

Dr. Chester Watt to Conduct Revival Here

Dr. Chester Watt, pastor of the First Baptist Church of Mineral Wells and vice-president of the Baptist State Convention, will have the preaching in a two weeks revival at the First Baptist Church, Littlefield. He will at the same time direct the Simultaneous Revival Campaign in West Plains Association. This revival is scheduled for February 9-23. Most of the Baptist churches of West Plains Association and of District nine will be in a revival campaign at the same time. Dr. C. E. Matthews, who is well-known to Littlefield folks, will have charge of the District as a whole.

DR. CHESTER WATT.

All the churches are holding their services at the same time. The morning services will be held at 10:00 o'clock and the evening services at 7:30. Some of the greatest men within the ranks of Southern Baptists will be in this area during these two weeks.

A most gracious welcome is being extended to everyone to be in these services.

Rev. Lee Hemphill, local First Baptist pastor, as general chairman of the Evangelistic Committee, of the West Plains Baptist Association, will work with Dr. Watt in directing the simultaneous revival campaign.

Large Crowds Attend Opening

Large crowds from far and near attended the formal opening of Drs. Ira E. Woods and B. W. Armistead Saturday, which was pronounced an outstanding success.

About 300 visitors registered during the day. Attendees were present from Amarillo, Lubbock, Muleshoe, Dimmitt, Morton, Amherst, Anton, Levelland, Earth, Spring Lake, etc.

Mrs. A. L. Dunn, receptionist, and Miss Bernell Mueck, Book-keeper and Secretary, registered the visitors.

Coffee and doughnuts were served the visitors.

Drs. Woods and Armistead were the recipients of many baskets of flowers Saturday.

Visitors to the formal opening all agreed that Drs. Woods and Armistead building was a most beautiful structure, noting it had been planned in detail for the efficient practice of optometry in all its phases, including the production of lenses. Visitors at the opening Saturday, who have travelled extensively, and have visited establishments of this kind in many of the largest cities of the State conceded that in the Drs. Woods and Armistead building Littlefield has the finest establishment of the kind.

One visitor, on complimenting Drs. Woods and Armistead on their beautiful and complete office building, said: "You couldn't make an improvement on it. It would be impossible. They haven't anything as nice even in the large cities."

Former Polio Patients May Be Examined February 8

G. M. Shaw, chairman of the March of Dimes for Lamb County, received letter last week from the Plainview Sanitarium & Clinic announcing that Dr. Eugene P. Long and Dr. Sam Driver, Orthopaedic Specialists, will be at that Clinic Saturday, February 8, for the purpose of examining former polio patients in cooperation of the follow-up program under way by the Plainview hospital.

All former patients of the Plainview Sanitarium with orthopedic problems resulting from Infantile Paralysis are suggested to be there promptly at 9 a. m. for examination.

Spring Lake Boys And Girls Win in Basketball Games

Spade boys and girls journeyed to Spring Lake Friday night to play the local boys and girls in a basketball contest in the gymnasium.

Spring Lake won both games, the score for the boys game was 18 to 8; and in the girls game the score was 27 to 12 in favor of Spring Lake girls.

Highway 51 Bus Service Granted

As announced by E. C. Cundiff, Secretary of the Littlefield Chamber of Commerce, bus service on highway 51 north and south is assured for Littlefield.

Mr. Cundiff stated Wednesday that Mr. Levens, General Manager of the Texas, New Mexico and Oklahoma Bus Lines, had notified him that the charter had been granted, and that as soon as a permit was issued, and as soon as their new buses arrived in Lubbock, they would open this route, as they wanted to start the service-off with new buses.

The proposed schedule at this time is to leave Lamesa early in morning going north, pass through Littlefield sometime before noon, and make connections at Hereford for points north, and the return trip south to pass through Littlefield about 3 p. m., making connections at Brownfield and Lamesa for points south.

Mr. Levens stated that this service would probably start in February.

Pledge on City Bonds Reduced

In 1939 the Federal court in Lubbock, in a decree entered, required that the city of Littlefield set aside and pledge annually \$1.25 on each \$100.00 property valuation to guarantee payment of the \$300,000.00 bonds of the city covering indebtedness at that time. The decree also stated that the city could levy only \$1.50 taxes, leaving only 25 cents to use for other purposes.

Due to the growth of the city and increase in property values, City Attorney E. A. Bills, went to the Federal Court to reduce this pledge from \$1.25 to 80c.

A hearing was had on the motion and the reduction of the pledge from 80c was made, which is sufficient to take care of the city's bonded indebtedness, thereby allowing 70c instead of the aforesaid 25 c for other development.

Littlefield Water Rates Reduced

At a meeting of the City Commission held Monday night, Littlefield's water rate was reduced.

The minimum on all regular rates, according to W. G. Street, City Secretary, has been reduced from \$2.25 to \$1.25.

In explanation, Mr. Street stated that the water rate was raised about a year ago to pay for the new fire truck, and now that this indebtedness has been paid, the Commission Monday night reduced the minimum rate.

Mr. Street added that there had been no change in the irrigation contracts, which allows 20,000 gallons for this purpose at a rate of \$3.50.

SELLS PROPERTY

A deal was closed Saturday whereby Roy McCary purchased from H. A. Collins five houses and four lots on West Second street. Three houses have been sold and moved from the lots by Mr. McCary.

Mr. Collins is building a home at Hot Springs, N. M., and will move there.

Six Persons Dead As Result of Kerosene Fire

Fire, which Sunday night destroyed the three-room home on a farm operated by Lawrence Shoemaker, 7 miles north and two miles east of Levelland, caused the death of six people and two more are in a very serious condition with third degree burns.

Joint funeral services were held in Lubbock Monday afternoon for Mrs. Rosalie Peres, 23, her four-year-old son, Jose Peres; Diego Rojas, 8; Pedro Rojas, 10; Enrique Rojas, 2, all members of the Anastoria Rojas family who occupied the dwelling.

Four other members of the family, Mrs. Rojas, 42, the mother; Dones Rojas 11, Ernesto Rojas 20, and Pete Rojas 14, were brought to the Payne-Shotwell hospital shortly after the fire where Pete 14, passed away at 2:10 a. m., Monday. The others are reported to be in a very serious condition.

The last rites for Pete Rojas were read in the Plains Funeral Chapel, Lubbock, at 4 p. m. Monday, by Rev. Jas. Moon, pastor of the St. Joseph's Catholic Church, followed by interment in the Levelland cemetery.

There were eleven persons in the house at the time of the explosion, which is reported to have been caused by pouring kerosene onto live coals in a stove. Nine were members of the Rojas family. The others were Mr. and Mrs. Ysidro Garza. Mrs. Peres, who died shortly after being taken to the Phillips-Dupre hospital at Levelland was a step-daughter of Rojas.

Two of the small children were unable to get out of the house and their bodies were recovered after the house had burned. Mr. and Mrs. Garza and Rojas were dismissed after emergency treatment.

Boy Scout Week Feb. 7 to 13

The Littlefield Boy Scouts are co-operating with the national organization in observance of Scout Week, celebrating the 37th anniversary, beginning Feb. 7, through Feb. 13.

The potluck supper in the basement of the Methodist Church Feb. 7th at 7:30 p. m., heads the list of activities, at which time everybody is invited to attend and bring a well-filled basket.

"Our program is the main thing," said Houston Hoover, community commissioner. "We are going to have something that this town has never had before, an Investiture ceremony, which is very impressive."

Sunday, February 9th, is Scout Sunday. Every Scout in America is urged to attend worship service.

Littlefield has three troops, consisting of 54 boys. They are headed by Scoutmasters Roy Wade, Troop 25, sponsored by the American Legion; Floyd Ferrell and Norris Onstead, Troop 26, Rotary Club sponsored; Wayne Brown, Troop 41 of the Lions Club.

Dr. Jack Still and Wayne Brown are in charge of a parade being arranged for February 13. It will begin on Main Street at 5 p. m., and proceed to the Legion Hut where Scouts and Scout officials will have a weiner roast.

Durwood Howell is the city chairman and is working with other Scout officials in making Scout Week a success in Littlefield.

Your AUTOMOBILE INSURANCE will cost you less with F. L. Newton. Adv.

To Observe 4th Anniversary

REV. LEE HEMPHILL

Sunday will be the fourth anniversary of the pastor of the First Baptist Church, Rev. Lee Hemphill, and a goal of 500 in Sunday School and \$1,000.00 offering has been set. The Sunday School goal is about 10 per cent above the average attendance. The offering goal is the regular amount being raised each first Sunday, which amount is placed in the Building Fund to be used for new buildings in the future.

Rev. Hemphill has enjoyed the whole-hearted support of the people of Littlefield during these four years of service. This cooperative spirit has enabled the church to enjoy a remarkable growth. Over 1000 members were reported last year in the official publication of the Southern Baptist Convention.

Rev. Hemphill has but one word to say on his anniversary, "Thank you for your gracious spirit and let the Lord have all the praise for to Him all glory belongs."

Make Plans For Coming Season

Littlefield Roping Club, of which Lon Campbell is president, is making plans to begin the roping season in Littlefield.

Anyone planning to join the club are asked to contact Mr. Campbell, or any of the members of the club.

This group boasts of about 60 members. Bob Smith is vice-president and T. G. Shaw is secretary. Activities by this club will get underway as soon as the weather permits, possibly by the middle of March.

Boy Scout Troop To Be Organized At Earth Tonight

A meeting will be held tonight (Thursday), opening at 7:30 o'clock in the Methodist Church, Earth, for the purpose of organizing a Boy Scout Troop in that community.

Scout Field Representative of Lubbock is expected to be present. All boys in the community interested in Scout work, and their parents are urged to be present. The Scout executive will show a film on Scout organization.

Rodeo Plans Are Getting Underway

At a meeting of the Littlefield Junior Chamber of Commerce held Thursday night, it was decided to meet Thursday, February 6, for the purpose of setting a date for the annual rodeo, and discussing matters relative to the holding of the rodeo.

Several rodeo concerns have been contacted, but no contract has been made as yet.

It is expected to bring a rodeo to Littlefield this year that will be bigger and better than any rodeo in this area yet staged.

REA Meeting Set For Next Wednesday

Preparations are complete for the REA 9th annual meeting to be held Wednesday in the Palace Theatre Building, opening at 10 a. m.

The welcome address will be made by Mayor A. C. Chesher, which will be followed by several reports, and election of officers.

At noon lunch will be served at the REA offices.

The guest speaker will be Donald W. May, Educational Director, Amarillo Consumers Coop. Mr. May will use as his text "Cooperative Organization as a Private Enterprise."

Mrs. George Bohner, REA member, will address the gathering on "Benefits of Electricity to the Farm Home," which will be followed by several songs by the L. L. Dunn quartet.

Dave Sherrill, Hockley County Agent, and Lem Weaver, Lamb County Agent, will also address the meeting.

A free movie in the Palace Theatre will also be enjoyed.

Special Broadcast of West Plains Hour Thursday

In addition to the regular Wednesday afternoon broadcast (3:15 p. m.), there will be a special broadcast of the West Plains Baptist Hour at 3:15 p. m., Thursday, February 6, 1947, and another Thursday, February 13, 1947. Rev. C. T. Jordan, pastor of the First Baptist Church of Earth, Texas, who is moderator of the West Plains Baptist Association, will be the main speaker on the program.

Veterans Help Injured Buddy By Hauling, Stacking Feed

While Clovis Griffing lay in the Payne-Shotwell Hospital, where he is receiving treatment for injuries suffered in a trailer accident last week, a group of returned veterans, who are enrolled with him in the Littlefield Vocational school, put the neighborhood policy into practice and with tractors, trucks and trailers gathered at his farm one mile east of Amherst Tuesday of last week between the hours of 9 and 12 and hauled and stacked 20 acres of feed.

Those participating in this kindly deed are:

Lonnie Chisholm, Gilbert Elms, Wm. Elms, Arthur Hedges, Doyce Hutto, Jack James, Elvin Johnson, Oddie Kelton, Karl Kent, Billie Kelsey, Walter Kasey, Alex Kraushaar, Doss Maner, Wm. Priddy, Roy Mul-

Fund Campaign Scheduled For Month of March

Amount to Be Raised Is Set at Sixty Million Dollars

Dr. Ira E. Woods, Lamb County Chairman of the American Red Cross Chapter, announced the minimum goal for the Fund Campaign to be raised in the month of March will be \$6,500.00. This will include approximately 31 per cent for the National American Red Cross. The remaining 69 per cent will stay in Lamb County. This is approximately one third less than the goal for last year.

Dr. Woods stated that in a letter received recently, Basil O'Connor, American Red Cross National Chairman, stated "The peace time activities of the American Red Cross are not new, but are imposed upon the Organization by its Congressional Charter and are of the same nature as those rendered by it after World War I with two marked differences.

"First, there is an American Army of Occupation in Japan, Korea, Germany, Austria and Italy, and Second, there were four times as many American men and women in World War II as there were in World War I. Thus now the number wounded and disabled of their families to be cared for in Army, Navy and Veterans hospitals in this country and the number of able-bodied veterans requiring services from the Red Cross can be thought of in the ratio of four to one as compared with the previous war.

"The result of all this is that 75 per cent of the present activity of the American Red Cross represent services to the Armed Forces at home and overseas and to veterans in this country.

"Unless radical changes occurred in the military situation," the chairman pointed out, "most of the present services to the armed forces and to veterans have to be continued over the next three or four years at least. These important phases of the Organization's broad post-war operation will be diminished as military circumstances permit.

"Already personnel of the national organization has been reduced from a war time peak of 25,509 to 11,701 as of November 3," Mr. O'Connor said. This number will be further reduced to 8,400 during the next fiscal year. The surplus fund of \$32,000,000 is being applied toward the 1947-48 needs. This means that while the total activities will cost \$92,000,000 during the next fiscal year, the amount to be raised in the approaching drive will be \$60,000,000.

Anton Gin's Cotton House Burns Monday

The Littlefield Fireboys were called to Anton Monday about 1 p. m. when the cottonhouse at the Sarmers Cooperative Gin burned. They were successful in preventing the blaze from spreading.

Fire broke out in feed stacked at the rock house near the airport about 4 o'clock Monday afternoon, and before the blaze could be gotten under control by the Littlefield Fire Department six stacks of feed had burned.

ler, C. B. McWilliams, Cecil Testerman, Ruben Birkelbach, Dairrell Lane and Stillwell Russel, who is county director for this vocational education project.

These men are to be commended for this very worthy deed, which is much appreciated by Mr. and Mrs. Griffing.

Nature's Gropers

Blind as a bat—who hasn't used the expression, Yet it is wrong. Bats have eyes. Not very good eyes, yet good enough to see with.

Eyes are useless in pitchblack caves, yet bats manage to fly about in absolute darkness without banging against walls and obstacles. Drs. Robert Galambos and Donald R. Griffin of Harvard have discovered the reason. Bats fly not by eyes but by ear.

The two Harvard investigators found that when a bat's ears are plugged or covered he flounders around among suspended wires and cannot find his way. Let him hear and he no longer collides with obstacles.

What is the secret of his success? It turns out that the bat emits cries so shrill that our ears cannot hear them. The cries are reflected in the bat's path,

and that's how the creature finds its way about.

We have here a remarkable example of adaption to the environment. But does it prove that eyes are unnecessary? What a world it would be if we have to cling to a wall by day, fearing the sun, rejoicing only when night had fallen and we could fly about by ear. There would be no stars to behold, no dancing sunlight on waves. What could we discover of the universe merely listening to it? Trees, rocks, animals would become merely things to avoid—not revelations of the complexity and beauty of nature.

To a dog distant objects are a blur. He smells his way about.

To an insect there is not distance at all, it feels its way about.

To a bat sound and ears are all important.

To a man, sight is the king of the senses—sight that brings us over eighty percent of our knowledge.

**Mrs. J. T. Elms
Hostess to Church
Women Monday**

The Woman's Society of Christian Service met Monday at 2 o'clock at the home of Mr. and Mrs. J. T. Elms, with Mrs. Elms as hostess.

The meeting opened with the Lords Prayer, in unison. Mrs. H. R. Bilderback had charge of the program.

Mrs. Elton Hauk sang "It Fell Upon a Summer Day," accompanied by Mrs. Roy Wade.

Those who gave interesting parts

on the program were Mrs. Bilderback, Mrs. S. M. Dunnam, Mrs. Houston Hoover, Mrs. W. P. Kirk, Mrs. Bill Roberts and Mrs. Roy Wade.

The meeting closed by singing the theme song.

Refreshments were served to Mrs. Houston Hoover, H. R. Bilderback, Van Cark, S. M. Dunnam, Roy Wade, Belle Dow, Ernest Jones, Elton Hauk, Bill Roberts, W. P. Kirk, Wm. Orr, Peyton Reese, Bridges, Floyd Coffman, Martha Gardner and Campbell.

The society will meet Feb. 3 with Mrs. Peyton Reese as hostess.

**Mr. and Mrs. Buck
Price Sell Farm;
To Move to Olton**

Mr. and Mrs. Buck Price of near Hart Camp have sold their farm consisting of a half section and home to Mr. Keesey of Anton, Texas, who will take possession March 1.

Mr. and Mrs. Price are holding a farm auction sale February 3, and will move to Olton. They have about 75 head of cattle feeding out on their pasture land, and are moving to Olton to be near this property. They own one section of land near Olton, and have two other sections under lease.

At their auction sale February 3 a large amount of farm machinery and livestock will be sold.

**Will Constitute
Eastern Star
Chapter at Broaddus**

Pat Boone, Associate Grand Patron, Order of Eastern Star, will leave here Monday for Broaddus, St. Augustine County, East Texas, to constitute an Eastern Star Chapter. He will be accompanied by Mrs. Boone, member of the Jurisdiction Committee of the Grand Chapter of Texas.

A number of Grand officers will be present.

Mr. and Mrs. Boone will return here about the end of the week.

Mr. Boone is also scheduled to constitute other chapters.

**Enlistments Open
In Naval Reserve**

Men between the ages of 17-18½ and 30-40 who have had no prior service in the armed forces of the United States may now apply for enrollment in the U. S. Naval Reserve for INACTIVE duty. Veterans of World War II are still eligible for enlistment or re-enlistment in the Naval Reserve for Inactive duty in the same rate held at the time of discharge. Veterans of the Army, Marines and Coast Guard are also eligible for enlistment. The Naval Reserve includes both the (1) Volunteer, and (2) the Organized.

The Volunteer Reserve requires NO ACTIVE duty on your part except at your request or should your country go to war or be seized by a national emergency. You may request the annual two weeks' cruise, scheduled at your convenience, for which you receive full pay and allowances plus transportation to and

from sailing ports or stations of active duty. In addition, you are building up an additional 5 per cent to your base pay for every three years completed in the Naval Reserve, if you should ever go to active duty.

See the Navy Recruiter when he visits Littlefield next, and get all the information concerning the Naval Reserve for INACTIVE duty.

Miss Georgia Beckner, student of West Texas State College, Canyon, spent the weekend at home with her parents, Mr. and Mrs. Ab Beckner.

Mr. and Mrs. Ralph Broce of Kincaid, Colo., arrived Thursday, and remained until Friday visiting Mr. and Mrs. T. E. Hamilton.

Approaching Marriage of Miss Ranell Chaney and Jack Rollins Announced at Coffee Saturday

The engagement and approaching marriage of Miss Ranell Chaney to Mr. Jack Rollins, son of Mr. and Mrs. C. C. Rollins of Fort Stockton, was announced by her mother, Mrs. C. Chaney, in an informal coffee at her home at 718 West 9th Street Saturday at 7 p. m.

The definite date of the wedding is not known at this time but it will probably take place in an Episcopal chapel in Manila about the 24th of February.

The bride will be met in San Francisco by Mr. and Mrs. John Lawrence and children, Dick and Gail, who live at Cebu, Cebu Island, in the Philippines, February 6, and will embark on the 8th for the 15 to 19-day journey. The date of the wedding will be determined by the length of the trip.

Mrs. Lawrence, who is a sister of the groom, will be the only attendant and the bride will be given in marriage by Mr. Lawrence.

Miss Chaney received her degree from Texas Tech with the 1940 class and taught speech and English in the Littlefield school during the 1941-1942 school term. Until her resignation last week, she has been a teacher of speech and English in the Fort Stockton schools for the past four and one-half years.

Mr. Rollins is a graduate of the

Fort Stockton schools and attended the University of Texas and entered the U. S. Forces in 1943, and served in both theatres of war.

He received his discharge about a year ago and accepted a position with the government in engineering work in Manila last August, where they will make their home.

The bride-elect was honored with a number of social activities before leaving Fort Stockton, among which was a lovely shower Wednesday of last week.

Attending the coffee were: Mrs. Pete Owens, Mrs. Gaston Shaw, Mrs. Linton Smith, Mrs. Brode Puckett of Lubbock, and Misses Ruth Griffin, Alice Lynn Street, Helen Heathman, June Wren and Margaret Coffman.

Miss Smith Hostess To Young People at Dancing Party

Miss Yvonne Smith graciously entertained a group of teen-age young people with a dancing party at the home of her parents, Mr. and Mrs. R. M. Smith, Friday between the hours of 7:30 and 11 at their home at 707 East 8th street.

After a time spent dancing and conversation, refreshments of cookies and cokes were served to the following:

Bettie Jane Bagwell, Wanda Lou Green, Sammie Akin, Billy White, Lee Jean McCary, Billie Marie Hopping, Juanita Hamilton, Wilma Dean Trotter, Wilma Sowers, Erlene Smalley, Marilyn Willis, Bettie Sue Brotherton, Jackie Davis, Connie Hopping, Betty Jean, Cary, LaNell Furr, Wanda Bee Armstrong, and Elizabeth Schovajsa, Tracy Wayne Edwards, Tommy Rice, Truman Parker, Jackie Shelby, Billie Wayne Sisson, Warren Rutledge, Kenneth Pharris, Charles Clark, Charles Joplin, Emmitt Parker, James Lee, Billy Tom Grant, Jiggs Walker, Jack Dodgin, Jack Davis, Sabine Hendrickson, Jimmy Armstrong, Bugs Harlan, Buford Trotter, Fred Mitchell, Buford Latimer, Morris Repass, Harold Johnson, James Bowen, Martin Drager, Pat Brotherton, Eugene Carter, Buster Owens, Malcolm Stokes and Bill Spencer.

Mexican Supper Enjoyed at Hopping Home Friday Evening

Miss Barbara Bryan and Clifford Hopping jointly entertained a group of their friends Friday evening at 6:30, with a two-course Mexican supper at the home of Mr. and Mrs. Sid Hopping, 2nd street.

The table was centered with a tray of Spanish peanuts surrounded with stick doughnuts.

Following the supper, the group went to the show and returned to the Hopping home later, where they played various games.

Those present were De Ann Kinkler, Catherine Lewis, Jo Ann Thornton, Robert Rutledge, Bennie Ross, and the host and hostess.

Miss Dorothy Newgent Honoree At Lovely Shower Sunday

Miss Dorothy Newgent, bride-elect of Jack Garlington, was the recipient of one of the loveliest showers of the season, between the hours of 3 and 6 p. m. Saturday, when a group of friends, Mrs. Ben Porcher, Mrs. Lucille Smith, and Misses Beckie Moore, LaVerne Hayhurst, Margaret Coffman and Ruth Griffin were joint hostesses at the home of Mr. and Mrs. Porcher on West 2nd street.

The guests were met at the door by Mrs. Porcher and Miss Griffin, and were registered by Mrs. Smith in the beautiful satin brocaded bride's book

recently used at her announcement party.

A color scheme of white and pink was carried out throughout the decorations of the entertaining suite in bowls and vases of carnations, and the dining table, laid in white linen cut work cloth, was centered with pink carnations in a crystal bowl, on either side, of which tall white tapers burned in crystal candelabra.

Misses Coffman and Hayhurst presided at the dining table where they served coffee or spiced tea, pink and white mints, Cashew nuts and pink

topped cakes with a floral decoration in white and green. The dainty pink tea napkins bore the names, "Dorothy and Jack," on the corners.

Following refreshments the guests were shown to the guest room upstairs where a large array of gifts for the bride were on display.

Seventy guests were registered, and a large number who were unable to attend sent gifts.

MOVE INTO NEW HOME

Mr. and Mrs. Barto Ramsey moved last week from the G. C. Pratt home, where they were occupying an apartment, to their own home on Highway 51. Mr. and Mrs. Ramsey purchased this lot some time ago, and later purchased a house and moved it onto the lot.

Faithful Workers Enjoy Mexican Supper in W. G. Street Home

The hospitality of the home of Mr. and Mrs. W. G. Street was extended to the members and a few guests of the Faithful Workers class of the First Baptist Church Thursday at 7 p. m., when Mesdames V. Cassel, E. L. Owens, Maude Street, George Ross and John Price were joint hostesses at a Mexican supper.

Mexican suggestions were carried out in the table linens, and the place cards were painted with the traditional Mexican senora and cactus scene.

Following the supper, the meeting was opened with the devotional led by Mrs. Lee Hemphill. She used for her subject, "Jesus the Hope of the World," which led up to the missionary lesson presented by Mrs. C. Costillo, wife of the missionary for the West Plains association mission station in Littlefield.

With the help of her little daughter, Omega, who interpreted the message in English, Mrs. Costillo discussed the position held by women of the Bible, with "Mary the Mother of Jesus" the favorite of them all. She pointed to Christ as the champion of all womankind and His love and compassion on them.

During the evening two members of the class who were leaving, Mrs. Ben Myers and Mrs. Lee Furr, were presented with lovely gifts and Mrs. Costillo was presented with a bouquet of tulips.

Besides the hostesses, those present were Mesdames Roy Ferguson, E. A. Henson, Pryor Hammons, Chas. Hawk, Dewey Hulse, D. C. Lindley, Eugene Lattimer, Hany McCary, F. M. McCary, Ben R. Myers, Paul Vause, H. W. Wiseman, Frank Rogers, Viggo Peterson, J. C. Chaney, T. L. Matthews, Jim Douglas, Acree Barton, W. G. Street, Pat Boone, Lee Hemphill, E. G. Oliver, W. E. Owen, E. S. Rowe, Roy Byers, J. W. Barwick, Wayne Carlisle, Lee Furr, A. B. Taylor, U. E. Kelly, J. M. Lewis, Allen Hodges, C. Costillo, Miss Myrtle Barnett and Omega Costillo.

LITTLEFIELD
G. M. Shaw, Manager

**Last Rites For
A. C. Hendricks
Held Saturday**

Double funeral services were held in the Chapel of the Ballard Funeral Home in Roswell, New Mexico, at 2:30 p. m. Saturday for A. C. and George, Hendricks, 68 and 71, prominent ranchmen of New Mexico, victims of a plane crash near their ranch Friday.

A. C., father of the late A. R. Hendricks of Littlefield, is survived by his widow, a son, Clement Hendricks of Roswell and a daughter, Mrs. Brice Dugger of Carisosa, New Mexico; and five grandchildren among who is Kay Hendricks, daughter of Mrs. A. R. Hendricks, of Littlefield.

George Hendricks is survived by his widow and three sons. Rev. Alvin Turner, pastor of the First Methodist Church, Roswell, former pastor of the Littlefield Methodist congregation, was in charge of the funeral services and was assisted by Rev. Delaney, pastor of the First Baptist Church of Roswell.

Burial was made in the Roswell Cemetery. A. C. Hendricks was well known by many of the pioneer citizens of Littlefield. For several years he owned and operated the telephone system from Muleshoe to Littlefield, assisted by his late son, A. R. Hendricks.

Selling these interests in 1925 he purchased a chain of "M" system groceries in Littlefield and Lubbock, which he operated until establishing ranching interests in New Mexico in 1929.

Attending the funeral from Littlefield were: Mrs. A. R. Hendricks and daughter Kay, Mr. and Mrs. W. C. Singer, Mr. and Mrs. C. H. Singer, Mrs. Wilma Singer and sons, Jack and Neal, and Mr. and Mrs. J. W. Keithley.

**Sustains Broken
Shoulder in Truck
Mishap Saturday**

Simon D. Hay, postmaster at Sudan, was admitted to the Payne-Shotwell Hospital Saturday following an accident on the streets of Sudan about 10 a. m., when he was hit by a pickup truck.

Upon the sound of the Sudan Fire Department whistle, Postmaster Hay stepped outside the postoffice in an effort to locate the fire, and upon the

belief that it was in the vicinity of his house, and knowing there was no one at home, he made a dash for his car, and in his excitement failed to notice the on-coming vehicle. Despite the fact the driver of the pickup was going at a slow rate of speed, the impact was sufficient to knock him out and he was rushed to the hospital, where it was found his collar bone was broken and that he had received a badly bruised shoulder. He was released from the hospital Tuesday.

**Inspect Hangars
At Dalhart Field**

The Littlefield Chamber of Commerce were notified that some of the hangars at the Dalhart field would be available for sale, and a representative from Littlefield went to Dalhart to inspect same, and to see if they could be procured and moved to Littlefield to be used as a main building at the fair grounds, but after inspection and contacting the

proper officials it was learned that the buildings would cost \$17,500 at Dalhart, and the cost of moving would be around \$10,000, which would make the cost of same too high to figure on. The Littlefield Chamber of Commerce, however, have asked the War Assets Corporation, Dallas, to notify them when other fields are declared surplus so that this group may look them over.

Baptist Ladies' Rally Friday

Baptist Ladies from the twenty-two Baptist Churches of West Plains Association will meet at the First Baptist Church, Littlefield, in a rally Friday morning at 10 a. m. This rally will be held in the interest of the Simultaneous Revival Campaign scheduled for February 9-23.

Rev. A. C. Hardin will be the guest speaker for this meeting. Rev. Hardin has met with outstanding success as a pastor-evangelist and speaks upon the subject of personal soul-winning.

The program for the rally is as follows:

- Song Service.
- Scripture and Prayer, Mrs. C. E. Wainwright of Fieldton.
- Recognition of churches represented.
- Announcement of the Evangelist and Gospel Singer for each revival.
- Special Song.
- Message on Evangelism, Rev. A. C. Hardin.
- Call to prayer.

Marion Phillips returned Saturday from Morton, Texas, where he had visited his mother, Mrs. W. S. Cooper, from the Tuesday previous.

MR. AND MRS. KENNETH MANUEL HAVE SON

Mr. and Mrs. J. L. Manuel, returned Friday from Santa Monica, Calif., where they had spent ten days with their son and daughter-in-law, Mr. and Mrs. Kenneth Manuel, who are the proud parents of a fine son, born January 10, at the Santa Monica Hospital.

The young man weighed at birth 5 pounds and 13 ounces, and was named "Garry Lee."

Mother and son are getting along fine.

The father is owner and operator of a service station at Santa Monica, Calif.

Last Rites Held For Robert Roach

Robert Roach, 50, former resident of Anton, but who had been living at Los Angeles, Calif., passed away at that City Friday, January 24, and the remains were brought to Anton for services and burial.

Funeral services were conducted at the Anton High School Auditorium Tuesday afternoon at 3 o'clock, with Rev. Lee Furrh, Baptist Pastor, officiating, assisted by Rev. F. N. Allen.

Burial took place in the Anton Cemetery, with a Lubbock Funeral Home in charge.

Services at the grave were in charge of the Masonic Lodge of Anton, deceased being a member of the Masonic Lodge of long standing.

Mr. Roach was born September 5, 1896, in Caddo, Okla. After serving in World War I he married Miss Ozelle Senn, and to this union were born two sons, Neal and Billy Joe.

He came to Texas and settled at Anton in 1924. He became engaged in the implement business and farming; later was elected Commissioner of the Anton Precinct, and served in that office for six years. He was later engaged in the grocery business in Anton, and recently moved to Los Angeles, Calif., and entered business there.

Those left to mourn his passing are: his wife, Mrs. Ozelle Rouch, his two sons, Neal and Billy Joe of Los Angeles, his mother, Mrs. Joe Roach, Anton; two brothers, Virgil Roach, Oklahoma City, Okla., and Edgar Roach of Fort Worth, Texas; and two sisters, Mrs. C. B. McReynolds of Chickasha, Okla., and Mrs. Edd Treisa of Anton, Texas, together with a host of friends.

Bride-Elect Honored at Shower

Among the pre-nuptial activities of the week honoring Miss Dorothy Newgent, bride-elect of Mr. Jack Garlington, was the three-course luncheon given by Mrs. O. P. Wilemon and Mrs. D. W. Bawcom Thursday at 1 p. m., at the Wilemon home at 22 East 9th Street.

Vases of carnations decorated the entertaining suite and luncheon tables.

The honoree was presented with a lovely gift by the hostesses.

Those present were Misses Dorothy Newgent, Beckie Moore, Margaret Coffman, Mesdames E. J. Newgent, J. O. Garlington, Ivan Fowler, Bob Badger, Jack Pope, T. A. Hilbun, Wayne Martin, Leona Porcher, Bawcom and Wilemon.

Mrs. J. D. Bryan and daughter, Barbara, spent Sunday in Plainview visiting Mr. Bryan, who is employed in the West Drug there. They were all guests in the home of his mother, Mrs. J. Bryan, at a family dinner and reunion in celebration of his birthday.

Information For Veterans

about my readjustment allowance?
 A. For specific information about readjustment allowances and your eligibility for them, you may inquire at a public employment office or at any office of the unemployment compensation agency in the state or territory in which you reside.
 Q. I have been working part time and my readjustment allowance has never been over \$15 because of my income from other sources. Am I entitled to additional weeks of readjustment?
 A. The number of weekly allowances to which you may be entitled is strictly limited. Each time you receive payment of a weekly allowance, regardless of the dollar amount, you use up one of the limited number to which you may be entitled.
 Mrs. John Laing of yarth, who has been a patient in the Amherst Hospital for the past ten days, is improving. She has been suffering from flu, and has been under the doctor's care for about two months.
 Included in the Tech students who are home for a few days between semesters are Misses Catherine Wright, Marjorie Claire Joplin and Regina Evans.

Does Veterans Administration pay to the lender as a credit on loan an amount equal to 4 per cent of the amount guaranteed. This gift and is not to be repaid by veteran.
 Can I use my terminal leave as security for a G.I. loan?
 No. Terminal leave bonds are negotiable and non-transferrable. However, they may be used to pay premiums on National Service Life Insurance.
 What are the compensation rates payable to World War II veterans for service-connected disabilities?
 The rates range from \$13.60 a month for a 10 per cent disability to \$360 a month for total disability. In certain specific disabilities, the rates may be as high as \$360 a month.
 Where can I get information

Miss Veta Payne and Wm. C. Grimes Wed at Lubbock

In the impressive double ring ceremony performed in the Methodist Church in Lubbock, Miss Veta Payne, daughter of Mr. and Mrs. M. L. Payne of Amherst, became the bride of Mr. Wm. Cecil Grimes, January 17 at 6 p. m., with Dr. H. Robinson, pastor, reading the vows.

They were attended by Mr. and Mrs. Johnnie Reeves of Lubbock.

The bride was attractive in a brown dressmaker suit with aqua accessories. She wore a corsage of pink Commelia.

Having been born in Amherst the bride attended the Amherst schools receiving her diploma with the 1944 class.

She entered Texas Tech the following spring and after completing one term she accepted a position in the bookkeeping department of the First National Bank in Amherst, where she worked for two years.

She entered Tech again last September where she has been a student

MRS. WM. CECIL GRIMES

until her marriage. She is a Kappa Sigma pledge.

The groom is the son of the late Mr. and Mrs. W. D. Grimes of Lubbock, but has regarded the residence of Mr. and Mrs. Wm. Campbell of Del Rio his home in recent years. He entered the U. S. Navy after

graduation from military school in San Marcos, January 1944, and following his discharge in June he entered Texas Tech as an agriculture major.

The couple will make their home in Lubbock.

Office Supplies at the Leader Office

Miss Dorothy Newgent and Jack Garlington Married Tuesday

The impressive double ring ceremony was used when Rev. S. M. Dunnam read the marriage vows uniting Miss Dorothy Newgent, daughter of Mrs. E. J. Newgent, and Jack Garlington, son of Mr. and Mrs. J. O. Garlington of Lubbock, at high noon at the First Methodist Church Tuesday.

Palms and fern formed the background for the huge baskets of Picardy Gladiola and the foursome of candlebrum in which tall tapers burned, created a beautiful marriage altar.

Mrs. James Penn, organist, played "I Love You Truly," "Venetian Love Song" and "Indian Love Call" as guests assembled and accompanied Mrs. Jack Pope who sang "O, Promise Me."

Given in Marriage By Uncle

The wedding party approached the altar at the tones of Bridal Chorus from "Lohengrin." The bride was given in marriage by her uncle, George A. Newgent of Austin, and her only attendant was her sister, Mrs. Ellis R. Furman of Lubbock.

The groom was attended by J. E. Chisholm.

Preceding the closing prayer and the pronouncement of holy wedlock, the bride and groom knelt before the altar as Jack Norman sang "The Lord's Prayer."

The bride was beautiful in an ivory crepe dress which draped in soft folds from the waist line on either side and the short sleeves, neck and front of the blouse were banded with braid heavily embroidered in gold and white silk thread and dotted with gold button beads.

Her close fitting pattern hat, created by Ere Nouvelle, was of a soft woven fabric in dusty rose, with over forehead trimming of feathers of the same shade.

She wore white elbow length mittens which were lace trimmed at the hand and she carried a bouquet of pink rosebuds tied with blue maline.

For her going away costume, she chose a light blue charmaine gabardine suit with brown accessories. The hat was sautern straw with a coffee veil, and her corsage was of pink rosebuds.

Mrs. Furman, matron of honor, was attired in a grey crepe dress with peplum. Her accessories were brown and she carried a bouquet of Tallisman roses.

Mrs. Newgent, mother of the bride, was attired in a black and white print crepe dress with black accessories, while Mrs. Garlington, mother of the groom, was attired in a black crepe dress, with a pin the only trimming. Her accessories were black.

Reception Held

Following the wedding Mrs. Newgent held a reception in the home of Mr. and Mrs. Clint Griffin in Griffin Addition.

The entertaining rooms were decorated with a profusion of gladiola, sweetpeas and carnations, while the bride's table, covered with a linen cut work cloth was centered with a beautiful three-tiered wedding cake, topped with a miniature bride and groom.

Mrs. Ivan Fowler presided at the

MRS. JACK GARLINGTON

cake while Miss Margaret Coffman and Mrs. Wayne Martin poured coffee from the silver coffee services. They were assisted by Miss Renall Chaney, Miss Beckie Moore and Mrs. Virgie Zoth.

Large Number Present

Miss Lucille Smith presided at the bride's book where about 85 guests were registered.

The bride is a graduate of the Littlefield high school, following which she attended TSCW at Denton and later went to Texas Tech. For the past five years she has held the position as chief clerk on the Lamb County draft board, which place she recently resigned.

Groom Graduate of Tech

The groom is a graduate of Littlefield high school, following which he entered Texas Tech, where he continued until he graduated with A. B. and M. A. degrees. Previous to going into the service he studied in Princeton University, doing work on a P. H. D.

He was discharged November, 1945, after having served four and one-half years, part of which time he was attached to the chemical warfare branch of the service. He was later sent by the government to Ann Arbor, Michigan, where he studied to become a linguist. He held the rank of a captain.

To Live in Japan

Recently he received a request

from the government to re-enter the service and go to Japan as an interpreter. He complied with this request and is now awaiting orders. He will probably be sent to Monterey, California, for a refresher course before going to Japan. They will make their home in Japan after all government regulations have been completed.

A large number of out of town guests were present for the wedding.

Miss Betty June Andrews and Donald C. Austin Marry

MRS. DONALD C. AUSTIN

Mr. and Mrs. O. G. Andrews of Lubbock are announcing the marriage of their daughter, Miss Betty June Andrews, and Donald C. Austin, son of Mr. and Mrs. William A. Austin of Lubbock, which took place Saturday, Jan. 18, at Littlefield with Rev. Ted Houlette reading a double ring ceremony.

The bride wore a gray suit with navy accessories and a white orchid corsage.

Miss Betty Jo Ballard and Don Austin, twin brother of the bride, attended the couple.

Both the bride and bridegroom attended Lubbock High school. The home is at 302 Ave. Q., Lubbock.

J. H. Fowler of Goodland, Texas, sustained injury when a car fell on him. He was admitted to the Payne-Shotwell Hospital Friday, where he remained overnight.

Mrs. Joe Walters left Thursday morning to visit her brother and sister-in-law, Mr. and Mrs. Carl Jordan, at Fort Worth, returning here Saturday.

Talmadge Sworn In -- Happiest Couple in Iowa -- Ball Player Undergoes Surgery

After being named as Georgia's governor for the next four years by the legislature, Herman Talmadge, right, son of the late Gov-Elect Eugent Talmadge, received the oath of office as Georgia's chief executive from Georgia Superior Court Justice A. W. Worrill. Gov. Ellis Arnall refused to recognize Talmadge as Georgia's new chief executive and accused Talmadge of being a "pretender."

Mr. and Mrs. Frank Sellman, Newton, Iowa, who were selected as the "Happiest Married Couple in Iowa," in connection with the Iowa Centennial. They are shown while in Honolulu on their Clipper "honeymoon," where the friendly representatives of Iowa made friends with the hospitable races of Hawaii.

Joe Di Maggio, New York Yankee infielder, is shown in New York hospital, looking at his cast-bound foot following the removal of a calcium growth. A bursa condition found in Joe's heel was also cleared up. His doctor reports that Joe should be able to play as well as he ever did. Di Maggio says that he thinks he can break the record set during the last baseball season and will be in better shape after operation.

NUMBER 45

Mahon on Committee To Balance Budget

Congressman George Mahon advises that he has personally appealed to William Wrather, director of the Geological Survey in Washington, for an intensive study of the underground water supply of the High Plains of Texas. He emphasized that such a study should be made and an authoritative report given the people at the earliest possible date. This report would be for information purposes only, Mahon stated. It would enable farmers and city officials to better plan their water conservation programs. In commenting

on the matter, Mahon stated: "I want to emphatically point out that the Federal Government in Washington has no authority to impose any regulation on the use of water in the High Plains of Texas for irrigation or otherwise. I personally feel that Federal interference would be both illegal and improper. Mr. Wrather said that the Government had followed and would continue to follow a strictly hands-off policy as to legislation and regulation. "Many West Texans have sought for years to get the fullest possible information in regard to our High Plains water supply. In 1936 I was able to secure an appropriation of Federal money for a study of these water resources and this study has been carried on more or less continuously since that date, and the study

is still in progress. Several preliminary reports have already been made, but the reports are not sufficiently conclusive as to the quantity of water which can safely be withdrawn for irrigation purposes. A more aggressive effort to get the facts must be made. "Director Wrather of the Geological Survey, the Federal Agency charged with making investigations of our national water and mineral resources, states that present studies indicate conclusively that the High Plains' underground water supply is replenished by rain which falls on the High Plains and not from a water current which flows underground from outside the area." Mahon stated that steps now being taken in West Texas to get all the facts were in the public interest.

National Housing Plan Outlined

A guide to veterans to organize, finance, construct and operate selected types of cooperative housing associations has been issued by the National Housing Agency. Entitled "Mutual Housing," the 55-page booklet was prepared by the Economics and Housing Finance Branch of the NHA in response to a nation-wide demand by veterans groups for information and advice on cooperative and mutual housing enterprises. A mutual housing association, the booklet states, is a group of houses or apartments purchased or constructed by a number of individuals as a joint enterprise and operated jointly by them for their own occupancy and use. The guide points out that many advantages can be derived from a properly conceived, soundly organized and carefully managed mutual housing project. It affords the oppor-

tunity for members to reduce their housing costs and gives them additional advantages through group action, unobtainable as individuals. The booklet explains in some detail the special Federal mortgage aids available to veterans and suggests adaptations of sound business methods to the framework of a cooperative venture. Veterans are warned in the opening pages that a mutual housing or cooperative project is (1) not organized by a promoter seeking personal profit, (2) is not undertaken with the intention of speculative resale, and is (3) not a device for obtaining the advantages of home ownership without assuming some risks. In addition to discussing general topics and approaches to mutual housing, the booklet lists in organizational sequence 33 steps in constructing and financing a cooperative housing association. The guide stresses the fact that a housing project requires sound organization, hard work,

intelligence and enthusiasm if it is to grow from a hope and an ideal into a reality. Cooperative housing developments are being encouraged by the National Housing Agency as part of its broad-scale program to stimulate the construction of middle-income apartment units throughout the country. "Mutual Housing" is for sale by the Superintendent of Documents, Washington 25, D. C. The price is 15 cents a copy. More than one-fourth of the unmarried mothers in the United States are girls under 18 years of age, according to the Enclopaedia Britannica. Jews held to the observance of the Sabbath so tenaciously that the Romans were compelled to exempt them from military service, according to the Enclopaedia Britannica.

New Farm Machine Prepares Soil In Single Operation

WILLOW RUN, Mich., Jan. 27.—The new Rototiller farm machine, now in production by Graham-Paige Motors Corporation at Willow Run, is expected to revolutionize tillage methods on small and medium-size farms.

Home gardeners find wide use for this self-powered tiller which in a single operation prepares ground for immediate planting by churning and crumbling the earth with steel edge tines rotating rapidly in paddlewheel fashion.

"The Rototiller machine will make the plow obsolete for certain tasks," Joseph W. Frazer, president of Graham-Paige Motors Corporation, says. "It is not only a time and work saving aid to the farmer, but a means of applying a new principle in tillage."

The tiller works the seed bed thoroughly from top to bottom, leaving no lumps or air pockets to interfere with moisture absorption. Soil can be worked earlier, permitting air to penetrate the finely crumbled earth. In one operation the new tiller produces a more thoroughly prepared seed bed than is obtained in

several operations with plow, disk and harrow.

In addition to its primary purpose of tillage, the Rototiller serves as cultivator, and will have numerous special attachments, including lawn mower, field mower, planter or seeder, snow plow and a power take-off to operate saws, grinders, pumps and other farm machinery.

The unique machine, invented in Switzerland, has been available in this country only in limited quantity. During the last year interest in the new method of tillage which the machine offers has mounted rapidly and Graham-Paige has received nearly 100,000 orders from farmers, greenhouse and nursery operators, landscape gardeners, poultry raisers, orchardists, home gardeners, berry growers, caretakers and others.

The B1-6, or "walking model" Rototiller machine has tilling widths of 20 and 26 inches. It is guided by handlebars which are adjustable for height and adjustable to either side so that the operator need not walk on tilled ground. The two-wheel unit is driven by a two-stroke cycle, air-cooled engine of 5 horsepower at 2400 r.p.m. In high gear the machine operates at an approximate speed of 1 3/8 miles per hour and in low gear at 3/4 of a mile per hour.

Four types of edge tools, or tines, which mount on flexible coil springs, meet nearly all conditions encountered in tillage. The machine is balanced on its wheels so that the rear weighs only slightly more than the front end. When the rotating tines meet a buried ledge or boulder, the springs compress until the rear of the machine lifts and rides over the obstacle. Most small stones are tossed to the surface where they may be picked up.

tered in tillage. The machine is balanced on its wheels so that the rear weighs only slightly more than the front end. When the rotating tines meet a buried ledge or boulder, the springs compress until the rear of the machine lifts and rides over the obstacle. Most small stones are tossed to the surface where they may be picked up.

To Receive Purina 5-Year Award

C. V. Hatch, district salesman for the livestock and poultry division of the Ralston Purina Company, will receive the company's five-year award on February 1, when he completes his fifth year with that company.

Hatch is well known to farmers and feeders throughout this area as a result of his work with R. L. Byers Feed Store. Born in Shawnee, Oklahoma, he graduated from high school there and came to Texas.

Hatch spent five years with an oil company at Nocona and four years with a coal company at Dallas before joining the Ralston Purina Company in 1942. Since that time he has made his home in Plainview.

HERBERT MARTIN, JR. TO TAKE FLIGHT TRAINING COURSE

Herbert C. Martin, Jr., of Littlefield will be included in the 100 University of Texas students who will take to the air in a new flight training course beginning February 3, when the spring semester starts.

The names of the lucky future fliers, selected from among 600 applicants, were released recently by Clarence G. Odell, director of the flight training program. For veterans, fees for the course will be payable by the government under the G. I. Bill. In selecting the first class, Odell said preference was given to graduate students and graduating seniors so that they may complete the course before leaving the University.

Bids Asked For Carrying Mail On Star Routes

According to Postmaster W. D. T. Storey, Star Route 1 and Star Route 2 are both open for bids for a four-year contract.

Proposals will be received at the office of the second Assistant Postmaster General, Post Office Department, until 5:15 p. m. February 20, 1947, for carrying the mails of the United States from July 1, 1947, to June 30, 1951, upon the star routes out of Littlefield and other offices in Texas.

Proposal forms and all necessary information will be furnished upon application to the local postmaster or to the Second Assistant Postmaster General, Washington, D. C.

CHILDREN GO THROUGH GEORGE'S

The new doughnut machine was the object of interest to the students of Mrs. A. E. Ayers' and Mrs. Quinton Bellomy's Nursery school Friday, Jan. 17, between 10:30 and 11:00 o'clock, when they were taken

through George's Bakery on an educational tour.

Each child was given an opportunity to see the doughnut from the time it was released in the cooker until it was finished, and for refreshments, was served the doughnut he had watched cook.

Mrs. Houston Hoover Hostess Members of Church Society

Mrs. Houston Hoover was hostess to the members of the Woman's Society of Christian Service at 2:00 o'clock Monday, Jan. 13. The meeting was opened by singing "Must Jesus Bear the Cross Alone," followed in prayer led by Mrs. H. R. Bilderback. Mrs. Hoover, newly-elected president, was in charge of the program and presented the timely subject, "The Duties of Each Officer." During the business session, it was decided that the society start the new study, "Christian Motive and Method in Stewardship." Mrs. S. M. Gunnam will present the topics and the first study will be February 10, at the home of Mr. and Mrs. J. Ernest Jones, at 7:00 p. m. Mrs. Jones has especially invited all business and professional women to attend these studies. Mrs. Jess Elms will be hostess for the next regular meeting, Jan. 27, at 8:00 p. m. in her home. Refreshments were served to two new members, Mrs. Tayton Reese and Mrs. Guy Willis, and seven regular members.

FIRST PAIR OF SHOES... Wera, aged six, of the orphanage of Am Himmel, Vienna, shows his unbounded joy at the new shoes given him by the American Red Cross. Without the Red Cross help Austrian children would have faced a bitter winter.

TANGERINE QUEEN... Dorothy Sparkman, 22, Pasco City, Fla., who was crowned "Tangerine Queen" at Cypress Gardens, Fla. The crown was awarded by John Powers, model agency head. More than 600 gathered for the big Florida event.

Calling Cards, Wedding Announcements, or Thank You Cards, at the Leader office.

Mrs. E. A. Bills Hostess to Church Group Monday

Mrs. E. A. Bills was hostess to the Woman's Auxiliary of the Presbyterian Church Monday afternoon, Jan. 20, at 3:30 o'clock, in Spiritual Life and Bible Study. Mrs. Alice Douglass presented the Spiritual Life phase of the meeting, and Mrs. James Penn led the Bible study from the Book of Luke. Following the benediction, delicious refreshments were served to the following: Mesdames Neal A. Douglass, Don Hays, Weldon Findley, James Penn, W. H. Tutledge, E. A. Bills and Miss Lula Hubbard.

YC Club Enjoys Dance Saturday At Legion Hall

The YC Club enjoyed a dance at the Legion Hut Saturday night, Jan. 18. Mr. and Mrs. Earl Dreup were in charge of arrangements. Members present were Messrs. and Mesdames Harley Bussanmas, Aubrey Stubb, Earl Dreup, Ralph Grass, Roy McKinney; Mrs. Katherin Johnson, Dee Kimbrough, Buddy Hess, while guests attending were Messrs. and Mesdames Alex Adams, Odell Matthews, and Arthur Bussanmas. Mr. and Mrs. Roy McKinney and Mr. and Mrs. Ralph Grass will be hosts and hostesses for the dance to be held in February.

Mrs. Vernon Stagner Hostess To Amherst-Perry H. D. Club

Mrs. Vernon Stagner was the gracious hostess to the members of the Amherst-Perry Home Demonstration Club in her home Thursday, January 16. Miss Veta Worley, H. D. Agent, gave a very interesting talk on "Pruning Shrubs." A business meeting followed with the club's newly-elected president, Mrs. Maurice Brantley, presiding. During the social hour a dainty salad plate was served the following members: Mesdames Harris Brantley, E. L. Yarbrough, Walter Brantley, H. L. Phelps, Benny Shipley, Buster Molder, Maurice Brantley, R. H. Briley, George Harmon, Bill Humphries, and Misses Veta Worley, Dorothy Yarbrough, and a visitor, Mrs. Bill Sterr, and the hostess, Mrs. Stagner.

Bifocals Important to Aged

With two-vision lenses, the aged, yet skilled workman, is re-entered in the contest of life, and his usefulness restored to mankind. With two-vision lenses, the physician, lawyer, business executive, teacher or minister—whose broad experience, wide perspective, careful judgment and cool decisions—are permitted to continue at an age when they are most valuable to the world's service. Otherwise they would be forced out of the race by the relentless pace of modern life, and the shortcomings of Nature's visual providings.

BLUEBONNET CLUB NEWS

The Home Demonstration Club met in the home of Mr. and Mrs. L. Lloyd Seymore January 6, with nine members present, including Mesdames Hall, W. A. Henson, Royal, Fox, Holtkamp, Meymer, Tommie Seymore, Gaston, and three visitors, Mesdames Wood, Bird, W. L. Williams, and the hostess. The next meeting will be held in the home of Mrs. Henry Meymer February 20 with the agent.

HAVE VISITORS

Mrs. John R. McCutcheon of Hutto, Texas, arrived Tuesday of last week for a visit in the home of Dr. and Mrs. W. F. Birdsong of Amherst. Ira Muse of Fort Worth arrived Friday to take Mrs. Muse and Ira, Jr., home after a visit of a month in the home of Dr. and Mrs. Birdsong.

BECK GIN NEWS Mr. and Mrs. Ernest Gaston were guests in the home of Mr. and Mrs. Foust of Spade Sunday afternoon, Jan. 19. Mr. Matthews and son, Paul, moved last week to a farm northwest of Friendship. Mr. and Mrs. H. L. Brandon spent a couple of days recently in Lubbock. Mr. and Mrs. Buck Phillips have built a new room and bath to their home. Mr. and Mrs. Brown of Littlefield have moved to the Mathews farm.

From where I sit... by Joe Marsh. Sam Hackney Reports on the U.S.A. Sam Hackney and the missus just returned from a trailer trip around the country. They're tired, and glad to be home, but mighty impressed with what they saw. As Sam reports—every section has something different; a different way of talking; different tastes in food and drink; different laws and customs. But bigger than all these differences is the American spirit of tolerance that lets us live together in united peace. "Of course," says Sam, "you run into intolerance from time to time. Individuals who criticize another's right to speak his mind; enjoy a glass of beer; or work at any trade he chooses. But those are the exceptions—and we're even tolerant of them!" From where I sit, more of us ought to make a trip like the Hackneys—to realize firsthand how America is bigger than its many differences... how tolerant of those differences is the very thing that makes us strong. Joe Marsh. Copyright, 1947, United States Brewers Foundation

Regardless of Cost a Prescription is Priceless. When you are ill, your doctor's prescription is the precise formula that will restore your well-being, activity, and pleasure in living. Because such benefits cannot be evaluated in dollars and cents, a prescription is truly a priceless thing. And yet, nothing else so valuable to you costs so little. When you have a prescription filled here, the cost is based solely upon the ingredients and the time required to compound them in the exact proportions specified by your physician, plus a small and legitimate profit. Why pay more? MADDEN & WRIGHT DRUG. LITTLEFIELD PHONE 91 TEXAS

Gets Assurance Opposition To Underground Water Legislation Will Be Considered

Mayor A. C. Chesher and Arthur P. Duggan, Jr., returned Friday from Austin, where they interviewed Senator Parrish, Representative I. B. Holt, and others in connection with proposed legislation to control underground water supply.

Mayor Chesher, in an interview Friday, stated that he received reasonable assurance that the matter would be given due consideration, and that officials at Austin whom he talked with were opposed to any legislation affecting underground water.

Mr. Chesher added: "I don't think

they will pass legislation affecting underground water.

Mr. Chesher and Mr. Duggan also attended the inauguration ceremonies for the state officials.

Two Firms To Change Location

The building recently vacated by Drs. Woods and Armistead and Woods Jewelry is undergoing a complete new decoration job, with Bill Briggs doing the work, and will be occupied about February 1.

Clyde Hilbun, T. A. Hilbun and A. B. Hilbun will move their insurance and loan business into the portion formerly occupied by the optometric firm, and Guy Willis will move his abstract business to the portion formerly occupied by Woods Jewelry about February 1:

The Jains, a religious sect of India, believe that the soul has colors, three good and three bad, indicating its character, according to Encyclopaedia Britannica.

Slender gilt pins used by entomologists in their study of insects are so small that it takes about 4,500 of them to weigh an ounce, according to the Encyclopaedia Britannica.

RETURN FROM TRIP
Dr. and Mrs. W. F. Birdsong returned Tuesday of last week from a 2500 mile motor trip. They were gone two weeks, and visited Dallas, Houston, Fort Worth, and other cities.

Mrs. Starr Phillips Honored at Pink and Blue Shower Thursday

Mrs. Bob Smith, Mrs. Billy Holder and Mrs. Harry Woody were hostesses at a pink and blue shower at the Smith home on East Eighth Street Thursday afternoon, honoring Mrs. Starr O'Dell Phillips.

The program included several numbers sung by a sextette, composed of Misses Juanita Hamilton, Geraldine Climate, LaNell Furrh, Lavern Dowdy, Frances Newton and Jackie Farr; three numbers on the accordion by Miss Farr; and a reading by Mrs. Buck Ross.

The honoree received a lovely array of gifts.

Refreshments consisting of cake squares, iced in white, decorated with pink and blue rosebuds, and punch were served to the following:

Mesdames J. M. Griffin, E. C. (Buck) Ross, Swede Kling, Jim Gibson, R. V. Armstrong, Lon Campbell, Bank Davis, Udell Lewis, C. H. Messer, Darwin Pierce, Elmo Jones, Guy Phillips, B. F. Eldson, A. L. Hood, L. O. O'Dell, Fred E. Litche, Rex Matthews, R. E. Blessing, Jack Farr, Oarrel O'Dell, and Misses Jackie Parr, Bernita Ross, Jo Smith and Yvonne Smith.

The following, who were unable to attend, sent gifts: Mesdames Mary Rutherford, Douglas Howell, Ruby Sullivan, Hollis Smith, Walter Martin, H. L. Woody, F. H. Glazener, Donald Bennett, Claude Logan, Ray Smith, J. M. Stokes, Linda Hurt, Bennett Phillips, Charles Calvert, Neil Landrum, Beth Elliott, Ben Lyman, Harvey Grigsby, C. W. Grant, Jim Carrell, Henry Pickrell, Buster Feagley, J. L. Walraven, E. M. Little, O. K. Yantis, Jr., Misses LaJung Oxford, Gerry Robinson, and Mz Millard Phillips.

Early retirement is a source of danger to longevity, according to the Encyclopaedia Britannica. Mental and physical activity can help postpone morbid old age provided the body is healthy and the mind free from worry.

The poet John Milton was paid only five Pounds (about \$20) for Paradise Lost plus a promise of five Pounds at the end of the sale of each of the first three impressions, according to the Encyclopaedia Britannica.

LITTLEFIELD

Largest Membership Growth Since 1919 Reported By WOW

OMAHA, Nebr., Jan. 27.—A net gain of 22,720 members, the largest membership growth since 1919, was made by the Woodmen of the World Insurance Society in 1946, President Farrar Newberry announced today. The society's membership totals more than 386,000 men and boys.

This fine growth was achieved by the work of our national and local officers, members and field men, aided and abetted by our 'Fraternity in Action' program and the National Service Endowment Fund established by the society's Sovereign Camp convention in Jacksonville, Fla., last February," Mr. Newberry said.

Reports received in the society's 1946 Service Center contest, in which 100 camps will receive awards for the most outstanding service, are being tabulated. Service projects carried on by the camp last year cover a wide range. They include the presentation of flags to more than 900 public schools and placing historic markers, such as those placed on the former home of the late William

Jennings Bryan in Lincoln, Nebr., and on the first home site in Omaha.

Many camps established local blood banks, equipped hospital rooms and clinics, contributed to crippled children's homes and to the national arthritis, cancer and infantile paralysis foundations and similar enterprises.

Awards of gold medals to students in many local high schools for proficiency in American history, equipping playgrounds, providing drinking fountains, and many other projects promoting patriotism and civic welfare also were reported among the 1946 camp service activities.

"These many and varied fraternal, social, civic and patriotic activities have made the public better acquainted with the valuable services our society is rendering to the individual, the family and the community," Mr. Newberry said. "They have been a big factor in our increased membership enrollment. Many new members, in fact, voluntarily applied for membership without solicitation by a field man, officer or member of the society," he added.

While pleased with the new high record for membership gain, Mr. Newberry expressed confidence that the activities planned for 1947 will bring as great or greater growth this year.

JUNIOR GROWERS PREXY . . . Jim Spell, Columbia, Miss., high school senior who has been elected president of the National Junior Vegetable Growers association for 1947. He is shown with some of the vegetables he raised in A & P contest, which brought him first honors and a \$500 scholarship.

GOODLOE HEADS RFC . . . John D. Goodloe, Richmond, Ky., general counsel of RFC, who succeeded George E. Allen, as director of Reconstruction Finance corporation. Goodloe joined the RFC as executive assistant in 1941.

FARM NEWS

Over 700 farmers of Lamb County have a chance to increase their income in 1947 by selecting the proper variety of grain sorghums.

Mr. Prentiss Holland of Amherst planted 30 acres of Martin Milo and 30 acres of Plainsman Milo. Both varieties were watered twice. The Plainsmade made 563 pounds more grain per acre than the Martin Milo.

Mr. A. P. Wedel, Littlefield, planted his Martin April 8, and produced 2,000 pounds per acre. He planted his Plainsman May 10, and produced over 3,000 pounds per acre. Mr. Wedel also planted a few acres of Caprock Milo on May 24 and produced 3400 pounds per acre.

Mr. J. S. Ball of Hart Camp says his Plainsman out yielded Martin Milo by one-third. Mr. Ball had some Plainsman to yield 4,000 pounds.

There are several comparisons throughout the country, the yields varying some. The Experiment Station at Lubbock shows the following over a period of years:

	May Planting Pounds	June Planting Pounds
Martin	2122	1726
Plainsman	2358	2935
Caprock	2589	2559

The Experiment Station report is similar to that of those farmers. Some farmers criticized Plainsman for taking too long to start regrowth after late rains, but the 700 farmers with wells do not have this to say. If each man with a well planted 60 acres of Milo, they would have a chance to increase production 30,000 pounds of grain per farm by selecting proper varieties.

Talk to these men and get their opinion on this. Wallace Goadin of

Sudan planted combine Kaffir and Martin Milo. The combine Kaffir made a yield of 3400 pounds per acre and the Martin Milo produced 3800 pounds per acre, and both varieties were watered the same.

Publications are available at the county agent's office to show you the yield of the test at Lubbock in the past seven years.

January Month for Pruning

January is the big month for pruning, but it may be done as late as March. Shade trees, fruit trees, evergreen and all shrubs except those which bloom in early spring should be pruned now if they need it. If winter jasmine finishes blooming this month, it should be pruned as soon as it is through. After their blooming periods they should be cut back as needed to improve their appearance or to improve the convenience of the landscape.

Care should be exercised in pruning office).

pyracantha so that some of the taller branches may bear berries next winter. To prune it now is to cut off much of the blooms. To prune after blooming is to cut of next year's berries. Pruning off one-half of the new growth after blooming each year is a very good compromise. This is a plant that needs little pruning except to keep it within the area allotted to it.

There is little excuse for most of the ruthless pruning which disfigures shade trees and leaves stubs of limbs to die and induce disease and decay into the tree. United States Department of Agriculture Farmers' Bulletin 1826 gives diagrams, pictures, and explanations for removing limbs so that a tree may heal cut and form a healthy wall of tissue instead of dead stubs. (These bulletins may be obtained in the home demonstration office).

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1946, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

Visit your nearest U. S. Army Recruiting Station for answers to any other questions you may have, or for further details on the above questions.

THE IMPORTANT PART IS OFTEN OUT OF SIGHT

At any moment, day or night, electric service is at your instant command . . . at the flip of a switch.

It's so simple, so easy to put your electric service to work. You seldom give thought to what is required to bring you this cheap, dependable electricity.

Yet, out of sight behind the electric switch stands the important part of your good electric service—the highly trained, skilled men and women of your Public Service Company organization, the vast amount of money it has invested in power plants, lines and other equipment. This is what it takes to bring Littlefield the type of electric service it wants and needs.

Mr. and Mrs. J. E. Smith were shopping in Littlefield recently.

NOTICE TO BANKS

Selection of County Depository February 10, 1947

Pursuant to Article 2544 of the Civil Statutes of the State of Texas, notice is hereby given to banking corporation, association or individual bankers of Lamb County, Texas.

That the Commissioner's Court of Lamb County, will receive bids and/or proposal from any banking corporation, association or individual bankers, of Lamb County, that may desire to be selected as the depository for the public funds of said County.

Any banking corporation, association or individual banker, desiring to bid, shall deliver their bids and/or proposals to the County Judge on or before the first day of the February Term of the Commissioners' Court, same being the 10th. day of February 1947, at which time a selection of a depository is to be made.

Within five (5) days after the selection of such depository or depositories it shall be the duty of the banking corporation, association or individual banker so selected, to qualify as County depository as required by law.

The Commissioners' Court may reject any and all bids or proposals.

O. F. Dent

County Judge
Lamb County, Texas 43-31-C

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Near Vision More Important
It is true that a century back the loss of near vision was not a vitally important matter considering the modes of living at that time. But what a contrast today! Artificial lighting has doubled man's working day and far into the night he uses his eyes. Reading and near work have become so important, that most of us, use our near vision, twice as much as we do our distance vision. Efficient near point vision usually establishes our wage value and the type of our leisure pursuits.

Eleven Years of Rural Progress

TEXAS FARM HOMES

The above graph illustrates the progress of rural electrification in Texas since the REA program was started eleven years ago. The first REA power line in the state and the nation was constructed near Bartlett in Bell county, Central Texas, early in 1936. At that time only three percent of the rural homes in Texas had electricity.

The other 97 percent were still in the dark. Today, 44 percent of the rural families of this state enjoy electric service, the majority of them through co-operatives which they, themselves, own and control. Efforts are being pushed to extend service to the other 56 per cent as rapidly as materials become available.

IS FRATERNITY SECRETARY elected spring semester secretary of Arthur Martin, son of Mrs. L. Ja... of Littlefield, was recently Sigma Gamma Epsilon, honorary geology fraternity, at Texas Technological College.

SEASONS GREETINGS!

Baby chick season — that is. Hatching good chicks each week from culled and blood-tested flocks. All culling and testing done by an authorized flock selecting agent, and chicks hatched under sanitary conditions.

You will like our chicks, and we believe this is the year it will pay you to place your order in advance.

RAISING BAND MONEY

Bandmaster Don Hays has been preparing his band troupes for a presentation of varied music at the Primary school assembly which was held Thursday during the school hours at the High school auditorium. Through

the cooperation of the Band Club the band is working on various projects to raise funds for equipment and other expenses. They hope to receive the suits which have been purchased by the first of March, and are looking forward to the 1947-'48 football season.

Sewer Disposal Plant Contract Let At Olton

Contract has been let for construction of a sewage disposal plant, main sewer lines and auxiliary lines at Olton. The low bidder was Enix Construction Company of Houston, whose bid was \$66,650. Second low was Panhandle Construction Company of Lubbock, and third low was Jordan-Tubb Construction Company of Plainview.

The contract price was adjusted downward by the successful bidder and Mayor Jack Straw and the city council so that expenditure for site for plant and other items, including construction, would come within the \$75,000 in bonds voted by the citizens.

Construction will begin when materials are available. Mr. Enix was in Olton last week to put up bond in the amount of his bid on the project.

Olton To Compete In District 2A Athletics

Olton schools will now compete in District 2A athletics.

According to notification received by Supt. R. L. Davidson last week from the State Interscholastic League at Austin, Olton from an athletic standpoint, has been changed from District 2 to District 2A.

Mrs. R. M. Boyer of Fort Worth is here this week visiting with her daughter and husband, Mr. and Mrs. A. Y. Doherty, Jr., and little granddaughter, Angela.

Black; Miss Mary Lois Campbell; Mesdames A. C. Mann, T. U. Smith and Joby; Mesdames Jess Davis, Mann Braswell, Henry King and Oletha; Mrs. Bob Lanier, Mrs. Merle Autry and Mrs. Nell Swopes.

Mrs. Aubrey Stubbs Entertains at Bridge Monday Night

Mrs. Aubrey Stubbs entertained at three tables of bridge Monday evening, Jan. 20, at the home of her parents, Mr. and Mrs. Ben Meyers.

The occasion was the birthday of her husband, Aubrey Stubbs.

Guests were Messrs. and Mesdames Ralph Grass, Alex Adams, Harley Bussanmas, Roy McKinney and Earl Dregup.

Prizes for high score went to Mrs. Earl Dregup and Mrs. Roy McKinney.

TO GO TO EUROPE

Brodie Wayne Hutchenson, son of Supt. and Mrs. Joe Hutchenson, arrived Tuesday of last week from Camp Lee, Va., where he has been taking his basic army training. After a two weeks' visit with his parents he will report to Kilmer, New Jersey, port of embarkation for the European theater.

Presbyterian Women Meet at Wilemon Home

Group Two of the Presbyterian Women's Auxiliary met at the home of Mr. and Mrs. O. P. Wilemon at 222 East Ninth Street Tuesday of last week at 7:30 p.m., with a covered-dish supper.

Following the dinner and social hour, Mrs. H. W. Wiseman led the devotional and was followed by the lesson, "Schools of the Orient," presented by Mrs. Willie Dee Nichols.

Mrs. T. S. Sales, a guest, told a beautiful story, "The Littlest Angel."

Members and visitors present were Mesdames Fred Gerlach, H. W. Wiseman, T. S. Sales, Allen Hodges, Frank George, B. W. Armistead, Ira Woods,

Mrs. Billie Heinen To Join Husband At Yokohama, Japan

Mrs. Billie Heinen went to Littlefield last week to make application for passports for herself and little daughter, Sheila, to join her husband, Captain Heinen, who is serving with the U. S. forces at Yokohama, Japan. They expect to sail early in March.

Captain Heinen has been with armed forces about five years, returned to the Orient a short time ago, after having spent six months in the States.

Thomas, Nichols, Pete Owens, O. Wilemon and Miss Erna Douglas. The group will have their next meeting February 11th, when Mrs. Simon Hay of Sudan will present a program in a book review.
