haynes and Mrs. Lee Hemphill, to plan the Fellowship party to be staged on May 6, when all church federations in the nation will observe that day.

An interesting program was presented by members of the Women's Society of Christian Service of the Methodist Church. Mrs. H. R. Biederback led the devotional, and Miss LaRue Clark told an Easter story, "The Tired Man." Mrs. Charles Signor offered a violin solo, "Face to Face," accompanied on the organ by Mrs. Pegues Houston. Mrs. C. Frank York and Mrs. Elton Hauk sang "Ivory Palaces."

Refreshments were served after the program.

Those attending were: Mesdames Acrey Barton, Viggo Peterson, W. G. Street, R. T. Badger, A. L. Dunnagin, Lee Hemphill, Rutledge, A. B. Haynes, E. A. Bills, Bruce Porcher, Elton Hauk, C. Frank York, Charles Signor, Pegues Houston, Willis Giddens, J. T. Aven, Jim Evans, J. H. Lippard, C. F. McCormick, Van Clark, Paul Pharris, Buster Owens, Mollie Fonden, and Miss LaRue Clark.

Cpl. And Mrs. Joe Clark Honored On Wedding Anniversary

Cpl. Leo Clark, home on a 15-day furlough, and Mrs. Clark were honored at a dinner party at the home of his parents, Mr. and Mrs. Joe Clark, West Fifth Street, Thursday evening, with Mrs. Clark as hostess.

The occasion was the first wedding anniversary of Cpl. and Mrs. Clark.

A chicken dinner and all the trimmings was served.

Present on this happy occasion were: the honor guests, Cpl. and Mrs. Clark; Mrs. Sibyl Hudgens, Mr. and Mrs. R. C. Lloyd, Mr. and Mrs. N. N. Allen, Hoyt Renfro, Mrs. R. W. Boren, Mrs. Bob Jones, and Mr. and Mrs. Joe Clark.

Miss Dent On Honor Roll At Abilene Christian College

Lou Zoe Dent, daughter of Mr. and Mrs. O. F. Dent of Olton, is listed on the honor roll at Abilene Christian College for the first six weeks of the second semester. This honor roll is compiled by the registrar and is composed of students who are in the upper 10 per cent of the class in one or more courses.

Mrs. V. S. Cassel and Mrs. Emil Yohner were in Lubbock Friday.

Mrs. Reznik Hostess To Yellowhouse Club

The Yellowhouse H. D. Club met in the home of Mrs. Reznik Monday, March 22.

The program was in charge of Miss Lola Jones. Members of the club sang three songs—"Any Bonds Today," "This Is Worth Fighting For," and "God Bless America."

Also included in the program was a reading, "Our Neighbor's Boy," by Mrs. Reznik.

Miss McCurdy, H. D. Agent, demonstrated on patterns, and shoe and hat racks.

Those present were: Mesdames Joe Rietman, E. L. Durham, Joe Prater, Neoma Henley, Tom Ham, Fred Duffy, Myrtle Haire, W. O. Jones, Miss Lola Jones, and the Home Demonstration Agent, Miss McCurdy, to whom refreshments were served by the hostess.

The next club meeting will be at the home of Mrs. E. L. Durham Tuesday, April 13.

Drive For Scrap Must Be Renewed

The Leader is in receipt of a letter from the Lubbock Chamber of Commerce stating that the War Production Board advises that the country is in need of all available scrap, and the former campaign for scrap must be renewed. This booster body has written the Leader as follows, which is self-explanatory:

"The War Production Board tells us that we must renew and intensify our efforts to collect all available scrap materials, and get them start-

Yes. From any point of view, MINNESOTA Quality House Paint has what it takes. Pure linseed oil gives it elasticity and durability, keeps it from cracking and peeling. It chalks slowly, that keeps the surface fresh and clean and correctly prepares it for eventual repainting.

Quality House Paint spreads easily too, and leaves no hill-and-valley brush marks. This proper leveling is vitally important because it eliminates thin spots in the paint film which would wear more rapidly.

"Many people say they would prefer to donate their scrap direct to the Government—rather than have it go through junk dealers.

"Arrangements are now available for this to be done. The Army will accept donations of scrap, and if sufficient quantities of it are available in any one location, Army trucks and men will be sent out to pick it up.

"It has been reported that many farmers and ranchmen, as well as some community organizations, have considerable amounts of scrap material already collected or that can be collected, which they would be glad to donate to the Government.

"Should you know of any such scrap in your community, or county, and if you will definitely check on it to determine if it would be available were the Army to send out—and will then pass this information on to us, we will advise the Army authorities and they will collect the material.

"It is required by the Army that not less than 4,000 to 5,000 pounds be available at a place before they will pick it up. Several such loads might be found in your territory, that would meet these requirements. Please understand that all salvage which might be collected from your territory by the Army under this program would be definitely credited to your town or county.

"We will be most happy to assist you on this matter. Our interest is to do all we can to help collect all available scrap for the South Plains.

"Yours very truly

H. D. Clubs To Hold Spring Meetings In April And May

Believing home demonstration club work helps them increase their contributions to war programs, members of the Texas Home Demonstration Association will hold their spring district meetings in April and May.

Mrs. W. G. Kennedy of Hamilton county, president of the Association, says she believes every county in which home demonstration club work is carried on will be

represented at one of the 12 meetings, in spite of gasoline rationing. Ordinarily the meetings are well attended by the 48,000 members of the organization.

The schedule of meetings announced by Mrs. Kennedy is as follows: District 1, Amarillo, May 11; District 2, Littlefield, April 9; District 3, Wichita Falls, April 8; District 4, Fort Worth, May 4-5; District 5, Gilmer, May 9; District 6, Monahans, May 4.

District 7, Coleman, May 10; District 8, Cameron or Waco, May 12-13; District 9, Jasper, May 7; District 10, Floresville, May 12; District 11, Columbus, May 11; District

Farm Workers Get New Classification

Essential farm workers over 38 years of age and in Class IV-H will be reclassified in Class II-C or Class III-C now or prior to May 1, the Texas USDA War Board announced this week.

Purpose of the reclassification is to place workers beyond military age limit into classes to which they properly belong by reason of occupational, dependency or other status.

12, Falfurrias, May 14.

The war board added that roles regarding induction and exemption will apply to reclassification if and when men over 38 years called into the armed forces.

Announced several days ago, four-point program agreed upon by the Manpower Commission, the Selective Service System and the Department of Agriculture is to necessary agricultural workers the farm.

On Radio, Sinclair Agent Reports
Program Is War Service To Community,"
By Oscar P. Wilemon

One of radio's most popular news features, "Confidentially Yours," is being heard and enjoyed by large numbers of Lamb county and South Plains residents, according to Oscar P. Wilemon, local Sinclair wholesale agent.

Every Tuesday, Thursday and Saturday, 6:45 to 7 p. m. (CWT), KFDA, Amarillo, a Mutual network affiliate, this veteran news program, prepared by Transradio, is being heard.

This new program, sponsored by Sinclair Refining Company, has been arranged so that it will be a definite war service to our community," said Mr. Wilemon.

The dominant message of this series is information on how Sinclair can help make the nation's oil and farm machinery last longer and thus do a better job in the war. In our effort to keep flowing vital food supplies to our civilians as well as to the soldiers, it is important not to overlook the necessity of keeping trucks, cars and farm machinery in perfect order," continued Mr. Wilemon.

High quality lubricants and constant expert servicing of these makes can certainly be considered most vital duty these days," concluded Mr. Wilemon.

Small Shed And Milk Goat Lost In Fire Sunday

A small shed at the rear of the home occupied by Phillip Cowan and family on East Fourth Street, owned by W. H. Heinen, and used by S. J. Petty, was completely destroyed by fire about 2 o'clock Sunday afternoon.

The Fire Department was called to the scene of the fire and prevented it from spreading. The shed which burned was only a short distance from the Lon Campbell property and his feed stacks.

A milk goat, belonging to John Boran, housed in the building, was lost in the fire.

Raise A VICTORY Garden
So You Can Fight, Too!

EAT WHAT YOU NEED AND STOCK UP FOR WINTER!

© A food shortage in the U. S. A. It won't happen here if we all grow Victory Gardens. It takes a lot of hard work to have a good garden, but you will be rewarded with fresh vegetables on your table all summer—and a supply of canned goods on the pantry shelves next winter.

Grow the vegetables you won't be able to buy at the grocery. Plan a garden of your own or join up with your friends. Everybody will be gardening. If you had a Victory Garden last year, have a bigger one this year. And be sure to ask us about International Harvester's 84-page booklet, "Have a Victory Garden." It's FREE TO YOU!

Religious Census

The First Baptist Church will take a Religious Census of the entire community beginning Sunday afternoon. Fifty workers are to meet at the Church at 2:30 Sunday afternoon and organize for this work, dividing the town and its outlying districts into sections with two workers for each section or division.

We are attempting to make this census as complete as possible and invite the public to give us the fullest cooperation. The information used will be of help to all the churches.

Our mid-week services are growing from week to week. We invite you to join us. There is an organization for each member of the family. These organizations meet immediately following the Prayer Service.

NAZARENE CHURCH
 R. T. Smith, Pastor

We are starting a revival meeting April 11 with Rev. A. L. Smith of Eastland, Texas, doing the preaching and Rev. Robert Jones of Cisco will have charge of the singing. The public is invited to attend.

Let us all go in for an old-time revival that is certainly the need of the day. We will appreciate the cooperation of all.

Services through Sundays at the regular service hours, and through the week, 8:30 o'clock each evening.

LITTLEFIELD FUNDAMENTAL MISSIONARY BAPTIST CHURCH
 Rev. L. J. Powers, Pastor

The Sunday school has been on the upward move for the last few weeks, since the completion of our new rooms. However, there is still some outside work and a little more inside, but the rooms are in use. There is also a Church Study in the new annex which makes it very convenient for the pastor and other officers.

The pastor has just returned from a two-weeks meeting with the South Side Baptist Church in Floydada, Texas, making the second meeting this year for the church here to have a part in. Much was accomplished, arrangements were made to enlarge the building over there.

We invite everyone to attend any of our services, and a special invitation to all the new families in town. We want you to see our new Baptistery and Auditorium since it has been celled out.

Local Church To Be Well Represented At Plainview Meeting

The Amarillo Presbyterian Society will be held in Plainview Monday and Tuesday, April 5 and 6, at the First Presbyterian Church.

The honor guest of the occasion will be the Presbyterian Missionary from Andong, Crozen, Miss Ranier McKenzie.

An interesting program has been arranged for this two-day meeting. Delegates who will attend from Littlefield are Mesdames E. A. Bills, M. M. Brittain, A. B. Haynes, J. S. Hilliard and G. M. Shaw.

Rev. A. B. Haynes, who will visit his son at his farm near Canyon the first of the week, after taking the delegates to Plainview, will join them at that city and accompany

MR. AND MRS. BYERS ATTEND FUNERAL OF COUSIN AT PLAINVIEW

Mr. and Mrs. R. L. Byers and Miss Sibyl Byers attended the funeral of Dr. Percy Anders, 60, cousin of Mrs. Byers, Tuesday afternoon at 4 o'clock, at the First Baptist Church, Plainview. Interment took place in the Plainview Cemetery.

Dr. Anders passed away suddenly Friday as a result of acute indigestion. He had been a resident of Plainview for the past seven months.

Surviving are his wife and one son, Percy, Jr.

They returned to Littlefield at the close of the Presbyterian meeting.

W. O. Stogner Is Seriously Ill Following Heart Attack

W. O. Stogner, father of Mrs. W. J. Chesher, is critically ill at his home in Oklahoma City, following a heart attack last week end.

Mrs. Chesher went to Oklahoma City Sunday to be at the bedside of her father. She was joined there by her sister, Mrs. Charlie Lyne of Dallas.

Mr. Chesher reported that he talked with Mrs. Chesher Tuesday afternoon on the telephone, and she stated that her father was still very ill.

TOWN AND FARM IN WARTIME

RATION REMINDER

GASOLINE—"A" Book Coupons No. 5 good for four gallons each from March 22 to May 21.
SUGAR—Coupon No. 12 good for 5 lbs. Must last through May 31.
COFFEE—Stamp No. 26 (1 lb.) expires April 25.
SHOES—No. 17 stamp in War Ration Book One good for one pair until June 15.
FOOD—Red "A" stamps, valid March 29, good for 16 points worth of meat, cheese and butter. Blue stamps D, E and F food from March 25 through April 30.

NO RESTRICTIONS ON FOOD IN LOCKERS

Food in frozen food lockers may be used by farmers and other consumers without rationing restrictions. The total amount of perishable food stored in lockers in private homes, on farms, and in commercial plants is considered too small to justify the inconvenience it would cause all consumers either to have this food declared, or to place any legal restrictions on its use.

DRIVE AGAINST BLACK MARKETS

A total of 783 court actions against 1,025 individual defendants have been begun in the first two months of OPA intensive drive to stamp out black markets in meat. Of the total, 149 were criminal actions against 246 defendants, and 634 were civil actions against 779 defendants. They charge wholesalers, packers and retailers with delivering meat for civilian use in excess of permitted quotas or selling it at higher than ceiling prices, or both.

FARM MACHINERY

The Government freeze on the last item of farm machinery needed for food crop production has now been lifted. Distribution directives for all haying and harvesting machinery are expected to be issued to manufacturers before April 15. Approximately 75 per cent of all types of rationed farm machinery, which was frozen November 1, 1942, has now been freed for distribution

and local rationing through county war boards.

RESTRICTIONS ON SEED POTATOES

Seed potatoes cannot be sold by retail stores for any purpose other than planting, OPA has announced. OPA has also ruled that seed potatoes must be tagged as such in sales at retail and can not be sold by retailers in quantities of less than 50 pounds. The amendment became effective March 25 and is expected to help curb the potato black markets.

TIRE CERTIFICATES

Rationing certificates for tires and tubes may be used at any time convenient to the holder, according to a recent OPA order withdrawing the provision which limited the life of a certificate to 30 days after the date of issuance.

PRESSURE COOKERS FOR CANNING

About 150,000 pressure cookers will be produced for this year's canning season. Although that will be twice as many as were made in 1942, it is believed that demand will be far in excess of the supply.

SLAUGHTERERS MUST HAVE PERMIT

All livestock slaughterers who sell meat, who are not registered with OPA under meat restriction Order No. 1, including farmers and local butchers, are urged to get their permits early and avoid difficulties. Slaughterers must stamp their permit number at least once on each wholesale cut delivered after March 31. Permits to farmers in all areas and to local butchers and meat packers in small towns are being issued by county war boards. Farmers who slaughter animals for home use only need not obtain permits, but a permit is required for all meat sold. Slaughterers who sell meat must keep complete records of all livestock slaughtered.

STOVE PIPE SUPPLY LIMITED

Stove pipe will be obtainable only in limited quantities next winter, according to the War Production Board. Some precautions for saving pipe for next season are:

1. Clean pipe and remove rust with a wire brush.
2. Apply asbestos furnace cement to all small holes.
3. Carefully apply a good heat resisting paint.
4. Wrap in heavy paper and store through the summer in a dry place.

DEALERS TO GIVE "POINT INVOICES"

All dealers in foods covered by the meats and fats rationing program have been advised by OPA to give "point invoices" along with their customary dollar and cents invoices for products sold.

INDEMNITY PAYMENTS FOR COTTON

The 1943 indemnity-payment program, which will provide a market for up to 35,000 bales of surplus low-grade American cotton, has been announced by the U. S. Department of Agriculture. Through indemnity payments, insulation manufacturers using cotton are able to obtain raw materials at costs which compare more favorably with the costs of other types of raw materials. Manufacturers will receive a payment of nine cents a pound for finished insulation produced according to specifications.

V-MAIL VOLUME INCREASES

Eighty-three per cent more V-mail

was sent overseas during February than in January. For the short month of February there were 5,990,570 microfilmed V-mail letters as against 3,281,504 in January.

UTILITIES ORDER AMENDED

Liberalizing the provisions of order U-1-C, the Office of War Utilities announced that farms with a productive capacity of five "animal units" now will be eligible for electrical extensions. Previously a minimum of ten "animal units" was required. An extension of up to 100 feet is permitted for each unit, provided other conditions of the order are satisfied. Material in electrical lines not now in service was released to utilities, for use in building the short extensions permitted by the order.

Good Nutrition Means Eating Right Kinds Of Foods

Good nutrition—eating the proper amounts and kinds of food—is essential for each of us if we are to make the greatest possible contribution toward winning the war. How can you get the proper foods? Experts say you only need to be sure you eat something from each of the "basic seven food groups every day."

These seven nutrition groups are your guide to health and energy:

- Nutrition Group 1.—Green and yellow vegetables, Eat them raw, cooked, frozen or canned.
- Nutrition group 2.—Oranges, Tomatoes, Grapefruit—or raw cabbage or salad greens.
- Nutrition Group 3.—Potatoes and other vegetables and fruits—the way you like them best—raw, cooked, dried, frozen or canned.
- Nutrition Group 4.—Milk and milk products—fluid, evaporated, dried milk or cheese.
- Nutrition Group 5.—Meat, Poultry, fish or eggs. If these are hard to get have dried beans, peas or peanut butter.
- Nutrition Group 6.—Bread, flour and Cereals—natural whole grain, or enriched or restored.
- Nutrition Group 7.—Butter and Fortified Margarine (with vitamin A added).

Of course, in addition to these basic seven, eat any other foods you want.

Use Unrationed Foods

When you go shopping, try to fill nutritional requirements with unrationed foods as far as possible. And spend points wisely. Here are a few tips for getting full value from both money and coupons.

1. Check on what is in your reserve stock of canned goods and in your refrigerator. Then supplement, do not duplicate in your purchases.
 2. Plan your meals for the day and week with alternate dishes in mind. Make your final plans at the market when you can see what foods are available.
 3. When buying point-rationed foods, remember the basic seven and don't duplicate what you can buy fresh.
 4. Read the label to find out about quantity, quality, ingredients and use. Guide your buying. Knowing how many halves of peaches or pears a can contains may help in planning servings.
 5. Choose the size can most economical for your use. Usually 16 ounces, or 1 fluid pint, or 1 pound, will fill two cups of the kitchen measuring size. With this as a basis, you may make your own table of other equivalents to keep handy when shopping.
 6. Buy the quality you need for your purpose. Don't waste points on high grade fruit when it is going into salad or pie.
 7. Cook all foods quickly to hold vitamin content.
 8. Use all good juices — waste none. Liquids in can or jar contain a goodly amount of the vitamins and minerals of the food. Serve vegetable liquid with the vegetable whenever possible. Otherwise, use it in sauces, gravies, soups. Use fruit syrup with the fruit. Or keep it cold and use soon in beverages or as sweetening for desserts.
- Through intelligent planning, you can get the best possible nutrition for your points and avoid both waste and monotony.

Be Wise... PLANT A VICTORY GARDEN

The one big thing you can do to help yourself and everyone else get enough food is to plant a Victory Garden... The present food shortage is no laughing matter, as the people of Greece can tell you. But we are lucky; there are no invading troops in America to trample and destroy our gardens before they have reached maturity.

Be wise! Plant a Victory Garden for your own use in order that our farmers' crops may be used to feed our troops and allies.

We will gladly furnish information on home canning.

Mrs. Joe Nichols and daughter, Anna Mae, of Bula, also a son, Herman Nichols, who is here on a furlough, visited in the Tucker home last week. Mrs. Julia Nichols returned home last week from Austin where she went to attend the funeral of her mother, Mrs. Ruth Thurmon.

Miss Berneil Sewell, who was making her home in California, returned to Littlefield several weeks ago and she and David (Bud) Williamson surprised their friends by

getting married March 10. She is the daughter of Mrs. Johnnie Sewell who formerly lived here before moving to California. Mr. and Mrs. Williamson are making their home at Sikes Apartment in College Heights.

Mrs. Calvin Shipley, aunt of Mrs. David (Bud) Williamson, is giving her niece a wedding shower in her home Monday evening at 8 o'clock. All of Mr. and Mrs. Williamson's friends are invited to attend.

**Soldiers' Kit Bags
 To Be Filled At
 Red Cross Project**

Miss Lula Hubbard, supervisor of the Red Cross Sewing Room, reported that 40 kit bags for soldier boys are to be made at the local project. Mrs. Hubbard urges women to

sew at the room, located in the City Hall.
 Persons may fill the Kit Bags with personal effects for the soldiers, or donate to the Red Cross, who will supervise the filling of the kits, Miss Hubbard said.

farm club work.

Officials of the Chamber of Commerce were hosts to luncheon at noon at the Batton Hotel for visiting vocational agriculture teachers, including S. H. Russell, Sudan; J. L. Hicks of Spring Lake, Truitt Sides of Olton, Leo White of Anton, Howard Preston of Whitharral; and other out-of-town visitors, V. F. Jones, county agent; S. L. Garrison, assistant county agent; Mr. Mowery and Mr. King of Texas Tech; and Dewitt Lamb, staff writer for the Avalanche-Journal, Lubbock.

Immediately after the lunch hour a parade through the business section was staged by the boys leading their cattle. The Littlefield High School Band, directed by Mrs. J. D. Armistead, headed the parade, later contributing to the program at the show grounds at the Higginbotham; Bartlett Lumber yard.

Prizes were awarded after 4 o'clock by E. C. Cundiff, secretary of the Littlefield Chamber of Commerce.

A special prize was awarded Carroll Wilson, Littlefield FFA boy, for being the best showman. He exhibited a fat barrow weighing over 225 pounds. Wilson was given a new leather halter.

Two pairs of brothers, Herman and Garland Rose, sons of Mr. and Mrs. W. B. Rose of Olton, and Carroll and Dwane Jones, sons of Mr. and Mrs. H. T. Jones of Spring Lake, took high honors with their exhibits again this year.

Herman Rose, 4-H club boy, won first prize of \$6 with his lightweight beef type heifer. He also

giant undertaking on our hands to do. I don't know how we are going to sell that amount of war bonds, but we are going to do the best we can. The Government requests that each city and community select a chairman, who will name volunteer workers, who must go out and canvass everyone, covering every nook and corner of the country."

Mr. Boone also stated that a meeting would be called for the first of next week, when members of both the Bond and Victory Fund Committees would get together, and outline plans for putting over the drive.

W. C. Warren has been appointed local chairman of the Victory Fund Committee for Sudan; and G. E. Bley has been named to fill this post at Olton.

Other committeemen were not available to this newspaper late Wednesday.

 thousands of selectees now enter-
 ing the armed forces, Pvt. William
 W. Eudy of Littlefield has entered
 the Armored Force Replacement
 Training Center for his basic train-
 ing in the newest and hardest-hit-

ting branch of the army.
 He will be put on a twelve-week
 training program which has been
 systematically laid out into two six-
 week periods. The first six-week
 period will be devoted to the or-
 ganization of the Army and Armored
 Force; insignia of rank; military
 courtesy and discipline; care of
 clothing and equipment; and many
 other fundamentals which will en-
 able him to become a good soldier.
 During this period the men are
 classified according to their knowl-
 edge and ability, so that they can
 start their second six-week period
 in specialized training. These spe-
 cial courses include: light tank, me-
 dium tank, scouting and patrolling,
 mortar, anti-tank, machine gun, as-
 sult gun, and reconnaissance.

The training center has expanded
 rapidly, and now boasts eighteen
 training battalions under the direct
 supervision of Maj. Gen. Charles L.
 Scott. From this training center are
 formed the many Armored Divisions
 which make up this fastest-moving
 land force of the Army.

The Leader is in receipt of a letter
 from Troy Davis, Seaman First
 Class, from Dutch Harbor, Alaska,
 this past week, which is dated
 March 10, and which will be of in-
 terest to his many friends here:

"Mr. and Mrs. Morley Drake and all

 "Dear Friends:
 "Received the paper the other
 day, and was delighted to get it. I
 scanned the lines from front to back
 reading everything which seems more
 interesting here than it would be at
 home for distance makes a differ-
 ence.

"As for telling you the conditions
 here I can't go into details very
 far. Everything goes around with
 the clock in the way of activity.

"I feel fine here in this climate,
 weigh more. We are well fed and
 clothed, also housed.

"We have access to most any re-
 creation you would have at home.

"Well now I have received the
 second issue of the Leader 18th
 February.

"The way the paper states it
 seems the folks there are going all
 out for war situation. Thanks to
 them all; let's get it over.

"I had a letter from Roy Lee
 Byers, Jr., and noticed in the paper
 where he had made a phonograph
 record of his voice and sent to his
 folks.

"He is stationed at Kodiak—also
 D. H. Allen of the Spade Com-
 munity.

 a course in aviation mechanics at
 Sheppard Field.

George A. Farrington, son of Mrs.
 J. G. Caros of near Harrold, Texas,
 formerly of Littlefield, has recently
 been promoted from Corporal to
 the grade of Sergeant according to
 an announcement by the authorities
 at the Army Air Forces Proving
 Ground Command at Eglin Field,
 Florida.
 Sergeant Farrington has been in

of the Army since December 5, 1941.
 The tremendous increase in Army
 personnel has created a great op-
 portunity for men who can prove
 themselves capable of holding the
 ranks of non-commissioned officers.

O. K. Yantis, Jr., of the Air Corps
 is still stationed in Puerto Rico, ac-
 cording to Mrs. Yantis.

In a recent letter to his wife he
 said he was just fine, and liking
 his work fine. He is connected with
 the Fire Department in the Engi-
 neering Corps, ground crew of the
 Air Corps, and has been stationed
 in Puerto Rico over a year.

 inducted into the Armed Forces, is
 now stationed at Camp McCall, Hoff-
 man, N. C. Mrs. Heard, who is vis-
 iting her mother at Rochester, will
 return to Littlefield for a visit with
 Pvt. Heard's parents, Mr. and Mrs.
 C. R. Heard, in the near future.

Pfc. Keith Kennedy of the U. S.
 Marines, brother of Mrs. L. C. Gri-
 sson, is believed to be in Australia.
 He wrote Mrs. Grissom that where
 he is located the people speak Eng-
 lish and they are very nice to the
 American boys. Pfc. Kennedy is a
 former Texas Tech student, and has
 visited in Littlefield on various oc-
 casions.

Pfc. James Zachary, of the Radio
 Division of the U. S. Air Corps, has
 been stationed at the Air Base,
 Pampa, since November last.

 been in the Armed Forces since Oc-
 tober last, is in the ground crew

of the Air Corps, stationed at San
 Marcos, Texas.

Pvt. Billie Zachary of the Ma-
 rines, in the Tank Division, who has
 been stationed at Camp Elliott, San
 Diego, since November last, has
 been transferred to Camp Pendleton,
 Oceanside, Calif. He likes his work
 fine, and expects to get a furlough
 soon.

James Garrett, third class petty
 officer of the U. S. Navy, and Mrs.
 Garrett, left Tuesday morning for
 Pleasanton, Calif. They were accom-
 panied by Mr. Garrett's buddy, John
 Jones, Second class petty officer,
 and Mrs. Jones of Amarillo. Both
 Garrett and Jones have been home
 on leave. They were stationed at
 Camp Peary, Williamsburg, Va., un-
 til their transfer to California about
 two weeks ago.

Garland Lankford of the U. S.
 Army, who has been stationed on
 the island of New Caledonia the
 past nine months, was recently pro-
 moted from corporal to staff ser-
 geant, Mrs. Lankford reported this
 week.

Santa Fe gives right-of-way to Victory Gardens

Now Santa Fe employees do war
 work in their hours off duty too!
 They're grabbing spades and
 tilling fertile stretches near their
 homes, along their railroad's
 13,199 miles of right-of-way.
 They're raising fresh, vitamin-
 packed vegetables their nation
 needs to win a war.

Santa Fe—all out to win—gives
 right-of-way to troops and vic-
 tory-winning freight... moving
 millions of men, and tens of mil-
 lions of tons of vital food, raw

materials and finished products—
 swiftly and surely to where
 they're needed now.

Santa Fe locomotives, cars,
 tracks and men are all working in
 their country's service. And now
 the Santa Fe right-of-way itself
 steps into victory uniform!

And Santa Fe people—already
 working hard, and buying war
 bonds—like this Victory Garden
 scheme—this chance to do one
 more thing for victory!

Miss Ruth Pace returned to Lubbock Wednesday morning, where she is employed as a practical nurse. She had been home over a month taking care of her father, Sid Pace, who underwent a major operation. He is reported to be getting along fairly well, and is recuperating at his home two miles north of town.

Mr. and Mrs. Lon Campbell spent the week end with Mrs. Campbell's sister and brother-in-law, Mr. and Mrs. Walt Fraley.

W. H. Heinen plans to move a building now located on East Fourth Street back one block to East Third Street, which will be improved, and occupied by S. J. Petty.

Mrs. W. H. Swanson left Sunday to join her husband, who is employed in defense work at Houston. She has been living in the Porcher apartment on Highway 7.

Mr. and Mrs. Dewey Connell and

daughter, Betty Carroll, of Carlsbad, N. M., visited last week end with his parents, Mr. and Mrs. J. O. Connell.

Mr. and Mrs. James Foust and son, Jimmy, visited Mrs. Foust's parents, Mr. and Mrs. John Cary, here Sunday. They also spent some time with Mr. Foust's parents, Mr. and Mrs. Eldridge Foust, of near Morton.

Mrs. J. F. Willingham of eight miles southeast of Littlefield was released from the Littlefield Hospital Saturday, and although still confined to her bed she is showing improvement. A stillborn baby, a son, was born to Mr. and Mrs. Willingham Tuesday of last week, and Mrs. Willingham has been very ill. She will be confined to her bed another week.

Mrs. Warren Rutledge and sons, Warren, Jr., and Robert, returned

home Sunday night after several weeks' visit with their husband and father, who is in the U. S. Navy, stationed at Port Arthur. They were accompanied home by Miss Erna Douglass, who with her mother, Mrs. Neal Douglass, had been visiting in Dallas and Decatur. At Decatur they visited their daughter and sister, Mrs. Horace Usery. In Dallas they visited Mrs. Neal Douglass' sister, Mrs. Sadie Ray, and her son, Cpl. Neal Douglass, Jr., of the U. S. Army. Mrs. Douglass accompanied Mrs. Rutledge and Erna enroute home as far as San Angelo, where she will visit this week with another daughter, Mrs. Jim Bean.

Miss Camille Arnold, who is in nurse's training at the West Texas Hospital, Lubbock, visited her parents, Mr. and Mrs. H. C. Arnold, last week end.

Miss Marjorie Higday and Miss Cieta Lee Burleson, students at Texas Tech, Lubbock, visited last week end in the home of Miss Higday's sister and brother-in-law, Mr. and Mrs. R. L. King.

Mrs. W. A. King of Lubbock visited her sister-in-law, Mrs. R. L. King, Saturday afternoon while her husband assisted his brother, R. L. King, at the Fat Stock Show.

W. H. Free of Abilene was a week end guest in the home of his sister and brother-in-law, Mr. and Mrs. J. C. Hilburn.

Miss Marjorie Hilburn visited her parents, Mr. and Mrs. Albert Hilburn at Roby from Friday afternoon to Sunday night.

Mr. and Mrs. J. C. Hilburn attended to business and visited his mother, Mrs. J. M. Hilburn, at Roby Wednesday and Thursday of last week.

A daughter, who has been named Sherry Lee, was born to Mr. and Mrs. Dow Oma Hester of Littlefield Tuesday, March 23, at the Payne-Shotwell Hospital.

Mr. and Mrs. Harvey Lee Bishop are the parents of a son, Kenneth

Ray, who was born Sunday, March 21, at the Payne-Shotwell Hospital. Dean Calvert, 10-year-old son of

Mr. and Mrs. A. D. Calvert of Bayboro, underwent appendectomy at the Payne-Shotwell Hospital last

Saturday.

Mrs. Cartall was a member of
the Phi Chi medical fraternity
before her resignation
in order to go to Cali-
fornia to be married. She attended

Thomas Jefferson High School in
San Antonio and Incarnate Word
College. She was graduated from
the University of Texas School of
Medical Technology in Galveston in
October, and since that time was
a member of the staff at John Sealy
Hospital. In January she passed her
examinations in Medical Technology
of the American Society of Clinical
Pathologists.
Lieut. Cartall, who is interning
in the medical corps of the U. S.
Navy, received his permanent com-
mission in January. He received his
B. S. degree at the University of
Texas, Austin, and his M. D. degree
from the University of Medical
School. He is a member of the Phi
Chi medical fraternity.

The 2nd War Loan Starts April 12

13 billion dollars must be raised!

LAMB COUNTY'S QUOTA WILL BE \$428,000

This Money Cannot Be Raised Without Your Bond Purchases! Everybody! Let's Go!

THE GOVERNMENT of the United States is asking us to lend it 13 billion dollars in the next few weeks. We can do it. And we must do it. Every American must realize the truth:

In this, our toughest war, we've made a good start. We've trained a lot of men—made a lot of weapons—built a lot of ships.

But it's only a start. No man or woman among us would contend for a single instant that we're doing enough now to win this war!

WE'VE GOT TO BUILD MORE!

We broke all records building 8 million tons of shipping last year. But grim-faced Army and Navy men will tell you that the 18 MILLION tons we're building this year still won't be enough!

WE'VE GOT TO FIGHT MORE!

From now till this war is won, America must be on the offensive. In ever-increasing numbers, your sons, brothers, husbands must go into actual battle. Our losses have already begun to mount—and they will not grow less.

AND WE'VE GOT TO BUY MORE WAR BONDS!

Sure we're all buying War Bonds now. But we've got to help pay for our increased fighting and building . . . We've got to match, as best we can, the sacrifice of those Americans who are toiling and sweating on a dozen battlefronts—with the bloodiest yet to come. The blunt fact is this: to keep our war machine going, we've got to dig up 13 billion extra dollars this month. 13 billion dollars over and above our regular War Bond buying!

In the next few weeks you may be visited by one of the thousands of volunteers who are contributing their time and effort to this Drive. But don't wait for

him. Make up your mind now that before this drive is over, you're going to march right down to your nearest bank, Post Office, or place where they sell War Bonds, and do your duty. And don't ever forget this: in doing your duty, you're doing yourself one of the biggest favors of your life!

For United States War Bonds are the greatest investment in the world—bar none. They're investments tailored to fit your particular situation. And they give you the chance of a lifetime to order and get the kind of world you want to live in after this war. Every cent you put in War Bonds now will help to guarantee plenty of peacetime jobs making peace-living for every one of us.

For your Country's sake—for your own sake—invest all you can!

There are 7 Different Types of U. S. Government Securities—Choose The Ones Best Suited For You:

UNITED STATES WAR SAVINGS BONDS—SERIES E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2 1/2% TREASURY BONDS OF 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1948; due June 15, 1969. Denominations: \$500, \$1000, \$5000, \$10,000, \$100,000—also \$1,000,000 if registered. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Subject to Federal taxes only. Price: par and accrued interest.

OTHER SECURITIES: Series "C" Tax Notes 3% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."
