Children's Dentists Say "Enjoy Halloween"...But

Halloween is sweets heaven for children, but don't sweets cause cavities, followed by dental bills? Not necessarily, says the American Academy of Pedodontics, the professional organization of pediatric dentists.

Halloween is the perfect opportunity to teach children that their teeth must be cleaned after eating, and to teach them that there is sugar in an apple and raisins, as well as in candies, sodas, and cookies.

Keeping ourselves clean is a learned ritual from childhood. For the child's dental health, habits begun early in life will ensure only routine visits to the dentist through a lifetime.

Pediatric dentists say that you don't have to put a damper on the child's joy of Halloween, because the revolution in children's dentistry, is, quite simply, that a clean tooth will not decay. Let the kids return home with their bag of goodies and enjoy them to the hilt. Remember, however, that the frequency of eating is critical. You might want to let the kids

binge a bit on Halloween night, followed by a thorough bedtime brushing, and to apportion the treasuretrove, to be eaten following supper over several nights-always followed by a good brushing.

Today's message from pediatric dentists is that most foods contain sugar in some form or other. Baked goods contain sugar and stick to the teeth as long as candy. The important consideration is to clean the teeth thoroughly at least twice a day. Our teeth must last a lifetime, so guiding, supervising, and helping your child to clean teeth properly is a primary responsibility.

In the U.S., tooth decay is rapidly decreasing. In fact, there can be a titally cavity-free generation. Pediatric dentists hope that a child will visit them before they age of three, so that they can guide the parent and the child toward dental health. A pediatric dentist is an expert, by special training and interest, in preventing not only cavities, but the shape the child's teeth and jaw will tak. This is called "interceptive orthodontics," and if the child is taken to the dentist early, expensive and sometimes uncomfortable dental treatment can often be eliminated.

BURL BELEW

Burl Belew re-elected to S.W.C.D. post

Burl Belew of Fluvanna was re-elected to the Upper Colorado Soil and Water Conservation District board of directors at an election in Gail last Monday. Belew represents Zone IV of the district.

The purpose of the Upper Colorado SWCD with headquarters in Snyder is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters on other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into

working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Belew will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

Burl Belew has served as the director of Zone IV on the Upper Colorado SWCD board of directors since May of 1970.

Belew owns and operates some 2,240 acres of farm and ranch lands in Borden and Scurry Counties.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state

Absentee voting now underway

Absentee voting is now underway at the County Clerk's office during regular courthouse hours. Anyone wishing to vote absentee may do so thru October 29.

Offices in the Borden County courthouse will be closed Tuesday, November 2, Election Day, please transact your business accordingly.

Homecoming

Homecoming week at B.H.S.

Borden High School students began the stack for Friday afternoon's annual Homecoming bonfire.

Pictured from left to right: Rene Ortiz, Kirby Williams, Cam Stone, Bill Murphy, Doug Adams, Nancy Martinez, Shana Bradshaw, Glen Bacon, Jeanette Massingill, Dennis Buchanan, and Mike Douglass.

The bon fire will be held at 4:00 with the stew and chilie supper following.

BORDEN COUNTY SCHOOL NEWS

Mrs. Kay Hopper (center), winner of the Banana eating contest between her, Mrs. Sandra Graves (left), and Mrs. Dana Cooley at a pep rally. Cheerleaders pictured are Kim Wills, Roxie Wolf and Shellie Peterson.

Coyotes 34, Cardinals 32, Whew!

If you were weak at heart and low on Roloids, Hermleigh football field was not for you Friday night. The game came down to the final two seconds with Hermleigh on the Borden County three yard line. The Cardinals Coach isolated their tallest player (6-2) on the Coyotes shortest safety, Kevin Telchik. "Telchik was able to out jump their end for the ball and made the interception in the end zone", stated Coach Frisbie.

The Coyotes defense played very well against the spread and was able to key the Cardinal runners in the middle of the field. The Coyotes intercepted three

passes for the right to go along with fumble recoveries.

Chris Cooley played well for the offensive team along with Sammy Williams. Telchik, Keith Williams, Charles LaRue were the defensive standouts.

Homecoming will be this week against Grady. Game time is 7:00 p.m.

Kelley Lankford

F.H.A. Member of the Month

Kelley Lankford was picked as FHA member of the month during the FHA meeting Thursday. Kelley is the member of the month for October.

The FHA Chapter had their second meeting Wednesday, October 13. The FHA will not be having their annual stamp collection due to a change in the mailing process.

Basketball Scrimmages

November 9 at Sundown 5:00 p.m.- 2 games-Junior Varsity and Varsity Girls.

November 16 at Ira 5:00 p.m.-Junior Varsity and Varsity girls.

School Board Meeting

The Board of Trustees met in a regular session on Monday, October 18, 1982.

After routine business, the Board heard Mr. Derrell Oliver's presentation on the Oliver Energy Master. Mr. Oliver proposed a plan whereby an automatic system would turn heating and cooling systems off and on as they are needed. The system could save from 14 to 20 percent on energy costs according to Mr. Oliver. The Board tabled any action on the system until a future date.

A Textbook Committee was appointed for 1982-83 consisting of the following people: James McLeroy, Mickey McMeans, Ben Jarrett, Tom McGuire, Dorothy Gray, Dana Cooley, Bill May, Sandra Graves, Dave Briggs, Joe Copeland, Netta Jarrett, Doris Steadman, Ann McLeroy, and Shirley McMeans.

The Superintendent gave a year-to-date financial report. The attendance was reported at 230 students.

Mrs. Westbrook, Jr. High Cheerleader Sponsor working with the young ladies-Elvira Balaque on her right and Mindy Williams on her left.

1982 BHS Homecoming

Homecoming activities for 1982 are swinging into action around Gail. Seniors, Sophomores, Juniors and Freshmen have their eyes set on a pile of old trailers, an outhouse or an old building for the bonfire and pep rally to be held at 4:00 p.m. on October 22. The Booster Club have begun plans for their supper of Chili and Stew to feed football fans from 4:30 to 7:00 p.m. The famous R.T. Bell will once again be cooking the Homecoming Chili and The Greatest Stew Cook in these parts, Buddy

Telchik, will be cooking the stew. Plans are also underway for the crowning of the Homecoming Queen, presentation of pep squad beau, football sweetheart and band sweetheart.

This year, parents of senior football players will be honored in pre-game activities at 6:30 p.m. The crowning of the Homecoming Queen and other presentations will be made at this time. A 30-member percussion group from Texas Tech called the Z.I.T.'s will perform during halftime of the Coyote vs Grady football game.

The Class being honored this year is the Class of 1972. The 18 ex-students will be recognized during a reception after the game in the school cafeteria. The reception is sponsored by the student council.

Borden Boosters

Boosters, please bring your hamburger and stew meat to cafeteria by Thursday.

JR. HIGH PEP RALLY

"We are proud of our cheerleaders because they keep our spirits up. We are proud of our school system and we are especially proud of Coach Frisbie for everything he has done for us," said John Martin Carroll during the Junior High Pep Rally last Thursday.

Coach Frisbie reminded fans, "We have three games to play and with the attitude, and spirit that these young men have, we should be the District Champions."

Receiving the spirit stick for showing the most spirit last week was D'Lyn Lloyd

Welcome All Ex-Students!

Jr. High 4-0 (Barely)

Junior High defeated the Grady Junior High 19-18 in a game that was exciting to the very end. The strong play of John Stephens on offense and defense was a large plus in the winning effort. "He was everywhere", stated Coach Frisbie.

"Our pass defense was very poor and we go to

Grady next Thursday and we anticipate them throwing a lot. The defense against the run was good, but their passing really hurt us," said the coach.

Tommy Soto's running and passing was again too much for the smaller Grady team. Borden County plays at Grady at 6:00 on October 21.

HIGH SCHOOL PEP RALLY

Sophomore Coyote, Kirby Williams, gave the team talk during last weeks pep rally. "We played our best game of the season last week, but unfortunately did not win. We can play even better than that and are going to beat Hermleigh's Cardinals," said Kirby. The Coyotes broke their losing streak by beating Hermleigh 34-32.

Stephanie Herring was recipient of the spirit stick for "yelling loudest" at the ballgames.

Cash For College Offered By Army

Due to rising college costs and swindling student aid, many high school seniors are postponing college at least temporarily while they earn the money to pay for it.

Many have discovered that the U.S. Army is a great place to get two assets that are valuable in the "real world": educational funds and skill training. The Army College Fund program offers both to qualified high school graduates.

Soldiers save from \$25 to \$100 of their monthly pay (more than \$575 for starters), up to \$2,400 over two years of service or \$2,700 for three. The government will increase that investment by 500 percent or more! A soldier who saves the maximum could have a college fund of more than \$15,000 after two

Mr. Sharp To Celebrate Birthday

Mr. and Mrs. S. C. Sharp will host a Come & Go Party Sunday October 31. The honored guest will be Mr. Preston Sharp who celebrates his 93rd birthday.

You are invited to drop by between 2 and 4 at the home of Mr. and Mrs. Sharp.

years of \$20,000 after three of four.

While saving money soldiers also learn skills in such fields as telecommunications, surveying, police work or broadcasting.

Further information about the Army College Fund can be found in a series of advertisements appearing in Reader's Digest.

4-H'ers At State Fair

Eight Borden County 4-H'ers are in Dallas at the State Fair of Texas this week. These 4-H'ers will be showing market lambs on October 20, 1982.

LaDon Eppers, Delane Eppers, Kim Wills, Tammy Miller, Kelly Williams, Michael Murphy, Kristi Stone, and Cody Stone are the 4-H'ers participating.

These 4-H'ers are wished good luck in their endeavors.

Energy Efficiency Program Thursday

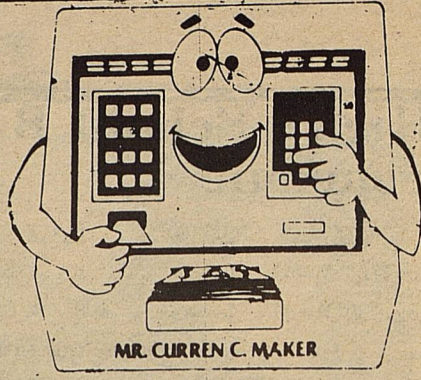

Weedon Echols, Extension Energy Specialist, will present a program entitled "Energizing Your Home For Winter" for the people of Borden County on Thursday evening, October 21, 1982 at 7:00 p.m. in the 4-H Exhibit Building.

The program is being sponsored by the Borden County Family Living Committee and The Extension Service.

The program will deal with low cost, do-it-yourself ways to make your home more energy efficient for the coming winter. This program should be of interest to all Borden County residents.

Programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of sex, color, race, religion, socio-economic level, or national origin.

Benefit Dance

Friends of Mr. and Mrs. Joe Kropp are sponsoring a benefit dance for Kathy Kropp Oct. 22 in the County Barn.

It was learned last week that Kathy, the 10 year old daughter of Kay and Joe, is suffering from Sclerosis of the spine.

All monies from the

dance will go to the Kropp family to help defray medical expenses incurred during treatment of the disease.

The dance will feature live western music beginning at 9 p.m. or immediately following the Homecoming game. Donations will be taken at the door.

The public is urged to attend.

Skin Needs Special Care In Winter

Fall and winter pose a definite threat to your skin, particularly if you are outdoors a lot. Winter air has low humidity which dries the skin—and the chilly winds compound the damage by drying and cracking it. Indoors, ironically, steam heat also tends to dry out the skin. The combination of all of these indoor/outdoor factors makes skin lose precious moisture, and can result in an older, weather-beaten look.

Dermatologists frequently suggest using a mild soap, such as Purpose, for face and body needs during the winter months. It is specifically designed to restore natural moisture removed by the elements. A companion product, Purpose Dry Skin Cream, is especially effective after bathing when the skin has a tendency to lose additional moisture. The formula contains emollients that keep the skin moisturized and smooth.

Miniaturists To Hold show

The Miniaturists of Lubbock will hold their third annual Miniature Show Saturday, October 23 from 12:00-6:00 p.m. and Sunday, October 24 from 12:00-6:00 p.m. The show will be held in the Precinct 1 Clubhouse at 5012-50th street, east of Red Lobster Seafood in Lubbock.

Admission to the show is free, so come browse and enjoy the doll houses, room boxes and collections.

TUNING UP FOR THE DEER SEASON — Olin Earnest of Lamesa tuned up his hunting eye for the deer season this past week when he bagged this antelope on the Clayton Ranch about five miles west of Gail. Hunting with Mardes Clayton, Olin brought down this healthy specimen with one shot. The longtime Lamesa farmer and businessman will make his annual deer hunting trek when the season opens. (Polaroid Photo)

Turkey Shoot Sunday

The Borden County Trap Club is sponsoring a Turkey Shoot on Sunday, October 24 from 10:00 a.m. til dark. The shoot will be held at the Borden County Trap Range in Gail immediately north of Borden County School. Proceeds will towards a new skeet range.

Buffalo Days At Museum

"Buffalo Days", an exhibit of art depicting the buffalo, is the current exhibit at the Diamond M Museum, Snyder, Texas.

The buffalo has fascinated artists since descriptions of the large, hairy animal were brought back by the earliest explorers of the American West. The Spanish in the 1500's were the first Europeans to see and draw the beast. Americans in the 18th and 19th centuries saw drawings of buffalo by artists today as a favorite symbol of America and the romantic Old West. The "Buffalo Days" exhibit is a look at the beloved animal through the eyes of artists over a span of 150 years.

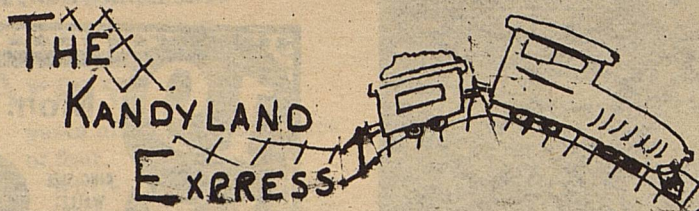

Included in the exhibit will be prints and watercolors from the Amon Carter Museum by such artists as George Catlin, Karl Bodmer, Peter Rindisbacher, John James Audubon, Frederic Remington and Charles M Russell. Four bronzes of Russell's will also be loaned by the Amon Carter for the exhibit.

Buffalo works from the Diamond M Collection include paintings by Tom Ryan and S. Budicin and bronzes by William Robinson Leigh, Frank B Hoffman and Robert Summers. A pair of Currier and Ives lithographs show the "Swell Sport", the eastern dude who went west in the late 1800's to become an instant buffalo hunter.

The Roswell, New Mexico, Museum has loaned two works, a print by John Mix Stanley and a drawing by the Indian artist Frank Vigil. A bronze sculpture of a buffalo soldier, "Nigh Sounds", by Eddie Dixon, has been loaned by the Fort Concho Museum in San Angelo. Woodcarvings by Albert Crowder, Jr. showing J. Wright Moor's buffalo camp, came from the Scurry County Museum, Snyder.

A group of buffalo souvenirs in the exhibit shows how the image of the animal is carried over into objects such as ashtrays, coffee mugs, stuffed toys, plaster and porcelain figurines and calendars.

"Buffalo Days" will continue at the museum, 909 25th st., through November 21. Museum hours are Tuesday through Thursday, 8 a.m. to 5 p.m., Friday 8 a.m. to 4 p.m., 1 to 4 p.m. Saturday and 1 to 5 p.m. Sunday.

DIVERSITY OF STYLES EXPECTED FOR FALL COATS

If you plan to buy or make a new coat this fall, the choice of styles and colors will be wide.

Many styles will require minimum tailoring, making it easier to sew them at

home. Look for high quality fabric so the coat will give good service.

"Big" or "full" styles will be popular. Full, swinging coats, capes and ponchos will be big, adding to that look.

A relaxed silhouette, fluid and feminine, will also be seen. These styles will

include blouson jackets, vests, and lightweight wrap coats, all exciting and new.

Classic ensemble dressing will still be strong. Tailored car coats and "city looks" that average about knee-length will make up this style.

Skiwear will influence the casual coat market with piping and quilting on saistlength jackets.

Bulky looks in lightweight fabrics will be a popular trend. Leather, suede and wool are expected to be the three top sellers.

Fleece, brushed woolens and furry fabrics will also

be popular. Slicker fabrics, and pearlized, oiled, or laquered finishes will balance the bulky fabrics.

Colors will be subtle. Gray, black and white are expected to lead the field, especially in tweeds and bi-color fabrications.

Nutritious and colorful "Fruit treats" can be created by dipping orange sections, pineapple chunks, banana slices, apple sections or other fruit pieces in yogurt. Serve on colored toothpicks for added interest.

COTTON PROGRAM CALLS FOR REDUCED PRODUCTION

To help reduce cotton supplies and strengthen prices, farmers who participate in the 1983 upland cotton program are asked to plant at least 20 percent fewer acres and will be paid to voluntarily divert up to an additional 5 percent of their acres.

Programs signup began on October 1 and will be conducted through March 31. Farmers may request 50 percent of the projected 1983 deficiency and diversion payments at the time they sign up. The estimated deficiency payment rate will be 12.8 cents per pound. When farmers sign up, they can request to receive and advance payment of 6.4 cents per pound. The advance diversion payment rate will be 12.5 cents per pound times the farm yield times the acres diverted.

To be eligible for program benefits, participating farmers are required to limit their 1983 cotton planted acreage to no more than 80 percent of the farm's upland cotton base, and devote to conservation uses an acreage of eligible cropland equal to 25 percent (20 percent reduction-80 percent permitted to be planted) of the planted acreage. In addition, producers may choose to further reduce their planted acreage and receive diversion payments.

The number of acres eligible for payment will depend on the level of diversion selected by the farmer up to the maximum of 5 percent of the base and on the number of acres planted within the permitted acres. Optional paid diversion is based on the smaller of 6.67 percent of the planted acres, or the difference between permitted and planted acreage. The diverted acreage also must be devoted to conservation uses.

Participating farmers will receive federal target price protection of 76 cents per pound and a national average loan rate of 55 cents per pound. "Program participation is voluntary, but farmers must take part to be eligible for program benefits."

ASCS SCHEDULES PROGRAM PAYMENTS FOR FARMERS

County farmers will receive 11 of their wheat and barley deficiency payments

and 70 percent of their corn, upland cotton, and grain sorghum payments in December.

Cotton producers will receive the balance of their deficiency payments in February. Corn and grain sorghum farmers will get their final check in April. The payments will go to farmers who participated in the 1982 acreage reduction program.

"We are currently conducting a signup for the 1983 feed grain, wheat and upland cotton program. Farmers who participate

will be eligible to receive target price protection, price support loans, deficiency and diversion payments. When farmers come to the office to sign up, they may request an advance payment equal to half of their 1983 estimated deficiency and diversion payments."

The estimated deficiency payment rates are 21 cents per bushel for corn, 20 cents for sorghum, 15 cents for barley, 65 cents per bushel for wheat and 12.8 cents a pound for upland cotton. Land diversion payment

The Borden Star, Wednesday, October 20, 1982...7

rates have been established at \$1.50 per bushel for wheat and 25 cents per pound for upland cotton.

Farmers who accept advance payments and later decide not to participate in the program will be required to refund the amount of the payment plus interest.

The 1983 programs contain acreage reduction requirements and paid land diversion provisions. A combined 10 percent acreage reduction and a 10 percent paid land diversion

is in effect for feed grains. The wheat program also provides for a combination 15 percent acreage reduction and 5 percent paid land diversion. A 20 percent acreage reduction is in effect for upland cotton with an optional 5 percent paid diversion provision.

Is 'No News' — 'Good News' To The Oil and Gas Industry?

Some politicians are always looking for a race. They will say or do anything to get elected. They would rather "bad mouth" their opponents, than talk about the issues.

Sometimes what they do not say reflects more on their sincerity and ability than what they do say when they are criticizing their opponent.

Take the Texas State Senate Race for instance—Here's what the Texas Senate Candidates for District 28 have to say about the Oil and Gas Industry:

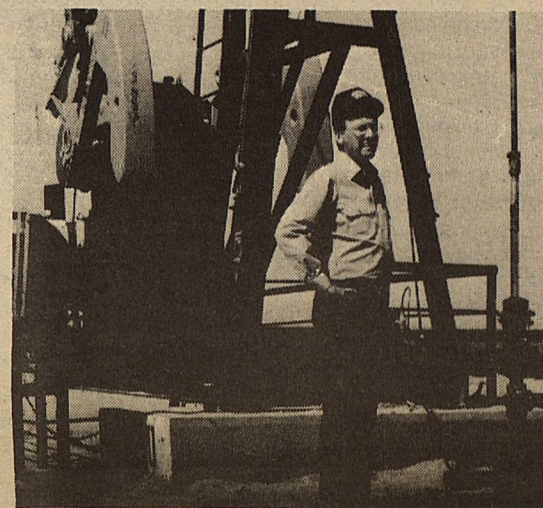

JIM REESE

Stock Broker, Actor, TV Performer

Campaign Platform on Oil and Gas

"The well-being of our oil and gas industry is vital to West Texas and the West Texas Economy."

Primary Campaign Brochure

"New drilling rigs are once again springing up all over West Texas bringing new jobs and an injection of new money into our economy. It's important that we support this industry that means so much to our economic well being and that we protect Texas' resources for Texans' benefit."

General Campaign Brochure

"We must continue to provide incentives to put new capital into exploration for oil and gas. The petroleum industry must be allowed to grow and prosper, and as state senator I will do everything in my power to keep this vital industry at the forefront of our economy."

*(The words "oil and gas," are never mentioned in Jim Reese's campaign brochure nor were they listed as a priority in his statement of platform delivered March 12, 1982.)

Elect a statesman, not a showman, in the state senate race. For depth of issues, effectiveness, elect John T. Montford to the Texas State Senate. A proven winner.

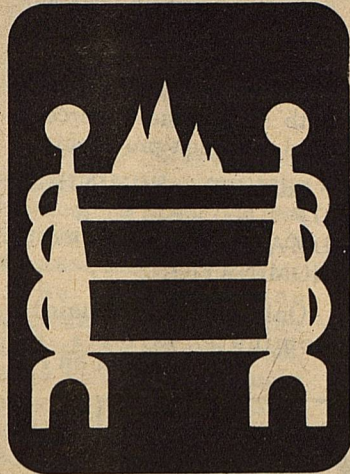

Vote for **John T. Montford** for Senate Nov. 2

Montford—The Man West Texas Needs in the Senate

Home Heating

Fall signals the start of the home heating season for much of the nation. Check your heating equipment BEFORE the heating season gets too far along.

- Check furnaces, fireplaces, stoves and portable heaters. Service as necessary to avoid fire risk, excessive energy consumption and breakdown.
- Check flues and chimneys. If you burn wood, your chimney may need cleaning more often to remove creosote build-up.
- Provide adequate ventilation when using kerosene, oil or LP-gas heaters.
- Set portable heaters away from combustibles and where they won't be bumped or tipped.

ASCS News

Con't from Pg 7

candidates in the upcoming asc committee elections.

The ASC committee election will be conducted by mail from November 26 to Dec. 6. By turning in a total of three of more petitions, farmers have the opportunity to prepare the slate of nominees themselves.

Shortly after Nov. 1 all petitions will be reviewed. If 3 or more valid petitions have been received the county ASCS office will prepare a slate containing the names of all eligible nominees. If less than 3 valid petitions are received for the incumbent county committee will add nominees to complete the slate.

To submit a valid petition, three or more ASC farm voters must sign a statement endorsing an eligible candidate. The statement must include certification that the nominee will serve if elected. Petitions must be date and mailed or handdelivered to the county ASC office no later than November 1.

The opportunity to nominate, vote, and be elected to office in the upcoming ASC committee election is guaranteed to all farmers regardless of race, religion, sex, color, or national origin.

DID YOU KNOW?

The Ulcer-Cigarette Link

Research has established a definite link between smoking and duodenal ulcers. It puts cigarette smoking right at the top of the list of culprits associated with this disease.

It affects the development, severity, healing and recurrence of ulcers. Among the facts recently defined:

- Cigarette smokers are about 1.7 times as likely to have duodenal ulcers as nonsmokers;
- Ulcer disease is more common among heavy than among light smokers;
- Ulcers do not heal as rapidly in heavy smokers; and
- Death due to ulcer disease is about twice as common among smokers.

If you smoke and have chronic stomach pain, you should see a doctor to find out if you have a duodenal ulcer.

This information comes from Smith Kline & French Laboratories, discoverers of the prescription drug "Tagamet".

Parents Club Meeting

There will be a Borden County Parents Club meeting Thursday, October 21 at 2:00 p.m. in the County Barn. Please plan now to attend.

EMS News

The Family of Lt. Gov. Bill Hobby says THANKS to the people of Texas

I want to thank you, the people of Texas, for the warm hospitality and friendship you have given my family and me as we have campaigned across the state.

The strength of Texas lies in our respect for one another and our families. Your kindness towards us has sealed that belief.

It is an honor to serve you as Lieutenant Governor. We thank you for this privilege and for your continued support and confidence.

Re-elect Bill Hobby

... A STRONG LT. GOVERNOR, HONESTLY.
