## Fowler Team Wins Golf Tourney Sun.

The Memphis Country Club Member - Guest partnership tournament last weekend attracted a lot of golfing celebrity. Vice President Webb Wilder of San Antonio, of the Texas Golf Assn., as well as other good golfers.

Estelline's Doug Fowler teamed with his uncle Ted Fowler of Edmond, Okla., to blister the Memphis course 25 under par 111 in the handicap tournament to win first place.

Doug finished his first day of play with a 67, after shooting a 30 on the back nine, birding the 6th, 7th, 8th, and 9th holes in a row to capture a 14 under par for his team, as Ted managed to add his share of below par holes.

The team went on to shoot an 11 under on the second day to win the tournament by six-stroke margin.

The team of Clinton Voyles and Robert Laycock of Shamrock, finished second with 117, and Joe Browning and John (Chief) Lemons had a 119 for third place.

Matt Monzingo and Jim Beeson captured fourth after defeating the team of Mackie Allen and Jerry Lowe in a seven-hole play-off. Both teams finished 120 in the tournament.

Arnold Cruze and Bill Montgomery defeated Mike Helm and Pat Rominger of Wichita Falls one up to decide sixth

place in the tournament. They finished with 121.

A tie for 8th place between Doc Bates and Johnny Farnsworth, and Terry Monzingo and James Avery of Amarillo, was not decided as no prizes were awarded except to the top six teams. They were in at 122.

The tournament attracted 34 teams including the team of Webb Wilder and partner George Morey of Childress. Wilder has won the Tri-State Senior Tournament several times and is one of the best known golfers in the state.

He just happened to be passing through and decided to stay and play in the tournament.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

All local civic clubs and non-profit groups are invited to participate with the carnival with concession booths and game booths. No charge will be made for the booths, but each organization will be required to erect their own booth. Dale Lawrence, Chamber of Commerce president, stated. Organizations planning to set up a booth must obtain approval of the Chamber of Commerce.

## District FB Queen Contest, Talent Find To Be Held Here Friday

The District Farm Bureau Queen Contest and Talent Find will be held in the Memphis Community Center at 6 p.m. Friday, August 6.

Contestants, in both the Queen contest and Talent find, will be participating

from Armstrong, Collingsworth, Hall, Hansford, Hutchinson and Gray counties. Miss Sheryl Orcutt will represent Hall County in the Queen's contest and Audrey and Loree Pounds are the county winners in the Talent Find.

A tea will be featured at 3 p.m. at the DeVille Restaurant for the Queen contestants and a "Dutch Treat" dinner will be served at the Community Center that evening at 8 p.m.

The dinner is open to the public and those who are planning to attend should contact Patsy Black at the Farm Bureau office, 259-2211. Tickets are \$3.50 each.

Local residents are urged to attend the meeting and support the Hall County nominee for Queen and Talent Find.

**HALL COUNTY PICNIC PLANNING**—Pictured above is Hall County Picnic Assn. President Tom Seay of Estelline as he presided over a planning session with many of the chairmen of committees and others interested in the Annual Picnic the third weekend in September. To the right is Assn. Secretary Mildred Stephens. There were 22 attending the meeting last week.

## S&W Cons. Dist. To Elect New Director Aug. 14

Election of a new director within subdivision three of the Hall - Childress Soil and Water Conservation District No. 199 has been announced by County Extension Agent Warren W. Mitchell. The election will be held to fill the expired term of Lee Scribner who has moved out of the district.

The election will be held Saturday, August 14, 1976, at 10:00 a.m. at the Big "T" Restaurant in Turkey. All qualified voters are urged to attend and elect a new director.

Any questions concerning the election should be directed to either Henry Gregory, Area Supervisor, Memphis, or Warren Mitchell, Hall County Extension Agent, Memphis, Texas.

## Senior Citizen Luncheon To Be Held August 13

The Hall County Senior Fellowship regular monthly covered dish luncheon will be held Friday, August 13 at the community center.

All residents of Hall County, 55 years or older, are cordially invited to attend.

The social will begin at 10 a.m. and games will be enjoyed until 12 noon when the meal will be served.

Virginia Browder will bring a program following the meal.

One farmer stated that with rains he has received the last two weeks, since he has early cotton, these would just about be enough to see his crop through to harvest, unless temperatures got extremely hot this month.

Cotton farmers in the county are hoping for good yields this season as prices appear to be strong in the market place for their product. The rains coming in early August will certainly boost yield prospects.

However, with Aug. rains, comes the added worry by farmers of worm damage, not particularly a problem when the weather is hot and dry.

One farmer explained this year as a year of diversified conditions. "I have some cotton that's the best I've ever had," he said, "but then I've got some of the sorriest cotton I've ever had too."

He explained that he planted all of his cotton in May, but lost a portion of it. He replanted again in June, lost some of this and had to replant in late June and early July. He replanted one field four times.

Generally, most of the farmers who were able to save their May cotton have good prospects. Fine cotton was damaged several times due to wind, rain and hail, so many of these fields have partial stands. Some early July cotton looks good, but the question remains whether it will have time to mature before frost.

Considering the adverse weather conditions in the planting season, county farmers have done remarkable jobs of planting their crops, and many are engaged in battling the weed problems.

## EDITORIAL

### A Picture Of Business Activities!

The Comptroller of Public Accounts of Texas, Bob Bullock, is doing one heck of a job of keeping Texans informed about the activities of his office, and most recent release from this office was entitled Sales Tax Analysis By County Code, for the first quarter of 1976.

This release mailed last month is interesting because it lists the number of business outlets in each county, gross sales, gross taxable sales, deductions, use tax purchases and amount subject to taxes for the first quarter.

All this might read like an uninteresting thing to the average reader, but when comparing one county to another, some interesting things appear.

For instance, Hall County has 156 reporting outlets, meaning 156 businesses reporting collections of sale taxes. Childress county has 166, just 10 more. Collingsworth had 108, while Donley County has 112. Harde- man (the county with Quanah) has 148, and Wheeler County has 174.

Looking at gross sales, Harde- man had \$13,060,359, far ahead of other area counties. Wheeler was next with \$7,869,505. Childress next with \$6,226,910. Donley had \$3,264,882 and Collingsworth had \$3,051,891.

This gives a good indication of the business climate in these counties.

Harris County in Texas (Houston) did \$7.8 billion on gross sales, about 40 percent more than Dallas Co.

Comptroller Bullock has announced that he will recommend to the 65th Texas Legislature that inheritance tax exemptions for surviving family members be increased to ease the financial burden imposed on many Texans, particularly farmers and ranchers.

The present \$25,000 for the surviving spouse and each surviving child was set in 1923 and has not been changed. He explained that \$25,000 in 1923 would be worth about \$79,000 today. Rural land that sold for \$20 to \$25 per acre in 1923 sells anywhere from \$350 to \$750 per acre today.

Comptroller Bullock is again urging the U. S. Banking Committee to approve a change in the Federal Reserve Act to permit banks to pay interest on state and local government checking accounts. Each day, Bullock stated, there is one billion tax dollars sitting idly in state and local government checking accounts in Texas banks.

Many of the projects Bullock had undertaken, have been for the good of the taxpayer, and for the state and local governments. We watched Bob Bullock in his campaign for the office, spoke over a dozen times with him. He has certainly lived up to his campaign promises to the voters of this state.

### What Other Editors Say

#### DOES THE EARTH SHAKE?

So much for high idealism. Ronald Reagan that high apostle of arch - conservatism that uncompromising candidate who has never been accused of being "soft on liberalism", has succumbed to Presidential fever and to what he undoubtedly hopes is political reality, and formed an alliance with a liberal.

Senator Richard Schweiker of Pennsylvania, whom Reagan has just adopted as his vice - presidential running mate (assuming, of course, that he needs a vice-presidential running mate after the GOP convention) is definitely a "liberal", albeit a Republican one.

But he ranks high on the performance charts of the ADA, anathema in the Reagan philosophy . . . until three days ago . . . and Senator Schweiker makes no suggestion that he has changed his.

We raise no questions about the ability or integrity of Senator Schweiker. His record in the United States Senate has been an able one, and he is, by all accounts, a fine man and a good citizen.

But, heavens to Betsy, his appointment certainly raises questions about the political integrity of Ronald Reagan. Has the bedrock of Republican conservatism cracked to the core? Have the sands of California shifted under the foundation? Is the starboard wing of the GOP tilting sharply to port? Has the square earth moved on its axis?

We may have to wait for Kansas City for the answer to these questions. But stay tuned, folks.

#### ON TO MARS

David Crowder in The Highlander  
A blazing object lighting the sky — it reminds me of a movie I saw this weekend. The War of the Worlds, where Martians landed on Earth to

commence one hell of a fearsome war. But great monsters do not arise from pebbles and now we know there is really little else on our sister planet Mars. "There is life in outer space — us," said a science fiction writer.

We go by little steps at first, children of the universe. The distances from place to place confound imagination but the world was flat 500 years ago and 70 years ago we couldn't fly because we had no wings and 30 years ago a man smiled from the moon in June.

It's funny to think with the crickets chirping familiarly that Mars is only a stone's throw away. What a fine week for dreamers.

#### CARD OF THANKS

I want to thank each and everyone for the beautiful cards, flowers and food while recuperating. Also your prayers. May God's richest blessings be upon each and everyone.

**BUSINESS HOME**

Since July was the biennial month, residents of the home started the month by having a party July 2 at 7:00 o'clock in the evening. Tom Pounds and family entertained with music and dancing appropriate for the occasion. The serving table was laid with a red, white and blue table cloth, cups and saucers. Red punch and cookies decorated with miniature figures were served. Religious groups coming to the home during the month of July were the First Baptist Church each Sunday at 10:00 a.m. The Church of Christ came each Tuesday at 7:15 and The Assembly of God from Estelline at 7:00 p.m. Friday evening a flag was given to residents of the home. It was displayed on the wall in the living room. Mrs. Eddy does many things for residents in the home, such as visiting every day, playing the piano and she has crocheted afghans for the ladies. Her monthly birthday parties were given on July 12 at 7:00 o'clock for Mary Jane Pore, who was 85 on July 12; Alfred Graham who was 83 on July 11; Andrew Womack on July 11; Goldie Pore, who was 88 on July 11; and Carri Gill who was 89 on July 11. Entertainment for the occasion was furnished by Mrs. Robert Butler, who is a sister-in-law of Mr. Womack, at the piano; Mrs. Parker, who sang three songs by special request. Each honoree received an artificial corsage, their pictures made with birthday cakes, and happy birthday was sung. Ice cream and cake was served. New residents were welcomed to the home this month. Mrs. Ollie Kilpatrick was admitted July 4 and Mrs. Long was admitted July 4. Clyde Davidson and Cle McQueen came several Fridays during our singing period and played the piano and led the group in singing.

**EXCESS NITROGEN ON LAWNS**  
 Using too much nitrogen fertilizer on home lawns can set up certain lawn problems such as weeds, diseases, or thatch buildup. A turfgrass specialist at the Texas Agricultural Extension Service, adding nitrogen also increases the water requirements of a lawn. Excess applications at the rate of one pound per 1,000 square feet in the spring and one pound per 1,000 square feet in the fall are sufficient for Augustine grass lawns. An additional application is needed if grass clippings are removed. Bermuda grass lawns require about one-half as much nitrogen as St. Augustine lawns, but application rates should not exceed one pound per 1,000 square feet.

**Mixed Drink Taxes In Texas Are \$10.8 Mil.**

AUSTIN — Comptroller Bob Bullock said Wednesday that mixed drink tax collections during the April-June quarter of 1976 totaled \$10.8 million. Bullock said he has mailed checks totaling \$1.6 million to 188 counties and other checks totaling \$1.5 million to 310 cities as their share of the tax collected. The remainder \$7.7 million, stays in the state general revenue fund, the Comptroller said. The mixed drink tax is collected by the Alcoholic Beverage Commission and represents 10 percent of all gross receipts from the sale of mixed drinks. Bullock explained that the Comptroller's Office remits to counties and cities 15 percent of the total mixed drink tax collected within their boundaries on a quarterly basis. He noted that the \$10.8 million collected is 21 percent more than the \$8.9 million collected in the second quarter of 1975 and 44 percent more than the \$7.5 million collected during the same period in 1974. Hall County's share was \$146.97 and the City of Memphis received \$146.97 also.

**Hall County Has Two Traffic Accidents In June**

The Texas Highway Patrol investigated two accidents on rural highways in Hall County during the month of June, 1976, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area. These crashes resulted in no persons killed and no persons injured. The rural traffic accident summary for this county during the first six months of 1976 shows a total of 17 accidents resulting in one person killed and six persons injured. The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1976, shows a total of 49 accidents resulting in ten persons killed and 336 injured, as compared to June, 1975, with 572 accidents resulting in 25 persons killed and 455 persons injured. This was 23 less accidents, 15 less killed, and 19 less injured in 1976 at the same period of time. The ten traffic deaths for the month of June, 1976, occurred in the following counties: three in Jack; two in Potter; and one each in Deaf Smith, Hutchinson, Wheeler, Clay and Parker.

MYRON BALDWIN

**CRADLE ROLL CALL**  
Samuel Garza, son of Mr. and Mrs. Reynoldo Garza, Jr., was born July 29. He weighed 6 pounds, 3 1/2 ounces.

Mr. and Mrs. Tommy D. Speed are the parents of a son born Aug. 3. He has been named Joshua Allen and weighed 6 pounds, 3/4 ounces.

Mr. and Mrs. Robin K. Rucker of Childress announce the birth of a daughter on August 3. She has been named Katina D'Ann and weighed 7 pounds.

overly friendly bull that finally had the timid teacher rooting for him and the terrified children covering while Villa's soldiers ran whooping through the settlement and around the school building or the tragic New London fire where so many pupils and teachers lost their lives. In the more than 350 "Remember When" of these early day teachers, a whole period of history comes to life in the intimate glimpses of the "Three R's" in the infancy. It was a sturdy infancy, however, furnishing a solid pattern upon which to build a future undreamed of in their early days. Each link in the heritage of these pioneer teachers draws its modern counterpart closer to the bright horizon of the teacher of the future. From week to week, I will try to give a few quotes from the retired teachers.

I had a short visit over the telephone a few days ago with a lady and found out she had a birthday on Monday August 2. She is as prissy as a 39 year old, but she says she is 94 years young and proud of it. She came to Hall County from Georgia as a bride of L. M. Thornton 70 years ago. Lee passed away in 1948. They had two children, Cora Ethel, who passed away in 1972, and their son, Ivan, who now lives in Ft. Worth. He and his wife were here Monday for her birthday party. I think Mrs. Thornton will pass the century mark as active as she is now.

I had a visit with Tom Rowel a few days ago and in the conversation about Mrs. Thornton's birthday, he told me of another former Hall County lady who had her 84th birthday June 30 this year. She will be remembered by many of you around Newlin and Estelline. Mrs. B. E. Rushing who has lived in Childress for the past several years is the lady. She and her husband operated a general store in Newlin for a number of years. She has two sons at home with her, A. J. and Robert. Tom could remember when a little boy living near Gould, Okla., Mrs. Rushing would put him on her side saddle and take him home. Congratulations to Mrs. Rushing.

Tom Seay and his group of workers have started active work on the Hall County Picnic the third Saturday and Sunday of September I apologize for overstepping authority as I mailed Gov. Jimmy Carter a Hall County map post card, telling him that we were the "Cotton Capital", also, told him the date of our picnic. We would like for him to ride in the parade. I also told him that we liked peanuts and peanut butter. Thought he might bring us a peanut. We will send another card to the Republican candidate who I think will be Reagan or Ford. From the interviews that I have heard, they both think they have the nomination sewed up.

### Stockton-Abram Vows Are Read At Estelline

Freda Ann Stockton and Alton Vernon Abram were united in marriage Saturday evening, July 17, in the home of the groom with the Rev. Finis Marchman officiating. Parents of the couple are Mr. and Mrs. Freddy Stockton and Mrs. Nell Abram of Estelline. Grandmothers of the bride are Mrs. Harley Eddleman of Silverton and Mrs. E. S. Stockton of Quitaque. Grandmother of the groom is Mrs. Agnes McLean of Childress.

The double ring ceremony was performed under an arch of greenery, ivy and wedding bells. Miss Lisa Abram served as pianist.

Miss Paula Stockton, sister of the bride was Maid of Honor and Miss Lesinee Abram, sister of the groom, served as bridesmaid. Both wore blue floor-length dresses and each carried nosegays of white satin bows and blue carnations.

Attending the groom as best man was Calvin Wyatt of Tell and groomsman was Buzzy Abram of Estelline.

The bride given in marriage by her father, wore a white floor length dress with blue inserts of lace. She carried a white orchid surrounded by clusters of blue and white miniature carnations sprinkled with baby's breath and white streamers atop a white satin covered Bible.

Following the ceremony, a reception was held in the home.

The couple will make their home in Lubbock where the groom will attend Texas Tech this fall.

### Cecil Phillips Attend 96th Inf. Conv. Last Week

Mr. and Mrs. Cecil Phillips returned late Sunday from Ft. Worth. While there, they attended the 19th annual convention and reunion of the 96th Infantry Division of World War II at the Sheraton - Fort Worth Hotel. They visited with friends and their families whom they had not seen for some 30 years.

It was estimated that approximately 3,500 registered for the convention this year. The sites for the next three yearly conventions were announced to be Cincinnati, Ohio, New Orleans, La., and Denver, Colo.

The highlight of the convention was when Mrs. Mary Ann Melancon of Houston was presented, awards and citations that her father had earned. Mrs. Melancon was three years of age when her father (a fellow member and friend of the 96th Division was killed in Okinawa.

There was a well-rounded schedule of events including tours and banquets climaxing with a grand ball.

Mr. and Mrs. Phillips thoroughly enjoyed the convention and are looking forward to attending future conventions, they stated.

There isn't a job as tough as Dickies Workclothes

Dickies work clothes are the toughest work clothes you can buy your husband.

They're made with a tough, new blend of 65% polyester/35% cotton and the fabric is impregnated with a lasting finish called Soil Release, so you'll never have any trouble getting them clean.

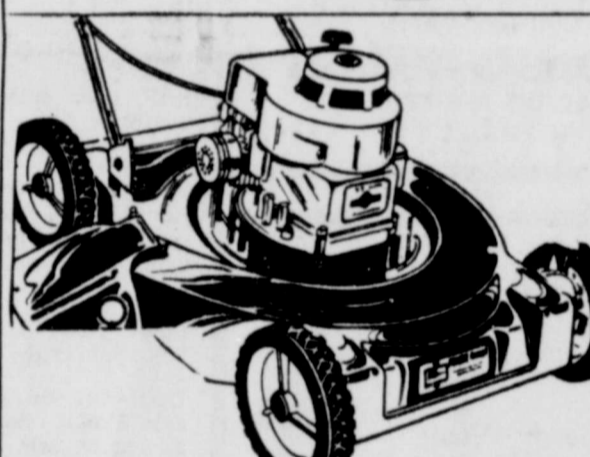

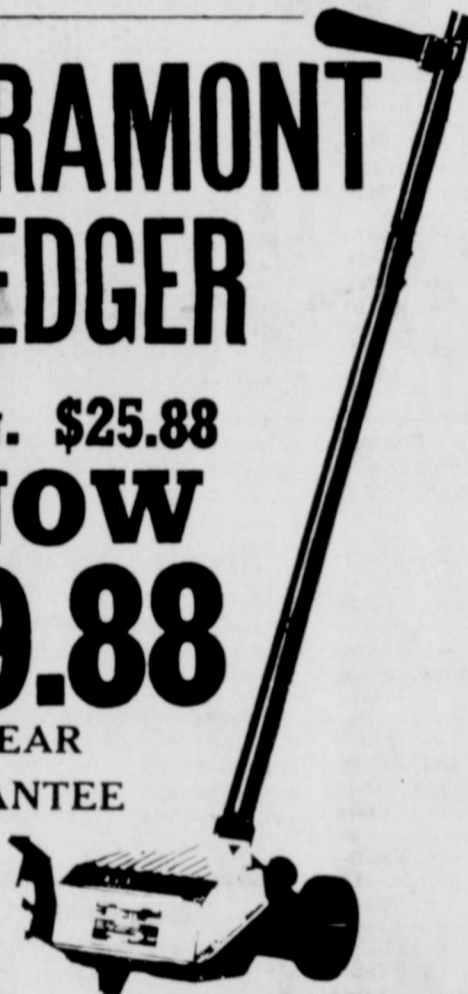

And Dickies even makes them rugged enough to keep their proportioned shape without ironing.

Dickies may make the toughest work clothes, but you'll find them easy enough to pay for.

# Juvenile Probation Officer For Area Has Handled 108 Cases in '76

Bob Watson of Wellington, chief juvenile probation officer for this area, released information covering the period of January 1, 1976 to June 30, 1976. Counties covered include Collingsworth, Childress, Carson, Donley and Hall.

A total of 108 cases have been referred to the probation department during this six month period. Of this number 79 cases have been resolved without court action, seven cases are pending and 22 have been referred to juvenile court for further official action, Mr. Watson stated.

Eighty-one of the children referred had no prior referral while 27 had one or more prior referrals. Of this number 79 were county residents while 22 were out of the county and seven were out of the state of Texas.

It was interesting to note that 59 of the referred children lived with both parents, 34 lived with one parent, 2 lived with relatives and no adoptive children were referred. The academic progress of children referred included 24 had finished the sixth grade or below, 19 had completed the 7th grade, 22 the 8th grade, nine the ninth grade, 10 the 10th grade and four had completed the 11th grade; 18 had dropped out of school between the 7th and 10th grades and two had been suspended or expelled from school.

Among offenses listed for the juveniles were one for rape, one for aggravated assault, nine for burglary, 26 for theft, three for controlled substances, 26 for school attendance, two liquor vio-

lation, 14 runaway, 14 for all other delinquent offenses and 12 for C. I. N. C.

As to the age and sex of the children referred there were three 10-year old boys and three 10-year-old girls; there were four each of boys and girls in the 11 and 12 year age bracket; there were seven 13 year boys and six 13 year old girls and in the 16 year age group there were 33 boys and five girls; only two were listed in the 17 year age group, one boy and one girl.

## Hank Hankins Is New Abilene Bank Board Ch.

A former resident, Hank Hankins, and his wife, were among four people to turn shovels full of dirt as officers of the Security State Bank in Abilene participated in ground breaking ceremonies in Abilene's newest bank.

The new building is expected to cost \$305,000 and is scheduled to be completed in 210 days.

Mr. Hankins is Chairman of the Board of Security State Bank Abilene's seventh bank.

Security State will have about eight employees when it first opens next year, said Chairman Hankins, and the facilities will include four drive-in lanes. The contractor for the project is C. B. Oates Construction Co. of Abilene. The Architect is Boone and Pole of Abilene.

Hankins has resided in Abilene for 28 years and is in investments. He said his investments include ranching and oil.

## Girls Softball

(Continued From Page 1) tainly help anyone interested in being coordinator all I could," Mrs. Fisher said. The League needs someone to volunteer to serve as coordinator to make plans for next year, she said.

"We want to thank the following merchants for their help," Mrs. Fisher said. These are: First State Bank, First National Bank, Vernon Savings & Loan, Memphis Upholstery, Branigans, Lockhart Pharmacy, Fowler's Rexall Drug, West Texas Utilities, Thompson Bros. Hardware, White's Auto, Fisher Red River Agency and Sears.

"We want to thank the Little League Assn. for allowing us to use the Little League Park this year and pay for the lighting. Also, we're so grateful for the umpires who called our games", she said.

But most of all, without the work and help from the coaches, the program could not have been a success, she said. Coaches include: Debra Moss, Kay Thompson, Janice Adams, Tammy Lockhart, Sheryl Orcutt Kim Wynn of the Red Devils; Cindy Leaverton, Phyllis Dunn of the Blue Jeans; and Jane Richardson and Sharon Penney of the Green Go Getters.

League teams are made up of girls in the third through sixth grade.

## Edith Powers

(Continued From Page 1) Edith McCurry was born Oct. 21, 1895, in Monet, Mo. She was united in marriage to Burl Powers April 15, 1915, in Missouri. He preceded her in death in 1962.

Mrs. Powers passed away at 12:35 a.m. Aug. 1, in Calahan General Hospital in Baird.

She is survived by one daughter, Mrs. Frances Moore of Clyde; two sisters, Mrs. Ruth Adhright of Tulsa, Okla., and Mrs. Christine Wickler of California.

Palbearers were Billy Thompson, George Williams, Floyd Edwards, Wendell Harrison, James Jeffers and Gene Hearn.
