## LEADER CIRCULATION CONTEST OFF TO BIG START

**NOW IS BEST OPPORTUNITY TO ENTER CONTEST**

**Free Car, Trip to California and Other Prizes Will Be Given**

The Lamb County Leader Campaign is off to a good start.

This is the second week of the Lamb County Leader's great Circulation and Prize Campaign and all of the candidates are getting off to a good start.

The candidates are determined to stack up votes this week during the best Bonus Offer on subscriptions during the entire campaign and thereby have "the jump" on the rest of the field.

Everyone of the workers are filled with determination that is going to COUNT BIG when the ALL TALKED OF FIRST PERIOD is over and the votes reduced.

They all have the kind of enthusiasm that does not allow discouraging "weeping Willies" who are causes of hard times to bother them in their work.

Candidates are combing the county and not leaving one thing undone to secure subscriptions that will count many votes for them on the New 1932 Food and other big prizes offered.

**Competition Keen**  
Perhaps, there are some who felt they could win easily at the last thinking that there will be

## —:— THE COUNTY SEAT ISSUE —:—

There are a great many reasons why it is in the interests of Lamb county to establish the county seat at Littlefield.

Many of these reasons are very ably set out in an editorial which appeared in last week's issue of the Sudan News.

It is our pleasure to pass this editorial on to the readers of the Lamb County Leader. The editorial reads as follows:

"In these times of depression, when it is every voter's duty to retrench, economize and be careful in the manner in which he casts his vote, it is time for him to consider long and well the advantages, as well as the disadvantages, that he may cause by casting his vote. We say his vote because it is often just that. One vote may make or break a community.

"In the case of the removal of the county seat at this time, it may be economy to move the county seat. Since the town of Littlefield has made such a liberal offer, and such offer has been accepted by the county commissioners' court, THE FREE USE OF THE CITY HALL, it appears to us that it would be economy to move the county seat to Littlefield, not only on the basis of their offer, but, from the fact that at least 75 per cent of the residents of Lamb county would be benefitted by its removal. The distance would be shortened to one-half of its present site, Olton. This alone would save the majority of the voters much time and money. With the court house located at Olton it is necessary for the people of this territory to drive 40 miles to transact business at the county seat. This requires a cash outlay of several dollars and much time each time the trip is made. If the county seat were located at Littlefield the time and money required to transact business at the county seat would be reduced to one-half which in the course of ten years would mean a saving of many thousand dollars in actual expense of attending business matters at the county seat.

"Insurance, operating and upkeep of the courthouse is also quite an item of expense which will be eliminated should the county seat be moved to Littlefield. And taken for a period of ten years would amount to Thousands of Dollars. The removal of the county seat to Littlefield would tend to lessen taxes and even this year a reduction in valuation could be secured which would lower our taxes to one-half or two-thirds of what they have been in the past.

"The commodious City Hall at Littlefield has ample room to accommodate the county officers, and the jail is ample to take care of the prisoners. A recent grand jury reported the present jail at Olton inadequate, which means that we will soon be called upon to vote bonds for a new jail, if the county seat remains where it is. This will cost the county \$10,000 to \$20,000. Littlefield's offer of the FREE use of the jail makes another substantial saving."

### LITTLEFIELD BETTER LOCATED

One important point in favor of the removal of the county seat to Littlefield, which is made in the editorial in the Sudan News, is the fact that Littlefield is more accessible to the majority of the residents of the county

### AWAIT DECISION OF I. C. C. ON REQUEST To Build T. & P. N.

West Texans await with deep interest the decision of the Interstate Commission on the application of the Texas and Pacific Northern to build a railway from Big Spring to Vega.

The hearing before the commission was held last week. T. S. Christopher, assistant attorney general of Texas, who appeared before the commission, submitted a plea for construction of the line from Big Spring to Vega, with branches carrying the route northward over a network 328.1 miles in length.

Christopher declared that Texas wanted the line and that communities in many Panhandle and Central West Texas counties favored it. He said existing facilities were inadequate.

The road also is needed, he said, to get livestock, grain and feedstuffs to the Fort Worth and Dallas markets instead of routing them northward out of the State.

The attorney asserted that among the benefits which would result from construction of the new line would be increased prices to feed growers in the western section of the State, who would be provided with an outlet to serve dairy farmers in the eastern portion of Texas.

Christopher said Examiner Weed, in recommending that only part of the proposed line be approved, failed to give the El Paso market sufficient consideration, adding that "El Paso is now inaccessible to the region

when it is considered as a whole." "I don't believe the commission should give serious consideration to truck competition," he continued, summing up his argument in behalf of the road with the comment: "It is not always existing tonnage, but prospective tonnage that may justify the commission's approval."

G. A. Woodward of Big Spring appeared on behalf of the towns favoring the line. T. D. Gresham, general attorney, and G. O. Gateman, assistant, presented the Texas and Pacific Railway's plea for the permit.

Weed's report to the commission approved construction of the line through Howard, Martin, Dawson, Terry, Lynn and Lubbock Counties, but disapproved construction through Hoenley, Lamb, Castro, Deaf Smith, Oldham, Randall and Potter Counties and the part of Terry County north of Brownfield.

#### Oppose Proposed Line

Stern opposition was voiced by the Atchison, Topeka and Santa Fe railway on behalf of its subsidiary the Panhandle and Santa Fe.

Opposition also was expressed by the Fort Worth and Denver City railroad, a Burlington subsidiary, and the Chicago, Rock Island and Gulf, a subsidiary of the Chicago, Rock Island and Pacific.

Lee F. English appearing for the Santa Fe disputed the statements that the road was needed. He asserted the routing from major middle-western markets would result in long hauls and heavy delays in handling freight.

He also asserted much of the route paralleled the Panhandle and Santa Fe at a distance of 15 miles or more. The proponents of the plan countered this with the statement the distance by highway was much greater.

### TODAY'S STARS MEET IDOL OF YESTERDAY IN "OVER THE HILL"

When the Fox dramatic production, "Over the Hill," opens at the Palace theater Saturday midnight, local moviegoers will see a photoplay that has a history of its own and that serves in the present version as a short saga of Hollywood. It brings together the past and the present, the stars of today and a star of yesterday.

This picture will also be shown at the Palace theater Sunday and Monday.

Fresh from their triumph in "Bad Girl," James Dunn and Sally Eilers appear in the romantic leads, while in the romantic leads, while in the beloved role of "Ma" Shelby is a player whose fame goes all the way back to "The Birth of a Nation." She is Mae Marsh, who at the persuasion of Mr. Winfield Sheehan, Fox Vice-President and General Manager in charge of production, undertook the assignment of shepherding a flock of cinema children after years spent in raising her own small brood.

The exploits of Dunn and Miss Eilers are too fresh in the minds of the picture public to require much explanation and repetition. Suffice to say, both sprang out of the void as true stars should, taking the world by surprise by their vivid performances in "Bad Girl."

And the name of Miss Marsh, while not so fresh as her two co-stars, is still revered in the minds of true

movie fans.

Miss Marsh has never been absent from the thoughts of Hollywood studio councils. Time and again she has been solicited to come and play roles that cried for her incomparable touch. But it was not until she read the script of "Over the Hill" that she again felt the urge of the screen.

In support of James Dunn, Miss Eilers and Miss Marsh are James

## COMING THROUGH

With dependable constant day in and day out service during a series of cold waves is no easy task.

Our distribution system must be an elastic one. It must expand to serve the heavy peak demands of winter's cold waves. And the same system must contract to absorb the slack demands of Summer's warm weather.

We believe we are "coming through" with such a service.

ORDER FOR COUNTY SEAT ELECTION THE STATE OF TEXAS COUNTY OF LAMB.

WHEREAS, on the 8th day of February, A. D. 1932, a petition was presented to me, as County Judge of Lamb County, Texas, by O. H. Reeves and six hundred and eighty-four (894) others, stating that it is desirable to remove the county seat of Lamb County, Texas, from Olton, Texas, to Littlefield, Texas, of which number more than two hundred (200) are legal and qualified voters and freeholders of Lamb County, Texas, residing in said county; praying that an election be held in Lamb County, Texas, at the various voting precincts of said county for the purpose of submitting to a vote of the people of Lamb County, Texas, the question of whether or not the county seat of Lamb County, Texas, shall be removed from Olton, Texas, to Littlefield, Texas; and

It appearing that said petition bears the requisite number of qualified voters and freeholders who are residents of said county, and is in every respect in conformity to law:

THEREFORE, I Simon D. Hay, in my capacity as County Judge of Lamb County, Texas, do hereby grant said petition and do hereby order that an election be held in the various voting precincts of Lamb County, Texas, on Saturday, the 19th day of March, A. D., 1932, for the purpose of determining whether or not the county seat of Lamb County, Texas, shall be removed from Olton, Texas, to Littlefield, Texas.

That said election shall be held in Voting Precinct No. One (1) in the courthouse of Lamb County, Texas; and Marshall Covett, A. S. Erb, H. W. Cone and H. H. Ogletree are hereby appointed judges of said election in said precinct.

Standard Training School to be Held At Methodist Church

At a meeting last week plans were worked out for a Standard Training School to be held at the Methodist Church in Littlefield the last days of March and the first of April. The out-of-town charges participating in the school will be Amherst, Sudan, Muleshoe, Muleshoe Circuit, Earth and Y. L. Circuit. Besides these Churches the other churches in town have a hearty invitation to join with us in this school.

The following course will be given: The Children's Division, The Organization and Program of Christian Religion in the Local Church, A Bible Course, The Life of Christ, and a course in Evangelism.

The indications are that more than 100 units of credit will be given in this school.

The following workers represented their churches at the meeting: Amherst, Rev. L. B. Smallwood, L. D. Criswell and Miss Imnie Shannon; Sudan, Rev. and Mrs. W. P. McMicken, Mrs. J. J. Franks, F. B. Talbot; Rev. R. S. Watkins, pastor at Hale Center, Rev. E. E. White, Presiding Elder of the Plainview District, and Rev. J. W. Watson, Executive Educational Secretary for the Northwest Texas Conference.

At the close of the meeting the good women of the local church served sandwiches, cookies and hot chocolate. All went away with a better understanding of what it meant to be a Christian.

Baptist Pastors, Layman's Meeting Is Well Attended

Doubtless one of the greatest meetings ever held in this section of Texas was that of the Baptist Panhandle Pastors' and Layman's Conference held in the Chapel of Wayland College, Plainview, February 16-18 which was attended by Rev. and Mrs. J. F. Grizzle of this city. This meeting has been an annual affair at the college for several years, but this year marked the largest number ever attending the conference. The citizenship of Plainview cooperated in a fine way with the entertainment committee, by furnishing bed and breakfast for the visitors, and the ladies of the First Baptist church of Plainview served a wonderful plate lunch each day in the college building for the small charge of twenty five cents.

In this conference was heard some of Texas strongest men; Dr. J. Howard Williams, Dallas, Dr. G. L. Yates of Amarillo, and Dr. J. B. Tidwell of Waco, and many of our best pastors and Laymen over the plains country. Rev. J. F. Nix of Clovis, New Mexico, a former student of Wayland, stirred the hearts of the great gathering with an address on the subject "Advantages of the Denominational School."

Wayland College is the Baptists' own, the denominational school, owned by Baptists of the Plains of Texas. Every Baptist of this section should know Wayland. Her doors are open to visitors at all times and the great faculty and student body will welcome you.

CHURCH OF CHRIST

Sunday, February 28

Sunday was a very pleasant day with us. All services were well attended, considering weather conditions and sickness throughout the country.

The church is planning to build an extension to its building to accommodate their Bible class work.

Bro. Clark of Slaton will preach next Sunday at 11:00 a. m.

Usual Bible study at 10 a. m.

Ladies Bible class meet Monday at 3 p. m. Wednesday evening at 7:30. Subject lesson.

We hope to make this service both interesting and profitable to all. Besides the subject lesson we will have song drill when possible. Subjects to be discussed at these services are suggested by anyone who has a subject they would like to have discussed. Different speakers are assigned different phases of the subject. We believe you would enjoy this work. Meet with us next Wednesday evening and see. And if you have a subject in mind that you would like to hear discussed by competent speakers, come and name your subject. And if you prefer, may suggest your speakers.

Everyone is invited to each and every service.

You will find a friendly and spiritual atmosphere.

TABERNACLE BAPTIST CHURCH

Because of the abiding interest in the pastor's message on "War and Prophecy", and the dark cloud (with silver lining), that hovers over China, herewith is reproduced a few excerpts from the messages. "Gird yourselves and lament, ye priests; howl, ye ministers of the altar; come, lie all night in sack cloth, ye ministers of my God... Sanctify a fast, call solemn assembly, gather the elders and all the inhabitants of the land unto the HOUSE OF THE LORD your God, and cry unto the Lord, 'why?' Let Joel answer (Joel 1:15) 'alas for the day! The day of the Lord is at hand and as a destruction from the Almighty shall it come.'

We all admit we are "in" depression, but the way "out" is the big question. Many solutions have been offered—wise and other wise—but do they work? I have yet to read one statement suggesting God prescribed remedy, viz: God's people—Zion—lament. What else? "Call a solemn assembly"; call not the ungodly, call not the worldly minded church member; call not the hypocrites; call not the infidels. Then whom shall we call? God says, "a solemn assembly." Where shall they meet? "In the house of the Lord" (Joel 1:13). For what purpose? "To cry unto the Lord." What will be the result? "And it shall come to pass that whosoever shall call upon the name of the Lord shall be delivered." (Joel 2:32). Woodrow Wilson called America to prayer during the World War. Result: Goodbye France, hello Broadway!

I saw the other day where every Japanese aviator when signing for war service, must draw blood from his own right arm, and sign with his own hand and blood this oath: "If at any time while engaged in combat with an enemy warship, we find our bombs ineffective we promise to

nose dive against said war ships, losing our own lives, for the sake of our country." O' Zion, awake, awake and put on thy beautiful garments! You have enlisted in the army of the King. Will you die for the word of God and testimony of Jesus Christ, yea, verily, will you LIVE for Him?" Roy A. Kemp.

## Authentic Information Relative to the Proposal to Move the County Seat to Littlefield

### The Lease Between City of Littlefield And Lamb County

THE STATE OF TEXAS  
COUNTY OF LAMB

KNOW ALL MEN BY THESE PRESENTS: That the City of Littlefield, a municipal corporation of Lamb County, Texas, acting herein by and through its legally elected and qualified Mayor and Commissioners; viz. T. S. Sales, Mayor, and Homer Hall and Pat Boone, commissioners, and likewise acting herein under and by virtue of a certain order made and passed by the said Mayor and Commissioners of the said City of Littlefield, Texas, at its regular monthly meeting held in said City on the 2nd day of February, A. D. 1932, which order is duly recorded in Vol. 2, page 137-138 of the Minutes of the City of Littlefield, here referred to, and for and in consideration of the sum of Ten (\$10.00) Dollars to be paid as hereinafter set out and stipulated, have this day and does hereby lease, give and grant unto Lamb County, and to Simon D. Hay, County Judge thereof, and to his successors in office, for the use and benefit of Lamb County, Texas, the use of and the right and privilege to use and occupy for courthouse purposes in conjunction with the said City, the City Hall located on the public square in the City of Littlefield, in Lamb County, Texas, for a period of ten (10) years from the date hereof.

It is further provided that the said City Hall, consisting of court room and offices, shall be used and occupied jointly by the county officers and the City officials during the period of this lease.

It is further provided that for and in consideration of the amount of money above specified, the county shall have and is hereby given the right to use the jail located over the fire department in said City Hall, as a county jail, during such time as the main part of the City Hall may be used for courthouse purposes by Lamb County through its duly elected and qualified officials.

It is further provided that the above recited consideration shall be paid at such time within the period of this lease as the county officials may begin to use said City Hall for courthouse purposes.

In testimony whereof witness the hand of the Mayor and City Commissioners of the said city of Littlefield, Texas, and the seal of said City, attested by the City Secretary, on this the 3rd day of February, A. D. 1932.

### THE LITTLEFIELD CITY HALL

### A VIEW OF THE LITTLEFIELD JAIL

## THE FACTS CONCERNING THE LITTLEFIELD CITY HALL

The Littlefield City Hall is a new and modern two-story brick building which was completed in 1930 at a cost of \$50,000. (The Court House at Olton was completed in 1923 at a cost of only \$23,574.)

The Littlefield City Hall is a spacious structure with a frontage of 70 feet and a total depth of 72 feet. The main section of the building is 70 feet by 40 feet, and the rear portion of the structure, which is given over to a fire station on the ground floor and a jail on the second floor, with the exception of a small portion, is 40 feet wide and 32 feet deep.

The Littlefield City Hall, including the Court Room and the Fire Station, has 14 rooms, as against 12 rooms in the Court House at Olton, and every one as large as the rooms in the Court House and the majority of them very much larger. If the County should need the room, it will be an easy matter for the City of Littlefield to find other accommodation for the fire trucks.

Most of the rooms in the Littlefield City Hall could be made considerably larger by the removal of partitions.

The Court Room at the Littlefield City Hall has 110 chairs.—33 less than the District Court Room at Olton, but should additional seating accommodation be necessary there is plenty of room for the placing of additional seats.

The Littlefield City Hall also offers rooms of sufficient size which would prove admirable for the sessions of County Court or for the meetings of the Commissioners' Court.

The Littlefield Jail—in which was used the strongest, most modern equipment—is capable of accommodating at least 35 prisoners. (There is bedding at the present time for 25 prisoners.)

The Littlefield City Hall has a large, modern vault, . . . much larger and more convenient than the vault in the Court House at Olton.

The Littlefield City Hall has a large basement, in which is located a modern heating plant.

County Judge of Lamb County, Texas, C. A. Daniels, C. E. Strawn and E. J. Foust, County Commissioners of Lamb County, Texas, and each acknowledged to me that he signed the foregoing instrument for the purposes and consideration therein expressed and in the capacity therein stated. ### New Law Protects Taxpayers Against Bond Issues

Legislation passed at the last session of the legislature, known as the "Bond and Warrant Law of 1931," safeguards the taxpayers of a county against the issuance of bonds for construction purposes, without their consent.

Outstanding sections of the law as herewith published for the information of voters:

Excerpts from Art. No. 2368-A, revised civil statutes of Texas, commonly known as "bond and warrant law of 1931," being an act passed by the Forty-Second Legislature of the State of Texas, effective May 26th, 1931.

Section 2 of said article provides: "That no county or city in this State shall make or enter into any contract for the construction of any public building requiring an expenditure in excess of \$2,000.00, and thereby create an obligation of any nature upon such county or city, without first submitting such proposed contract to a referendum to the voters. Notice of the time and place when such referendum shall be held shall be published in such county once a week for two consecutive weeks prior to the time set for letting such contract, the date of the first publication to be at least fourteen (14) days prior to the date set for the letting of such contract; and that such notice shall be given by posting notices at the courthouse door for at least fourteen (14) days prior to the time for the letting of such contract.

Section 4 of said article provides: "That if, by the time set for the letting of the contract, as many as ten (10%) per cent in number of the qualified voters of the county, petition the Commissioners' Court in writing to submit to a referendum on the question as to the issuance of bonds for such purpose, then the Commissioners' Court shall not be authorized to make any expenditure, nor to award any construction contract, unless the proposition to issue bonds for such purpose is sustained by a majority of the votes cast at such election." Said article further provides: "that, in the absence of such petition of ten (10%) per cent of the qualified voters of the county, the Commissioners' Court may at its discretion also submit such question to a vote of the people."

Section 2 of said article provides: "Any and all such contracts or agreements hereafter made by any county or city in this State, without complying with the terms of this Section, shall be void, and shall not be enforceable in any Court of this State, and the performance of same and the payment of any money thereunder may be enjoined by any property paying citizen of such county or city."

### Littlefield Voters Oppose Bond Issues

The voters of Littlefield and District are strongly opposed to any bond issues so long as the present distressed financial conditions exist. Here is a document to which hundreds of signatures have been affixed:

"We the undersigned citizens of Littlefield, Texas, wish to state that under present conditions we consider the burden of taxes too heavy, and that we would strongly oppose any additional taxation at this time. Property is taxed not only for school and county and school purposes, but to retire outstanding county warrants and bonds, but in addition there are pay taxes for the city government and expenses, and to retire bonds issued for paving, for municipal water system, a municipal sewer system and a City Hall.

In case the county seat of Lamb County should be removed to Littlefield, we think the City Hall is amply sufficient to serve the purpose of a courthouse for a number of years under normal conditions, and that the erection of a new building would be foolish and an unnecessary expense. "And we hereby pledge ourselves that we would oppose and vote against the issuance of any bonds or warrants for the purpose of building either a courthouse or a jail at Littlefield or any other place in Lamb County so long as the present distressed financial conditions continue to exist."

### Taxation

School Tax \$1.00 per \$100.00  
City Tax \$1.50 per \$100.00  
State and County Tax, \$1.59 per \$100.00.

Is it REASONABLE with the above taxation that the residents of Littlefield and District would be seeking to assume an additional burden of taxation?

## ENOCHS' BREEZES

Nell Louise, the small daughter of Mr. and Mrs. J. D. Blalock, was lightly burned on the back and arms Sunday afternoon in her home, when her clothing caught fire from a gas burner near which she was playing.

Her father and Bill Dick rushed to the rescue and smothered the flames before she was badly burned.

Mr. and Mrs. Hilary Snow, Mrs. W. A. Snow and children left last Thursday for Crosbyton where they are visiting friends and relatives.

Mr. F. M. Colvert and Miss Annie Vandeventer, accompanied by Mr. and Mrs. Roy Helson, went to Clovis Monday where they were quietly married. Miss Vandeventer is the attractive young daughter of Mr. and Mrs. C. S. Vandeventer, who came to Enochs about two years ago. Mr. Colvert came from Oklahoma a few months past. They will probably make their home in this community. The people of Enochs extend to them their many wishes for happiness and success.

The gin now runs on Saturdays only.

## AMHERST

T. H. Pennington and Mat Nix of Amherst shipped seven cars loads of three and four year old steers, comprising 166 head, to the Kansas City market recently.

The mother of J. E. Mayfield, local citizen, died in the family home in Bellevue and was buried at that place Monday, February 1, services being held in the Baptist church at 3:30 with Rev. J. A. Matthews of that place officiating. She was 76 years of age at her death and left surviving her husband and six sons.

Entrance was gained by prying loose a window in the rear of the Amherst Drug store recently, and about \$500 of merchandise, jewelry and cigarettes, were taken. Officers have found no clue as to the identity of the guilty ones.

The gins of Amherst had ginned up until last week a total of 14,385 bales, as follows: Farmers Gins (2) 7,385; Melton Gin 3,843 bales; and Terry Gin 3,110 bales.

Cecil Leslie Enix, registered druggist from Hennesey, Okla, now has charge of the prescription department of the Amherst Drug Store.

## ANTON

The Chamber of Commerce held their banquet here Tuesday night at the school building. The banquet was served by the Anton ladies, and the proceeds will go toward planting trees in the Anton cemetery.

Commissioner J. P. Shofner has announced as a candidate for reelection as commissioner for Precinct 4 of Hockley county.

Clifton Ponder, bookkeeper at the Cotton Center gin, while enjoying the modern sport of flying in his Steeman Monoplane recently, flew to a bad landing and tore one wing and propeller from the machine. A man and woman were riding with him at the time of the accident, but no one was hurt. It is reported to have damaged the machine to the amount of \$300 or \$400.

Romert Burgess and Miss Vina Kerby of Hart's Camp, were married at Anton Monday evening, February 15. Rev. W. P. Kirk performed the ceremony.

Orval Kirk of Yellow House Switch and Miss Oleta Jenkins of East of Anton were married at Portales, N. M. Sunday, February 14.

Roy Broom had his left arm badly crushed recently when his car struck a concrete culvert, telescoping the front end of the car, knocking out the windshield and wrecking the steering wheel. He was rushed to the Lubbock sanitarium, where the doctors are doing all they can to save his arm.

## SOUTHEAST NEWS

### EXPECT ARREST AS RESULT OF TWO FARM FIRES

### THREATENING NOTES LEFT AT LAMB COUNTY FARMS

An arrest is expected soon in connection with the two fires of early Thursday morning last, which destroyed feed at the farms of Commissioner C. E. Strawn and Henry Adkins.

The fires, together with the happenings surrounding them, are being investigated by Constable Fred Hoover. Threatening notes all signed KKK were found at the farms.

Mr. Hoover does not think the Klux Klan was involved in any way, even though the notes were signed by that organization's initials.

The Strawn farm is located nine miles northeast of Littlefield, and the fire at that place was about 1 a. m.

The Adkins farm is located twelve miles east of Littlefield, and the fire

on portions of shoe boxes, and were placed in locations where they would be easily found.

The signs and buck were sent to Lubbock for the purpose of determining as to whether any finger prints could be found on them.

### Claude Clark Has Changed Location of Barber Shop

Claude Clark, who has been conducting a barber shop at 429 Phelps avenue for the past year and a half, changed his location last week, and is now located at 302 Phelps Avenue, next door south of the Renfro Brothers Grocery & Market.

Mr. Clark, before going into business for himself, was connected with the Clark & Haile Barber Shop here for four and one-half years. He came here six years ago from Hamlin, Texas.

### Short Course to Be Held in Sudan Saturday, Monday

The agricultural short course, which will be held in Sudan Monday, February 29, and Tuesday, March 1, is expected to draw large numbers from all parts of the county. No charge of any kind is being made, and everyone invited.

This short course is being held to help the people solve their many problems of the farm, the home and the community.

New thoughts, new ideas based upon scientific experiments and investigations conducted by many agricultural colleges, and upon practical experiences of "dirt farmers" everywhere, will be presented in the belief that they will be of help to all in meeting certain difficulties which are encountered.

Local committees are preparing a program that will include discussions of the farm and home problems that are most common in this community and the Agricultural Extension Department of the International Harvester Company, which is cooperating with the Sudan people in conducting the short course, is doing.

There will be a talk by Miss Grace Marian Smith, farm girl, farm woman, rural teacher, extension worker for the U. S. Department of Agriculture during the war, and able lecturer and writer on household and other subjects relating to woman's work. H. S. Mobley and L. A. Hawkins, practical farmers, also take prominent parts on the program.

### DISTRICT COURT

A number of criminal cases of importance are scheduled to be called soon in the District Court, before Judge C. C. Clements, among them being the following:

The case of State vs. James K. Polk, Jr., which was continued from the last term of court, is set for Monday, February 29.

State vs. J. F. Bumpass, et al, is on the calendar for March 4.

State vs. Ivan Inklebarger also comes up at Olton on Monday, March 7.

I am anxious to win the Ford car in the Lamb County Leader contest, and would appreciate if my friends would subscribe or renew their subscriptions through me, so that I may receive their votes.—Mrs. Max Touchon. 46-1tp

### Easy Pleasant Way To Lose Fat

How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent hips and abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts that costs next to nothing and which will last you 4 weeks. Take one half teaspoonful in a glass of hot water every morning and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends—"One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

But refuse imitations—safeguard your health—you lose fat SAFELY with Kruschen.

Leading Druggists America over sell Kruschen Salts.

### EIGHT YEARS AGO IN LITTLEFIELD

(Exerpts from Littlefield Leader)

P. W. Walker this week began construction on the first three of a number of modern bungalows, to be of four and five rooms each, which he proposes to sell on a small cash payment and additional installments.

L. M. Porter, one of the recent farm land purchasers of Littlefield vicinity, this week bought a lot just south of the Littlefield Service Station and is erecting thereon a building 22x70 feet, which when completed will be occupied by grocery and variety stock.

The Littlefield school trustees have elected W. G. Street as tax assessor for the district, with E. C. Cundiff as assistant.

The family of J. C. Porch have arrived from Amarillo and they have rented and moved into the D. T. Farley house.

What came near being a serious fire occurred Sunday morning while O. H. Ogden was pumping a car of gasoline into the tanks. One of the valves was leaking, and the gasoline dropping to the ground caught fire from the engine exhaust. A quick response of help, called by telephone, put out the blaze, which, for a few minutes threatened the entire plant.

F. L. Sturgis is this week opening a new grocery and meat market just north of the Butler lumber yard.

Miss Anna May Brannen is the winner of the Lincoln Medal given the high school pupil writing the best essay on the life of Lincoln. There were several contestants for the honor.

Cochrane County, the only "unorganized" county in Texas, is about to be "organized."

The "organization" process is rather devious, due to the fact that there is no legal machinery in operation within the county. A petition signed by a specified number of citizens of the county will be presented to the commissioners court of Hockley, adjoining Cochrane, on the east some time this month. If the petition is shown to be valid, the Hockley county commissioners will call an election in the unorganized county, at which a county seat will be selected and various county officers elected. The election would be held 30 days after being ordered by the court. Morton and Ligon are in sharp contest for designation of the county seat.

Max Bentley, special writer for the Fort Worth Star Telegram was in Littlefield last week gathering information for a series of articles to be written about West Texas and published in that newspaper which has a circulation of more than 100,000 copies.

At a meeting of the school trustees, Littlefield Independent District, held this week, it was unanimously decided to build a \$75,000 high school building, to be centrally located for community accommodations.

The sale of bonds were contracted for at \$1.04 net to the district. The purchaser was The Southwestern Securities Co., of Amarillo, through their representative, W. H. Lindsey, and sale contract will become valid following confirmation at election.

W. R. Coffman of Amarillo was employed as architect to supervise the construction.

The necessity for larger quarters for school accommodations has been apparent for more than two months.

### Two Arrested on Robbery Charge

Two Littlefield young men were held to the Lamb county grand jury, now in session at Olton, on charges of robbery, for the alleged breaking into of a box car on the Santa Fe tracks here last Thursday night. The arrests were made by City Marshall W. P. McDaniel.

Bond was set at \$500 each by Justice of the Peace J. P. Sikes at an examining trial held Monday afternoon in the city hall.

It was charged that the pair removed from the box car, in a freight train, a case of canned fish.

### POULTRY MUST BE KEPT PENNED

Mayor T. S. Sales announced Wednesday that the City of Littlefield will enforce the city ordinance, requiring that poultry be kept penned. The co-operation of the citizens in the carrying out of the provisions of the ordinance will be appreciated.

### Rooster Attacks Littlefield Child

Alma Flanagan, 18 months old grand-daughter of Deputy Sheriff Bob Miller and Mrs. Miller, was attacked and seriously injured about 3:30 p. m. Wednesday by a Cornish game rooster.

The child was spurred 15 times before it was rescued.

So seriously was the child injured that several stitches were required in closing five of the wounds.

The child was attended by Dr. T. B. Duke.

Deputy Sheriff Miller said Wednesday that he would kill the bird.

### New Front Is Being Built at Ellis & Ware Store

Work was underway today in the building of a new modern and attractive front for the Ellis & Ware Dry Goods Store. The new windows will offer a wide entrance to the store, and long display space. This arrangement will prove very valuable in keeping the patrons of the local store informed as to new merchandise received and special sales events which may be carried out from time to time.

Ellis & Ware Store was established in Littlefield three years ago, with J. H. Ware as the head of the store here, and has enjoyed a good volume of trade since the outset. With the completion of the new front and other improvements, which

will be carried out, the Ellis & Ware store will be in a still better position to serve the people of Littlefield district.

### Auto Laundry

(Continued from Last Week) I told you last week about my car greased at Jerry's Auto Laundry, North Phelps Ave., next to the Littlefield Service Station.

Well, Friday morning my wife washed the car back to have it washed when Jerry got through with it spotless. That afternoon she drove the car to a bridge party, and that evening I was in our garage when my neighbor and his wife drove in. I didn't intend to eavesdrop, but you would have died laughing if you had been with me.

(Continued from Page One)

At the present time it is unhandy for the majority of the Lamb county to transact business at the county seat. Why condition exist? The people own the courthouse and all facilities therewith, therefore such a public institution should be the majority.

point which is made in the Sudan News editorial is the removal of the county seat to Littlefield would make possible a taxes, because the County of Lamb would have a courthouse to keep cost whatsoever and a rental cost of a total of only \$10 10 year period.

modious Littlefield City Hall has ample room to accommodate county offices, and the jail at the Littlefield city hall is ample to prisoners that it is likely will be placed behind bars in Lamb one time for many years.

JURIES CONDEMN OLTON JAIL

judge and commissioners have signed a lease with the City of Littlefield for the Littlefield City Hall for the purpose of a period of 10 years at a total rental for the of \$10. The rental also includes the use of the Littlefield jail. Grand juries have condemned the jail at Olton and some consideration given to the matter of building a new jail at Olton. What jail could be built for \$10?

ever been "down" in the Olton jail? We use the word "down" where that's where the Olton jail is located in the courthouse. In the basement. We have been "down" in the Olton jail. prisoner, we are very glad to state).

HAZARDS FOR JAILER

at Olton is reached from a stairway, the door to which is the front door of the courthouse. The stairway "down" to is very dark and narrow, and the entire arrangement and the door offers the very best opportunities for the escape of it would be a very easy matter for one or more prisoners to escape without anyone knowing for an indefinite time. Should such a condition exist in Lamb county when it is available without cost.

THAT BOND ISSUE QUESTION

some folks say that the leasing of the Littlefield City Hall to Lamb is nothing more than a bait to have the county seat moved to Littlefield, and that in a very short time action would be taken to move the county seat. Read what the law says in connection with the such buildings:

FROM ART. NO. 2368-A, REVISED CIVIL STATUTE OF TEXAS, COMMONLY KNOWN AS "BOND AND WAR- LAW OF 1931", BEING AN ACT PASSED BY THE SEVENTH LEGISLATURE OF THE STATE OF TEXAS, MAY 26TH, 1931.

of said article provides: "That no county or city in this State enter into any contract for the construction of any public building an expenditure in excess of \$2,000.00, and thereby obligation of any nature upon such county or city, without first such proposed contract or agreement to competitive bids. That time and place when and where such contract shall be let shall in such county once a week for two consecutive weeks prior to for letting such contract, the date of the first publication to be (14) days prior to the date set for the letting of such contract such notice shall be given by posting notices at the courthouse at least fourteen (14) days prior to the time set for the let- ting.

of said article provides: "That if, by the time set for the let- ting, no more than ten (10%) per cent in number of the qual- ified voters of the county, petition the Commissioners' Court in writing to refer the question as to the issuance of bonds for such purpose, then such Commissioners' Court shall not be authorized to issue bonds, nor to award any construction contract unless the issue of bonds for such construction purpose is sustained by a majority vote of the voters cast at such election." Said article further provides: "That if, by the time set for the letting of such contract, the absence of such petition of ten (10%) per cent of the qualified voters of the county, the Commissioners' Court may at its discretion also issue bonds for such purpose."

of said article provides: Any and all such contracts or agree- ments made by any county or city in this State, without compli- ance with this Section, shall be void, and shall not be enforce- able in any court of this State, and the performance of same and the pay- ment thereunder may be enjoined by any property taxpayer of such county or city."

to the above law going into effect, Olton was urging that the citizens approve plans and take other necessary action toward the building of a new county jail. Littlefield does not want the county to incur unnecessary expenditure at this time; in fact this city and county oppose such action. It is unnecessary to build a new jail in Olton when Littlefield offers the use of its jail for 10 years free of cost.

OPPOSE BOND ISSUES

of the attitude of Littlefield and territory against the issuance of bonds, great numbers of signatures have been affixed to a document:

undesignated citizens of Littlefield, Texas, wish to state that we consider the burden of taxes too heavy, and we strongly oppose any additional taxation at this time. Our opposition is not only for state and county purposes, and for the payment of county warrants and bonds, but in addition thereto we oppose the city government and expenses, and to retire bonds for a municipal water system, a municipal sewer system,

county seat of this county should be removed to Littlefield, Littlefield City Hall is amply sufficient to serve the purpose of a court house for a number of years under normal conditions, and that the erection of a new building would be foolish and an unnecessary expense.

we pledge ourselves that we would oppose and vote against the issuance of any bonds or warrants for the purpose of building a new county jail at Littlefield, or any other place in Lamb County, while the present depressed financial conditions continue to exist.

ABOUT THE LITTLEFIELD CITY HALL

Littlefield City Hall is a new and modern two-story brick building completed in 1930 at a cost of \$50,000. (The Court House at Olton was built in 1923 at a cost of only \$23,574).

Littlefield City Hall is a spacious structure with a frontage of 100 feet and a depth of 72 feet. The main section of the building is on the ground floor and a jail on the second floor. A small portion, is 40 feet wide and 32 feet deep.

Littlefield City Hall, including the Court Room and the Fire Engine Room, as against 12 rooms in the Court House at Olton, is much larger. If the County should need the room, it will be for the City of Littlefield to find other accommodations for the County.

siderably larger by the removal of partitions.

The Court Room at the Littlefield City Hall has 110 chairs—33 less than the District Court Room at Olton, but should additional seating accommodation be necessary there is plenty of room for the placing of additional seats.

The Littlefield City Hall also offers rooms of sufficient size which would prove admirable for the sessions of County Court or for the meetings of the Commissioners' Court.

The Littlefield Jail—in which was used the strongest, most modern equipment—is capable of accommodating at least 35 prisoners. (There is bedding at the present time for 25 prisoners.)

The Littlefield City Hall has a large, modern vault. . . much larger and more convenient than the vault in the Court House at Olton.

The Littlefield City Hall has a large basement, in which is located a modern heating plant.

LITTLEFIELD OBSERVES BICENTENNIAL OF THE BIRTH OF GEORGE WASHINGTON

HEADQUARTERS FOR GRAIN SORGHUM GROWERS OPENED

OFFICE IS ESTABLISHED AT 510 SOUTH PHELPS

State Headquarters for the Texas Certified Grain Sorghum Growers association have been established in Littlefield, with offices at 510 Phelps avenue. W. H. Cunningham, Secretary of the association, is in charge.

A warehouse for the storage of certified seeds also will be opened as soon as seeds are sent here by members of the association.

According to Mr. Cunningham they have about 1,250,000 pounds of seed to be sold by members of the association, and have received a number of orders for seed.

Nine growers are full members of the association and several others are planning to join. At present the members control about 1,270 acres of certified seed of five varieties; 103 acres of kafir, 535 acres of milo, 460 acres of hegari, four acres of sudan and 163 acres red top cane or sumac.

Members are: Sunset Seed Farms, James A. Borroughs, Lubbock, president of the group; W. M. Pool, Jr., W. M. Pool and Son, Sudan, vice-president; W. H. Cunningham, Littlefield, formerly of Rochester, secretary-treasurer; J. A. Dunn, Lamesa; W. A. Goeth, Pure Seed Farms, Abernathy; J. W. Hammack, Fairacre Seed Farm, Sudan; Hershey and Son, Hereford; Harvey Love, Anton; Pat Nix, Sunny Slope Seed Farm, Lubbock.

Eleven more growers, holding state confirmation, have not entered the state association, although it is announced by Mr. Cunningham that he expects several of them to do so. They control about 1,003 acres more.

According to Mr. Cunningham threshed grain yields of 1,000 to 1,200 pounds to the acre were common in 1931. The association expects to buy about 100,000 pounds of kafir, 525,000 pounds of milo, 460,000 pounds of hegari and 160,000 pounds of cane or sumac.

"We have room here at the headquarters for storage of two or three cars of seed, and as soon as we can we will keep a supply on hand for small orders," Mr. Cunningham said.

The growers are selling their seed at retail in sacks of 25, 50 and 100 pounds. Cotton sacks were purchased and all carry the advertising of the association as well as the red tag of certification. Prices are quoted so that farmers may purchase amounts of 5 to 100 pounds and by use of less seed, actually have less cost per acre for seed than for non-certified seed.

Joining in a nation-wide Washington Bicentennial observance, Littlefield, Monday, began the celebration with the hoisting of the Stars and Stripes at the High School, followed by a parade of approximately 1200 school students and teachers, headed by members of the American Legion. This was followed by Convocation of Citizens in the Palace Theatre.

The program at the theatre was opened with the singing of "America" with Herbert S. Brown as leader, and Jack Norman playing the cornet, accompanied at the piano by Mrs. J. H. Lucas. The invocation was offered by Rev. Joe Boyd, pastor of the Methodist Church.

The citizens then joined in singing "Battle Hymn of The Republic" and "America the Beautiful."

Judge E. S. Rowe gave a splendid talk on George Washington, his devotion to his church and lodges, his loyalty to his town, his government, and his fellowmen. He compared men of today with George Washington, bringing out the unselfishness of the first President of the United States, and the fact that he always used his efforts to the betterment of mankind.

Rev. Boyd also gave a short talk on tree planting, and on the unselfish and useful life lived by Washington, and his brotherly love for his fellowmen.

This was followed by the Nation-wide Radio Program from Washington, D. C., the reception of President Hoover's speech, and the grand chorus of the Nation "America."

On account of the unfavorable weather the tree planting, which was planned for 2 p. m., was postponed for a short time.

Over two hundred Masons, Eastern Stars and their families gathered in the Masonic Hall for the program at 8 p. m. further celebrating the two hundredth anniversary of the birth of George Washington. Many visitors from Sudan, Muleshoe, Amherst, Olton and Spade Community were present, when the following program was rendered:

Address "Washington as a Christian."—Rev. Joe F. Grizzle.

Quartet—Mrs. Pat Boone, Mrs. J. B. Spinks, Mrs. Vernie Wright and Miss Ellen Crockett; Mrs. A. P. Duggan, accompanist.

Talk—"Mother of Washington"—Mrs. Covington, Sudan.

Solo—Herbert Brown; Mrs. A. P. Duggan, accompanist.

Talk—"Washington as a Mason;" F. O. Boles.

Quartet: A. P. Duggan, Herbert Brown, Pryor Hammons, and Arthur Mueller; Mrs. A. P. Duggan, accompanist.

Eulogy to Washington, Mrs. J. M. Stokes.

Pageant—Misses Fern Thornton, Prudence Courtney, Olga Henson, Myrtle Marion Shaw and Morris Morgan.

Recitation—Mac McGavock, Jr.

THREE YOUTHS ARE ARRESTED ON ROBBERY CHARGE

ALLEGED TO HAVE ENTERED TWO STORES AT AMHERST

One Amarillo youth was being held in the city jail in Littlefield pending an examining trial and two others were sent to Lubbock for safe keeping, following their capture by an employe of the Amherst Drug company in the store room, after they were alleged to have broken into the building for the alleged purpose of robbery.

According to officers the trio first entered the Grimes Dry goods store in Amherst where they made away with dry goods valued at \$250. They then were said to have broken into the back door of the drug store, about 1 o'clock Sunday morning.

The employe, who was sleeping in the store, heard the noise of the break in and secured possession of a 22 calibre rifle in the store, kept near his cot. As the trio approached him, the man ordered them to halt. He then forced them to go to the door, where he called the nightwatchman. That officer appeared and turned the trio over to the county authorities.

When two of the pair refused to talk they were taken to Lubbock and lodged in the new county jail there.

It was indicated that the trio would be taken before the grand jury now in session at Olton, before Saturday night for an investigation of the case.

Formal Opening of Legion Hut to Take Place March 14th

A joint meeting of the American Legion and the auxiliary unit was held Monday evening in the basement of the Presbyterian church.

With Commander R. E. Riley, presiding a round table discussion was held relative to plans for financing the newly acquired Legion hut. Plans were also formulated for the opening of the hut. A county wide meeting of Legionnaires and their wives, with the local post as hosts, assisted by the auxiliary, will be held March 20th.

A unanimous vote was made rendering the Legion hut as a permanent meeting place for both the Boy Scouts and the Camp Fire girls.

In a brief business session of the auxiliary, Mrs. Neal A. Douglas resigned as president, due to ill health, and is succeeded by Mrs. T. W. Potter.

At the close of the meeting refreshments consisting of coffee and cake were served by the auxiliary.

## Mrs. John H. Arnett Entertains With Bridge Luncheon Tuesday Afternoon Honoring Bridge Club

Mrs. John Arnett entertained with a bridge luncheon Thursday afternoon, honoring the members of the Young Luncheon Club at her home, 411 East 8th Street.

Two tables of bridge were played during the afternoon, after which Mrs. T. Wade Potter was awarded the high score prize, while Mrs. J. W. Porcher was presented with low prize.

Those attending this social affair, besides Mrs. Potter and Mrs. Porcher were Mrs. Otha Key, Mrs. Billie Chesler, Mrs. C. C. Clements, Mrs. Everett Whicker, Mrs. Charlie Harless and Mrs. J. C. Hilbun.

## Miss Harrison is Placed on Honor Roll at College

Miss Dorothy Harrison, daughter of Mr. and Mrs. B. M. Harrison, Littlefield, is one of the 97 students in a student body of 1400 at the Texas State College for Women (CIA) who made all "A's" and "B's" during the first semester of 1931-32. Miss Harrison's name has been placed on the dean's special honor roll, according to E. V. White, dean of the college.

Miss Harrison is a freshman at the college. She is majoring in business administration. Miss Harrison received the following letter of commendation from Dean White:

"The records in the office of the registrar show that you were one of the 97 students whose grades for the first semester of 1931-32 were all A's and B's. I am, therefore, taking the liberty to place your name on the dean's special honor roll for the first half of the year. I congratulate you upon this attainment."

## MRS. J. O. GARLINGTON ENTERTAINS WITH DINNER AND AT BRIDGE

Mrs. J. O. Garlington was the gracious hostess Wednesday evening when she entertained with a surprise dinner and at bridge honoring her husband on the occasion of his birthday.

After a much enjoyed repast, bridge was the chief diversion until a late hour.

The guest list included Mr. and Mrs. Olen Stewart and Mr. and Mrs. Cole of Lubbock, friends of long standing, and Mr. and Mrs. Ben Lyman of Littlefield.

## Miss Gladys Wales Entertains Bridge Club Friday Evening

Miss Gladys Wales was the gracious hostess Friday evening when she entertained the members of the 1930 Bridge Club and friends at the home of her parents, Mr. and Mrs. J. R. Wales, 404 E. 8th Street.

Patriotic colors were combined in the decorations and in the bridge accessories.

Five tables were laid for bridge. Mrs. Jim Etter won high score for the ladies, while Paul Hyatt was awarded the high score prize for the men.

Those enjoying the occasion were: Mr. and Mrs. Jim Etter, Mr. and Mrs. Malloy Etter, Mr. and Mrs. Ray Jones; Mr. and Mrs. Bill Pass; Mr. and Mrs. Pat Boone; Mrs. Jimmie Brittain; Mr. and Mrs. T. PRESENT BOY WITH MEDAL AS AWARD IN 4-H WORK

JOHN HANKS IS CHAMPION LIVESTOCK PRODUCER OF COUNTY

John Hanks, a member of the Littlefield 4-H Club, was presented at Tuesday's luncheon of the Littlefield Chamber of Commerce, with the Thomas E. Wilson gold medal for being the champion 4-H livestock producer in Lamb county in 1931.

Mr. Wilson is the head of Wilson & Co., Chicago, meat packers, and commencing last year Mr. Wilson entered on the giving of awards to 4-H livestock producers who make outstanding records.

The awards given by Mr. Wilson are:

For the champion meat producer in each county of the United States engaged in 4-H club work—A gold medal.

For the state champion—A gold watch.

For the National champion—A scholarship to the extent of \$200 in any agricultural school the winner of the award elects to enter.

The winner of the Wilson medal in Lamb county for 1931, fed out in that year 16 baby heaves and a litter of nine pigs. On the 16 calves he made a net profit of \$28.80 and on the litter of pigs net profit was \$65.02.

John is 15 years of age, the son of Mr. and Mrs. P. S. Hanks, is a freshman at the Littlefield High school, and a member of the vocational agricultural class.

The presentation to Hanks was made by Arthur P. Duggan, president of the Littlefield Chamber of Commerce, on behalf of Mr. Wilson. The presentation was preceded by a talk by D. A. Adam, county agent, who reviewed the accomplishments of Hanks during 1931.

Thomas—

(Continued from Page One)

Dickens, Floyd, Gaines, Garza, Hale, Hockley, Kent, King, Lamb, Lubbock, Lynn, Martin, Motley, Stonewall, Terry, Yoakum and Howard.

Mr. Thomas is an attorney by profession, as well as a businessman of Big Spring. A number of years ago he was superintendent of the city schools of Haskell, having taught a number of years in West Texas, before entering the practice of law.

He states that he means business when he says that there must be a radical curtailment of expenses and that he is going to, if he possibly can, reduce taxes, or know the reason why. He is against, at this particular time, a state-wide road bond issue and

CLYDE E. THOMAS

any measure that would tend to raise taxes directly or indirectly, and he has a plan whereby the county taxes can also be reduced through state action.

"The state highways do not belong to the counties, and the counties should not be required to carry the burden either as to meeting the present demands for bond issues or for maintenance. The State Highway department has an income of approximately \$45,000,000 and nine million of this can be appropriated by the legislature, direct to the counties, annually, with which to pay the interest and annual sinking fund on the county road bonds that were issued for highways that are now designated for state highways. This would reduce automatically the county tax rate, through legislative action, approximately about 15 cents on the \$100 valuation.

State Must Reduce Expenses

"The State must reduce its own expenses, but if through this method it can also assist the counties in reducing their tax rate, it will be a great help, temporarily at least.

"I realize that this arrangement is purely a temporary matter and is at best the quickest solution, in part, to meet the present unusual condition.

"Those who might criticize this emergency provision, should take into

Your Co-operation Appreciated

The Lamb County Leader appreciates very much the cooperation which the contestants in the circulation contest, which this newspaper is sponsoring, are receiving from the citizens and business establishments of this city and district.

This campaign was put on after much thought on the part of the management, only in an effort to secure a larger subscription list, thus benefitting the advertisers, and also to secure a paid-up subscription list, which is necessary to the welfare and standing of a modern progressive newspaper. It was with no thought of increasing advertising rates, or in any way taxing anybody, that this drive for new subscribers and for renewals was planned.

We will appreciate it, and it will encourage and assist the contestants in the earning of the prizes, if those wishing to subscribe to the Leader, or readers who are in arrears in their subscriptions, will pick out their winner, and step right in and give them their subscriptions or renewals as the case may be.

consideration the awful condition the taxpayer is in, and offer something better for immediate relief—something definite.

"We have simply got to shift the burden of taxation to some extent, from the small home owner. Why not declare a mortgage on land to be an interest in land and tax this interest as if the holder of the mortgage were part owner of the land?

"There should be a right of one year redemption to real estate sold under execution, with certain safeguards, particularly in cases where it is shown to the trial court that the record owner has a substantial equity in the property. A number of states have provisions of this kind and experience shows in these states that it does not drive money from the state.

"I have a law enforcement program, gathered from time to time from my own experiences as prosecuting attorney, and I want to see repealed the law that allows a lawyer member of the legislature to continue a criminal case while the legislature is in session, for the principal reason that this law has been abused. I want to add to the good that the suspended sentence law does a certain safeguard that would come from a Bureau of Identification and Finger Print. I don't like the Fee Bill. There is no reason why our sheriffs shouldn't be on a salary commensurate with the work they perform. I am a prohibitionist and have always been, and will vote for no change in our prohibition laws save and except to strengthen them. I am not a fanatical prohibitionist, but I want to be thoroughly understood. I don't want to ride the fence in order to get votes.

"I have no political machine, and little or no political experience. I served my county and town as prosecuting attorney some years ago, and as mayor of Big Spring. I promised the people that there would be a tax reduction, and they got it; besides we paved the town, put in ornamental lights and a new water works."

Contest—

no keen competition developed. What a mistake they have made. And we take this opportunity to warn them "to get on their toes" and get busy harvesting subscriptions while they count the most, or they may WAKE UP after it is too late to find that those they thought were harmless were regular T. N. T. rapid fire GO-GETTERS, and they have an equal chance to drive the New Ford or take the trip to California on April 16 as you have.

Don't lose sight of the fact that this contest has several real workers in the rural district who are well worthy of notice. They are producing evidence, this week, that they are far from being asleep and their gradual climb toward the head of the list will bear watching. In fact, as the contest stands today, there is ample time for new candidates to come to the front and win the GRAND AWARDS.

No contestant, who is wise, will fail to take the fullest possible advantage of the few remaining days before the schedule of votes decreases. It is evident that the votes which can be piled up during this "big vote period" will be a BIG FACTOR in determining the winners of the major awards when the campaign comes to a close. No candidate need feel that she can not attain BIG SUCCESS if she will knuckle down and do their best this and the remaining two weeks of the FIRST PERIOD. First period of campaign closes March 9.

AWARD CONTRACT FOR ERECTION OF NEW PEP SCHOOL

WORK ON \$25,000 BUILDING TO START IN THREE WEEKS

According to J. E. Stengel, member of the Pep school board, contract was let Tuesday to W. G. McMillan of Lubbock for the construction of a new school building, which will cost approximately \$25,000.

The building, which will be of brick construction, will contain six rooms, office and auditorium.

Work will begin in about three weeks, Mr. Stengel said.

Miller—

(Continued from Page One)

prior to that time he was in the State Ranger service during the World War, served on the border from El Paso to Laredo, spending much time around Eagle Pass and Del Rio and Big Ben, serving under Captain H. L. Ransom during his life-time, who was killed at Sweetwater in 1918, and then went under Captain Cunningham of Comanche. After he retired from the sheriff's office in Concho County, he went back to the Ranger service and served under Captain Frank Hamer of Austin, and continued in that capacity until he came to Lamb County to serve as deputy under Sheriff Crim. Mr. Miller was president of the State Sheriff's association in 1926-1927, and was for six years president of the West Texas Sheriff's association and holds a life time membership in both organizations as reward for his services in said associations. He is 53 years old, was born in Williamson county, and raised in Mason county, his parents moving to the latter county when Mr. Miller was 8 years old. He is a member of the Baptist Church.

Mr. Miller stated that "inasmuch as Mr. Crim has publicly announced that he will not be a candidate to succeed himself, and in view of the strong solicitation from various parts of the county, I have made up my mind to become a candidate, being assured that I will have the support of the good citizens in all parts of the county."

Mr. Miller was a resident of Lamb county long before the county was organized, having punched cattle here on open range for the Yellow House Cattle Co. in 1902 and 1903, when there were no towns, no schools, no churches, no highways except roads leading from one headquarters to another.

Mr. Miller said that he solicited the votes and influence of the people of Lamb county "on basis of qualifications, experience and regard for law. If any one wants to know my record in the past as a peace officer and man they can get it from the department of justice at Dallas, Texas, and Adjutant General's Department at Austin."

He further said: "If elected your sheriff I will use common horse sense in dealing with the people, and will enforce the law fairly and treat all alike."

tive Texan, Mr. Doss was born in Lampasas county in 1907.

Mr. Doss was for two years employed as manager of M-System store in Littlefield. He moved to Sedan two years ago, and is connected with the M-System store in that city.

Mr. Doss had six years experience in clerical work, and believes that the general training which he has received in the business world equips him to efficiently fulfill the duties of the office he seeks.

"I am seeking the office of county clerk solely on my qualifications to efficiently serve the voters in the office which I seek," Mr. Doss said. "If you see fit to elect me I will at all times make it my special concern to render efficient, courteous service."

"Your vote and influence will be very much appreciated. In appreciation of your confidence and in full recognition of the trust extended me, serve the people of this county." If elected county clerk, I will loyally

of Texas for 25 years, and has lived in this precinct for the past two years, coming to this section from Wilbarger county.

Mr. Matthews had eight years experience as public weigher in Wilbarger county, and therefore believes that he has the necessary experience to fill the duties of the office which he seeks.

"My success as a weigher was based on a square deal to all," Mr. Matthews said. "I pledge that if elected

I will see that the farmers, and everybody else, gets the correct weight on any commodity passing over my scales.

I ask that each voter give me fair consideration.

"I am a farmer myself and I believe that I know of what a fair deal to the farmer consists.

"Your vote and influence will be appreciated."

Chamber of Commerce, the most intimate needs of every county in this district were brought to Mr. Duggan for analysis and assistance. This gave him an opportunity to become familiar with such needs, and placed him in the best possible position to realize just what this district must have for its continued development and prosperity. During the past 20 years Mr. Duggan has striven, as a citizen, for the upbuilding of this area. As a senator it would be his ambition to continue that work for the best interests of this senatorial district and its people.

His duties, over a long period, in Chamber of Commerce work; as an officer in the Rotary Club, and other city and rural civic organizations, has placed him in close touch with the economic conditions and real problems of the towns and rural districts of West Texas. His connections as honorary vice-president of the State Fair of Texas, and director of the Tri-State Fair of Amarillo, have forcibly brought to his attention the wonderful agricultural development of this section during the past few years; also the unlimited possibilities of diversified farming under proper encouragement. As vice-president of the South Plains Scottish Rite club; as a director of the Tech College Y. M. C. A.; work with the Boy Scouts, and as presiding officer of fraternal organizations, it has been his privilege to work with, and assist, those who seek to place the social and moral standards of our men and boys on a higher plane.

In 1918 he enlisted in the Texas National Guard; went to the U. S. officers training school at Camp Stanley and came out with a captain's commission. He became a charter member of the American Legion, and is still a member in good standing.

"Last fall, when the freight rate on cotton in a large part of this senatorial district was increased, it was my privilege to be made president of the South Plains Freight Rate Association," Mr. Duggan said. "By quick, energetic, concerted action that organization secured a hearing by the Texas Railway commission at Lubbock, and brought about a reduction in freight rates on cotton that saved the farmers of this section many thousands of dollars.

"West Texas should become road-minded. If I am elected your senator, I will go to Austin expecting to insist and demand that this senatorial district get, in addition to its full share of road money, its full pro rata part of all moneys, emolument and benefits coming to it from the state government. In other words, a square deal.

Tax Reduction Necessary

"It has become very popular to advocate tax reduction. Five years ago, as president of the West Texas Chamber of Commerce, I urged this very thing all over the country, as well as

the equalization of taxes in Texas. I have never been able to see the justice in some ninety-nine counties, mostly in eastern and central Texas, drawing from the State Treasury every year some \$3,250,000 for text books, rural aid and witness fees, more than they pay into the Treasury for all purposes. The last time I checked it up 155 counties in this state, including West Texas, and the counties where the large cities are located, were paying all the state government expenses and, in addition, approximately three and a quarter million dollars annually to educate the children of the said ninety-nine counties. I do not consider that equal and uniform taxation. Neither do I think it necessary or fair to our people out here. As a senator I would do my very best to have it corrected.

Yes, taxes should be, must be reduced and equalized. During twenty-five years our national population has increased some 55 per cent while our tax burdens have increased about 700 per cent. Any sane man knows that must stop NOW. This cannot be accomplished by seeking for something new to tax, but by stopping the spending of so much money, and the making of unnecessary appropriations. There is a total of 1,023,375 persons on the pay roll of our national government with an annual salary account of \$1,500,000,000. Our State and City governments are about in the same proportion. Too many departments, boards, bureaus, commissions, etc., etc.

"The ability of the people to pay taxes has been greatly reduced during the past three years, while taxes have not. It is essential that our people have an increase in income. The prosperity of this Senatorial district depends very largely on cotton. The income from cotton, during this fiscal year, will be less than one-third of that for the year 1928-29. We must have better distribution; more cotton must be sold to Europe; more uses must be found for cotton and its products. It is certainly important to increase the ability of business and industry; of agriculture and real estate to pay even the reduced taxation which it is necessary to bring about. Cotton is just one item, there are many others. Those are things I am intensely interested in, and would delight to work for.

"Having been president of the

school board at Littlefield for twenty years, I know the school system in this county. I ought to know the needs of the large and small schools and girls in this county. I tend school away from the best possible that.

"The aim of education is to live more intelligently, more whole-heartedly, more sanely, sane education of our youth of our land, er education strongly favor support, and recognize Technological College school, located within this Senatorial district, men and women complete their education opportunity of their home. The best is them.

"As a State Senator I am proud to make an introduction of a lot of money, and better laws to go to which I will try to do.

"Being a native of this great State, I am proud of its traditions, history, and I am for a squarer deal and for the people of this Senatorial District."
