August 25, 1982

Serving the Counties of Borden, Dawson, Garza, Howard, Lynn & Scurry

HORSESHOW HIGHPOINT WINNERS-Kelly Jo Ogden, winner of the PeeWee divisor and Kristi Stone, winner of the Junior division of the Borden County 4-H horseshow

4-H Horse Show results

The Borden County 4-H Horse Show was held August 17th at the County Rodeo arena in Gail. Sixteen 4-H youth attended the event.

Judging the show was Mrs. Joan Briggs. She did an excellent job especially since she was asked to judge just 15 minutes prior to the start when the other judge failed to show.

Tack awards were given for first and second place in every class and through 4th place in showmanship classes. The tack was made available through donation to the horse show. Included in the list of donors is the Phinizy Ranch, Warren & Betty Beaver, Dave & Joan Briggs, Joe & Nannette Belew, Burl & Virginia Belew, Circle V Construction, Moorhouse

Ranch, Muleshoe Ranch, Dorothy Browne, Bennie Edwards, Mrs. Gannon, Miller Ranch Bo Gray and Corky & Snook Ogden.

The results of the 1982 County Horse Show are as follows:

Registered Mares; Kandy Belew showing Susie, she was also the Champion Mare.

Grade Mares; Justin Cox showing Smoky, also the Reserve Champion mare.

Registered Gelding; 1st Kandy Belew, 2nd Jill Voss, 3rd Cody Stone, 4th Kristi Stone.

Grade Gelding; 1st Stormy Gass, 2nd Dana Douglass, 3rd Kelly Jo Ogden, 4th B. G. Kropp, 5th Tammy Voss, 6th DeLane Eppers, 7th Kathy Kropp.

Grand champion gelding was Rocky shown by Kandy

BHS welcomes new special ed teacher

Miss Jodie Bean was added to the staff of the Borden County Cooperative for Special Education. she is a graduate of Baylor University in Speech and Hearing Therapy.

Jodie graduated from Devine High School where she played basketball, volleyball, and ran track. In college she belonged to ZETA Phi ETA, a national fraternity in communication. She was also a member of the National Student Speech and Hearing Association.

Before coming to Borden County, Jodie worked as a switch board operator and library assistant at Baylor University.

Jodie will be teaching in the special education department.

JODIE BEAN

Belew and Reserve Champion Gelding was Joe shown by Stormy Gass.

PeeWee Showmanship; 1st Tammy Voss, 2nd Kelly Jo Ogden, 3rd Stormy Gass, 4th Jill Voss, 5th Justin Cox.

PLAYNIGHT HIGHPOINT WINNERS-Cathy York, Kelly Ogden, Kathey Kropp, B.G. Kropp, Dana Douglass and Tammy Voss display the trophies they received

Playnight series winners

Awards also received at the County Horse show were year end trophies for the 1982 summer playnight series. This was a series of three point playnight held during the summer leading up to a year end trophy for the high point individual in each event and to the high point in racing and performance events.

The events during these shows were showmanship, western pleasure, western riding, barrels, poles and flags Point nights were held on June 29, Susan Stephens judging; July 27, Bil Hedrick judging, and August 17th, Joan Briggs judging.

A special thank you to Debra Overton for doing the book-keeping for these point nights.

The year end results for these summer playnights is

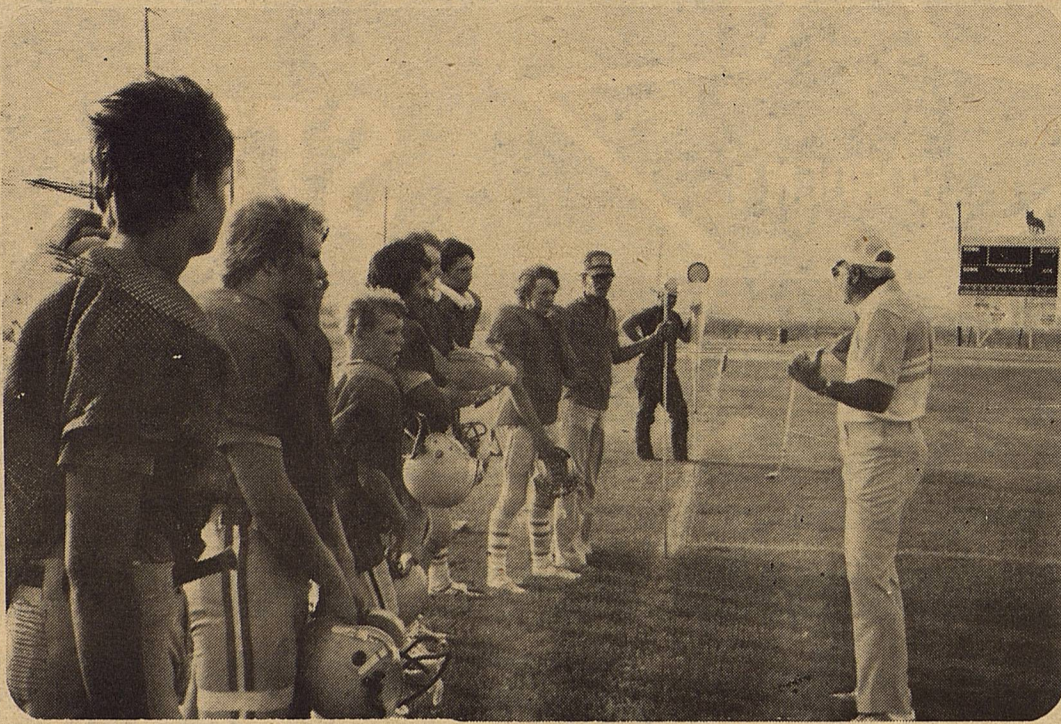

as follows:

Pee Wee Showmanship, Tammy Voss; Junior showmanship, Kathy Kropp; Pee wee Western Pleasure, Tammy Voss; Junior Western Pleasure, Dana Douglass; Pee Wee Reining, Tammy Voss; Junior Reining, B. G. Kropp; Pee wee Western Riding, Tammy Voss; Junior Western Riding, Dana Douglass; Pee wee pole bending, Kelly Ogden; Junior Pole bending, Dana Douglass; Pee wee Barrel racing, Kelly Ogden; Junior barrel racing, Cathy York; Pee wee Flag racing, Tammy Voss; and Junior flag racing, Dana Douglass.

High Point Performance and Timed event for the Pee wee age group was awarded to Tammy Voss. High point

BORDEN COUNTY SCHOOL NEWS

The Coyote line-up receives a briefing from Coach Frisbie during last weeks scrimmage with Loop

COYOTES HOST FIRST SCRIMMAGE WITH NEW COACH

The first scrimmage for the Borden County Coyotes was a learning experience for both the players and their new head coach.

The Coyotes scrimmaged the Loop Longhorns last Thursday at the Coyotes' Field.

Coach Duke Frisbie, the new coach, is working with fourteen new players. 'Even Though Loop scored more times than we did, we were not discouraged with the play of our young men. We dropped two sure

touchdown passes and fumbled twice inside the twenty-five yard line to kill two more scoring drives. We are still moving players around to find the best position for each to be comfortable with. Loop did not score on the ground, their T. D. came on pass plays. We have worked only one day on defense and none on pass defense,' states Coach Frisbie.

'We were not as pleased as we expected with our offense, not that the players did not make an effort, but their ability to block on different defenses and to recognize those defenses.'

The Coyotes hold only one workout a day due to the travel involved by their players. 'We hope to 'Catch up' with the other schools that hold two-a-day workouts by the time our district race starts on September 17 against Lueders-Avaco.' By that time the Coyotes should be settled in their position and be able to concentrate on the one or two positions that they are asked to learn.

The Coyotes graduated 8 senior players last year and few of this years squad have had much playing time to

their credit.

The team will travel to Whitharral this Thursday to scrimmage last years state champion. The scrimmage will begin at 6:00 at Panther Stadium.

WELCOME NEW TEACHER AIDES

Borden County Schools welcomes three teacher-aides this school year. They will fill vacancies left by Darrell and Cynthia Taylor and Cynthia Roemisch.

Janene Day is the new secretary for the special education department. She is a graduate of Texas A and M University with a BBA in Accounting. She also graduated Cum Laude A & M.

Janene graduated from Winston Churchill High School in San Antonio, Texas. She was a member of Alpha Lambda Delta, Beta Alpha Psi and Beta Gamma Sigma Honor Fraternities at A & M.

Prior to moving to Gail, Janene worked as Assistant Cashier of Operations at First National Bank in Corsicana, Texas. She was secretary for the Special Education Director in College Station for 6 months.

Dayla McGuire will be assisting with the reading program in Elementary School. She will also be cheerleader sponsor for High School, along with other varied duties. Dayla is the wife of Tom McGuire, the new band director.

Dayla is a graduate of Denver City High School. She was a dispatcher for the Denver City Police Department for 3 years. She was also youth minister for her church for 2 years in Seagraves, Texas.

Peggy Frisbie will also have a variety of duties, including assisting Mrs. Copeland with the kindergarten class. She is the wife of Duke Frisbie, the Coyote football coach.

Peggy is a graduate of Isbell Powell Beauty College in Cosmetology. She graduated from New Home High School where she was a cheerleader and All-District basketball

Watch Out For School Kids

The summer vacation is over, and thousands of youngsters will be starting back to school, many of those for the first time. Last year in Texas, the pedestrian death accounted for approximately 16 percent of our total traffic fatalities, several of these were school age children.

So, once again we will be seeing those big yellow

school buses back on the streets and highways. The Texas Department of Public Safety wants to remind you that Texas law prohibits the passing of a stopped school bus that is loading or unloading passengers when the lights are flashing. If you are in doubt-stop those few moments you lose may mean a lifetime to some youngster. None of us wants

to be responsible for the death or injury of a young child so remember to slow down in the school zones in the mornings and again in the afternoons.

Just because most of the children will be in school, we must not forget the preschooler who will still be playing in the residential areas. Remember, slow down as you are driving through school zones, around buses, and in and around school areas. Drive as if you had a child there because someone has!

Dawson Co. Fair Scheduled

Its a definite sign of the end of summer and the beginning of fall when football becomes the topic of conversation in coffee shops and the sound of school bells are about to herald another year of classes.

But another of the major rites of fall is only a few weeks away, as the annual Dawson County fair has been scheduled for Sept. 14-18.

Like any county fair across the nation, the local event is a week full of judging and displaying everything from food to crafts, cattle and crops. It's also a time for such wild events as slipper kicking, frog jumping and a children's pet show.

Activities for this year's fair will begin on Sept. 14, with the fair barn open to take entries for each division throughout the day. Entries in the women's divisions will also be taken that afternoon and evening in the Dawson County Community Building.

Wednesday, September

15 entries will continue to be taken in the women's divisions for the first hour, then the gates are scheduled to swing open to the public at 10 a.m. Also on the schedule that day are the judging of the ladies' and youth divisions, the pet show, the ladies' slopper kicking contest, and the judging of the swine division.

Events on Sept. 16 include the judging of poultry, rabbit and pigeon divisions, the turtle races and frog jumping, and capon chicken sales. Highlighting the fair schedule on Sept. 17 will be the baby contest and "World Championship Goat Show."

Activities are scheduled to climax on Sept. 18, beginning with judging of the sheep division that morning and a chili cookoff shortly before noon. Afternoon activities include the judging of the cattle division and the junior heifer show. County music will also be part of the day's entertainment.

Summer's End Brings Thoughts of 4-H

It seems 1982 began only a few days ago. I remember the day it snowed, the day the water pipes froze. Then came spring with its beauty and new life. We all knew that school would soon be out for the summer.

Then suddenly it was here-good old summertime. A time to relax and to have fun with your friends. Now, it's almost gone. School starts again and the fun times will once again be only a memory.

But it doesn't have to be this way, you know. As summer draws to a close, there are options open to you which can help keep the spirit of summer alive all year long.

How would you like to become a part of a group which meets on a regular basis, a group which includes some of your friends, a group where you will feel needed and important?

How would you like to learn new things with this group, plan and conduct fun activities which you want to do, go places and see things which are of interest to you?

How would you like to explore your own future, to plan ahead for your career, for your education?

How would you like to work beside a caring adult, someone who has a real interest in you and your

future, to be able to talk to that person about almost anything and know that he or she respects you and would never violate any confidence?

How would you like to learn to keep records of your activities and accomplishments-records which are meaningful to you and which can serve as a reminder to you and others for years to come?

Parents Club News

The Borden County Parents Club met Thursday, August 19 to begin plans for the Halloween Carnival. The carnival has been scheduled for October 30 to be held in the County Barn.

Carnival booths will be open to any county or community organization interested in participating. For more information on booths call Nanette Belew 573-7718 or Connie Voss 856-4361.

The next club meeting will be Thursday, September 2 in the school conference room. If you are unable to attend the meetings and want to be an active member call Nanette Belew before the next meeting.

How would you like to be able to apply for one of more than 70 different college scholarships, some worth up to \$6,000 to you and your family?

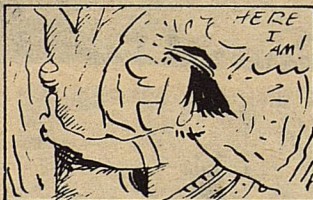

Oh yes, your family. How would you like for all these things to happen to you in an organization which involves all of you?

It can happen, you know. It happens every year after summer vacation for more than five million young men and women. They are part of this nation's largest organization-4-H.

Yes, that's right-4-H. did you know that there is a 4-H group near you? And they would love to have you come and join them.

Give 4-H a try. You will find that, even though summer has come to an end, the fun is just beginning.

To find out more about this exciting youth program, contact the County Extension Office.

Pre-Columbian Indians believed that earthquakes were caused by the creator shaking the earth to see if his handiwork was still around. The Indians would shout "Here I am," to reassure him.

Borden County Claims Two AJRA Championships

Twelve year old Ralynn Key came away from the 1982 AJRA Finals Rodeo with Reserve all-around champion, champion barrel racer and champion pole bending of the 12 and under bracket. These honors produced two trophy saddles and three beautiful belt buckles for Ralynn. She is the daughter of Mr. and Mrs. Roland Key of Gail.

Talley Griffin, nineteen year old daughter of Mr. and Mrs. T. L. Griffen of Borden County was named All-around 16-19 champion and champion barrel racer for which she received two trophy saddles and belt buckles.

All around champions for the year were led by Cody Carruthers of Sanderson who won the Professional Rodeo

Cowboy Association's 1982 all-around award for boys 16-19; all-around, reserve and tiedown roping; the championship in steer wrestling; and earned the Smith Brothers Bronze for winning the most money in a timed event.

In girls 12 and under, Robin Wardlaw of Del Rio took the all-around saddle for the third straight year. Ralynn Key of Gail was reserve.

Jamie Smith of Carlsbad took the boys 12 and under all around spot with Dale Jones taking the reserve.

In the 13-15 age bracket, Wendy Wardlaw of Del Rio was champion and Karen Cochran of Aspermont was reserve. Jim Smith of Del Rio was champion and Tommy Guxigf Abilene

took reserve. In the 16-19 bracket, Jinita Williams of Lovington, N.M., took the all around and Talley Griffin of Gail the reserve and Cody Carruthers was champion and David Northcot of Odessa took the reserve.

Event world champions for the year were: bareback-Phillip Graf of Vernon champion, Lynn Bradbury of Colorado City, reserve.

Tie-down roping-Jim Smith of Del Rio champion, Bill Berry of Carlsbad, N.M. reserve. In boys 13-15 James Doss of Big Spring champion. Carruthers reserve in boys 16-19.

Steer riding-Boys 12 and under, Ty Watkins of Odessa champion and Ty Woch of Glenrose reserve.

Barrel racing-Ralynn Key champion, Robin Wardlaw reserve in girls 12 and under. Shelly Hidge of Midland champion and Kelly Head of Sweetwater reserve in girls 13-15; Talley Griffin of Gail champion and Kristi Taylor of Big Spring reserve in girls 16-19; Jamie Smith of Del Rio and Donny Boltinhouse of San Saba reserve in boys 12 and under.

Steer Wrestling boys 16-19-Carruthers champion and Michael Hudson of Dublin reserve.

Breakaway roping-Lari Dee Guy of Abilene champion, Kody Newman of Stanton; reserve in girls 12 and under; Leslie Ward of Syder champion and Annette Overby of Rotan reserve in girls 13-15; Lisa Pugh of Sweetwater and

Jinita Wailliams of Lovington reserve in girls 16-19.

Junior bullriding 13-15-Tom Messick of Blackwell champion and Jeff Bechtel of Andrews reserve.

Pole bending-Ralynn Key champion and Robin Wardlaw reserve in girls 12 and under; Wendy Warlaw of Del Rio Champion and Kristi Taylor of BBIG Spring reserve in girls 13-15; Jana Smith of Carlsbad champion and Marlissa Bascom of Iraan reserve in girls 16-19.

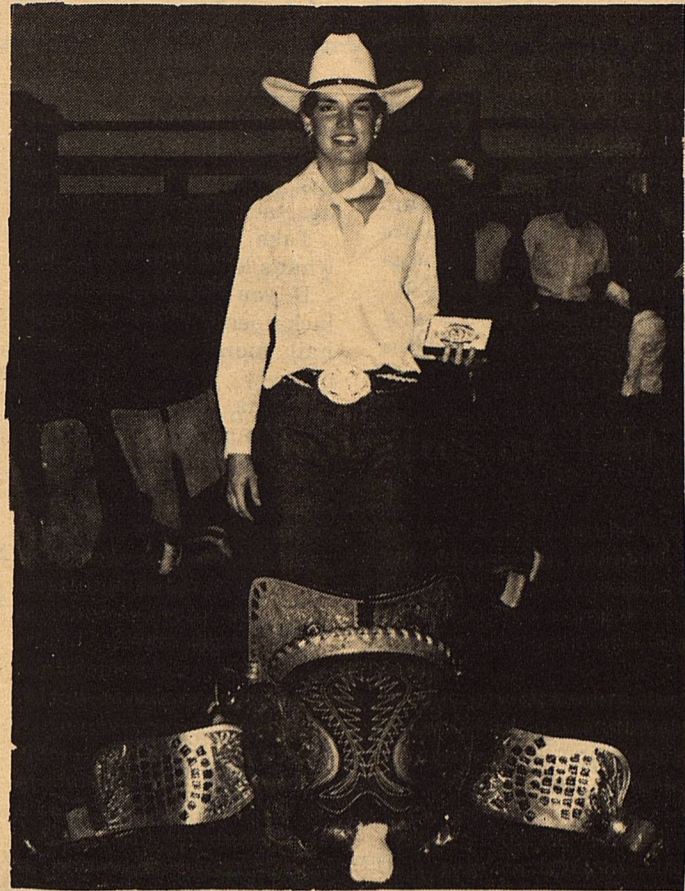

Ribbon roping-Curt Keen of Stamford champion and Jeff Chapman reserve in boys 12 and under; Jim Smith of Del Rio champion and Johnny Casberry of Midland reserve in boys 13-15; David Northcot of Odessa champion and Gene Baker of Tuscola reserve in boys 16-19.

Bull riding boys 16-19-Rowdy Rasberry of Colorado City champion and Lane Frost of Frost, Okla, reserve.

The Borden Star, Wednesday, August 25, 1982...5

Dale Gideon of Odessa won the Great American Cowboy National Radio Scholarship given by Bob and Kristen Tallman.

Tallman, known as the voice of rodeo, was the announcer for the AJRA finals.

TALLEY GRIFFEN displays the trophy saddle and belt buckle she received at the National Finals.

RALYNN KEY is shown with her two horses and two new trophy saddles she received at the AJRA National Finals.

WORLD WIDE FLORAL SERVICE

3001 College Ave.
Snyder, Texas

Your County Agent Says by Alan Day

SMALL GRAIN VARIETIES

Many of you are planning to plant either wheat, oats or barley this fall. There are several varieties that are more adapted to our area than others. The following is a listing of such varieties.

Wheat - Centurk, Cencho, Improved Triumph, Larned, Osage, Palo dura, Rall, Sage, Scout 66, Tascosa.

Oats - Bronco, Checota, Cimarron, Nora.

Barley - Post, Rogers. This is not a complete list. Check with local seed dealer for other adapted varieties. If you have any questions, please give me a call.

COTTON INSECT SITUATION

If you have cotton that was planted late, that has just begun to square good and has a few blooms and insect problems such as

bollworms arise, forget spraying. Control insects in late planted cotton will only cost you more money and heartache in the long run.

Take you lumps and get what's left at harvest time.

If you were one of the lucky ones and missed the hail, monitor your insects closely. Bollworms numbers are higher this year than last. For control measure, contact our office.

No outbreaks in Borden county are likely but the possibility is there.

TEST FORAGE FOR FEEDING VALUE

Just how "good" is the hay you harvested this year? It's hard to tell without a forage test. The forage test is the only way that a definite feed value can be assigned to a particular lot of hay.

While a forage test may cost a few dollars, it can

save you dollars in supplemental feed or livestock condition.

Feeding low quality hay without supplementation can result in livestock weight losses and reduced rebreeding percentages. At the same time, feeding supplement with top quality hay may not always be necessary.

Only when your hay's feeding value is known can you make a useful decision on the necessity of a protein or energy supplement. The hay's feeding value might be such that no supplement is needed or it might be such that the animal is slowly starving without a supplement.

A forage test can give a positive value on which to base a feeding program, and with the high cost of feed, that's essential for a sound management program.

Anyone interested in getting hay tested for protein, fiber, nutrient and mineral content can bring samples to the Extension office where information forms and mailing containers are available. Forage samples will be sent to the Extension Forage Testing Laboratory, Soil and Crop Sciences Department, Texas A&M University, College Station, Tex. 77843.

The first iron printing press to be used was the Stanhope press, invented by Charles, the third Earl of Stanhope in 1798.

REDUCE AIR CONDITIONING COSTS

Hot humid summer weather makes your air conditioner work harder and cost more to operate.

Set the thermostat at 78 degrees or higher in the summer. You will save approximately 4 percent for each degree of cooling costs for every degree you raise the thermostat. Turn the system off altogether when cross ventilation with doors and windows can be used instead.

Stop heat gain. Turn off the pilot light if you heat with gas and don't have electronic ignition. Put off heat creating activities such as cooking until late evening or early morning. Better still, cook outdoors. Use natural lighting where possible, especially in place of incandescent bulbs. Fluorescent lights generate less heat and are more energy efficient. Close shades and draperies to stop solar gain. Be sure to keep windows and outside doors closed during the hottest hours of the day.

Check and clean or replace your air conditioner filter once a month. Clean grills and vents that deliver conditioned air.

Have your cooling unit checked by a certified service man if you haven't already. Lubricate the

motor, clean the fan and keep belts tight to prevent slipping. Clean weeds, grass and other debris from outside cooling unit. Shade the unit if possible, but do not block air flow.

A clean, well-maintained and sensibly operated air conditioner means more efficient cooling and lower energy bills.

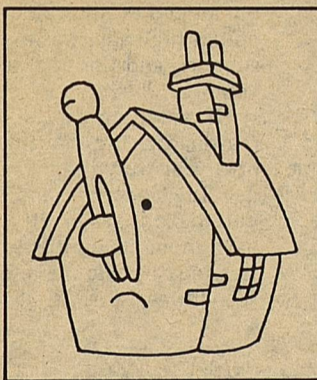

Too slim or overweight? Mortality rates are highest among the leanest and the most obese elderly people, reports Judith Warren, family life education specialist-aging with the Texas Agricultural Extension Service.

To brighten aluminum utensils, place this solution in them: two tablespoons cream of tartar for each quart of water they hold. Boil five to 10 minutes, says Bonnie Piernot, family resource management specialist with the Texas Agricultural Extension Service.

When fermenting a pickled product, use a crockware pot or a plastic bucket which is intended FOR FOOD, cautions Mary K. Sweeten, a food and nutrition specialist with the Texas Agricultural Extension Service.

Never use a garbage or other plastic bucket not intended for food use.

Easy way to get rid of household odors

Household odors can start almost anywhere, but some of the worst come from garbage cans, ashtrays and refrigerators. There's a common answer to these problems—Tidy Cat brand cat box filler. It's made to stifle strong odors. Just a little in the bottom of the trash can (one inch) or ashtray, or in a pan in the refrigerator, will help keep them smelling fresh.

The Perfect Squelch For Unordered Office Supplies

A church in Nebraska which has been the target before of receiving unordered office supplies, (copier machine items, light bulbs, etc.) came up with the perfect answer when again they received a shipment of supplies they never ordered with a bill. Instead of politely notifying the firm they never ordered the delivered items and becoming involved, as in the past, with costly telephone calls and lengthy correspondence, they sent the following letter.

Dear Sirs:

On (date) we received a shipment of merchandise from your company for which we had issued no order. An ensuing statement followed listing the value of the items shipped at \$307.79.

Please use this letter as a statement of your contribution to our church and, remember, that your contribution is tax deductible. A record of your contribution will be kept in our office.

May the Lord bless you."

Traits of Successful Families

Research in the past 10 years has helped identify several traits of successful families, who appear to handle the ups and downs of everyday living with greater ease than other families. Members of the

successful families are united, and all work toward the same goals. They value their family ties and spend time working and playing together, and getting to know each other better.

To no one's surprise, the church received a call the next day, apologizing and promising to refund the money... returning the supplies.

Playnights

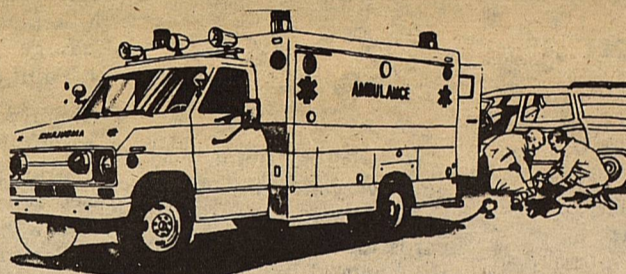

Cont from Pg. 1

performance and timed events for the junior age group went to Dana Douglass.

Special awards presented went to B. G. Kropp for being the most ambitious rider for the summer and to Justin Cox for being the most improved rider. Hard luck went to Casey Overton, Casey participated at every playnight during the summer and on the day of the horseshow his horse got out and could not be caught in time for the show.

Special thanks award in the form of a handmade belt went to Susan Stephens for work and dedication with the young horsemen all summer.

REMINDER TO WOOL PRODUCERS

You have until Monday, August 27, 1982 to return your ballot for the 1982 Wool Referendum. If you did not receive a ballot for the referendum and feel you are eligible to vote please come by the county office before the August 27th deadline.

1982 SPECIAL DISASTER

Borden County farmers whose crops were affected by adverse weather conditions in June will receive Special Disaster Payments. To be eligible for the payment the farm must produce less than 75 percent of the established yield for cotton, or 60 percent for wheat and feed grains. The farm must also be participating and in compliance with the voluntary acreage reduction program.

For acres that will not be harvested Form ascs-574 must be filed before the crop

Political Calendar

The Borden Star is authorized to announce the following candidates for political office weekly, subject to action of the General Election.

(Paid political advertising by candidates listed below.)

Larry Don Shaw (D)

is destroyed or other use made of the crop. For acreage that will be harvested, a 574 must be filed within 15 days of compliance of harvest.

As in the past, pounds or bushels receiving a low yield disaster payment will not be eligible for deficiency (or Target Price) payment.

We must have a total crop certification before payments can be made. If you are waiting on a measurement service request, you will have 5 days from the date we notify you of the measured acreage to make your report.

For affected producers who will carry some acres to harvest, a provision has been made to allow partial disaster payments. If interested please contact us.

CONSERVATION USE ACREAGE (CUA)

Do not let your CUA get you into trouble. Wind and water erosion as well as weeds must be controlled.

Thank You

We wish to thank each and everyone of you who came to visit, called or sent cards to me while I was in the hospital in Big Spring and during my recuperation. All of our friends are very dear to us.

A special thanks to the Borden County EMS for all the help given us.

-s- Arvie Brewer
Sarah, Ross & Jason Sharp

These acres can not be harvested in any manner and can not be grazed until September 30, 1982.

If you reported excess CUA you must treat these acres the same as your regular CUA, unless you get prior approval from the County Committee to make other use of the excess acreage. Violation of CUA requirements could cause a farm to lose all program benefits.

1982 COTTON YIELD

After receiving new instructions we have re-worked the 1982 Cotton Yields. You should receive your Revised Notice soon.

The word "fiction" comes from the Latin fictio, which means something invented.

LEGAL NOTICE

Borden County Commissioner's Court will take bids on repair work on 4-H Exhibit Building and County Office Building.

Work Included:

1. Remove existing roofing and install new 15 felt and new composition shingles.
2. Install new metal edging.
3. Replace broken asbestos siding.
4. Paint exterior.

(County Office Building)

1. Paint exterior.

Bids will be opened September 13, 1982 at 10:00 a.m.

Commissioner's Court reserves the right to reject any or all bids.

For additional information call 915-856-4391 or 915-856-4474.

CHANGING ATTITUDES ABOUT DWI

Few things in this country have changed as much during the past few years as public attitudes on drunk drivers. It is a change we can all be thankful for.

Most of that change, in my opinion, can be attributed to the organization of Mothers Against Drunk Drivers (MADD), and the attendant publicity and editorial support they have received from our newspapers. They have succeeded, where others have failed, in drawing attention to the tragedy that has claimed the lives of thousands of Texans.

It was not long ago, for instance, when some public officials who ought to lead by example were openly contemptuous of our laws against driving while drunk. Much of this problem started nine years ago when my opponent became Lt. Governor and helped pass the law reducing the legal drinking age from twenty-one to eighteen years of age. Now Mr.

Hobby, feeling the heat of irate parents and loved ones, and perhaps personal remorse, has said he favors tougher drunk driving laws—another switch from a previous position.

Political promises, however, are easily made. If a politician can't get excited about an issue of this magnitude in nine years, it seems unlikely that he would get excited and pursue corrective legislation in another four years.

So I hope the Mothers Against Drunk Drivers will stick to their guns, and I hope they continue getting support from the people of our state. Their efforts to put an end to this carnage on our highways has my support, and I hope it has yours.

Of one thing we can be reasonably sure: Starting next year we will have a new Lt. Governor, and that will make it easier. If you have thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.
