Offices said the apparatus apparently had been in opera-tion for some time as 250 gal-lons of "finished" liquor in five gallon bottles were seized. Among material and equipment seized were 166 crocks of 30 gallon capacity, 14 stills of 50 gallon capacity and eight fer-

menters.
The first floor of the building with the exception of one room was found equipped with beds. Men's clothing was found in the closets and suitcases in the rooms. One room on this floor was equipped as a bottle room and was almost filled with liquor, bottles and funnels. The other two floors were given over to the distillery operation.

Sour stomach, indigestion, gas. These are signs which usually mean just one thing; excess acid. The stomach nerves have been over-stimulated. Too much acid is making food sour in the stomach and intestines.

The way to correct acid is with an alkali. The best form of alkali for this purpose is Phillips Milk of Magnesia. Just take a spoonful of this harmless, almost tasteless preparation in a glass of water. It works instantly. The stomach because were the stomach are supported to the stomach and intestines.

Phillips Milk of Magnesia has been standard with doctors for over 50 years. 25c and 50c bottles at all drug stores. Be sure you are the genuine.

The phenomenal success of a famous doctor's prescription called Thoxine is due to its double action. It immediately soothes the irritation and goes directly to the internal cause not reached by patent medicines and cough syrups. The very first swallow usually relieves even the most obstinate cough.

Thoxine contains no chloroform, dope or other dangerous drugs. Safe and pleasant for the whole family. Also excellent for sore throat. Quick relief or your money back. 35c, 60c, and \$1.00. Sold by Begty-Doss Diug Co., and all other or good diug stores.

"Milk of Magnesia" has been started legal action to wind up the affairs.

Today T. L. Robinson, through his attorney M. McCullough, brought suit in the 91st district court against Pipkin, administrator of the estate, for \$1,596.75 for salary alleged to be due him. Robinson alleges that Singleterry employed him as a clerk at \$60 per month on October 1, 1925 and that he worked in that capacity up to February 1/5, 1928 and only received \$120, two months salary.

Light a Lucky and you'll never miss sweets that make you fat' Constance Talwardge

TNSTEAD of eating between meals . . instead of fattening sweets...beautiful women keep youthful slenderness these days by smoking Luckies. The smartest and loveliest women of the modern stage take this means of keeping slender . . . when others nibble fattening sweets, they light a Lucky!

Lucky Strike is a delightful blend of the world's finest tobaccos. These tobaccos are toasted-a costly extra process which develops and improves the flavor. That's why Luckies are a delightful alternative for fattening sweets. That's why there's real health in Lucky Strike. That's why folks say: "It's good to smoke Luckies."

For years this has been no secret to those men who keep fit and trim. They knowthat Luckies steady their nerves and do not harm their physical condition. They know that Lucky Strike is the favorite cigarette of many prominent athletes, who must keep in good shape. They respect the opinions of 20,679 physicians who maintain that Luckies are less irritating to the throat than other cigarettes.

A reasonable proportion of sugar in the diet is recommended, but the authorities are overwhelming that too many fattening sweets are harmful and that too many such are eaten by the American people. So, for moderation's sake we say: -
